**[00:12] Kohaku**

*It's mighty strange...*

**[00:15] Kohaku**

*I'm faced with death, and I  
don't feel a shred of fear.*

**[00:23] Kohaku**

*Right...*

**[00:25] Kohaku**

*Because I'm not alone.*

**[00:29] Kohaku**

*They'll surely defeat Stanley.*

**[00:35] Kohaku**

*They will...*

**[00:37] Kohaku**

*with the power of science.*

**[00:42] Kohaku**

*Senku...*

**[02:25] Taiju**

Three thousand meters! One second!

**[02:32] Gen**

Jeez!

**[02:34] Gen**

It's a shock cannon!

**[02:36] Gen**

The receptacle's chipped now, too.

**[02:40] Ryusui**

Now we just need to put the  
completed petrification device here,

**[02:44] Ryusui**

and victory is certain.

**[02:46] Ryusui**

But...

**[02:50] Kaseki**

Not again!

**[02:52] Kaseki**

We're in hell!

**[02:53] Kaseki**

We have to polish it so that it's easy to chip?!

**[02:57] Chrome**

Crap! We don't have nearly enough time!

**[03:07] Chrome**

Please, Kohaku!

**[03:09] Chrome**

Tsukasa!

**[03:09] Chrome**

Hyoga!

**[03:11] Chrome**

Slow Stanley's army down for us!

**[03:19] Maya**

Looks like we're stuck for as long  
as it takes to fix the radio.

**[03:27] Stanley**

Nope, we aren't stopping.

**[03:31] Stanley**

Those three who attacked us earlier

**[03:33] Stanley**

were the strongest cards in  
Senku's youth science team deck.

**[03:37] Stanley**

Why'd they throw their best at an  
obviously dangerous recon in force?

**[03:43] Maya**

You're right, that's odd.

**[03:45] Stanley**

That means they need to buy time,  
even if it costs them their lives.

**[03:50] Stanley**

I can smell it.

**[03:52] Stanley**

My battle instincts are speaking to me.

**[03:58] Stanley**

I won't let you.

**[04:01] Stanley**

We'll throw our comms out if we have to.

**[04:04] Stanley**

We're eliminating the enemy base immediately!

**[04:12] Senku**

Luna.

**[04:14] Senku**

We need our revival crew to make the  
self-destruct petrification plan work.

**[04:18] Senku**

And they've been captured.

**[04:23] Senku**

So you're up.

**[04:26] Luna**

O-Of course! You can count on me!

**[04:28] Luna**

I totally got this.

**[04:29] Luna**

I'm cool-headed, but...

**[04:30] Luna**

B-B-But why me?

**[04:34] Senku**

Because even if our statues are blown apart and our legs or fingers are missing,

**[04:38] Senku**

you're a doctor, so you can sew us back together.

**[04:43] Ryusui**

We'll assign Chelsea to guide you.

**[04:46] Ryusui**

You two need to hide somewhere far away.

**[04:50] Chelsea**

Okie.

**[04:55] Max**

Carlos, why the hell are you letting her go without us?!

**[04:58] Max**

We gotta be there to...

**[05:00] Chelsea**

Later!

**[05:08] Chelsea**

You can count on me to take you around.

**[05:12] Chelsea**

I have to take Luna somewhere safe...

**[05:14] Chelsea**

It's on me.

**[05:16] Chelsea**

I have to do it.

**[05:29] Luna**

What's wrong? Are you okay, Chelsea?

**[05:32] Luna**

What happened?

**[05:32] Chelsea**

Crap, sorry.

**[05:34] Chelsea**

I'm a total freak, breaking down like this.

**[05:37] Chelsea**

LMAO.

**[05:50] Ukyo**

*Four captives.*

**[05:53] Ukyo**

*I don't see Kohaku, Hyoga,  
or Tsukasa, who went to slow them down.*

**[05:58] Ukyo**

*Which means they've already...*

**[06:01] Chelsea**

Everyone knows what's happening.

**[06:06] Chelsea**

We won't get the petrification  
devices working in time.

**[06:09] Chelsea**

But all they can do is try their  
asses off until they run out of time.

**[06:16] Chelsea**

They let us run away because  
they know we can't fight.

**[06:29] Luna**

No!

**[06:30] Luna**

Senku and Carlos and Max and everyone  
else will be killed for real this time!

**[06:34] Luna**

No! No! No! No!

**[06:49] Gen**

Holy crap!

**[06:50] Gen**

Stanley-chan's already here?!

**[06:55] Taiju**

We're stopping them here!

**[06:57] Taiju**

We need to buy every second we can until the  
science team finishes the petrification device!

**[07:04] Taiju**

Slow them down!

**[07:11] Stanley**

Let me make it clear so that  
you don't catch any feelings...

**[07:14] Stanley**

We're committing to the assault.

**[07:16] Stanley**

Shoot to kill everyone except Xeno.

**[07:19] Stanley**

Ignore any who surrender.

**[07:22] Charlotte**

Yes, sir.

**[07:31] Gen**

Taiju-chan!

**[07:41] Gen**

Come on...

**[07:42] Gen**

Wake up, Taiju-chan.

**[07:44] Gen**

This is a prank, right?

**[07:47] Gen**

You're invincible.

**[07:49] Gen**

You always get right back up.

**[07:52] Gen**

Don't you, Taiju-chan?

**[08:01] Xeno**

A kingdom of science versus  
a kingdom of science.

**[08:05] Xeno**

The final moment has come in  
our fight over the planet.

**[08:10] Xeno**

There's no one on the planet  
who can stop Stanley now.

**[08:18] Xeno**

I always knew we'd never have

**[08:21] Xeno**

Senku's cooperation in our plan for  
an autocratic takeover of Earth.

**[08:25] Xeno**

We'll have to either kill him  
or imprison him for life.

**[08:30] Xeno**

But if you agree to that,  
I may allow some of you to...

**[08:37] Ryusui**

How tasteless of you, Xeno.

**[08:39] Ryusui**

Who ever said it's over?

**[08:43] Ryusui**

An extra second buys one step.

**[08:46] Ryusui**

Two extra seconds buys two steps.

**[08:48] Ryusui**

That's how Senku's team will step  
forward into the science future.

**[08:54] Ryusui**

Have you forgotten, Dr. Xeno?

**[08:56] Ryusui**

The essence of science is to chisel  
ceaselessly away at the future.

**[09:02] Ryusui**

Am I right?

**[09:04] Ryusui**

No matter who may fall along the way,  
we will be the ones standing at the end.

**[09:12] Ryusui**

All will be turned to stone  
and all will be saved

**[09:15] Ryusui**

by the future of science, the Dr. Stone!

**[09:36] Luna**

No!

**[09:38] Luna**

No!

**[10:01] Kaseki**

All our diamonds went up in flames.

**[10:07] Kaseki**

I couldn't do anything in the end.

**[10:13] Kaseki**

We thought so hard together.

**[10:16] Kaseki**

We worked so hard to process them...

**[10:20] Kaseki**

But the Medusa remains in Why-Man's hands.

**[10:23] Kaseki**

It's a distant star, too far away for us humans.

**[10:27] Kaseki**

We didn't take a single step into the future.

**[10:32] Kaseki**

Such despair...

**[10:35] Chrome**

Not a single step into the future?

**[10:38] Chrome**

That might not be quite true.

**[10:41] Chrome**

Yeah, it may have been too much  
for us to handle, but even so...

**[10:51] Kaseki**

A call?

**[10:52] Kaseki**

From who?

**[10:57] Senku**

Who do you think?

**[10:58] Senku**

It's the ace watchmaker in Corn City,

**[11:03] Senku**

Joel-sensei. Who else could it be?

**[11:09] Joel**

0.03 meters.

**[11:11] Joel**

Ten seconds.

**[11:14] Joel**

I have a policy:

**[11:16] Joel**

only when I notch a professional win do I  
let myself finish a drink uninterrupted.

**[11:26] Joel**

I have future science that's beyond  
even what we had in the 21st century.

**[11:34] Joel**

It's forever in humankind's possession!

**[11:37] [SONG] Text**

m 0 0 | 188 0 | 188 70 | 0 70

**[11:37] [SONG] Text**

Petrification device  
acquired!!

**[11:45] Joel**

From this day on, all I need is time.

**[11:48] Joel**

Give me time, and I'll polish all  
the diamond batteries you want.

**[11:52] Joel**

Though you might need my skills to do it.

**[11:55] Joel**

Kaseki, it's thanks to you.

**[12:10] (Flashback) Brody**

"We're splitting into two?"

**[12:13] (Flashback) Xeno Soldier A**

Do you think it's some kind of code, maybe?

**[12:15] (Flashback) Brody**

I smell trouble.

**[12:17] (Flashback) Brody**

Better safe than sorry.

**[12:18] (Flashback) Brody**

Cut off any suspicious comms before  
they reach the youth science team.

**[12:25] (Flashback) Kinro**

Morse code? On your watch?

**[12:27] (Flashback) Minami**

So it's an eavesdropping device?

**[12:30] (Flashback) Joel**

What did they mean, split into two teams?

**[12:33] (Flashback) Joel**

That channel was always for sharing technical information on the diamond batteries.

**[12:37] (Flashback) Joel**

I doubt they would have reported in for no reason.

**[12:40] (Flashback) Joel**

They might be talking about the diamond polishing that we're stuck on.

**[12:46] (Flashback) Joel**

I bet you guys on the Japan team have a professional technician.

**[12:52] (Flashback) Minami**

Kaseki!

**[12:57] (Flashback) Joel**

It split cleanly in two!

**[13:00] (Flashback) Joel**

The diamond battery has a fragile line of cleavage running right through the middle!

**[13:04] (Flashback) Joel**

You're a lifesaver, Kaseki!

**[13:06] (Flashback) Joel**

Now that I know how it works...

**[13:09] (Flashback) Joel**

It's gonna be a disgustingly challenging polish, though!

**[13:12] (Flashback) Joel**

Fine! Bring it on!

**[13:15] (Flashback) Joel**

I've got my pride as a professional watchmaker on the line!

**[13:20] Joel**

So there you go, Kaseki.

**[13:22] Joel**

The world's first artificial Medusa just gave off its first light.

**[13:28] Joel**

It's our joint project, huh?

**[13:33] Kaseki**

Thank goodness!

**[13:35] Kaseki**

My work wasn't all for nothing!

**[13:39] Kaseki**

All the things I spent my whole life on!

**[13:44] Kaseki**

It's strange...

**[13:45] Kaseki**

No matter if I die, no matter if anyone dies,

**[13:49] Kaseki**

science goes on outliving  
everyone into the future.

**[14:06] Brody**

You were testing it in a glass  
so that it wouldn't be stolen

**[14:09] Brody**

the moment you were successful, weren't you?

**[14:18] Brody**

Sorry, but it ain't gonna work that way.

**[14:21] Brody**

I'm gonna have to take this with me.

**[14:25] Brody**

It's too dangerous a weapon.

**[14:40] Kaseki**

I just have one tiny regret.

**[14:43] Kaseki**

I want to congratulate Joel.

**[14:47] Chrome**

Go for it! Radio him!

**[14:50] Chrome**

Who cares if Stanley hears us now?

**[14:54] Senku**

You're not wrong.

**[14:56] Gen**

It's fine.

**[14:57] Gen**

I don't think Stanley-chan  
has a radio right now.

**[15:03] Gen**

Don't you think those dudes  
are a little too aggressive?

**[15:08] Gen**

No ultimatum over the radio.

**[15:10] Gen**

No regard for white flags.

**[15:12] Gen**

Say it's because the balance of power

**[15:14] Gen**

between our hostages fell apart  
because their radios blew up.

**[15:17] Gen**

Think about it.

**[15:19] Gen**

Kohaku-chan and the two guys would never go down without pulling off *something!*

**[15:26] Chrome**

Which means we might have a monopoly over the lines of communication!

**[15:31] Gen**

If we're right...

**[15:33] Senku**

Yeah, we can make one more last-ditch effort.

**[15:48] Joel**

It's Japanese.

**[15:50] Joel**

Is it technical talk again?

**[15:52] Joel**

Translate it for me, or I'm cutting them off.

**[16:18] Moz**

Sounds good.

**[16:20] Moz**

I've had just about enough of being told to sit pretty!

**[16:27] Magma**

Charge at them full force!

**[16:29] Magma**

This was the answer all along!

**[16:31] Yo**

Nah, none of us are getting out of this alive!

**[16:34] Kinro**

Yeah.

**[16:35] Kinro**

Even if we're all to perish, science will go on.

**[16:40] Kinro**

It will outlive us all!

**[16:50] Joel**

*Where do these people get their faith?*

**[16:54] Joel**

*How?*

**[16:56] Joel**

*Still, there's no way I'm not having my victory toast...*

**[17:03] Joel**

*with that techie named Kaseki.*

**[17:12] Senku**

All of you in North America

**[17:14] Senku**

and all of us in South America are getting engulfed by the Medusa!

**[17:22] Senku**

They got all of us.

**[17:25] Senku**

This is the only chance we have.

**[17:27] Senku**

Our first and only shot.

**[17:32] Senku**

That calamity that petrified the  
entire world 3,700 years ago

**[17:36] Senku**

is about to happen again,  
this time by our own science!

**[17:42] Senku**

We're ending all of humanity  
in order to save it!

**[17:54] Brody**

*These kids...*

**[17:55] Brody**

*They know they're gonna die, charging in here.*

**[17:58] Brody**

*Why?*

**[17:59] Magma**

Go!

**[18:01] Brody**

They're after the petrification device!

**[18:03] Brody**

Don't let them near it!

**[18:07] Yo**

Ow, man!

**[18:09] Nikki**

Not that we'll know if we die,  
but we just need to not die.

**[18:13] Nikki**

Go in without hesitation!

**[18:27] Kinro**

That's the key!

**[19:33] Xeno Soldier C**

It's over.

**[19:35] Xeno Soldier D**

Yeah, that's all of them.

**[20:00] Xeno Soldier D**

Don't let him get his face  
near the petrification device!

**[20:06] Brody**

Well, that's just too bad, huh, Joel?

**[20:09] Brody**

Why'd you betray us?

**[20:11] Joel**

For ruining my bourbon whiskey.

**[20:15] Joel**

I don't let anyone interrupt my victory toast.

**[20:18] Joel**

And you did.

**[20:21] Joel**

That's all.

**[20:25] Brody**

That's some smooth talk.

**[20:27] Brody**

You just didn't want the  
youth science team to die

**[20:30] Brody**

without getting a chance to talk  
shop with their guy Kaseki.

**[20:35] Brody**

Drop the cool guy act, kid.

**[20:37] Brody**

I'm a techie myself.

**[20:39] Brody**

I know the feeling, but...

**[20:43] Brody**

*That sound!*

**[20:46] Brody**

*The watch is a communicator!*

**[20:49] Brody**

Keep them away from the radio!

**[20:51] Brody**

Someone might raise their voice and  
set off the petrification device!

**[20:55] Xeno Soldier B**

What do you mean, "someone"?

**[20:57] Xeno Soldier B**

We already neutralized everyone.

**[21:01] Joel**

We aren't the ones raising our voices.

**[21:04] Joel**

It's our God in heaven.

**[21:07] Joel**

Didn't you know?

**[21:09] Joel**

You shouldn't have skipped your science classes.

**[21:14] Joel**

The radio waves have been screaming down at us from the heavens this whole time!

**[21:26] Senku**

*Twelve million eight hundred thousand meters.*

**[21:31] Senku**

*One second.*

**[21:38] Nikki**

Can you believe it?

**[21:41] Nikki**

In the end, Why-Man... no, Senku's voice...

**[21:47] Yuzuriha**

...is going to end the world and save everyone.

**[22:07] Yuzuriha**

With the future science...

**[22:10] Yuzuriha**

of Dr. Stone.
