[00:16] Isagi/Bachira/Raichi/Gagamaru

Rock, paper, scissors!

[00:18] Raichi

Damn it! Isagi won!

[00:21] Kuon

Then, staring with Isagi-kun, we'll each say which position we want to play in.

[00:25] Isagi

I wanna be the forward.

[00:30] Ego/I

The first selection will involve the 55 of you in Building 5.

[00:35] Ego/I

It's a kind of five-team round robin.

[00:38] Ego/I

Only the top two teams progress. The rest will leave Blue Lock.

[00:41] Ego/I

And those who are kicked out will forever be ineligible for the national team.

[00:46] Ego/I

However, the top scorers from the three losing teams will advance to the next selection.

Gotcha.

[01:25] Igarashi

Isagi's ranking is super low.

Can we win with him as our focal point?

[01:28] Kunigami

Stop complaining, Igaguri.

[01:30] Naruhaya

I don't wanna play in defense.

[01:32] Raichi

All we gotta do is win, right?

[01:34] Gagamaru

No objections here.

[01:36] Chigiri

"All we gotta do is win," huh?

[01:38] Imamura

Can you really play in goal?

[01:40] Iemon

I lost at rock paper scissors,
so I'll just have to do it.

[04:04] Bachira

Let's have fun! Otherwise,
we'll lose. That's how soccer is.

[04:09] Isagi

Right.

[04:13] Isagi/I

He's right. There's no need to be scared.

My rank is 274. I'm rock bottom.

[04:38] Raichi

I don't care about the team.

[04:40] Raichi

I'm doin' this my way.

[04:42] Kunigami

Now you're talking, Raichi.

[04:47] Kunigami

If that's how it works here,
I'll make no bones about playing for myself.

[04:52] Raichi

Kunigami, I think we're
gonna get along just fine.

[04:56] Igarashi

What're ya doing?!

[06:54] Iemon

*But I've never done this before.
What am I meant to do?*

[06:57] Kuon

It's only one goal. Let's calm down.

[07:00] Isagi

He's right. If we stick to our positions and pass it around—

[07:04] Raichi

Huh? If we do that, then as the center-forward, you'll be the one who scores.

[07:07] Raichi

Losers should play in defense.

[07:10] Raichi

All ya gotta do is pass me the ball!

[07:13] Igarashi

Hell no! Pass it to *me*!

[07:15] Raichi

Huh?!

[07:16] Gagamaru

No, to me.

[07:17] Naruhaya

No, to me! To me!

[07:18] Anri/I

Team Z, resume the game.

[07:22] Isagi/I

Calm down.

[07:24] Isagi/I

The match has only just begun.

[07:26] Isagi/I

I mean, what are we even being tested on?

[07:29] Isagi/I

Regardless, we have to win.

[07:32] Isagi/I

As long as that guy doesn't get the ball...

[07:34] Isagi

Bachira! We'll at least pass it around between us!

[07:37] Bachira

Okay.

[07:41] Isagi

Huh? Igaguri, your position!

[07:42] Igarashi

Are you dense, Isagi?

The top scorer on a team survives!

[07:46] Igarashi

I'm *never* passing to someone else.

[07:48] Igarashi

I'm sorry for your loss.

[07:49] Isagi

Hey, hold it!

[07:51] Igarashi

Now I get what this first

Blue Lock selection is all about.

[07:53] Igarashi

It's a battle where you only
pursue your own ability to score!

[07:58] Igarashi

Crap!

[07:59] Team X 11

You suck. It's mine now.

[08:01] Raichi

You lost the ball? I'll kill you!

[08:03] Naruhaya

Igaguri, you dumbass!

[08:04] Kuon

Stay back, guys! We gotta defend!

[08:06] Team X 4

Hey, let's pass the ball
to Barou and support him.

[08:09] Team X 4

See how the other team's
having a total meltdown?

[08:12] Team X 4

Rather than chasing individual goals,
we just need to win as a team.

[08:15] Team X 11

Good call. Barou!

[08:21] Team X 6

Leave the right wing to me!

[08:22] Team X 9

I got the left!

[08:23] Team X 7

I'm leaving the defending to you!

[08:24] Isagi/I

This isn't good.

They're starting to get organized.

[08:27] Igarashi

It's Barou.

[08:28] Igarashi

We gotta mark Barou!

[08:29] Raichi

Who're *you* to tell us that, Igaguri?!

[08:31] Kunigami

Damn. We gotta stop him.

[08:34] Barou

You sure throwing so many
lousy players at me is a good idea?

[08:41] Isagi/I

It's no good.

[08:42] Isagi/I

If we leave Barou alone, he'll scythe through our defense, but if we only mark him...

[08:46] Team X 11

Look at all that wide-open space!

[08:47] Isagi/I

...other players are left totally free!

[08:49] Igarashi

Save it, lemon!

[08:52] Team X 11

All right!

[08:53] Team X 4

A second goal!

[08:55] Team X 6

Thank you, King Barou!

[08:57] Isagi/I

Crap. We're gonna lose at this rate.

[09:00] Isagi/I

They're already playing as a team.

[09:03] Raichi

It's 'cause you lost the ball, Igaguri!

[09:03] Isagi/I

But we're not coordinated at all.

[09:04] Igaguri

I told you guys to stop him!

[09:06] Raichi

Huh?!

[09:07] Iemon

You try saving it if you think it's so easy!

[09:08] Kuon

Stop fighting!

[09:08] Naruhaya

Damn it, I can't do this!

[09:11] Team X 7

Nice goal!

[09:11] Isagi/I

They were all bunched-up too, a while back.

[09:12] Team X 6

Yeah!

[09:16] Isagi/I

He changed all that.

[09:17] Isagi/I

Barou's goal helped them to become a team!

[09:22] Ego

This is a battle about creating soccer from zero.

[09:28] Isagi/I

*If we call this bunched-up,
free-for-all soccer "zero,"*

[09:31] Isagi/I

*then Barou's stunning play
isn't zero, it's "one."*

[09:34] Team X 7

Let's grab another goal!

[09:35] Isagi/I

*A strategy to win is then
built around this "one."*

[09:36] Team X All

Yeah!

[09:39] Isagi/I

And that's how a team is born.

[09:41] Isagi/I

*Is this what he meant by
"creating soccer from zero"?*

[09:46] Isagi/I

If it is, we're totally useless.

[09:51] Isagi/I

*The bigger the goal deficit gets,
the more they think about themselves.*

[09:56] Isagi/I

*No one's in the right mindset to think
about how to get from "zero" to "one."*

[10:01] Isagi/I

*Meanwhile, the opponent's teamwork
keeps improving.*

[10:05] Isagi/I

It's impossible.

[10:06] Isagi/I

This game is over.

[10:14] Isagi/I

We've... lost.

[10:20] Bachira

Man, all I've been doing is running around.

[10:24] Bachira

There's no way we'll score five
in the next three minutes.

[10:27] Bachira

But maybe you and I
can get one goal back.

[10:32] Isagi

Bachira...

[10:34] Bachira

At 5-0, the other team's guard is down,
so we might make it work this once.

[10:41] Bachira

You in?

[10:44] Isagi

I'm in.

[10:47] Isagi/I

I will turn this team's "zero" into a "one"!

[11:01] Bachira

I'll distract them, then hit a long ball
upfield so you can take the shot.

[11:05] Bachira

Run, Isagi.

[11:06] Bachira

Straight to the goal.

[11:08] Isagi

Okay, Bachira.

[11:13] Isagi/I

I'm gonna make this shot!

[11:14] Kuon

Huh? Isagi-kun?

[11:16] Isagi/I

A comeback might be impossible,

[11:18] Isagi/I

*but if someone scores a goal, we can
build the team structure around it.*

[11:22] Isagi/I

*That's what it means
to go from zero to one.*

[11:25] Team X 7

Surround him!

[11:26] Isagi/I

Bachira and I can score a goal together.

[11:28] Isagi/I

*To win the next match,
that's what we need to do.*

[11:31] Bachira

Right there, Isagi.

[11:34] Isagi/I

That's the light we need to lead Team Z!

[11:36] Isagi/I

Bull's-eye.

[11:37] Bachira

Yes!

[11:38] Isagi/I

Nice pass, Bachira.

[11:41] Isagi/I

It's a one-on-one.

[11:43] Isagi/I

I'll score it!

[11:44] Barou

Hey, Number 11.

[11:46] Barou

Don't stand out more than me.

[11:50] Barou

I told you I'm the king.

[11:53] Barou

Try getting past me, sucker.

[11:55] Isagi/I

What's he doing here?

Did he read my plan?

[11:58] Isagi/I

What do I do? Try to get past him?

[12:00] Isagi/I

But it's this guy...

[12:03] Isagi/I

In a situation like this, a striker would...

[12:06] Raichi

Isagi! Behind you!

[12:08] Kunigami

Pass it to me!

[12:09] Raichi

I'll shoot!

[12:10] Kunigami

[12:11] Isagi/I

Do I pass?

[12:12] Isagi/I

No.

[12:13] Isagi/I

I gotta go for it!

[12:14] Isagi/I

If I want to live in Blue Lock...

[12:16] Isagi/I

If I want to live as a striker...

[12:33] Bachira

Huh?

[12:38] Kunigami

Nice ball, Isagi.

[12:40] Team X 6

There's no way he'll score from that range.

[12:56] Kunigami

Eat it!

[13:00] Isagi

I passed... the ball...

[13:03] Raichi

What the hell are you doin', Isagi?

Why'd ya pass it to Kunigami?!

[13:07] Raichi

I was more open than he was!

[13:09] Isagi

No... I was planning to shoot.

[13:13] Isagi

But for some reason, my body just—

[13:14] Raichi

You stupid? Like, *seriously* stupid?

Who passes when they're shaping to shoot?!

[13:20] Kuon

Hey, hey, hey!

[13:21] Kuon

Stop that, Raichi!

[13:22] Kuon

We scored a goal!

[13:23] Raichi

Huh?! Are you stupid, too?

[13:25] Raichi

Why should I be happy someone who
isn't me scored a goal in a 5-1 defeat?

[13:29] Raichi

Didn't ya listen to the rules? At the end of
the day, it's the top scorer who goes through!

[13:34] Raichi

But he had a chance to score and *passed!*

[13:36] Raichi

Why the hell did ya even come here? Huh?!

[13:39] Isagi

I don't know...

[13:41] Isagi

But that pass was... unintentional...

[13:43] Raichi

What?!

[13:44] Barou

Hey, Number 11.

[15:17] Isagi

Kuon...

[15:18] Kuon

Do you understand the situation we're in?

[15:20] Kuon

We're a team that's already lost once.

[15:24] Igarashi

Huh?

[15:25] Kuon

This first selection is
a five-team round robin.

[15:29] Kuon

Only the top two teams progress.

[15:32] Kuon

Suppose all teams win two, lose two.
We'd all be on six points.

[15:37] Kuon

Which means, in order to advance,
we have to aim higher and get seven points.

[15:42] Kuon

That's the likely cut-off line
that will decide who progresses.

[15:46] Iemon

So in short, if you lose twice, it's a
yellow light that's about to turn to red.

[15:51] Kuon

We're already at the point where if we
lose the next game, we're done for.

[15:55] Kuon

If we don't get serious about how we're
going to win, it really will be over for us.

[16:01] Igarashi

Then, have *you* got any good ideas?

[16:04] Kuon

Uh, well... No, not yet...

[16:06] Igarashi

What the heck?

Then, what good is all this talk?

[16:08] Kuon

But still, we have to do *something*—

[16:10] Kunigami

I have something.

[16:11] Kunigami

I couldn't have scored that goal
without Bachira and Isagi.

[16:16] Kunigami

That should show us the way.

[16:17] Raichi

Cut the crap, musclehead!

You just wanna be the team's top scorer!

[16:22] Bachira

But it was amazing.

[16:24] Bachira

It was the best goal of the day, for sure.

[16:27] Igarashi

You're naked!

[16:28] Bachira

If we just do that a lot, we can win.

[16:30] Bachira

Right, Isagi? Right?

[16:33] Isagi

Bachira...

[16:34] Naruhaya

Oh, *please!* It was a fluky wonder goal.

You can't rely on that!

[16:37] Naruhaya

And c'mon, dude, stop streaking!

[16:40] Imamura

But seriously, I really don't get how we can make a team out of just forwards.

[16:44] Chigiri

I don't think everything that guy says is right.

[16:49] Iemon

Chigiri.

[16:51] Chigiri

Ego talked about how to "win" the World Cup,

[16:55] Chigiri

throwing names like Cristiano Ronaldo, Messi, and Cantona out there.

[17:00] Chigiri

But none of those guys have ever won the World Cup.

[17:05] Chigiri

If anything, him saying "This is a battle about creating soccer from zero" was some sort of hint.

[17:14] Isagi

Hey, everyone.

[17:16] Isagi

I don't have any strategies that'll help us win,

[17:19] Isagi

but I might know what it means to be at soccer's "zero."

[17:23] Naruhaya

Hm?

[17:23] Raichi

So what is it, noob? Explain it to us.

[17:26] Isagi

In today's game, all anyone was thinking about at the start was scoring themselves,

[17:32] Isagi

and that led to a bunched-up free-for-all.

[17:35] Isagi

That's probably what it means to be at "zero."

[17:38] Igarashi

Well, that really wasn't soccer at all.

[17:41] Naruhaya

That's true.

[17:42] Isagi

The thing that broke through that "zero" was Barou's goal.

[17:47] Isagi

It acted as a catalyst, creating a clear path for goals, which led them to play as a team.

[17:53] Isagi

Barou used his talents to turn the "zero" of chaotic bunched-up soccer into a "one."

[17:59] Isagi

Using that as a guiding principle, a team can evolve into a "10" or even a "100."

[18:05] Isagi

So what's required is the power to produce that "one."

[18:09] Isagi

Only this irresistible trait and talent can make it possible.

[18:13] Kuon

A striker is someone who turns a "zero" into a "one,"

[18:16] Kuon

and the other positions multiply it to "10" and "100," huh?

[18:21] Naruhaya

So did Ego add that rule about the team's top scorer surviving to make us figure that out?

[18:28] Isagi

Most likely.

[18:30] Isagi

Because of that rule, our egos were exposed,

[18:34] Isagi

and we were forced to play by and for ourselves,

[18:37] Isagi

without thinking about positions or tactics.

[18:42] Isagi

And our egos have to clash before we can truly become a team.

[18:49] Isagi

Soccer...

[18:50] Isagi

A team...

[18:52] Isagi

They are created by an irresistible striker.

[18:55] Isagi

That must be Ego's message to us.

[18:59] Ego

Yes, very good. You're on the right track.

[19:01] Ego

Hi there, diamonds in the rough.

[19:04] Ego

The second match in
Building 5 just finished.

[19:08] Ego

Team V beat Team Y, 8-0.

[19:11] Igarashi

What? 8-0?!

[19:13] Isagi

Wow.

[19:16] Ego

You're on the right track,

[19:19] Ego

but it seems you still have no idea
how to turn zero into one.

[19:24] Ego

First, let's talk about this country, Japan.

[19:27] Ego

The Japanese love to have roles allocated
to them so they can just complete their tasks.

[19:33] Ego

As an example, take one
of the few major sports

[19:36] Ego

where Japan is on par
with the rest of the world:

[19:38] Ego

Baseball.

[19:40] Ego

Its inning system has distinct
periods for offense and defense,

[19:43] Ego

and there's no physical
contact out in the field.

[19:46] Ego

Each role is clearly defined in this sport,
and it fits the Japanese psyche like a glove.

[19:53] Ego

That's why we're so strong at it.

[19:55] Ego

But that's not the case in soccer.

[19:58] Ego

It has an open field where offense and
defense alternate as the situation demands.

[20:01] Ego

And it can be very physical.

[20:04] Ego

In this sport, you can't win by simply doing the tasks you've been given.

[20:09] Ego

Which is why you need personal skills.

[20:13] Ego

Individual skills.

[20:15] Ego

In Japanese soccer, the positions we can be proud of are our midfielders and full-backs.

[20:22] Ego

They work like dogs for the team. They turn the "one" created by the striker into 100.

[20:26] Ego

Without the devotion of those players, Japanese soccer wouldn't be where it is now.

[20:32] Ego

Therefore, there will be no revolution.

[20:36] Ego

So diamonds in the rough,
overwrite your consciousness.

[20:41] Ego

In soccer, scoring a goal means
destroying the other team's structure.

[20:47] Ego

Which makes a striker a destroyer.

[20:49] Ego

*The act of scoring is a revolution on the field,
where you wreck the other team's order.*

[20:54] Ego

Diamonds in the rough, do not let yourselves
get trapped in by the notion of roles!

[20:59] Ego

Or you won't create one from zero.

[21:05] Ego

Take up your weapon, strikers!

[21:07] Ego

Identify it clearly.

[21:09] Ego

Which weapon will you use to mess with the
other team, make them yield, and destroy them?

[21:14] Ego

Think hard about what you can do
with your body and your mind!

[21:19] Ego

It's always *your* weapon that kick-starts
this revolution known as scoring!

[21:24] Ego

*Victory can only exist
once you get beyond that.*

[21:35] Isagi/I

A weapon...

[21:36] Isagi/I

*That's the breakthrough we need
to win in this first selection.*
