[00:03] ---

Hui-chieh.

[00:05] ---

Why?

[00:07] ---

Hui-chieh!

[00:09] ---

Hui-chieh!

[00:09] ---

Hui-chieh.

[00:17] ---

Your return gives me great peace of mind.

[00:19] ---

Mr. Patriot.

[00:21] ---

What happened?

[00:24] ---

W betrayed us.

[00:26] ---

You needn't worry. I've
already dealt with her.

[00:30] ---

I will take over the Sarkaz
mercenaries she was in charge of.

[00:34] ---

W...

[00:36] ---

Leader.

[00:38] ---

This core city, was activated.
Without my knowing. Why?

[00:44] ---

I apologize.

[00:46] ---

The situation was pressing.

There was no time to hesitate.

[00:49] ---

Talulah.

[00:50] ---

Many things, once started. Will not stop.

[00:55] ---

That's why I'm entrusting this key to you.

[00:59] ---

I want you to decide whether we should stop.

[01:04] ---

Understood.

[01:06] ---

No one. Can stop us.

[01:09] ---

I'm counting on you.

[01:12] ---

FrostNova and the others
need our help in Lungmen.

[01:14] ---

Let's regroup with them.

[01:17] ---

Talulah.

[01:19] ---

All sins, no matter how great.

[01:22] ---

Must always come, to an end.

[01:26] ---

This, I firmly believe.

[01:29] ---

I share the same conviction.

[01:32] ---

Farewell, Leader.

[01:37] ---

It'll keep me safe?

[01:39] ---

This rock?

[01:40] ---

That's just a superstition... Fine, fine.

[01:44] ---

I'll hang onto it.

[01:46] ---

I'm obviously going to outlive you.

[01:48] ---

You should try to live a long,
fulfilling life yourself.

[01:52] ---

My talisman. It has broken.

[01:56] ---

Help, who?

[01:59] ---

End, what?

[03:33] ---

"The last Wendigo will die at the hands of the Lord of Fiends?"

[03:37] ---

You know what I'm talking about, right?

[03:39] ---

Prophecies? You believe in such nonsense?

[03:43] ---

It's about her and the old fossil.

[03:46] ---

He's one of the last of an ancient Sarkaz bloodline.

[03:49] ---

I remember him well, but I—

[03:52] ---

Please, Kal'tsit.

[03:56] ---

Very well.

[03:57] ---

You seem to have forgotten, Warfarin.

Thank—

[03:58] ---

You seem to have forgotten, Warfarin.

[04:01] ---

Do not speak of the "Lord of Fiends" ever again.

[04:06] ---

Red, look after the place.

[04:08] ---

Okay.

[04:13] ---

Now that I know what Ch'en's put up with...

[04:16] ---

And what she's worked so hard to protect, I get it now.

[04:20] ---

She feels the same way as we do.

[04:23] ---

I promised Ms. Fumizuki that we'd bring her back.

[04:27] ---

Yeah, I made a promise, too.

[04:31] ---

That I'd save Talulah.

[04:34] ---

If there's anything I can do
to stop the birth of new sorrow in this land,

[04:38] ---

I will do it.

[04:41] ---

Let's stop this collision.

[04:43] ---

Yes!

[04:45] ---

Good morning, everyone.

[04:47] ---

This is Amiya, leader of Rhodes Island.

[04:50] ---

*I have some important information
to report to all our operators.*

[04:53] ---

As we announced last night,
squad consisting of specially

[04:57] ---

selected operators will
sortie to stop Reunion.

[05:00] ---

This will undoubtedly be a tough battle,

[05:01] ---

*and if we fail this mission,
a war will break out.

[05:06] ---

If that happens, no matter what conspiracy lies behind Reunion,

[05:10] ---

***there will be only one truth
laid grimly at our feet.**

[05:13] ---

"The Infected caused this war."

[05:16] ---

War... may sound like a concept that

[05:19] ---

*has nothing to do
with a pharmaceutical company like us.*

[05:22] ---

*However, Rhodes Island
has already found itself*

[05:24] ---

***n the vortex of an invisible war.**

[05:27] ---

Since our foundation, we have worked to develop a cure for Oripathy.

[05:32] ---

However, there are also those who continue to profit from and

[05:36] ---

exacerbate the antipathy between Infected and non-Infected

[05:39] ---

At this point, our enemy is no longer just Oripathy itself.

[05:42] ---

After a war between Ursus and Yan,

[05:45] ---

***most likely all that awaits the Infected is never-ending hatred.**

[05:49] ---

In that future, when neither Oripathy treatment nor coexistence

[05:52] ---

***with the Infected are tolerated, Rhodes Island will lose its very purpose.**

[05:56] ---

We must succeed in this mission at all costs.

[05:59] ---

I'd also like to ask those who will remain

[06:02] ---

***onboard to maintain our normal operations.**

[06:06] ---

Regardless of whether we make it back alive,

[06:08] ---

Amiya!

Regardless of whether we make it back alive,

[06:09] ---

You *will* make it back!

[06:10] ---

please ensure that Rhodes Island

[06:12] ---

will go on to save as many lives as we can.

[06:15] ---

That is all.

[06:18] ---

You can't go.

[06:20] ---

Why not? Blaze, you're acting all weird.

[06:23] ---

You just can't! This isn't like

the missions you went on—

[06:26] ---

Because I might die?

[06:29] ---

You can't just come out and say it like that!

[06:31] ---

Ace and Scout are both dead, right?

[06:34] ---

**I want to go and find out
what happened to them.**

[06:38] ---

**You can let go of those memories
and don't look back—**

[06:41] ---

Er... No, I didn't mean it like that...

[06:45] ---

**Sorry. Even painful memories
are important, right?**

[06:50] ---

If I don't look... they're forgotten, no?

[06:53] ---

I want to remember everybody.

[06:56] ---

Even if they're dead, I'll never forget them.

[07:00] ---

Yeah, you're right.

[07:01] ---

We're elite operators.

[07:04] ---

Rosmontis, come back safe.

[07:08] ---

Right. I will.

[07:10] ---

Are we really bringing her?

[07:12] ---

You've read about her accomplishments.

[07:14] ---

**I know I'm contradicting myself,
but she's way too young.**

[07:18] ---

I have my reasons.

[07:21] ---

To think you'd one day be so worried...

[07:24] ---

Huh?

[07:25] ---

You won the battle in the Lungmen sub-layer.

[07:27] ---

I wouldn't call that a victory.

[07:29] ---

You brought the enemy commander back to—

[07:31] ---

She wasn't an enemy!

[07:33] ---

**Doctor, distinguish your
enemies from your allies.**

[07:36] ---

**No, I don't intend to
criticize your judgment.**

[07:39] ---

**You attempted to understand
the enemy's motives**

[07:42] ---

and bear the consequences of that.

[07:44] ---

**So long as you face what's occurring
in these lands with sincerity,**

[07:47] ---

I will respect your judgment.

[07:51] ---

**Regardless of the result, I will bear
the responsibility along with you.**

[07:54] ---

**Your powers and responsibilities
complement one another.**

[07:59] ---

**And as the commander, it rests on you
to determine between friend and foe.**

[08:04] ---

This has nothing to do with your memories.

[08:06] ---

**I will respect the judgment
of who you are currently.**

[08:09] ---

Sorry for the wait!

[08:10] ---

Great speech.

[08:12] ---

That was wonderful.

[08:14] ---

Thank you!

[08:18] ---

"Contradicting myself," huh?

[08:18] ---

Thank you very much!

"Contradicting myself," huh?

[08:19] ---

Thank you very much!

[08:20] ---

What sets them apart to you?

[08:23] ---

Okay, let's get started.

[08:25] ---

**The three of us will take command
of this operation together.**

[08:29] ---

With the data we got from the Azazel Clinic,

[08:31] ---

**we have a complete picture
of the city's structure,**

[08:33] ---

**but due to the Catastrophe, we
are having trouble with comms.**

[08:36] ---

**As such, Captain Raidian's
Arts and recon squad**

[08:38] ---

will be the focal point for our comms.

[08:41] ---

**When you add Captain Mantra's
Special Operations team**

[08:44] ---

and our three combat teams,

[08:46] ---

**there will be a total of
five teams on this mission.**

[08:48] ---

**We'll enter through the maintenance
hatches on the city's sides.**

[08:52] ---

As we approach the city,

[08:53] ---

**the airborne decoy squad
will create a distraction**

[08:56] ---

as we deploy camouflage on the ground.

[08:58] ---

The frame's camouflaged.

[09:01] ---

Start the ventilation!

[09:03] ---

**The core city was basically
designed as a warship...**

[09:06] ---

It's the very embodiment of Ursus's violence.

[09:09] ---

Not all its citizens are like that.

[09:11] ---

**As long as they support the
war, it's no different.**

[09:14] ---

**Sorry, I'm still haunted by my
hometown being burned to the ground.**

[09:18] ---

**Firewatch, I never had
the chance to save you...**

[09:22] ---

Reunion reconnaissance approaching.

[09:24] ---

We're counting on you!

[09:26] ---

But now, I shall fight alongside you.

[09:28] ---

**Until they've successfully
infiltrated, let us hold this area.**

[09:31] ---

Yeah.

[09:33] ---

We're entering the sandstorm!

[09:35] ---

Roger that!

[09:38] ---

Whoa, so bright!

[09:40] ---

**I didn't know the Radiant
Knight could do that!**

[09:43] ---

Right, Captain Mantra?

[09:45] ---

**Amazing... It's so clear even
though we're in a sandstorm!**

[09:49] ---

**I can only camouflage you
for a minute at most! Hurry!**

[09:52] ---

Roger! All units, begin to infiltrate!

[10:01] ---

Am I really going in like this...?

[10:03] ---

**We don't have the time for
you to learn to use one.**

[10:07] ---

**Wasn't your talent cooking instant
ramen directly in your mouth? Then—**

[10:10] ---

Wait, what?

[10:12] ---

Shut up and bear with it. Now go.

[10:13] ---

H-Hold on!

[10:16] ---

It was a joke.

[10:17] ---

**What do you think? Aren't
I a natural at this?**

[10:19] ---

Huh?

[10:20] ---

Are you afraid of heights?

[10:21] ---

**I told you to draw their attention,
not to show off your stunt flying...**

[10:25] ---

This is Amiya!

[10:26] ---

All teams have successfully infiltrated!

[10:29] ---

Roger. We'll be heading back now.

[10:33] ---

Amiya,

[10:34] ---

Rhodes Island needs you.

[10:37] ---

Make sure everyone comes back alive.

[10:39] ---

I pray for your success.

[10:40] ---

Right!

[10:42] ---

I'm glad to see you've returned safely.

[10:43] ---

"Safely"?

[10:44] ---

So many of our comrades died back there!

[10:47] ---

FrostNova, the Yeti Squad, and even Faust!

[10:50] ---

I see.

[10:51] ---

**The situation in Lungmen was
nothing like we planned for.**

[10:55] ---

Even here in this core city...

[10:57] ---

**Comms between Reunion
members are being jammed!**

[10:59] ---

Hey, watch your mouth!

Comms between Reunion members are being jammed!

[11:00] ---

What is going on—

Hey, watch your mouth!

[11:00] ---

What is going on—

[11:01] ---

Where's Patriot?!

You...!

[11:02] ---

Where's Patriot?!

[11:03] ---

This makes no sense!

[11:04] ---

Watch your mouth!

This makes no sense!

[11:04] ---

Watch your mouth!

[11:05] ---

Reunion will never forget Faust.

[11:09] ---

We will avenge our comrades.

[11:13] ---

Mephisto will need to rest.

[11:15] ---

The rest of you as well.

[11:18] ---

Take them to the camp.

[11:19] ---

Yes ma'am.

[11:24] ---

Isolate them from the other squads.

[11:27] ---

Forever.

[11:28] ---

Who are you?!

[11:31] ---

Who... am I?

[11:34] ---

What do you want?

[11:36] ---

What do I...

[11:38] ---

Fight for... myself?

[11:41] ---

Fight...?

[11:44] ---

Ahh, the proud Ursines.

[11:48] ---

***And to think you two were meant
to be the last ones standing.***

[11:59] ---

We've confirmed the situation.

[12:02] ---

***Mantra Squad, investigate how
the enemy is communicating.***

[12:04] ---

***Raidian Squad, maintain our communications
and continue reconnaissance.***

[12:08] ---

All teams, move out.

[12:11] ---

***Raidian and Mantra... All the
elite operators are my family.***

[12:16] ---

Family...

[12:18] ---

***But I know I'm not supposed
to think of them like that.***

[12:21] ---

Do you know Ace and Scout, Doctor?

[12:25] ---

I've met Ace.

[12:27] ---

I haven't seen either of them for days.

[12:30] ---

Huh?

[12:31] ---

Maybe they've gone somewhere...

[12:33] ---

Rosmontis, they're both already—

[12:35] ---

It's as I expected.

[12:38] ---

The city's comm networks have been purposefully cut off.

[12:41] ---

But the Originium disrupting the signals has been left standing.

[12:44] ---

Talulah is attempting to fracture the organization.

[12:47] ---

That makes it harder to read their movements.

[12:50] ---

Deploy more scouts.

[12:51] ---

Okay.

[12:52] ---

Lavaca.

[12:53] ---

Yes!

Lavaca.

[12:53] ---

Bluishsilver.

[12:54] ---

Yes.

Bluishsilver.

[12:55] ---

Have your team take a detour through the sub-route.

[12:58] ---

Roger!

[13:01] ---

What's this...? I think I can feel something.

[13:04] ---

You're right. It's faint... but this place is covered in the smell of death.

[13:09] ---

An ancient Sarkaz ritual?

[13:11] ---

Yes, and not many are capable of this.

[13:13] ---

Only a pure-blooded Wendigo.

[13:16] ---

So he really is here?

[13:19] ---

Let's move.

[13:21] ---

Get in formation.

[13:28] ---

There's no doubt about it.

[13:30] ---

This is Madame Ch'en's.

[13:32] ---

Let's hurr—

[13:33] ---

Leave Ursus right now, you Infected!

Let's hurr—

[13:33] ---

Leave Ursus right now, you Infected!

[13:36] ---

Please, calm down!

[13:37] ---

We're a neutral medical organization!

[13:40] ---

We have supplies that can suppress the—

[13:41] ---

Shut up! I'm not an Infected!

We have supplies that can suppress the—

[13:42] ---

Shut up! I'm not an Infected!

[13:45] ---

I'm a citizen of Ursus!

[13:47] ---

I... Why am I...

[13:49] ---

All the Infected should just die!

She's in distress. Let her vent.

[13:53] ---

**You were sent by the government,
right?! It's too late—**

[13:55] ---

**If they really were, they
would've killed you already.**

[13:58] ---

That voice!

[14:00] ---

Guard?!

[14:01] ---

You're safe!

[14:03] ---

It's been a while.

[14:05] ---

Thank goodness...

[14:06] ---

**"As long as you survive,
you'll meet them again..."**

[14:08] ---

It really happened.

[14:09] ---

Explain your clothes.

[14:11] ---

I will, but give me a minute.

[14:14] ---

Tatiana, go back insid—

[14:15] ---

Shut up, Reunion!

[14:17] ---

**Patriot's troops have pulled out of the area.
You're murderers!**

[14:21] ---

Patriot?

It's dangerous outside.

[14:23] ---

He's just a hypocrite!

[14:24] ---

They—

[14:25] ---

They let the rest of them wreck the town!

[14:28] ---

You're wrong!

[14:30] ---

**A Sarkaz patrol is going to
pass through the area soon!**

[14:32] ---

You should all hide in the warehouse...

[14:34] ---

Calm down!

Am I supposed to buy into their beastshit?!

[14:36] ---

Please, just keep quiet.

Liars! Why don't you just die?!

[14:37] ---

Kill yourse—

[14:40] ---

Dr. Kal'tsit?!

[14:41] ---

Has he done anything to harm any civilians?

[14:45] ---

**He's a deserter. I will deal with him
in accordance with your response.**

[14:49] ---

Wh-Why me?

[14:50] ---

The enemy is getting close.

[14:52] ---

Did he hurt you?

[14:54] ---

Um, err...

[14:55] ---

Thirty-five meters.

[14:57] ---

You need... to hide!

[14:58] ---

The answer comes first.

[15:00] ---

Twenty-eight meters.

[15:01] ---

Well...

[15:02] ---

Twenty-three.

[15:03] ---

Mon3tr.

[15:05] ---

Twenty-two.

[15:07] ---

Twenty-one.

[15:09] ---

He didn't...

[15:11] ---

He didn't do anything wrong...

[15:16] ---

That was some convincing acting...

[15:18] ---

It was acting, right?

[15:20] ---

Consider it a form of psychological care.

[15:22] ---

You should be feeling a lot less pain now.

[15:24] ---

Thanks...

[15:26] ---

**I thought maybe he was working
with the other Reunion people.**

[15:30] ---

Sorry.

[15:32] ---

Don't worry about it.

[15:33] ---

**More importantly... To think you'd
be here on the frontlines...**

[15:37] ---

Guard, she—

[15:38] ---

I'm here for a mission.

[15:40] ---

And to get revenge. For hurting my family.

[15:44] ---

That's why I'm here.

[15:46] ---

I see...

[15:48] ---

Sorry, forget I asked.

[15:50] ---

Everything has a reason.

[15:52] ---

Much like how you didn't return to us.

[15:55] ---

Right.

[15:56] ---

**The only reason the citizens
here are still alive**

[15:59] ---

is thanks to Patriot and his guerrillas.

[16:02] ---

I'm helping out, too.

[16:04] ---

**He knew I was with Rhodes Island,
but was going to let me go.**

[16:08] ---

**But I decided to stay by my own will...
to see how things would turn out.**

[16:14] ---

He respected Scout, who died to protect me.

[16:19] ---

He died?

[16:21] ---

**"An old man with white hair brought
a charred, blackened object."**

[16:26] ---

"It was Scout's."

[16:28] ---

"Scout is gone."

[16:30] ---

Rosmontis!

"Scout is..."

[16:32] ---

I wrote it... I wrote it all down, but I...!

[16:35] ---

Ace... Ace is also...

[16:37] ---

Let's get some fresh air.

[16:38] ---

Why did I forget?

Let's get some fresh air.

[16:40] ---

Why?!

[16:41] ---

Everyone, I'm extending our short rest.

[16:45] ---

Calm down. Close your eyes.

[16:48] ---

Doctor.

[16:50] ---

Scout left a message for you.

[16:53] ---

A message? For me?

[16:55] ---

He said, "I'll never forget even a second of the time we spent fighting together."

[17:02] ---

But...

[17:04] ---

He also said you should stay away from the battlefield.

[17:07] ---

Eh?

[17:08] ---

"If the flames of war and slaughter change the Doctor..."

[17:13] ---

No...

[17:14] ---

The way you are now, you probably can't just sit by and watch.

[17:19] ---

Right.

[17:19] ---

Both Scout and Captain Ace had very strong convictions.

[17:23] ---

I'm only here now because two elite

operators gave up their lives.

[17:28] ---

**That's why, this time, I want to stay
and see Patriot's convictions through.**

[17:32] ---

**Guard, our situation is a
little different than before,**

[17:36] ---

**but our conviction to save
people has not changed.**

[17:39] ---

Amiya...

[17:40] ---

**So as long as Patriot stands,
their organization will endure?**

[17:43] ---

**Yes, he's the last remaining
pillar of their sanity.**

[17:47] ---

Even if Talulah has betrayed him?

[17:50] ---

Huh?

[17:51] ---

Identification code?! Collision course?!

[17:55] ---

That doesn't make any sense!

[17:57] ---

**Don't tell me... the reason
we can't use the comms...**

[17:59] ---

It's all part of Talulah's plan.

[18:01] ---

Does Rhodes Island consider Patriot an enemy?

[18:04] ---

We will try to talk to him.

[18:07] ---

I'll go tell him what's going on!

[18:10] ---

I can't let you two end up fighting!

[18:12] ---

Please do!

[18:14] ---

Buldrokkas'tee.

[18:15] ---

You knew his name?

[18:17] ---

FrostNova called him her father.

[18:20] ---

That's his real name.

[18:22] ---

**Since their days in the tundra,
he and his soldiers have been called the "Aegis of the Infected".**

[18:27] ---

**The guerrillas are, in a sense,
another "Rhodes Island".**

[18:30] ---

Rosmontis?

[18:31] ---

Let's go.

[18:33] ---

I don't want to remember.

[18:35] ---

I don't want Reunion in my memories.

[18:40] ---

Yes, that's right.

[18:41] ---

**The guerrillas are sending runners
carrying encrypted messages.**

[18:46] ---

It's primitive, but reliable.

[18:48] ---

Right, Captain Mantra?

[18:51] ---

**Raidian, if you feel any discomfort in your nervous system,
immediately take the supplement.**

[18:56] ---

I'll be right here.

[18:57] ---

Yep.

[18:59] ---

I'll start now.

[19:04] ---

Found them. Three.

[19:06] ---

Four... Five.

[19:10] ---

Raidian, sever Rosmontis's connection. Now!

[19:12] ---

Rosmontis!

[19:14] ---

We're here with you.

[19:15] ---

I'm here with you.

[19:19] ---

Yeah...

[19:20] ---

I'm okay.

[19:22] ---

Raidian, connect Rosmontis's terminal.

[19:24] ---

Nine...

[19:26] ---

Thirteen... Fourteen...

[19:28] ---

I found all of them.

[19:30] ---

Good work.

[19:31] ---

**We'll neutralize the runners and
proceed to the central district.**

[19:35] ---

Rosmontis...

[19:36] ---

I'm fine.

[19:37] ---

I came here to protect everyone.

[19:40] ---

I'm here because of this power.

[19:43] ---

It doesn't matter if I'm a child.

[19:46] ---

Amiya's the same.

[19:48] ---

We're monsters, aren't we?

[19:50] ---

Doctor?

[19:54] ---

Rhodes Island...

[19:55] ---

Let them pass.

[19:59] ---

Let me through!

[20:01] ---

You know something, don't you?

[20:05] ---

Guerrillas spotted across the bridge!

[20:07] ---

Understood. Standby and stay alert.

[20:10] ---

Guess they're not stupid enough to rush in.

[20:12] ---

Hm?

[20:13] ---

A Feline girl...?

[20:17] ---

Slice from there, to there.

[20:22] ---

Hold it with my hands.

[20:24] ---

Slice.

[20:26] ---

Like slicing a potato.

[20:28] ---

**This is a lot more overwhelming
than the data...**

[20:32] ---

It's the manifestation of Rosmontis's mind.

[20:36] ---

This has been covered up, but...

[20:38] ---

she's an artificially-created Infected.

[20:42] ---

**An infected organ was
implanted in her brain stem.**

[20:44] ---

Removing it would mean death.

[20:46] ---

Was it to make her into a weapon?

[20:47] ---

Perhaps.

[20:49] ---

**Her Arts leak out from her body and,
if left alone, will take lives.**

[20:53] ---

**After she was taken into our custody,
she underwent training to control her Arts.**

[20:59] ---

Of course, it was per her wishes.

[21:01] ---

Do you think she's a weapon?

[21:03] ---

She is absolutely not!

[21:05] ---

But... that power is far too strong...

[21:09] ---

Scout must've felt the same way.

[21:14] ---

Some things can only be dealt

with using overwhelming force.

[21:17] ---

She knows that, too.

[21:20] ---

Therefore, what's important...

[21:22] ---

is what that power will be used for.

[21:25] ---

And that goes for you too, Doctor.

[21:29] ---

The guerrillas are retreating!

[21:31] ---

Proceed.

[21:33] ---

All units, get your protective gear ready.

[21:37] ---

We're getting close to the ritual.

[21:42] ---

I can feel the energy...

[21:45] ---

It's coming from behind them.

[21:47] ---

But I can also sense *him*... and Guard is—

[21:51] ---

I'll destroy it.

[21:52] ---

Wait, Rosmontis!

[21:57] ---

Are you okay?!

[22:00] ---

Patriot.

[22:03] ---**

The Aegis of the Infected...
