**[00:04] VillagerOld**

Vile demon!

**[00:07] Villager1**

You're the reason calamity has befallen us!

**[00:10] Villager2**

Ingrate!

**[00:11] Villager2**

Drop her in!

**[00:12] Villager3**

Hurry up and drop that immortal in!

**[00:23] Chief**

Drop her in!

**[00:24] Villager4**

Yes!

**[00:51] Villager3**

Wh-What?!

**[00:52] Old**

It's a disaster!

**[00:53] Veltol**

I came because I heard rumors  
of an immortal, but...

**[00:56] Veltol**

Indeed.

**[00:58] Veltol**

You are beautiful.

**[01:00] Veltol**

Your soul shines as bright  
and fiery as the sun.

**[01:04] Veltol**

It would be a shame  
for you to perish here.

**[01:08] Veltol**

Come, woman.

**[01:09] Veltol**

Devote your body and your soul to me.

**[01:30] Machina**

Alarm, off.

**[01:55] Machina**

Eleclait.

**[01:59] Elec**

Good morning, Miss Machina.

**[02:01] Elec**

It is currently the 13th of the month of the Dragon, 2099 Fused Era.

**[02:07] Elec**

The current time is 6:03 AM.

**[02:09] Elec**

The average temperature within the cryotolerance zone is -2 degrees.

**[02:14] Machina**

It's warm today.

**[02:15] Machina**

How are you doing, Elec?

**[02:17] Elec**

Your Familia is currently operating in normal mode.

**[02:21] Elec**

The magistorage and quantum processing features

**[02:24] Elec**

are all functioning in optimal condition.

**[02:28] Machina**

That wasn't what I meant...

**[02:30] Machina**

But forget it.

**[02:35] Machina**

Lord Veltol.

**[02:39] Machina**

I have finished preparing breakfast.

**[02:45] Veltol**

Oh? I've never seen any of these before.

**[02:48] Veltol**

They smell good, though.

**[02:51] Veltol**

It stimulates even an immortal's appetite.

**[02:54] Machina**

I hope it's to your liking.

**[02:57] Veltol**

Well, let's try it.

**[03:23] Veltol**

It's good.

**[05:05] Veltol**

Do you know the whereabouts  
of any other immortals?

**[05:10] Machina**

I know there are others who escaped  
the Immortal Hunts like I did.

**[05:14] Machina**

But recently, immortals  
have been disappearing,

**[05:17] Machina**

and I've lost contact with my close aides,  
Ornared and Palmlock, as well.

**[05:22] Machina**

I hope they've just gone  
into hiding somewhere.

**[05:25] Veltol**

Are these Immortal Hunts  
still happening?

**[05:28] Machina**

No, the Immortal Hunts  
ended several decades ago.

**[05:33] Machina**

The prejudice people felt at  
the time has waned as well.

**[05:36] Machina**

They were originally instigated  
to secure Marcus' position,

**[05:40] Machina**

and he has no reason  
to revive them.

**[05:44] Machina**

I went to my aides' rooms  
after I lost contact,

**[05:48] Machina**

and it looked like there  
had been a fight inside,

**[05:50] Machina**

but the hastily scrawled note they left  
behind contained only a single phrase.

**SIGN** Immortal Furnace

**[05:57] Veltol**

"Immortal Furnace"?

**[05:59] Machina**

I just hope they're both safe.

**[06:03] Machina**

Lord Veltol?!

**[06:05] Veltol**

I'm all right.

**[06:06] Veltol**

I appear to still have a few  
traces of yesterday's injury.

**[06:10] Veltol**

More than just my  
regeneration has weakened.

**[06:13] Veltol**

The Ell Stunna I released

**[06:15] Veltol**

would have completely cleared away  
those clouds if I had my full power.

**[06:21] Veltol**

Everything has deteriorated greatly  
compared to before my resurrection.

**[06:26] Machina**

Lord Veltol, that's because the faith  
that served as a source of your power

**[06:30] Machina**

has greatly declined in this modern age.

**[06:33] Veltol**

Without others to recognize and  
turn their emotions toward me,

**[06:36] Veltol**

my power of faith has been lost.

**[06:39] Veltol**

I suppose that means I'm being forgotten.

**[06:43] Machina**

At present, you're only spoken  
of as a part of history.

**[06:48] Veltol**

It's nothing to fret over.

**[06:51] Veltol**

Le Dua.

**[06:55] Veltol**

My life is eternal.

**[06:58] Veltol**

I simply need to gradually reclaim my faith.

**[07:03] Veltol**

Now, sitting around here would be tedious.

**[07:06] Veltol**

I'm going to survey the surrounding area.

**[07:08] Machina**

Are you well enough for that?

**[07:10] Veltol**

I'm well enough for daily life.

**[07:13] Veltol**

Sitting around napping all day  
would be far worse for my body.

**[07:18] Machina**

Um, in that case...

**[07:20] Veltol**

Hm? What is it?

**[07:23] Machina**

Would you like to go shopping?

**[07:27] Machina**

We should start by procuring some  
clothing for you, Lord Veltol.

**[07:40] Veltol**

What is this?

**[07:42] Machina**

Please stand there.

**[07:44] Machina**

It'll take a 3D-scan.

**[07:47] Veltol**

A 3D-scan?

**[07:51] Machina**

I'm well aware

**[07:52] Machina**

that it would typically be my  
duty as your vassal to prepare

**[07:57] Machina**

much higher quality garments than  
those this store offers, but...

**[08:01] Veltol**

No matter.

**[08:03] Veltol**

When one possesses  
true beauty, as I do,

**[08:05] Veltol**

even cheap attire is unable  
to tarnish that elegance.

**[08:10] Veltol**

I would even be perfectly at ease baring  
my natural body before the masses!

**[08:16] Machina**

No, please wear something!

**[08:19] Machina**

The common people are far too unworthy  
of beholding your royal body!

**[08:23] Veltol**

Is that so?

**[08:25] Machina**

Yes, it is.

**[08:29] Machina**

Do you have any preferences  
for your clothing?

**[08:32] Veltol**

I leave it up to you.

**[08:34] Machina**

As you wish.

**[08:37] Machina**

*Elec, please select the best option from the  
perspective of cost, practicality, and versatility.*

**[08:44] Elec**

Very well!

**[08:46] Elec**

This is the clothing that  
meets your conditions.

**[08:50] Machina**

Huh?

**[08:51] Machina**

Huh? A tracksuit?!

**[08:53] Machina**

No, not a tracksuit...

**[08:55] Veltol**

It's nice.

**[08:56] Machina**

Huh?

**[08:57] Veltol**

The design is simple, yet refined.

**[09:00] Veltol**

This is the perfect form I've been seeking.

**[09:04] Veltol**

Well done, Machina.

**[09:07] Veltol**

Oh! What a wonderful design!

**[09:10] Veltol**

Is this some kind of crest?

**[09:12] Machina**

Um, it's an old form of writing once used  
by the nation that flourished in these lands.

**[09:17] Veltol**

Oh?

**[09:18] Veltol**

Then what does it say?

**[09:20] Machina**

"Demon Lord."

**[09:24] Machina**

Let's move on to our next stop.

**[09:26] Veltol**

Wait, Machina.

**[09:27] Veltol**

You haven't given it any coins yet.

**[09:29] Machina**

Oh, the automated digital payment was already made.

**[09:33] Veltol**

Hm?

**[09:36] Veltol**

Hey, Machina.

**[09:38] Machina**

Yes?

**[09:39] Veltol**

What is the Familia like?

**[09:42] Machina**

What do you mean?

**[09:44] Veltol**

Setting Marcus' rebellion aside,

**[09:46] Veltol**

it's a simple fact that the Familia itself is a revolutionary device.

**[09:51] Veltol**

So I'm curious about it.

**[09:53] Machina**

Well, I would say it's extremely convenient.

**[09:57] Machina**

There's its original use for magic,

**[09:59] Machina**

but it can also be used to gather information, go shopping,

**[10:02] Machina**

and communicate without the need to carry anything.

**[10:05] Veltol**

Hm.

**[10:07] Machina**

There used to be a portable device that performed most of the same functions,

**[10:12] Machina**

but needing to physically hold it limited its convenience.

**[10:17] Veltol**

Let me touch it.

**[10:20] Machina**

Wh-Wh-Wh-What?!

**[10:22] Veltol**

Don't move.

**[10:23] Machina**

Yes!

**[10:25] Machina**

*He's doing this so brazenly in public...*

**[10:28] Machina**

*But Lord Veltol's orders are absolute.*

**[10:31] Machina**

*I have no choice!*

**[10:33] Machina**

*I have no reason to refuse, either!*

**[10:36] Elec**

Abnormally elevated heart rate  
and blood pressure detected.

**[10:40] Elec**

Promptly seek—

**[10:40] Machina**

*Shut up!*

**[10:42] Veltol**

I'm done.

**[10:43] Machina**

Huh?

**[10:44] Machina**

Oh, yes.

**[10:46] Machina**

You just wanted to inspect  
the Familia, right?

**[10:49] Machina**

Right...

**[10:51] Veltol**

It doesn't get in the way, being  
attached to the nape of your neck?

**[10:55] Machina**

It felt strange at first,

**[10:57] Machina**

but I've gotten used to it.

**[10:58] Veltol**

You got used to it, huh?

**[11:01] Machina**

Yes.

**[11:02] Machina**

It's difficult to get through  
daily life without one of these.

**[11:06] Machina**

Though...

**[11:08] Machina**

having one doesn't necessarily  
improve your life either.

**[11:18] Machina**

Lord Veltol?

**[11:20] Veltol**

I'm going to work.

**[11:21] Machina**

Huh?

**[11:23] Veltol**

I said I'm going to work.

**[11:26] Machina**

You mustn't!

**[11:27] Machina**

Lord Veltol, there's no need  
for you to do such a thing!

**[11:31] Veltol**

But Machina—

**[11:32] Machina**

I may be forced to live this way for now,

**[11:35] Machina**

but I will provide a better life for you.

**[11:37] Machina**

Uh, um, practically speaking,  
I'll pick up more shifts,

**[11:42] Machina**

take on another  
two or three jobs and—

**[11:43] Veltol**

Machina, listen.

**[11:46] Veltol**

Times have changed.

**[11:48] Veltol**

Even I am not omnipotent.

**[11:51] Veltol**

Perhaps the time has  
come for me to change.

**[11:54] Veltol**

I cannot abide doing nothing

**[11:56] Veltol**

while you work all by yourself to provide  
me with food, clothing, and shelter.

**[12:01] Veltol**

Without my duties as king to occupy me,

**[12:04] Veltol**

I must now pursue labor.

**[12:10] Veltol**

Machina.

**[12:13] Veltol**

I have not given up on  
conquering this world, myself!

**[12:19] Veltol**

Will you dedicate yourself  
to me once more?

**[12:24] Machina**

As you command.

**[12:27] Machina**

I, Machina Soleige, shall serve  
Your Highness for as long as I live.

**[12:34] Machina**

I swear it upon my soul.

**[12:41] Veltol**

That Machina...

**[12:43] Veltol**

She didn't need to worry *that* much.

**[12:46] (Flashback) Machina**

I'll accompany you if  
you're looking for a job!

**[12:49] (Flashback) Veltol**

I thought you had work after this.

**[12:52] (Flashback) Machina**

I'll call off!

**[12:53] (Flashback) Veltol**

You will not!

**[12:54] (Flashback) Veltol**

All right, listen, Machina.

**[12:56] (Flashback) Veltol**

Listen closely.

**[12:57] (Flashback) Veltol**

While I find the prospect impossible,

**[12:59] (Flashback) Veltol**

let's say that I am unable to find work due  
to a string of incidental misfortunes.

**[13:03] (Flashback) Veltol**

If that were to happen,

**[13:05] (Flashback) Veltol**

then I would be reliant on your income!

**[13:09] (Flashback) Machina**

Reliant on me?!

**[13:11] (Flashback) Veltol**

Yes.

**[13:12] (Flashback) Veltol**

Your earnings are needed, Machina.

**[13:14] (Flashback) Orc**

What a scumbag.

**[13:16] (Flashback) Mother**

Hope his dick falls off.

**[13:18] (Flashback) Machina**

I understand.

**[13:20] (Flashback) Machina**

Then at least take this.

**[13:22] (Flashback) Machina**

It's already charged up  
with a little money.

**[13:25] (Flashback) Machina**

If you get hungry,  
use this part to pay.

**[13:28] (Flashback) Machina**

Also, if you have any issues,  
then please contact me with this.

**[13:32] (Flashback) Machina**

It has a tracker,  
so I'll race to your side at once.

**[13:34] (Flashback) Machina**

Also, also, if anyone  
suspicious talks to you,

**[13:37] (Flashback) Machina**

press this a few times  
and an alarm will sound.

**[13:40] Veltol**

I am not a child.

**[13:43] Veltol**

However, while I said I would work,

**[13:46] Veltol**

I have absolutely no idea what work  
is available, or how to land a job.

**[13:51] Veltol**

Maybe I should ask Machina.

**[13:54] Veltol**

No, there's no need.

**[13:56] UdonShop**

Hey! Welcome!

**[13:57] UdonShop**

One udon, enjoy.

**[14:03] Veltol**

It's been an awfully long  
time since I felt hunger.

**[14:06] Veltol**

The decline in my faith must be severe.

**[14:12] Veltol**

What should I do?

**[14:14] Ejyu**

Yeah, what's up?

**[14:16] Ejyu**

Huh?

**[14:17] Ejyu**

That ain't it.

**[14:18] Ejyu**

I left Bunny Bones in charge of that.

**[14:21] Vagabond**

Hey mister, could you spare some change?

**[14:21] Ejyu**

Yeah. Yeah. Counting on you.

**[14:24] Ejyu**

-Make sure you be careful, okay?

**[14:24] Vagabond**

Something to eat would be nice, too.

**SIGN** I lost my leg in the war.

Please spare some change.

**[14:28] Veltol**

I guess some people can't be picky.

**[14:36] Veltol**

Does anyone have a job for me?!

**[14:39] Veltol**

I have no money!

**[14:41] Veltol**

So I'm looking for work right now!

**[14:44] Veltol**

I can't guarantee my capability,

**[14:46] Veltol**

but I'm willing to do anything!

**[14:47] Veltol**

Please give me work!

**[14:48] Ejyu**

Hey, hey, hey! What do  
you think you're doing?!

**[14:52] Veltol**

I'm looking for work.

**[14:53] Ejyu**

Then go to the Commercial Guild.

**[14:56] Ejyu**

You have your citizen ID, right?

**[14:58] Veltol**

Citizen ID?

**[15:01] Ejyu**

An illegal immigrant, huh?

**[15:03] Ejyu**

This here's our turf, so you  
can't be doing this here.

**[15:07] Veltol**

Well, I've done you a disservice then.

**[15:09] Veltol**

Sorry for interfering.

**[15:10] Ejyu**

Hold on, man.

**[15:11] Ejyu**

Here.

**[15:13] Veltol**

What's this?

**[15:14] Ejyu**

It's a resume.

**[15:16] Ejyu**

You write your work history on this and bring it with you to the Commercial Guild.

**[15:20] Ejyu**

Can't guarantee it'll land you a job,

**[15:23] Ejyu**

but having it's better than nothing.

**[15:26] Ejyu**

Right, the Commercial Guild is on the fourth floor of that building with the Kaneyasu sign.

**[15:31] Ejyu**

Also, stay away from any company under IHMI...

**[15:35] Ejyu**

Especially ones related to construction.

**[15:37] Veltol**

Why's that?

**[15:39] Ejyu**

Because I never hear anything good about them.

**[15:41] Ejyu**

Just call it an old man's concern.

**[15:43] Veltol**

I appreciate the warning.

**SIGN** Job Placement Desk

**[15:47] Interviewer**

Uh, Mister Veltol...

**[15:49] Veltol**

What? Ask me anything. I'll allow it.

**[15:53] Interviewer**

Uh, you've listed "Dell Stella" as one of your unique skills.

**[15:56] Veltol**

Yes. Dell Stella.

**[15:58] Interviewer**

What exactly is "Dell Stella"?

**[16:00] Veltol**

A spell.

**[16:01] Veltol**

It's capable of annihilating an enemy's forces in an instant over a wide range.

**[16:08] Interviewer**

...I see.

**[16:10] Interviewer**

You've also listed military tactics and strategic command.

**[16:14] Veltol**

Yes!

**[16:15] Veltol**

I excel at leading large armies.

**[16:18] Veltol**

I'm proud to say that none can match my skill

**[16:20] Veltol**

when it comes to achieving strategic objectives.

**[16:23] Veltol**

The Battle of Orbeall in 723 of the Continental Era

**[16:29] Veltol**

is but one small example of my many glorious achievements.

**[16:32] Interviewer**

Orbe-what?

**[16:34] Veltol**

The Battle of Orbeall.

Do you not know about it?

**[16:36] Interviewer**

I apologize for my lack of study.

**[16:40] Interviewer**

So under your accomplishments,

**[16:42] Interviewer**

you listed "the construction of the Vaunheig Sanctuary Dungeon."

**[16:45] Veltol**

Yes.

**[16:46] Veltol**

That dungeon is one of the top two that I've created.

**[16:50] Interviewer**

Uh, under your career history, you listed kingdom management?

**[16:54] Veltol**

Yes.

**[16:55] Veltol**

I was the ruler of a nation  
for roughly a thousand years.

**[16:58] Veltol**

We dealt with many wars  
due to political unrest,

**[17:00] Veltol**

but I received reports that my  
subjects fulfilled their duty to be happy.

**[17:05] Interviewer**

Uh-huh...

**[17:06] Interviewer**

Your last listed position  
was over 500 years ago.

**[17:09] Interviewer**

Was that an entry error?

**[17:11] Veltol**

No, it was 500 years ago,  
without a doubt.

**[17:14] Veltol**

However, from my perspective,  
not even a single day has passed,

**[17:17] Veltol**

so you have no need to worry.

**[17:19] Interviewer**

I understand.

That's all for my questions.

**[17:22] Veltol**

Good.

**[17:24] Interviewer**

Mr. Veltol...

**[17:26] Veltol**

Hm?

**[17:27] Interviewer**

I'm sorry to inform you of this,  
but we have no work we can offer you.

**[17:33] Veltol**

Why not?

**[17:34] Interviewer**

That's the decision we reached after careful  
consideration of your resume and this interview.

**[17:40] Interviewer**

Furthermore, our company doesn't offer  
work to anyone without a Familia implant.

**[17:46] Interviewer**

Please show yourself out.

**[17:48] Veltol**

Hey, Machina...

**[17:50] Machina**

What is it?

**[17:52] Veltol**

Hypothetically speaking...

**[17:54] Veltol**

No. I'm certain there's not even  
the slightest chance it's true,

**[17:59] Veltol**

but would you confirm  
something for me?

**[18:02] Veltol**

Am I utterly incapable  
of anything in this era?

**[18:05] Veltol**

I'm losing all confidence.

**[18:07] Machina**

Please don't get so depressed.

**[18:10] Machina**

Those puny, foolish mortals

**[18:12] Machina**

are simply incapable of measuring  
your greatness, Lord Veltol.

**[18:16] Machina**

You are someone who  
stands above all others.

**[18:20] Machina**

You should just sit back and wait.

**[18:23] Veltol**

I can't do that.

**[18:25] Veltol**

Hey, Machina, do you know anyone in  
this world who could offer advice?

**[18:30] Machina**

I suppose you could say  
there is one person.

**[18:33] Veltol**

Oh? You have a friend in the current era?

**[18:36] Veltol**

I'm relieved to hear it.

**[18:37] Machina**

I guess you could call her a friend.

**[18:39] Machina**

We just go shopping, eat, fool around,  
and sleep over on occasion.

**[18:46] Veltol**

What is that if not a friend?

**[18:49] Machina**

Some would argue that.

**[18:51] Machina**

I asked her to meet us at a nearby café.

**[18:53] Machina**

She said she's on her way now.

**[18:56] Takahashi**

Hello, hello! Sorry I'm late!

**[19:02] Takahashi**

Ah, you're that guy.

**[19:04] Veltol**

We meet again.

**[19:05] Machina**

You two know each other?

**[19:07] Veltol**

Yes.

**[19:08] Takahashi**

Uh-huh, he was hitting on me.

**[19:10] Takahashi**

I'm such a sinful woman.

**[19:13] Machina**

Yeah, yeah, good for you.

**[19:16] Takahashi**

Jeez, you're no fun.

**[19:18] Takahashi**

You could at least play along a little.

**[19:20] Machina**

There'd be no end to it if I started that.

**[19:23] Takahashi**

I'm Takahashi.

**[19:25] Takahashi**

Nice to meet you.

**[19:26] Veltol**

Veltol.

**[19:28] Takahashi**

So you were serious about  
the whole Demon Lord thing?

**[19:30] Takahashi**

Machina always happily  
rambled on about how,

**[19:33] Takahashi**

"Lord Veltol will be  
resurrected soon!"

**[19:36] Takahashi**

But I didn't expect it

to actually be true.

**[19:39] Machina**

Hey, Takahashi!

You're being disrespectful!

**[19:41] Veltol**

No, it's fine.

**[19:42] Veltol**

Right now, I'm the one

asking Takahashi for assistance.

**[19:45] Veltol**

It's a pleasure to meet you.

**[19:47] Takahashi**

Well, you're a friend of a friend,

so now you're my friend, too!

**[19:52] Takahashi**

Nice meeting ya, Velly.

**[19:53] Machina**

Takahashi!

**[19:57] Veltol**

How did the two of you

become acquainted?

**[19:59] Takahashi**

Oh, we first met on an otome doujin

site for Demon Lord stuff...

**[20:06] Veltol**

Doujin?

**[20:07] Takahashi**

Sorry, forget it.

**[20:08] Takahashi**

Uh, well, we met in an avatar

chatroom for creative fiction.

**[20:13] Takahashi**

From there—

**[20:15] Veltol**

Pardon me.

**[20:16] Takahashi**

Hey, Velly?!

**[20:18] Takahashi**

What are you doing?!

**[20:19] Takahashi**

Hey, Machina?! What's going on here?!

**[20:20] Machina**

He did that to me first!

**[20:23] Takahashi**

That's not what I mean, dummy!

**[20:24] Takahashi**

You dummy!

**[20:25] Takahashi**

Set those thoughts aside for now!

**[20:28] Veltol**

My apologies for startling you.

**[20:30] Veltol**

I noticed your Familia is  
different than Machina's.

**[20:33] Veltol**

So I was looking into how it's  
built and how it functions.

**[20:36] Takahashi**

You can do that?

**[20:38] Machina**

Lord Veltol just used his Sage Eyes ability.

**[20:41] Machina**

It allows him to use the flow of mana

**[20:44] Machina**

to understand the composition  
of any object he touches.

**[20:46] Takahashi**

So *that's* how you were able to  
detect my hacking the other day.

**[20:50] Veltol**

I have a general idea of what's  
going on inside the Familia.

**[20:54] Veltol**

Though there's still much  
I can't fully analyze.

**[20:57] Machina**

Lord Veltol, we should  
broach our principal topic.

**[21:00] Veltol**

Yes.

**[21:01] Machina**

Takahashi, Lord Veltol was hoping that  
you could introduce him to some work.

**[21:06] Takahashi**

Why not go to the Commercial Guild?

**[21:08] Veltol**

I did earlier, but they rejected  
me for not possessing a Familia.

**[21:12] Takahashi**

You don't have a Familia, Velly?!

**[21:14] Veltol**

For a number of reasons,  
I can't get one implanted.

**[21:17] Takahashi**

That's awful.

**[21:19] Veltol**

I'd like to get your advice.

**[21:21] Takahashi**

Anything you want out of the job?

**[21:23] Veltol**

If it's possible,

**[21:24] Veltol**

I'd prefer something that makes my  
existence known throughout the world.

**[21:28] Takahashi**

Work that the Demon Lord from 500 years  
ago could do in the modern era...

**[21:32] Takahashi**

His priority is raising his renown...

**[21:35] Takahashi**

But he can't use a Familia...

**[21:37] Takahashi**

His distinct behavior and manner of speech  
quickly establishes his character...

**[21:40] Vtuber**

Hello! It's Yassan with the stuffy nose!

**[21:41] Takahashi**

Plus he's a hottie with a sexy voice...

**[21:45] Vtuber**

*It's weird.*

**[21:47] Vtuber**

*Why do I still have such a stuffy nose?*

**[21:50] Veltol**

*Good evemortal! How's the pain of  
life treating you mortals today?*

**[21:58] Veltol**

*It is I, the Demon Lord  
Veltol Velvet Velsvalt!*
