**[04:41] Konoha**

I don't have anyone else to ask for help!

What the hell is she saying?

Not a chance!

**[04:46] Meiko**

She looks so cold.

**[04:48] Meiko**

Why don't you let her in?

We run a computer shop, and also develop games on the side.

U-Um...

**[06:46] Konoha**

Can you please let me work here?!

**[06:49] Meiko**

What?

I work at a bishojo game studio as an illustrator!

An illustrator?!

We're not hiring at the moment...

Um, please take a look at my art!

**[07:01] Konoha**

I'm pretty confident in my drawings of cute girls!

What should we do, Kao-san?

**[07:29] Meiko**

I'm starting to feel a little sorry for her.

**[07:38] Kaori**

Hey, Manager.

**[07:40] Kaori**

She seems funn— to be in trouble,

**[07:42] Kaori**

so why don't we have her help with painting?

**[07:44] Kaori**

We just happen to be  
short-handed right now.

**[07:46] Manager**

Well, I guess we'd take anyone  
who can paint at this point.

**[07:52] Manager**

Is she really going to be useful?

**[07:53] Kaori**

You can paint CGs, right?

**[07:55] Konoha**

Y-Yes!

**[07:56] Konoha**

Why, I've painted hundreds in my time!

**[07:59] Kaori**

Okay.

**[08:01] Kaori**

Please help us, then.

**[08:03] Kaori**

For now, you'll be working  
unpaid, if that's okay.

**[08:06] Konoha**

Yes! I'd be happy to!

**[08:08] Kaori**

Okay, Mamocchi.

**[08:10] Kaori**

Please teach her how to use all the tools.

**[08:14] Mamoru**

Huh? Why me?!

**[08:16] Kaori**

The two of us still have CGs to work on.

**[08:19] Kaori**

Besides, the programmer's got nothing  
to do without any bugs, right?

**[08:24] Meiko**

Ask if there's anything you need help with.

**[08:24] Mamoru**

I know how to use the tools, but I can't  
teach her anything about painting!

**[08:26] Konoha**

Yes!

**[08:28] Kaori**

She's in your hands.

**[08:32] Konoha**

*Now I'm stuck with this scary kid!*

**[08:35] Konoha**

P-Please go easy on me...

**[08:40] Mamoru**

Fine.

**[08:42] Mamoru**

Let's go upstairs.

**[08:43] Konoha**

Wait, upstairs?

**[08:46] Mamoru**

The development room.

**[08:48] Konoha**

The development room!

**[08:53] Mamoru**

This is where we make games.

**[08:55] Konoha**

That old computer still works! Pog!

**[08:58] Mamoru**

That's a DA.

It's not that old.

**[09:01] Mamoru**

You'll be sitting over there.

Y-Yes!

**[09:12] Mamoru**

What else would it be?

**[09:13] Mamoru**

You don't own a computer?

**[09:15] Konoha**

I-I sure do!

**[09:17] Konoha**

But my computer doesn't have a floppy drive!

**[09:20] Mamoru**

What, are you still using tape drives?

**[09:23] Konoha**

I have an SSD!

**[09:26] Mamoru**

The hell is that?

**[09:27] Konoha**

Anyway, I'll be fine!

**[09:29] Konoha**

I've been drawing on my  
computer since middle school!

**[09:34] Konoha**

**SIGN** Maru Painter

**[10:00] Mamoru**

Have you used a painting program before?

**[10:03] Konoha**

Yeah, more or less.

**[10:07] Konoha**

Um, that's a mouse you're using.

**[10:10] Mamoru**

Yeah, it's a mouse.

**[10:11] Konoha**

Where's the pen display?

**[10:12] Mamoru**

Huh?

**[10:13] Konoha**

Wait, you want me to paint with a mouse?

**[10:15] Mamoru**

Of course.

**[10:17] Mamoru**

What else are you going to use?

**[10:19] Mamoru**

Were you expecting a paintbrush?

**[10:20] Konoha**

U-Um, um...

**[10:22] Konoha**

I've only ever used Photoshop  
and a tablet to paint!

**[10:26] Mamoru**

What are those?

**[10:29] Meiko**

We use MaruPaint and a mouse here.

**[10:34] Konoha**

*This isn't good!*

**[10:36] Konoha**

*I've never done it that way before!*

**[10:40] Mamoru**

First, you scan the line art  
and load it onto the computer.

**[10:42] Konoha**

Y-Yes!

**[10:44] Meiko**

Okay, here you go, Kono-chan.

**[10:46] Konoha**

Yes!

**[10:49] Konoha**

What a cute drawing!

**[10:51] Konoha**

Um, who drew this?

**[10:54] Meiko**

Well, me...

**[10:58] Meiko**

Please stop staring at it.

**[11:00] Meiko**

It's a little embarrassing.

**[11:01] Mamoru**

Hey, hurry up and get it on the computer.

**[11:08] Mamoru**

Wait, wait!

**[11:09] Mamoru**

You can't just scan the pencil lines!

**[11:11] Konoha**

What?

**[11:13] Mamoru**

That should do it.

**[11:15] [SONG] Sign**

An old trick using a photocopier to adjust the darkness  
of line art and make the line work stand out  
prior to the spread of photo editing software.

**[11:16] Mamoru**

Make a copy of the line art so that you  
get lines with the right thickness.

**[11:23] Mamoru**

Then take the copy you made,

**[11:25] Mamoru**

scan it in grayscale...

**[11:29] Mamoru**

Look, there you go.

**[11:32] Mamoru**

The data's on here.

**[11:34] Mamoru**

Meiko's lending it to you,  
so use that for now.

**[11:34] [SONG] Sign**

Meiko's

**[11:37] Konoha**

*Transferring data with a floppy...*

**[11:40] Konoha**

*Th-That's so 90s!*

**[11:44] Mamoru**

Next, convert the grayscale  
line art into black and white,

**[11:47] Mamoru**

and redraw all the jagged lines  
while cleaning everything up.

**[11:51] Konoha**

*Redrawing all these lines with just a mouse!*

**[11:54] Konoha**

*Wh-What a pain...*

**[11:57] Kaori**

Mei-chan, how much longer for that one?

**[12:00] Meiko**

Sorry, I'll be done in a moment.

**[12:03] Konoha**

*They're both working so fast!*

**[12:07] Konoha**

*There goes my confidence  
as a time traveler...*

**[12:11] Konoha**

Is this really only 16 colors?

**[12:15] Meiko**

Yeah.

**[12:15] Meiko**

The system takes up one  
color, so actually it's 15.

**[12:19] Konoha**

15 colors?!

**[12:21] Konoha**

It really looks like it  
uses a lot more colors...

**[12:29] Konoha**

This spot right here is painted  
a little differently!

**[12:32] Meiko**

That's called "dithering".

**[12:34] Meiko**

You place two colors in  
a checkerboard pattern,

**[12:36] Meiko**

to create the illusion  
of a color in-between.

**[12:39] Konoha**

*T-Technology of the ancients!*

**[12:43] Kaori**

Mei-chan had the same reaction that you did.

**[12:46] Meiko**

Anyone would be surprised.

**[12:48] Konoha**

*I thought pixel art was  
only for chibi stuff!*

**[12:52] Konoha**

*They're drawing huge bishojo  
game graphics with it,*

**[12:55] Konoha**

*representing shades of  
colors with just pixels!*

**[12:57] Konoha**

*Absolute peak!*

**[13:00] Mamoru**

Okay, try using what you  
just saw to paint this.

**[13:03] Konoha**

Yes.

**[13:05] Konoha**

*Um... this color goes here...*

**[13:08] Konoha**

*And this one... huh?*

**[13:10] Konoha**

*How do I undo? Huh?*

**[13:13] Meiko**

How's it going, Kono-chan?

**[13:15] Meiko**

Think you can handle it?

**[13:16] Konoha**

Meiko-san!

**[13:19] Meiko**

Wh-What's wrong?!

**[13:21] Konoha**

Look at this!

**[13:22] Konoha**

All of my knowledge is

completely useless here!

**[13:29] Konoha**

It's just so frustrating!

**[13:31] Konoha**

I'm mad salty!

**[13:36] Meiko**

Don't cry, Kono-chan!

**[13:38] Kaori**

You can do it!

**[13:40] Konoha**

*Wh-Wh-Wha?!*

**[13:42] Konoha**

*They're so touchy-feely!*

**[13:44] Konoha**

*Is this what it was like  
at old game studios?!*

**[14:41] Konoha**

I-I did it!

**[14:43] Konoha**

I finally finished this CG!

**[14:46] Konoha**

I made it with just 16 colors!

**[14:49] Group**

Congratulations!

**[14:51] Kyonshi**

Huh, you really pulled it off.

**[14:53] Konoha**

Thank you very much!

**[14:58] Mamoru**

Does she really have prior experience?

**[15:06] Konoha**

The hot water is melting  
all my fatigue away!

**[15:10] Meiko**

Kono-chan, do you dye your hair?

**[15:13] Konoha**

Yes, that's right.

**[15:16] Kaori**

How unique.

**[15:21] Konoha**

*When will I be able to go back?*

**[15:24] Konoha**

*And how did this happen to begin with?*

**[15:31] Konoha**

*If I don't find a way to go back,*

**[15:33] Konoha**

*I wouldn't mind just staying here!*

**[15:37] Mamoru**

Did you finally snap?

**[15:40] Mamoru**

You started laughing to  
yourself at nothing just now.

**[15:43] Konoha**

Ah, no...

**[15:48] Mamoru**

You've been here working for days on end.

**[15:50] Mamoru**

Aren't you getting sick of it?

**[15:52] Konoha**

Well, I don't have anywhere else to go.

**[15:56] Konoha**

Not to mention...

**[15:59] Konoha**

Making games is fun!

**[16:03] Mamoru**

You're so weird.

**[16:04] Konoha**

Oh, that's right!

**[16:07] Konoha**

Mamoru-kun, do you want some fruity milk?

**[16:10] Mamoru**

"Mamoru-kun"?

**[16:11] Mamoru**

Why is it "Mamoru-kun" now?!

**[16:13] Mamoru**

You called me "Mamoru-san" before!

**[16:14] Konoha**

Hey, I'm 19 years old!

**[16:17] Konoha**

You're younger, aren't you?

**[16:18] Mamoru**

And what if I *am*?!

**[16:19] Kaori**

It looks like those two are getting along.

**[16:19] Konoha**

That's why you're Mamoru-kun!

**[16:21] Mamoru**

I still have seniority here!

**[16:22] Meiko**

Thank goodness.

**[16:23] Mamoru**

You're just a temp worker!

**[16:28] Kaori**

The end is finally in sight!

**[16:31] Kaori**

I can sleep tonight!

**[16:33] Kyonshi**

I'm stepping out to go buy some cigs.

**[16:35] Meiko**

Kono-chan, if you're cold,  
we have some extra bedding!

**[16:38] Konoha**

I'm fine!

**[16:40] Konoha**

Now then, good night!

**[16:43] Mamoru**

Hey, why are you sleeping here?!

**[16:45] Mamoru**

Go sleep by your own desk!

**[16:47] Konoha**

But it's cold over there!

**[16:50] Konoha**

And it's so messy with all  
the stuff lying around!

**[16:53] Mamoru**

You always sound so timid, but you're  
incredibly demanding, you know.

**[16:57] Kaori**

I'm turning off the lights!

**[17:10] Konoha**

Mamoru-kun, you're not going home tonight?

**[17:13] Mamoru**

I can do whatever I want.

**[17:15] Konoha**

Are you looking at a bug?

**[17:16] Mamoru**

My program has no bugs.

**[17:19] Mamoru**

This is something I'm working on for fun.

**[17:21] Konoha**

Fun?

**[17:22] Konoha**

F-Fun...

**[17:25] Konoha**

Oh yeah, why do you work here, Mamoru-kun?

**[17:29] Konoha**

Because you like bishojo games?

**[17:31] Mamoru**

I'm not doing this because I want to.

**[17:34] Mamoru**

I just help out because my dad asked me.

**[17:37] Mamoru**

Well, I've always liked  
fiddling with computers.

**[17:41] Mamoru**

But I'm calling it quits.

**[17:42] Konoha**

What?!

**[17:43] Konoha**

You're quitting?!

**[17:44] Konoha**

What a shame!

**[17:45] Konoha**

I think you could become an  
amazing game programmer!

**[17:50] Mamoru**

I'd rather join a normal  
game company, then.

**[17:52] Mamoru**

Bishojo games are made by people  
who can't make regular games.

**[17:57] Mamoru**

These aren't real video games.

**[18:00] Konoha**

That's not true!

**[18:01] Konoha**

Bishojo games are so much fun!

**[18:04] Mamoru**

They may be selling now, while  
they're not very common,

**[18:07] Mamoru**

but people will stop buying them in no time.

**[18:09] Konoha**

No, they won't!

**[18:11] Konoha**

Y-You're wrong, Mamoru-kun!

**[18:13] Konoha**

Eventually, Akiba is going to  
be filled with cute 2D girls!

**[18:16] Konoha**

No, not just Akiba!

**[18:18] Konoha**

Games, anime, and manga, too!

**[18:21] Konoha**

Trains, buses, and even bags  
of rice and bottles of sake!

**[18:24] Konoha**

They're all going to be plastered

with bishojo characters!

**[18:27] Mamoru**

Like that'll ever happen.

**[18:28] Konoha**

It really *will* happen!

**[18:30] Konoha**

I'm telling the real, honest truth here!

**[18:32] Konoha**

Mamoru-kun!

**[18:33] Konoha**

The future is filled with cute 2D girls because of bishojo games!

**[18:37] Konoha**

Even a cringe otaku like me, thanks to bishojo games,

**[18:41] Konoha**

can play it off as, "that's just my character trope, tee-hee", and keep on going!

**[18:47] Konoha**

Maybe you're right that this company can't make normal video games.

**[18:52] Konoha**

But you know, everyone here is making the bishojo games of their dreams!

**[18:58] Konoha**

What could be better?!

**[18:59] Konoha**

I love this company, and everyone who's a part of it!

**[19:07] Konoha**

Mamoru-kun, let's make bishojo games together!

**[19:20] Mamoru**

You really do have a screw loose.

**[19:21] Mamoru**

Go see a doctor.

**[19:26] Konoha**

After I tried so hard to talk with him!

**[19:28] Konoha**

I thought everyone would be nicer here!

**[21:07] Mamoru**

There, done.

**[21:09] Manager**

That's a wrap! Good work!

**[21:11] Kakori**

We did it...

**[21:12] Meiko**

It's over.

**[21:13] Konoha**

We're finished?

**[21:14] Kyonshi**

Wait, in that route—

**[21:16] Manager**

Okay, you there!

**[21:17] Manager**

Hands off the keyboard!

**[21:20] Kaori**

Everyone! It's complete!

**[21:22] Kaori**

Hooray! Hooray! Hooray!

**[21:25] Group**

Hooray! Hooray! Hooray!

**[21:33] Manager**

Well, Mamoru?

**[21:36] Manager**

Think we can use that  
self-proclaimed time traveler?

**[21:38] Mamoru**

No, she's a total beginner.

**[21:41] Mamoru**

She definitely lied about having  
worked at a game company.

**[21:44] Manager**

Well, what can you expect from someone  
who says she's from the future?

**[21:47] Manager**

Boy, oh boy...

**[21:50] Mamoru**

But it might not be a bad idea to hire her.

**[21:54] Manager**

Why's that?

**[21:55] Konoha**

"Making games is fun!"

**[21:58] Konoha**

"Mamoru-kun, let's make  
bishojo games together!"

**[22:02] Mamoru**

Not a lot of people would get so  
passionate about mere bishojo games.

**[22:07] Mamoru**

She's an odd one.

Cheers!

**[22:20] Group**

Cheers!

**[22:23] Manager**

Good job!

**[22:25] Kyonshi**

Hey!

**[22:26] Meiko**

Good work, Kono-chan!

**[22:28] Meiko**

You gave it your all to the very end!

**[22:30] Kaori**

That's right!

**[22:31] Kaori**

We wouldn't have been able to make it without you!

**[22:34] Kaori**

Our savior!

**[22:36] Konoha**

I *did* draw with a mouse back in the oekaki board days!

**[22:41] Konoha**

No wonder it came so easily to me!

**[22:48] Konoha**

Mamoru-kun, you worked hard, too!

**[22:51] Mamoru**

S-Stop it!

**[22:53] Mamoru**

Get off of me!

**[22:54] Konoha**

What?

**[22:55] Konoha**

Let's share in this happy moment together!

**[22:59] Konoha**

This is the satisfaction that I needed in my life!

**[23:04] Konoha**

Seriously!

**[23:05] Konoha**

I love making games!

**[23:07] Mamoru**

I said, get off me!
