**[00:00] Xeno**

Fascinating.

**[00:02] Xeno**

How did you make it in?

**[00:05] Xeno**

I didn't hear a single gunshot.

**[00:08] Xeno**

Which means you must have infiltrated  
my base without fighting.

**[00:16] Xeno**

The skies?

**[00:17] Xeno**

No...

**[00:20] Xeno**

A tunnel!

**[00:21] Xeno**

Elegant indeed!

***SIGN*** Reunion

**[02:10] (Flashback) Hyoga**

We must be in a barn within the castle.

**[02:13] (Flashback) Chrome**

Shit, how did we end up here?

**[02:15] (Flashback) Tsukasa**

We mismeasured.

**[02:18] (Flashback) Tsukasa**

Some error was to be expected.

**[02:22] (Flashback) Suika**

Sorry! Shh!

**[02:27] (Flashback) Chrome**

Whoa, Suika!

**[02:29] (Flashback) Chrome**

Are you all right?

**[02:31] (Flashback) Chrome**

Isn't this...

**[02:35] (Flashback) Tsukasa**

It's all Yellow Dent corn feed.

**[02:40] (Flashback) Kohaku**

Which means if we capture  
Dr. Xeno and grow this much corn,

**[02:45] (Flashback) Kohaku**

we can make all the food and  
revival fluid we'll ever need.

**[02:48] (Flashback) Kohaku**

We can bring back everyone in the world!

**[03:07] (Flashback) Soldier B**

What the...

**[03:08] (Flashback) Soldier B**

A watermelon?

**[03:24] (Flashback) Soldier C**

What is it?

**[03:25] (Flashback) Gen**

Ow, ow, ow!

**[03:27] (Flashback) Gen**

I have a really bad tummyache all of a sudden.

**[03:29] (Flashback) Gen**

Could I maybe get some stomach  
medicine from Dr. Xeno?

**[03:33] (Flashback) Soldier C**

Hey! Don't go barfing here, idiot!

**[03:37] (Flashback) Gen**

Should this stuff be coming out?

**[04:12] Chrome**

Damn, so this is what legit  
21st century science is like!

**[04:17] Xeno**

You...

**[04:19] Gen**

Uh-oh, they're already on to us!

**[04:22] Kohaku**

We'll have to leave quickly!

**[04:32] Suika**

Hurry!

**[04:33] Kohaku**

Yeah.

**[04:34] Gen**

They're coming! They're coming!  
They're right here!

**[04:37] Chrome**

Relax.

**[04:40] Chrome**

It'll all be over when this bomb goes boom!

**[04:43] Chrome**

The explosion will shoot Xeno's cart out of the tunnel and close the castle-side entrance.

**[04:48] Chrome**

Two birds with one stone!

**[04:51] Kohaku**

I knew we could count on you, Chrome!

**[04:53] Kohaku**

And who's making the bomb go boom?

**[04:57] Kohaku**

Dr. Xeno isn't going to do it himself.

**[05:06] Kohaku**

It's gonna blow!

**[05:08] Taiju**

Got it!

**[05:12] Taiju**

Hurry up!

**[05:28] Chrome**

*What the hell?*

**[05:30] Chrome**

*What just...*

**[05:32] Xeno**

It appears to have caved in.

**[05:34] Xeno**

On both sides.

**[05:40] Soldier E**

We'll head topside and find the tunnel exit!

**[05:44] Soldier E**

Neutralize them now!

**[05:48] Brody**

Cool your head, son.

**[05:51] Brody**

You're just asking for a fight.

**[05:54] Brody**

Everyone underground will die while we waste time on this.

**[05:59] Brody**

There isn't a single person on this planet who deserves to die!

**[06:05] Brody**

So...

**[06:07] Brody**

We're digging from both sides!

**[06:11] Brody**

It's a race to dig through to them!

**[06:24] Xeno**

Chrome,

**[06:26] Xeno**

are you perhaps a descendant of some survivors?

**[06:30] Xeno**

Whatever the outcome,

**[06:32] Xeno**

to have built a tunnel and  
plotted an escape on a monorail...

**[06:37] Xeno**

Oh, elegant! Very elegant indeed!

**[06:42] Xeno**

Now, Chrome, think rationally  
using your intellect.

**[06:47] Xeno**

Which way should you dig?

**[06:49] Xeno**

Which way should you go?

**[06:52] Xeno**

Your ship and friends are all gone.

**[06:56] Xeno**

Stan has already overwhelmed them all.

**[07:00] Xeno**

The battle is over.

**[07:02] Xeno**

I don't intend to kill anyone else.

**[07:05] Xeno**

All you need to do is become a member  
of this new world that I rule over.

**[07:14] Chrome**

You? Rule over? To hell with that.

**[07:17] Xeno**

I'll guide the foolish masses!

**[07:21] Xeno**

Even in the 21st century,

**[07:23] Xeno**

it was the imbeciles wedded to their  
sacred cows of politics and ethics

**[07:28] Xeno**

that held back human progress.

**[07:32] Xeno**

You've seen it in the people  
around you, I'm sure.

**[07:34] Xeno**

Those who swing their fists around with little  
comprehension of the value of science.

**[07:40] Chrome**

Yeah... I mean, sure, there were.

**[07:45] Xeno**

Chrome, do you not love science?

**[07:49] Xeno**

Do you not believe in science?

**[07:52] Chrome**

I'm a science user through and through.

**[07:56] Xeno**

You could become an elite!

**[07:58] Xeno**

Let's dominate the fools of the world with the power of science!

**[08:03] Chrome**

True.

**[08:05] Chrome**

I don't get meatheads like Magma and their obsession with muscles and might.

**[08:14] Chrome**

But...

**[08:16] Chrome**

Get it or not, fools or not,

**[08:18] Chrome**

I'm not important enough to look down on shit that other people like.

**[08:38] Chrome**

We captured him, Senku!

**[08:42] Chrome**

The enemy king, Dr. Xeno!

**[08:53] Luna**

*Senku-kun...*

**[08:55] Luna**

*And everyone else on the planes...*

**[08:59] Max**

You're insane, Stanley!

**[09:01] Max**

You neutralized the enemy base in less than a minute?!

**[09:04] Maya**

Oh, Max.

**[09:07] Max**

Miss Luna! Thank goodness you're all right!

**[09:09] Max**

What the hell is happening here?!

**[09:12] Luna**

Whisper, whisper...

**[09:13] Luna**

And I finally have a boyfriend!

**[09:22] Max**

His plane fell, correct?

**[09:24] Max**

So who's in the rescue party?

**[09:27] Luna**

Francois, who can help me with first aid, and...

**[09:30] Francois**

We may need to disassemble the hull to rescue him. Please allow Kaseki.

**[09:37] Kaseki**

Don't mind me.

**[09:38] Kaseki**

I can break the rope myself.

**[09:42] Kaseki**

Tell me more about Xeno's cool crafts.

**[09:46] Francois**

An engine spins a set of blades, automatically tilling fields.

**[09:50] Francois**

And it's called a tractor.

**[09:56] Max**

Two people fell into the river!

**[09:59] Luna**

We're gonna go help them!

**[10:08] Ukyo**

We're currently hiding by a river west-northwest of the enemy base.

**[10:12] Gen**

Now that we've captured Xeno-chan, there's no one left who can understand you.

**[10:17] Gen**

Japanese is a perfectly effective cipher.

**[10:20] Senku**

You don't need to tie him down like that.

**[10:29] Senku**

He can hardly even get a look around until Stanley and the others get here.

**[10:34] Senku**

He isn't so much of an irrational idiot that he would thrash around.

**[10:40] Senku**

That man, Dr. Xeno, is a world-class man of science.

**[11:00] Xeno**

Hey. So you were alive, Dr. Senku.

**[11:04] Xeno**

Stanley would never miss his mark.

**[11:07] Xeno**

Which means, Senku, that you used science to somehow stop the bullet, and that you survived.

**[11:15] Xeno**

Science is elegant indeed.

**[11:21] Senku**

I was in third grade when I emailed NASA.

**[11:24] Senku**

It's been a few thousand years.

**[11:27] Senku**

We'll have a shit-ton of time to waste reminiscing going forward.

**[11:32] Senku**

But for now, we'd better get a move on before sundown.

**[11:34] Xeno**

Going forward?

**[11:36] Xeno**

Going forward to where?

**[11:38] Xeno**

You have nowhere to return to.

**[11:40] Xeno**

Your ship and your friends have all been captured.

**[11:44] Xeno**

The battle is over.

**[11:48] Ryusui**

Bingo! There's nowhere to return to.

**[11:50] Ryusui**

Which means all we can do is move forward! Am I right?

**[11:54] Chrome**

What's going on now?

**[11:58] Kaseki**

Found you!

**[11:59] Kaseki**

You were broadcasting your location on the phone.

**[12:06] Luna**

You made it! Senku!

**[12:10] Luna**

I mean, I knew that.

**[12:12] Luna**

I'm a cool-headed woman.

**[12:13] Luna**

I knew you wouldn't go down so easily.

**[12:21] Gen**

You just got here, and you're serving us already?!

**[12:23] Carlos**

Miss! I'm so glad you're safe!

**[12:26] Max**

You, too, Carlos.

**[12:34] Senku**

I missed you.

**[12:36] Senku**

Did you run off to see me?

**[12:38] Senku**

Good going, Luna, girl.

**[12:40] Luna**

Nah, that wouldn't happen.

**[12:50] Senku**

You grabbed Kaseki and  
Francois amid the chaos, huh?

**[12:55] Senku**

Not bad, Luna, girl.

**[13:00] Luna**

I got it half right.

**[13:03] Ukyo**

That's everyone from the advance party, then.

**[13:07] Taiju**

Advance party?

**[13:11] Max**

If Stanley and Maya and them get back  
from their away mission, we're screwed.

**[13:17] Kohaku**

Which means now's our opportunity,  
since they're short-staffed.

**[13:20] Ukyo**

They won't be expecting us to  
be back right after we escaped.

**[13:38] Ryusui**

We're hijacking your boat, Xeno!

**[13:41] Ryusui**

Trading it with the *Perseus*!

**[13:49] Kohaku**

Are we rushing this Stanley fellow on this ship?

**[13:52] Gen**

You're so quick to resort  
to fighting, Kohaku-chan.

**[13:56] Hyoga**

We'd be wiped out if we did that.

**[13:59] Senku**

We're going on a diplomatic negotiation.

**[14:03] Senku**

It'll be the new world's first and last  
ever Japan-US summit conference.

**[14:09] Senku**

Who's the most reasonable  
one on the US enemy side?

**[14:16] Chrome**

I can think of one.

**[14:20] Chrome**

There was this guy

**[14:22] Chrome**

who stopped the others from fighting and  
prioritized digging a hole to save us.

**[14:27] Gen**

I think that's the mechanic, Brody-chan.

**[14:30] Gen**

Actually, even when he realized I was  
lying, he didn't get upset or anything.

**[14:34] Gen**

He just laughed it off.

**[14:37] Gen**

He might be the Ukyo-chan type in that he  
doesn't want to cause unnecessary casualties.

**[14:47] Brody**

What's up? Need me for something?

**[14:49] Brody**

You don't have nearly enough  
for a hostage exchange, son.

**[14:54] Senku**

Yeah, I bet.

**[14:57] Senku**

So I'm making up for it  
by giving you information

**[15:00] Senku**

that'll get you ten billion percent exhilarated.

**[15:03] Brody**

What? Yeah, right.

**[15:06] Senku**

The recipe for revival fluid is nital,  
made from alcohol and nitric acid!

**[15:16] Senku**

*Which means you can make an  
infinite supply using corn.*

**[15:19] Senku**

*Our shipmates know all the tricks.*

**[15:22] Senku**

*How about some happy cooperation times?*

**[15:26] Senku**

Let's wake up a million petrified humans.

**[15:32] Gen**

Senku-chan, a million?

**[15:35] Ryusui**

We'll want all the manpower we can get if we're really going to the moon. Am I right?

**[15:41] Senku**

*All we're trying to do here in the US is build a massive corn city.*

**[15:48] Senku**

*That shouldn't be a bad deal for you lot, either, should it?*

**[15:52] Brody**

What happens to Xeno?

**[15:54] Senku**

I'll guarantee his safety.

**[15:56] Senku**

As long as you don't betray us.

**[16:00] Brody**

Building a city of one million...

**[16:03] Brody**

Rather, building a nation. Together, no less.

**[16:07] Brody**

That isn't the kind of thing you propose when we both have hostages.

**[16:11] Senku**

No kidding.

**[16:13] Brody**

*Hypothetically, even if I were to agree,*

**[16:17] Brody**

Stanley wouldn't be happy with it.

**[16:20] Brody**

He'll chase you and Xeno to the ends of the earth.

**[16:24] Senku**

*Then we'll just keep evading him to the ends of hell.*

**[16:27] Senku**

*We don't have time to be dicking around.*

**[16:29] Senku**

*We'll be going ahead.*

**[16:33] Brody**

You lot are absolutely unhinged.

**[16:36] Senku**

*Well, that's the deal.*

**[16:38] Senku**

*You guys take it from here.*

**[16:40] Nikki**

*Yeah.*

**[16:41] Nikki**

*Leave the rest to us.*

**[16:48] Nikki**

*We're gonna get this shit built.*

**[16:51] Nikki**

*A corn city for a million!*

**[16:56] Suika**

Does that mean we're saying  
goodbye to the people

**[16:59] Suika**

who are staying behind to build the corn city?

**[17:03] Taiju**

*Yuzuriha... Everyone...*

**[17:07] Senku**

The rest of us have places to be.

**[17:10] Senku**

Go and hold the Japan-US summit meeting  
with the actual city builders.

**[17:17] Yo**

Yo, what's going on here?

**[17:19] Yo**

Is he telling us to talk  
it out amongst ourselves?

**[17:21] Magma**

We can't even communicate with them!

**[17:24] Yuzuriha**

Anyone here who can speak English?

**[17:25] Minami**

I'm a journalist, so me, and...

**[17:28] Nikki**

Only some broken English.

**[17:30] Nikki**

Just enough to understand Lilian's lyrics.

**[17:37] Minami**

Excuse me.

**[17:39] Minami**

Our first demand is that you ensure  
the safety of the people here.

**[17:43] Brody**

Hey there, president of Japan.

**[17:46] Brody**

Don't get the wrong idea.

**[17:48] Brody**

We've got the military power

**[17:49] Brody**

*and initiative here.*

**[17:51] Nikki**

Shut up! I don't want to hear it!

**[17:53] Nikki**

Just undo these ropes, now!

**[17:55] Nikki**

Not just mine! All of ours!

**[17:58] Brody**

We'll do that eventually.

**[18:00] Brody**

But first, tell me these "tricks"  
for making revival fluid.

**[18:03] Nikki**

I said now!

**[18:05] Nikki**

How many corn kernels do you have  
stuck in your ears, you old fart?!

**[18:08] Nikki**

I don't give a shit about  
negotiations at this point!

**[18:12] Nikki**

The other team's gonna be fighting

**[18:14] Nikki**

while the rest of us are building  
the corn city together!

**[18:18] Nikki**

Offer your right hand for a shake  
and we'll offer ours just the same.

**[18:23] Nikki**

It's a gentleman's agreement.

**[18:25] Nikki**

That's your only option right now!

**[18:30] Brody**

Okay, you're on. I like it.

**[18:33] Brody**

You've got spirit, lady.

**[18:35] Brody**

Let's sign the agreement as acting presidents.

**[18:40] Brody**

Until we bring Dr. Xeno back, Corn City will be

**[18:45] Brody**

a special peace zone for the  
revival of one million people!

**[18:52] Brody**

We've struck a deal, son.

**[18:55] Brody**

Senku, was it?

**[18:57] Brody**

Now, bring Xeno with you and make a run for it.

**[19:02] Brody**

No one can stop Stanley.

**[19:07] Stanley**

Senku... How are you alive?

**[19:12] Soldier 1**

They're coming from upstream!

**[19:34] Homura**

Is that the Medusa on the bow?

**[19:39] Yuzuriha**

Whisper, whisper...

**[19:40] Yuzuriha**

Oh, no! The petrification beam is coming!

**[19:45] Xeno's Soldiers**

Shit!

**[20:05] Stanley**

So that's what's going on.

**[20:08] Stanley**

There's no petrification device.

**[20:10] Stanley**

That or it doesn't work.

**[20:13] Stanley**

Gen was lying from the beginning.

**[20:15] Stanley**

It was a bluff.

**[20:17] Stanley**

Not bad.

**[20:20] Yuzuriha**

They made it!

**[20:21] Kinro**

They're headed to sea!

**[20:25] Soldier**

Damn it!

**[20:31] Chrome**

We gotta go say bye!

**[20:33] Ukyo**

Hold it!

**[20:35] Hyoga**

Wander out to say farewell,  
and you may end up filled with holes.

**[20:40] Hyoga**

Which is more important:  
staying safe or saying goodbye?

**[20:50] Chrome**

Well...

**[20:54] Chrome**

Saying goodbye, obviously!

**[20:56] Taiju**

Hey!

**[21:00] Taiju**

Hey!

**[21:06] Taiju**

Hey!

**[21:10] Taiju**

Hey!

**[21:16] Taiju**

Hey!

**[21:32] Taiju**

We'll meet again!

**[21:34] Taiju**

All of us!

**[21:36] Taiju**

We'll build cities around the world together!

**[21:42] Senku**

So the rest of us are going to be circling the globe playing high-speed tag.

**[21:50] Ryusui**

Correct! And our next destination is...

**[21:54] Senku**

Yup. South America.

**[21:56] Senku**

Let's go!

**[21:57] Senku**

We're heading to the epicenter of the beam that petrified humanity thousands of years ago!

**[22:10] Senku**

This is exhilarating!
