[00:21] ---

This is—!

[00:23] ---

Isshiki Otsutsuki!

[00:25] ---

What are you doing here?!

[00:29] ---

Code...

[00:31] ---

my most loyal beloved servant.

[00:36] ---

My soul... will soon be destroyed.

[00:40] ---

But the will of the Otsutsuki
must never be allowed to perish.

[00:46] ---

Not when we have devoured countless planets

[00:50] ---

and continuously evolved
over thousands of years...

[00:53] ---

The very will of the Otsutsuki...

[01:02] ---

Even I'd...

[01:04] ---

If it was possible,
I'd give my life to you...

[01:07] ---

But this Karma is defective.

[01:11] ---

Unfortunately, I can't serve as
a receptacle for your soul.

[01:16] ---

The non-Vessel White Karma...

[01:20] ---

That is my legacy dwelling within you
[01:23] ---
in the form of pure power.
[01:26] ---
With that White Karma,
[01:28] ---
you shall inherit
the will of the Otsutsuki...
[01:32] ---
Me?!
[01:36] ---
Sure.
[01:38] ---
Go on.
[01:39] ---
What would you have me do?
[01:42] ---
Kawaki or Boruto Uzumaki...
[01:45] ---
Consecrate either one of them to Ten Tails
[01:48] ---
and cultivate a divine tree.
[01:50] ---
Then procure the Chakra Fruit
that the Divine Tree bears.
[01:54] ---
It is the crystallization of a planet's life.
[01:57] ---
It shall contain everything.
[02:00] ---
A record of all life that ever
lived and died on this planet,
[02:04] ---
including me.
[02:08] ---
Eat it and update yourself, Code.
[02:14] ---
You will become a new Otsutsuki.
[02:19] ---
Then go forth and devour life
on planet after planet
[02:23] ---
across this space.
[02:25] ---
Keep evolving...
[02:27] ---
until you become a peerless,

unique existence.

[02:30] ---

A god.

[02:33] ---

That is the will of the Otsutsuki...

[02:38] ---

that you shall inherit...

[02:41] ---

Code...

[02:51] ---

I understand.

[02:53] ---

I promise I'll carry it out.

[02:56] ---

I won't let anyone call me defective anymore.

[03:01] ---

No one!

SIGN 1\fs30}Claw Marks*

[04:41] ---

What are these mysterious things?

[04:46] ---

Mr. Shikamaru, I've brought him with me.

[04:50] ---

Oh, you're here!

[04:51] ---

What did you want with me?

[04:53] ---

Kawaki, take a look at these.

[04:58] ---

My subordinate found them
this morning.

[04:59] ---

As far as we can tell,

[05:01] ---

these markings don't match
any ninjutsu that we know of.

[05:04] ---

We had a hunch that maybe
you might know something.

[05:07] ---

Yeah, I'll never forget them.

[05:11] ---

Those are Code's Claw Marks.

[05:33] ---

I finally found it.

[05:46] ---

Huh?

[05:49] ---

So cold!

[05:50] ---

Who are you?

[05:52] ---

Do you know where you are?

[05:55] ---

This is Boro's cult facility, right?

[05:57] ---

I'm an acquaintance of his.

[05:59] ---

Anyway, could you just let me inside?

[06:01] ---

Lord Boro's orders
are to not let anyone through.

[06:05] ---

Good grief,

[06:06] ---

you're still following Boro's orders?

[06:09] ---

Honestly, you're so stupid.

[06:12] ---

Hey, stop!

[06:14] ---

Stop right there!

[06:19] ---

I'm telling you to stop!

Can't you hear me?!

[06:21] ---

Still, I guess it makes sense.

[06:23] ---

Only an idiot would work as a guard

[06:26] ---

in this freaking freezing back country.

[06:49] ---

Are you stupid?

[06:51] ---

How can you just gratefully take medicine

[06:53] ---

made by a fraud like Amado?

[06:56] ---

I don't take it because I want to.

[06:58] ---

If I don't do anything,
this thing that Momoshiki put on me

[07:02] ---

would gradually dissolve into my body.

[07:06] ---

Yeah,

[07:07] ---

when that happens,

[07:08] ---

you'll become a complete vessel
for Momoshiki.

[07:11] ---

Don't act as if it's not your problem.

[07:13] ---

Oh man...

[07:15] ---

It would be great if my Karma
just disappeared, like yours.

[07:21] ---

Code's Claw Marks
were found near the Village.

[07:25] ---

Code?

[07:26] ---

You mean that Inner from Kara?

[07:27] ---

Yeah.

[07:30] ---

It's convenient that he'd show himself.

[07:33] ---

Let's foil his plans.

[07:35] ---

You shouldn't underestimate him.

[07:38] ---

Code is different from the others.

[07:40] ---

He's special.

[07:52] ---

Stop! This is your last warning!

[07:56] ---

Yeah...

[07:57] ---

It's the last one you'll give
in your lifetime.

[08:02] ---

Damn it!

[08:20] ---

He disappeared!

[08:21] ---

What's going on here?!

[08:26] ---

What is this?!

[08:32] ---

Hey, behind you!

[08:34] ---

You're too slow.

[08:39] ---

Damn it!

[09:01] ---

S-Stop, don't do it!

[09:04] ---

In that case, could you answer my questions?

[09:07] ---

He can move...

from Claw Mark to Claw Mark?

[09:11] ---

Once he visits a place,

as long as he leaves a Claw Mark,

[09:15] ---

he can come back to it at any time.

[09:17] ---

That sounds like cheating.

[09:19] ---

Yeah.

[09:20] ---

That bastard is the only one aside from me,

[09:23] ---

who survived Jigen's Ritual, after all.

[09:26] ---

Ritual?

[09:28] ---

Oh, that!

[09:33] ---

It's a ritual to screen

Otsutsuki vessel candidates.

[09:41] ---

Countless people who didn't qualify

for a Karma died.

[09:52] ---

The only survivors are me and Code.

[09:56] ---

No...

[09:57] ---

More accurately, he actually failed.

[10:00] ---

He had a severe seizure

and didn't become a Vessel.

[10:03] ---

But for some reason, he didn't die.

[10:06] ---

He survived,

[10:07] ---

and just like me,

he was compatible with Karma.

[10:10] ---

So, then Code has a Karma too?

[10:13] ---

Yeah, but...

[10:15] ---

it's a White Karma that only
retained its function as a weapon.

[10:23] ---

What do you want to know?

[10:26] ---

There's someone I want to see.

[10:27] ---

She should be here.

[10:44] ---

I missed!

[10:47] ---

He keeps moving around.

[10:55] ---

Leave this to me.

[11:01] ---

What an unhealthy-looking kid.

[11:05] ---

Hey, aren't you cold dressed like that?

[11:09] ---

I'll show you something cool.

[11:33] ---

You're surprisingly
light on your feet, aren't you?

[11:36] ---

Good grief.

[11:37] ---

It looks like cleaning up all these corpses

[11:38] ---

is going to be a chore.

[11:40] ---

Yeah.

[12:06] ---

Whoa, you're kidding, right?

[12:08] ---

Just watch.

[12:09] ---

With all the performance enhancers
he's taken, it's not over yet.

[12:52] ---

I've got you!

[12:59] ---

I...

[13:00] ---

I can't move!

[13:09] ---

The reaction that occurred
in Code's body was astounding.

[13:13] ---

Just his combat skills exceeded even Jigen's.

[13:17] ---

Are you serious?!

[13:19] ---

Almost all of the members of the Kara

[13:21] ---

have been modified to strengthen
their physical attributes,

[13:24] ---

but it's the opposite in Code's case.

[13:26] ---

He asked to be modified
to check his formidable strength.

[13:30] ---

He worshipped Jigen and didn't
want to undermine his authority.

[13:36] ---

Damn it! Where did that bastard go?

[13:39] ---

I'm over here.

[13:40] ---

Huh?

[13:48] ---

An enemy who surpasses Jigen?

[13:51] ---

The truth is...

[13:52] ---

I've heard that several of
the cyborgs that Amado had created...

[13:55] ---

greatly surpassed Jigen.

[13:58] ---

But Jigen ordered all of them
to be disposed of.

[14:18] ---

Moving around warmed me up a bit.

[14:20] ---

But it doesn't change the fact
that it's cold.

[14:23] ---

Gotta get inside.

[14:28] ---

I never would have expected that
Code's already been near the Village.

[14:31] ---

I think it's safe to assume
that his ability to move

[14:34] ---

from Claw Mark to Claw Mark is like
Lord Fourth's Flying Raijin.

[14:38] ---

So far, we've found a total of four
Claw Marks outside of the wall.

[14:44] ---

We've assigned surveillance
in teams of three at each spot,

[14:46] ---

but it wouldn't be unusual
if he shows up at any time.

[14:50] ---

Another possibility is that
those four are a bluff,

[14:52] ---

a decoy meant to throw us into chaos.

[14:55] ---

The more personnel we devote
to these Claw Marks,

[14:58] ---

the more short-handed we'll be
inside of the village.

[15:01] ---

I can't believe
just a single surviving member

[15:03] ---

is giving us this much trouble.

[15:05] ---

Sasuke was going after Code, wasn't he?

[15:08] ---

Have you received any word from him?

[15:09] ---

At the moment, we haven't.

[15:11] ---

I want you to share
this information with him.

[15:14] ---

It's most likely that Code...
intends to kill Sasuke and me.

[15:19] ---

We think so as well.

[15:21] ---

Code is targeting those who were
involved in Isshiki's death:

[15:24] ---

Naruto, Sasuke, Boruto,
Kawaki and Amado.

[15:28] ---

We'll enhance protection for all five of you.

[15:31] ---

He's got unfinished business
with us.

[15:33] ---

He'll likely seize
the first opportunity to show up.

[15:41] ---

So, that's why we'll be
placing a guard with you.

[15:45] ---

You say it's a guard,
but it's actually a spy, right?

[15:49] ---

If the end result is that I'm protected,

[15:51] ---

I don't care either way.

[15:52] ---

You're the only one
who can disable Code's limiters.

[15:57] ---

In other words,
you're the most important person

[15:59] ---

with concern to the safety of the village.

[16:03] ---

I'm not a pro like you guys.

[16:05] ---

If Code kidnaps and tortures me,
I know I'll break pretty easily.

[16:11] ---

Do your best to protect me.

[16:13] ---

You're always so tactful

[16:15] ---

and use the information only you
know to maximize your advantage.

[16:19] ---

You're a parasite,
through and through, aren't you?

[16:22] ---

That's the only way
a weakling like myself can survive.

[16:25] ---

Pay close attention
to Code's movements.

[16:32] ---

I would have done that
even without your advice.

[16:35] ---

I doubt that even he would
try to take on the Leaf

[16:38] ---

at his current power.

[16:40] ---

That is exactly why
the first thing he will do is

[16:43] ---

take steps to remove his limiter.

[16:55] ---

Hey, Bug.

[16:57] ---

Why if it isn't Code!

[16:59] ---

How did you find this place?

[17:01] ---

It took a lot of work to find it.

[17:03] ---

What are you doing here?

[17:04] ---

On an errand for Jigen?

[17:06] ---

You don't even know, huh?

[17:08] ---

Jigen is dead.

[17:10] ---

And so is Boro.

[17:11] ---

Hey, now. Trouble's afoot, I see.

[17:14] ---

What's happening?

[17:15] ---

Sorry, but I didn't come here
to explain such trivial matters.

[17:20] ---

By the way...

[17:21] ---

how's Eida?

[17:24] ---

W-What are you talking about?

[17:28] ---

Boro secretly stored several cyborgs here

[17:32] ---

that Jigen ordered to be scrapped.

[17:35] ---

Could you take me to her?

[17:37] ---

I have no intention of defying you, but...

[17:41] ---

Are you sure that Boro is a-actually dead?

[17:44] ---

If you're lying, I'll—!

[17:50] ---

All right!

[17:52] ---

But you're paying me, got it?

[17:56] ---

If he removes his limiter,

[17:58] ---

honestly, it's game over.

[18:02] ---

I have an idea.

[18:05] ---

Implant a Karma on him...

[18:08] ---

and turn him into your own Vessel.

[18:10] ---

My own... Vessel?

[18:12] ---

Mind you, this is only a hypothesis,

[18:15] ---

but if you're able to do that,

[18:16] ---

you can eliminate Code's existence
from the world.

[18:20] ---

Implanting a Karma on someone else...

[18:24] ---

Do you think it's possible?

[18:27] ---

At the very least,

[18:28] ---

we know he survived having
a Karma implanted into him...

[18:30] ---

That's what's key.

[18:32] ---

If it were easy for Karma to stick,

[18:35] ---

Jigen wouldn't have had so much trouble.

[18:38] ---

Targeting someone who has
already survived the procedure

[18:41] ---

makes sense.

[18:43] ---

Plus, he isn't anyone else's Vessel.

[18:46] ---

But you know, implanting a Karma into someone

[18:49] ---

and turning them into your Vessel...

[18:51] ---

Doesn't that mean I'd be sacrificing
someone else in my place?!

[18:54] ---

I can't do that!

[18:56] ---

What are you saying at this point, you idiot?

[18:58] ---

Do you want to die?!

[18:59] ---

You've got no choice but to do it.

[19:03] ---

Code is different from the guys
we've encountered before.

[19:06] ---

He's not the type of enemy

[19:07] ---

you'd normally want to
go up against.

[19:16] ---

Hey, are you listening, Boruto?!

[19:18] ---

It's a fact that we can't just keep

depending on my dad forever.

[19:22] ---

We gotta step up.

[19:27] ---

I don't know how strong this Code is...

[19:30] ---

But do you know, Kawaki?

[19:32] ---

What we shinobi do in times like these?

[19:35] ---

Huh? What are you talking about?

[19:38] ---

We train,

[19:41] ---

obviously!

[19:49] ---

Here. That's her.

[19:58] ---

Hey, Eida.

[20:00] ---

The one who knows everything
in this world...

[20:07] ---

What in the world
are you stirring up, Code?

[20:10] ---

Does it matter to you?

[20:12] ---

O-Of course it does!

[20:14] ---

I'm the one who's
in charge of caring for her.

[20:17] ---

That Boro...

[20:18] ---

I don't know what he was plotting,
but he deserved what he got.

[20:23] ---

I can't believe he disobeyed Jigen
and actually preserved her.

[20:27] ---

If you ask me, your knowing
about her is more of surprise.

[20:32] ---

Why didn't you report
Boro's transgression to Jigen?

[20:36] ---

'Cuz I wasn't sure of it
until I saw her for myself.

[20:39] ---

Plus, if Boro were to incur Jigen's wrath.

[20:43] ---

I'd be the one who'd end up
having to dispose of him.

[20:46] ---

And even I don't have the heart...
to take down a good buddy.

[20:51] ---

Yeah right.

[20:53] ---

I bet you wouldn't even blink.

[20:56] ---

Well, I never dreamed the day would come

[20:59] ---

when she'd come in handy.

[21:01] ---

Let's wake her up.

[21:03] ---

We'll talk after.

[21:10] ---

I hope you understand
how her powers work.

[21:16] ---

"She who knows everything in this world..."

[21:18] ---

That's all I've heard.

[21:20] ---

I don't even want to know
what you plan to have her do,

[21:25] ---

but you know...

[21:27] ---

I hate this.

[21:28] ---

What is it?!

[21:30] ---

Just spill it.

[21:31] ---

You can't make her obey using brute force.

[21:35] ---

She's in a completely different class.

[21:39] ---

I've had enough outta you.

[21:49] ---

You bastard!

[21:50] ---

I wasn't done explaining!

[21:53] ---

If I want to know, I'll ask her directly.

[21:56] ---

If she defies me, I'll just kill her.

[22:09] ---

E-Eida!

[22:40] ---

'Morning, Eida.

[22:42] ---

I'm Code.

[22:44] ---

Sorry to wake you so suddenly.

[23:04] ---

Hold it.

[23:06] ---

Can't even bother with a proper greeting?

[23:11] ---

I came here to talk to you.

[23:13] ---

However, if you can't concern yourself with me, fine.

[23:17] ---

I'll dispose of you, as per Jigen's orders.

[23:29] ---

Go ahead and try.

[23:40] ---

I couldn't attack Eida.

[23:42] ---

Code, I told you!

[23:44] ---

You can't underestimate Eida!
