App Monsters!

[00:31] ---

I'm Shinkai Haru,
a first year in middle school.

[00:34] ---

One day, I obtained an App Drive

and met the search
app monster Gatchmon,

[00:41] ---

who has the power to get
perfect search results!

[00:43] ---

We've gotten mixed up in a few incidents
with virus-infected Appmon since.

[00:46] ---

The one behind it is the
big boss AI, Leviathan,

[00:50] ---

who lurks deep in the sea of the 'net.

[00:52] ---

To unlock the power
we need to fight him,

[00:55] ---

we're searching for the seven
Seven Code Appmon.

[00:59] eri

Oh, please tell me, Tela-Tela Fortune!

How do I get into Appliyama 470?

This app is really popular right now, isn't it?

[02:03] haru

All the girls in Ai-chan's class are using it.

[02:05] doka

That's right!

[02:07] ---

The app and Eri-chan are both super popular!

[02:10] doka

But "Tela-Tela Fortune" is a pretty weird name...

[02:13] gatch

"Tela" is short for "Teller," as in "Fortune Teller"!

[02:18] doka

I see!

[02:19] ---

You're so smart, big bro!

[02:21] eri

Hey, enough talk about the app!

[02:24] eri

What about me?

Well, you're very flexible, Eri-san.

And you make the cutest rabbit, Eri-chan!

[02:31] eri

Yes, fine opinions.
