**[01:31] Daichi**

*Several days have passed since the incident where the potions disappeared.*

**[01:35] Daichi**

*The world of the game has changed, just a bit.*

**[01:40] Daichi**

*Medicine is no longer considered a useless skill.*

**[01:46] Daichi**

*Learning that the NPCs can run out of inventory*

**[01:49] Daichi**

*caused players to rethink the Medicine skill.*

**[01:58] Daichi**

*Now, what to do today?*

**[02:04] Zwei**

Hey, Earth.

**[02:05] Earth**

Hey, Zwei. I hadn't realized you were a guild master.

**[02:09] Earth**

Thanks for the invite!

**[02:11] Zwei**

Sure. These are the members of Blue Color.

**[02:15] Zwei**

Hm... you know Millie, right?

**[02:18] Millie**

Hi there!

**[02:19] Nora**

I'll introduce myself first, then.

**[02:23] Nora**

I'm Nora.

**[02:24] Nora**

I mostly do melee combat with short swords.

**[02:29] Zwei**

Earth!

**[02:31] Zwei**

Make sure you don't say words like "flat" or "smooth" or "cutting board" around her.

**[02:38] Earth**

Got it...

**[02:40] Rage**

I'm Rage!

**[02:41] Rage**

I'm a tanker, and I use a one-handed ax and a shield.

**[02:44] Rage**

Let me aggro the enemies!

**[02:48] Kazamine**

And lastly, there's me.

**[02:50] Kazamine**

I'm Kazamine. I'm a swordsman who uses a bastard sword.

**[02:54] Earth**

I'm Earth. My weapon is...

**[02:56] Nora**

I know your weapon! You're an archer, right?

**[02:59] Rage**

Everybody's talking about you.

**[03:02] Zwei**

'Cause of this!

**SIGN** How can he win with such a crap weapon?

**[03:07] Zwei**

That chef is super-strong.

**[03:09] Zwei**

FYI for anyone watching, bows are super hard to use

**[03:12] Earth**

*I guess I really stood out for that, but...*

**[03:15] Earth**

*He was just a low-skill player.*

*I didn't want to stand out like that.*

**[03:20] Earth**

Okay, I guess I don't need to introduce myself then, but... um...

**[03:25] Zwei**

What's wrong?

**[03:27] Earth**

Four melee fighters,

one mage, and an archer...

**[03:32] Earth**

That's not a very well-balanced party, right?

**[03:34] Nora**

Millie can use more than one element.

**[03:38] Nora**

And I can use healing magic.

**[03:40] Earth**

I see.

**[03:42] Earth**

So you can fight at melee range  
and also provide support.

**[03:45] Nora**

Yup.

**[03:46] Earth**

So, what's our target for the day?

**[03:48] Rage**

We're going after a Wild Bear.

**[03:51] Earth**

A Wild Bear? That's a tough opponent.

**[03:55] Zwei**

Well, we're strong enough  
that I think we can take it.

**[03:59] Earth**

*Where is that confidence coming from?*

**[04:04] Zwei**

'Cause we've got you, Earth!

**[04:06] Earth**

You're expecting me to win for you?

**[04:08] All**

Yup!

**[04:08] Earth**

Don't agree with him!

**[04:11] Earth**

I've never fought a Wild Bear.

**[04:13] Earth**

I heard they're fast and smart,  
and really hard to beat.

**[04:20] Zwei**

And when we're done,  
Earth will cook something delicious for us all!

**[04:25] All**

Yup!

**[04:26] Earth**

I'm cooking, too?!

**[04:27] Zwei**

Is everybody ready, then?

**[04:29] Zwei**

Let's get going!

**[04:31] All**

Yeah!

**[04:55] Zwei**

Well? See any?

**[04:57] Earth**

Yeah. I do... But most  
of them are in groups.

**[05:04] Earth**

There's one in front of us that's by itself.

**[05:06] Earth**

Let's pull it!

**[05:07] Zwei**

Okay, we'll lure it to someplace  
where we have the advantage.

**[05:12] Kazanami**

Long-Distance Vision's very handy, isn't it?

**[05:14] Kazanami**

I'm glad we had Earth come with us.

**[05:17] Rage**

Yeah.

**[05:18] Zwei**

See? He's really helpful, right?

**[05:21] Earth**

You don't get to brag about me.

**[05:23] Zwei**

Millie, buffs.

**[05:26] Millie**

Okay!

**[05:34] Earth**

spent a long time preparing this, didn't you?

**[09:29] Millie**

The lemon juice brings  
out a nice clean flavor,

**[09:33] Millie**

and the smell of the herbs  
gets rid of the gamy taste!

**[09:37] Zwei**

How come I just get bread from the market?!

**[09:39] Earth**

'Cause you love comedy, Zwei.  
I figured you'd see the humor in it.

**[09:43] Zwei**

I do not!

**[09:45] Earth**

Oh, fine.

**[09:47] Earth**

Now that the joke's over...

**[09:50] Zwei**

Yay!

**[09:52] Nora**

Hey, Earth, are recipes  
for cooking expensive?

**[09:55] Earth**

I wouldn't say expensive...  
you just can't buy them.

**[09:59] Rage**

Huh? Why not?

**[10:01] Earth**

There's this unspoken rule among  
crafters that you don't trade recipes.

**[10:08] Kazamine**

And why is that?

**[10:10] Earth**

One reason is that coming up with a  
recipe takes a ton of time and money.

**[10:16] Earth**

And the second reason is that two  
people making the same recipe

**[10:19] Earth**

can end up with products of  
wildly different quality.

**[10:22] Millie**

Even with the same ingredients?

**[10:25] Earth**

Yes.

**[10:26] Earth**

Recipes are the product of the hard work  
and creativity of the people who made them.

**[10:29] Earth**

You can copy the recipe itself,  
but you can't copy the quality.

**[10:34] Earth**

That's the conclusion  
everyone came to, I guess.

**[10:36] Nora**

I see.

**[10:38] Nora**

So even if I bought the recipe for  
these yummy kabobs from you,

**[10:42] Nora**

I wouldn't be able to make them?

**[10:44] Rage**

Yes, that's what it means.

**[10:48] Zwei**

Then, from now on, let's have  
Earth cook for us for really cheap!

**[10:52] Earth**

Hey, where did *that* come from?

**[10:54] Zwei**

Everybody, you're all really glad  
Earth joined our party, right?

**[10:58] All**

adventuring for one day!

**[12:54] Earth**

We will shortly be performing our first major update.

The update title is "The Fairy Ball".

In addition to new arts and skills, we will be adding in new items for crafters as well as fairies that will support you in your adventures.

These fairies will fight alongside you and help you craft.

They excel at supporting you in your lives here.

Fairies also have rarities, in the following order: common, uncommon, rare, high rare.

Please see our official homepage, where we will be making regular announcements, for more information.

Please look forward to the update and event.

**[13:02] Earth**

This is an important message for all players of One More Free Life Online...

**[13:11] Earth**

*The message was about a major update that was coming called "The Fairy Ball."*

**[13:17] Earth**

*There would be new skills and arts, more items to craft...*

**[13:23] Earth**

*And also fairies who could support us as we played!*

**[13:31] Adventurers**

*Hey, this is...*

**[13:33] Adventurers**

*This is definitely gonna be a "brawl," not a "ball," right?*

**SIGN** Ball

**SIGN** Brawl

**[13:41] Earth**

*The other players are going to be leveling up, too, though.*

**[13:45] Earth**

*I can't get hit with any more penalties from dying.*

**[13:50] Earth**

*I worked my way out from under the heavy penalty, and learned blacksmithing.*

**[13:55] Earth**

*I decided to make an arrowhead that could pierce the rock ant's skin.*

**[14:00] Earth**

*First, I got two types of iron.*

**[14:04] Earth**

*One was basic iron for piercing.*

**[14:09] Earth**

*The second was intended  
as a bludgeoning weapon.*

**[14:11] Earth**

*I used a purer form of iron for that.*

**[14:15] Earth**

*I used the most popular shape, a  
triangular pyramid with indentations on the back.*

**SIGN**

By attaching this to a Wooden Arrow,  
you can create an Iron Arrow.

Effect: Additional Atk + 6

**[14:20] Earth**

*Adding this iron arrowhead to a wooden arrow  
creates an iron arrow with 7 attack.*

**[14:31] Earth**

*Then I made a mace-like  
arrowhead out of purer iron.*

**SIGN**

By attaching this to a Wooden Arrow,  
you can create a Heavy Blunt Arrow.

Additional Atk +8

**[14:35] Earth**

*I think these are all  
the items I want for now.*

**[14:41] Earth**

*Now I need something to  
help with my kicks.*

**[14:45] Earth**

*I'll probably see other monsters that  
reflect kick damage, like the rock ant.*

**[14:51] Earth**

*And kicking doesn't let you  
equip a weapon, so it's weak.*

**[14:55] Earth**

*To solve these two problems...*

**[14:59] Earth**

*I'll add seven thick, short spikes  
to the bottom of my boots.*

**[15:03] Earth**

*And maybe a blade on the side?*

**[15:07] Earth**

*What shape should the blade take?*

**[15:10] Earth**

*I could base it off a  
kukri knife or a jambiya...*

**[15:17] Earth**

*Like this, maybe?*

**[15:19] Blacks**

What are you going to do with that?

**[15:21] Earth**

Just you wait and see, Blacks!

**[15:24] Blacks**

I can't even imagine what  
you'd use it for, though.

Thanks for the bowstrings. Bye!

**[16:34] Earth**

*Now for my bow...*

**[16:35] Earth**

*My Archery level has reached 30,  
so I guess I'll specialize.*

**[16:42] Earth**

*I have three choices:  
Shortbow, longbow, and hunting bow.*

**[16:47] Earth**

*Shortbows are easy to use,  
but they have a limited range.*

**[16:51] Earth**

*They're not good for me,  
since I'm not a melee fighter.*

**[16:54] Earth**

*Longbows have range and power,  
but take a long time to fire.*

**[16:59] Earth**

*They're not good for solo players.*

**[17:01] Earth**

*Which means I should  
probably pick the hunting bow,*

**[17:05] Earth**

*since it's got the same range and  
power as what I've been using.*

**SIGN** Earth used 3 Exp Points  
to specialize his Lv 30 Archery skill  
into Lv 1 Hunting Bow!

**[17:13] Earth**

*It's a more powerful skill,  
so I'll get more of an attack bonus.*

**[17:18] Earth**

*Okay, time to get to work on the bow!*

**[17:25] Earth**

I like it!

**[17:38] Earth**

Yeah. A bow.

**[17:40] Blacks**

That's your bow?

**[17:42] Blacks**

That ain't like any bow I've ever seen.

**[17:46] Earth**

It's fun to make things that couldn't possibly exist in the real world.

**[17:50] Blacks**

Yeah.

**[17:51] Blacks**

That's the best part of being a craftsman, right?

Oh, I got him.

**[20:58] Millie**

But it's still too early to give up!

**[21:03] Millie**

The announcement said "first half."

**[21:08] Millie**

That means there's probably  
a second half, right?

**[21:13] Earth**

That's true!

**[21:15] Millie**

And also...

**[21:18] Millie**

The broken item didn't disappear.

**[21:23] Millie**

Which means you've got one

**[21:27] Nora**

That might be right!

**[21:29] Millie**

I'm sure there's a good chance something  
will happen in the second half!

**[21:35] Earth**

I see!

**[21:38] Zwei**

I think that's probably right.
