FIRE

**[00:09]** ---

A training course in  
Medical Ninjutsu?

**[00:12]** ---

The time's finally come.

**[00:15]** ---

We learned a little  
in the Academy,

**[00:17]** ---

but this is the first time for  
actual formal training, right?

**[00:23]** ---

When you become a genin,

**[00:25]** ---

you have to undergo  
some training in it...

**[00:28]** ---

But the session was delayed  
for our class.

**[00:32]** ---

Each team has to send  
one representative to take it, right?

**[00:35]** ---

Who should do it?

**[00:37]** ---

Intricate chakra control  
is impossible for me.

**[00:41]** ---

They say that skills different

from fighting are required.

**[00:45]** ---

Besides, Medical Ninjutsu  
is a little dull.

**[00:48]** ---

But it's a ninjutsu that  
helps support others,

**[00:51]** ---

so it's important to  
learn it, right?

**[00:53]** ---

If that's how you feel,  
why don't you go, Mitsuki?

**[00:55]** ---

If you're not going,  
I'm not going.

**[00:58]** ---

That again?

**[01:01]** ---

Then I think you're perfect one  
to take it, Sarada!

**[01:04]** ---

Huh? Me?

**[01:06]** ---

I mean, you *are* Sakura's daughter!

**[01:09]** ---

MEDICAL NINJUTSU TRAINING CLASS

I'm sure you've got  
a knack for it, right?

**[01:10]** ---

MEDICAL NINJUTSU TRAINING CLASS

**[01:12]** ---

Well, yeah...

**[01:14]** ---

If your goal is to become  
the Hokage,

**[01:16]** ---

you should be able to  
use Medical Ninjutsu, right?

**[01:18]** ---

I-I guess so.

**[01:21]** ---

I guess we're choosing you!

**[01:23]** ---

You okay with that, Mitsuki?

**[01:25]** ---

Yeah.

**[01:27]** ---

We're counting on you, Sarada!

**[01:31]** ---

Okay.

**[03:04]** ---

*Developing One's Medical Ninjutsu*

**[03:05]** ---

*Developing One's Medical Ninjutsu*

Here's the list of participants

**[03:07]** ---

*Developing One's Medical Ninjutsu*

for the Medical Ninjutsu class.

**[03:09]** ---

We can finally start the training!

**[03:11]** ---

Yeah... This year's genin were involved  
in a bunch of incidents.

**[03:14]** ---

We had a hard time trying to  
schedule the session.

**[03:19]** ---

Although, there's a limit to  
how much you can master

**[03:22]** ---

in one short session.

**[03:24]** ---

But with it,

**[03:26]** ---

we might find someone who would  
make a good Medical Ninja.

**[03:29]** ---

So, it's important.

**[03:31]** ---

That's true since they only teach  
the basics at the Academy.

**[03:36]** ---

We should always be prepared

and have the genin learn it too.

**[03:42]** ---

As the head of the Medical Department,  
I'm counting on you.

**[03:47]** ---

Roger that.

**[03:49]** ---

Oh!

**[03:50]** ---

What is it?

**[03:52]** ---

My daughter is on the list.

**[03:54]** ---

I'd think Sarada would master  
Medical Ninjutsu right away.

**[03:58]** ---

That would be great!

**[04:07]** ---

What do I do?

**[04:09]** ---

Even in the Academy,  
I was never good at Medical Ninjutsu!

**[04:15]** ---

*I mean, you are Sakura's daughter!*

**[04:17]** ---

*I'm sure you've got a knack for it.*

**[04:23]** ---

You can't learn Medical Ninjutsu  
unless you have a mentor.

**[04:29]** ---

I was going to ask Mom  
to teach me,

**[04:31]** ---

but since she's so busy,  
I couldn't approach her.

**[04:36]** ---

Maybe I should just be  
upfront about this.

**[04:40]** ---

But if they find out that  
Sakura's own daughter can't do it—!

**[04:44]** ---

I gotta say,  
Lord Seventh is just perfect!

**[04:51]** ---

It's only natural that the Hokage  
is perfect and the strongest.

**[04:54]** ---

Guess that's what it takes  
to be a Hokage.

**[04:58]** ---

He wouldn't be able to protect  
if he wasn't perfect.

**[05:01]** ---

*The Seventh Hokage...is perfect!*

**[05:08]** ---

*If I want to become the Hokage,*

**[05:10]** ---

*I have to be able to do everything.*

**[05:12]** ---

*The perfect Hokage...*

**[05:14]** ---

- *The perfect Hokage...*  
- All right!

**[05:16]** ---

I'm gonna battle with that  
super-special rare Lord Seventh!

**[05:19]** ---

The Seventh Hokage really  
is the perfect card!

**[05:27]** ---

MEDICAL NINJUTSU

**[05:31]** ---

Anyway...

**[05:33]** ---

Tomorrow. I have to manage somehow,  
just for one day!

**[05:38]** ---

'Morning!

**[05:43]** ---

So, you're the participant  
from Team 7.

**[05:47]** ---

If it was Boruto,

**[05:48]** ---

I figured we'd be kept back  
after class together.

**[05:51]** ---

Don't worry.

**[05:53]** ---

If you're kept back,  
I'll give you special lessons.

**[05:56]** ---

Huh?!

**[05:57]** ---

Don't act so smug just 'cuz you know  
Medical Ninjutsu,

**[06:00]** ---

or else, Sarada will leave you  
in the dust.

**[06:05]** ---

Well, Sarada *is* the daughter of  
the Medical Ninjutsu specialist, Ms. Sakura.

**[06:10]** ---

She's just cut from a different cloth!

**[06:14]** ---

This should be easy for you, Sarada.

**[06:16]** ---

I-I wonder about that?

**[06:19]** ---

Please help me out today, Sarada.

**[06:21]** ---

Me too!

**[06:23]** ---

Sure, just ask if there's anything  
you don't get.

**[06:27]** ---

*What am I saying?!*

**[06:29]** ---

*I'm such an idiot!*

**[06:33]** ---

Good morning, everyone!

**[06:38]** ---

We're going to study  
Medical Ninjutsu today.

**[06:42]** ---

The most fundamental aspect  
is chakra control.

**[06:46]** ---

Medical Ninjutsu requires  
extremely delicate control.

**[06:51]** ---

MEDICAL NINJUTSU  
INTRODUCTION

Furthermore, being able  
to maintain chakra control

**[06:53]** ---

MEDICAL NINJUTSU  
INTRODUCTION

for a long period of time  
is crucial.

**[06:56]** ---

Although it's not flashy,

**[06:57]** ---

Medical Ninjutsu requires  
a lot of hard work to master.

**[07:01]** ---

- Yes, ma'am!  
- Yes, ma'am!

**[07:04]** ---

*Medical Ninjutsu is difficult, after all.*

**[07:07]** ---

*You can't just learn it overnight.*

**[07:10]** ---

*This is the worst!*

**[07:13]** ---

We'll be going over  
five parts today.

**[07:15]** ---

- There's five?!  
- What?!

**[07:18]** ---

Knowledge is important in  
Medical Ninjutsu.

**[07:21]** ---

First, I'll give a short lecture followed  
by a written exam.

**[07:24]** ---

*Saved!*

**[07:27]** ---

*I'm bad at practical application,  
but I'm great at written exams!*

**[07:49]** ---

*I got through it!*

**[07:51]** ---

Amazing!

**[07:52]** ---

Perfect score?  
Gotta hand it to you, Sarada.

**[07:55]** ---

What did you get, Iwabe?

**[07:57]** ---

Don't look!

**[07:58]** ---

I'd expect nothing less

from Sarada.

**[08:00]** ---

She aced everything  
at the Academy too.

**[08:04]** ---

I wonder about that!

**[08:06]** ---

*I wish the rest of this course was  
just comprised of written tests!*

**[08:10]** ---

Okay, we'll dive into practical application  
in part two!

**[08:13]** ---

*I knew it!*

**[08:16]** ---

Applying the knowledge  
you've learned is critical

**[08:18]** ---

to making Medical Ninjutsu work.

**[08:21]** ---

First up, Antidote Jutsu.

**[08:23]** ---

You'll be using your chakra  
to isolate liquids.

**[08:27]** ---

First, I'll mix two liquids  
to make coffee milk.

**[08:33]** ---

Then, I'll separate them again.

**[08:46]** ---

So, when you separate them,  
does it taste different?

**[08:49]** ---

This isn't a cooking class,  
so taste doesn't matter!

**[08:55]** ---

Shut up!

**[08:56]** ---

I'm more interested in  
the scientific method than you guys!

**[09:10]** ---

Coffee and milk are both liquids,

**[09:12]** ---

but their composition is different.

**[09:14]** ---

That's why we're able to isolate  
the different components

**[09:17]** ---

and extract them from  
a mixed liquid.

**[09:19]** ---

This lesson can be applied to  
extracting poison from the body.

**[09:23]** ---

During a mission, if your partner  
is poisoned by the enemy,

**[09:26]** ---

or bitten by a venomous snake,  
knowing this will be useful.

**[09:30]** ---

It's a basic fundamental skill.

**[09:33]** ---

Something basic is this difficult?!

**[09:37]** ---

*What do I do?*

**[09:39]** ---

*It won't separate at all!*

**[09:42]** ---

*It's just getting more mixed!*

**[09:44]** ---

*I should just be honest and speak up!*

**[09:48]** ---

Oh, no!

**[09:54]** ---

*Concentrate!*

**[09:57]** ---

Just a little more!

**[10:04]** ---

It separated!

**[10:05]** ---

Thank goodness!

**[10:07]** ---

I'm so thirsty!

**[10:11]** ---

Damn it!

**[10:14]** ---

*What?! I did it?!*

**[10:17]** ---

*How?!*

**[10:19]** ---

Let's see!

**[10:21]** ---

Okay, you isolated it successfully.

**[10:25]** ---

Y-Yeah.

**[10:29]** ---

SHINOBI

**[10:32]** ---

This is so boring.

**[10:35]** ---

It's great we get a day off  
from missions

**[10:37]** ---

when they have lectures, but...

**[10:39]** ---

If you're not attending the lecture,  
I guess you get homework.

**[10:42]** ---

But we finished that homework.

**[10:46]** ---

I know!

**[10:47]** ---

What is it?

**[10:49]** ---

Let's get outta here and  
kill some time!

**[10:56]** ---

Part three is on Healing Jutsu.

**[10:59]** ---

We'll be concentrating chakra  
into the palms,

**[11:01]** ---

apply it to a wound to speed up healing.

**[11:05]** ---

Those are special training dummies,

**[11:08]** ---

that close up when  
Healing Jutsu Chakra is applied.

**[11:13]** ---

If the area that's split closes up,  
you're successful.

**[11:22]** ---

*What do I do?!*

**[11:24]** ---

*Concentrate!*

**[11:26]** ---

*C'mon, concentrate!*

**[11:36]** ---

Huh?!

**[11:37]** ---

Huh?!

**[11:39]** ---

*What?!*

**[11:47]** ---

*It closed up!*

**[11:49]** ---

Yes, you did it.

**[11:51]** ---

Oh, this is—!

**[11:55]** ---

*I can do this.*

**[11:56]** ---

*I think I can get through this!*

**[11:59]** ---

*Thank you, Lord Hokage!*

**[12:05]** ---

What are you doing, Shikadai?

**[12:06]** ---

That's what I wanna ask you!

**[12:09]** ---

We're supposed to be on standby,  
and we ditched.

**[12:11]** ---

If we get caught,  
we're in trouble!

**[12:13]** ---

Don't worry.

**[12:15]** ---

Sakura doesn't have the Byakugan  
like my mom or Big Sister Hanabi.

**[12:18]** ---

She won't know.

**[12:19]** ---

But I *do* know, you guys!

**[12:35]** ---

Well, we finished our homework, so...

**[12:38]** ---

we thought we'd come and observe.

**[12:41]** ---

Oh, is that it?

**[12:43]** ---

Then of course!

**[12:44]** ---

Thank you!

**[12:46]** ---

I'm just happy that Medical Ninjutsu  
knowledge will spread out!

**[12:54]** ---

Show me your skills, Sarada!

**[12:58]** ---

I don't mind, just don't get in the way.

**[13:01]** ---

*Of course, I mind!*

**[13:03]** ---

*I have to do something!*

**[13:07]** ---

Okay, on to part four:

Emergency life-saving measures.

**[13:13]** ---

If you can make this bud bloom,  
you succeed.

**[13:19]** ---

Applying chakra into a partner  
who is wounded

**[13:22]** ---

can save a life in an emergency.

**[13:24]** ---

Let's get started.

**[13:26]** ---

It's a battle against time when  
you're trying to save a life.

**[13:29]** ---

You must work as fast as possible.

**[13:31]** ---

Otherwise, a life that could  
be saved may not be saved.

**[13:33]** ---

In other words, a precious friend  
lying before you could die.

**[13:38]** ---

That's why we want one person  
on each team

**[13:41]** ---

to know how to  
use Medical Ninjutsu.

**[13:43]** ---

- Yes, ma'am!  
- Yes, ma'am!

**[13:49]** ---

Can you even do this stuff, Sarada?

**[13:52]** ---

Well, of course!

**[13:54]** ---

*What do I do?!*

**[13:55]** ---

*I don't sense it blooming at all.*

**[13:57]** ---

*Please bloom!*

**[14:03]** ---

Sarada?

**[14:04]** ---

You okay?

**[14:06]** ---

What?!

**[14:07]** ---

Well, uh...I...

**[14:08]** ---

Boruto...

**[14:10]** ---

I need to concentrate,  
so can you please go away?!

**[14:15]** ---

Okay.

**[14:21]** ---

*It won't bloom!*

**[14:33]** ---

I can't do it! I just can't!

**[14:46]** ---

It bloomed!

**[14:48]** ---

Amazing!

**[14:50]** ---

The flower bloomed, ya know!

**[14:52]** ---

Huh? No... This is-!

**[14:55]** ---

Look, guys!

**[14:57]** ---

Hey, Boruto-!

**[14:59]** ---

I was doubting  
if you were any good,

**[15:02]** ---

but you're actually amazing, Sarada!

**[15:04]** ---

Well, yeah.

**[15:06]** ---

Becoming the Hokage is  
a realistic goal for you.

**[15:09]** ---

As expected!

**[15:11]** ---

Yeah!

**[15:12]** ---

Uh-huh!

**[15:14]** ---

This is nothing.

**[15:17]** ---

*I got through this!*

**[15:21]** ---

*Just one more to go.*

**[15:23]** ---

*I'm okay now!*

**[15:25]** ---

*I can get through this!*

**[15:28]** ---

Good work, everyone.

**[15:29]** ---

Ms. Shizune?!

**[15:31]** ---

Madam Advisor!

**[15:32]** ---

What brings you here?

**[15:34]** ---

We haven't held Medical Ninjutsu classes in a while,

**[15:36]** ---

so I was curious.

**[15:38]** ---

I'm glad I came.

**[15:40]** ---

You're doing great, Sarada.

**[15:42]** ---

Oh, not at all!

**[15:44]** ---

Actually, I brought a guest.

**[15:46]** ---

A guest?

**[15:47]** ---

Hey, everyone!

Are you working hard?

**[15:50]** ---

- Lord Seventh?!

- What?!

**[15:52]** ---

Dad!

**[15:52]** ---

It's Lord Hokage!

**[15:57]** ---

Good thing you're here, Dad.

**[15:59]** ---

Sarada's amazing!

**[16:01]** ---

Huh?!

**[16:02]** ---

Seems so!

**[16:04]** ---

I'm very happy that  
we have a shinobi

**[16:07]** ---

with the talent for Medical Ninjutsu.

**[16:09]** ---

No, I'm...

**[16:13]** ---

Okay, let's continue with  
our practical applications.

**[16:15]** ---

Who can demonstrate the final part?

**[16:18]** ---

Go for it, Sarada!

**[16:19]** ---

Huh?!

**[16:21]** ---

No, not me!

**[16:23]** ---

Don't be shy!

**[16:24]** ---

He's right. Naruto's here too.

**[16:28]** ---

Show us your skills, Sarada!

**[16:31]** ---

*What?!*

**[16:36]** ---

Apply chakra into  
the training dummy

**[16:39]** ---

and if you make it move,  
you've succeeded.

**[16:45]** ---

*Why...*

**[16:47]** ---

*did it end up like this?*

**[16:55]** ---

*What do I do?!*

**[16:56]** ---

*I can't make mistakes  
with Lord Seventh watching!*

**[17:01]** ---

*Please move!*

**[17:09]** ---

What's happening?

**[17:10]** ---

*Move!*

**[17:16]** ---

*Huh? Why?*

**[17:27]** ---

*Why?!*

**[17:28]** ---

*Please, move!*

**[17:34]** ---

The fish is burning...ya know.

**[17:38]** ---

I can't do this anymore!

**[17:41]** ---

Sarada?

**[17:43]** ---

Could it be that...

**[17:44]** ---

you're actually not very good  
at Medical Ninjutsu?

**[17:47]** ---

Mom!

**[17:50]** ---

Yeah.

**[17:51]** ---

- Huh?!

- What?!

**[17:55]** ---

I'm not good at it,

**[17:57]** ---

but I ended up doing everything,  
somehow.

**[17:59]** ---

And I didn't know what to do!

**[18:02]** ---

With Lord Seventh watching,

**[18:03]** ---

I was determined to present myself  
doing well.

**[18:06]** ---

But I couldn't do it!

**[18:08]** ---

And knowing Medical Ninjutsu is expected  
in order to become Hokage.

**[18:12]** ---

I'm so sorry!

**[18:15]** ---

What? Is that all?

**[18:18]** ---

That's nothing to be concerned about.

**[18:22]** ---

Lord Seventh?

**[18:24]** ---

Did you feel that you had  
to be good at Medical Ninjutsu

**[18:26]** ---

just because you're my daughter?

**[18:30]** ---

Yeah.

**[18:31]** ---

And if I'm gonna be  
a Hokage like Lord Seventh,

**[18:33]** ---

I have to be able to do everything.

**[18:36]** ---

I can't do Medical Ninjutsu at all,  
ya know!

**[18:40]** ---

Huh?

**[18:41]** ---

But you're the Hokage!

**[18:43]** ---

Well...

**[18:45]** ---

I have more weaknesses than strengths.

**[18:48]** ---

Yeah, you've got that right!

**[18:50]** ---

Dad can't do Medical Ninjutsu,  
he can't cook,

**[18:56]** ---

he always leaves the lights on,  
he oversleeps a lot...

**[18:59]** ---

SEVENTH HOKAGE

Hey, Boruto, that's enough!

**[19:02]** ---

Besides, if Naruto was perfect,

he wouldn't need me!

**[19:07]** ---

So, it's okay if I'm not perfect?

**[19:11]** ---

Of course! No human is perfect!

**[19:16]** ---

You just have to walk  
your own path, Sarada.

**[19:19]** ---

Mom!

**[19:46]** ---

It moved!

**[19:49]** ---

Hey, um...

**[19:50]** ---

What is it?

**[19:52]** ---

Can you give me some tips?

**[19:58]** ---

Guess I've got no choice!

**[19:59]** ---

Of course, since you asked!

**[20:05]** ---

First, you have to...

**[20:07]** ---

After all is said and done, looks like  
Medical Ninjutsu is expanding.

**[20:11]** ---

Yes, you're right.

**[20:13]** ---

Ms. Sakura, it's urgent!

**[20:30]** ---

The head of the Medical Department.

**[20:33]** ---

Mom's amazing, after all.

**[20:36]** ---

Sakura wasn't good at  
Medical Ninjutsu in the beginning.

**[20:40]** ---

Huh?

**[20:42]** ---

Sakura apprenticed under  
Lady Tsunade and

**[20:45]** ---

underwent unimaginably difficult training  
to become a top-rank Medical Ninja.

**[20:52]** ---

How was she able to work so hard?

**[20:55]** ---

I think you should ask her that yourself.

**[21:09]** ---

Hey, Mom?

**[21:10]** ---

What is it?

**[21:13]** ---

Why did you become a Medical Ninja?

**[21:16]** ---

Huh?

**[21:17]** ---

I mean, the training was  
really hard, wasn't it?

**[21:21]** ---

Well...

**[21:24]** ---

I wanted to become strong.

**[21:26]** ---

I didn't want to always be staring  
at Naruto and your father's backs.

**[21:29]** ---

I wanted to walk alongside them.

**[21:34]** ---

Although training under Lady Tsunade  
was seriously grueling!

**[21:39]** ---

But depending on the effort  
you put into it,

**[21:42]** ---

you might be able to use  
Medical Ninjutsu too, Sarada.

**[23:25]** ---

Team 15's goal will be to

**[23:29]** ---

our team's score will improve.

**[23:43]** ---

**[23:52]** ---
