**[00:17] Isagi/I**

*Rin, your positioning is perfect.*

**[00:20] Isagi/I**

*Before, at some point in his run,  
Bachira would've passed the ball.*

**[00:25] Isagi/I**

*You've placed yourself in the  
best position to receive that pass.*

**[00:29] Isagi/I**

*But now, he's changed.*

**[00:33] Isagi/I**

*I'll go devour him!*

**[00:35] Isagi/I**

*I believe in a future where an unpredictable  
Bachira outruns everyone on the field.*

**[00:41] Isagi/I**

*I'm the one who's been  
receiving his passes all this time,*

**[00:45] Isagi/I**

*so I can see the ego Bachira  
would never have chosen before.*

**[00:48] Isagi/I**

*At the very end of it all...*

**[00:50] Isagi/I**

*I believe in you, and that's why I win!*

**[00:55] Bachira**

Isagi?

**[00:56] Isagi**

I knew you could do it, Bachira.

**[00:58] Isagi**

I knew you could get here all by yourself.

**[01:03] Ego/I**

*In that moment, Isagi Yoichi's play  
surpassed that of Itoshi Rin.*

**[01:10] Ego/I**

*If his right foot that blocked Bachira  
Meguru's shot had been just a centimeter*

**[01:14] Ego/I**

*either to the left or the right,*

**[01:16] Ego/I**

*the fate of these eight people  
could have been different.*

**[01:20] Ego/I**

*However, the ball randomly, mercilessly,*

**[01:26] Ego/I**

*even cruelly landed at the feet...*

**[01:30] Ego/I**

*of the winner.*

**[01:45] Anri/I**

*Game over.*

**[01:47] Anri/I**

*Final score: 5-4.*

**[01:50] Anri/I**

*Team Red wins.*

**[01:55] Tokimitsu**

We did it!

**[02:01] Bachira/I**

*I fought alone.*

**[02:03] Bachira/I**

*When believed I didn't  
need anyone anymore...*

**[02:07] Isagi**

Why? Damn it... Why?

**[02:08] Bachira/I**

*In this world where I stand alone...*

**[02:11] Bachira/I**

*you came to find me...*

**[02:15] Bachira/I**

*Isagi.*

**[02:17] Tokimitsu**

All right! We did it!

**[02:19] Aryu**

Hey, let me savor the glam aftermath.

**[02:22] Tokimitsu**

Oh, sorry.

**[02:23] Tokimitsu**

So who are we gonna pick?

**[02:25] Aryu**

Oh, yeah, right. Is it you and me  
doing the choosing again?

**[02:29] Bachira**

Wait. Hold on a second.

**[02:31] Bachira/I**

*I can live without Isagi now.*

**[02:34] Bachira/I**

*That's why I can say this with confidence.*

**[02:37] Bachira**

I want...

**[02:38] Bachira/I**

*The guy I want is—*

**[02:41] Rin**

Shut up. I'll pick.

**[02:43] Tokimitsu**

What?

**[02:44] Aryu**

Rin?

**[02:46] Rin**

No objections allowed.

**[02:48] Rin**

That last play just now...  
I was totally unable to read it.

**[02:53] Rin**

This is the first time I've felt  
defeated since I came here.

**[02:58] Rin**

So there's now one *more* person  
I absolutely need to crush, damn it.

**[03:03] Rin**

I won't let you sink back down.

**[03:07] Rin**

Come, Isagi Yoichi.

**[03:10] Rin**

**[03:33] Isagi/I**

*Why was I picked?*

**[03:39] Isagi/I**

*Yet again, I wasn't able to beat Rin.*

**[03:43] Isagi/I**

*What should I have done?*

**[03:45] Isagi/I**

*What was I lacking?*

**[03:47] Isagi/I**

*No one could've known where  
that ball was going to land.*

**[03:53] Isagi/I**

*Is the difference between Rin  
and me just a little bit of luck?*

**[03:59] Bachira**

Let's go, Isagi.

**[04:00] Isagi**

Huh? Oh, uh, right.

**[04:04] Isagi/I**

*It's no good. I can't get my head  
around it. Being chosen after losing...*

**[04:11] Isagi**

I'm sorry, guys.

**[04:17] Isagi**

We were *this* close to  
beating the "Top Three."

**[04:21] Isagi**

That last goal was pure luck.  
It's not like we got hammered—

**[04:24] Chigiri**

Cut that crap out.

**[04:28] Chigiri**

Rin chose you. That's the reality.

**[04:32] Chigiri**

So just shut up and go on ahead.

**[04:34] Barou**

For real.

**[04:37] Barou**

If I have to look at your face any longer,  
I'll end up wanting to kill you.

**[04:41] Barou**

So get lost already, donkey.

**[04:43] Nagi**

Yeah, man.

**[04:45] Nagi**

You were the main character  
on this team, after all.

**[04:48] Nagi**

We're paying the price for being  
the supporting cast right now.

**[04:53] Nagi**

When we meet next, I'll crush you, Isagi.

**[04:56] Nagi**

We'll crawl our way up without you.

**[04:58] Isagi/I**

*If it wasn't for these guys,  
I wouldn't have made it this far.*

**[05:03] Isagi/I**

*It was seriously intense.*

**[05:06] Isagi/I**

*Nagi.*

**[05:07] Isagi/I**

*Barou.*

**[05:08] Isagi/I**

*Chigiri.*

**[05:10] Isagi/I**

*I'm proud to have fought alongside you.*

**[05:15] Isagi**

You'd better catch up.

**[05:18] Isagi**

*We'll play together again.*

**[05:29] Chigiri**

Damn it. Damn it!

**[05:32] Barou**

I can't let it end like this.

Yeah. We'll have our revenge.

Rin-kun wants you on our team.

**[05:50] Tokimitsu**

Oh, but I was gonna pick you, too.

**[05:53] Isagi**

Um, thanks.

**[05:55] Aryu**

To be honest, I would've picked  
Chigiri Hyoma for the glam.

**[06:00] Aryu**

But that back-heel shot  
you scored was glam, too.

**[06:00] Aryu**

GLAM

**[06:00] Aryu**

**[06:04] Aryu**

Welcome, Isagi Yoichi.

**[06:06] Isagi**

**[06:08] Tokimitsu**

There's no need to be so formal!

**[06:10] Tokimitsu**

Welcome to the "Top Three"!

**[06:12] Tokimitsu**

Oh, I didn't mean to play the seniority card.

**[06:22] Bachira**

You said you'd steal me back,  
but it ended up the other way around.

**[06:26] Isagi**

Yeah. Sorry about that.

**[06:29] Isagi**

I'm kinda lame, huh?

**[06:30] Bachira**

No, it's fine.

**[06:32] Bachira**

Being away from you meant

I can now fight on my own.

**[06:37] Bachira**

Up until now, I was afraid  
of playing soccer alone,

**[06:41] Bachira**

and I was hoping you'd  
save me from that fate.

**[06:44] Bachira**

But now that I've fought alone,

**[06:47] Bachira**

I've learned that the only one  
who can save me is me.

**[06:51] Bachira**

That's what I believed and forged ahead,  
and at the end of it, I found you.

**[06:56] Bachira**

In that moment, we surpassed Rin for sure.

**[07:01] Bachira**

Thank you, Isagi.

**[07:03] Bachira**

Now that I can fight without you,  
being with you is even more fun.

**[07:12] Bachira**

But if you can't keep up with me,  
I won't hesitate to leave you behind.

**[07:17] Isagi**

Don't get too cocky.

**[07:19] Bachira**

Anyway, nice to be working with you.

**[07:22] Isagi/I**

*Is it just me or does  
Bachira look more mature now?*

**[07:26] Isagi**

Same.

**[07:28] Bachira**

Hi-yah!

**[07:30] Bachira**

Gotcha.

**[07:32] Isagi**

Damn you. Guess you  
haven't changed that much.

**[07:38] Isagi**

Hey, Rin.

**[07:40] Isagi**

Tell me something. Why did I lose to you?

**[07:43] Rin**

Huh?

**[07:44] Isagi**

What was I lacking that  
I needed in order to beat you?

**[07:50] Rin**

Even a monkey could answer that.

**[07:52] Rin**

It was luck.

**[07:53] Isagi**

Now, wait a second. Something as  
uncertain as luck can't explain it.

**[07:57] Isagi**

I want something more  
concrete so I can get stronger!

**[08:02] Rin**

Luck isn't just some coincidental factor.

**[08:06] Rin**

It's the hidden element on the field  
that favors those who act on desire.

**[08:11] Rin**

If you can't understand that,

**[08:13] Rin**

you have no right to live in  
this world of victory and defeat.

**[08:18] Ego/I**

*Hello there, diamonds in the rough.*

**[08:20] Ego/I**

*Congratulations on  
passing the second selection.*

**[08:24] Ego/I**

*What is luck, huh?*

**[08:26] Ego/I**

*Quite the cringe topic.*

**[08:29] Ego/I**

*Now, proceed through the next door.*

**[08:32] Ego/I**

*As a reward for passing the selection,*

**[08:35] Ego/I**

*I'll tell you about how luck  
really works in the world of soccer.*

**[08:39] Isagi**

*Luck is luck. It's basically  
just coincidence, right?*

**[08:43] Ego/I**

*Well, sure, that's how average Joes  
on the losing side interpret it,*

**[08:48] Ego/I**

*their tiny brains bending the truth to fit.*

**[08:50] Isagi**

Wha—

**[08:51] Ego/I**

*Shut up and listen.*

**[08:53] Ego/I**

*Let me ask you a question.*

**[08:55] Ego/I**

*Have you ever been shat on by a pigeon?*

**[09:00] Ego/I**

*It's the worst, right?*

**[09:02] Ego/I**

*But when its droppings  
land on you, you realize...*

**[09:06] Ego/I**

*the ground's covered in bird shit,*

**[09:08] Ego/I**

*and if you look up, there are  
a bunch of pigeons above you.*

**[09:12] Ego/I**

*So can you call it bad luck  
when you could've avoided the shit*

**[09:15] Ego/I**

*if you'd noticed those things sooner?*

**[09:18] Tokimitsu**

What is this about?

**[09:20] Aryu**

Luck. Or muck, I guess.

**[09:23] Ego/I**

Here's another question.

**[09:25] Ego/I**

**[09:26] Store Owner**

Aw, too bad. Here's your consolation prize.

**[09:27] Ego/I**

If the stall owner doesn't  
put in a winning number,

**[09:31] Ego/I**

can we really say the person  
who didn't win had bad luck?

**[09:34] Isagi**

What the heck are you on about?

**[09:36] Ego/I**

*Luck doesn't exist just anywhere.*

**[09:39] Ego**

It only comes to those  
who put themselves in its path.

**[09:42] Ego**

It's the same on the field.

**[09:45] Ego**

Think of soccer as a series of  
inevitable and coincidences.

**[09:51] Ego/I**

Think back.

**[09:52] Ego/I**

Turning zero into one,  
boosting reproducibility,

**[09:55] Ego/I**

and making a formula  
for your own weapon...

**[09:58] Ego/I**

All of these things you've  
learned here at Blue Lock

**[10:01] Ego/I**

have been about increasing  
the inevitability of you scoring.

**[10:05] Ego**

But when your inevitability  
collides with that of your opponent,

**[10:09] Ego/I**

*like it or not, a coincidence is created,  
and it becomes the ground zero of luck.*

**[10:14] Ego/I**

*This last scene right here was just that.*

**[10:17] Ego/I**

*This is the moment Number 16  
dribbled through to shoot.*

**[10:21] Ego/I**

*These five decelerated or  
stopped running altogether.*

**[10:24] Ego/I**

*Aside from Number 15,  
who anticipated him breaking free,*

**[10:27] Ego/I**

*in that moment, they all made  
a snap judgment to watch the shot.*

**[10:31] Ego/I**

*But one person didn't.*

**[10:33] Ego/I**

*Number 1 didn't slow down but  
actually accelerated toward Number 15.*

**[10:37] Ego/I**

*He realized a pass wasn't forthcoming,*

**[10:40] Ego/I**

*and realized that Number 15  
would try to block a shot.*

**[10:42] Ego/I**

*He kept running because he was betting on  
the chance that the shot would be blocked.*

**[10:47] Isagi**

H-Hold on a minute.

**[10:49] Isagi**

That might be true, but the ball falling  
where it did was a total coincidence, right?

**[10:53] Isagi**

It could've easily gone anywhere!

**[10:56] Ego/I**

*That's right.*

**[10:57] Ego/I**

*But you're talking about the  
possibility of the ball becoming yours.*

**[11:01] Isagi**

Huh?

**[11:02] Ego**

Suppose Number 1 had  
decelerated like everyone else.

**[11:07] Ego**

The ball might still have fallen to him,

**[11:10] Ego**

but if he'd gotten possession  
of the ball in that area,

**[11:13] Ego**

the other team's defense would've  
swamped him before he could shoot.

**[11:17] Ego**

In other words, that spot  
wasn't a good one for a striker.

**[11:22] Ego**

That's why Number 1 ran into an area where  
he could take aim at the goal in one action.

**[11:27] Ego**

He took up a spot where he could draw the winning number, then waited for his luck.

**[11:32] Aryu**

I see.

**[11:34] Aryu**

So by standing on the shit bull's-eye,  
Rin revived the possibility of him scoring.

**[11:38] Tokimitsu**

Ew, sounds gross.

**[11:40] Ego**

Naturally, there was a possibility  
the ball could've gone to an opponent.

**[11:45] Ego**

If that had happened,

**[11:46] Ego**

he would've been countered  
and the other team would've won.

**[11:50] Ego**

That's how close and intense the game was.

**[11:57] Ego/I**

*There's no doubting that luck was  
the determining factor in that game.*

**[12:01] Ego/I**

*But even if you were  
to have luck on your side,*

**[12:03] Sign**

Luck

**[12:03] Ego/I**

*if you stood by and did nothing,  
the opportunity would go to waste.*

**[12:07] Ego/I**

*Because of course it would.*

**[12:09] Ego/I**

*You'd lack the mindset  
to respond to coincidences.*

**[12:13] Ego/I**

*That lucky moment would pass you by  
before you could think how to react.*

**[12:17] Ego/I**

*Improve so that you're ready to grab  
that chance when it comes around.*

**[12:21] Ego/I**

*Figure out where the chance  
might fall, then wait for it there.*

**[12:25] Ego/I**

*The Goddess of Fortune only smiles  
on those who can sniff it out.*

**[12:32] Ego/I**

*Soccer is full of luck and coincidences.*

**[12:35] Ego/I**

*So are you going to carry on  
crying about it being a lucky break?*

**[12:41] Ego/I**

*You're second-rate if you let  
yourself be at the mercy of luck.*

**[12:44] Ego/I**

*If you've done all you can,  
hold your head up high.*

**[12:47] Ego/I**

*Learn to accept the outcome of  
coincidences and etch them into your mind.*

**[12:51] Ego/I**

*Luck only comes equally to those  
who give their all in the fight.*

**[12:58] Isagi/I**

*So that's how luck works?*

**[13:01] Isagi**

Rin, you knew all of this?

**[13:05] Rin**

It's not as if everything this  
four-eyed jerk said is true.

**[13:10] Rin**

I also had the option of  
passing up the chance to score.

**[13:14] Isagi**

Huh?

**[13:16] Rin**

It wasn't an opening  
I'd controlled or created.

**[13:20] Rin**

The coincidence that you created  
just happened to fall to me.

**[13:28] Rin**

It was only through luck that I beat you.  
That goal was me accepting that.

**[13:35] Rin**

It was my punishment,  
to remind me that I lost to you.

**[13:39] Isagi/I**

*The difference between Rin and me is our  
resolve to accept fate in victory and defeat.*

**[13:47] Isagi/I**

*I-I'm so damn pathetic.*

**[13:49] Isagi/I**

*I thought I'd reached Rin's level.*

**[13:52] Isagi/I**

*No, I even thought I'd beaten him.*

**[13:57] Isagi/I**

*But I was the one who lost to Rin.*

**[14:00] Isagi/I**

*I lost and got chosen.*

**[14:02] Isagi/I**

*I need to accept that fact!*

**[14:05] Isagi/I**

*There won't be a next time otherwise.*

**[14:07] Isagi/I**

*I have to add this piece labeled*

*"luck" to my thought process*

**[14:10] Isagi/I**

*and update the knowledge in my brain!*

**[14:13] Isagi/I**

*In order to beat Rin,*

**[14:15] Isagi/I**

*I need to become a whole new me!*

**[14:19] Ego/I**

*Well then, you've passed*

*the second selection.*

**[14:24] Ego/I**

*I'm sure you've learned the principle*

**[14:28] Ego/I**

**[15:52] Isagi**

He's the same age as me and  
he already plays for his national team?!

**[15:56] Aryu**

Defeating him...

**[15:57] Aryu**

would finally get *my* name  
out into the world.

**[15:57] Aryu**

GLAM

**[15:57] Aryu**

GLAM

**[16:04] Isagi**

Hey, by the way, where's Rin?

**[16:06] Bachira**

Oh, Rin-chan always goes off  
on his own at the end of the day.

What are you doing?

**[16:25] Isagi**

Trying to catch up to you.

**[16:27] Isagi**

Though this is pretty painful.

**[16:30] Rin**

Idiot.

**[16:31] Isagi**

What are you doing this for?

**[16:33] Rin**

It's my aftercare.

A yoga cooldown and meditation.

**[16:37] Isagi**

Wow. You do it every day?

**[16:40] Rin**

And what if I do?

**[16:42] Rin**

If you're gonna be a pest, get out.

**[16:46] Rin**

Crushing Itoshi Sae is  
everything to me in soccer.

**[16:51] Isagi**

I've been wondering  
about this for a while now,

**[16:54] Isagi**

but are you and your  
big brother on bad terms?

**[16:57] Rin**

Huh?

**[16:58] Isagi**

Oh, uh, it's just that...

**[17:05] Rin**

Not really. It's an awkward yet healthy  
relationship that will fix itself if I beat him.

**[17:11] Isagi**

S-Sounds very stoic.

**[17:14] Isagi**

I do feel like sticking with you  
will make me stronger.

**[17:18] Isagi**

Rin, you are my rival.

**[17:23] Rin**

To me, you're not anything,  
let alone a "rival."

**[17:26] Isagi**

Wha...

**[17:27] Isagi/I**

*Hey, this guy's a year  
younger than me, right?*

**[17:30] Isagi/I**

*He's so damn rude!*

**[17:32] Rin**

It's true that in that game and  
in that moment, I lost to you.

**[17:38] Rin**

But it will never happen again.

**[17:40] Isagi**

Uh, how's this supposed to be a cooldown?  
This one isn't even a yoga pose, is it?

**[17:46] Rin**

That's a pose called:  
"You're Never Going to Beat Me."

**[17:49] Isagi**

Bastard...

**[17:51] Isagi/I**

*I know I'm not there yet,  
but someday, I'll beat him!*

**[17:55] Isagi**

Don't underestimate me, y'hear?!

**[18:02] Isagi**

Yup, that was my bad. I got carried away.

**[18:11] Isagi/I**

*The highest level I've  
played is prefecturals.*

**[18:13] Isagi/I**

*Who woulda guessed I'd get to  
play the world's best players?*

**[18:21] Isagi/I**

This is no time to be satisfied.  
I must improve, even if only by a bit.

**[18:27] Bachira**

Isagi!

**[18:29] Bachira**

Training alone? Want me to join you?

**[18:31] Isagi**

Bachira? But we're playing the  
World Five first thing tomorrow.

**[18:35] Bachira**

Well, so are you.

**[18:37] Isagi**

Yeah, that's true, but...

**[18:41] Bachira**

The monster inside me is gone.

**[18:45] Isagi**

Oh, yeah, you mentioned something about  
hearing his voice when you played soccer.

**[18:49] Bachira**

Yeah. But right now, I'm listening

to my own voice to play soccer.

**[18:55] Bachira**

That was the whole point of me coming  
to Blue Lock and meeting you, Isagi.

**[19:02] Isagi/I**

*He's still a bit strange and  
he doesn't make a whole lot of sense,*

**[19:06] Isagi/I**

*but this guy definitely gives me courage.*

because I like western music.
