[00:15] ---

Don't tell me, The Vessel is—?!

[00:18] ---

Yeah.

[00:20] ---

Situation aside, it seems the Kara's target,

[00:24] ---

"The Vessel," is this young man.

[00:32] ---

If you want to get in my way,

[00:33] ---

I don't mind taking all of you on,

[00:36] ---

but you're first.

[00:38] ---

I haven't forgotten that you took my chin.

[00:41] ---

Oh, don't worry.

[00:43] ---

I'm not gonna kill you.

[00:48] ---

But...

[00:50] ---

I'm just gonna hurt you so bad,
that you'll wish you were dead!

[01:02] ---

He's fast!

[01:16] ---

I knew it. You're pretty weak right now.

[01:20] ---

Don't make me laugh.

[01:22] ---

Just think of it like getting a head start,

[01:23] ---

because you're gonna need

all the help you can get.

SIGN 1\fad(960,500)\pos(561,266)}Resonance*

[03:18] ---

So?

[03:20] ---

What are you going to do about
the Leaf Shinobi?

[03:23] ---

You're here now. We'll figure something out.

[03:27] ---

Let's just be "spectators" for now, right?

[03:30] ---

Yeah, yeah. Fine.

[04:23] ---

You bastard!

[04:58] ---

Out of breath already?!

[05:09] ---

Aren't you going to come at me?

[05:16] ---

Oh, come on! I hope you're not done!

[05:21] ---

Let me hit you more!

[07:38] ---

You're such a pain!

[07:59] ---

Damn it.

[08:04] ---

Got ya'!

[08:13] ---

Oh...

[08:14] ---

There's no way that coulda killed you, right?

[08:24] ---

You finally quieted down.

[08:27] ---

If you'd just obeyed me from the beginning,

[08:30] ---

I wouldn't have had to hurt you.

[08:36] ---

Wait! Boruto!

[08:37] ---

What are you trying to do?!

[08:39] ---

The situation's gotten way too complicated!

[08:41] ---

We can't make any careless moves right now!

[08:43] ---

What are you saying?!

He's about to get taken away!

[08:59] ---

Listen to me, Boruto!

[09:00] ---

At this point, the mission level
has increased to an S-Rank!

[09:04] ---

It's much too dangerous!

[09:09] ---

So, please...

[09:12] ---

Sensei...

[09:14] ---

My top priority right now
is to protect all of you!

[09:22] ---

Quit trying to interrupt me.

[09:24] ---

So, what should I do now?

[09:28] ---

That Garo, I told him to be gentle!

[09:33] ---

Damn it!

[09:35] ---

Honestly, we should have
replaced his brain too!

[09:38] ---

Relax.

[09:40] ---

What's key is still to come.

[09:43] ---

Let's see.

[09:45] ---

I can't have you wake up
and start flailing...

[09:49] ---

I'll just break a few limbs!

[10:03] ---

Boruto?!

[10:08] ---

Again!

[10:09] ---

Just like earlier!

[10:23] ---

You still want to come at me?

[10:26] ---

Hey...

[10:30] ---

I don't think you should be
distracted right now.

[10:50] ---

You bastard!

[10:51] ---

W-Where did you get that much power?

[10:58] ---

It ain't mine.

[11:01] ---

That's why I hate it.

[11:05] ---

S-Stay away!

[11:09] ---

Stay away!

[11:20] ---

Huh?!

[11:21] ---

He absorbed it?!

[11:23] ---

Just like how Boruto did!

[11:34] ---

They never knew about any of this!

[11:54] ---

Damn it! Damn it! What's going on?!

[11:59] ---

Are you done?

[13:02] ---

He ran through his body with one hit!

[13:05] ---

That's crazy!

[13:32] ---

I warned you, didn't I?

[13:34] ---

I said you'd lose much more
than your chin this time.

[13:38] ---

W-Wait.

[13:39] ---

Please!

[13:41] ---

I'm sorry for what I did! Stop!

[14:00] ---

Your breath stinks, pig.

[14:12] ---

Everyone, get away from here!

[14:13] ---

We don't have enough time!

[14:44] ---

Looks like it was true about him
having reached Phase Three.

[14:50] ---

That Kawaki,

[14:52] ---

obliterating those bothersome
Leaf Shinobi as well!

[14:55] ---

He's impressive.

[14:58] ---

Look closely, Delta.

[15:03] ---

Seems *he's* just as impressive...

[15:21] ---

Boruto protected us by absorbing his attack?!

[15:26] ---

You bastard...

[15:28] ---

For someone who says
he knows nothing about Karma,

[15:32] ---

you sure have a pretty good command of it.

[15:35] ---

I have no clue!

[15:36] ---

I don't understand anything that's going on!

[15:38] ---

Quit playing dumb.

[15:41] ---

Go back and tell them,
if they continue coming after me,

[15:44] ---

the bodies are just gonna keep piling up.

[15:48] ---

There's no mistake...

[15:51] ---

*The two Karmas were definitely
resonating with each other...*

[15:55] ---

*Is this the reason why Jigen
is so obsessed with Kawaki?*

[16:00] ---

Looks like I'm gonna need more intel.

[16:07] ---

Hey! You're really getting
on my nerves, ya know!

[16:11] ---

Can't you just listen to me?!

[16:15] ---

Do you ever stop talking?

[16:34] ---

Damn it.

[16:36] ---

If I... didn't have... this thing...

[16:42] ---

H-Hey!

[16:43] ---

I believe he just... overheated!

[16:47] ---

What?

[16:48] ---

Isn't that like—?

[16:50] ---

Given how he just fought,
I wonder if his body is—?

[16:55] ---

Hold on, Old Man Katasuke!

[16:58] ---

Boruto, are you all right?

[17:02] ---

Come to think of it, it's gone...

[17:05] ---

So...

[17:09] ---

Good grief. I guess we have no choice.

[17:12] ---

I can go and eliminate
those Leaf kids, right, Koji?

[17:16] ---

No, Delta. Don't interfere.

[17:20] ---

What?

[17:21] ---

What are you thinking, Koji Kashin?!

[17:24] ---

You intend on letting them take The Vessel?!

[17:26] ---

That's right.

[17:27] ---

I completely understand

the goal of the mission.

[17:30] ---

I will bring back The Vessel
at some point, but not now.

[17:35] ---

I'll do that after I gather more intel.

[17:40] ---

Look, I know I'm the one who brought Garo in,

[17:43] ---

but that idiot said way too much.

[17:46] ---

I think we should get rid of
the Leaf shinobi, at the very least.

[17:51] ---

There's no point in worrying about
an intel leak at this point.

[17:55] ---

We were past that point
after the airship crashed.

[17:58] ---

Besides, regardless of what
they know or don't know,

[18:01] ---

they'll have no choice but to yield
to a greater power in the end.

[18:07] ---

Soon, whether it wants to or not,
the world shall learn

[18:12] ---

the name and fearsomeness of Kara.

[18:17] ---

Well, fine.

[18:18] ---

Jigen warned me that this might happen.

[18:21] ---

I'll follow your lead.

[18:38] ---

I knew it.

[18:40] ---

His body isn't normal.

[18:43] ---

Well, of course!

[18:45] ---

After watching that battle earlier,
even I could have told you that.

[18:49] ---

Old Man Ao and that big guy were

covered in Scientific Ninja Tools.

[18:54] ---

No. What I mean to say is that his body

[18:57] ---

might be far more advanced than theirs.

[18:59] ---

What?

[19:01] ---

Forgive me...

[19:04] ---

What are you doing?

[19:06] ---

Just watch.

[19:08] ---

I'm going to do

a little scientific experiment.

[19:12] ---

If there is a change in his blood
that courses through his body...

[19:19] ---

Oh?!

[19:21] ---

Doesn't that seem dangerous?

[19:28] ---

Are you all right?

[19:29] ---

Yes!

[19:30] ---

That aside!

[19:32] ---

Look at this!

[19:34] ---

What did you find out?

[19:37] ---

I suppose you could say his entire body

[19:39] ---

is a Scientific Ninja Tool.

[19:43] ---

What did you just say?!

[19:45] ---

I suspected just as much.

[19:47] ---

His blood vessels, his nervous system...

[19:49] ---

everything has been modified
using technology similar,

[19:51] ---

if not even more advanced than
Lord Seventh's artificial hand!

[19:55] ---

I can't believe a scientist
with this much skill exists!

[19:59] ---

You can't compare this boy to
Lord Ao or that big man!

[20:02] ---

His body... is a work of art!

[20:06] ---

Ah, it's exciting to know there's
another genius like me out there!

[20:12] ---

Hey, that's not something
to be excited about!

[20:14] ---

What are we going to do with him?

[20:17] ---

Can you fix him?

[20:21] ---

No, it's impossible.

[20:23] ---

- I thought you were a "genius!"
- I thought you were a "genius!"

[20:29] ---

This fellow "genius"...

[20:30] ---

I wonder if they built him from scratch,

[20:33] ---

like me?

[20:35] ---

The technology used on him
is different from yours.

[20:38] ---

You were organically created
through genetic engineering.

[20:44] ---

But he was remodeled
using inorganic techniques

[20:46] ---

into something other than human.

[20:48] ---

I suppose that's the proper answer.

[20:51] ---

Those guys from The Kara
called him The Vessel.

[20:55] ---

Then there's the crashed airship.

[20:57] ---

The cargo that Ao was looking for
was definitely The Vessel.

[21:03] ---

He was referring to this boy.

[21:06] ---

He must be highly valuable to them.

[21:08] ---

And yet, he's a mountain
of vital intel to us.

[21:30] ---

Well, we can't just leave
him here, either way.

[21:42] ---

Let's take him back to the village...

[21:47] ---

...to my Dad!

[23:27] ---

To have the Hokage himself
go all the way to Ryutan City...

[23:30] ---

I've got no other choice do I?

[23:31] ---

Shikamaru's insisting on not letting him

[23:34] ---

into the village so suddenly.

[23:35] ---

Not without me meeting him first, anyway.

[23:39] ---

He could be an enemy.

[23:41] ---

We have to be very careful and confirm.

[23:43] ---

Next time on Boruto:
Naruto Next Generations:

SIGN ESCAPE

[23:46] ---

"Escape."

[23:47] ---

I just hope nothing happens
until I get there.
