[00:08] ---

Captain Taiki, can't you go any faster?!

[00:11] ---

A lot of time has passed
since those Funato guys attacked!

[00:15] ---

If we keep going this slow,

[00:17] ---

Denki and the others
will get captured by them!

[00:19] ---

Shut up, you land-raised brat!

[00:22] ---

If we move too fast,

[00:23] ---

the pirates will get suspicious, right?!

[00:28] ---

I think you just can't go any faster.

[00:35] ---

Hey! Don't sully my ship!

[00:40] ---

Making us get on this rickety boat...

[00:43] ---

We should hide soon.

[00:46] ---

We've entered waters
where it wouldn't be unusual

[00:48] ---

to run into the Funato.

[00:50] ---

Nothing seems different.

[00:53] ---

Listen closely.

[00:55] ---

Huh?

[01:00] ---

Those aquatic birds' habitats are different.

[01:04] ---

The fact that you can hear
two different species

[01:05] ---

means our ship has entered the border.

[01:08] ---

From here on out, we'll be in Funato waters.

[01:16] ---

Speak of the devil...

SIGN 1\fad(480,500)\pos(511,225)}Infiltrating Dotou Island*

[03:00] ---

These waters once again belong to the Funato.

[03:03] ---

We're taking your ship.

[03:04] ---

As a fellow man of the sea,
your uprising filled me with pride.

[03:09] ---

This is a small token of my appreciation.

[03:12] ---

If you let me go, I'll come back with more.

[03:15] ---

Oh, you're an interesting geezer!

[03:23] ---

I'm getting crushed, ya know!

[03:28] ---

What are you doing?!

[03:29] ---

We were ordered to destroy all ships

[03:32] ---

that pass through this area, right?

[03:36] ---

Why don't we just get rid of those guys?

[03:41] ---

If the enemy finds out about us,

[03:43] ---

it'll make it difficult for us to move.

[03:44] ---

Don't take any actions on your own, okay?

[03:50] ---

I-I need fresh air...

[03:53] ---

There's no problem with
letting this rickety boat go!

[03:56] ---

We didn't see anything.

[03:58] ---

Thank you very much!

[04:01] ---

It looks like the old man
was telling the truth

[04:03] ---

when he said he's gotten through
some tough scrapes.

[04:08] ---

I'm at my limit!

[04:11] ---

Huh?

[04:18] ---

Huh? Seriously?

[04:22] ---

What's this about?!

[04:26] ---

What are you looking at?

[04:28] ---

W-What—?

[04:29] ---

Knock this guy into the sea!

[04:31] ---

What?!

[04:35] ---

You bastard!

[04:37] ---

What now?

[04:38] ---

Can you outrun the Funato's ships
with this rickety boat?

[04:41] ---

Hold on tight!

[04:47] ---

So, it really could go fast if it wanted to!

[04:49] ---

The Funato won't be able to
come after us anymore.

[04:51] ---

Amazing!

[04:53] ---

At this rate, we can get to
Denki and the others in no time!

[05:02] ---

That's it?

[05:03] ---

You can only go fast for a short burst?

[05:06] ---

If I maintained that speed any longer,

[05:08] ---

my engine would have died.

[05:11] ---

Whatever the case,

the Funato now know about us.

[05:15] ---

We must move even more carefully from now on.

[05:18] ---

Sorry about that.

[05:19] ---

If we were going to be noticed anyway,

[05:22] ---

it would have been better to just kill them.

[05:26] ---

What do you think you're doing?

[05:27] ---

I'd like to ask you the same.

[05:29] ---

Why did you draw your sword?

[05:31] ---

It's been a while since I've handled it.

[05:34] ---

It makes sense to see

what condition it's in, right?

[05:36] ---

It didn't seem like that

was all you were going to do...

[05:42] ---

Could you get your filthy hands

off of Buntan?

[05:49] ---

It doesn't seem like you've reformed at all

[05:52] ---

from your time in prison.

[06:03] ---

This is a small boat.

[06:05] ---

It would be bad if we get too rowdy.

[06:13] ---

You don't have to worry about

any possibilities of betrayal.

[06:15] ---

Please show her.

[06:22] ---

That's a—!

[06:23] ---

They were placed on them

[06:25] ---

in exchange for getting
their ninja blades back.

[06:28] ---

When I form a hand sign, they'll activate.

[06:30] ---

When that happens... in other words...

[06:33] ---

which means... in short... our heads will...

[06:38] ---

They'll get blown up!

[06:40] ---

Damn it, hearing you talk so slow
makes me want to cut off your head!

[06:47] ---

In short, we're dogs on leashes.

[06:51] ---

I'm sorry.

[06:52] ---

Don't worry.

[06:53] ---

This is an opportunity
to reduce our sentences.

[06:55] ---

We're taking this mission seriously.

[06:58] ---

We won't do anything careless.

[07:02] ---

If we wanted to do anything,

[07:03] ---

we'd do it somewhere he wasn't watching.

[07:05] ---

You—!

[07:12] ---

Hey, look!

[07:17] ---

We shouldn't be reaching the island already!

[07:32] ---

This is horrible!

[07:34] ---

Did the Funato also do this?

[07:37] ---

Judging from the state of things,

[07:39] ---

the villagers must have
stood up to the Funato.

[07:41] ---

Why would they go this far?

[07:43] ---

What's with the Funato?!

[07:46] ---

The Funato Clan used to be

[07:49] ---

just one of many groups of pirates
back in the day.

[07:53] ---

But that all changed

[07:55] ---

when their current leader
Araumi took control.

[07:58] ---

They not only attacked
the surrounding islands

[08:00] ---

but also trade routes formed between

[08:02] ---

the Land of Water and other lands,

[08:03] ---

which quickly expanded their influence.

[08:06] ---

As a result,
not only were we robbed of wealth,

[08:08] ---

but we also tragically lost many lives...

[08:13] ---

The Land of Water hopes to modernize,

[08:15] ---

so safe trade routes are our lifeblood.

[08:17] ---

We needed to eliminate the Funato Clan

[08:20] ---

as soon as possible.

[08:24] ---

So, five years ago,

[08:25] ---

we carried out a big cleanup operation.

[08:28] ---

With the help of Lord Mizukage,
we were able to capture Araumi.

[08:32] ---

Without their charismatic leader,

[08:33] ---

the Funato Clan was driven to destruction.

[08:40] ---

That's why Araumi was in such a secure cell.

[08:45] ---

They're referred to as a clan,

[08:47] ---

but only the central members
are related by blood.

[08:50] ---

The rest are comprised of
like-minded individuals.

[08:54] ---

Remember how the Funato
we encountered earlier

[08:56] ---

had a mark on his forehead?

[08:57] ---

That's one of them.

[08:59] ---

I can't believe that someone
who kills people so easily

[09:01] ---

has so many followers.

[09:03] ---

It makes me want to puke.

[09:04] ---

Don't be so naïve.

[09:06] ---

Huh?!

[09:08] ---

There's no room for honor in a fight.

[09:10] ---

People have already fallen victim to them!

[09:13] ---

The Funato may be scum,

[09:16] ---

but scum have their reasons for doing things.

[09:19] ---

Kawaki, you bastard!

[09:21] ---

Hmm. What an interesting thought.

[09:30] ---

I can see it!

[09:34] ---

That's where Denki and the others are.

[09:55] ---

We swear our loyalty
to everyone in the Funato.

[09:59] ---

So, please spare us!

[10:01] ---

Don't get the wrong idea.

[10:03] ---

We don't kill people for no reason.

[10:07] ---

As long as they're useful...

[10:17] ---

It would be too dangerous to get any closer.

[10:20] ---

You're gonna have to swim there.

[10:23] ---

I'll go.

[10:25] ---

I can't stand by while Denki
and the others are in danger.

[10:28] ---

Wait!

[10:30] ---

Only Mitsuki and I will head to the island.

[10:32] ---

How come?!

[10:33] ---

Judging by the situation,
it would be best if we sent in

[10:35] ---

a small group of our best shinobi
who are suited for scouting.

[10:38] ---

Sarada has the Sharingan
and Mitsuki can use his snakes.

[10:42] ---

I agree with this plan.

[10:43] ---

Are we just supposed to wait on this boat?

[10:46] ---

You've got an important job to do.

[10:49] ---

A job?

[10:50] ---

Keep watch.

[10:53] ---

It would be problematic

[10:54] ---

if we came back to find the boat gone.

[10:58] ---

I got it.

[10:59] ---

Denki and the others aren't
the only ones on that island.

[11:01] ---

Aren't the Leaf researchers there too?

[11:03] ---

Which means we'll have to procure
another boat before we head back.

[11:08] ---

While Sarada and Mitsuki
are on their rescue mission,

[11:11] ---

we will be checking
to see if there are any enemies

[11:14] ---

on our return route.

[11:15] ---

We'll figure out a good time
to come back to this same point.

[11:19] ---

There's a full moon tonight.

[11:21] ---

We'll try to be back before
the moon rises directly above us.

[11:25] ---

Understood.

[11:28] ---

Take care of Denki and the others.

[11:54] ---

I'm guessing they're not gonna
leave the entrance wide open.

[11:57] ---

Let's find a place to get ashore first.

[12:39] ---

I wonder if they're islanders.

[12:42] ---

They seem to be carrying something.

[12:45] ---

We've seized the mine.

[12:47] ---

Inform Lord Tenma that we'll be
loading all the gold onto the ship.

[12:52] ---

Yes, sir!

[12:53] ---

They're reporting to someone.

Does that mean...

[12:55] ---

...there's a base nearby

handing out orders to the Funato?

[13:04] ---

Denki and the others don't seem to be there.

[13:07] ---

What should we do about the islanders?

[13:09] ---

I'd like to save them,

but we still don't know enough yet.

[13:13] ---

Let's make our move after we

meet up with Denki and the others.

[13:16] ---

I wonder where they went.

[13:28] ---

I have set a trap nearby.

[13:31] ---

Damn it!

[13:32] ---

I can't believe so many of them
suddenly attacked like that!

[13:34] ---

They were supposedly
wiped out five years ago.

[13:37] ---

I didn't think the Funato Clan
would make its move at that moment!

[13:41] ---

I am worried about the Leaf's researchers

[13:44] ---

who were captured.

[13:49] ---

If it was only a matter of saving them,

[13:51] ---

we might be able to do it...

[13:54] ---

Then let's get going!

[13:56] ---

However, the problem
comes after we save them.

[13:59] ---

There are way too many Funato foot soldiers

[14:01] ---

on this island.

[14:03] ---

If they surround us while
we're finding a way to escape,

[14:05] ---

we'd have no way of fighting them off.

[14:08] ---

This isn't the time to be
saying things like that!

[14:11] ---

It's been a while since we were attacked!

[14:13] ---

Iwabe, please calm down!

[14:20] ---

The enemy took the puppets...

[14:23] ---

Not much we can do
with just the controller.

[14:25] ---

I don't believe our circumstances
will stay this way.

[14:28] ---

For now, let's be patient
and wait for an opportunity.

[14:38] ---

We still haven't been able to
find the three Leaf shinobi.

[14:42] ---

Don't report to me
if you haven't found anything!

[14:45] ---

I-I'm sorry!

[14:47] ---

Hey, what are you carrying?

[14:52] ---

I found it in the mountain.

[14:54] ---

I don't know what it is,

[14:56] ---

but maybe it's a puppet
to be used in the mines.

[14:59] ---

That's one of the new puppets

[15:00] ---

that Denki and the others were transporting.

[15:02] ---

Yeah.

[15:09] ---

How interesting.

[15:11] ---

Lord Tenma would be quite pleased
if I gifted this to him.

[15:14] ---

Put it on the ship!

[15:16] ---

Yes, sir!

[15:29] ---

It would be nice if there was some info here

[15:31] ---

that could lead us to Denki and the others...

[15:42] ---

Cha!

[15:52] ---

I'm just saying this for good measure, but...

[15:54] ---

we can't destroy it.

[15:56] ---

What's going on here?

[15:58] ---

It seems that something went wrong
when that Funato messed with it.

[16:08] ---

What's it doing?

[16:10] ---

I wonder if it's retrieving gold.

[16:12] ---

Anyway, now's our chance!

[16:20] ---

Just calm down already!

[16:33] ---

It's giving us a hard time, isn't it?

[17:13] ---

Give up already!

[17:25] ---

Should we stop it?

[17:26] ---

No... it's acting different from before.

[17:28] ---

Let's follow it.

[17:43] ---

It would be bad if we get attacked here.

SIGN EXPLODE

[17:57] ---

Mitsuki, wait.

[17:58] ---

There are traps set here.

[18:05] ---

Sarada! Mitsuki!

[18:10] ---

I didn't expect the controller
could be useful in this way.

[18:13] ---

I got some good data!

[18:19] ---

You guys!

[18:21] ---

Thank goodness!

[18:25] ---

What are you doing here?!

[18:26] ---

We'll explain later.

[18:28] ---

We need to escape from this island.

[18:31] ---

Where are the researchers
who came with you?

[18:33] ---

Well, about that...

[18:35] ---

They were captured by the Funato.

[18:38] ---

What?

[18:46] ---

At the moment,

[18:47] ---

it doesn't look like there are
any Funato ships in the area.

[18:50] ---

Those guys should be meeting up with

[18:53] ---

Denki and the others right about now.

[18:54] ---

Are you worried?

[18:56] ---

Huh?

[18:57] ---

They're not the type
to get captured by pirates.

[19:00] ---

I envy you guys.

[19:03] ---

Those kids might already be
surprisingly close by now.

[19:09] ---

The sharks in the area
are quite the gluttons.

[19:12] ---

If they were caught by the Funato
and dumped into the sea,

[19:14] ---

they might already be here...

[19:18] ---

inside their bellies!

[19:20] ---

Are you trying to pick a fight?!

[19:24] ---

Do you not get what jokes are in the Leaf?

[19:27] ---

Damn it!

[19:29] ---

I still don't agree with your decision

[19:31] ---

to bring these guys with us.

[19:34] ---

I'm sorry!

[19:37] ---

It's impossible to trust them
in the first place.

[19:41] ---

Why are you helping and sticking up
for them so much, Kagura?

[19:46] ---

Why, huh?

[19:50] ---

I suppose the reason why
I'm supporting them...

[19:54] ---

might be you, Boruto.

[19:56] ---

What?! Me?!

[19:57] ---

People can fall down the path of evil

[20:00] ---

for even the smallest reasons...

[20:04] ---

Just like I did before.

[20:07] ---

You were just being used

by Shizuma, weren't you?

[20:10] ---

You're very kind.

[20:12] ---

Back then, you taught me...

[20:16] ---

that even people who had
fallen down the path of evil

[20:19] ---

can be saved by someone.

[20:22] ---

Just as I had someone like you,

[20:25] ---

I wanted to be able to save someone myself...

[20:30] ---

Am I trying too hard to be cool?

[20:32] ---

Not at all.

[20:35] ---

When Shizuma escaped,

[20:37] ---

they actually had the chance to go with him.

[20:42] ---

But they didn't.

[20:45] ---

They won't tell me why, though.

[20:47] ---

I'd like to believe that

[20:49] ---

it's their way of showing that they mean well.

[20:52] ---

Kagura, I think you're a really good person.

[20:58] ---

But I can't trust them...

[21:03] ---

like you can.

[21:06] ---

I hope you'll understand someday.

[21:15] ---

What just happened?!

[21:25] ---

What the hell is that?

[21:27] ---

It's a monster!

[21:32] ---

I've never seen something so huge
in these waters before!

[21:37] ---

Looks like things are gonna get troublesome.

[23:27] ---

The islanders are being held in the mine.

[23:30] ---

I want to get everyone off of this island,

[23:33] ---

but to do that,
we're gonna need a large ship!

[23:36] ---

Okay, Denki, you and the others
work on securing a ship.

[23:38] ---

Mitsuki and I will work on
freeing the hostages.

[23:41] ---

Next time on Boruto: Naruto Next Generations:

SIGN CUT AND RUN

[23:45] ---

"Cut and Run"

[23:46] ---

Everyone, try to avoid any fighting.

[23:48] ---

When everything is ready,
the operation begins!
