[00:01] Okino

"Unforeseen circumstances," huh?

[00:04] Okino

Why do I gotta do this?

[00:17] Okino

Namari-san!

[00:18] Namari

Be quiet. Install it at once without delay.

[00:22] Okino

What?! Is that how you treat a guy you asked for help?

[00:26] Okino

You weren't sure if you could finish off the wounded enemy,

[00:30] Okino

so I'm very kindly helping you out.

[00:34] Namari

Are you suggesting I need to thank you for every resupply?

[00:38] Namari

Delaying for that seems like it would benefit the enemy.

[00:42] Okino

There!

[00:46] Okino

Oh, crap.

[00:59] Okino

What are you doing?

[01:00] Okino

Don't tell me you didn't take it down.

[01:06] Okino

What the hell are you doing?

[01:07] Namari

Bullbuster and Namari to control.

[01:10] Namari

At 11:05 am, the Giant Beast was eliminated.

[01:13] Kataoka

Namari-kun, this isn't okay!

You've got to follow the rules!

[01:17] Kataoka

Each stun shot costs 19,000 yen!

[01:19] Kataoka

*If you don't finish the job in one hit,
we'll never be able to stay in the black!*

[01:24] Kataoka

If you can't follow that very simple rule—

[01:26] Namari

I did follow that rule.

[01:28] Kataoka

Hm? What was that?

[01:41] Namari

One shot per Giant Beast.

[01:44] Namari

A very simple rule.

[01:46] Namari

Is there an issue?

[03:25] Okino

Kameyama-san, this is amazing!

[03:29] Okino

When I heard the backhoe was used,
I tried not to get my hopes up,

[03:34] Okino

but this is better than
I could ever have dreamed.

[03:40] Okino

Hm?

[03:45] Okino

Huh?

[03:46] Okino

Wait, it's that one?

[03:53] Okino

But I can't pilot this one.

[04:03] Okino

Um, so that other robot is...

[04:07] Kanie

Off-limits to you.

[04:08] Kanie

It's an experimental prototype commissioned by a resource development company.

[04:12] Kanie

We're hoping to collaborate on offshore resource development in the future,

[04:16] Kanie

and this is the first step to that.

[04:18] Kanie

We think getting in early will put us ahead of the larger makers.

[04:24] Okino

Incidentally...

[04:25] Okino

Approximately how much would it cost to rent that robot?

[04:35] Okino

F-Five million?

[04:41] Okino

[04:47] Okino

Huh?

[04:48] Miyuki

Morning, Okino-kun.

[04:50] Okino

Miyuki-san.

[04:51] Okino

What happened to the ol' slide-and-punch?

[04:54] sign

Regarding the punch clock

[04:54] sign

We've adopted a digital time clock app, so please work on moving over to that.

[04:54] sign

[04:54] Miyuki

Oh, the punch clock for

the time cards, you mean?

[04:58] Miyuki

We're not using that anymore.

[05:03] Miyuki

Remember how finicky that old machine was?

[05:06] sign

Password

[05:06] Miyuki

Plus, it wasted a ton of paper
and ink for the stamps.

[05:10] Miyuki

So we're moving to a digital system.

[05:21] Okino

I'll admit, I thought those time cards
were a little funny from the start.

[05:26] Okino

Like, "What is this, the 60s?"

[05:27] Miyuki

It was Namari-kun's idea.

[05:32] Okino

Huh?

[05:32] Miyuki

He even installed the software for us.

[05:35] Miyuki

He was such a huge help. The president
and Kataoka-san were so impressed.

[05:39] Miyuki

It'll keep operating costs down,
and it's so easy to use.

[05:45] Miyuki

Of course, not everyone's happy about it.

[05:52] Miyuki

Muto-san's been on the rampage all day.

[05:55] Muto

Damn it! Piece of shit!

[05:57] Okino

Muto-san, good morning.

[06:00] Muto

Hey! Quit laughing!

[06:04] Muto

It's not like I wanna wear this stupid thing.

[06:09] Muto

I never had to worry about
how I looked in Bullrover.

[06:14] Okino

So you're on patrol today, huh, Muto-san?

[06:17] Okino

You sure you can handle it?

[06:19] Muto

Who do you think you're talking to?!

[06:21] Muto

I don't need some pencil-necked, mealy-mouthed
greenhorn breathing down my neck!

[06:26] Muto

You shitty little pissant.

[06:29] Okino

That mouth of yours could land you with
a power harassment lawsuit someday.

[06:33] Muto

Huh?

[06:34] Okino

I'm just saying you gotta abandon
all these old-fashioned ideas.

[06:38] Okino

Look at how they threw out that
worthless old time-card machine.

[06:44] Okino

Throwing out anachronisms one after
another... That's the age we live in.

[06:50] Okino

You need to watch what you say.

[06:52] Okino

You never know who might overhear
the smallest comment in passing.

[06:56] Okino

That goes double when you're on the job.

[07:00] Okino

The words of the individual reflect on the entire company, after all.

[07:05] Muto

Can it.

[07:12] Tajima

Where's Kataoka-san?

[07:14] Kataoka

What is it, sir?

[07:16] Kataoka

Seems like you're in quite a hurry.

[07:19] Tajima

I just got a call from Shikauchi-san from Shiota Chemical.

[07:23] Tajima

He wants to know if we can have a last-minute meet-up.

[07:26] Kataoka

What? Don't tell me something *else* has gone wrong.

[07:29] Tajima

No, I don't think that's it.

[07:33] Tajima

They're apparently talking about increasing our funding.

[07:38] Okito

Increasing our funding?

[07:45] Kataoka

After dragging their feet for so long?

[07:47] Kataoka

It'll come with new strings attached, I bet.

[07:52] Tajima

It's the plant.

[07:54] Kataoka

The one you helped sell when you were at Shiota?

[07:59] Tajima

The seawater desalination plant on the west side of Ryugan Island.

[08:03] Tajima

Seems Shiota wants to start it up again ASAP.

[08:08] Kataoka

Why *now*, all of a sudden?

[08:10] Tajima

This is strictly classified information,

[08:13] Tajima

but there's a certain country that
wants to adopt the plant system,

[08:17] Tajima

and they apparently want
detailed data about its workings.

[08:22] Kataoka

I see. So it's a chance to
distinguish themselves in the field.

[08:29] Tajima

In order to reactivate the plant,
they need the Giant Beasts eliminated.

[08:33] Tajima

So they want to give us
the boost we need to get rid of them.

[08:39] Tajima

The supervising executive is nearby on other
business and he said he wanted to meet us.

[08:44] Kataoka

Well, that speeds things up.

[08:47] Kataoka

Things will go much faster with
an executive allocating funds directly.

[08:52] Kataoka

So who's the supervising executive?

[08:56] Tajima

Someone called Washizu-san.
I haven't met him.

[09:01] Tajima

I hear he was headhunted from
a foreign-owned company last year, but...

[09:04] sign

Shinya Shikauchi

[09:07] Tajima

Tajima speaking.

[09:09] Tajima

Department Head Shikauchi.
Thanks for calling.

[09:12] Tajima

Kataoka can be there, too,
so we'll send you a meet-up spot now.

[09:18] Tajima

What? Oh, you mean...

[09:22] Tajima

Y-Yes, well... It's not impossible, but...

[09:26] Tajima

We don't really have an appropriate space to receive him...

[09:33] Tajima

Of course, sir.

[09:34] Tajima

We'll be here at 10:30.

[09:38] Kataoka

It can't be...

[09:40] Tajima

I'm afraid it is.

[09:42] Tajima

Washizu-san wants to check out our company personally.

[09:48] Kataoka

I get it. An unannounced inspection.

[09:52] Kataoka

If you want to get a read on a company, you go see what it's like on an average day.

[09:57] Kataoka

This Washizu fellow is one smart cookie.

[10:01] Tajima

C'mon, this is no time to be impressed!

[10:04] Tajima

What's he gonna think if he sees this mess?

[10:06] Tajima

What if he changes his mind about the project?

[10:09] Tajima

Let's start cleaning right now.

[10:19] Okino

He's not here.

[10:21] Kataoka

That's a bigwig for you.

Leaves us waiting and doesn't even call.

[10:30] Tajima

Thank you so much for coming all this way.

[10:35] Tajima

I'm Namidome Industries' president, Tajima.

[10:37] Kataoka

Kataoka. Accounting.

[10:40] Washizu

Shikauchi's filled me in.

[10:43] Washizu

He says you take on this dangerous work with passion and courage.

[10:47] Washizu

I'm very sorry for our lateness today.
We got caught in traffic.

[10:52] Washizu

Oh, excuse me.

[10:54] Washizu

[11:09] Tajima

R-Right this way, sir.

[11:11] Tajima

I'm very sorry about the
poor state of the building.

[11:15] Washizu

Not at all.

[11:16] Washizu

The quality of the work isn't
determined by appearances.

[11:19] Washizu

In fact, I believe frontline companies
that put too much emphasis on appearances

[11:24] Washizu

aren't to be trusted.

[11:26] Washizu

One look at your office tells me how sincere,
hard-working, and socially responsible you are.

[11:39] Shikauchi

What's that sound?

[11:40] Okino

President! It's a Giant Beast!

[11:42] Tajima

I'm sorry. It's an emergency.
If you'll wait, I'll return once it's dealt with.

[11:48] Washizu

Tajima-san.

[11:49] Washizu

This might be a good opportunity.
I'd like to sit in with you.

[11:54] Tajima

Sir?

[11:55] Washizu

I want to personally see how
you handle these Giant Beasts.

[11:59] Washizu

You won't even know I'm there.

[12:01] Washizu

Will you allow me to watch
an extermination in action?

[12:07] Okino

But today's pilot is...

[12:10] Arumi

Muto-san, please respond.

[12:13] Arumi

Muto-san!

[12:16] Muto

Shut up.

[12:17] Muto

What's with this piece of crap
flashing and beeping all the time?

[12:21] Muto

[12:23] Muto

[12:51] Tajima

Once again, I believe we can
neutralize it outside the fence.

[12:54] Tajima

Don't worry.

[12:59] Kataoka

Muto-kun, please be—

[13:01] Tajima

Don't worry about conserving ammunition.

[13:04] Tajima

Just make sure you take it down.

[13:06] Tajima

This Giant Beast could
be another large one.

[13:10] Tajima

Please use all resources
available to fight it.

[13:54] Muto

[14:59] Muto

Oops. Shit.

[15:01] Muto

Why the hell did those Shiota morons...

[15:03] Muto

...fence this place off? It's in my damn way!

[15:07] Kataoka

Muto-kun! Don't push yourself too hard!

[15:12] Muto

Get out of my way, you Shiota piece of shit!

[15:24] Muto

You may hide your head in the sand, shitbag,

[15:26] Muto

but your tail's out in the open.

[15:28] Muto

I'll blast those shithead Shiota bigwigs!

on the entire company, after all.

[15:54] Muto

Control. Control.

[15:57] Muto

Can you read me?

[15:59] Muto

This is Muto, currently on the scene.

[16:02] Muto

Regarding that pesky Giant Beast, well...

[16:05] Muto

*As it happens, I'm currently in pursuit
of it, and I was hoping most humbly*

[16:10] Muto

*to get approval for
putting an end to it, if I may.*

[16:16] Tajima

Muto-san.

[16:17] Tajima

Just focus on the enemy
in front of you right now.

[16:24] Muto

R-Right.

[16:26] Muto

Okay!

[16:27] Muto

Here it comes, you monster!

[16:29] Muto

I'm gonna give you a real spicy meal!

[17:01] Muto

The stun shot.

[17:10] Muto

Eat this, asshole!

[17:24] Muto

Hell yeah!

[17:31] Kataoka

I don't know how to apologize for
damaging your company's facilities...

[17:40] Washizu

Not at all.

[17:41] Washizu

There's no need to worry about the facility.

[17:45] Washizu

We can always rebuild it.

[17:52] Washizu

More importantly...

[17:58] Muto

Point is...

[17:59] Muto

It's like you guys don't trust
flesh-and-blood humans to do stuff.

[18:03] Muto

Right?

[18:08] Muto

You kids these days with your
smartphones and your internets...

[18:12] Muto

Not giving a second thought to the experience
of your forebears and the stuff they set up.

[18:18] Muto

To a guy who made his way by the
sweat of his brow, it all seems like bullshit.

[18:23] Muto

Okino.

[18:25] Muto

What's with that stupid robot you made?

[18:28] Muto

You never heard the phrase, "Simple is best"?

[18:33] Muto

Miyuki. Same with you.

[18:35] Muto

Why didn't you fight back
on ditchin' the time cards?

[18:39] Miyuki

Well, you know...

[18:41] Muto

Try driving a manual transmission sometime.

[18:45] Muto

[18:58] Okino

It's like I told you.

You have to watch what you say and do.

[19:03] Okino

That fence was just fine.

Why'd you have to tear through it?

[19:07] Muto

Who the hell d'you think you're talking to?

[19:09] Muto

Is that any way to speak to your elders?!

[19:14] Okino

You're drunk.

[19:16] Muto

Hey! You got a problem with me?

[19:18] Miyuki

Please stop, Muto-san!

[19:18] Muto

You little brat.

[19:21] Muto

Didn't you hear what I said,
you son of a bitch?

[19:21] Miyuki

It's fine! We're sorry. We're sorry.

[19:24] Okino

Sorry. Sorry.

[19:31] Tajima

Hey, guys. Sorry to call you all in so early.

[19:33] Tajima

I wanted to get this done ASAP.

[19:38] Tajima

Last night, I got a call from
Washizu-san at Shiota Chemical.

[19:42] Tajima

He wants to give us full financial backing.

[19:47] Muto

A-Are you kidding?

[19:49] Tajima

He said he was extremely
moved by our work yesterday.

[19:53] Muto

Yeah! That's the kind of work
you expect from your ace pilot!

[19:57] Namari

Did he specify what "full financial
backing" referred to, specifically?

[20:03] Namari

That doesn't seem quite the same as the

"increase in funding" you mentioned before.

[20:07] Tajima

Yeah.

[20:08] Tajima

Put bluntly, Namidome will be restructured as a department of Shiota Chemical,

[20:14] Tajima

focused on taking out the Giant Beasts.

[20:17] Muto

What does that mean? The Namidome name's kaput, and we're folded into Shiota?

[20:25] Tajima

It might be hard to retain the Namidome name.

[20:30] Tajima

But our fundamental mission isn't to protect our company,

[20:35] Tajima

but to destroy the Giant Beasts and take back the island.

[20:38] Tajima

It's inevitable that we'd have to make a few adjustments here and there.

[20:44] Kataoka

One way or another, it'll mean significantly better compensation for all of us.

[20:49] Kataoka

We'll have all of our bases covered.

[20:51] Muto

Well, that part's nice.

[20:54] Tajima

He also said he'd earnestly consider the acquisition of the aquatic robot.

[20:59] Okino

You mean it?

[21:01] Namari

Can I assume we'll be scrapping the crowdfunding project, then?

[21:05] Tajima

I'm really sorry about that.

[21:09] Tajima

I know you worked very hard on it, Namari-kun.

[21:12] Namari

Not at all. As long as it's resolved, I have no issue with it.

[21:17] Tajima

Anyway, I'm thinking our work environment

is going to change a lot very soon.

[21:24] Tajima

I hope you'll all take
your work just as seriously.

[21:28] All

Right.

[21:28] Muto

Sure thing.

[21:30] Delivery

Package delivery.

[21:32] Miyuki

Oh, coming!

[21:37] Miyuki

Amazing!

[21:38] Tajima

What is it?

[21:41] sign

Ryugan Island

&

Young Persons'

Association

[21:41] Kataoka

President?

[21:42] Tajima

The head of the neighborhood
committee acts fast, huh?

[21:46] Muto

Hey, it's fine by me. I'm never
gonna complain about more booze.

[21:50] Miyuki

Do you think we could have
this tonight to celebrate?

[21:54] Okino

Sounds great.

[21:55] Muto

I'll get some snacks ready.

[21:57] Kataoka

You'd better pay for that yourselves!

[21:59] Kataoka

The company's not
stumping up one yen for that!

[22:02] Kataoka

Got a problem with that?

[22:02] Muto

You kidding me?

[22:02] Okino

C'mon, let's cut loose!

[22:03] Miyuki

Come on, Kataoka-san!

[22:04] Muto

Fine. I'll stick with salt, then.

[22:05] Okino

You're basically saying
we need to pay to attend.

[22:06] Muto

Salt will do. Salt's enough.

[22:51] Arumi

Instead of trying to make Shiota
take responsibility,

[22:54] Arumi

we're letting them swallow our
company and looking the other way?

[22:57] Arumi

I won't stay here any longer.

[22:59] Shikauchi

One way or another, we have to
deal with the intelligence leaks.

[23:04] Shikauchi

Understood?
