[01:46] ---

Young Lord... Are you really okay?

[01:49] ---

Yeah.

[01:50] ---

You and Chamaru should hide there!

[01:53] ---

Understood.

[01:56] ---

Mitsuki, how does it look?

[02:06] ---

Not yet. I don't see him.

[02:09] ---

Even though he doesn't have
his Byakugan anymore,

[02:11] ---

it's evident that
he's still a powerful warrior.

[02:14] ---

Don't let your guard down!

[02:16] ---

Yes, sir!

[02:17] ---

Of course not!

[02:19] ---

After what he did to Mr. Mugino...

[02:22] ---

I respected and held in high regard,

[02:24] ---

*the way you fulfilled
and lived the life of a shinobi.*

[02:28] ---

You're wrong.

[02:30] ---

I'm not a shinobi.

[02:36] ---

I'm a tool.

[02:39] ---

Boruto...

[02:41] ---

Ao said that he gave up being a shinobi

[02:43] ---

and became a tool.

[02:45] ---

In that case, we have to defeat him

[02:47] ---

with our power as shinobi!

[02:50] ---

Ao's coming this way!

[03:05] ---

They call this hiding?

[03:08] ---

Though it seems like they're serious

[03:09] ---

about settling things here and now.

[03:15] ---

Come on out!

[03:32] ---

Lightning Style: Snake Lightning!

[03:51] ---

You're not getting away-!

[03:51] ---

Fire Style: Flaming Meteors!

[03:54] ---

Why you-!

[04:04] ---

*Successive attacks without any concern
for chakra depletion.*

[04:07] ---

They're up to something.

[04:25] ---

Behind you!

[04:29] ---

Dr. Katasuke's Scientific Ninja Tools
are really something.

[04:32] ---

They're quite durable too!

[04:39] ---

Cha!

[04:44] ---

Fire Style: Fireball Jutsu!

[04:47] ---

You guys just don't get it, do you?

[04:50] ---

Now, Mitsuki!

[04:51] ---

Yes, sir!

[05:03] ---

Let's hit him in tandem!

[05:04] ---

- Yes, sir!

- Yes, sir!

[05:18] ---

I know what you're doing.

[05:20] ---

*You should know such attacks
aren't enough to take me down.*

[05:26] ---

Which means this is a diversion.

[05:32] ---

I don't see the Hokage's brat.

[05:36] ---

Did he take Dr. Katasuke and escape?

[05:41] ---

No, it's the opposite.

[05:44] ---

He's the fulcrum that their plan rests on!

[05:48] ---

*He's likely in my blind spot
waiting for his chance to strike.*

[05:52] ---

Come out, Boruto Uzumaki!

[05:56] ---

I'll make you my victim instead!

[05:59] ---

You need to emerge...

[06:00] ---

*before your friends drop
from exhaustion, don't you?*

[06:04] ---

Come on!

[06:05] ---

From the side?

[06:07] ---

From behind?

[06:08] ---

Or perhaps...

[06:09] ---

...from above?

[06:40] ---

How unfortunate.

[06:42] ---

I saw through the whole thing.

[06:53] ---

What?!

[06:55] ---

No, you don't know anything.

[07:00] ---

A shadow clone?

[07:06] ---

W-What is this thing?

[07:09] ---

This Scientific Ninja Tool is...

[07:11] ---

draining my strength!

[07:22] ---

Mitsuki!

[07:23] ---

I'm fine!

[07:25] ---

Damn it!

[07:27] ---

Looks like you're pretty drained!

[07:31] ---

Your movements slowed down a bit!

[07:33] ---

You got me, kid.

[07:35] ---

But that doesn't change the fact

[07:36] ---

that your jutsu won't work against me!

[07:51] ---

Rasengan!

[08:10] ---

In short, this is a jutsu
that absorbs jutsu, right?

[08:15] ---

So, I just had to absorb the one you had.

[08:21] ---

You brat!

[08:23] ---

As with anything,
it all depends on how you use it...

[08:26] ---

Right?

[08:41] ---

Young Lord!

[08:43] ---

It went well, Dr. Katasuke.

[08:46] ---

But I wasn't able to finish him.

[08:57] ---

That thing is useless now.

[09:00] ---

You won't be able to absorb jutsu anymore.

[09:12] ---

Boruto!

[09:31] ---

Big Bro!

[09:32] ---

Sensei!

[09:33] ---

Big Bro!

[09:35] ---

It's all right! He's still breathing!

[09:37] ---

What the hell?!

[09:38] ---

That suddenly came from the sky!

[09:50] ---

Those are-!

[09:58] ---

You really got me...

[10:01] ---

What the hell are those?

[10:05] ---

I never thought I would have
to use these Mirror Drones.

[10:09] ---

Drones?

[10:10] ---

They seem to be devices that transmit
Lord Ao's chakra over long distances,

[10:14] ---

allowing for remote attacks.

[10:16] ---

In short, he can launch

[10:18] ---

a barrage of jutsu bombs
from above like rain.

[10:20] ---

So, this is his secret weapon.

[10:23] ---

I was really hoping...

[10:27] ---

not to have to resort to using them, but...

[10:31] ---

Yeah, I understand why.

[10:34] ---

This style of fighting
isn't ninja-like at all.

[10:40] ---

Are you trying to provoke me?

[10:43] ---

Not really.

[10:44] ---

That's just my honest opinion.

[10:47] ---

It looks like you chose to
be a tool of the Kara

[10:50] ---

or whatever they're called,
instead of being a shinobi.

[10:52] ---

But it seems to me like you still have

[10:54] ---

some lingering attachments
to being a shinobi.

[10:59] ---

I died...

[11:02] ---

as a shinobi!

[11:06] ---

And thanks to them, I was reborn.

[11:11] ---

I was useless,

[11:12] ---

but they gave me new powers
and gave my life meaning.

[11:17] ---

Meaning?

[11:18] ---

This marks the end of shinobi,

[11:20] ---

with their paltry and antiquated powers.

[11:22] ---

We must make the transition to a new power.

[11:27] ---

As their tool, my life was given meaning.

[11:31] ---

Do you know why Mugino died?

[11:35] ---

It's because he didn't have power.

[11:37] ---

If he had power...

[11:39] ---

he wouldn't have died.

[11:43] ---

Why you-!

[11:46] ---

Not everyone can become strong
like your father.

[11:51] ---

That's right.

[11:53] ---

For many, it's impossible to achieve.

[11:55] ---

They only suffer loss and
end up exhausting themselves.

[12:00] ---

That's why we need a new power.

[12:04] ---

Whether or not it's ninja-like
is of no concern to me.

[12:07] ---

I gave up being a shinobi.

[12:10] ---

I'm a new breed of human,
one that has new powers!

[12:17] ---

Sarada! Mitsuki!
Take care of Sensei and the Doctor!

[12:19] ---

Huh?! Hold on, Boruto!

[12:20] ---

Leave this to me!

[12:29] ---

Boruto!

[13:21] ---

He did it!

[13:24] ---

Water Style: Wave Surge!

[13:41] ---

This level of Water Style can't overcome
my drone's Jutsu Bombs.

[13:48] ---

Oh yeah?

[13:49] ---

I guess you really were
a shinobi of the Hidden Mist,

[13:52] ---

since you're so critical of
my Water Style.

[13:55] ---

Can I ask you something?

[13:58] ---

I'm sure you could have
returned to your village.

[14:01] ---

Why didn't you go back?

[14:09] ---

I couldn't.

[14:13] ---

Even if I was able to walk using
the Doctor's prosthetics,

[14:17] ---

I couldn't live as a shinobi anymore.

[14:20] ---

I was surviving helplessly...

[14:24] ---

but what was waiting for me
was my death as a shinobi.

[14:28] ---

Even so, you're still you!

[14:31] ---

Even if you couldn't fight-!

[14:32] ---

Try to imagine it.

[14:34] ---

One day, you're suddenly robbed
of your powers as a shinobi.

[14:40] ---

Could you accept yourself in that state?

[15:05] ---

I literally...

[15:07] ---

became powerless.

[15:11] ---

I was no longer able to live as I had before.

[15:17] ---

The Kara...

[15:21] ---

gave me power and meaning to my life.

[15:29] ---

They let me live,

[15:32] ---

so I decided to dedicate my
life to them as their tool.

[15:41] ---

If that's the case,

[15:42] ---

I won't lose to you.

[15:46] ---

I truly commend you for
pressing me this far.

[15:50] ---

But now, you're done for!

[16:11] ---

A shadow clone.

It's certainly a powerful jutsu.

[16:15] ---

But while all of your clones
are physically manifested,

[16:19] ---

you can't replicate
any complex contraptions.

[16:22] ---

Thus, it's obvious that you're the original,

[16:25] ---

since you're wearing that gauntlet.

[16:29] ---

Boruto!

[16:36] ---

Don't be hasty! Wait right there.

[16:39] ---

It will be your turn once I'm done with him.

[16:43] ---

Now then.

[16:45] ---

When we met on the Thunder Train...

[16:49] ---

I thrust a screwdriver at you
like this, right?

[16:55] ---

If you were my enemy back then,
you would have died.

[17:00] ---

But it seems that fate
was merely delayed.

[17:05] ---

If you're...

[17:07] ---

not a ninja...

[17:09] ---

anymore...

[17:13] ---

You can't beat me!

[17:21] ---

I see! He armed one of his clones
with the gauntlet!

[17:25] ---

A ninja must read the hidden meanings
within the hidden meanings!

[17:28] ---

Where are you?!

[17:31] ---

You!

[17:36] ---

Rasengan!

[18:17] ---

Well done. You win.

[18:31] ---

Do it.

[18:32] ---

I can't move anymore.

I've no will left to fight either.

[18:36] ---

You could kill me easily with that
paltry screwdriver right now.

[18:41] ---

Avenge Mugino.

[18:45] ---

I'm sure he'll be happy
about it in the afterlife.

[19:06] ---

What do you think you're doing?

[19:10] ---

You can fix your broken arm
and leg with it, right?

[19:14] ---

Showing mercy to an enemy?

[19:17] ---

How naïve, like father like son...

[19:20] ---

Keep that up, and it will
inevitably lead to your death.

[19:28] ---

Konohamaru Sensei!

[19:30] ---

Did I pass out?

[19:34] ---

Where's Ao?!

[19:35] ---

It's all right.

[19:37] ---

The battle's over.

[19:43] ---

I'll never forgive you.

[19:46] ---

But I'm a shinobi.

[19:49] ---

My power isn't meant for killing
someone who can't even move.

[19:54] ---

How foolish.

[19:56] ---

It's like you said.

[19:58] ---

It all depends on how you use it,
no matter what it is.

[20:01] ---

So, even that power of yours...

[20:04] ---

You should be able to
use them to do good, right?

[20:09] ---

I am a tool.

[20:11] ---

A tool doesn't think about
how they're being used.

[20:16] ---

That's not true!

[20:18] ---

That only refers to the Scientific
Ninja Tools implanted in your body.

[20:24] ---

You're alive! You're not a tool!

[20:26] ---

A tool wouldn't mourn
the death of his friends.

[20:31] ---

If you can stand and walk...

[20:33] ---

using the limbs that the Doctor gave you...

[20:37] ---

Don't give up... on living!

[20:48] ---

Boruto!

[20:50] ---

Big Bro!

[20:51] ---

We'll hand Ao over to the Leaf.

[20:54] ---

We'll contact headquarters
and wait for backup to arrive!

[20:58] ---

Roger that, ya know!

[21:01] ---

Good grief.

[21:02] ---

In any case, well done, all of you.

[21:06] ---

This task far exceeded
the scope of a genin mission!

[21:10] ---

You're quite right!

[21:11] ---

They're shinobi anyone
can be proud of anywhere!

[21:14] ---

The future looks bright.

[21:35] ---

Koji Kashin!

[21:42] ---

Summoning: Steam Toad!

[23:26] ---

Ao, the hero of the Mist...

[23:29] ---

I can't believe you couldn't
complete this mission.

[23:30] ---

It seems I put too much reliance
and faith into you as an Outer.

[23:34] ---

He's with Ao!

[23:35] ---

So that means he's part of the Kara too!

[23:37] ---

Also, this strange chakra is no joke!

[23:40] ---

Who the hell are you?!

[23:42] ---

Next time on Boruto:

Naruto Next Generations:

[23:45] ---

"Karma"

SIGN KARMA

[23:46] ---

I am Koji Kashin.

[23:48] ---

Nice to meet you... Boruto Uzumaki!
