VRMMO LIFE

**[01:37] SIGN**

Fairy-playah

**[01:38] Earth**

It should be safe to talk here.

**[01:41] Earth**

*That's clearly some of the  
best equipment in the game.*

**[01:43] Earth**

*He must be one of the game's top players,  
playing its toughest content!*

**[01:49] Silver**

I won't take up a lot of your time.

**[01:53] Silver**

Have you ever met a man named Glad?

**[01:59] Earth**

No.

**[02:01] Silver**

I see.

**[02:03] Silver**

I've heard a rumor that he's targeting  
players who have the "Fairy-playah" title,

**[02:10] Silver**

and I thought he might've gone after you.

**[02:13] Earth**

I'm sorry, but who is this Glad?

**[02:16] Silver**

A former static member of my party.

**[02:19] Silver**

We had issues with his behavior,

but he was a very skilled tanker.

**[02:26] Earth**

"Former" means he's no longer in your party, right?

**[02:33] Silver**

You're observant.

**[02:36] Silver**

Glad became arrogant and began to look down on the other members.

**[02:41] Silver**

But when the current event began,

**[02:46] Silver**

he was the only one to fail to make a contract with a fairy.

**[02:50] Earth**

*Just like me?*

**[02:53] Silver**

He became extremely upset, and began to take it out on the other members.

**[02:58] Silver**

As leader, I had no choice but to banish him.

**[03:04] Silver**

Though, the bigger problem is...

**[03:07] Silver**

You can show yourself.

**[03:12] Earth**

A light Valkyrie?

**[03:15] Earth**

A perfect humanoid fairy...

**[03:19] Silver**

Anything I do to try and make him feel better will just make him angrier.

**[03:25] Silver**

After the last update, he was able to get a new contract crystal,

**[03:29] Silver**

and make a contract with a darkness fox fairy.

**[03:32] Silver**

He's going around challenging people to special PvP duels.

**[03:35] Earth**

So, even after getting a fairy,

**[03:37] Earth**

he still feels the humiliation he felt at the start?

**[03:41] Silver**

He'll use the tournament on the last day  
of the event as a way to show his strength.

**[03:47] Silver**

Please be careful and stay away from him.

**[03:51] Earth**

Thanks for the warning.

**[03:54] Silver**

I intend to take responsibility for this.

**[03:56] Silver**

I'll have to scold him at  
the tournament, I think.

**[04:05] Earth**

*It's dangerous to just  
believe one side of a story,*

**[04:08] Earth**

*but I'll be careful.*

**[04:17] Earth**

*It's against the terms of service*

**[04:19] Earth**

*to challenge someone to PvP while  
they're fighting monsters.*

**[04:23] Earth**

*Even if this Glad guy is after me,*

**[04:27] Earth**

*as long as I'm hunting out here, I'm safe!*

**[04:44] Earth**

*At this distance,  
there's time to fire again!*

**[04:46] Earth**

Arts! Mirror Arrow!

**SIGN** Mirror Arrow

**[05:11] Earth**

The new Bow art I learned is pretty helpful,

**[05:16] Earth**

but it's still rough fighting  
a Wild Bear on my own...

**[05:21] Earth**

But this is how I'm going to play.

**[05:25] Earth**

This is what I want.

EXP16  
Title: Fairy-playah

**SIGN** Specialize

This will cost 3 EXP.  
Are you sure?

**[05:34] Earth**

Okay, I'll upgrade this to Kick Attack.

**SIGN** Kick Attack

**SIGN** Kick Attack

You've learned Sliding Charge

An art that allows you to hit  
the enemy with a sliding tackle,  
or rapidly escape from them.

**[05:42] Earth**

My first kick art!

**[05:45] Earth**

The update to the skill UI made it  
a lot easier to understand, too!

**[05:55] Earth**

*My first job for the day is to hunt  
for ore in the mines near Nexia.*

**[06:01] Earth**

*My objective is to make  
steel and light metal.*

**[06:04] Earth**

*There's something I want  
to try crafting with them.*

**[06:11] Earth**

Heave! Ho! Heave!

**[06:18] Earth**

Watch out, everybody!  
I hit some explosive ore!

**[06:35] Earth**

I got it! Sorry, guys!

**[06:37] Players**

It's fine!

**[06:39] Players**

Thanks for not letting it blow up!

**[06:41] Players**

We all would've wound up dead  
if that thing had gone off.

**[06:46] Players**

The area of effect on that  
thing is way too big.

**[06:48] Players**

I wish they'd nerf it.

**[06:50] Players**

Some people take advantage of that, though.

**[06:53] Players**

The bomb masters, you could call 'em.

**[07:04] Earth**

Blacks, I'm borrowing your smithy again.

**[07:07] Blacks**

Oh, Earth.

**[07:09] Blacks**

You got another weird thing you want to try?

**[07:11] Earth**

"Weird"? That's rude.

**[07:16] Blacks**

Well, good luck!

**[07:19] Earth**

Now, then...

**[07:23] Earth**

*Today, I'm making a new  
arrowhead and a metal whip.*

**[07:27] Earth**

*The arrowhead is twisted so  
it can dig into flesh easier.*

**SIGN** Twisted-Blade Dagger

**[07:30] Earth**

*I got the idea from an item  
called a twisted-blade dagger.*

**[07:37] Earth**

It's hard to get the twist right.

**[07:41] Earth**

Okay, one more time!

**[07:49] Earth**

I think I've got it!

**[07:51] Earth**

I've finally been able to add a  
status debuff to an arrow itself!

**SIGN** Twister Arrow

Its arrowhead is improved by twisting it halfway, making it easier to pierce an opponent. However, this makes it much more expensive to craft. A hit with this will cause a "Laceration" debuff, which reduces enemy HP over time.

**[07:55] Earth**

That makes it much stronger!

**[07:56] Earth**

Now for the whip!

**[08:29] Blacks**

Is that the finished product?

**[08:31] Earth**

Yes. I made the whole thing out of light metal!

**[08:35] Blacks**

I see!

**SIGN** Triangle Blade Whip

A brutal whip lined with numerous thin, scale-like blades. The blades will constrict and damage the unfortunate victim. When an opponent is bound, they will continually receive damage.

**[08:37] Blacks**

Light metal is light and supple like bamboo,

**[08:40] Blacks**

so I was thinking that if you stretched it out, you could make it into a whip.

**[08:43] Blacks**

It must've taken a lot of work, though!

**[08:46] Earth**

My arms are so stiff I can't lift them!

**[08:51] Earth**

I'll be heading out for the day.

**[08:53] Blacks**

Okay, bye!

**[09:00] Earth**

Hello? I'd like to borrow a spot to work on some explosive ore...

**[09:07] Alchemist**

Sure, just use the room downstairs.

**[09:13] Earth**

*I didn't know the formulation shop had a basement.*

**[09:17] Earth**

*But even if I fail down here, it won't bother anybody!*

**[09:22] Earth**

*The risk it'll blow up on me is too big for me to be able to use it right now.*

**[09:27] Earth**

*But I don't want to just throw  
away such a powerful item.*

**[09:31] Earth**

*I'll see how far I can get  
with my Medicine skill...*

**[09:37] Earth**

*But in the real world,  
I'm not a technical person at all.*

**[09:41] Earth**

*It's exhausting to have to  
actually think for once.*

**[09:45] Earth**

*I started by mixing in some oil and  
herbs along with a piece of the ore*

**[09:50] Earth**

*to adjust the speed at  
which it ignites, but...*

**[09:59] Earth**

But if I want to find the best ratios,  
I'll need to experiment!

**[10:03] Earth**

I'll start with A!

**[10:10] Earth**

*It didn't ignite. That's a failure.*

**[10:13] Earth**

Now, B!

**[10:24] Earth**

That took 80% of my HP!

**[10:28] Earth**

It's too powerful.

**[10:30] Earth**

But maybe I could use it to take a monster  
down with me if I were about to die?

**SIGN** Hell Mine Oil

A dangerous oil that has such a wide area of effect  
that the person who threw it will get caught in the blast.  
Best used in traps.

**[10:35] Earth**

I'll name it Hell Mine Oil, I guess.

**[10:42] Earth**

Okay!

**[10:44] Earth**

Lastly, the C oil!

**[10:47] Earth**

Please work!

**[10:53] Earth**

This is it!

**[10:54] Earth**

That's the ratio I want!

**[10:55] Earth**

I'll make a bunch of this one!

**SIGN** Enhanced Oil

Creates a pillar of flame when the bottle shatters.  
Anyone within the area of effect will take a large amount of damage and suffer the status effect "Burns".

**[11:05] Earth**

Veni Gutadia Acrus Ratula!

**[11:08] Earth**

Wind Cutter!

**[11:21] Earth**

The oil made this a lot easier!

**[11:25] Earth**

*I can't raise my skills if I rely  
on it too much, but still...*

**SIGN** Your Hunting Bow skill  
has reached Lv50.

You have learned Gatling Arrow.

**SIGN** Your Wind Magic skill has reached Lv50.

You have learned Fly.

**[11:34] Earth**

Nice!

**SIGN** Your Wind Magic skill has reached Lv50.

You have learned Fly.

**SIGN** You have reached Lv50 in both  
Hunting Bow and Wind Magic.  
You have unlocked the ability to  
combine the two into the specialized  
skill Aeolian Dust Hunting Bow.

If you do this, you will learn the  
unique Aeolian Dust Hunting Bow art,  
but lose the ability to increase your  
high-rank Hunting Bow and  
Wind Magic skills.

**[11:39] Earth**

*"Aeolian Dust Hunting Bow"...*

**[11:42] Earth**

*An elemental weapon art that lets you  
add magical properties to a weapon.*

**[11:47] Earth**

*I'm interested in more powerful wind magic,*

**[11:50] Earth**

*but to me, magic is just a support skill.*

**[11:53] Earth**

*I'm just going to believe that wind and bows are a good combination, and say yes.*

**SIGN** This decision is absolutely irrevocable! Are you sure?

**[12:01] Earth**

*They really want to make sure I'm sure, huh?*

**SIGN** This decision is absolutely irrevocable! Are you sure?

**[12:05] Earth**

*Now then, time to check out my new art...*

**[12:10] Earth**

Gatling Arrow!

**SIGN** Gatling Arrow

**[12:16] Earth**

*I can fire in bursts!*

**[12:21] Earth**

*I guess the most I can do is two at a time at this level.*

**[12:24] Earth**

And my other one is...

**[12:27] Earth**

Ad Caelum!

**[12:29] Earth**

Fly!

**SIGN** Fly

**[12:35] Earth**

*Wind support magic?*

*That looks really helpful!*

**[12:42] Myun**

You got a whole bunch today, huh?

**[12:44] Myun**

You want me to make a leather cape with this, right?

**[12:47] Earth**

Yeah. I want to reduce how much damage I take from the rear.

**[12:51] Myun**

I'm on it.

**[12:54] Earth**

Fanfare?

**[12:55] GM**

*An announcement for all players of One More Free Life Online!*

**[13:00] GM**

*We are now concluding the scoring for the Fairy PvP event!*

**[13:04] Zwei**

Hey, Earth!

**[13:06] Earth**

Hey!

**[13:07] GM**

*I repeat.*

**[13:08] Zwei**

Nobody from our guild really  
spent a lot of time on this.

**[13:08] GM**

*We are now concluding the scoring  
for the Fairy PvP event!*

**[13:11] Zwei**

I doubt anybody made it into the tournament.

**[13:13] Earth**

There are only 16 slots.  
I wouldn't worry about it.

**[13:17] GM**

*And now, we'll announce the players who  
earned the right to be in the final tournament!*

**SIGN** Silver

**SIGN** Glad

**[13:23] Millie**

Two of them have a way higher win rate and  
number of battles fought than the others.

**[13:27] Earth**

Yeah. That's incredible.

**[13:30] Earth**

*Silver and Glad.*

**[13:32] Earth**

*After hearing what Silver had to say,  
I'm worried about their relationship,*

**[13:36] Earth**

*but I can't control my desire  
to see their battle!*

**[13:46] GM**

Thank you, everyone, for coming  
to our special tournament server!

**[13:54] GM**

We hope you enjoy the show!

**[13:57] SIGN**

Fairy-playah

**[13:57] Millie**

Wow. I bet most of the game's  
players are here today.

**[14:03] Earth**

*If there are this many people here...*

**[14:05] Earth**

*I'll use my Long-Distance Vision!*

**SIGN** Fairy-playah

**SIGN** Fairy-playah

**[14:13] Earth**

*I knew there'd be people  
here who knew my pain!*

**[14:16] GM**

Let the first battle begin!

**[14:26] Zwei**

Their levels are so high that  
the fights are awesome!

**[14:29] Zwei**

I think their fairies have  
evolved a bunch of times, too.

**[14:32] Earth**

Yeah.

**[14:35] Earth**

*Even if I entered, I'd be lucky  
to win 10% of my matches.*

**[14:44] GM**

Match set!

**[14:50] Earth**

*Particles of light went from the  
losing fairy to the winning one?*

**[14:54] Earth**

*That effect didn't exist during Fairy PvP.*

**[14:58] Earth**

*What's going on?*

**[15:11] Earth**

*I should've known it'd be  
these two in the final match.*

**[15:14] Silver**

We finally meet, Glad.

**[15:20] Glad**

Give it up, old man.

**[15:22] Glad**

Or is there still something you want to say?

**[15:24] Silver**

There's nothing I want to say.

**[15:26] Silver**

But... I must make you mend your ways.

**[15:28] Glad**

Make me mend my ways? How so?

**[15:31] Silver**

By breaking you!

**[15:33] Glad**

Fine. Come and get me!

**[15:40] Glad**

Your ax distracts the enemy  
while you knock them off-balance.

**[15:42] Glad**

I've seen that trick a ton of times!

**[15:55] Zwei**

Wow.

**[15:57] Millie**

So that's what a top player looks like, huh?

**[16:00] Earth**

*Silver said he'd take responsibility.*

**[16:04] Earth**

*But...*

**[16:12] Silver**

Moon Crescent!

**SIGN** Moon Crescent

**[16:17] Silver**

What?

**[16:19] Earth**

*He dodged with Wind Boost?*

**[16:21] Earth**

*He knows Wind Magic?*

**[16:23] Glad**

You fell for it, old man!

**[16:25] Glad**

You can't dodge me mid-air!

**[16:27] Glad**

Cross Line!

**[16:28] [SONG] Glad**

Cross Line

**[16:38] GM**

The match is over!

**[16:40] GM**

The winner is Glad!

**[16:43] Glad**

We're even now, old man.

**[16:46] Zwei**

The two of them looked like they  
were about the same strength...

**[16:49] Earth**

I guess he was more obsessed with victory.

**[16:52] Earth**

Huh?

**[17:01] Glad**

You evolved, huh?

**[17:02] Glad**

I hope you're worth something.

**[17:07] Fairy Queen**

I refuse.

**[17:09] Fairy Queen**

I refuse to allow you in my presence for another moment.

**[17:12] Glad**

What? What do you mean?

**[17:15] Fairy Queen**

First, listen to me.

**[17:17] Fairy Queen**

The purpose of this event was to select the next ruler of the fairies.

**[17:23] Fairy Queen**

We were given a prophecy that told us our next ruler

**[17:27] Fairy Queen**

should be someone strong and well-versed in the arts of war.

**[17:30] Glad**

So what?

**[17:32] Fairy Queen**

Fairies are not warlike creatures.

**[17:36] Fairy Queen**

Thus, we decided to learn how to fight from humans, the masters of war.

**[17:40] Fairy Queen**

The winner of a fight would inherit the experiences of the loser,

**[17:43] Fairy Queen**

until only one was left, who would become our ruler.

**[17:46] Fairy Queen**

And that was me.

**[17:47] Glad**

And so as soon as you're done with us, you're ditching us?

**[17:50] Glad**

How convenient for you.

**[17:52] Fairy Queen**

I don't think the others will be leaving.

**[17:56] Fairy Queen**

I'm leaving you because our contract is at an end.

**[18:00] Fairy Queen**

Remember what you always said?

**[18:02] Fairy Queen**

"I'm gonna get even with that old geezer!  
I'll have my revenge!"

**[18:06] Fairy Queen**

And you just got it!

**[18:08] Glad**

So I meant nothing to you.

**[18:11] Fairy Queen**

Did I mean anything to you?

**[18:13] Fairy Queen**

I was never your partner.

**[18:16] Fairy Queen**

I was just a tool.

**[18:18] Fairy Queen**

So I used you as a tool  
to help me become queen.

**[18:23] Glad**

Cut the crap! I'm not your tool!

**[18:26] Fairy Queen**

And I'll say those exact words to you!

**[18:30] Fairy Queen**

I'm not your tool.

**[18:32] Fairy Queen**

To you, this world may be a game.

**[18:35] Fairy Queen**

But it's real to me!

**[18:38] Millie**

That Fairy Queen is talking  
like she's a real person.

**[18:44] Earth**

*Yeah, it doesn't seem like just an AI.*

**[18:47] Earth**

*Is she some experiment or research project?*

**[18:50] Earth**

*No, it'd be rude to start asking questions  
like that. I'll just forget it.*

**[18:53] Fairy Queen**

I'll give you a reward.

**[18:55] Fairy Queen**

Three hundred thousand gloh, in addition  
to the prize for winning the tournament.

**[18:58] Fairy Queen**

I'll also make sure you get  
a contract with a fairy

**[19:01] Fairy Queen**

that was as strong as me before I evolved.

**[19:04] Fairy Queen**

You want somebody obedient, right?

**[19:06] Glad**

I refuse to accept that!

**[19:07] Fairy Queen**

Oh, are you going to resort to force?

**[19:10] Fairy Queen**

If you can defeat me, I'll accept  
your strength and accompany you.

**[19:14] Fairy Queen**

But if you lose, you won't get  
the extra money or the fairy.

**[19:18] Fairy Queen**

You can't step up to the table unless  
you're willing to bet something.

**[19:22] Fairy Queen**

That's your human rule, right?

**[19:24] Glad**

Come on, fight me!  
I'll make you obey me once more!

**[19:29] Fairy Queen**

Let's begin, then.

**[19:34] Fairy Queen**

Earthquake.

**[19:35] [SONG] SIGN**

Earthquake

**[19:36] Glad**

Is that supposed to throw me off-guard?

**[19:40] Fairy Queen**

Fire Lance.

Wind Cutter. Water Lance.

**SIGN** Fire Lance Wind Cutter Water Lance

**[19:46] Zwei**

How is she casting that fast?

**[19:48] Zwei**

And each spell has five bolts!

**[19:58] Glad**

**[20:00] Glad**

Is that all you've got?!

**[20:03] Fairy Queen**

Shock.

Lightning.

**[20:53] Fairy Queen**

You have one HP left.

**[20:55] Fairy Queen**

Will you still fight?

**[21:00] Fairy Queen**

That should've served to break his pride.

**[21:06] Fairy Queen**

I'll let you take over.

**[21:08] Silver**

Thank you.

**[21:13] Silver**

I should've been the one  
to do this for you...

**[21:20] Fairy Queen**

And there are still three who need a reward!

**[21:33] Fairy Queen**

Thank you for refusing to fight,

**[21:36] Earth**

even though it meant giving up on  
a chance to evolve your fairy!

**[21:40] Earth**

Evolution was supposed to  
be a reward for battling,

**[21:43] Earth**

but I wanted some of us  
to not have to battle.

**[21:46] Earth**

As a thank you,  
I'll increase your fairies' ranks.

**[21:51] Earth**

And as for you...

**[21:56] Earth**

You're going to fight me!
