**SIGN** MONKEY RAM SNAKE

**[00:11]** ---

The automated system  
has detected an intruder

**[00:14]** ---

in the vicinity of the A-Un Gate.

**[00:16]** ---

And the cross-check?

**[00:17]** ---

The chakra isn't registered.

**[00:19]** ---

Notify the Search Team!

**[00:21]** ---

Have them head there immediately!

**SIGN** HORSE SNAKE

**[00:26]** ---

We received the chakra of the intruder.

**[00:28]** ---

We'll head there immediately  
to restrain them!

**[00:52]** ---

Don't move!

**[00:55]** ---

Excellent!

**[00:59]** ---

First off, the new system is a success!

**SIGN** BOAR DOG BIRD MONKEY

**[02:36]** ---

Since the last Great War,

**SIGN** 1\fad(390,500)\pos(463.333,268.667)}The Iron Wall's Sensing System\*

**[02:38]** ---

peace has prevailed between  
the Five Great Nations.

**[02:40]** ---

That's why we've been able to maintain

**[02:42]** ---

a low level of security in the Leaf Village.

**[02:45]** ---

However, in recent years,

**[02:46]** ---

interaction between nations  
has continually increased,

**[02:48]** ---

and more suspicious characters  
have been able to infiltrate.

**[02:51]** ---

So, with the cooperation of  
the Scientific Ninja Tools Team,

**[02:55]** ---

a new sensory system  
has been developed.

**[02:59]** ---

This system is based  
on the Jutsu Formula

**[03:01]** ---

that was used during the  
Great War which was placed

**SIGN** BOUNDARY

**[03:04]** ---

throughout the village so that  
our predecessors could detect intruders.

**[03:07]** ---

Now, thanks to science,

**[03:09]** ---

the system has been  
completely automated.

**[03:11]** ---

With this technology,

**SIGN** RAM HORSE SNAKE

**[03:13]** ---

every inch of the village will be  
enveloped in a barrier, day and night.

**[03:16]** ---

And anyone who passes through

**SIGN** NINJA A-UN

**[03:18]** ---

will have his or her chakra  
automatically sensed.

**[03:21]** ---

Any chakra that doesn't correlate  
with the registry,

**[03:24]** ---

can be immediately identified at the scene.

**[03:28]** ---

However, with this system,

**[03:31]** ---

detection is possible only immediately  
after one passes the barrier.

**[03:35]** ---

So, in order to capture an intruder,

**[03:36]** ---

like in the test just now,  
swift response is essential.

**[03:41]** ---

Dad's got a difficult job.

**[03:43]** ---

We've asked you young members  
with sensory abilities to assemble

**[03:47]** ---

and participate in an operational test  
to collect data

**[03:50]** ---

to ensure this system is working properly.

**[03:52]** ---

As part of this operational test,

**[03:53]** ---

organized infiltration teams will  
hit the barrier in succession.

**[03:57]** ---

You will pursue them as  
members of the search team.

**[04:01]** ---

That is all!

**[04:02]** ---

- Right!

- Right!

**[04:05]** ---

What? You guys were called up to do this too?

**[04:08]** ---

Yeah, as part of the infiltration team!

**[04:10]** ---

By the way, Inojin...

**[04:12]** ---

Since when were you part  
of the Sensory Unit?

**[04:14]** ---

I'm not!

**[04:16]** ---

My scores on the ability test were good,

**[04:18]** ---

so they suddenly called me up.

**[04:19]** ---

Wow!

**[04:21]** ---

I didn't know you had sensory skills.

**[04:22]** ---

Well, my mom taught me  
the basics when I was a kid.

**[04:27]** ---

It isn't something that's hard to do.

**[04:29]** ---

The Yamanaka Clan are specialists

**[04:31]** ---

in sensory perception and  
transmission, after all.

**[04:34]** ---

Though I'm really more suited for  
the Super Beast Scroll,

**[04:38]** ---

so I'm not too sure about  
this whole thing.

**[04:40]** ---

Maybe this is just for today.

**[04:43]** ---

What's that thing you've been poring  
over since earlier?

**[04:45]** ---

The Bingo Book.

**[04:47]** ---

We were ordered to memorize  
the new additions.

**[04:50]** ---

It's such a drag.

**[04:51]** ---

Chunin don't have it easy, huh?

**[04:53]** ---

Man, this is a drag for me too!

**[04:56]** ---

Hey, you!

**[04:58]** ---

You're Inojin Yamanaka, right?

**[04:59]** ---

Yes.

**[05:01]** ---

I'm going to be your partner in  
a two-man team for this.

**[05:04]** ---

I'm Kohan Yamanaka.

**[05:05]** ---

Nice to meet you.

**[05:08]** ---

Sorry to interrupt your conversation.

**[05:11]** ---

Not at all.

**[05:12]** ---

I'm Shikadai Nara with  
the infiltration team.

**[05:15]** ---

This is Boruto Uzumaki.

**[05:16]** ---

Nice to meet you, ya know!

**[05:18]** ---

Thanks for your help in  
collecting valuable data.

**[05:21]** ---

We're relying on you!

**[05:22]** ---

- Roger!

- Roger!

**[05:23]** ---

Okay, we'll be going.

**[05:25]** ---

See you later, Inojin!

**[05:27]** ---

Yeah!

**[05:29]** ---

Is something the matter?

**[05:31]** ---

Oh, no...

**[05:32]** ---

I just didn't know Ms. Ino  
had such a grown son.

**[05:35]** ---

Let me just say this in advance,  
I'm not my mother.

**[05:39]** ---

I know that.

**[05:41]** ---

I'm not going to pull any punches,  
so be prepared.

**[05:44]** ---

In that case,

**[05:45]** ---

I would appreciate it if  
you made some allowances...

**[05:48]** ---

I don't think that's gonna happen.

**[05:52]** ---

Is my mom that famous?

**[05:55]** ---

Yeah!

**[05:56]** ---

After the Great War,

**[05:58]** ---

she took the lead in rebuilding  
the sensory network.

**[06:01]** ---

So, everyone respects her.

**[06:03]** ---

I've only seen Mom working  
at the flower shop.

**[06:08]** ---

Is it really okay to put her  
in charge of sensing?

**[06:16]** ---

I don't see any problem with that.

**[06:17]** ---

In fact, team morale is up since  
we've been reinstated for on-site duty.

**[06:25]** ---

*Reporting! East side, HA-B sector.*

**[06:29]** ---

*Unregistered chakra detected.  
Transmitting now.*

**[06:32]** ---

Roger. We'll head there immediately.

**[06:34]** ---

Let's go!

**[06:35]** ---

Right!

**[06:41]** ---

First, show me what you've got.

**[06:48]** ---

The intruder should be around here.

**[06:50]** ---

Track the chakra that we received.

**[06:53]** ---

Right.

**[07:01]** ---

What?

**[07:02]** ---

What is it?!

**[07:02]** ---

Oh, what? That's weird.

**[07:07]** ---

Is it going to take a while?

**[07:09]** ---

Well, how do I put this?

**[07:11]** ---

It's been a while, so...

**[07:13]** ---

*Time's up. Please finish up.*

**[07:16]** ---

Roger!

**[07:17]** ---

Huh?!

**[07:18]** ---

Don't worry.

This is just an operational test.

**[07:21]** ---

You'll have more chances.

**[07:27]** ---

I'll give you a little hint.

**[07:28]** ---

Seems you might know  
this next intruder!

**[07:32]** ---

Try finding them!

**[07:33]** ---

Right!

**[07:41]** ---

Found 'em!

**[07:43]** ---

Ninja Art: Super Beast Scroll!

**[07:48]** ---

Hey!

**[07:49]** ---

Get 'em!

**[07:55]** ---

I found them!

**[07:58]** ---

Too bad!

**[08:00]** ---

I was over here.

**[08:02]** ---

Hey, are you okay?

**[08:07]** ---

Sensory perception  
is pretty hard, isn't it?

**SIGN** FIRE

**[08:15]** ---

I'm so tired.

**[08:17]** ---

You didn't get a single one right.

**[08:20]** ---

To be honest,  
I've never properly sensed before.

**[08:23]** ---

What?!

**[08:25]** ---

What is it?

**[08:26]** ---

And you're Ino's son?

**[08:28]** ---

Unfortunately...

**[08:30]** ---

Oh, sorry. Forget what I said.

**[08:33]** ---

Anyway, do your best  
this afternoon too.

**[08:36]** ---

That's why I told you I'm not my mom.

**[08:39]** ---

How's the data?

**[08:41]** ---

Yes, it will be done soon.

**[08:42]** ---

Start analyzing as soon as  
they're collated.

**[08:46]** ---

Sensory is crucial to  
the village's defense.

**[08:48]** ---

It all starts here!

**[08:50]** ---

Let's build the best system ever, together!

**SIGN** MONKEY RAM HORSE SNAKE DOG

**[08:53]** ---

- Right!  
- Yes! Okay!

**[08:55]** ---

All right. Leave it to us!

**[08:57]** ---

Could you do this?

**[08:58]** ---

Inojin!

**[09:03]** ---

You're done with the morning test, right?

**[09:05]** ---

Uh... yeah.

**[09:07]** ---

Seems you didn't do well at all.

**[09:09]** ---

Well, yeah.

**[09:11]** ---

W-What is it?!

**[09:14]** ---

I'm sorry.

**[09:15]** ---

Huh?

**[09:17]** ---

Sorry for pushing you to do something you don't like.

**[09:22]** ---

You don't have to participate in the afternoon test if you don't want to.

**[09:25]** ---

See you later!

**[09:27]** ---

Mom!

**[09:28]** ---

Sorry, sorry!

**[09:29]** ---

Let's move on to the next phase immediately!

**[09:31]** ---

- Roger!

- Roger!

**[09:39]** ---

What's the matter?

**[09:42]** ---

Dad...

**[09:47]** ---

I think I disappointed Mom.

**[09:53]** ---

I thought I could do a little better.

**[09:56]** ---

Do you know why Mom is so proud of sensory missions?

**[10:01]** ---

Because it's what

the Yamanaka Clan does, right?

**[10:03]** ---

You're only half right.

**[10:06]** ---

The number one reason is because she respects your grandfather.

**[10:10]** ---

Grandpa who died in the Great War?

**[10:12]** ---

Mr. Inoichi was a great ninja.

**[10:16]** ---

He was always able to read the situation,

**[10:18]** ---

and even though he knew he was going to die,

**[10:20]** ---

he stayed on his ninja path until the end for the sake of his friends.

**[10:24]** ---

Your mother is trying to carry on his will.

**[10:28]** ---

But she never told me to do sensory stuff.

**[10:32]** ---

Even just now-!

**[10:33]** ---

She doesn't want to force her wishes onto you.

**[10:37]** ---

She just wants you to take a serious look at yourself.

**[10:41]** ---

In the same way Mr. Inoichi's way of living his life inspired her,

**[10:44]** ---

she feels maybe it could inspire you.

**[10:52]** ---

So, there's no reason to force yourself.

**[10:54]** ---

For the time being...

**[10:56]** ---

I think you should just do what you can do with everything you've got.

**[10:59]** ---

I think that's more than enough.

**[11:09]** ---

He's not coming.

I guess it didn't work out, after all.

**[11:12]** ---

Mr. Kohan!

**[11:15]** ---

You're late!

**[11:16]** ---

I'm sorry!

**[11:18]** ---

Um!

**[11:19]** ---

Huh?

**[11:19]** ---

Can you teach me the tricks  
to sensory perception, again?

**[11:22]** ---

Huh?

**[11:23]** ---

Please!

**[11:28]** ---

Sensory Ninjutsu is similar  
to Mind Transfer Jutsu.

**[11:32]** ---

First, you have to calm yourself,

**[11:33]** ---

and focus your mind.

**[11:37]** ---

Like Mind Transfer,

**[11:38]** ---

you sense chakra at the point  
where you focus your mind.

**[11:51]** ---

There are two people approaching  
from the rear corner.

**[11:57]** ---

Good job!

**[11:58]** ---

Still, this is hard.

**[12:00]** ---

Even now, I can only sense at close range.

**[12:02]** ---

You'll get used to it in time.

**[12:05]** ---

*Unregistered chakra detected in sector G*

**[12:07]** ---

*by the outer southeast wall,*

*near the maintenance facility.*

**[12:10]** ---

*Search team in the vicinity,  
please head to the site.*

**[12:13]** ---

Let's go.

**[12:14]** ---

Right!

**[12:23]** ---

This is where the chakra was detected.

**[12:26]** ---

Here?

**[12:27]** ---

The workers are touching  
the barrier, right?

**[12:30]** ---

Yeah, but their chakra is registered.

**[12:33]** ---

Even if they come and go,  
the system wouldn't set off an alert.

**[12:36]** ---

So, this means, an intruder  
is trying to slip into this group.

**[12:41]** ---

So, we have to correctly single out  
the unregistered chakra

**[12:44]** ---

from all this chakra?

**[12:46]** ---

Yeah, and quickly. Can you do it?

**[12:51]** ---

I will!

**[12:56]** ---

*There's definitely a strong reaction.*

**[13:04]** ---

What is it?

**[13:05]** ---

I sensed weird chakra just now...

**[13:07]** ---

Weird chakra?

**[13:08]** ---

Over there!

**[13:09]** ---

Hey!

**[13:14]** ---

What?!

**[13:15]** ---

Oh, you found me, huh?

**[13:18]** ---

Hey, Inojin!

**[13:20]** ---

Shikadai?!

**[13:21]** ---

Good job distinguishing him from the rest!

**[13:23]** ---

Huh? Well...

**[13:24]** ---

I wish you had run around  
a little more, but...

**[13:27]** ---

Come on... That's a drag.

**[13:29]** ---

Otherwise, you can't call it  
an operational test.

**[13:33]** ---

Still, I think you're getting  
the hang of sensory perception.

**[13:37]** ---

You're wrong.

**[13:39]** ---

It wasn't Shikadai.

**[13:40]** ---

I was concerned with some  
different chakra that was here.

**[13:46]** ---

Oh yeah, there was another worker here.

**[13:50]** ---

But that chakra!

**[13:51]** ---

There was definitely  
another person's chakra here.

**[13:54]** ---

But I didn't sense anything unusual about it.

**[13:57]** ---

How was it weird?

**[13:59]** ---

Well, how do I put this?

**[14:02]** ---

It felt sorta rough and creepy.

**[14:07]** ---

Maybe you were sensing  
so much chakra at once,

**[14:10]** ---

you couldn't parse through

all of the information?

**[14:12]** ---

No, but—!

**[14:14]** ---

You can get mixed up sometimes.

**[14:16]** ---

That's not it!

**[14:17]** ---

I get it.

**[14:18]** ---

Let's ask around then.

**[14:20]** ---

Thank you!

**[14:22]** ---

Damn it.

**[14:24]** ---

This is Kohan.

**[14:26]** ---

*Sorry, but can you match up  
the data again?*

**[14:28]** ---

Roger. Checking the waveform.

**SIGN** MOKUME ARAI

**[14:31]** ---

Mokume Arai. He's registered.

**[14:34]** ---

*There's a record of him touching  
the barrier a little earlier as well,*

**[14:38]** ---

*but there's nothing of concern.*

**[14:39]** ---

Roger that. Thank you.

**[14:41]** ---

You heard her.

**[14:44]** ---

But it was really weird chakra.

**[14:47]** ---

It's making me feel uneasy!

It seemed different from the others!

**[14:50]** ---

So, what do you want us to do?

**[14:52]** ---

Well...

**[14:54]** ---

Excuse me.

**[14:55]** ---

Is it all right if we look into this

a little bit?

**[14:58]** ---

But—!

**[14:59]** ---

Inojin can be grumpy and cynical,  
but he never lies.

**[15:03]** ---

Please!

**[15:05]** ---

Besides, this is an operational test  
for the sensory barrier, correct?

**[15:08]** ---

Then collecting this kind of data  
will have some significance, right?

**[15:13]** ---

That's true, but...

**[15:15]** ---

You're that concerned?

**[15:17]** ---

Yes! Please!

**[15:21]** ---

All right.

**[15:22]** ---

Check until you're satisfied.

**[15:25]** ---

Thank you!

**[15:27]** ---

I'll finish up the rest.

**[15:29]** ---

When you're done, make sure you report back!

**[15:32]** ---

Right!

**[15:34]** ---

Thanks, Shikadai.

**[15:35]** ---

But calling me grumpy and cynical  
was uncalled for.

**[15:37]** ---

It's true though. Anyway...

**[15:41]** ---

Boruto should be nearby too.

**[15:43]** ---

Let's get his help and find  
this weird chakra quick.

**[15:48]** ---

Yeah!

**[15:50]** ---

Mokume Arai?

**[15:53]** ---

I'm pretty sure he's with  
the maintenance crew.

**[15:56]** ---

But he's off today.

**[15:57]** ---

What?

**[15:58]** ---

But he was at the construction site.

**[16:01]** ---

His chakra was sensed and verified too.

**[16:03]** ---

What's going on?

**[16:04]** ---

It's not too strange since it's his day off,

**[16:06]** ---

he could have just been  
walking around nearby.

**[16:08]** ---

Excuse me! Do you know where he is?

**[16:10]** ---

Umm...

**[16:12]** ---

Mokume's not in the village.

**[16:16]** ---

Not in the village?

**[16:17]** ---

He went to a wedding of a friend  
who lives outside the village.

**[16:20]** ---

He left yesterday on the Thunder Train.

**[16:23]** ---

I dropped him off at the station myself,  
so there's no mistake.

**[16:27]** ---

What does this mean?

**[16:31]** ---

This Mokume guy is sketchy, after all.

**[16:34]** ---

He left through the A-Un gate yesterday,

**[16:37]** ---

but his chakra is here today?

**[16:39]** ---

It means he snuck back into the village...

**[16:41]** ---

It's suspicious, right?

**[16:43]** ---

Yeah.

**[16:44]** ---

Why would he have to do that?

**[16:47]** ---

Hey...

**[16:48]** ---

Was it actually him that came back?

**[16:50]** ---

It's possible someone did  
a transformation and snuck in.

**[16:54]** ---

That's impossible.

**[16:55]** ---

No matter who you disguise yourself as,

**[16:57]** ---

your own chakra doesn't change.

**[16:59]** ---

You can't fool the barrier.

**[17:02]** ---

Chakra doesn't change...

**[17:05]** ---

No way!

**[17:07]** ---

Huh?

**[17:08]** ---

It's him!

**[17:11]** ---

Yorishiro...

**[17:12]** ---

...Hyo!

**[17:13]** ---

He has the ability to  
copy someone else's chakra.

**[17:17]** ---

Copy someone's chakra?!

**[17:19]** ---

Yeah.

**[17:19]** ---

It's a very rare jutsu.

**[17:21]** ---

If he pretended to be  
someone else with this trick,

**[17:23]** ---

it's totally possible he could pass  
through the sensory barrier.

**[17:26]** ---

So, this Hyoui guy is pretending  
to be Mokume Arai?

**[17:30]** ---

But for what reason?

**[17:32]** ---

He's a thief.

**[17:34]** ---

He's been selling  
classified village information

**[17:36]** ---

and other things worth money.

**[17:38]** ---

We received intel that the Land of Fire  
might be his next target,

**[17:41]** ---

so he was added to the Bingo Book.

**[17:43]** ---

Then that's more reason  
we have to find him fast!

**[17:46]** ---

Calculating the time that  
I got a sense of him,

**[17:48]** ---

he couldn't have gotten that far.

**[17:50]** ---

Yeah, but there's one snag.

**[17:54]** ---

If he's already transformed into  
someone other than Mokume,

**[17:57]** ---

it'll be harder to find him.

**[18:00]** ---

So, what do we do?

**[18:02]** ---

That's why, Inojin, we have to rely on you.

**[18:04]** ---

Huh? Why?!

**[18:06]** ---

You're the only one who sensed that chakra.

**[18:09]** ---

Your sensory perception is  
the key to finding Hyoui.

**[18:12]** ---

But I'm still not as good as my mom.

**[18:15]** ---

In any case, let's try finding him!

**[18:17]** ---

Y-Yeah...

**[18:19]** ---

*So, we think it's possible  
he's Hyoui Yorishiro,*

**SIGN** MONKEY RAM HORSE SNAKE DOG

**[18:22]** ---

*and we're heading for the town  
on the south side of K sector.*

**[18:25]** ---

Ms. Ino, what should we do?

**[18:27]** ---

Please mobilize the search teams  
who are standing by.

**[18:30]** ---

Roger.

**[18:33]** ---

Inojin!

**[18:34]** ---

Mom?

**[18:36]** ---

*Thank you for your report. Also...*

**[18:38]** ---

*Don't think about me. Just give it your all!*

**[18:41]** ---

Huh?

**[18:42]** ---

Do your best!

**[18:43]** ---

*Huh? What's that supposed to-?*

**[18:48]** ---

What's up?

**SIGN** GOOD FOOD ALLEY

**[18:55]** ---

W-With all these people,  
how am I gonna-?!

**[18:58]** ---

Inojin, just try generally  
sensing this whole area.

**[19:01]** ---

I can't! I can't sense an area this wide!

**[19:04]** ---

I'm not my mom.

**[19:06]** ---

You don't know unless you try!

**[19:08]** ---

Inojin, you're the only one  
who can sense that chakra.

**[19:12]** ---

Let's do what we can right now.

**[19:15]** ---

And if you don't sense anything,  
we'll think of the next step.

**[19:18]** ---

Oh!

**[19:20]** ---

*For the time being...*

**[19:21]** ---

*I think you should just do what  
you can do with everything you've got.*

**[19:24]** ---

*Don't think about me. Just give it your all!*

**[19:28]** ---

I'll do it.

**[19:30]** ---

I'll do whatever I can!

**[19:35]** ---

Ninja Art: Super Beast Scroll!

**[19:38]** ---

What are you trying to do?

**[19:40]** ---

The Super Beast Scroll is  
infused with my chakra.

**[19:43]** ---

By using it,

**[19:45]** ---

I'll be able to expand  
the scope of my sensory perception!

**[19:53]** ---

Damn it! My chakra's-!

**[20:01]** ---

Found him!

**[20:11]** ---

What's going on?

**[20:14]** ---

Hyo! Yorishiro!

**[20:15]** ---

You're not getting away now!

**[20:18]** ---

Damn it!

**[20:20]** ---

Shikadai!

**[20:22]** ---

What?!

**[20:24]** ---

Gotcha!

**[20:27]** ---

This won't hold me!

**[20:28]** ---

Inojin!

**[20:30]** ---

I got this!

**[20:31]** ---

Super Beast Scroll!

**[20:39]** ---

There's no mistake.

**[20:40]** ---

You're Hyoui Yorishiro.

**[20:42]** ---

That looks painful.

**[20:43]** ---

A job well done, huh?

**[20:45]** ---

Yeah!

**SIGN** MONKEY RAM HORSE SNAKE DOG

**[20:48]** ---

Thank you for the hard work.

**[20:50]** ---

The operation test handed us a real big catch.

**[20:54]** ---

About Inojin Yamanaka... His sensory skills...

**[20:57]** ---

...just won't do.

**[20:59]** ---

According to the report,

**[21:01]** ---

his other skills are still lacking  
in order to be a sensory ninja.

**[21:04]** ---

You know what they say,

**[21:05]** ---

"Nothing like desperation  
to sharpen your focus."

**[21:07]** ---

But...

**[21:09]** ---

That's more than enough for me!

**[21:14]** ---

We're having the Scientific  
Ninja Tools Team

**[21:16]** ---

add a filter to detect imposters.

**[21:18]** ---

So, we'll be good from now on.

**[21:21]** ---

And it's all thanks to you guys.

**[21:23]** ---

It was just by chance.

**[21:26]** ---

Are you going to close  
the flower shop?

**[21:29]** ---

Huh?

**[21:30]** ---

I mean, you really seem to enjoy it.

**[21:33]** ---

I'm not closing up.

**[21:34]** ---

Huh?

**[21:35]** ---

Whether it's using my sensory skills  
to protect the village

**[21:38]** ---

or making people happy  
with the flower shop...

**[21:40]** ---

They're both important to me  
and things I want to do.

**[21:45]** ---

That's why I want you to do  
what you want,

**[21:46]** ---

and not worry about anything!

**[21:51]** ---

Well, I'll do my best!

**[23:25]** ---

The day of the memorial service  
always makes me think

**[23:27]** ---

about that day.

**[23:29]** ---

Our fathers entrusted and  
left everything to us.

**[23:33]** ---

But sometimes I wonder if it was  
meant just to raise our morale.

**[23:39]** ---

Maybe one day...  
just like our dads,

**[23:42] ---**

the time will come when  
we'll lead by example

**[23:44] ---**

and believe in our children and  
leave everything in their hands.
