**[00:00] Sonoko**

What?

**[00:01] Sonoko**

It was your doppelganger?

**[00:03] Sonoko**

Seriously?

**[00:04] Ran**

So you didn't go to the concert hall that day.

**[00:08] Azusa**

N-No. Did we really look that similar?

**[00:11] Amuro**

Yes.

**[00:12] Amuro**

I was completely fooled when she stopped me at the entrance.

**[00:18] Amuro**

I wonder who she was.

**[00:20] Sonoko**

Maybe it was Kaito Kid.

**[00:22] Sonoko**

He must've come to steal my heart.

**[00:24] Ran**

Yeah, right.

**[00:26] Conan**

*It was Vermouth.*

**[00:29] Conan**

*But if she bothered to investigate,*

**[00:32] Conan**

*the Black Organization must be interested*

**[00:35] Conan**

*in the "ASACA RUM"*

*cipher left by Haneda Koji*

**[00:39] Conan**

*seventeen years ago, too.*

**[00:42] Ran**

I wonder what she was after, though.

**[00:45] Ran**

It's kind of creepy.

**[00:48] Azusa**

Speaking of creepy, when I went out shopping for ingredients earlier,

**[00:52] Azusa**

I saw a strange duo going up to the detective agency.

**[00:56] Conan**

*A strange duo?*

**[00:58] Conan**

Were they dressed in black?

**[01:00] Azusa**

What? They were dressed like a normal couple.

**[01:03] Azusa**

The boyfriend's skin was dark like Amuro-san's though.

**[01:08] Conan**

*Dark?*

**[01:09] Sonoko**

Was it Makoto-san?

**[01:12] Sonoko**

What's he doing with another woman?!

**[01:14] Azusa**

I-I wouldn't know, but they were talking about something strange.

**[01:19] Azusa**

Something about cleaning rags.

**[01:22] Conan**

*R-Rags?*

**[01:26] Conan**

Curtains rise as the headliner appears!

**[01:28] Conan**

He beautifully dances his mystery-solving steps!

**[01:31] Conan**

Rags dance in a terrifying case.

**[01:33] Conan**

The forest where the nue's cry can be heard is a horrifying place.

**[01:35] Conan**

Always determining the one truth

**[01:37] Conan**

with the body of a child  
and the mind of an adult,

**[01:39] Conan**

his name is Detective Conan!

**[03:34] Ran**

Really?

**[03:35] Sonoko**

Rags to riches, huh?

**[03:37] Conan**

*I knew it was him.*

**[03:39] Kazuha**

The mayor of Yadori Village sent  
Heiji a letter asking him to help

**[03:43] Kazuha**

unearth Tokugawa's buried treasure,

**[03:45] Kazuha**

since he found a clue to its location.

**[03:48] Kazuha**

We thought we'd invite your dad, too.

**[03:53] Kogoro**

I'm not going.

**[03:54] Kogoro**

Even if it's actually  
Tokugawa's buried treasure,

**[03:59] Kogoro**

most of it will end up  
belonging to the state.

**[04:02] Heiji**

Really? Guess you're not going, then.

**[04:06] Sonoko**

Since we have a few days off, you  
should take this kid with you, Ran.

**[04:10] Ran**

But doesn't searching for  
buried treasure sound scary?

**[04:14] Kazuha**

What? You should come with us, Ran-chan.

**[04:17] Kazuha**

The mayor's covering all our travel expenses.

**[04:21] Kazuha**

Besides, if Heiji got a letter, as  
the other high school detective,

**[04:25] Kazuha**

Kudo-kun might've received one, too.

**[04:29] Ran**

Sh-Shinichi got one?

**[04:32] Heiji**

You're right.

**[04:33] Heiji**

Come to think of it,

**[04:34] Heiji**

Kudo said he was interested  
in buried treasure before.

**[04:39] Heiji**

Maybe he'll be there.

**[04:40] Conan**

*Whoa, whoa, whoa!*

**[04:42] Kazuha**

Yeah, so you should come with us.

**[04:44] Conan**

What do you think you're doing?

**[04:45] Ran**

It's not like I can't since we  
have a few days off, but...

**[04:46] Conan**

You're not interested in  
buried treasure either.

**[04:49] Heiji**

I didn't have a choice.

**[04:51] Heiji**

If she doesn't come, you can't come either.

**[04:54] Conan**

You've got an ulterior motive, don't you?

**[04:56] Heiji**

There's nothing like that.

**[05:00] Conan**

Anyway, Tokugawa's buried treasure  
is at Mt. Akagi in Gunma.

**[05:04] Conan**

If there's another case, that  
useless inspector will show up.

**[05:09] Heiji**

Don't worry about that.

**[05:10] Heiji**

We're not going to Gunma,  
we're going to Shizuoka.

**[05:14] Conan**

Shizuoka?

**[05:17] Densuke**

Thank you for coming, Hattori Heiji-sama.

**[05:22] Densuke**

And your friends, too.

**[05:24] Densuke**

I'm looking forward to unearthing  
this buried treasure.

But why did you write to Heiji-niichan?

**[05:34] Conan**

There are other non-high  
school aged detectives.

**[05:38] Densuke**

Yes, well, I also invited  
historians and archaeologists,

**[05:42] Densuke**

so the budget was tight.

**[05:46] Densuke**

Forgive me, but I thought a high  
school detective would come

**[05:48] Densuke**

if I paid for his transportation and food.

**[05:52] Heiji**

Hey.

**[05:54] Heiji**

You'll pay for the bullet train  
I took to get here, right?

**[05:58] Densuke**

Of course.

**[06:05] Heiji**

Hey, you must be joking!

**[06:08] Heiji**

You really expect us to stay  
in this run down hotel?

**[06:12] Densuke**

It doesn't look like much, but it's  
sparkling clean on the inside.

**[06:16] Densuke**

I bought plenty of ingredients,

**[06:19] Densuke**

so I'll do my best to  
prepare a feast for you.

**[06:22] Heiji**

You're cooking for us?

**[06:24] Densuke**

There used to be droves of tourists  
who came to see Kurogane Lake.

**[06:29] Densuke**

The hotel prospered, but  
since the incident...

**[06:34] Ran**

What incident?

**[06:35] Kazuha**

What happened?

**[06:36] Densuke**

Oh, actually...

Yeah.

**[06:54] Michiki**

Shizuoka is where Tokugawa Ieyasu retired,

**[06:57] Michiki**

and Sunpu Castle once stood here.

**[07:00] Yasukatsu**

And there's a legend.

**[07:04] Yasukatsu**

During the war, when Ieyasu was  
nearly captured by Imagawa,

**[07:09] Yasukatsu**

**[07:24] Yasukatsu**

Yes. There's even a poem about it.

**[07:27] Fumie**

"In the morning and evening sun,

**[07:29] Fumie**

two thousand jars glitter

**[07:31] Fumie**

**[07:34] Fumie**

It's a nursery song that's been

**[07:38] Fumie**

What? That's got nothing

**[08:28] Hajime**

What? You haven't heard?

**[08:31] Hajime**

This village actually...

**[08:33] Hajime**

Whoa, a dog!

**[08:36] Hajime**

Stop that!

**[08:38] Hajime**

I-I don't like dogs...

**[08:40] Ran**

He's cute!

**[08:41] Kazuha**

Yeah.

**[08:42] Densuke**

He was brought here by the member

of the excavation team  
who died in the accident.

**[08:47] Densuke**

After the accident, the locals took him in,

Is this everyone you invited here today?

**[09:18] Densuke**

Well, yes.

**[09:24] Ran**

*Shinichi's not here, then.*

**[09:28] Ran**

*I was planning to give him my answer  
to what he said in London, too.*

**[09:33] Heiji**

What you said over the  
phone had better be true.

**[09:37] Densuke**

The view is magnificent.

**[09:40] Heiji**

Better than the view of  
Big Ben in the evening?

**[09:43] Densuke**

Of course. It doesn't even compare.

**[09:46] Heiji**

You're sure, right?

**[09:48] Densuke**

I guarantee it.

**[09:50] Ran**

Hey, Kazuha-chan.

**[09:52] Ran**

Did Hattori-kun invite you here?

**[09:55] Kazuha**

Yeah. He asked if I was busy over the break.

**[09:58] Kazuha**

But now they're talking  
about cave-ins and monsters.

**[10:02] Kazuha**

I have a bad feeling about this.

**[10:05] Ran**

Actually...

**[10:07] Ran**

What you're feeling might be love.

**[10:09] Kazuha**

What?

**[10:16] Heiji**

I'm stuffed.

**[10:18] Heiji**

I couldn't eat another bite.

**[10:20] Ran**

The stew was good.

**[10:22] Kazuha**

Thanks, Mister Mayor.

**[10:24] Densuke**

You're welcome.

**[10:27] Densuke**

Now to finish it off,

**[10:29] Densuke**

we put rice in the bowl

**[10:33] Densuke**

and cover it with beaten eggs.

**[10:37] Kazuha**

Then you mix it with your chopsticks,  
and the porridge is ready.

**[10:41] Ran**

What? You're mixing it?

**[10:43] Ran**

But the eggs are fluffier if  
you just cover it instead.

**[10:47] Kazuha**

It all tastes like egg if you  
mix it. It's delicious that way.

**[10:51] Heiji**

Let's hear that monster story  
you started to tell us earlier.

**[10:56] Hajime**

Ah, that story?

**[10:59] Hajime**

There was a foreigner named Charles  
Abel on the excavation team

**[11:03] Hajime**

who spoke broken Japanese.

**[11:06] Hajime**

He's the one who got in the accident.

**[11:09] Hajime**

When the rest of the team  
arrived, he was still alive.

**[11:13] Hajime**

He was trying to say something  
from under the rocks,

**[11:16] Hajime**

so they asked him if he had found anything.

**[11:19] Hajime**

But the foreigner's throat had been  
destroyed, and he couldn't speak.

**[11:23] Hajime**

Someone on the team handed  
him a notebook and pen,

**[11:27] Hajime**

and the foreigner slowly and  
carefully wrote three letters

**[11:30] Hajime**

from the alphabet on the page.

**[11:33] Hajime**

The team members who saw the  
page were frozen in fear

**[11:38] Hajime**

because that piece of paper had  
the word "nue" written on it!

**[11:44] Heiji**

*Nue?*

**[11:44] Conan**

*What?*

**[11:45] Ran**

N-Nue? You mean...

**[11:48] Kazuha**

That monster from folk tales?

**[11:51] Heiji**

That's right.

**[11:52] Heiji**

The head of a monkey,

**[11:54] Heiji**

the body of a tanuki,

**[11:55] Heiji**

the legs of a tiger,

**[11:57] Heiji**

and the tail of a snake.

**[11:58] Heiji**

It's an ancient monster that  
appears in a cloud of black smoke

**[12:02] Heiji**

with an eerie cry to bring misfortune.

**[12:06] Heiji**

Are you saying one of those was in that cave?

**[12:10] Hajime**

Yeah. I mean, what else could it be?

**[12:13] Hajime**

That's why I was invited here.

**[12:16] Hajime**

In order to tell the world about  
the monster that plunged

**[12:21] Hajime**

the excavation team into the depths of fear!

**[12:27] Hajime**

What do you think you're doing, hag?

**[12:28] Fumie**

Don't gleefully recount a person's death!

**[12:32] Fumie**

Now you've ruined the porridge.

**[12:36] Michiki**

I thought your novels covered similar themes.

**[12:41] Yasukatsu**

Indeed.

**[12:43] Yasukatsu**

It's hard to imagine those  
words coming from the woman

**[12:45] Yasukatsu**

who described in such grotesque detail  
the death of a man eaten by a monster.

**[12:51] Fumie**

Oh, would it better if I left?

**[12:54] Densuke**

Now, now, everyone. Let's try to get along.

**[12:56] Densuke**

Why don't we get a good night's sleep

**[12:59] Densuke**

and meet at the cave at the  
excavation site in the morning?

**[13:08] Ran**

Wh—

**[13:09] Kazuha**

Wh-What is this weird sound?

**[13:17] Fumie**

How unusual.

**[13:20] Hajime**

Is it here?

**[13:21] Yasukatsu**

In the forest?

**[13:22] Conan**

"Is it here?"

**[13:24] Heiji**

What is this sound?

**[13:27] Michiki**

It's the cry...

**[13:31] Michiki**

of the nue.

**[13:40] Ran**

Th-The cry of the nue?

**[13:42] Ran**

Y-You mean it lives in this forest?

**[13:44] Kazuha**

That monster from folk tales?

**[13:48] Michiki**

Not the monster, the bird.

**[13:51] Ran**

It's...

**[13:52] Kazuha**

...a bird?

**[13:54] Michiki**

It lives in hardwood forests in hilly areas.

**[13:58] Michiki**

The scaly thrush was once called the nue.

**[14:03] Michiki**

Since the cry of the monster that appeared

**[14:06] Michiki**

in the *Tale of Heike* sounded  
similar to the bird's,

**[14:08] Michiki**

it was called the nue.

**[14:14] Michiki**

I didn't think the scaly thrush  
lived around here, though.

**[14:19] Michiki**

How unusual.

**[14:21] Fumie**

Maybe the foreigner who died in the cave-in

**[14:26] Fumie**

saw the bird, too.

**[14:28] Fumie**

All he wrote as he was dying

**[14:30] Fumie**

was "nue" in the English alphabet.

**[14:38] Hajime**

Wh-What are you talking about?

**[14:40] Hajime**

The foreigner saw it inside a  
cave at the excavation site!

**[14:43] Hajime**

It couldn't have been a bird!

**[14:45] Hajime**

It really was there!

**[14:47] Hajime**

Deep inside that cave, the legendary nue!

**[14:53] Heiji**

Yeah,

**[14:54] Heiji**

but none of the surviving  
members of the excavation team

**[14:57] Heiji**

saw the nue, right?

**[15:00] Yasukatsu**

Actually, it may not be entirely false.

**[15:03] Yasukatsu**

Long ago, the body of a nue fell on the  
western side of Hamana Lake in Shizuoka.

**[15:08] Yasukatsu**

The regions Nueshiro, Dosaki,  
Hanebira, and Ona of Mikkabi

**[15:11] Yasukatsu**

in Hamamatsu City's North Ward

**[15:13] Yasukatsu**

are said to have gotten their names

**[15:17] Yasukatsu**

from the nue's head, body, wings,

**[15:21] Yasukatsu**

and tail that fell.

**[15:22] Yasukatsu**

It's even said that the nue's  
legs fell here in Yadori Village.

**[15:27] Yasukatsu**

Yadori Village was once written using  
the characters for "night" and "bird."

**SIGN** Yadori (Night Bird)

**[15:32] Yasukatsu**

Together they make the character for nue.

**SIGN** Nue

**[15:37] Yasukatsu**

So this sound could be not the bird, but...

**[15:41] Both**

What?

**[15:45] Ran**

Huh?

**[15:46] Kazuha**

It stopped.

**[15:50] Kazuha**

Hey, let's go home.

**[15:52] Conan**

What? But we came all the way here.

**[15:55] Heiji**

And all those monster stories

were heard second-hand.

**[16:01] Heiji**

The foreigner writing the  
word "nue" at his death

**[16:04] Heiji**

must be fake, too.

**[16:06] Densuke**

Oh, I actually have that piece of paper.

**[16:09] Heiji**

Y-You do?

**[16:14] Densuke**

See? It says "nue."

**[16:17] Densuke**

After the cave-in, the previous  
mayor found it next to the body

**[16:22] Densuke**

when they dug the foreigner out.

**[16:25] Densuke**

It's been kept at the town  
hall for sixteen years.

**[16:29] Densuke**

Along with this old hairpin they  
supposedly found with the paper.

**[16:34] Heiji**

Really?

**[16:36] Ran**

If this dog belonged to that  
foreigner, he must be pretty old.

**[16:41] Kazuha**

It wouldn't be strange if he  
dropped dead any day now.

**[16:44] Densuke**

He was still a puppy when he had him.

**[16:48] Densuke**

What was found recently was  
this notebook with a page

**[16:51] Densuke**

that perfectly matches the  
torn edge of this piece of paper.

**[16:54] Densuke**

It details where and how  
the team was excavating

**[16:56] Densuke**

the cave, and on the basis of what information.

**[17:02] Densuke**

If we could go to the cave  
tomorrow and describe

**[17:05] Densuke**

where the buried treasure might be found,

**[17:07] Densuke**

while reading from this notebook

**[17:10] Densuke**

in front of a camera, you'd be  
doing Yadori Village a huge favor.

**[17:14] Conan**

*I see. He's making a video  
to revitalize his town.*

**[17:18] Heiji**

*So he never expected us to  
find any buried treasure.*

**[17:25] Densuke**

Rest well, everyone.

**[17:29] Yasukatsu**

Did you get the beverage I requested?

**[17:34] Yasukatsu**

I have trouble sleeping without it.

**[17:37] Michiki**

What about my sake?

**[17:39] Fumie**

And mine?

**[17:40] Densuke**

Yes, I bought all of them.

**[17:43] Densuke**

I'll bring them to your rooms later.

**[17:46] Densuke**

Someji-sama, you requested milk and whiskey.

**[17:49] Densuke**

Tanzawa-sama, you requested  
Japanese sake and dried cuttlefish.

**[17:52] Densuke**

Masuko-sama, you requested  
white wine and soda water.

**[17:55] Densuke**

And Tsurumi-sama, you requested  
cola and potato chips, right?

**[17:59] Hajime**

Yeah. I'll drink it from the  
bottle, so I don't need a glass.

**[18:02] Densuke**

Very well.

**[18:04] Densuke**

Hattori-sama, shall I bring  
anything for your group?

**[18:07] Heiji**

Nah, we're fine.

**[18:09] Heiji**

Right?

**[18:09] Kazuha**

Yeah.

**[18:11] Ran**

If we drink too many fluids, we'll have to use the bathroom in the middle of the night.

**[18:15] Kazuha**

I'm not sure if I'll be able to sleep tonight.

**[18:18] Ran**

Yeah.

**[18:19] Fumie**

You should inspect your rooms before you go to sleep.

**[18:24] Fumie**

There was a desiccated mouse corpse in the desk drawer of my room.

**[18:29] Both**

What?!

**[18:30] Densuke**

That's odd. I thought I cleaned everything.

**[18:35] Hajime**

If you're so scared, why don't you sleep with me in my room?

**[18:40] Heiji**

You can sleep with the mice!

**[18:43] Conan**

I agree.

**[18:56] Yasukatsu**

A letter?

**[18:59] Heiji**

What are you doing?

**[19:02] Heiji**

If you want to open the drawer, open it already.

**[19:05] Ran**

B-But...

**[19:06] Kazuha**

What if there's a mouse in there?

**[19:09] Conan**

There's nothing like that in there.

**[19:14] Ran**

There's something inside.

**[19:16] Kazuha**

Looks like old notebooks.

**[19:19] Kazuha**

I wonder whose they are.

**[19:20] Ran**

Maybe someone forgot them.

**[19:26] Kazuha**

Th-That's terrifying.

**[19:28] Kazuha**

It's the same character  
written over and over.

**[19:31] Ran**

Wh-What is that?

**[19:33] Conan**

Oh, the foreigner who died

**[19:38] Conan**

was probably practicing his hiragana.

**[19:40] Both**

What?

**SIGN** Charles Abel

**[19:41] Conan**

See? It says Charles Abel on the back.

**[19:45] Kazuha**

Doesn't that mean this is the room  
the dead foreigner stayed in?

**[19:51] Heiji**

It's light outside.

**[19:55] Heiji**

What's going on?

**[19:58] Heiji**

There's a fire in front of the hotel!

**[20:00] Both**

What?

**[20:01] Heiji**

Fire!

**[20:02] Heiji**

Run! There's a fire!

**SIGN** Stay Out Danger!

**[20:12] Heiji**

Who could've done this?

**[20:20] Hajime**

I-It's the nue...

**[20:23] Hajime**

The nue came in a cloud of black smoke.

**[20:28] Heiji**

You idiot! There's no way  
anything like that—

**[20:32] Kazuha**

Heiji! Look...

**[20:42] Conan**

*I-It's huge...*

**[20:44] Heiji**

*What is this thing?*

**[20:55] Heiji**

I-It's leaving!

**[20:57] Heiji**

Damn!

**[20:58] Heiji**

We can't go after it this way because of the fire!

**[21:01] Heiji**

Mayor, fire extinguishers!

**[21:03] Heiji**

Use all the fire extinguishers here to put out the fire!

**[21:06] Densuke**

G-Got it.

**[21:07] Heiji**

Kazuha, help them put out the fire!

**[21:09] Kazuha**

Wh-What about you?

**[21:11] Heiji**

Don't ask stupid questions!

**[21:13] Heiji**

I'm going around back to find out what that monster really is!

**[21:16] Ran**

Conan-kun!

**[21:25] Heiji**

There are huge teeth marks on it.

**[21:27] Conan**

Yeah.

**[21:28] Heiji**

That's weird, though.

**[21:30] Heiji**

We ran around the back...

**[21:33] Conan**

...but we didn't pass the monster.

**[21:36] Heiji**

Could it have gone through the trees

**[21:39] Heiji**

and into the lake?

**[21:47] Conan**

*Blood?*

**[21:52] Conan**

*It leads towards the lake.*

**[22:02] Heiji**

That's Someji-san!

**[22:04] Heiji**

Is he unconscious?

**[22:06] Conan**

No, he's already dead.

**[22:10] Conan**

With scratches on his back as though  
he was attacked by a wild beast.

H-He's dead?

**[23:46] Hajime**

It's the nue...

**[23:48] Hajime**

That giant monster got him.

**[23:51] Heiji**

It must've been some kind of trick.

**[23:53] Heiji**

I smell kerosene in these burns, too.

**[23:56] Heiji**

Where'd that fire come from?

**[23:58] Conan**

I don't know. It suddenly ignited.

**[24:03] Conan**

Wh-What was that scream?
