[00:15] Manabu

I have been proud and grateful,
for the past two years,

[00:21] Manabu

to have led the student body as
your student council president.

[00:25] Manabu

Simple though it may be,
this concludes my resignation speech.

[00:30] Manabu

Thank you all.

[00:35] Ayanokoji

Before, she'd have been inconsolable.

[00:38] MC

Thank you for all your hard
work, President Horikita.

[00:42] MC

We'll now hear a few words from the
incoming student council president.

[00:50] Nagumo

I am your newly instituted
student council president,

[00:54] Nagumo

Nagumo Miyabi of Class 2-A.

[00:58] Nagumo

I'll get right to the point:

[00:59] Nagumo

I wish to turn this school
into a true meritocracy.

[01:05] Nagumo

Students with ability
will be at the very top,

[01:08] Nagumo

and those without it at the very bottom.

[01:10] Nagumo

This is how things should be.

[01:19] Katsuragi

Your performance in the sports
festival was a genuine surprise.

[01:23] Ayanokoji

Katsuragi.

[01:24] Katsuragi

Please tell Horikita to watch out for Ryuen.

[01:29] Ayanokoji

Weren't you working with Ryuen in the past?

[01:33] Katsuragi

To my present chagrin.

[01:35] Katsuragi

I never should have gotten involved with him.

[01:39] Katsuragi

Ryuen is our mutual enemy.

[01:42] Ayanokoji

Understood.

[01:43] Ayanokoji

I'll let her know.

[01:45] Katsuragi

Please do.

[01:49] Ayanokoji

Both sides have our share
of worries, it seems.

[01:53] Sato

Hey...

[01:56] Sato

Listen...

[01:58] Sato

Could I talk to you a minute?

[05:12] Chabashira

As you can see, no one will
be expelled this time.

[05:16] Chabashira

In my three years leading Class D,

[05:18] Chabashira

I've never gone this long without
a single drop-out before.

[05:24] Chabashira

Well done.

[05:26] Miyake

Is that the first time she's
said something nice about us?

praise now and then!

[05:29] Yamauchi

Yeah!

[05:30] Yukimura

Feels like damning with
faint praise, though...

[05:32] Chabashira

But the danger isn't past just yet.

[05:36] Chabashira

You'll really have to prove yourselves
in the next special exam,

[05:38] Chabashira

which will serve as your finals.

[05:41] Chabashira

It's known as Paper Shuffle.

[05:45] Horikita

Paper Shuffle?

[05:46] Chabashira

This exam will have everyone in the
class participating in teams of two.

[05:51] Hasabe

Pairing up, you mean?

[05:53] Ike

I wanna be with Kikyo-chan!

[05:58] Sakura

Pairing up...

[06:02] Shinohara

You'll be with Hirata-kun,
right, Karuizawa-san?

[06:04] Karuizawa

Wh-What?

[06:05] Karuizawa

But... do we even get to choose?

[06:08] Sato

Hey! How exactly do the pairs get chosen?

[06:13] Chabashira

Hold your horses.

[06:15] Chabashira

The manner in which pairs are chosen will
be announced after next week's mini test.

[06:21] Yamauchi

Another test?!

[06:23] Chabashira

Its purpose will be to ascertain
your current academic ability.

[06:29] Chabashira

You'll receive no penalties for
low scores, even for a zero.

[06:33] Matsushita

Thank goodness!

[06:35] Chabashira

However, the mini test's results will
be crucial to the Paper Shuffle.

[06:43] Chabashira

If, on the upcoming special exam,

[06:45] Chabashira

the pair's total score falls
below the bar of sixty points,

[06:50] Chabashira

both students will be expelled.

[06:53] Chabashira

For instance, if Ike and
Hirata are paired up,

[06:55] Chabashira

even if Ike scores zero,
as long as Hirata scores sixty,

[06:58] Chabashira

you're safe.

[06:59] Chabashira

There's also a bar for total
performance across all subjects.

[07:04] Chabashira

I'll provide the precise numbers later,

[07:06] Chabashira

but in a given year, it's around 700
points across a total of eight subjects.

[07:11] Ayanokoji

*Which suggests a rough average of
44 points per subject is required.*

[07:18] Chabashira

One more thing.

[07:19] Chabashira

The questions for the upcoming test
will be crafted by you yourselves.

[07:24] Sudo

Huh?!

[07:26] Chabashira

And the questions crafted by each class

[07:28] Chabashira

will be answered by one of
the other three classes.

[07:32] Chabashira

You'll also get to choose which
class you hope gets your questions.

[07:36] Chabashira

In the case of a duplicate request,
a lottery will decide.

[07:40] Chabashira

And whichever class scores
higher between the two classes

[07:44] Chabashira

will steal fifty class points from the other.

[07:49] Horikita

Like a direct attack, then.

[07:52] Yukimura

What if they give you questions
that can't possibly be answered?

[07:56] Koenji

I'd love to see them try!

[07:59] Chabashira

No need to worry.

[08:01] Chabashira

The other teachers and I

[08:02] Chabashira

will scrutinize the questions to
make sure that doesn't happen.

[08:05] Chabashira

Obviously, cheating will
result in instant failure,

[08:08] Chabashira

and both members of the
pair will be expelled.

[08:12] Chabashira

The Paper Shuffle sees a pair
or two expelled every year.

[08:19] Chabashira

Keep that in mind.

SIGN Next exam: Paper Shuffle

- Pairs determined by the mini test
- Pair's combined score bar
- Bar for total score as well
- Questions crafted by the students
- Generated questions solved by another class
- Classes pitted directly against one another
- Two or three pairs expelled each year

- The system for determining the pairs is key

[08:22] Chabashira

I'll send an email with detailed rules
for how to craft your questions.

[08:27] Chabashira

I leave the rest for you to consider.

[08:31] Ayanokoji

[08:34] Horikita

[11:05] Horikita

Kushida-san and I...

[11:08] Horikita

We attended the same middle school.

[11:12] Horikita

The school was well attended,
and we were never in the same class,

[11:17] Horikita

so it took me some time to remember her.

[11:20] Horikita

One day, as our middle school
graduation drew near,

[11:26] Horikita

an incident occurred

[11:28] Horikita

that tore one of the classes apart.

[11:33] Horikita

And the rumor spread...

[11:36] Horikita

that the one who started it all

[11:40] Horikita

was a single female student.

[11:44] Ayanokoji

And you believe it was Kushida?

[11:46] Horikita

It's all rumors, of course.

[11:49] Horikita

I don't know exactly what happened,

[11:53] Horikita

but the class remained in
turmoil until graduation.

[11:58] Horikita

But how could a single person
destroy an entire class?

[12:03] Ayanokoji

I can think of a few ways.

[12:06] Ayanokoji

Listen, Horikita...

[12:09] Ayanokoji

Do you know what the strongest
weapon in this world is?

[12:13] Horikita

I'm not sure.

[12:15] Horikita

Violence, I suppose.

[12:18] Horikita

Nobody can stop violence
occurring in front of their eyes.

[12:22] Ayanokoji

That's not Kushida's style.

[12:25] Ayanokoji

If Kushida wields a power of
equal potency to violence...

[12:31] Horikita

One way or another,

[12:33] Horikita

Kushida-san sees me as an obstacle.

[12:36] Horikita

Even though I have no idea
what even happened...

[12:40] Ayanokoji

I'm sure she doesn't believe that's true.

[12:43] Ayanokoji

Direct action might be preferable
over trying to convince her.

[12:50] Horikita

Get Kushida-san expelled, you mean?

[12:53] Ayanokoji

A strong offense is frequently
the most effective defense.

[12:57] Horikita

You're the one who admonished me for
considering cutting Sudo-kun loose.

[13:03] Ayanokoji

Kushida will continue to plague
us until you're expelled.

[13:09] Horikita

Things have only gotten this bad, in part,
because I've refused to confront her.

[13:14] Horikita

And Kushida-san is quite talented.

[13:16] Horikita

She could be a considerable asset to Class D.

[13:21] Ayanokoji

You think you can bring her to our side?

[13:23] Horikita

Yes.

[13:24] Horikita

I'm going to keep talking to her.

[13:27] Horikita

And I *will* make her understand.

[13:32] Ayanokoji

Very well.

[13:34] Ayanokoji

If you're that determined,
I'll watch from afar.

[13:38] Horikita

"Watch from afar"?

[13:41] Horikita

But I'll ask you to refrain from

[13:42] Horikita

protecting me the way you
did at the sports festival.

[13:45] Ayanokoji

You knew about that?

[13:46] Horikita

I had an idea.

[13:48] Horikita

I was annoyed that you took action
on the assumption that I'd fail,

[13:53] Horikita

but I won't argue,
given how things turned out.

[13:57] Ayanokoji

Sorry about that.

[14:00] Horikita

However...

[14:02] Horikita

If not for you, right now, I'd...

[14:07] Horikita

Thank you.

[14:15] Ayanokoji

An extremely roundabout
expression of gratitude.

[14:20] Ryuen

Seems to me there's been too much
that's off in these recent exams.

[14:27] Ryuen

Too much to be a coincidence.

[14:30] Ryuen

The mastermind pulling Class D's strings...

[14:34] Ryuen

And the spy helping them out...

[14:38] Ryuen

I know it's one of you.

[14:41] Ibuki

You can't be serious!

[14:44] Ryuen

All right, you lot.

[14:46] Ryuen

Do you know what the strongest power in this world is?

[14:51] Ryuen

It's unrestrained violence.

[14:55] Ryuen

I'll give you one last chance.

[14:57] Ryuen

Come clean, and I'll let your betrayal slide.

[15:02] Ryuen

Do exactly as I say, and I'll protect you.

[15:05] Ryuen

But if you play dumb with me...

[15:17] Ryuen

What's the matter?

[15:19] Ryuen

Can't even look me in the eye,

[15:22] Ryuen

Manabe?

[15:25] Ryuen

You're the traitor, aren't you?

[15:32] Ryuen

You think I didn't know the whole time?!

[15:34] Manabe

I... I'm sorry...

[15:39] Ryuen

Don't sweat it. I forgive you.

[15:42] Ryuen

Just tell me one thing...

[15:45] Ryuen

Who's the mastermind behind it all?

[15:51] Ryuen

I see.

[15:53] Ryuen

Bullying can be a very amusing pastime.

[15:57] Ibuki

How stupid can you get?

[15:59] Ibuki

Just for that, you sold us out to their ringleader?

[16:02] Ryuen

Go easy on them, Ibuki.

[16:05] Ryuen

I've already said I forgive them.

[16:09] Ryuen

And you claim Yukimura and Ayanokoji
were the only witnesses?

[16:15] Kaneda

In other words, the mastermind
is one of those two?

[16:18] Ibuki

Hang on a minute.

[16:20] Ibuki

I've had a few interactions with Ayanokoji,

[16:22] Ibuki

and he didn't seem like
that kind of person to me!

[16:24] Ryuen

Ayanokoji...

[16:31] Ryuen

It seems almost too obvious
to be plausible...

[16:37] Ryuen

Maybe I'll use *her*.

[16:52] Kushida

Hey, over here!

[16:54] Karuizawa

Hey, took you long enough!

[16:56] Karuizawa

What've you been up to?

[16:58] Horikita

We'll start at once.

[16:59] Karuizawa

Total brush-off, huh?

[17:01] Karuizawa

Typical, I guess...

[17:03] Kushida

We're talking about Paper Shuffle, right?

[17:06] Horikita

No.

[17:07] Horikita

The matter of immediate concern
is next week's mini test.

[17:10] Sudo

But that don't got squat
to do with our grades!

[17:11] Ayanokoji

*Perhaps I'll see how
Horikita does on her own.*

[17:14] Horikita

If it doesn't influence
our academic standing,

[17:16] Horikita

then there can be only one reason for it:

[17:18] Horikita

The mini test's results will determine
the Paper Shuffle pairings.

[17:23] Horikita

Remember what our teacher said.

[17:26] (Flashback) Chabashira

The Paper Shuffle sees a pair
or two expelled every year.

[17:33] Horikita

Doesn't that number seem a bit low?

[17:36] Horikita

If all the poorest-performing
students are grouped together,

[17:38] Ayanokoji

Are you following this, Sudo?

[17:39] Horikita

you'd surely see a dozen or more failures.

[17:40] Sudo

Y-Yeah, you bet.

[17:42] Karuizawa

That's right!

[17:44] Hirata

Good point!

[17:45] Hirata

You think the pairs are designed
to create balanced scores?

[17:49] Horikita

Yes.

[17:50] Horikita

I believe the highest- and lowest-ranking
students will be paired together

[17:56] Horikita

so that all pairs have roughly
the same average score.

[18:00] Karuizawa

I get it!

[18:01] Horikita

Which means our goal should be

[18:03] Horikita

to precisely pair up those with the
highest and lowest academic performance.

[18:07] Horikita

We'll divide all members of Class D

[18:08] Horikita

into four blocks based on their current academic standing.

[18:12] Horikita

Those in the lowest block will leave their test sheets blank.

[18:17] Karuizawa

Oh, I get it!

[18:19] Karuizawa

Then they'll definitely get paired with the highest scorers!

[18:22] Horikita

Yes.

[18:23] Horikita

Similarly, those in the second-lowest block

[18:27] Horikita

will attempt to get only one question right.

[18:29] Hirata

I see. That'll reduce accidentally disadvantageous pairings.

[18:33] Ayanokoji

Are you keeping up with this, Sudo?

[18:36] Sudo

I'm pretty damn clueless.

[18:37] Sudo

Just keeping quiet so I don't get in the way.

[18:40] Karuizawa

Hey, you finally get how it works?

[18:42] Sudo

Shaddap! Nobody asked you!

[18:50] Horikita

This concludes my proposal.

[18:53] Horikita

The remaining question is: which class should we request to receive our questions?

[18:58] Hirata

Classes A and B are full of students with high academic performance.

[19:03] Sudo

So it sounds like...

[19:05] Horikita

Yes. Class C is our best bet.

[19:22] sign

Call Incoming

[19:34] Ayanokoji

I told you to limit our contact.

[19:39] Karuizawa

What's the big deal?

[19:41] Karuizawa

I just wanna know what you told Sato-san!

[19:44] Ayanokoji

This again?

[19:46] Ayanokoji

What does it matter to you what I told her?

[19:50] Karuizawa

It matters a ton!

[19:52] Karuizawa

You threatened me and made
me do a bunch of stuff!

[19:56] Karuizawa

So... if Sato-san finds out about that,

[19:59] Karuizawa

it'll lead to some weird rumors about me.

[20:02] Ayanokoji

Okay.

[20:03] Ayanokoji

I see what you're getting at.

[20:06] Ayanokoji

You're worried that if
I grow close with Sato,

[20:09] Ayanokoji

I'll neglect my promise to protect you.

[20:13] Karuizawa

Why is that your first thought?!

[20:15] Ayanokoji

Am I wrong?

[20:16] Karuizawa

Not entirely, but...

[20:18] Ayanokoji

I promise, you have nothing to worry about.

[20:21] Karuizawa

So you're going out with her?

[20:24] Ayanokoji

I didn't say that.

[20:26] Karuizawa

You basically did!

[20:30] Karuizawa

I'm getting your true colors
loud and clear here.

[20:32] Karuizawa

You think this is your big chance
to do some dirty stuff with someone.

[20:37] Ayanokoji

Why would you assume that?

[20:38] Ayanokoji

It's a tremendous leap in logic.

[20:41] Karuizawa

You think?

[20:42] Karuizawa

*You leaped right to making
me do that weird stuff...*

[20:45] Ayanokoji

I beg your pardon.

[20:46] Ayanokoji

*If every interaction I have
with a woman is suspect,*

[20:49] Ayanokoji

what does that mean for Horikita?

[20:51] Karuizawa

I know Horikita-san's not that kind of girl!

[20:54] Ayanokoji

She didn't actually ask me out yet, anyway.

[20:58] Karuizawa

Huh?

[20:59] Ayanokoji

She said she wanted to keep things platonic,

[21:02] Ayanokoji

and requested an exchange
of contact information.

[21:04] Karuizawa

Oh... Did she?

[21:08] Ayanokoji

So there was nothing to agree to.

[21:10] Karuizawa

But I still bet you hope you
get paired up with her, huh?

[21:15] Ayanokoji

Certainly not.

[21:17] Karuizawa

Well, I'll let you off the hook for now!

[21:21] Ayanokoji

How inexplicably condescending of you.

[21:24] Karuizawa

Not how I meant it!

[21:25] Karuizawa

Anyway, that's all I wanted to know.

[21:28] Karuizawa

See ya!

[21:28] Ayanokoji

Wait a minute.

[21:30] Ayanokoji

I want to check something.

[21:32] Karuizawa

What is it?

[21:33] Ayanokoji

*Manabe and the others haven't
gone after you since then?*

[21:38] Karuizawa

No... Not yet.

[21:41] Ayanokoji

If anything does happen, tell me right away.

[21:44] Ayanokoji

No matter what happens,

[21:46] Ayanokoji

I swear I'll resolve it.

[21:54] Karuizawa

You'd better.

[21:55] Karuizawa

I mean... that was our agreement and all.

[21:59] Ayanokoji

And make sure you delete the record—

[22:02] Karuizawa

...of this call, right? I know.

SIGN In Call

[22:05] Ayanokoji

Perfect. See you later.

SIGN Call Ended

[22:20] Ayanokoji

*The next day, Horikita explained
her plan to the class.*

[22:27] Ayanokoji

They seemed convinced by her explanation,

[22:29] Ayanokoji

and agreed to play along.

[22:33] Ayanokoji

*A Swiss zoologist,
Alfred Portmann, once said*

[22:38] Ayanokoji

that all humans are born premature.

[22:43] Ayanokoji

A newborn human can't even walk on its own.

[22:47] Ayanokoji

Horikita is the same way.

[22:49] Ayanokoji

But that same underdeveloped nature

[22:53] Ayanokoji

is an indication of the capacity

for infinite potential.

SIGN Day of the Mini Test

[23:00] Ayanokoji

An unprecedented sense of unity.

[23:09] Ayanokoji

It's best when I don't have to get involved.

SIGN The Next Day

[23:14] Chabashira

I will now announce the
pairs for Paper Shuffle.
