**[01:46]** ---

Everyone...

**[01:48]** ---

Apologies for the sudden summons.

**[01:50]** ---

But this is an urgent situation.

**[01:52]** ---

I believe some of you may have heard already, but...

**[01:57]** ---

...we have lost the Vessel.

**[02:01]** ---

Lost it?

What do you mean?

**[02:05]** ---

The airship that was transporting the vessel has gone missing.

**[02:10]** ---

Damn it!

**[02:11]** ---

We went through so much time and effort, and this is the result?

**[02:15]** ---

Great, just great.

**[02:17]** ---

You've got to be kidding.

**[02:18]** ---

Are you telling me we poured enough money to buy a nation

**[02:20]** ---

down the drain?

**[02:22]** ---

First, the Deepa incident, and now, this?

**[02:23]** ---

It's just one disaster after another.

**[02:26]** ---

It's nothing to fret over.

**[02:29]** ---

Based on its flight path,

**[02:31]** ---

we have a rough idea  
of where it crashed.

**[02:34]** ---

We just have to figure out  
the exact coordinates

**[02:37]** ---

and quickly retrieve the Vessel.

**[02:39]** ---

With all due respect, Elder...

**[02:43]** ---

Is it not such naïve thinking

**[02:45]** ---

that produces blunders  
of this kind to begin with?

**[02:47]** ---

Hold your tongue, stripling.

**[02:50]** ---

Unless you wish to die prematurely.

**[02:53]** ---

The time loss due to  
this type of mishap

**[02:56]** ---

certainly falls within  
the expected margin of error.

**[03:00]** ---

However, if we consider that it was  
a preventable human error...

**[03:04]** ---

it's a different story.

**[03:06]** ---

In other words,  
make the one responsible, pay up?

**[03:10]** ---

Well, of course!

**[03:12]** ---

Oh?

**[03:13]** ---

Now whose airship was it?

**[03:15]** ---

Silence, Code!

**[03:17]** ---

The airship was perfectly equipped!

**[03:19]** ---

It just suddenly went off course!

**[03:22]** ---

I'm certain that it was because of  
some outside interference!

**[03:25]** ---

Are you saying that  
someone set you up?

**[03:29]** ---

Trying to avoid taking  
responsibility is disgraceful.

**[03:31]** ---

Say what you want!

**[03:33]** ---

I'm sure that if you investigate  
the wreckage of the airship,

**[03:35]** ---

you will find proof of interference.

**[03:38]** ---

I can prove my claims  
are substantiated.

**[03:41]** ---

And before you start yapping about  
my accountability,

**[03:44]** ---

what about Amado?

**[03:45]** ---

Why isn't he here?

**[03:47]** ---

He was also involved in  
preparing the transfer!

**[03:50]** ---

He is extremely busy.

**[03:52]** ---

Even now, our plan is still in progress.

**[03:56]** ---

That explanation is insufficient!

**[04:00]** ---

Then let me phrase this differently.

**[04:03]** ---

It does not concern you anymore.

**[04:09]** ---

That the Vessel is currently  
not under our control,

**[04:12]** ---

is itself a serious circumstance

that should have never occurred.

**[04:16]** ---

It's nothing to worry about.

**[04:19]** ---

The Vessel will be retrieved immediately.

**[04:22]** ---

Let's just deploy an Outer to deal with it.

**[04:25]** ---

I was just thinking that I needed  
real combat data on

**[04:28]** ---

the new Scientific Ninja Tool  
anyway.

**[04:31]** ---

Lord Jigen.

**[04:33]** ---

Said sector is in my jurisdiction.

**[04:35]** ---

I wish to be the one to handle it.

**[04:37]** ---

Just who do you think you are,  
Koji Kashin?!

**[04:40]** ---

Don't be so full of yourself!

**[04:45]** ---

We've been working very carefully  
to hide our presence thus far,

**[04:47]** ---

but judging by the situation,  
I feel the time is ripe.

**[04:52]** ---

And that some amount  
of violence is inevitable.

**[04:55]** ---

I am of the same opinion as Koji.

**[04:58]** ---

What think you, my fellow Inners?

**[05:01]** ---

No objections!

**[05:02]** ---

No objections.

**[05:03]** ---

Agreed.

**[05:07]** ---

I shall contact the Outer.

**[05:10]** ---

Is this acceptable, Elder?

**[05:12]** ---

Wait... Hold on!

**[05:15]** ---

That is all.

**[05:17]** ---

Remember, that Vessel,

**[05:20]** ---

is the key to fulfilling our most  
cherished wish as the Kara.

**[05:24]** ---

Recover it at all costs.

**[05:38]** ---

Why?!

**[05:39]** ---

Why did the airship disappear  
from the radar?

**[05:43]** ---

Calm down.

**[05:45]** ---

At this rate,  
I'll be the one held responsible!

**[05:49]** ---

Should I try to find the airship  
before he does?

**[05:52]** ---

But that means  
I'll be defying Jigen.

**[05:56]** ---

This is bad!

**[05:58]** ---

I can't let this continue.

**[06:15]** ---

Luckily, they still haven't found out  
that I stole the data on the Vessel.

**[06:21]** ---

I'm the one who will win in the end!

**[06:24]** ---

That damn Koji Kashin thinks I'm naïve?

**[06:27]** ---

I would have blasted his head off,

**[06:29]** ---

if that hadn't been  
a Genjutsu Transmission!

**[06:31]** ---

That doesn't sound very pleasant.

**[06:35]** ---

Why are you—?!

**[06:37]** ---

How long have you been here?!

**[06:39]** ---

Since the beginning of the meeting, Elder.

**[06:43]** ---

Have you grown so senile  
that you can't sense an assassin

**[06:46]** ---

who's not even hiding  
their bloodthirst?

**[06:55]** ---

Damn it!

**[06:59]** ---

Wait! Listen to what I have to say!

**[07:03]** ---

The crash wasn't caused by me!

**[07:06]** ---

Someone tampered with the airship!

**[07:17]** ---

The Trance of True Flames.

**[07:20]** ---

Even your vaunted  
regeneration jutsu can't keep up.

**[07:45]** ---

Did you think Lord Jigen wouldn't notice?

**[07:54]** ---

Good grief.

**[07:59]** ---

Victor and Deepa  
sure had some foolish ideas.

**[08:03]** ---

The information you've given me  
has been useful.

**[08:07]** ---

That's because this guy  
told me everything.

**[08:10]** ---

It was a bit of a struggle  
to regenerate his brain, though.

**[08:18]** ---

So, what do you want to do?

**[08:19]** ---

It's not as if we'll benefit  
by keeping him alive.

**[08:23]** ---

Without a doubt.

**[08:29]** ---

He used to make me laugh...

**[08:32]** ---

I didn't know you were  
capable of laughter.

**[09:00]** ---

I've finished dealing with Victor.

**[09:03]** ---

You work quickly.

**[09:05]** ---

I'm going to contact the Outer  
to start searching for the Vessel.

**[09:10]** ---

About that.

**[09:12]** ---

We've determined the precise  
coordinates of the crashed airship.

**[09:16]** ---

It's located in the forested region  
to the north of the Land of Fire.

**[09:27]** ---

Look, Konohamaru.

**[09:28]** ---

Yeah, it looks like our intel  
was accurate.

**[09:33]** ---

Eliminate every last person  
who has seen the airship.

**[09:37]** ---

We don't want anyone  
to know about the Vessel, yet.

**[09:41]** ---

The Village Hidden in the Leaves  
should already be on the move.

**[09:45]** ---

Leave no shred of evidence behind.

**[09:48]** ---

I understand.

**[09:53]** ---

The Village Hidden  
in the Leaves, huh?

**[09:56]** ---

I seem to be linked by fate  
to that village...

**[10:20]** ---

You made it in time!

**[10:22]** ---

I wouldn't miss a match between

**[10:24]** ---

Lord Seventh and Boruto for anything.

**[10:26]** ---

It's not a match, it's Shinobi Sparring.

**[10:33]** ---

Are you nervous?

**[10:36]** ---

I'm happy, if anything.

**[10:39]** ---

Happy?

**[10:40]** ---

My dad managed to keep  
his promise, and that's rare.

**[10:44]** ---

This is my chance to clear  
my reputation from that time.

**[10:48]** ---

*Explain yourself.*

**[10:58]** ---

*This is...*

**[10:59]** ---

*This is a Scientific Ninja Tool*

**[11:02]** ---

*which is prohibited  
in the Chunin Exams.*

**[11:06]** ---

*With this Shinobi Gauntlet,*

**[11:08]** ---

*you can use jutsu  
without using your own chakra*

**[11:11]** ---

*And also, you can use  
other people's jutsu!*

**[11:14]** ---

*It defeats the Exams' purpose  
of showing your true strength.*

**[11:17]** ---

*Just quit, ya phony!*

**[11:19]** ---

*Really?  
Trying to win by cheating?*

**[11:21]** ---

*You're a disgrace to the Leaf!*

**[11:26]** ---

*You're no longer a ninja either.*

**[11:33]** ---

I need to show my dad

that I've grown a little.

**[11:37]** ---

Judging by that look,

**[11:39]** ---

you've got a plan  
up your sleeve, right?

**[11:41]** ---

I can't use my High Compression  
Rasengan anymore.

**[11:44]** ---

But during training,

**[11:45]** ---

I got the idea to throw in a bit of  
Change in Chakra Nature.

**[11:49]** ---

I look forward to seeing that.

**[11:52]** ---

Boruto, it's almost time.

**[11:55]** ---

I don't have to rely on some phony toy

**[11:57]** ---

like a Scientific Ninja Tool anymore.

**[11:59]** ---

I'll give my dad a run for  
his money in a head-on fight!

**[12:08]** ---

How's the new prosthetic feel?

**[12:10]** ---

My chakra seems to be  
responding properly,

**[12:14]** ---

but I won't know for sure  
until I try it out.

**[12:16]** ---

You still haven't told Boruto,

**[12:19]** ---

that you're testing out  
that thing today, have you?

**[12:22]** ---

He'll be more motivated this way.

**[12:40]** ---

You're late, Boruto!

**[12:45]** ---

You seem rather confident, Boruto.

**[12:48]** ---

It's only right for the star of  
the show to show up late.

**[12:53]** ---

Do your best!

**[12:55]** ---

Give it your all, Boruto!

**[13:02]** ---

This isn't a battle.

**[13:04]** ---

It's Shinobi Sparring,  
which has a set of rules.

**[13:06]** ---

The person who knocks his opponent  
to the ground first is the winner.

**[13:09]** ---

Got it?

**[13:12]** ---

All right!

You don't need to hold back!

**[13:15]** ---

Of course not.

**[13:16]** ---

If I'm doing this,

**[13:17]** ---

I'm in it to win!

**[13:27]** ---

Using a Shadow Clone  
as a decoy, huh?

**[13:30]** ---

That's by the book.

**[13:32]** ---

Well, he's got balls, trying to  
pull a sneak attack on Naruto.

**[13:36]** ---

Rasengan!

**[13:44]** ---

What just happened?

**[13:58]** ---

Did he mess up?

**[14:00]** ---

No, he didn't.

**[14:02]** ---

Trying to blind me?  
Not bad!

**[14:07]** ---

His Rasengan was  
extinguished again!

**[14:10]** ---

What is happening?!

Damn it!

**[14:13]** ---

I hope you're not just gonna keep dodging and stay on defense!

**[14:16]** ---

That's not my plan.

**[14:19]** ---

Then Dad, let's make this a battle of our Rasengan, ya' know!

**[14:26]** ---

Back me up, guys!

**[14:27]** ---

- All right!

- All right!

**[14:37]** ---

I don't know what you're planning...

**[14:39]** ---

but let's do this!

**[14:43]** ---

This is intense.

**[14:45]** ---

Why don't you two have a father-son match as well?

**[14:49]** ---

- That would be a drag.

- That would be a drag.

**[14:50]** ---

- Wind Style: Gale Palm!

- Wind Style: Gale Palm!

**[14:52]** ---

- Go!

- Go!

**[14:54]** ---

I'm ending this!

**[14:56]** ---

Bring it, Boruto!

**[15:10]** ---

Water Style: Wave Surge!

**[15:17]** ---

When did Boruto learn Water Style?

**[15:20]** ---

Not only that, but he locked up Lord Seventh's right arm.

**[15:33]** ---

Take this!

**[15:35]** ---

Lighting Style: Thunderclap Arrow!

**[15:39]** ---

He added Lighting  
to his Water Style?!

**[16:06]** ---

Damn it!

**[16:08]** ---

So close!

**[16:15]** ---

Combining techniques, huh?

**[16:17]** ---

You really have improved.

**[16:36]** ---

The water's... disappearing!

**[16:39]** ---

Just like the Rasengan earlier.

**[16:41]** ---

Lord Seventh is absorbing jutsu.

**[16:57]** ---

So, that's it!

**[16:59]** ---

Using annoying tricks on me!

**[17:01]** ---

In that case,  
I'll blow apart that whole wall!

**[17:05]** ---

A shinobi must read the hidden  
meanings within hidden meanings.

**[17:13]** ---

All right, it's over!

**[17:19]** ---

Ow...

**[17:30]** ---

Your right hand's—!

**[17:35]** ---

I see.

**[17:37]** ---

He left his prosthetic right hand  
there as a diversion.

**[17:40]** ---

That makes sense.

**[17:41]** ---

But how did he absorb that jutsu?

**[17:49]** ---

That was a good bout, ya' know!

**[17:56]** ---

You've gotten strong, Boruto.

**[18:03]** ---

To tell you the truth...

**[18:04]** ---

About that hand earlier...

**[18:06]** ---

It's a Scientific Ninja Tool, right?

**[18:08]** ---

You knew, huh?

**[18:10]** ---

I figured there must have been  
some ulterior motive.

**[18:13]** ---

You were just using me  
as a guinea pig, right?

**[18:15]** ---

Sorry about that!

**[18:17]** ---

But that wasn't the point.

**[18:18]** ---

I honestly wanted to know  
how much you've improved.

**[18:25]** ---

This is a prototype  
created by Katasuke.

**[18:28]** ---

He got the idea during  
the fight with the Otsutsuki.

**[18:32]** ---

You can use this is to absorb and  
neutralize your opponent's jutsu.

**[18:36]** ---

However, you won't be able to  
discharge it like they did.

**[18:44]** ---

*Fire Style Bullet: Homura!*

**[18:54]** ---

*This allows me to amplify  
all of the jutsu I've absorbed,*

**[18:57]** ---

*for a counterattack.*

**[19:05]** ---

I don't care about how it works!

**[19:07]** ---

Wasn't using Scientific Ninja Tools  
considered to be cheating?!

**[19:12]** ---

You lectured my ears off,

**[19:13]** ---

and then you turn around  
and use one yourself, Dad!

**[19:15]** ---

Uh, you see...

**[19:17]** ---

I thought you'd matured a little, but...

**[19:21]** ---

The key is in how you use it.

**[19:23]** ---

No one is saying these tools  
themselves, are a bad thing.

**[19:25]** ---

Mr. Sasuke!

**[19:27]** ---

Sasuke's right.

**[19:29]** ---

You seem to believe that  
Scientific Ninja Tools

**[19:32]** ---

are inherently dangerous,

**[19:34]** ---

but that's only one part of their aspect.

**[19:39]** ---

If you only focus on a single aspect,

**[19:41]** ---

you'll overlook what's important.

**[19:44]** ---

Like earlier,  
you were so distracted by this

**[19:48]** ---

that I was able to sneak up behind you.

**[19:50]** ---

You're just saying shinobi must read

**[19:52]** ---

the hidden meanings within  
hidden meanings, right?

**[19:54]** ---

So, you do understand.

**[19:57]** ---

By the way Dad,  
when did you get back?

**[20:00]** ---

Just a little bit ago.

**[20:02]** ---

I've asked Sasuke to look into the Kara.

**[20:04]** ---

The Kara?!

**[20:06]** ---

Did you learn anything?

**[20:08]** ---

More or less...

**[20:10]** ---

The Kara is truly a hidden organization  
within a hidden organization.

**[20:12]** ---

Or rather, there's no telling  
how deep they go.

**[20:17]** ---

But one thing's for sure...

**[20:19]** ---

The dangers to this world  
have not gone away yet.

**[20:28]** ---

This is "Horse."

**[20:30]** ---

We've arrived at  
the airship crash site.

**[20:33]** ---

No sign of survivors in the vicinity.

**[20:35]** ---

Commencing investigation  
of the ship's interior.

**[20:38]** ---

*Roger. Please continue  
to maintain communications.*

**[21:06]** ---

There are no survivors inside.

**[21:16]** ---

What's this?!

**[21:22]** ---

Identifying the presence of  
a container-like object.

**[21:27]** ---

Not working, huh?

**[21:28]** ---

This thing isn't reliable for  
long-distance communication!

**[21:31]** ---

Did you find something, Konohamaru?

**[21:33]** ---

Yeah.

**[21:34]** ---

Looks like some sort of vessel.

**[21:37]** ---

It's empty, as far as I can tell.

**[21:39]** ---

What is it?

**[21:42]** ---

I don't know.

**[21:43]** ---

I'm not sure, but I'm getting  
a bad feeling about this.

**[23:26]** ---

Boruto, I have a mission for you.

**[23:28]** ---

Head to the city of Ryutan with Katasuke.

**[23:31]** ---

Long time no see, Young Lord.

**[23:33]** ---

What are you doing here?!

**[23:35]** ---

I don't want anything to do with  
a quack scientist like you!

**[23:38]** ---

Young Lord, this is crucial

**[23:39]** ---

in order to analyze  
Lord Seventh's prosthetic.

**[23:42]** ---

That's the gist of it.

**[23:44]** ---

Next time on Boruto:  
Naruto Next Generations:

**[23:47]** ---

"Ao."

***SIGN*** AO

**[23:48]** ---

Who'd want a mission like this?!
