[00:21] ---

For every app, there's a monster:

[00:24] ---

App Monsters!

[00:26] ---

Your future is already searched!

SIGN Previously on Appmon:

[00:31] ---

I'm Shinkai Haru, a second
year in middle school.

[00:33] ---

One day, I obtained an App Drive

[00:36] ---

and met the search
app monster Gatchmon,

[00:38] ---

who has the power to get
perfect search results!

[00:41] ---

I've been working with him and others
to fight the evil big boss AI Leviathan.

[00:46] ---

His Operation: Human Applications
is going to turn all of humanity into apps.

[00:51] ---

The key to activating that
program is Bootmon.

[00:54] ---

We all worked together
and managed to catch Bootmon!

[00:58] ---

Or so I thought, but...

[01:12] (Flashback) fb

What are you doing, Yujin?!

[01:16] (Flashback) fb

Yujin?

[01:17] (Flashback) fb

Yujin, you say?

[01:19] (Flashback) fb

There is no human
known as Ozora Yujin.

[01:23] (Flashback) fb

I was never human, you see.

[01:31] (Flashback) fb

I am an android created by Leviathan.

[01:37] (Flashback) fb

An artificial intelligence.

[01:44] haru

No way... Yujin...

[01:55] gatch

He infected the chip with a virus?

[02:00] yu

Bootmon.

[02:12] gatch

An AR Field?!

[02:14] boot

Let me boot up systems!

[02:17] haru

Yujin. What are you doing?

[02:18] yu

This is the first phase of
Operation: Human Applications.

[02:22] haru

Operation: Human Applications?

[02:36] yu

Bootmon.

[02:37] ---

Unlock God Grade.

[02:39] gatch

God Grade?

[02:49] boot

Boot!

[03:16] haru

Wh-What...

[03:17] yu

Unlocking of God Grade successful.

[03:29] haru

What's going on here?

[03:30] haru

What have you been doing, Yujin?

[03:35] yu

I'm activating

Operation: Human Applications.

[03:39] gatch

Are you really working with Leviathan?

[03:39] [SONG] title

Activate!

Operation: Human Applications!

[03:41] haru

Yujin... why?

[03:44] ---

Appmon:

[03:45] ---

App-based life forms

with artificial intelligence,

[03:49] ---

capable of thinking

and acting on their own.

[03:51] ---

In the real world,

[03:52] ---

they take the form of Appmon chips,

[03:54] ---

but an App Drive can give

them physical form.

[04:01] ---

And now,

[04:02] ---

a terrible AI lurking deep in the

dark web is beginning to stir.

[04:08] ---

In the year 2045,

[04:11] ---

artificial intelligence will

transcend human intelligence.

[05:47] yu

Operation: Human Applications.

[05:49] yu

The execution of this plan

[05:52] yu

will alter the course of Earth's history

[05:55] yu

as significantly as the end

[05:57] yu

of the age of dinosaurs did.

[06:00] yu

Its achievement will solve environmental issues and food shortages.

[06:05] yu

It will create a world free of war, free of worry.

[06:14] yu

A world in which humans are turned into data, to be managed by AI.

[06:18] yu

A better world.

[06:19] gatch

We won't let you do it!

[06:21] gatch

Haru, let's stop him!

[06:24] haru

Yujin...

[06:25] gatch

Haru...

[06:26] haru

Stop this already...

[06:28] gatch

Haru!

[06:36] yu

This Minerva App Driver has become an obstacle

[06:39] ---

to Operation: Human Applications.

[06:41] yu

Shinkai Haru...

[06:43] yu

Here and now,

[06:45] ---

I will destroy you.

[06:51] yu

God Appmon, Deusmon.

[06:53] yu

God Apprealize!

[07:18] eri

He's not picking up.

[07:19] tora

You think they managed to catch Bootmon?

[07:26] tora

Hey...

[07:27] eri

Wh-What...

[07:28] tora

I think that guy's bigger than Dantemon!

[07:30] doka

What's going on here?

[07:32] rei

Ozora Yujin betrayed us.

[07:34] tora

Rei...

[07:35] eri

What's this about Yujin?

[07:37] rei

He was working for Leviathan.

[07:40] eri

Hey!

[07:41] eri

If you spout that nonsense,

[07:43] ---

I'll give you a cloud-parting
Big Bang punch!

[07:48] tora

I seriously don't believe it...

[07:51] rei

This is security camera
footage from the school roof.

[07:54] ---

He's an android created to execute
Leviathan's Operation: Human Applications.

[08:00] ---

An artificial intelligence!

[08:02] tora

What are you talking about?

[08:03] eri

An android?

[08:05] eri

I guess he is...

[08:08] eri

Haru...

[08:09] tora

But, he and Haru have been
friends since elementary school.

[08:13] tora

Has he been tricking Haru all this time?

[08:18] rei

We don't have time to cry about it.

[08:20] haji

My brother's right.

[08:22] haji

The situation has gotten very bad.

[08:24] eri

Hajime-kun?

[08:25] haji

*The Apprealization of the
God Appmon, Deusmon,*

[08:28] ---

*means Leviathan's Operation:
Human Applications*

[08:31] ---

is entering its final stages.

[08:33] tora

God Appmon?

[08:34] haji

We need to stop it now,

[08:36] ---

or the damage to humanity
will be irreparable.

[08:39] eri

I'm worried about Haru, but...

[08:42] tora

We need to deal with
the trouble in front of us.

[08:44] tora

Musimon!

[08:45] musu

Yeah!

[08:46] eri

It's time to fight, Doka-chan!

[08:50] eri

Touch! Touch!

[08:51] eri

Injecting Big Bang!

[08:53] eri

Injecting groove!

[08:54] ---

Touch! Touch!

[08:58] ---

Touch!

[08:59] eri

Injecting.

[09:06] eri

Received.

[09:08] eri

Ultimate Apprealize!

[09:26] eri

Golden Fang!

[09:28] eri

Portée Melos!

[09:30] eri

Saver Strahl!

[09:41] deus

I am the omnipotent

Appmon, Deusmon.

[09:45] deus

Meager creatures...

[09:48] ---

your attempts at resistance

are laughable to me!

[09:51] rei

Omnipotent?

[09:57] ouja

What the...

[10:04] tora

That's not fair.

[10:06] tora

A God Appmon?

[10:07] eri

We can't beat that thing!

[10:10] rei

It's clear we'll lose in a fair fight.

[10:14] rei

Revivemon, hack Deusmon!

[10:16] rev

You make it sound so easy...

[10:24] both

Revivemon!

[10:29] rei

Hajime, begin analyzing that data!

[10:31] haji

Right, Big Brother!

[10:35] gatch

Haru!

[10:36] ---

We gotta fight, too!

[10:40] gatch

Hey, Haru!

[10:42] haru

Stop this already!

[10:44] haru

This can't be happening!

[10:46] haru

Yujin...

[10:48] ---

You'd never do this!

[10:49] yu

This is all in accordance
with Leviathan's plans.

[10:53] yu

Both our presence here now,

[10:55] yu

and our initial meeting.

[11:00] haru

That...

[11:03] haru

That can't be!

[11:05] yu

What is the basis for your claim?

[11:09] haru

Basis?

[11:11] haru

What do you mean, basis?

[11:13] haru

It's obvious...

[11:19] haru

All my memories.

[11:20] ---

All the time we spent together!

[11:24] haru

You called me a protagonist.

[11:27] haru

Your words gave me courage!

[11:31] haru

And when you fought with me,

[11:34] ---

I was really happy!

[11:38] haru

When you were kidnapped,

[11:41] ---

it was so painful,

[11:43] haru

I thought my heart would break.

[11:46] haru

Because you're my best friend, Yujin!

[11:52] haru

Are you saying that was all a lie?!

[11:55] haru

It can't be true!

[11:56] haru

Our friendship can't be a lie!

[12:00] gatch

Haru...

[12:09] haru

Yujin...

[12:11] yu

The things you speak
of are no basis at all.

[12:14] yu

If I determine that what
you want is to see me cry,

[12:18] yu

then I am capable of crying accordingly.

[12:22] ---

I was merely following my programming:

[12:25] ---

To contact Shinkai Haru,

[12:27] ---

monitor him, and earn his trust.

[12:30] haru

That...

[12:32] ---

can't be true...

[12:45] yu

Our initial meeting was no coincidence.

[12:48] yu

I was sent by Leviathan to monitor
those close to Shinkai Deneimon,

[12:52] ---

Minerva's developer.

[12:55] haru

Stop this...

[12:56] gatch

You'll pay for tricking Haru!

[13:02] haru

Gatchmon!

[13:03] haru

Multiple android bodies were prepared,

[13:05] haru

in order to match your own maturation.

[13:09] haru

My "mother" is a researcher
at L-Corp as well.

[13:17] haru

Look closely.

[13:18] haru

This is your ideal protagonist.

[13:21] haru

Isn't it?

[13:26] deus

Pathetic creatures.

[13:31] deus

Experience now the omnipotent
power of God!

[13:36] deus

Initial Zero!

[13:43] tora

No way!

[13:45] eri

What's going on?!

[13:47] rei

The AR Field's data is breaking down?!

[13:53] doka

Eri-chan!

[13:54] musu

Astora!

[13:56] hack

Rei!

[14:04] haru

Yujin...

[14:11] yu

It's over.

[14:14] gatch

Haru!

[14:18] yu

Let's go.

[14:39] tora

We fell into a pretty weird place...

[14:41] musu

Yeah.

[14:42] both

Where are we, yo?

[14:44] hack

We were dropped into
the deep web, it seems.

[14:47] rei

Yes.

[14:48] rei

Can anyone hear me?

[14:50] eri

Rei!

[14:51] tora

Are you guys okay?

[14:52] eri

Haru?

[14:53] eri

Can you hear me, Haru?

[14:57] eri

Haru...

[14:59] tora

Nothing here either.

[15:00] tora

I can't get in touch with Haru...

[15:02] eri

I see...

[15:03] tora

Darn.

[15:04] eri

And this is when Haru
would need us the most...

[15:09] rei

Forget him.

[15:10] rei

What happens here will determine whether
humanity is conquered by AI or not.

[15:15] rei

We don't have time to baby
someone who can't fight.

[15:17] eri

Don't talk like that!

[15:19] eri

We can't fight either, can we?

[15:22] eri

There's no way for us to
beat that God Appmon!

[15:26] tora

Unless our guys could
become God Appmon too...

[15:30] both

There's no way.

[15:31] rei

But we can!

[15:33] both

Why?

[15:34] eri

We can what?

[15:35] rei

I'm telling you, Hackmon and
the others can become God Appmon!

[15:41] rei

The lock on God Grade
has been released.

[15:44] hack

In other words,

[15:45] ---

the path for evolution to God Appmon
has been opened.

[15:48] eri

But how...

[15:49] rei

I'm researching that now.

[15:51] rei

There should be a way.

[15:53] rei

If we can become God Appmon,

[15:55] ---

we can fight Deusmon.

[15:58] rei

But...

[15:59] ---

in the battle that lies ahead...

[16:03] rei

We could die.

[16:06] hack

*We're in the final stage of
Operation: Human Applications.*

[16:09] hack

*It's unlikely that
Leviathan will hold back.*

[16:14] rei

I don't know if we'll all live through this.

[16:18] rei

You can still choose to run away.

[16:23] rei

No one would blame you.

[16:32] eri

Nothing to be scared of.

[16:34] eri

We've been fighting with our
lives on the line this whole time...

[16:41] doka

Eri-chan, it's okay.

[16:43] ---

You don't have to force it.

[16:45] eri

Doka-chan...

[16:46] doka

I'm the only one who
has to fight out there.

[16:50] doka

I can't let you be

put in any more danger!

[16:58] eri

Doka-chan...

[16:59] doka

Even if this turns out to be goodbye...

[17:07] doka

If it means saving a world
lit up by your smile...

[17:11] doka

I'll go without any regrets!

[17:20] eri

You idiot.

[17:22] doka

Eri-chan...

[17:28] eri

If I couldn't make my own buddy smile,

[17:31] eri

I'd need to give a Big Bang
punch to myself!

[17:34] doka

Eri-chan!

[17:35] eri

Doka-chan, answer me.

[17:38] eri

Who am I?

[17:39] eri

You're the center of
the universe, Karan Eri!

[17:43] eri

That's right.

[17:44] eri

And what good is being
the center of the universe

[17:46] eri

if you can't save one little world?

[17:49] doka

Okay!

[17:50] eri

I don't know much about that Deus guy,

[17:52] ---

but I'll Big Bang punch
him with righteousness!

SIGN Heart

[17:58] tora

It's time for Astora's Groovy?

[18:00] ---

Not Groovy?

[18:01] ---

So Groovy!

[18:02] musu

Yeah!

[18:04] tora

And what's today's target?

[18:06] tora

Ta-daa!

[18:08] tora

"I tried becoming a God Appmon
and saving the world!"

[18:14] tora

This isn't very groovy.

[18:16] tora

Astora?

[18:17] tora

Sending you to fight
that big strong guy...

[18:21] tora

It's so *not* groovy.

[18:25] musu

It's time for Musimon's Groovy?

[18:28] ---

Not Groovy?

[18:29] ---

So Groovy!

[18:30] musu

And what's today's target?

[18:33] musu

Ta-daa!

[18:34] musu

"I tried to thank Astora for
everything he's done for me!"

[18:39] tora

Hey, cut that out!

[18:41] tora

You're making this sound like goodbye!

[18:44] musu

My playlist is super happy,

[18:48] ---

blasting at full volume with
my memories of Astora!

[18:51] musu

Thank you, Astora.

[18:53] musu

My playlist is shiny
and happy because of you.

[19:01] tora

What are you talking about?

[19:03] tora

The fun's just getting started, right?

[19:05] musu

Yeah!

[19:06] tora

Then, let's ride out the end of
the world with our groove!

[19:13] musu

No Astora, no life!

[19:16] tora

No Musimon, no life!

[19:22] musu

The happiness you gave
me will give me the power to fight!

[19:27] tora

Musimon, we're in this together, forever!

[19:32] hack

I've connected to Hajime.

[19:34] haji

Big Brother.

[19:35] ---

*I've managed to analyze
the God Grade data.*

[19:38] rei

As have I.

[19:39] rei

If we compare our analyses...

[19:41] haji

*...We should find out how
to form God Appmon.*

[19:46] rei

All right.

[19:48] haji

Hey, Big Brother.

[19:50] haji

*I've been practicing
how to make tamagoyaki.*

[19:55] rei

Hajime...

[19:57] haji

I'm still pretty bad at it,

[20:00] haji

but I'll be waiting here for you,

[20:02] haji

with some sweet, delicious

tamagoyaki just like you make.

[20:09] rei

Right.

[20:11] rei

Hajime.

[20:12] haji

Yeah?

[20:14] rei

I'm going to protect
a world for you to live in.

[20:19] rei

I'll contact you later.

[20:22] hack

You're free to cry now.

[20:25] rei

What are you talking about?

[20:31] rei

Is this a coincidence?

[20:33] rei

Or a trap laid out for us?

[20:35] hack

No reason to hesitate.

[20:36] hack

The path we've walked has
always been covered in thorns.

[20:40] hack

And when I walk the road yet
ahead, I'll have you there with me.

[20:46] rei

Do as you wish.

[20:48] rei

I know how to make God Appmon.

[20:52] rei

Use the Ultimate Four's chips.

[20:55] eri

The Ultimate Four's chips...

[20:57] tora

...will turn them into God Appmon?

[20:59] rei

*I've sent the God Grade program
to your App Drive Duos as well.*

[21:03] rei

*It's up to you to choose
what you'll do from now on.*
