[00:02] ---

Does this mean we can't
go home anymore?

[00:05] ---

It's okay.

[00:07] ---

The dragon lady is on it.

[00:10] ---

Yeah, we'll go back for sure.

[00:12] ---

The rat grandpa said
so himself, didn't he?

[00:16] ---

Needn't even wield the actual
sword anymore, eh?

[00:18] ---

You've grown old, Lin Kojui.

[00:20] ---

Yeah. *Our*
time is over, Wei.

[00:24] ---

You would sit by and watch
two sisters kill each other?!

[00:27] ---

They won't make the same
mistake you and Edward did.

[00:30] ---

You old coot—

[00:31] ---

You have no business
meddling in this!

[00:35] ---

The city will soon enter
the range of Lungmen's cannons.

[00:39] ---

Let's go.

[00:40] ---

No, we should bear witness...

[00:44] ---

As to whether those
Infected can handle matters.

[00:55] ---

Rosmontis!

[00:58] ---

Deep breaths!

[00:59] ---

There are too many of them.

[01:00] ---

The medics are at their limits too...

[01:02] ---

*Rosmontis,
can you still move?*

[01:04] ---

Doctor.

[01:05] ---

Yeah, I'm fine.

[01:06] ---

*Good. Analyze the enemy,
and form a barricade.*

[01:09] ---

*Adjust our units' positions
per my instructions.*

[01:12] ---

Okay.

[01:13] ---

Help me.

[01:14] ---

Yeah!

[01:14] ---

Everyone! Help us out!

[01:17] ---

Subtly pull back our forces!

[01:22] ---

Now.

[01:22] ---

Grab...

[01:23] ---

and cut!

[01:27] ---

*Suppress the isolated
enemies!*

[01:30] ---

Fire! Fire!

[01:35] ---

Is everyone okay?

[01:36] ---

Yeah. Thanks for that, Commander.

[01:41] ---

This will buy us some time.

[01:42] ---

Good work, Rosmontis.

[01:44] ---

All that's left is—

[01:44] ---

Doctor.

[01:46] ---

You're worried about Amiya,
aren't you?

[01:48] ---

But...

[01:49] ---

Go.

[01:50] ---

You too, Dr. Kal'tsit.
I'll hold the line here.

[01:55] ---

Thanks.

[01:56] ---

Let's go, Kal'tsit!

[01:59] ---

I will need to remove
my rings in this operation.

[02:02] ---

You may not.

[02:03] ---

Your life, too, is irreplaceable.

[02:05] ---

I know Theresa didn't
leave me a tool for murder.

[02:10] ---

These are meant to be used
when I need to help someone.

[02:14] ---

A blade is a blade.

[02:15] ---

It *will* cut you.

[02:16] ---

I'm not afraid of that.
Wounds can be healed.

[02:19] ---

After all, I'm a person, not a weapon.

[02:23] ---

"Who can prove that you and I
are not a kind of weapon?"

[02:27] ---

But you've grown up.

[02:29] ---

*Your decisions
are your own.*

[02:31] ---

What's that sword...?

[02:34] ---

Quite the wicked
weapon you've chosen.

[02:36] ---

You are indeed the Lord of
the Sarkaz... the enemy of humanity.

[02:40] ---

No, I'm nothing but an
ordinary Infected. A person!

[02:45] ---

So you saw my memories?

[02:46] ---

I've learned all your
sword techniques.

[02:49] ---

What did I spend all that
time training for then?

[02:53] ---

Fine. Just forget
everything else you saw.

[02:56] ---

Kashchey, the only
wicked one here is you!

[02:59] ---

The wielder's will decides
the worth of a weapon.

[03:01] ---

If we share the same fury,
then so too do our swords!

[03:06] ---

Handling the Chi Xiao isn't
about technique, but spirit!

[03:10] ---

Let's do this, Amiya!

[03:11] ---

Yes!

[03:43] ---

Pain, huh?

[03:45] ---

How terribly nostalgic.

[03:46] ---

He didn't even flinch...

[03:48] ---

No, we managed to harm him.

If we keep it up—

[03:50] ---

Are you happy?

[03:52] ---

For injuring your
own sister, Hui-chieh?

[03:57] ---

Don't you dare call me that!

[03:58] ---

Madame Ch'en!

[03:59] ---

Kill me...

[04:01] ---

Release me from this!

[04:03] ---

Talulah?

[04:05] ---

I can't take this...

[04:07] ---

I could never possibly
wish to kill you...

[04:10] ---

But I hate.

[04:12] ---

I hate you, these lands, all of it.

[04:16] ---

I can't take it anymore, Hui-chieh.

[04:19] ---

Why did you break your promise?

[04:22] ---

I kept crying out for you,

[04:24] ---

but you never came for me!

[04:27] ---

It was your betrayal!

[04:29] ---

That's what changed me!

[04:31] ---

Talulah...

[04:32] ---

That's not right.

[04:33] ---

Those memories are incorrect.

[04:36] ---

Did that really happen at night?

[04:40] ---

No...

[04:41] ---

When that happened...

[04:43] ---

the sun was still up.

[04:46] ---

Both your memories
have been warped.

[04:49] ---

Talulah, he planted
this hatred in you.

[04:53] ---

Remember!

[04:55] ---

Just how many of your thoughts has
he twisted, and how hard you tried to resist!

[04:59] ---

The past you would never have
trampled on your friends' lives like that!

[05:02] ---

Shut up...

[05:03] ---

This war!

[05:04] ---

This tragedy!

[05:04] ---

Shut up.

[05:06] ---

Shut up!

[05:06] ---

Is this really what you want?!

[05:09] ---

Shut up!

[05:10] ---

Face yourself, Talulah.

[05:13] ---

Shut up!

[05:14] ---

Chi Xiao - Fleeting Night!

[05:19] ---

You have my thanks, Amiya.

[05:20] ---

Now I know what
my sister really thinks.

[05:22] ---

You've done enough.
I'll end her with my own hands—

[05:25] ---

Killing her here is meaningless.

[05:27] ---

Her crimes will be determined
when the verdict is handed down.

[05:31] ---

You haven't been fighting just
to kill criminals, have you?

[05:37] ---

Maybe he was right.

[05:39] ---

Maybe I've been seeking salvation
in the murder of my family.

[05:43] ---

Talulah will live and face justice.

[05:48] ---

Your confidence grates
awfully on my nerves.

[05:52] ---

It's not confidence.
It's called responsibility.

[05:55] ---

We see our obligations through.

[05:58] ---

It's not something a hollow person like yourself
with even a borrowed body could imagine!

[06:02] ---

You think you've driven
me into a corner?

[06:05] ---

The devil of the snowfields,
the Aegis of the Infected...

[06:08] ---

Everyone who could kill me is dead.

[06:10] ---

No one can stop my plan now.

[06:12] ---

I wouldn't mind keeping up
this meaningless conversation,

[06:15] ---

but I can only do what
this body desires.

[06:20] ---

My throat... It burns!

[06:23] ---

Now keep your mouths shut.

[06:25] ---

I shall liberate my powers.

[06:28] ---

*I love all the
people of Ursus.*

[06:31] ---

*All of them.
Without prejudice.*

[06:33] ---

*It has been so for a
thousand years.*

[06:35] ---

*Likewise, the land
has always loved them.*

[06:38] ---

*To Ursus,
all lives are equal.*

[06:41] ---

*And because fate is blind,
countless lives will vanish before me,*

[06:47] ---

and I grieve for them.

[06:50] ---

*Yet they must accept
those hardships,*

[06:53] ---

*as hardship is how they
grow stronger.*

[06:56] ---

*The glorious nation I admire thirsts
for blood, violence, and death.*

[07:02] ---

The Deathless Black Snake!

[07:05] ---

Amiya...

[07:06] ---

Amiya.

[07:08] ---

*You weep over
the smallest of things,*

[07:10] ---

*proclaiming yourselves saviors, but what
can you see from your narrow perspective?*

[07:13] ---

*Letting Reunion fall here
is but the beginning of my plans.*

[07:20] ---

Infected.

[07:22] ---

*No one else will treat you
as fairly as Ursus will, as I will.*

[07:29] ---

*We know of the depravity of the Ursus people,
yet we have let you live in their shadow.*

[07:36] ---

*The late emperor brought
greatness to his subjects,*

[07:39] ---

*yet he was unable to bring
happiness to the Infected.*

[07:43] ---

That ends today.

[07:45] ---

*I will bring about new
exaltation and equality.*

[07:49] ---

*The Infected may struggle,
but they will live on.*

[07:54] ---

*But the people
of Ursus require war.*

[07:59] ---

*As time passes,
passion is ousted.*

[08:01] ---

*When Ursus becomes incapable
of igniting even the smallest spark,*

[08:05] ---

*the country and its people will
become lost in the annals of history.*

[08:09] ---

*I will let them restore
their lost dignity.*

[08:12] ---

*The same holds true
for the Infected.*

[08:15] ---

Yet why?

[08:16] ---

*For the meager happiness
you have today,*

[08:19] ---

*why do you disrupt the peace, glory, and wisdom
that will follow a thousand years hence?*

[08:23] ---

Chi Xiao.

[08:24] ---

Shadowless.

[08:25] ---

You are ignorant.

[08:27] ---

*You have never known despair
at the brink of destruction.*

[08:31] ---

*If you wish to stand in the way of the return
of Ursus's prosperity and its people's unity,*

[08:36] ---

*then try and stop me,
the incarnation of Ursus.*

[08:50] ---

My Arts...

[08:54] ---

This is the end, Kash—

[08:56] ---

What are you doing?!

[08:58] ---

*If this body is unwilling,
I can do nothing.*

[09:01] ---

Now, I wonder...

[09:02] ---

Does she wish to live?

[09:06] ---

Put the sword down!

[09:07] ---

*"Sister", if only I had
succeeded in killing you,*

[09:10] ---

everything would have gone perfectly.

[09:12] ---

What?

[09:13] ---

Those unfortunate Infected...

[09:15] ---

Stop it.

[09:16] ---

All the lives that could have been
meaningful sacrifices in her path

[09:20] ---

of conquest have now gone to waste.

[09:22] ---

*Don't you dare
mock my people!*

[09:24] ---

That was all *your* scheme!

[09:25] ---

I simply educated her.

[09:28] ---

Like you and Wei, this
is merely a form of parenting.

[09:31] ---

I'm not your daughter!

[09:31] ---

You have the nerve to say that?!

[09:34] ---

It's okay.

[09:36] ---

Miss Talulah! Please
remember who you really are.

[09:40] ---

Remember everyone who fought
because they believed in you.

[09:43] ---

You may have made a grave
number of unforgivable mistakes...

[09:47] ---

But even so...!

[09:47] ---

As the Talulah who stood
up to fate with conviction...!

[09:51] ---

No matter how cruel
the lands may be,

[09:53] ---

and no matter how many
times you've failed, you...

[09:56] ---

We must keep walking
the path we believe in, without giving in!

[10:00] ---

Is this really what

you set out to achieve?

[10:03] ---

Is that all the leader
of the Infected has got?!

[10:09] ---

Don't call me that.

[10:11] ---

Talulah?

[10:12] ---

You *educated* me?

[10:15] ---

What about the land, the snowfields,
and all my friends searching for sunlight?

[10:20] ---

Do you understand a thing
they taught me, Kashchey?!

[10:24] ---

I won't become you.

[10:27] ---

You think you can escape me?

[10:30] ---

There is no room
for you in my sister!

[10:33] ---

Now get out!

[10:36] ---

My hatred has killed far too many,

[10:39] ---

but don't even think about
making use of it anymore.

[10:45] ---

You really do consider
her your dau—

[10:47] ---

Silence, mongrel Lord of Fiends.

[10:50] ---

Very well. You may celebrate
your victory for now.

[10:54] ---

There will always be another
Chernobog, and another puppet.

[10:58] ---

Remember, Talulah.

[11:00] ---

*I am without end, and will
be a part of this land forever.*

[11:05] ---

Talulah!

[11:08] ---

She's still breathing.

[11:10] ---

His presence is gone—

[11:11] ---

Oh.

[11:12] ---

Not killing her, huh?

[11:14] ---

W?!

[11:15] ---

Give me the key.

[11:16] ---

I'll stop it.

[11:17] ---

Like hell we can trust you with it!

[11:20] ---

For this land to fall
into peaceful slumber.

[11:21] ---

...fall into peaceful slumber.

[11:23] ---

That's my dream.

[11:25] ---

I want no one to cry tears of loss,
but instead drift into gentle sleep.

[11:32] ---

Let me do this for Theresa,
and for everyone who's still alive!

[11:36] ---

Please!

[11:37] ---

I'll trust you.

[11:39] ---

Thanks.

[11:40] ---

Amiya...

[11:42] ---

Please take care of Talulah.

[11:44] ---

Yeah.

[11:48] ---

This is the old man's last wish.

[11:53] ---

Huh?

[11:53] ---

"Insufficient clearance"?

[11:55] ---

The key was a bluff, too?!

[11:56] ---

That dragon bitch!

[11:58] ---

There has to be another key...

[11:59] ---

No way she left one!

[12:01] ---

This wasn't supposed to... Misha...

[12:03] ---

Catch.

[12:06] ---

You know the password, don't you?

[12:09] ---

Of course.

[12:10] ---

Uhh...

[12:13] ---

"To feed all of humanity."

[12:22] ---

Abort the mission!

[12:23] ---

All teams, cancel shelling formation!

[12:25] ---

Nice one, Ch'en.

[12:26] ---

Pronto!

[12:29] ---

I see.

[12:31] ---

Ch'en, Tal!

[12:33] ---

To think they actually stopped it.

[12:36] ---

Did you have high
hopes for them, Leizi?

[12:38] ---

No. However...

[12:40] ---

This "Rhodes Island"
has piqued my interest.

[12:44] ---

The enemy's retreating...

[12:47] ---

It's over...

[12:48] ---

We've won!

[12:50] ---

We did it...

[12:53] ---

You did well, Feline!

[12:57] ---

Mission's over.

[12:58] ---

We'll be back with you soon, Captain.

[13:04] ---

We made it...

[13:06] ---

Miss Tal—

[13:06] ---

How long have you had the key?

[13:08] ---

Since the beginning.

[13:10] ---

It was hanging on
the control room wall.

[13:12] ---

You could've destroyed
it right away, then.

[13:14] ---

All this time, your conscience
kept you from doing it.

[13:17] ---

Stand up, Talulah!

[13:18] ---

Kashchey's far from
the only evil in these lands.

[13:21] ---

They will hurt you,
and try to keep you down.

[13:25] ---

But you can't give in.

[13:27] ---

You need to keep fighting that
endless fight and moving forward.

[13:30] ---

As long as you're alive,
you can correct your mistakes.

[13:34] ---

We may have changed,
but we both have things to do.

[13:38] ---

There's no time to stand still.

[13:40] ---

Both of our paths are just as long.

[13:44] ---

Wow, nice speech...

[13:46] ---

I get it. Stop glaring.

[13:47] ---

You really don't mince
words anymore, Hui-chieh.

[13:50] ---

I wish Alina could see this.

[13:53] ---

But the dead will never return.

[13:55] ---

This land allows for no do-overs.

[13:58] ---

I can never make amends
for the sins I've committed.

[14:00] ---

Even so—

[14:01] ---

But...

[14:02] ---

It would be unforgivable
to end this with my death.

[14:05] ---

The people whose lives I took,
and the allies whose names only I remember...

[14:10] ---

Until I am allowed to die
for their sake, I'll live.

[14:15] ---

Talulah, I'm arresting you.

[14:18] ---

Who will be judging me?

[14:21] ---

No country is capable of
impartially judging an Infected.

[14:24] ---

That's why...

[14:25] ---

A place where everyone
can be judged fairly,

[14:28] ---

no matter their background,
infection, or anything else...

[14:30] ---

It's my duty to create that place.

[14:34] ---

Long time no see, Sister.

[14:37] ---

Long time no see, Hui-chieh.

[14:40] ---

Thanks.

[14:41] ---

If anyone, thank Amiya.

[14:43] ---

She's the one who truly saved you,
along with the Infected who fought by her side.

[14:49] ---

And everyone lived
happily ever after.

[14:51] ---

Miss W...

[14:52] ---

How did you know the password?

[14:55] ---

I don't want to grow
up like my father.

[14:57] ---

For as long as I live, I'll fight.

[15:00] ---

Alex told me.

[15:01] ---

His old man told him before
kicking the bucket.

[15:05] ---

Took me way too long
to figure it out, though.

[15:07] ---

Because of Kashchey's
tricks and my own stupidity.

[15:10] ---

I really bought it when he said
no one could start the city if Misha died.

[15:14] ---

*I'm sure fate intended
for all of this to happen!*

[15:18] ---

We can't pretend that our mistakes

[15:20] ---

never happened,
or that those two never died.

[15:24] ---

We need to spend our whole
lives making up for it.

[15:28] ---

You're kinda like her, y'know?

[15:31] ---

"Her"?

[15:32] ---

Bye. I hope we never meet again.

[15:35] ---

Amiya!

[15:36] ---

Doctor!

[15:38] ---

Thank good...

[15:39] ---

Amiya?!

[15:40] ---

Are you okay?

[15:41] ---

*Subject's Oripathy symptoms
rapidly deteriorating.*

[15:43] ---

*Immediate curative
action required.*

[15:45] ---

If it's about Talulah...

[15:46] ---

Set her down.

[15:47] ---

Yeah.

[15:48] ---

Doctor, show me your arm.

[15:50] ---

All of you, never tell anyone
what I am about to do. Okay?

[15:55] ---

Y-Yeah.

[15:57] ---

Why my blood?

[15:58] ---

I can tell you nothing, Doctor.

[16:01] ---

*Vital signs stable.
Situation normal.*

[16:05] ---

Thank goodness.

[16:06] ---

Our evac will be here soon.

[16:08] ---

Talulah Artorius.

[16:09] ---

Rhodes Island will be temporarily
taking you into custody.

[16:11] ---

What?!

[16:12] ---

Am I going to be your trump card?

[16:16] ---

We're the only ones with
the right to judge her!

[16:18] ---

That's not judgment. It's revenge.

[16:21] ---

Don't worry. It won't be forever.

[16:23] ---

We won't hand her over
to anyone but you.

[16:27] ---

I'll trust Rhodes Island just
this once, because it's you.

[16:31] ---

But if you use Talulah
for anything sinister—

[16:34] ---

If it comes to that,
I'll stop them myself.

[16:37] ---

Then you have my word that as long
as you're there, we won't lay a finger on them.

[16:43] ---

And if you people ever
get into trouble, we'll be there.

[16:46] ---

Because the Captain
and Yelena both chose her.

[16:52] ---

Amiya!

[16:53] ---

Doctor...

[16:55] ---

Good work.

[16:57] ---

You did it.

[17:05] ---

Doctor...

[17:07] ---

I... I...

[17:16] ---

Everyone who followed her is dead.

[17:19] ---

Heh, we ain't long
for this world, either.

[17:22] ---

There's no place for us anywhere.

[17:24] ---

Wanna come with me, then?

[17:26] ---

You're alive...?

[17:27] ---

You guys are free.

[17:29] ---

What?

[17:30] ---

From now on, we're
gonna walk our own path.

[17:34] ---

Faust would have wanted
you to live. Now go.

[17:38] ---

Guess this is the end.

[17:40] ---

Sure you don't want
to return to Rhodes Island?

[17:42] ---

Yeah.

[17:43] ---

I will carry on his will.

[17:45] ---

I know we can pull
ourselves up when we fall.

[17:48] ---

Talulah lit the flame.

[17:50] ---

And it still burns strong.
You can't put it out that easily.

[17:55] ---

Guys, you should follow her.

[17:57] ---

Lyudmila...

[17:58] ---

I was hellbent on revenge and only managed to let myself be used.

[18:02] ---

I'll get stronger, I promise.

[18:04] ---

This is where we part ways,
but not for good.

[18:06] ---

Now, let's go.

[18:08] ---

To where the fire burns the hottest.

[18:11] ---

When did you contact
the Black Cloaks?

[18:13] ---

They let the Infected escape.

[18:15] ---

Who knows?

[18:17] ---

Turns out some of them
have human hearts.

[18:21] ---

That's all.

[18:23] ---

That stupid dragon! She left without
even showing her face! The hell is this?

[18:27] ---

(Sign) To Swire

[18:27] ---

(Sign) To Hoshiguma

[18:27] ---

Probably her way of settling things.

[18:30] ---

She trusts you enough to leave
you with the title of superintendent.

[18:33] ---

Hmph! I'll show everyone just
how much more brilliant I am!

[18:37] ---

"We'll meet again someday,
somewhere."

[18:39] ---

Right, Ch'en?

[18:41] ---

Things will get lonely,
but this is just like her.

[18:45] ---

Now, time to prepare a suitable
reward for Miss Amiya.

[18:48] ---

Seriously...

[18:49] ---

Would a goodbye kill you?

[18:51] ---

She played us like a fiddle.

[18:54] ---

This is where Talulah's father
and your mother are buried.

[18:58] ---

Back then, Edward fought
Kashchey alongside us.

[19:02] ---

But Kashchey exposed his status
as an exiled noble, and it sparked a fire.

[19:08] ---

So for my sister and her
unborn child, I killed him.

[19:13] ---

I was unable to find a way
where no one had to die.

[19:17] ---

That's all in the past.

[19:19] ---

Just promise me.

[19:21] ---

Promise me you won't
let Lungmen turn into a grave.

[19:23] ---

You have my word.

[19:25] ---

Will you believe me?

[19:27] ---

Only if you were saying that
to me, not Superintendent Ch'en.

[19:31] ---

Oh, and tell Auntie Fumizuki I said hi.

[19:33] ---

Hui-chieh.

[19:35] ---

Lungmen will be waiting for
you and Talulah to come home.

[19:38] ---

The path before you is long
and hard. But I know you will master it.

[19:43] ---

Yeah.

[19:44] ---

Take care of yourself,

[19:45] ---

Uncle Wei.

[19:47] ---

We got ourselves
too involved with this.

[19:49] ---

We could be crushed
at a moment's notice.

[19:52] ---

That's what Talulah is for.

[19:53] ---

Her presence is enough to topple
the balance between Ursus and Yan.

[19:57] ---

Both countries have announced that
they had nothing to do with any of this.

[20:02] ---

I suppose letting the neutral Rhodes
Island keep her in custody is
a reasonable compromise for them.

[20:07] ---

She hasn't said a word
since she got here.

[20:10] ---

Perhaps to preserve that neutrality.

[20:13] ---

To all operators:

[20:15] ---

Thanks to everyone's efforts,
this incident has been resolved.

[20:19] ---

If that's the end he chose for himself,

[20:22] ---

there's no reason to blame you for it.

[20:24] ---

Are you sad?

[20:26] ---

Do you want a nap?

[20:27] ---

The lands are uncaring.

[20:29] ---

Much of the truth will
remain buried in the ruins.

[20:32] ---

But we must not forget.

[20:34] ---

He was warm.

[20:36] ---

I learned there are lots
of good people too.

[20:38] ---

*Our brave operators have
shown us what life is all about.*

[20:42] ---

*How a single life can hold
so many values and meanings.*

[20:46] ---

This is wonderful! We can
make this so affordable...

[20:50] ---

It'll reach everyone who needs it!

[20:52] ---

What should we call it?

[20:55] ---

FrostNova.

[20:56] ---

Not happening.

She never formally joined us.

[20:59] ---

Her conviction to save
people was the same as ours.

[21:02] ---

To heal the lands' scars,

[21:05] ---

we paid a dear price.

[21:07] ---

*Raidian Squad,
one member, Liqusa.*

[21:10] ---

I think I'm close to coming
up with my own standard.

[21:13] ---

*Ace Squad,
thirteen members.*

[21:16] ---

*Ace, Bad Tom,
Hard Brick—*

[21:18] ---

I'll be able to tell who's
good and who's bad.

[21:22] ---

*Scout Squad. Thirteen
members. Scout, Milim...*

[21:26] ---

Ace, Scout, Bluishsilver!

[21:28] ---

Our little kitten is all grown up!

[21:30] ---

D-Don't cry...

[21:32] ---

Rosmontis Squad,
one member, Bluishsilver.

[21:35] ---

Amiya Squad, thirteen
members. Dim Needle...

[21:38] ---

She said, "I will walk with you."

[21:41] ---

Hui, Indigo Jade,

[21:44] ---

FrostNova.

[21:45] ---

Forty-one in all.

[21:48] ---

We will never forget them.

[21:50] ---

*Even should Rhodes
Island cease to exist,*

[21:52] ---

*the marks they left on this
land will remain forever.*

[21:56] ---

How much longer
are you going to cry?

[21:59] ---

See you.

[22:00] ---

Yep.

[22:00] ---

Training recruits?

[22:02] ---

Yeah.

[22:03] ---

On this mission?
Seems like a toughie.

[22:05] ---

Oh, right.

[22:06] ---

"We'll attach them to your mission," is what she said.

[22:08] ---

I'll do my best to set a good example!

[22:11] ---

Amiya, the Doctor is on the top deck.

[22:14] ---

Thank y—

[22:15] ---

You've gotten more dependable than before, huh?

[22:18] ---

Hey, now.

[22:19] ---

Amiya!

[22:20] ---

Got to see you at last!

[22:23] ---

Huh?

[22:23] ---

Back to work.

[22:24] ---

Again?!

[22:26] ---

Amiya.

[22:27] ---

Don't push yourself too hard.

[22:31] ---

Doctor.

[22:32] ---

Amiya.

[22:34] ---

Are you feeling okay?

[22:35] ---

Yes!

[22:36] ---

I kind of cried a lot, though.

[22:39] ---

Sorry.

[22:40] ---

Huh?

[22:41] ---

Despite all your scars, all I can do is send people to the battlefield.

[22:46] ---

Doctor?

[22:47] ---

I thought my lost memories
would have value...

[22:49] ---

and that knowing myself
could help you somehow.

[22:54] ---

But every time I touch upon
how cruel these lands can be,

[22:57] ---

I can't help but picture myself.

[23:00] ---

In all the strategies that come to mind,
most of our victories are soaked in blood.

[23:05] ---

The real me—

[23:06] ---

It's okay.

[23:08] ---

Whenever I'm about to hurt someone
with my own hands, my heart creaks.

[23:13] ---

Maybe you could call it weakness.

[23:15] ---

But I'm sure that as long as I never
let go of this feeling, everything will be fine.

[23:19] ---

Doctor, this pain is what tells
us that we are not yet weapons.

[23:26] ---

That's what lets us
walk in the darkness.

[23:30] ---

Amiya...

[23:32] ---

Thank you.

[23:36] ---

Madame Ch'en!

[23:37] ---

A meal?

[23:38] ---

Yes! We'll be waiting for you!

[23:40] ---

Doctor!

[23:42] ---

Let's go!

[23:46] ---

Yeah.
