**[00:01]** ---

As long as modern-day  
crimes involve people,

**[00:04]** ---

there are no  
unsolvable mysteries!

**[00:06]** ---

Today's case is about Conan's origin!

**[00:08]** ---

And the detective from out  
west makes a reappearance!

**[00:10]** ---

He sees the single  
truth for what it is,

**[00:12]** ---

and looks like a kid  
but has the mind of an adult!

**[00:14]** ---

His name? Detective Conan!

**[01:51]** ---

The Holmes Freak Murder Case (Part 1)

**[01:51]** ---

The Holmes Freak Murder Case (Part 1).

**[02:00]** ---

Sherlock Holmes  
Enthusiasts Reception Tour

**[02:01]** ---

"A Study in Scarlet"?

**[02:02]** ---

Yes...

**[02:03]** ---

It is noteworthy as the very first

story Sherlock Holmes appears in!

**[02:08]** ---

"The Red-Headed League"  
is my favorite!

**[02:11]** ---

Mine's "The Sign of Four"!

**[02:13]** ---

Oh! That one was  
internationally acclaimed!

**[02:17]** ---

Impressive, my boy!  
You can read kanji?

**[02:20]** ---

Yeah...

**[02:21]** ---

Gimme a break.

**[02:24]** ---

Why do I have to  
go on this stupid tour?

**[02:27]** ---

Because Conan-\*kun  
\*applied for you without asking...

**[02:32]** ---

And then I was  
unlucky enough to get picked...

**[02:35]** ---

Ugh.

**[02:36]** ---

Which story do you favor?

**[02:38]** ---

Who, me?

**[02:41]** ---

Yes.

**[02:42]** ---

Good question.

**[02:44]** ---

I'd say I prefer  
"And Then There Was One."

**[02:49]** ---

That's "And Then There Were None."

**[02:50]** ---

Yoshiaki Fuji (47)

**[02:53]** ---

And that novel was  
written by Agatha Christie,

**[02:53]** ---

Nanako Shimizu (24) - Librarian

**[02:56]** ---

not my beloved Conan Doyle-*sama*.

**[03:00]** ---

My word.

**[03:01]** ---

Ikuo Kawatsu (25) - Gym Teacher

**[03:01]** ---

Who let this amateur on the tour?

**[03:05]** ---

Talk about a real party pooper...

**[03:07]** ---

I'm supposed to live with  
these jerks for three whole days?!

**[03:11]** ---

These aren't the only guests.

**[03:14]** ---

As we speak,

**[03:14]** ---

the tour director  
is in another car,

**[03:16]** ---

taking the other guests  
back to the lodge!

**[03:19]** ---

Oh man...

**[03:20]** ---

Oh, come on.  
The more the merrier!

**[03:23]** ---

I'll give you merrier!

**[03:24]** ---

Ouch!

**[03:27]** ---

Welcome, everyone,  
to the Mycroft Lodge!

**[03:33]** ---

I'm Kanaya, the director of this tour

**[03:36]** ---

and this lodge's owner!

**[03:38]** ---

Each one of you here today

**[03:40]** ---

is a superior Sherlockian  
that I have carefully selected.

**[03:45]** ---

Are you sure you were careful enough?

**[03:47]** ---

It seems a complete amateur  
who knows nothing about Holmes

**[03:50]** ---

is among us.

**[03:51]** ---

Oh? Is there really?

**[03:52]** ---

Maria Toda (43) - Fortuneteller

**[03:54]** ---

Over there. That mustached man.

**[03:56]** ---

Oh, my.

**[03:58]** ---

That's it. I'm out of here.

**[04:00]** ---

Please wait, *Mori-san*!

**[04:03]** ---

This man I've brought  
here today is none other

**[04:07]** ---

than the great, modern-day  
detective that compares with

**[04:11]** ---

our beloved Holmes--

**[04:13]** ---

Kogoro *Mori-san*, right?

**[04:15]** ---

I know who he is.

**[04:16]** ---

I've seen him many a  
time on TV and in the papers.

**[04:21]** ---

He certainly appears

**[04:22]** ---

Kento Togano (22) - University Student

**[04:22]** ---

to have a superior intellect,

**[04:24]** ---

but he clearly doesn't compare

**[04:26]** ---

with Sherlock!

**[04:27]** ---

Certainly not.

**[04:28]** ---

In a real contest,

**[04:28]** ---

Ayako Oki (21) - University Student

**[04:30]** ---

you probably wouldn't even begin

**[04:32]** ---

to compare to him!

**[04:33]** ---

I can't let them get  
away with saying that!

**[04:35]** ---

Now, now.

**[04:36]** ---

You're being compared with Holmes;  
it's to be expected!

**[04:39]** ---

You shut up!

**[04:40]** ---

I refuse to lose to a  
stupid fictional character!

**[04:44]** ---

Besides, this is all because  
you signed me up for this tour!

**[04:47]** ---

Conan-kun!

**[04:48]** ---

Conan?!

**[04:50]** ---

Oh! Your name's Conan?!

**[04:53]** ---

Truly?!

**[04:54]** ---

I like it too!  
Isn't it a great name?!

**[04:56]** ---

It's magnificent!

**[04:58]** ---

I guess I didn't  
need to worry after all.

**[05:02]** ---

Conan-kun's usually cool  
and strangely un-childlike.

**[05:08]** ---

But as I look at that innocent  
face of his, I feel relieved.

**[05:11]** ---

But Conan-kun's fascination with  
Holmes is almost the same as his!

**[05:15]** ---

His?

**[05:16]** ---

You know who!

**[05:18]** ---

He's snobbish and arrogant,

**[05:20]** ---

a mystery nerd,  
a Holmes freak, and is tone--

**[05:23]** ---

...tone-deaf, but a superb  
high school soccer player,

**[05:26]** ---

and the guy who ran off  
during our contest the other day

**[05:29]** ---

before I could recoup my losses...

**[05:30]** ---

...Shinichi Kudo, right?

**[05:32]** ---

Hattori-kun!

**[05:35]** ---

You're a Holmes fan too?!

**[05:37]** ---

Of course not!

**[05:38]** ---

The reason I applied for this tour

**[05:40]** ---

was 'cuz I thought I might find Kudo.

**[05:43]** ---

Besides, Ellery Queen's  
much better than Conan Doyle--

**[05:49]** ---

On second thought,  
maybe Doyle's better!

**[05:53]** ---

It's growing late,  
so we'll call it a night.

**[05:57]** ---

Breakfast is tomorrow  
morning at 9:00,

**[05:59]** ---

lunch at 1:00, and dinner at 8:00.

**[06:01]** ---

And then after dinner is the  
annual super-difficult mystery quiz!

**[06:08]** ---

And those who get a  
perfect score on the quiz

**[06:13]** ---

will be presented with  
Conan Doyle's greatest work

**[06:15]** ---

which brought Sherlock Holmes  
into this world--

**[06:17]** ---

a first-edition copy  
of "A Study in Scarlet!"

**[06:23]** ---

However!

**[06:24]** ---

First, I must see proof of  
how devoted you are to Holmes!

**[06:30]** ---

Proof?

**[06:31]** ---

What my maid  
is passing out right now

**[06:34]** ---

is the Holmes Cult  
Test of 1000 Questions!

**[06:36]** ---

1000 questions?!

**[06:38]** ---

You have until dinner tomorrow  
evening to turn it in.

**[06:41]** ---

Only those who get over 990 correct

**[06:44]** ---

will be able to  
participate in tomorrow's quiz.

**[06:48]** ---

Just to be safe,  
if you have a cell phone

**[06:50]** ---

or any Holmes-related literature,

**[06:53]** ---

please hand them  
over to my maid now.

**[06:55]** ---

There's no point  
in trying to hide them!

**[06:58]** ---

Placed throughout  
the lodge to watch over you

**[07:02]** ---

are security cameras  
and listening devices!

**[07:05]** ---

If you're caught cheating,  
you will be asked to leave at once!

**[07:08]** ---

Hey, now. Do I have  
to take that test too?

**[07:12]** ---

Certainly not; you're a special guest.

**[07:14]** ---

All I ask is that you  
give us a lecture later on...

**[07:17]** ---

Hey. If I get over 990 right,  
can I be in the quiz too?

**[07:22]** ---

Sure...

**[07:26]** ---

Let's see...

**[07:27]** ---

"What was the exact  
date that Holmes fell

**[07:29]** ---

to the bottom of the valley  
with Professor Moriarty?"

**[07:33]** ---

May 4th, 1891.

**[07:36]** ---

This is actually pretty easy!

**[07:39]** ---

Next one...

**[07:40]** ---

"Write down the entire code  
from 'The Dancing Men'

**[07:43]** ---

exactly as it appeared."

**[07:46]** ---

Conan-kun...

**[07:47]** ---

Are you still up?  
It's 4 o'clock, you know.

**[07:50]** ---

Ugh. No TV, no phones,  
no newspapers...

**[07:54]** ---

On top of that, there's

not even any air-conditioning,

**[07:56]** ---

despite this heat!

**[07:58]** ---

A single security  
camera is all there is.

**[08:00]** ---

This is the best!

**[08:10]** ---

That was great!

**[08:12]** ---

The owner hasn't  
shown up at all, has he?

**[08:16]** ---

Go get him and start  
grading the tests already!

**[08:20]** ---

But I've been told to entertain  
you all until he comes...

**[08:27]** ---

Kudo ain't here.

I shouldn't have come on this tour...

**[08:33]** ---

Damn it! I've had enough of this!

**[08:36]** ---

I'm going to my room!

**[08:37]** ---

Sir!

**[08:38]** ---

Sounds like the rumors were true...

**[08:41]** ---

He was lying when he  
said he would give away

**[08:43]** ---

that first-edition copy.

**[08:45]** ---

He finds fault in  
people's answers every time,

**[08:46]** ---

and makes it so nobody ever wins.

**[08:48]** ---

He only holds this tour  
to show off that book of his!

**[08:52]** ---

Sorry, but I'm going to sleep too.

**[08:54]** ---

Same here.

**[08:55]** ---

Um!

**[08:56]** ---

This is ridiculous.

I'm going to bed too.

**[08:59]** ---

What now, Conan-kun?

**[09:01]** ---

I'm going to stay here.

**[09:09]** ---

Oh, man. I'm at my limit, too.

**[09:11]** ---

Come on, Kento.

Let's go back to our room, too.

**[09:15]** ---

Be patient! Making a move at  
a time like this would mean defeat!

**[09:19]** ---

Huh? Isn't that the car we came in?

**[09:22]** ---

That's the owner! He's driving!

**[09:25]** ---

See, the mystery  
quiz is finally starting.

**[09:29]** ---

That's my Kento.

**[09:33]** ---

Wait!

**[09:34]** ---

There's a cliff there!

**[09:41]** ---

Oh no! It's speeding up!

**[09:44]** ---

Hey, Mister! What're you doin'?!  
?

**[09:46]** ---

Stop the car before you drive off!

**[09:48]** ---

There's a blanket on the car's panel!

**[09:49]** ---

And what's that sound?!

It's not the engine!

**[09:52]** ---

Hey! Mister! I'm talking to you!

**[10:12]** ---

What? The owner's dead?!

**[10:15]** ---

Yes.

**[10:16]** ---

He drove off the cliff just  
now before our very eyes!

**[10:20]** ---

That can't be!  
Why would he do that?!

**[10:23]** ---

It was a suicide.

**[10:25]** ---

He probably didn't want to  
part with his first-edition book.

**[10:29]** ---

No, this just might've been a murder!

**[10:34]** ---

Someone put him to  
sleep or killed him in advance,

**[10:37]** ---

sat him in the car seat,

**[10:40]** ---

and put the car in drive to make  
it move forward automatically.

**[10:44]** ---

The killer most likely did  
all of that inside that garage.

**[10:48]** ---

Then does that  
mean one of us is the killer?!

**[10:51]** ---

Yes, something like that.

**[10:53]** ---

That may be, but the car  
sped up at one point!

**[10:56]** ---

There was also a strange  
hissing sound coming from inside!

**[11:00]** ---

It wasn't the engine!

**[11:03]** ---

Oh, that must have  
been the air conditioner!

**[11:05]** ---

The AC was set to on,  
so when the engine was started

**[11:09]** ---

it kicked in by itself!

**[11:10]** ---

At any rate,

the body is unrecoverable.

**[11:13]** ---

Our only choice is to  
contact the police and wait.

**[11:17]** ---

But the owner took all our phones...

**[11:19]** ---

They must be in his room!

**[11:23]** ---

Oh? What are you  
looking at that tire track for?

**[11:26]** ---

Just looking for something...

**[11:30]** ---

Ow!

**[11:31]** ---

Not you too, Hattori-*kun*?

**[11:33]** ---

Don't look at me!  
I was just checking to see

**[11:36]** ---

if the AC was really on or not!

**[11:38]** ---

And then I run into this kid again--

**[11:41]** ---

Wait a minute!

**[11:44]** ---

He also collided with me when  
I was looking for evidence

**[11:47]** ---

during that previous incident!

**[11:49]** ---

It's too dark to see well, huh?

**[11:50]** ---

Yeah...

**[11:54]** ---

How's this, young detectives?

**[11:57]** ---

Thanks...

**[11:58]** ---

Much obliged...

**[12:00]** ---

The phones have been demolished!

**[12:01]** ---

Who would do such a thing?!

**[12:03]** ---

The first-edition book is gone too!

**[12:07]** ---

Damn it! I've had enough!

**[12:09]** ---

Let's take the remaining  
car and get out of this place--

**[12:12]** ---

Pointless.

**[12:14]** ---

The car in the garage  
had its gas tank punctured

**[12:18]** ---

and all the gasoline has leaked out!

**[12:21]** ---

On top of that,  
the battery's been removed.

**[12:23]** ---

That car's not going anywhere!

**[12:25]** ---

You can't be serious!

**[12:27]** ---

It would seem the owner  
was killed by someone, Detective.

**[12:32]** ---

What kind of trick the killer  
used to speed the car up is a mystery,

**[12:37]** ---

but the fact that we're trapped here

**[12:41]** ---

means that the killer still plans  
to continue this murder drama!

**[12:49]** ---

Whatever the case,  
the killer is in this room.

**[12:52]** ---

If we properly investigate  
we'll uncover them soon enough!

**[12:55]** ---

Oh, yeah! The security cameras  
might have recorded something!

**[12:59]** ---

I'm sorry. Those aren't real.

**[13:03]** ---

He puts them up every year for this tour.

**[13:06]** ---

With thumbtacks.

**[13:07]** ---

Thumbtacks?

**[13:08]** ---

Even so,  
we know it was around 3:30

**[13:10]** ---

when the killer put the owner  
in the car and sent him on his way.

**[13:14]** ---

And that it was  
impossible for the five of us

**[13:16]** ---

who had been in the living  
room for several hours prior

**[13:20]** ---

to have done it!

**[13:21]** ---

Hold on a second.

**[13:22]** ---

So the killer was one of us  
five who weren't in the living room?!

**[13:26]** ---

Please refrain from counting me!

**[13:29]** ---

Hey.

**[13:30]** ---

Did you find what you  
were looking for earlier?

**[13:32]** ---

No, not at all...

**[13:34]** ---

I see.

**[13:38]** ---

Ayako?

**[13:39]** ---

I just figured out both  
the killer's identity and their trick.

**[13:49]** ---

Along with conclusive evidence.

**[13:52]** ---

What?!

**[13:53]** ---

I'll give you ten minutes.

**[13:55]** ---

If you don't wish to hear  
your name from my mouth

**[13:57]** ---

then you'll come clean before then.

**[14:00]** ---

Ayako! Where are you going?!

**[14:02]** ---

The bathroom.

**[14:03]** ---

Are you crazy? The killer might go after you if you're all alone!

**[14:06]** ---

Oh, but you'll protect me, won't you?

**[14:09]** ---

Hey! Wait!

**[14:11]** ---

Your big reputation's on the line, huh?

**[14:14]** ---

She's probably bluffin'.

**[14:15]** ---

No! She must have found a clue we don't know about yet!

**[14:20]** ---

Yeah, that must be it.

**[14:23]** ---

Now that you mention it, Ayako-\*san \*was acting odd this afternoon.

**[14:27]** ---

I ran into her on the way back to my room after lunch.

**[14:32]** ---

But when she saw me, she quickly hid some papers behind her.

**[14:38]** ---

I think it might've been the Holmes test that was passed out last night...

**[14:43]** ---

The test?

**[14:44]** ---

Don't tell me...

**[14:45]** ---

...she was cheating?

**[14:46]** ---

Talk about low...

**[14:49]** ---

Alright! Who's the killer?!

**[14:51]** ---

You secretly asked her, didn't you?

**[14:53]** ---

Please tell us!

**[14:54]** ---

She said she wouldn't tell even me

**[14:56]** ---

and then shut  
herself up in the bathroom.

**[14:58]** ---

Damn it! How dare she taunt us!

**[15:02]** ---

Say...

**[15:03]** ---

There were other  
people besides Ayako-san

**[15:05]** ---

who skipped lunch, right?

**[15:07]** ---

Yes. Just Kento Togano-\*san  
\*and Nanako Shimizu-san.

**[15:15]** ---

At any rate, the fact that  
she's suspected of cheating

**[15:20]** ---

means that Ayako  
knew from the very start

**[15:23]** ---

that those security  
cameras were mock-ups!

**[15:26]** ---

Hey.

**[15:28]** ---

Did Ayako-san come  
to your room this afternoon?

**[15:31]** ---

No. I did the rest  
of the test in my room,

**[15:35]** ---

but nobody came.

**[15:39]** ---

Which means she did  
see it in someone's room!

**[15:43]** ---

Something significant to this incident!

**[15:45]** ---

Something that one of those  
four alibi-less people had--

**[15:48]** ---

--in their room!

**[15:50]** ---

Isn't Ayako-san late coming back?

**[15:52]** ---

Now that you mention it...

**[15:54]** ---

It's been over twenty minutes...

**[15:57]** ---

She couldn't be!

**[16:00]** ---

Hey! *Ayako-san!* *Ayako-san!*

**[16:03]** ---

What's all the racket?!

**[16:05]** ---

It's rude of you to gather  
around the bathroom, you know!

**[16:08]** ---

No, we were worried about you, so--

**[16:11]** ---

We'd like you to  
tell us who the killer is!

**[16:16]** ---

Oh, that?

**[16:17]** ---

It seems I made a mistake.

**[16:21]** ---

I'm sorry.

**[16:24]** ---

Bah. So it really was a bluff...

**[16:27]** ---

Why? Why'd she suddenly  
change her attitude?

**[16:30]** ---

Darn it! And there're so  
many things I don't know!

**[16:38]** ---

Huh? Where's *Ayako-san*?

**[16:40]** ---

She went for a walk outside.

**[16:43]** ---

We tried to stop her,

**[16:44]** ---

but she insisted there  
won't be any more murders.

**[16:47]** ---

Well, we do have  
all four suspects here, so...

**[16:50]** ---

Nothing will  
happen if we just stay still.

**[16:54]** ---

What was that sound?!

**[16:56]** ---

It came from the garage!

**[16:57]** ---

What on earth happened?!

**[17:02]** ---

Don't tell me Ayako-san's in there!

**[17:04]** ---

Ayako! Ayako!

**[17:07]** ---

You moron! Jump into that  
and you'll only burn to death!

**[17:10]** ---

Somebody get an extinguisher!

**[17:12]** ---

There's one over here!

**[17:13]** ---

Please! Somebody put it out!

**[17:16]** ---

Otherwise that book will be--

**[17:25]** ---

Looks like it's out.

**[17:27]** ---

Ayako! Where are you?!

**[17:30]** ---

Are you there?! Ayako!

**[17:38]** ---

What is it?!

**[17:42]** ---

Ayako?

**[17:45]** ---

Ayako! Ayako!

**[17:52]** ---

Judging from her clothes and figure,  
there's no question it's her.

**[17:57]** ---

And she was perfectly  
fine just a short while ago...

**[17:59]** ---

Come to think of it, she did say  
she figured out who the killer was...

**[18:03]** ---

So the killer killed  
her to keep her quiet?

**[18:06]** ---

But I believe all the suspects  
were in the owner's lodge

**[18:10]** ---

when the fire erupted  
in this garage.

**[18:13]** ---

Then who set it?

**[18:15]** ---

It wouldn't just start by itself...

**[18:17]** ---

No, there is one person who  
could have done it!

**[18:21]** ---

The owner!

**[18:22]** ---

He drove off the cliff,  
but wouldn't everything fit

**[18:26]** ---

if he were still alive?!

**[18:29]** ---

Yes! If it had been a dummy  
or something in the car, then...

**[18:33]** ---

There was a novel like that...

**[18:36]** ---

Nope. It was the owner, in the flesh.

**[18:40]** ---

I saw him too! I don't  
think there's any question about it!

**[18:43]** ---

Then who the hell did this?!

**[18:46]** ---

Somebody's just killed Ayako!

**[18:49]** ---

Calm down!

**[18:50]** ---

In any case, it's painfully clear  
that the killer is not one of us ten.

**[18:55]** ---

For now, let's retreat to  
the house and wait until morning.

**[18:59]** ---

Let's stay in the living room.

**[19:06]** ---

As if I'd ever mistake  
a person for a dummy!

**[19:09]** ---

But all the suspects  
were in the lodge...

**[19:12]** ---

Could someone have put a  
time-activated detonator in the garage?

**[19:16]** ---

No, there was nothing of the sort!

**[19:18]** ---

Then how did the killer start the fire?!

**[19:20]** ---

We don't know that,  
so that's why we're--

**[19:23]** ---

What was *Ayako-san* doing  
in the garage, anyway?

**[19:35]** ---

It's really coming down...

**[19:36]** ---

If this downpour keeps up,  
there's no leaving come morning...

**[19:40]** ---

I'm tired from staying up all night,  
not to mention hungry...

**[19:43]** ---

Shall I make some coffee  
and something cold to eat?

**[19:47]** ---

I'll help you!

**[19:48]** ---

I'll come too!

**[19:51]** ---

I'd be worried if you two  
girls were all by yourselves.

**[19:53]** ---

I'll come too.

**[19:57]** ---

But if the owner really is the killer,

**[19:59]** ---

why would he pretend  
to die and then kill *Ayako-san*?

**[20:05]** ---

He's enjoying his murder!

**[20:08]** ---

Have a look at this card!

**[20:10]** ---

Had I not been careful  
I would've been killed!

**[20:15]** ---

"If you want the book, then come

to the garage at 5 a.m. tomorrow.

**[20:18]** ---

I'll put it beneath the back seat."

**[20:21]** ---

It was past 4:30 when  
the fire started in the garage...

**[20:26]** ---

The back seat?  
That's where Ayako's body was!

**[20:30]** ---

Say, where did you get this card?

**[20:32]** ---

It was stuck in my door when  
I returned from dinner last night.

**[20:37]** ---

That's it! I figured it out!

**[20:39]** ---

Listen, Mister!

**[20:40]** ---

How many times do I have to say it?!  
The owner was dead!

**[20:44]** ---

Can I really trust what a kid saw?

**[20:46]** ---

What'd you say?!

**[20:47]** ---

Judging from where *Ayako-san* died,

**[20:50]** ---

it would seem that she, too,  
went to the garage to get the book.

**[20:53]** ---

Which means the only remaining  
mystery of the second incident

**[20:57]** ---

is how the killer lit the garage  
on fire while still in the room.

**[21:01]** ---

And it's because  
of detectives like you

**[21:03]** ---

that so many cases go unsolved--

**[21:05]** ---

How rude!

**[21:06]** ---

My dad solves his  
cases every single time!

**[21:09]** ---

He takes a sleeping-like pose  
whenever he analyzes things,

**[21:12]** ---

so everyone fears  
him as "Sleeping Kogoro"!

**[21:15]** ---

Right, Dad?!

**[21:17]** ---

Sleeping?

**[21:18]** ---

Hey! Come over here!

**[21:19]** ---

What are you doing?

**[21:21]** ---

Where is he when your  
old man starts analyzing?!

**[21:24]** ---

Who?

**[21:25]** ---

You know, the one who's  
always hangin' around you guys...

**[21:28]** ---

This kid!

**[21:30]** ---

Conan-kun?

**[21:32]** ---

Now that you mention it,  
he never is around...

**[21:34]** ---

Yeah?!

**[21:35]** ---

Oh, but he often  
appears from behind my dad

**[21:38]** ---

and helps explain his theories!

**[21:40]** ---

From behind him?

**[21:42]** ---

You help from behind him?

**[21:44]** ---

I love to play detective!

**[21:47]** ---

A power outage?!

**[21:48]** ---

Was it from lightning?!

**[21:49]** ---

No! It's just a blown fuse!

**[21:51]** ---

Then hurry and reset  
the circuit breakers!

**[21:53]** ---

Damn it! Now, of all times!

**[21:57]** ---

Here, Miss. Use this light...

**[22:01]** ---

An ice pick!

**[22:06]** ---

What's going on?!

**[22:08]** ---

What's that sound?!

**[22:10]** ---

Glass.

**[22:10]** ---

Maid!

**[22:11]** ---

Hurry with the lights!

**[22:15]** ---

Fujisawa-san!

**[22:16]** ---

How?!

**[22:17]** ---

Dad! The window glass!

**[22:20]** ---

Dammit! They smashed  
the window and escaped!

**[22:23]** ---

No! The killer's still in here! And--

**[22:27]** ---

And now I finally know how  
the killer set the garage on fire

**[22:32]** ---

while in this room!

**[24:01]** ---

Perhaps the third incident  
wasn't part of the killer's plan?

**[24:07]** ---

Conan-kun!

**[24:09]** ---

But I'm just a kid,  
so what would I know?

**[24:13]** ---

This kid isn't pretending  
to be a detective!

**[24:16]** ---

He's analyzing!

**[24:18]** ---

His voice and body are different,  
but he's almost like Shinichi Kudo!

**[24:21]** ---

Could he really be?!

**[24:25]** ---

The Holmes Freak Murder Case (Part 2)

**[24:25]** ---

On the next Conan--

**[24:27]** ---

The Holmes Freak Murder Case (Part 2).

**[24:46]** ---

Next Conan's hint:

**[24:48]** ---

Holmes' Cult Test.

**[24:51]** ---

Next episode Conan's true identity is threatened.

**[24:53]** ---

I've figured it out.

**[24:55]** ---

---
