**[01:31] Male GM 1**

Now, let's hear your report.

**[01:34] Female GM**

PN-O-EA seems to be enjoying herself.

**[01:37] Male GM 1**

Her learning seems to be advancing quickly thanks to that archer.

**[01:42] Male GM 1**

We'll need to thank him.

**[01:44] Female GM**

There's a problem, though.

**[01:48] Female GM**

PN-1-EB has been complaining that she is bored.

**[01:54] Male GM 1**

Let's allow her to go for a walk.

**[01:58] Earth**

Hey.

**[02:00] Zwei**

Earth! Thanks for coming!

**[02:03] Earth**

No, thanks for inviting me.

**[02:06] Zwei**

Nora and Kazamine can't play today.

**[02:09] Zwei**

So we were hoping we could get a thief player who could also DPS.

**[02:14] Earth**

But then we'll only have Millie for a healer.

**[02:18] Earth**

Will we be okay?

**[02:19] Millie**

A new healer is going to join us today.

**[02:23] Earth**

A new player, huh?

**[02:26] Earth**

I don't see them anywhere, though.

**[02:28] Zwei**

Sorry. She said she'd be late.

**[02:31] Earth**

It's okay if she's a few minutes late.

**[02:34] Rona**

Oh, Earth...

**[02:36] Rona**

About this new player...

**[02:40] Rage**

She can be a little rude sometimes.

**[02:43] Rage**

I guess "strong-willed" would  
be a nice way to put it.

**[02:47] Earth**

So I just need to kind of brush it off, huh?

**[02:51] Zwei**

There weren't any other free healers today.

**[02:54] Zwei**

Sorry.

**[02:55] Earth**

Not a lot of people play  
tanks or healers. I get it.

**[03:00] Zwei**

Thanks, I appreciate that.

**[03:05] Eliza**

So you've all come out to greet me, I see!

**[03:08] Eliza**

I appreciate that.

**[03:10] Zwei**

No, you're just late, dummy!

**[03:14] Zwei**

Earth, her name is Eliza.

**[03:18] Zwei**

Her real name is "Elizabeth,"  
but we call her "Eliza" for short.

**[03:22] Zwei**

She's a really good mage,  
and really dependable.

**[03:28] Earth**

*Zwei even did her introduction for her...*

**[03:31] Earth**

*It must be rough being a guild master.*

**[03:33] Zwei**

Come on, Eliza!

**[03:35] Zwei**

Get down here and apologize to Earth!

**[03:37] Eliza**

I don't know...

**[03:39] Eliza**

This archer looks like a wimp.

Is he actually useful for anything?

**[03:43] Eliza**

He looks so ordinary,  
like a generic townspeople.

**[03:47] Zwei**

Eliza!

**[03:49] Earth**

You can see if I'm useful or not  
once we get into the dungeon.

**[03:57] Earth**

Okay, there we go!

**[03:59] Rona**

I'm so glad we brought you.

**[04:01] Rona**

There were a ton of traps  
on that last floor, too.

**[04:05] Earth**

You run into traps like that sometimes.

**[04:07] Earth**

Some of those traps are  
one-hit kills if you step on them.

**[04:11] Earth**

Make sure to keep an eye out.

**[04:15] Eliza**

Well, it looks like he can  
disarm traps, at least.

**[04:20] Zwei**

Okay, we made it to the fifth floor.

**[04:24] Zwei**

Let's take a break.

**[04:26] Eliza**

Do we have time for breaks?

**[04:29] Eliza**

There's a time limit.

**[04:31] Eliza**

Let's keep moving.

**[04:33] Rage**

We're going to need to be much  
more careful from here on out.

**[04:36] Millie**

You sometimes run into  
dangerous enemies on this floor.

**[04:40] Earth**

*The lesser liches.*

**[04:43] Eliza**

A-Are they that dangerous?

**[04:46] Earth**

Yeah. Not only are they  
immune to physical attacks,

**[04:50] Earth**

they use a ton of status effects  
that stop you from moving.

**[04:54] Earth**

People call them "trauma generators."

**[05:00] Earth**

Don't worry. I can deal with any  
freeze or paralysis effects.

**[05:05] Earth**

And Eliza can fix petrification.

**[05:09] Rona**

And I've learned magic-type attacks,  
so I can help, too!

**[05:14] Zwei**

Yeah. We can handle one lesser lich.

**[05:18] Earth**

Yeah. If we're careful...

**[05:21] Earth**

Zwei!

**[05:23] Zwei**

What is it?

**[05:24] Earth**

Monsters are approaching.

**[05:27] Zwei**

How many?

**[05:28] Earth**

Twelve. Four Lesser Liches.

**[05:31] Millie**

Oh, my...

**[05:33] Zwei**

Earth, are there any traps in this room?

**[05:36] Earth**

No, none.

**[05:39] Zwei**

Okay.

**[05:41] Zwei**

It's dangerous to try to run.

**[05:43] Zwei**

We'll fight them here!

**[05:45] Rage**

I'll guard the rear!

**[05:48] Rona**

Guess we have to fight!

**[05:50] Millie**

I'll cast some offensive buff spells  
while I've still got the chance!

**[05:55] Zwei**

Yeah. Eliza, get ready to  
use some attack magic.

**[05:59] Zwei**

Eliza?

**[06:01] Eliza**

D-Did you say something?

**[06:04] Earth**

*She's so nervous that she's shaking.*

**[06:07] Zwei**

An attack spell!

**[06:09] Zwei**

Hit them with something strong!

**[06:12] Eliza**

G-Got it!

**[06:15] Earth**

*I need to get ready to attack, too.*

**[06:19] Earth**

*Here they come!*

**[06:23] Earth**

I'll hit them first!

**[06:26] Earth**

Wide Arrow!

**[06:30] Eliza**

Holy Ray!

**[06:31] Millie**

Explosion!

**[06:35] Zwei**

Okay, great!

**[06:41] Earth**

I guess I should've known  
that wouldn't be enough.

**[06:44] Rage**

Aggro Control!

**[06:46] Rage**

Taunt!

**[06:53] Rage**

I'll handle their attacks!

**[06:56] Rona**

Here I go!

**[06:58] Rona**

War Spirit Twinfists!

**[07:09] Zwei**

Okay, there's one!

**[07:12] Zwei**

This would be a lot easier  
if I had a magic sword...

**[07:20] Earth**

Oh, no!

**[07:20] Earth**

Rage has been petrified and can't move!

**[07:22] Earth**

They'll start coming after us!

**[07:25] Millie**

Eliza, heal Rage, please!

**[07:30] Zwei**

Eliza, if we can't heal Rage's petrification,  
we'll be wiped out!

**[07:35] Eliza**

I-I know!

**[07:37] Eliza**

I'll do it now!

**[07:42] Eliza**

*No... I'm too scared to speak!*

**[07:49] Rona**

Now, Eliza!

**[07:50] Zwei**

Damn it! I'm running out of MP!

**[07:53] Rage**

Aren't you ready yet, Eliza?!

**[07:59] Earth**

Get down, everyone!

**[08:08] Earth**

Eliza.

**[08:11] Earth**

Did that wake you up?

**[08:14] Earth**

Heal him.

**[08:16] Eliza**

Y-Yes!

**[08:18] Eliza**

Rapidem Cominut Lux.

**[08:21] Eliza**

Stone Break Cure!

**[08:27] Rage**

Thank you!

**[08:28] Rage**

Now I can go back on defense!

**[08:30] Zwei**

Okay, the enemy's weakened.

**[08:32] Zwei**

Let's finish them!

**[08:34] Earth**

Yeah!

**[08:41] Eliza**

If you had something that powerful,  
why didn't you use it from the start?

**[08:45] Earth**

They're risky to use,

**[08:47] Earth**

and I can't carry a lot of them.

**[08:50] Eliza**

But you could've been faster—

**[08:52] Zwei**

Eliza! If you don't stop  
complaining about Earth...

**[08:56] Eliza**

N-No! I wasn't complaining.

**[08:58] Eliza**

I just...

**[09:00] Millie**

Both of you...

**[09:02] Millie**

It's not just guild members down here today.

**[09:06] Millie**

So put a lid on it.

**[09:09] Both**

O-Okay.

**[09:11] Earth**

Millie's scary when she gets angry, huh?

**[09:14] Eliza**

Um... I'm sorry.

**[09:20] Earth**

We're not done with the dungeon yet.

**[09:22] Earth**

We'll need your help with healing.

**[09:26] Eliza**

Leave it to me!

**[09:31] Zwei**

Well, we made it out alive!

**[09:33] Rona**

I wasn't sure we would!

**[09:36] Rage**

Yeah.

**[09:37] Zwei**

Thanks again, Earth.

**[09:40] Zwei**

You were a huge help today!

**[09:42] Earth**

I got a lot of good stuff out of it.

**[09:44] Earth**

I'm grateful to you guys, too.

**[09:46] Zwei**

Glad to hear it.

**[09:47] Zwei**

Let's play again sometime.

**[09:49] Earth**

Yeah, see you.

**[09:51] All**

Bye!

**[09:51] All**

See you later!

**SIGN** Earth Meets A Dragonian Girl

**SIGN** Japanese Bow

A Japanese Bow is  
a superior version of a longbow.  
Its larger size gives it  
greater attack power and longer range.

**[10:05] Earth**

*So these are the new weapons,  
the Japanese Bow and Ootachi.*

**SIGN** Ootachi

... intended to cut through an enemy,  
rather than crush them like a greatsword.  
The weapon's arts will be  
Japanese-style katana arts, as well.

**[10:09] Earth**

*Kazamine from Blue Color was  
kind of a samurai character.*

**[10:13] Earth**

*He's gonna love that Ootachi.*

**[10:16] Dragon Princess**

You there.

**[10:21] Dragon Princess**

Are you Earth?

**[10:25] Earth**

*Pointed ears, Japanese clothing,  
and dragon-like horns.*

**[10:30] Earth**

*That's not a player avatar.*

**[10:33] Earth**

I'm Earth, yes.

**[10:35] Earth**

Who are you?

**[10:36] Dragon Princess**

I am...

**[10:38] Dragon Princess**

Hm, I'll explain it in a way that's  
easy for you to understand.

**[10:42] Dragon Princess**

I'm like the Fairy Queen's little sister.

**[10:46] Earth**

*I can tell she's going to  
be a pain to deal with!*

**[10:49] Dragon Princess**

Seeing you tense up like that saddens me.

**[10:52] Earth**

Okay, I understand who you are.

**[10:56] Earth**

Why have you come to see me?

**[11:00] Dragon Princess**

There are several reasons.

**[11:02] Dragon Princess**

But the real reason was that  
I wanted a taste for myself.

**[11:05] Earth**

A taste?

**[11:07] Dragon Princess**

I'm especially interested in...  
yes... getting a taste of your lips.

**[11:13] Dragon Princess**

How about it?

**[11:16] Earth**

You're just as bad as your big sister!

**[11:19] Earth**

Yeah, I'm definitely sure  
you're her sister now!

**[11:24] Dragon Princess**

So you think you can hit me with a fan, huh?

**[11:27] Dragon Princess**

You're an intriguing guy.

**[11:29] Dragon Princess**

I think I can see why my  
sister is so taken with you.

**[11:33] Earth**

Please go away...

**[11:35] Dragon Princess**

My sister told me you make  
the most delicious food.

**[11:41] Dragon Princess**

I'd love to try some.

**[11:44] Earth**

I refuse.

**[11:45] Earth**

Sorry, but I'm going to  
the armor shop today.

**[11:48] Dragon Princess**

You can go there first, then.

**[11:51] Dragon Princess**

I'll just follow you there!

**[11:54] Dragon Princess**

I don't get many chances  
to go outside like this.

**[11:59] Dragon Princess**

I want to look around at the city.

**[12:02] Dragon Princess**

Or is that not okay?

**[12:05] Earth**

Oh, fine...

**[12:10] Earth**

This is all store merchandise,  
so don't touch it.

**[12:14] Dragon Princess**

I-I know!

**[12:16] Dragon Princess**

I'm just surprised that humans  
can make things like these!

**[12:21] Myun**

Thanks.

**[12:22] Myun**

You've got a cute little  
friend with you today, huh?

**[12:25] Earth**

Oh, well... you know...

**[12:28] Earth**

Anyway, I came today 'cause I wanted  
you to repair this cloak I'm wearing.

**[12:35] Myun**

Oh, this thing's just  
at the end of its life.

**[12:38] Dragon Princess**

The end of its life?

**[12:40] Myun**

If it's this badly damaged,

**[12:42] Myun**

it'll be easier to buy a  
new one rather than repair it.

**[12:46] Earth**

*Yeah...*

**[12:47] Earth**

*I've been through a lot with it,*

**[12:50] Earth**

*but I guess I put it  
through too many battles.*

**[12:53] Earth**

Okay, can I get you to  
craft me some new armor?

**[12:57] Myun**

Of course. Any requests?

**[13:00] Earth**

Hm...

**[13:01] Earth**

I've got a pelt and fur from a wild bear.

**[13:04] Earth**

Can you make something with that?

**[13:07] Myun**

Great.

**[13:09] Myun**

I love it when people bring me materials.

**[13:11] Myun**

Do you have anything metal  
you can give me, too?

**[13:14] Earth**

Sure, if you'll take silver.

**[13:16] Myun**

Gotcha.

**SIGN** Wild Bear Leather Set - Silver Assist

**[13:18] Myun**

reinforced with silver.

**[13:21] Myun**

Since you're bringing me the materials,  
how about 12,000 gloh for the craft?

**[13:26] Earth**

Go for it.

**[13:27] Myun**

Thanks.

**[13:28] Myun**

I'll call you when it's ready.

**[13:30] Earth**

Got it.

**[13:32] Dragon Princess**

Seems like you're done.

**[13:33] Earth**

Y-Yeah...

**[13:35] Dragon Princess**

Now, I think it's time for you to feed me.

**[13:42] Earth**

Parboiled Rabbit Steak with Herbs.

**[13:45] Earth**

Here you go!

**[13:47] Dragon Princess**

This is definitely going to be delicious!

**[13:50] Earth**

It's piping hot, so don't burn yourself.

**[13:54] Dragon Princess**

Time to dig in!

**[13:59] Dragon Princess**

It's so tender!

**[14:01] Dragon Princess**

It's like it's melting in my mouth.

**[14:04] Dragon Princess**

I can taste the salt and pepper,  
and the faint scent of the herbs...

**[14:09] Dragon Princess**

This is incredible!

**[14:12] Earth**

I'm glad you liked it.

**[14:14] Dragon Princess**

More!

**[14:18] Dragon Princess**

That was delicious.

**[14:19] Dragon Princess**

Thank you.

**[14:22] Earth**

I didn't expect you to  
eat three whole steaks.

**[14:24] Earth**

Maybe I should have,  
since you're the Fairy Queen's sister.

**[14:27] Earth**

Hey, if you're her sister,  
does that make you a fairy, too?

**[14:32] Dragon Princess**

No, I can't really talk about that.

**[14:34] Dragon Princess**

I also can't give you my real name.

**[14:38] Dragon Princess**

So just call me whatever you like.

**[14:40] Earth**

I see...

**[14:41] Earth**

I'll just call you "Ryuu" then.

**[14:44] Dragon Princess**

Ryuu?

**[14:45] Earth**

You've got those Japanese  
dragon-style horns.

**[14:47] Earth**

Or do you not like it?

**[14:49] Dragon Princess**

I never thought I'd get  
my own personal nickname.

**[14:52] Dragon Princess**

All right. You're the only one  
allowed to call me that!

**[14:56] Dragon Princess**

I plan on spending a lot of time around you!

**[14:59] Earth**

*The Fairy Queen's sister, huh?*

**[15:01] Earth**

*I hope she doesn't cause any more trouble...*

**SIGN** An Important Announcement

For All Players

**[15:10] Earth**

Hey, Blacks!

**[15:12] Blacks**

Oh, Earth!

**[15:14] Blacks**

Did you see the official announcement?

**[15:15] Earth**

Yeah.

**[15:16] Blacks**

Crazy stuff, huh?

**SIGN** An Important Announcement

For All Players

**[15:19] Earth**

*It was an announcement about a previously  
hidden aspect of the game's design.*

**[15:25] Earth**

*Skills evolve by leveling them,*

*which is how you learn arts.*

**[15:30] Earth**

*But there was a condition that needed to be met to learn the most powerful arts.*

**[15:36] Earth**

*You had to specialize in a single playstyle.*

**[15:40] Earth**

*If you wanted to use the most powerful physical arts,*

**[15:43] Earth**

*you needed to learn only physical attack skills.*

**[15:46] Earth**

*And if you wanted to learn the most powerful magic arts,*

**[15:48] Earth**

*you needed to learn only magical skills.*

**[15:54] Earth**

*It would've been one thing if that was just for combat skills, but...*

**[15:59] Blacks**

I can't believe they made it apply to crafters, too.

**[16:03] Earth**

People are gonna be ticked off about this for a while.

**[16:06] Blacks**

What are you going to do?

**[16:08] Blacks**

They've given us a month to re-spec our skills.

**[16:12] Blacks**

You might have trouble in the fights ahead if you don't.

**[16:16] Earth**

*Yeah, if I specialize in just physical attacks,*

**[16:21] Earth**

*it will probably give me more firepower in the end.*

**[16:24] Earth**

*But...*

**[16:26] Earth**

The style I've got now is what's most fun for me.

**[16:31] Earth**

So I'll keep things as they are now.

**[16:32] Blacks**

I see, I see.

**[16:34] Blacks**

All the guys who were only part-time crafters have been bailing out.

**[16:38] Blacks**

With somebody like you around, though, it'll be a little less lonely.

**[16:44] Earth**

You're exaggerating.

**[16:46] Earth**

*Making people happy with delicious food is a kind of strength in its own.*

**[16:50] Earth**

*And I don't want to lose that strength.*

**[16:57] Earth**

Would you look at this?!

**[16:58] Myun**

What do you think?

**[16:59] Myun**

The materials you brought in were all high-quality,

**[17:02] Myun**

so I've got a lot of confidence in this one.

**[17:04] Earth**

This is great.

**[17:06] Earth**

My defense went way up.

**[17:08] Earth**

The bonuses to durability and psyche are great, too.

**[17:12] Myun**

Glad you like it.

**[17:14] Myun**

What will you do with the old armor?

**[17:16] Myun**

If you're going to just discard it, I can take it off your hands.

**[17:19] Earth**

No, it's been good to me for a long time.

**[17:23] Earth**

I want to give it a proper end myself.

**[17:26] Myun**

I see.

**[17:27] Myun**

It would make me happy if you took good care of your new armor,

**[17:30] Myun**

just like you did your old armor.

**[17:32] Earth**

Of course.

**[17:35] Earth**

*In this game, you can physically touch your equipment.*

**[17:39] Earth**

*Maybe that's why you get so attached to it,*

**[17:43] Earth**

*and feel a little sad when it's time to say goodbye.*

**[17:46] Earth**

*It's like meeting someone new, and then parting with them...*

**[17:51] Fairy Queen**

Earth.

**[17:55] Earth**

Queen?

**[17:56] Fairy Queen**

There's something I need to tell you.

**[18:02] Fairy Queen**

I'm putting up a barrier.

**[18:12] Fairy Queen**

First, I need to apologize.

**[18:14] Fairy Queen**

I'm so sorry...

**[18:16] Fairy Queen**

You will never be able to make a contract with a fairy.

**[18:20] Earth**

What? Do the fairies hate me that much?

**[18:26] Fairy Queen**

No, it's the opposite.

**[18:28] Fairy Queen**

The fairies love you too much!

**[18:32] Earth**

Huh?

**[18:34] Fairy Queen**

I was planning on introducing you to a fairy you could contract with soon.

**[18:39] Fairy Queen**

I planned to have you choose from one of the six greater fairies you see before you.

**[18:46] Greater Fairy**

We'd all love to make a contract with you.

**[18:50] Greater Fairy**

You're famous among fairies.

**[18:53] Fairy Queen**

But the citizens of the fairy kingdom found out about it.

**[18:59] Fairy Queen**

Over 80 percent of the country's population came to my gates

**[19:02] Fairy Queen**

and demanded to be allowed to make a contract with you.

**[19:07] Earth**

Th-That many?

**[19:10] Fairy Queen**

As queen of the fairy kingdom, I can't ignore the will of my people.

**[19:16] Fairy Queen**

If a fairy were to a contract with you, it would plunge the country into chaos.

**[19:22] Earth**

Oh, well... I understand, I guess.

**[19:27] Fairy Queen**

You're not upset?

**[19:29] Fairy Queen**

The lack of a contracted fairy will make your journeys and battles more difficult.

**[19:35] Earth**

Well, life's just like that sometimes.

**[19:38] Earth**

Who knows? Maybe it'll be fun to try it.

**[19:43] Fairy Queen**

You really are a strange man...

**[19:46] Fairy Queen**

Then, at the very least, allow me to give you another form of strength instead.

**[19:51] Fairy Queen**

Earth, give me your hand.

**[19:55] Fairy Queen**

I'll give you two powers.

**[19:57] Fairy Queen**

These two techniques are re-creations of powerful skills created

**[20:02] Fairy Queen**

in the time of the 21st Fairy Ruler.

**SIGN** Seven Falling Stars

Activates by landing seven consecutive shots on a target with a bow within 30 seconds of using the skill.

Once activated, damage to the target is greatly increased.

**[20:07] Fairy Queen**

The first one is Seven Falling Stars.

**[20:10] Earth**

This looks like it'll be  
hard to learn to use.

**[20:14] Fairy Queen**

Yes.

**[20:15] Fairy Queen**

And the other is Sacrifice Bow.

**SIGN** Sacrifice Bow

Activates at the cost of 90% of Max HP, 100% of Max MP, and the  
destruction of the currently equipped bow. Fires a powerful arrow.

**[20:20] Fairy Queen**

This technique is extremely dangerous.

**[20:23] Fairy Queen**

It combines your life, your magic,  
and the feelings you placed into your bow,

**[20:28] Fairy Queen**

and fires a single, powerful arrow.

**[20:31] Fairy Queen**

It would be best not to use it  
except in the most dire of circumstances.

**[20:37] Earth**

Got it.

**[20:38] Fairy Queen**

The stats you lose will come  
back with proper rest.

**[20:43] Fairy Queen**

So don't worry.

**[20:45] Earth**

*But the weapon won't come back.*

**[20:48] Earth**

*So I have to decide if I'm willing to  
sacrifice a beloved weapon to fire it...*

**[20:54] Earth**

Got it.

**[20:56] Earth**

I don't know if I'll use Sacrifice Bow,  
but I'll practice with Seven Falling Stars.

**[21:00] Fairy Queen**

Good.

**[21:02] Fairy Queen**

Please, keep what I've told you a secret.

**[21:04] Fairy Queen**

Oh, and you've probably already  
seen the announcement, but...

**SIGN** The Fairy Kingdom is Coming

in the Next Update!

**[21:09] Fairy Queen**

The path to the Fairy Kingdom will be opened to all you adventurers.

**[21:13] Earth**

The Fairy Kingdom?

**[21:15] Earth**

We'll be able to go after the next update?

**[21:17] Fairy Queen**

Yes!

**[21:18] Fairy Queen**

Please come see us when the path is opened.

**[21:22] Fairy Queen**

We'll all be happy to welcome you!

**[21:24] Earth**

I definitely will!

**[21:27] Earth**

Oh, let me give you all a present before you go.

**[21:30] Fairy Queen**

A present?

**[21:33] Fairy Queen**

Earth, thank you for this gift of food.

**[21:37] Zephana**

I can't wait to try your cooking!

**[21:39] Earth**

Great.

**[21:41] Earth**

I guess I'll be seeing you in the Fairy Kingdom next.

**[21:44] Zephana**

Oh, that might not be true!

**[21:47] Zephana**

We might sneak out to come see you!

**[21:53] Fairy Queen**

Hey! Are you trying to come see him ahead of the rest of us?

**[21:55] Zephana**

If anybody's at fault here, I think it's you, for keeping him all to yourself!

**[22:00] Zephana**

I wanted to make a contract with him!

**[22:02] Earth**

*The Fairy Kingdom, huh?*

**[22:02] Fairy Queen**

Zephana!

**[22:04] Earth**

*Things are gonna get crazy, I bet.*

**[22:07] [SONG] SIGN**
