**[00:12] Rie**

Thank you.

**[00:15] Wom**

Next person auditioning?

**[00:24] Har**

My name is Mitsuishi Haruna.

I'm with AiRBLUE.

**[00:30] Har**

Thank you for having me!

**[00:41] Rio**

Haruna-chan!

**[00:42] Rio**

Welcome back.

**[00:44] Har**

Thank you.

**[00:46] Mai**

Welcome back, Haruna.

**[00:47] Shi**

Well, how did it go?

**[00:50] Har**

I'm not sure.

**[00:52] Har**

I personally felt like it  
went okay, but who knows?

**[00:55] Rio**

Oh, that reminds me!

**[00:56] Rio**

Speaking of auditions,

**[00:58] Rio**

the results from that audition  
you did a while ago came back.

**[01:05] Rio**

It looks like they didn't take  
anyone from our agency.

**[01:09] Hon**

That's too bad.

**[01:11] Chi**

Welcome to our ball, my dear prince!

**[01:15] Chi**

Thank you for waiting.

**[01:17] Chi**

Here's your Moon Omelet Rice of Fate  
and Glass Slipper Parfait.

**[01:20] Chi**

And your seaweed tea.

**[01:24] Chi**

What are you guys doing here?

**[01:27] Air**

Yuuki-chan insisted on coming.

**[01:30] Yuz**

We wanted to come back, too.

**[01:32] Chi**

Come on, you guys.

**[01:34] Chi**

For me, this is exhausting work, you know?

**[01:39] Air**

I'm so sorry.

**[01:41] Chi**

I was just joking.

**[01:42] Chi**

I'm not mad or anything.

**[01:45] Yuz**

No rest for the poor, huh?

**[01:46] Chi**

Hey, now.

**[01:48] Yuu**

We actually have a lot of free time, though.

**[01:51] Yuu**

I was thinking we'd be really busy  
with the anime adaptation of Himmel...

**[01:54] Yuu**

But then it turns out the  
recording starts in a year!

**[01:58] Air**

I guess making an anime  
takes a very long time.

**[02:03] Yuz**

Anime is so cool!

**[02:06] Chi**

A year, huh?

**[02:08] Chi**

That does sound kinda far off.

**[02:12] Rie**

At first, it was going okay,

**[02:14] Rie**

but after I messed up once,  
I completely fell apart.

**[02:18] Sat**

You'll just have to shake it off.

**[02:20] Sat**

We newbies just need to  
hit up a lot of auditions.

**[02:24] Rie**

I know that, but...

**[02:26] Sat**

In this business, even the most  
sought-after voice actresses get rejected.

**[02:30] Sat**

You need to get used to it,  
or you won't survive.

**[02:33] Rie**

Have you gotten used to it already?

**[02:38] Kid**

You know what?

**[02:39] Kid**

We'd love to see you in a play again!

**[02:43] Kid2**

When are you doing the next one?

**[02:45] Rin**

Yeah, we'd like to do one again, too.

**[02:51] Mei**

The stage readings are fun, huh?

**[02:55] Sat**

Yeah.

**[02:58] Sat**

They're not bad.

**[03:03] Rie**

Yeah.

**[03:05] Rie**

I'd like to do one again.

**[03:13] Rik**

Yeah, we're definitely losing listeners.

**[03:16] Aya**

I wonder why.

**[03:20] Mah**

It started going down around the time we  
started the *Boken Survivors* project.

**[03:26] Aya**

Shouldn't we be getting more listeners,

now that we're in an anime?

**[03:31] Mah**

The way we do *Survivors* is basically how we do our radio show.

**[03:37] Rik**

So you're saying all those listeners just moved over to *Survivors*?

**[03:42] Aya**

I see.

**[03:44] Mih**

Oh, my.

**[03:47] Rik**

I don't like seeing our listeners decline like this.

**[03:50] Rik**

Isn't there anything we can do?

**[03:53] Mih**

Yeah...

**[03:55] Rik**

Well, wouldn't it be okay to just call it quits at some point, then?

**[04:00] Rik**

If all our listeners are moving over to *Survivors*,

**[04:03] Rik**

doesn't that mean our radio show has served its purpose?

**[04:06] Mih**

Its purpose...

**[04:08] Rik**

But I can't imagine us not doing our show anymore.

**[04:13] Mah**

Nobody said this would be easy.

**[04:25] Chi**

Oh...

**[04:28] Rik**

I wasn't expecting you here at this hour.

**[04:31] Chi**

Work ran late, and then I was thinking I'd relax a bit before going to bed.

**[04:36] Rik**

Welcome back.

**[04:38] Rik**

Want to sit?

**[04:38] Chi**

Sure.

**[04:40] Rik**

What? The recording won't start for another year?

**[04:44] Chi**

Yeah.

**[04:44] Rik**

I see. I guess it takes longer than we thought.

**[04:49] Rik**

Do you feel demotivated now?

**[04:51] Chi**

I can't honestly say I don't...

**[04:55] Chi**

But Yuuki-chan and the others are almost annoyingly full of energy,

**[04:59] Chi**

so that one year might just go by in a flash.

**[05:03] Chi**

I'm also older than everyone else.

**[05:06] Rik**

You're saying that to me?

**[05:08] Chi**

Oh, sorry.

**[05:11] Chi**

But things start to get murky when all you're doing is your side job.

**[05:17] Chi**

Your sense of distance to your dreams, I mean.

**[05:19] Rik**

Yeah, even if it's a dream that finally came true,

**[05:23] Rik**

maybe you have to let it go in order to keep going forward.

**[05:30] Chi**

So I wondered a bit...

**[05:34] Chi**

If it's always, always...

**[05:37] Chi**

going to be...

**[05:39] Chi**

like this.

**[05:43] Rik**

I know what you mean.

**[05:45] Rik**

It's like...

**[05:56] Rik**

Goodnight.

**[06:00] Mai**

Huh?

**[06:01] Mai**

What's up?

**[06:03] Sat**

Oh.

**[06:07] Sat**

I've been taking walks here twice a week.

**[06:11] Mai**

I'm out for a walk, too.

**[06:15] Mai**

I see. So Rie-san's also a little down.

**[06:18] Sat**

Yeah, well, it's almost like we go to auditions to get shot down.

**[06:23] Mai**

True.

**[06:26] Mai**

I also really wanted to work on the project Haruna and the others auditioned for today.

**[06:32] Sat**

I guess Rie and Mitsuishi-san were both invited by name to the audition.

**[06:36] Mai**

Either way, I want to support Haruna and the others,

**[06:40] Mai**

but it also really sucks that I wasn't invited.

**[06:44] Mai**

It's hard to put it into words.

**[06:46] Sat**

I know.

**[06:47] Sat**

I think every voice actress should be fending for herself,

**[06:51] Sat**

but I do know what you're talking about.

**[06:54] Sat**

Well, I'm going to keep walking a little longer.

**[06:58] Mai**

And I'm pretty tired, so I'll be heading back.

**[07:05] Mai**

We might be going different ways,

**[07:07] Mai**

but we're still going back to the same home.

**[07:08] Mai**

That's kinda nice.

**[07:13] Sat**

That's true.

**[07:16] Mas**

I asked you all here today for one reason.

**[07:19] Mas**

In the near future, there's going to be a large-scale audition for a certain project.

**[07:24] Mas**

That project is *Alma of the Azure Valley*.

**[07:30] Har**

*That's...*

**[07:37] Aya**

But wasn't Alma...

**[07:39] Mah**

Yeah, Alma was...

**[07:44] Sat**

*Alma of the Azure Valley* is the title I once played Alma for.

**[07:50] Sat**

A lot of time has passed since then,

**[07:53] Sat**

and a lot of new characters have been introduced.

**[07:56] Har**

This seems unreal...

**[07:59] Mas**

We've arranged it so that all of AiRBLUE can participate.

**[08:03] Mas**

Please make your individual decisions after talking to Rio.

**SIGN** Movie Adaptation of *Alma of the Azure Valley*  
Project Plan

**[08:10] Kir**

They seemed a little hesitant.

**[08:13] Rio**

Yes.

**[08:14] Rio**

The audition results haven't been good lately.

**[08:17] Rio**

I'm wondering if they're starting to lose confidence.

**[08:19] Mas**

Everyone has to go through that.

**[08:21] Kir**

That's right.

**[08:22] Rio**

B-But isn't this precisely when the teams should support each other?

**[08:26] Mas**

To be a voice actress is to be alone.

**[08:28] Mas**

Everyone has to walk their own path,

**[08:31] Mas**

even if they happen to be on the same team.

**[08:33] Rio**

That's true, but...

**[08:38] Kir**

But, Masaki, you're still thinking about that dream of yours, aren't you?

**[08:44] Mas**

You got me.

**[08:46] Mas**

When people are taking their first step out onto that dark path,

**[08:49] Mas**

I wonder how many more possibilities would unfold

**[08:52] Mas**

if only there was a small, friendly voice calling to you...

**[08:57] Hon**

I see. This was your dream, huh?

**SIGN** Main Characters

**SIGN** Lilia

Daughter of Alma and Rick.

She seems innocent and calm, but she's brimming with curiosity and will jump head-first into dangerous situations.

Her friend Rush always comes to her rescue when she's in a tight spot.

It was decided that she is to receive her mother's jewel and the powers of a fairy.

But on the night before the ceremony, the jewel emits a strange light, and Lilia and Rush are thrown into a different world.

**[09:01] Har**

Yeah.

**[09:02] Hon**

Dreams, huh?

**[09:04] Har**

What is it?

**[09:05] Hon**

Well, I've been thinking lately.

**[09:08] Hon**

Back when I got that part in *Bloom Ball*,  
and while I was recording,

**[09:12] Hon**

it felt real, that I had actually  
become a voice actress.

**[09:16] Hon**

That my dream had come true.

**[09:20] Hon**

But without a job,  
we're just regular students.

**[09:25] Hon**

Makes you wonder which parts of  
you really are the voice actress.

**[09:30] Har**

Yeah.

**[09:31] Har**

I can't really put it eloquently...

**[09:34] Har**

Right now, I'm still desperate.

**[09:37] Har**

But every day is fun.

**[09:41] Har**

I guess I'd like to keep going until  
I find the answer to that question.

**[09:46] Mai**

Yeah, we were desperate.

**[09:51] Hon**

Yeah, but each day is fun.

**[09:54] Shio**

Yeah.

**[10:00] Shio**

That reminds me. It's today.

**[10:03] Mai**

What is?

**[10:06] Shio**

The one-year anniversary  
of us all coming here.

**SIGN** 1st anniversary!

**[10:11] Aya**

Hey.

**[10:12] Aya**

What do you think voice acting is?

**[10:14] Rik**

That's a hard question out of the blue.

**[10:16] Aya**

It's been on my mind since we had that talk  
about what we should do with the radio show.

**[10:24] Mah**

I guess it's work where you  
earn money with your voice.

**[10:27] Mih**

So I guess we're all voice actresses.

**[10:30] Mah**

For now.

**[10:32] Mih**

For now?

**[10:34] Mah**

For now.

**[10:35] Mah**

I mean, we don't know what's ahead.

**[10:37] Mah**

It's not just about making money,

**SIGN** Ride the

**[10:39] Mah**

but about our voices  
actually reaching someone.

**[10:42] Rik**

**[10:51] Mah**

Of course, that's important.

**[10:53] Mih**

And the radio?

**[10:59] Mah**

Of course, that's important, too.

**[11:01] Mih**

So why are we quitting?

**[11:03] Mah**

I just said that it's served

the purpose it had until now.

**[11:06] Aya**

There's no money in it, either.

**[11:08] Rik**

Are we gonna keep it going, then?

**[11:10] Mah**

Of course we will!

**[11:12] Mah**

It's the very first thing we did together.

**[11:16] Mah**

Besides, I'm a professional voice actress.

**[11:20] Aya**

So what's a professional  
voice actress to you?

**[11:23] Mah**

Someone who earns money with their voice.

**[11:28] Rik**

You circled right back around.

**[11:30] Mih**

I guess we'll continue the radio show, then.

**[11:32] Rik**

Yay! Should we do something  
to commemorate this?

**[11:34] Mah**

Commemorate?

**[11:36] All**

We're back!

**[11:37] Shi**

We're home.

**[11:38] Mih**

Welcome back.

**[11:40] Mih**

What's up?

**[11:43] Hon**

Today... is the anniversary  
of the first day we all met!

**[11:48] Mah**

Huh?

**[11:49] Both**

Anniversary?

**[11:50] Mai**

So we wanted to do something.

**[11:52] Har**

With everyone in the dorm!

**[11:54] Shi**

Right.

**[11:55] Hon**

Everyone, myself included,

**[11:57] Hon**

seems to be a bit lost lately,

**[12:00] Hon**

so I kinda wanna do something  
to, like, psych ourselves up!

**[12:04] Mih**

That's pretty good timing, huh?

**[12:11] Rik**

Good morning, good day, good evening!

**[12:14] Aya**

Keep Out!

**[12:21] Mih**

Brought to you with all our love!

**[12:27] Rik**

Today is a very important day for us,

**[12:31] Rik**

so we wanted to bring you to  
this very special broadcast.

**[12:34] Mih**

Today, it's been exactly one year since all of  
us came together to work here at AirBLUE.

**[12:41] Rik**

Which is why we asked all of our friends  
here at the dorm to join the show today!

**[12:48] All**

Hello!

**[12:50] Rik**

So let's do introductions!

**[12:52] Rik**

And make it snappy.

**[12:53] Har**

I'm Mutsuishi Haruna.

**[12:55] Mai**

I'm Takatori Maika.

**[12:56] Shi**

Kano Shiho. Nice to meetcha.

**[12:58] Hon**

My name is Tsukii Honoka!

**[13:01] Yuu**

Tendo Yuuki!

**[13:02] Chi**

Akagawa Chisa here.

**[13:03] Air**

I'm, uh, Eniwa Airi.

**[13:05] Yuz**

I'm Kujo Yuzuha!

**[13:08] Rie**

My name is Eris, the demon Eris—

**[13:10] Sat**

You're Maruyama Rie.

**[13:12] Sat**

And I'm Utsugi Satori.

**[13:13] Myou**

I'm Myoujin Rinne!

**[13:15] Mei**

I'm Toomi Mei.

**[13:17] Rik**

That's all of our wonderful friends here!

**[13:21] Rik**

Our show actually has a theme today.

**[13:23] Aya**

It's been one year since we started  
working as voice actresses.

**[13:28] Aya**

We're still experiencing a lot of bumps,

**[13:31] Aya**

and turns, and feelings of doubt.

**[13:33] Rik**

But by cheering each other on,

**[13:36] Rik**

we've somehow managed  
to survive until this day.

**[13:39] Rik**

So at this turning point...

**[13:41] Mih**

Please listen to our voices and  
stories as fledgling voice actresses.

**[13:50] Chi**

Uh, I'm Akagawa Chisa!

**[13:53] Chi**

We're voice actresses,

**[13:54] Chi**

but Yuuki, Airi, Yuzuha and I are mainly  
focused on our idol unit, Chun×4.

**[13:59] Chi**

Actually, that's more or less all we do...

**[14:02] Air**

Singing and dancing is very hard,

**[14:04] Air**

so at times, I got so scared  
that it made me cry...

**[14:07] Yuz**

It's been so much fun!

**[14:09] Yuz**

And it's only going to be getting more fun!

**[14:12] Yuu**

If you really do your best,

**[14:15] Yuu**

you can convey your  
emotions with your voice.

**[14:17] Yuu**

That's something that really  
clicked this last year.

**[14:20] Yuu**

Oh, and they're making Chun×4 into an anime!

**[14:22] Yuu**

Hope you'll all tune in!

**[14:24] Rik**

Thanks!

**[14:25] Rik**

Next up is Rie's group.

**[14:28] Rie**

For me, as a creature of the darkness,

**[14:31] Rie**

the concerns and worries of  
humans are meaningless.

**[14:33] Rie**

They are sickeningly absurd.

**[14:36] Rin**

Oh, no! Rienne, are you sick?!

**[14:39] Rie**

That's not what I...

**[14:41] Sat**

Stop talking nonsense.

**[14:43] Mei**

Rie...

**[14:46] Rie**

The truth is, it wasn't going  
so great for us when we started.

**[14:50] Rie**

We called ourselves industrial  
waste and stuff...

**[14:54] Rie**

But so much has changed since  
the four of us came together.

**[14:58] Rie**

Recently, we finally got to be in an anime,

**[15:01] Rie**

began working as an idol unit, and so on.

**[15:05] Rie**

We did feel a bit down because we haven't  
been called back after several auditions,

**[15:13] Rie**

but...

**[15:14] Rie**

Where we are right now

**[15:15] Rie**

is a place we could only reach  
because the four of us are together!

**[15:19] Rie**

If everyone has their own path to walk there,

**[15:21] Rie**

I am certain that nothing will stand  
in the way of our fierce rule!

**[15:26] Sat**

So, that kind of sums us up.

**[15:29] Mei**

Yeah.

**[15:30] Rin**

That was so cool!

**[15:32] Mah**

Next up is...

**[15:33] Mah**

Haruna's group.

**[15:34] Har**

Oh! Well...

**[15:39] Mai**

Um, I'm Takatori Maika.

**[15:41] Mai**

I was able to be in an  
anime called *Bloom Ball*,

**[15:44] Mai**

but I'm fully aware that I'm

still not good enough yet.

**[15:48] Hon**

I feel very much like Maika.

**[15:51] Hon**

But I'm going to accept my weaknesses,

**[15:54] Hon**

then train and train and  
become a stronger person!

**[15:58] Shio**

All right, musclehead.

**[16:00] Shio**

You ready now, Haruna?

**[16:02] Har**

Yes. Thank you.

**[16:05] Har**

I guess I've been thinking and  
feeling what everyone else has.

**[16:10] Har**

All the time, I feel uncertain, scared,  
and have no confidence in myself.

**[16:16] Har**

I know that from far away,

**[16:18] Har**

we probably all look like almost  
identical fledgling voice actresses.

**[16:25] Har**

But being as close as I am,

**[16:27] Har**

I can see how everyone here  
glows in their own color.

**[16:32] Har**

Having basked in all of their colors,

**[16:36] Har**

my glow probably has all sorts of colors.

**[16:39] Har**

So now I feel like, if I'm chosen in an audition,

**[16:42] Har**

it wasn't just my own glow  
that made them choose me.

**[16:46] Har**

So I'd like to take this  
opportunity to thank you all.

**[16:51] Har**

Thank you for everything!

**[16:56] Mai**

Haruna, you had that all prepared.

**[17:00] Mah**

That was pretty amazing  
if you just ad-libbed it.

**[17:04] Har**

I... did think about it a little...

**[17:09] Rik**

But I feel like I just heard a great story.

**[17:13] Aya**

The power of words truly is amazing.

**[17:18] Mih**

And we will continue to  
take those important words,

**[17:23] Mih**

and carry them straight  
to you with our voices.

**[17:44] Rie**

I'd like my voice to reach someone.

**[17:47] Rie**

That dream alone is what  
brought us all this way.

**[17:52] Air**

But most of what I wanted didn't work out,

**[17:55] Air**

and only a tiny fraction went well...

**[17:59] Aya**

There were times when I felt  
so lost, and had to cry...

**[18:03] Hon**

Sometimes, there were days  
when this dream felt heavy.

**[18:08] Chi**

I don't have time to stand still,

**[18:11] Chi**

and yet, I find myself wishing  
there was someone by my side.

**[18:15] Rin**

Even something like eating a  
meal together sounds nice then.

**[18:20] Mah**

Sometimes, just hearing a "good morning"  
or a "goodnight" can save you.

**[18:25] Yuu**

I realized that these moments only exist here.

**[18:30] Mei**

In reality, each of our starting points and  
the scenery we're seeing are different.

**[18:35] Mai**

And I understand that all of us will

eventually go our separate ways.

**[18:41] Shi**

The moment I understood that, I got scared.

**[18:46] Mih**

When I look up at the infinite sky,

**[18:49] Mih**

it's so full of hope and possibility and doubt.

**[18:54] Rik**

But nothing can stop us from  
wanting to reach the sky.

**[18:59] Yuz**

One day, you'll see us flying high.

**[19:02] Sat**

Until that day, we're proud to be here,

**[19:05] Sat**

looking in the same direction.

**[19:08] Har**

Which is why we'll all make  
our mark with our voices.

**[19:12] Har**

At this time, in this moment...

**[19:17] All**

We are voice actresses!

**[19:22] Song**

*Hey, look, the scenery is changing*

**[19:25] Song**

*I'm leaving the person I was yesterday behind*

**[19:29] Song**

*Who is this, reflected in the window?*

**[19:36] Song**

*Someone who looks like me was smiling*

**[19:40] Song**

*I reach out for them, but they slip away*

**[19:42] Song**

*It's me, but I'm far away*

**[19:46] Song**

*And the colors are faded*

**[19:50] Song**

*But I'm certain that I am here*

**[19:56] Song**

*In order to advance*

**[19:59] Song**

*The time that has stopped*

**[20:00] Song**

*And the monochrome season*

**[20:03] Song**

*Keep chasing it, keep chasing it*

**[20:07] Song**

*Toward the future up ahead*

**[20:10] Song**

*What color should you and I make it?*

**[20:17] Song**

*So just one step forward, one step forward*

**[20:21] Song**

*Layering on my color*

**[20:25] Song**

*And paint from the heart*

**[20:28] Song**

*Onto this sparkling white canvas*

**[20:47] Song**

*Everything won't just go  
perfectly right from the start*

**[20:50] Song**

*But I want to get closer  
to reality than yesterday*

**[20:54] Song**

*And slowly, I become me*

**[21:01] Song**

*When the tears come and you want to erase it*

**[21:04] Song**

*The courage to keep your back straight*

**[21:08] Song**

*Will someday*

**[21:09] Song**

*Become someone's strength*

**[21:14] Song**

*Make as many mistakes as you want*

**[21:21] Song**

*Because the new colors you layer on each time*

**[21:25] Song**

*Will give you strength*

**[21:28] Song**

*So again and again*

**[21:31] Song**

*Think about all of our*

**[21:35] Song**

*Individual futures and layer them on forever*

**[21:42] Song**

*I still don't have an answer*

**[21:46] Song**

*To the question you asked*

**[21:50] Song**

*But I want to paint it vividly*

**[21:53] Song**

*Onto the canvas in front of me*

**SIGN** Final Episode

**SIGN** The End of the Beginning

**[22:04] Song**

*Red, blue, green, yellow, orange, rainbow*

**[22:09] Song**

*Everyone's colors*

**[22:11] Song**

*With this brush that I was given*

**[22:14] Song**

*I carry those colors*

**[22:18] Song**

*So many smiles, overflowing smiles*

**[22:21] Song**

*That's what I want to paint, now and forever*

**[22:25] Song**

*I'm starting to see it bit by bit*

**[22:28] Song**

*Our future*

**[22:31] Song**

*So let it always ring, let it always ring*

**[22:35] Song**

*Let it ring in our voices*

**[22:39] Song**

*And let's finish this painting someday*

**[22:46] Song**

*We've yet to find a color we didn't need*

**[22:53] Song**

*It's gonna be fine, just believe*

**[22:56] Song**

*In this painting*

**[23:00] Song**

*Keep chasing it, keep chasing it*

**[23:00] Rio**

All right, everyone.

**[23:01] Rio**

The audition is starting now.

**[23:03] Song**

*Toward the future up ahead*

**[23:03] All**

Yes ma'am!

**[23:04] Rio**

Who wants to go first?

**[23:06] Har**

Me!

**[23:07] Song**

*What color should you and I make it?*

**[23:08] Har**

I, Mitsuishi Haruna, will go first!

**[23:14] Song**

*So just one step forward, one step forward*

**[23:15] Har**

Huh? Masaki-san?

**[23:18] Song**

*Layering on my color*

**[23:18] Mas**

For today's audition,

**[23:20] Mas**

you'll be reading along with my Alma.

**[23:21] Song**

*You can see it, right?*

**[23:24] Song**

*The new future on this canvas*

**[23:25] Har**

Okay! Thank you!

**[23:30] Mas**

The time to set out has come.

**[23:32] Mas**

May the fairies watch over you.

**[23:35] Har**

I'm going now, Mother.

**[23:38] Mas**

There's nothing to fear.

**[23:40] Mas**

Spread those wings on your back  
and take to that blue sky.

**[23:44] Mas**

You're free to go as far  
and high as you please.

**[23:48] Har**

I will!

**[23:54] Har**

Everyone has a sky they can fly in!
