**[00:00]** ---

*It's the start of Judgment Day!*

**[00:03]** ---

*The age of living  
in fear of robots will end!*

**[00:11]** ---

Hey!

**[00:12]** ---

Did you see the news?

**[00:14]** ---

What's going on?

**[00:16]** ---

He's going to annihilate all the robots  
in Aoi Cosmos?

**[00:20]** ---

Xenolith and Nadia live here too!

**[00:23]** ---

First of all, can he even do such a thing?

**[00:27]** ---

Not sure.

**[00:28]** ---

But it's a fact that many planets  
have been subdued very quickly.

**[00:32]** ---

I have no idea how they plan  
to kill all the robots,

**[00:35]** ---

but the "subduing the revolt"  
thing is a lie.

**[00:38]** ---

I did some research, and there are  
no traces of that large server

**[00:41]** ---

existing on other planets

aside from Foresta.

**[00:44]** ---

What do you mean?

**[00:45]** ---

It means that there are no signs  
of revolts by robots

**[00:48]** ---

on planets other than Foresta.

**[00:50]** ---

It wasn't Ziggy's doing.

**[00:53]** ---

Shura wanted an excuse  
to annihilate all the robots.

**[00:56]** ---

So he went off and killed  
innocent robots!

**[01:01]** ---

Ziggy is trying to control  
all the robots,

**[01:04]** ---

and Shura is trying to kill all of them.

**[01:08]** ---

All the robots? But how?

**[01:10]** ---

Ziggy put his plan into action  
at Foresta.

**[01:13]** ---

Maybe Shura has a plan too?

**[01:16]** ---

Mos.

**[01:18]** ---

I won't allow it!

**[01:20]** ---

We have to stop Shura!

**[01:22]** ---

Yes.

**[01:23]** ---

We first have to find out  
where Shura is.

**[01:26]** ---

Maybe we can find something out  
through that video.

**[01:29]** ---

Result of the analysis. It's planet Nero One.

**[01:32]** ---

It's a planet also known as The Temple.

**[01:34]** ---

We found him.

**[01:35]** ---

Don't be so quick with your jokes, Gravity Boy.

**[01:39]** ---

Laguna!

**[01:41]** ---

Is this ship full of suicidal kids?

**[01:44]** ---

You bastard!

**[01:46]** ---

The Temple is the planet  
where Poseidon Nero resides.

**[01:50]** ---

If a civilian ship  
gets even close to it,

**[01:52]** ---

the 60,000 defense fleet  
will feed you to the fish.

**[01:55]** ---

-60,000? -Fish food?

**[01:58]** ---

Even so, we have to save all the robots  
in Aoi Cosmos!

**[02:02]** ---

60,000 defense fleet.

**[02:04]** ---

And there's 100,000 battle cruisers  
at their headquarters.

**[02:08]** ---

Who cares about that?

**[02:09]** ---

Lord Demon King, you're being a bit reckless.

**[02:13]** ---

60,000 defense fleet, and 100,000 battle cruisers.

**[02:16]** ---

Our chance of victory is 0%.

**[02:18]** ---

Shiki, are you able to count?

**[02:22]** ---

As great as Edens Zero is, we're no match against that huge army.

**[02:26]** ---

But still!

**[02:27]** ---

I agree with Shiki.

**[02:29]** ---

Homura, can you count?

**[02:36]** ---

If you're that determined, I know someone who might help you.

**[02:41]** ---

But we can't message this person. We have to go in person.

**[02:45]** ---

To Sandra, the Planet of Sand.

**[02:49]** ---

Based on the manga  
by Hiro Mashima

**[04:20]** ---

DESERT OASIS

**[04:28]** ---

EDENS ONE

**[04:30]** ---

Nero's son is moving  
just as we expected him to.

**[04:34]** ---

The annihilation of the robots?

**[04:36]** ---

In order to kill all the robots at once,

**[04:39]** ---

he will most likely activate  
"that thing".

**[04:43]** ---

It's the last resort, only allowed to be used by The Temple.

**[04:46]** ---

The All-Link System.

**[04:49]** ---

I've been waiting for this.

**[04:53]** ---

AOI COSMOS  
PLANET NERO 66

**[04:57]** ---

I know, Ziggy.

**[04:59]** ---

You want it, right?

**[05:01]** ---

The system that will control  
all the robots.

**[05:05]** ---

The All-Link.

**[05:07]** ---

Now,

**[05:09]** ---

will you take my bait?

**[05:11]** ---

Although you'll just be digging  
your own grave.

**[05:15]** ---

AOI COSMOS  
PLANET OF SAND SANDRA

**[05:22]** ---

Wow, look at this market!

**[05:24]** ---

It's like a festival!

**[05:26]** ---

It sure is lively.

**[05:28]** ---

Hello, Traveler.

**[05:30]** ---

Hello, Local.

**[05:33]** ---

I imagined Planet of Sand  
to be more of a desert.

**[05:37]** ---

In truth, 90% of the planet is a desert.

**[05:41]** ---

Hey, look at that!

**[05:44]** ---

That thing is so huge!

**[05:46]** ---

That's the Camelish.

**[05:48]** ---

It functions in a wide range of settings  
from arid regions to underwater.

**[05:52]** ---

Can we ride those?

**[05:53]** ---

It'll make an awesome video!

**[05:55]** ---

We're not here to play!

**[05:58]** ---

This way. Follow me.

**[06:04]** ---

Since Shura made that announcement,

**[06:06]** ---

I thought this place would be  
in a state of panic.

**[06:09]** ---

This place seems to be peaceful.

**[06:11]** ---

This planet is special.

**[06:13]** ---

I'm surprised you chose to come with us  
when you were so scared.

**[06:17]** ---

Well, it was Shiki's decision after all.

**[06:20]** ---

And someone will help us, right?

**[06:24]** ---

Of course I'm still scared.

**[06:26]** ---

But this thing  
with the annihilation of robots

**[06:29]** ---

affects me personally too.

**[06:31]** ---

Hey! When are we going to get there?

**[06:34]** ---

It's up ahead.

**[06:36]** ---

It's a very sketchy area.

**[06:38]** ---

Who is this person anyway?

**[06:41]** ---

I can't tell you out here.

**[06:43]** ---

We're here.

**[06:53]** ---

The Camelish station  
is on the other side.

**[06:56]** ---

I'm looking for an even more  
delicious mansaf cuisine instead.

**[07:04]** ---

The door opened!

**[07:05]** ---

What? Was that a password?

**[07:07]** ---

How cool!

**[07:09]** ---

You're not filming, are you?

**[07:10]** ---

Of course not!

**[07:16]** ---

Laguna, is that you?

**[07:19]** ---

Wow,

**[07:21]** ---

I'm surprised you came back.

**[07:23]** ---

Ibaraki.

**[07:25]** ---

You little coward!

**[07:35]** ---

What's going on? Hey, Laguna!

**[07:38]** ---

Laguna, they're not your friends?

**[07:40]** ---

Yeah, old friends.

**[07:42]** ---

What the hell? How dare you  
show your face here again?

**[07:46]** ---

That means we're friends too!

**[07:48]** ---

Who the hell are you?

**[07:51]** ---

If you're Laguna's friend, that means you're our enemy.

**[07:55]** ---

You're friends with Laguna,

**[07:57]** ---

so that makes us friends too!

**[08:00]** ---

Shut up! You're making things worse!

**[08:03]** ---

I want to talk with Boss.

**[08:05]** ---

Boss told me to kill you  
the moment we lay eyes on you!

**[08:10]** ---

-Whoa! -What is this?

**[08:11]** ---

-What? -It's so heavy!

**[08:17]** ---

-Ether Gear? -Not only that,

**[08:19]** ---

it's gravity!

**[08:20]** ---

That's some incredible power!

**[08:22]** ---

Master! I have confirmed

that your performance

**[08:25]** ---

has improved after the VR training!

**[08:27]** ---

Amazing, Shiki!

**[08:29]** ---

We don't need guns in order to talk.

**[08:32]** ---

He has the same power as Shura.

**[08:35]** ---

Now you know. Take us to see the boss.

**[08:38]** ---

Who are these people? And who's this Boss?

**[08:42]** ---

What is this place?

**[08:43]** ---

It's an organization

**[08:46]** ---

to free the Aoi Cosmos from  
Poseidon Nero's tyrannical rule.

**[08:49]** ---

Boss!

**[08:50]** ---

Some may call us a rebel army.

**[08:53]** ---

We call ourselves the Oasis.

**[08:56]** ---

Rebel army?

**[08:58]** ---

Laguna was a part of this organization?

**[09:04]** ---

We'll put our issues with Laguna  
aside for now.

**[09:08]** ---

I'm interested in your power,

**[09:11]** ---

young boy.

**[09:13]** ---

My name is Goodwin. I'm the one who will take down Nero.

**[09:18]** ---

-He's a cat! -He's huge!

**[09:21]** ---

I have confirmed a large cat.

**[09:23]** ---

First the camel, and now this? What's with this planet?

**[09:35]** ---

Wh... what is it?

**[09:37]** ---

Hey, I may be small, but I'm a cat too!

**[09:45]** ---

No way! Are you Rebecca  
from Aoneko Channel?

**[09:48]** ---

Is it really you? Seriously?

**[09:51]** ---

It must be you since your partner, Happy, is here too!

**[09:54]** ---

Boss?

**[09:56]** ---

I'm always watching your videos!

**[09:58]** ---

I'm a big fan of yours! Remember that episode

**[10:01]** ---

where you did a taste test  
of the spicy soups? I loved that!

**[10:05]** ---

The whole project went down  
the drain after one bite.

**[10:10]** ---

Who knew we'd find a fan  
of those dumb videos!

**[10:13]** ---

To each its own, I guess.

**[10:15]** ---

Good for you, Rebecca!

**[10:17]** ---

Not sure how I feel about this.

**[10:18]** ---

Her viewer is a leader  
of the rebel army.

**[10:21]** ---

I wasn't expecting this.

**[10:24]** ---

Boss's favorite B-Cuber?

**[10:26]** ---

Why is she with Laguna?

**[10:28]** ---

What the hell is going on?

**[10:30]** ---

Oasis... and cat...

**[10:34]** ---

Are you Oa-NEKO that always donates  
to my Financial Support Chat?

**[10:37]** ---

That's right.

**[10:40]** ---

Thank you!

**[10:42]** ---

That's the biggest smile she's shown  
all day.

**[10:44]** ---

You deserve it. You're the best B-Cuber!

**[10:49]** ---

Boss, are you out of your mind?

**[10:52]** ---

You were giving away our war funds  
to a woman like this?

**[10:56]** ---

It's my personal money. Got any problems with that?

**[10:59]** ---

More importantly, these people  
are Laguna's friends.

**[11:03]** ---

Oh, I forgot about that.

**[11:07]** ---

If he's friends with Laguna, and Rebecca,

**[11:09]** ---

-then we can be... -Just shut up.

**[11:11]** ---

I didn't think I'd once again  
see the face

**[11:15]** ---

of the coward who ran away from here.

**[11:18]** ---

I don't know if you can  
get as far as Nero,

**[11:20]** ---

but this is your chance  
to take down Shura.

**[11:28]** ---

Please, at least hear us out!

**[11:31]** ---

Please!

**[11:33]** ---

Of course!

**[11:35]** ---

You broke the rules of this organization

but we'll deal with you later.

**[11:42]** ---

That means we're all friends, right?

**[11:44]** ---

Shiki, don't let your guard down.

**[11:46]** ---

He may seem a little silly,

**[11:49]** ---

but I sense an incredible Ether  
from that cat.

**[11:52]** ---

The people around us are strong too.

**[11:58]** ---

Yeah, I know.

**[12:01]** ---

That's why it'll be reassuring  
if they all become our friends.

**[12:07]** ---

Oh boy.

**[12:14]** ---

We're still connected to Pino.

**[12:16]** ---

All of their vitals are normal.

**[12:19]** ---

Rebecca's endorphin count is slightly  
higher than the rest.

**[12:24]** ---

Well, she did meet someone  
who enjoys her work.

**[12:27]** ---

Laguna is from Aoi Cosmos?

**[12:30]** ---

You didn't know?

**[12:32]** ---

From the looks of it, he was part of the rebel army

**[12:35]** ---

that's plotting to take down Nero.

**[12:37]** ---

Then how did he end up  
working under Drakken?

**[12:40]** ---

Who knows? But he has too many secrets.

**[12:44]** ---

Laguna is not a bad person.

**[12:51]** ---

*This broadcast is being interrupted*

*to bring you some breaking news.*

**[12:55]** ---

*After the recent announcement*

**[12:58]** ---

*by The Temple*

*that it would destroy all androids,*

**[13:01]** ---

*there has been a rush of androids*

*attempting to flee Aoi Cosmos.*

**[13:04]** ---

*It's only to be expected. Robots have their own will too.*

**[13:08]** ---

*Is Nero's son an idiot?*

**[13:11]** ---

*This isn't advantageous*

*for the empire at all!*

**[13:13]** ---

*Stop it, Ko!*

**[13:15]** ---

*Unhappy androids have begun protesting,*

**[13:18]** ---

*and there have been reports*

*of conflicts with the Imperial Army.*

**[13:22]** ---

*This is God's will!*

**[13:24]** ---

*Now is the moment for humankind*

*to cut off all corrupt technology!*

**[13:29]** ---

*According to the recent*

*public opinion poll,*

**[13:31]** ---

*The Temple's approval rate*

*is at an all-time low,*

**[13:35]** ---

*and many are questioning*

*The Temple's decision.*

**[13:38]** ---

*The trust towards the android*

*manufacturing industry has been ruined!*

**[13:43]** ---

*This is unacceptable!*

**[13:45]** ---

*We cannot allow this type*

*of tyranny from our government!*

**[13:48]** ---

*What will happen to the androids serving  
in the military and medical fields?*

**[13:53]** ---

*Confusion continues to spread.*

**[13:55]** ---

*Honestly, it has nothing to do with me,*

**[13:58]** ---

*but it'll be just crazy  
if all the robots disappear!*

**[14:03]** ---

*Androids have become  
an indispensable part of our lives.*

**[14:07]** ---

*When they disappear...*

**[14:09]** ---

*What will you do?*

**[14:11]** ---

*No! I don't want that!*

**[14:14]** ---

*I won't let that happen! I'm going to protect them!*

**[14:18]** ---

*I've never seen someone get so heated  
over the news.*

**[14:21]** ---

*He's so cute.*

**[14:22]** ---

*What the hell?*

**[14:25]** ---

*It seems like there's panic  
all over the place.*

**[14:28]** ---

*Of course.*

**[14:29]** ---

*Killing all the robots is so horrible.*

**[14:32]** ---

*It's so sad.*

**[14:34]** ---

*Well, just this once, I actually pity Nero.*

**[14:37]** ---

*Because his stupid son  
is weakening the empire's power.*

**[14:41]** ---

*But he still deserves it.*

**[14:43]** ---

*Is it really possible for him to kill  
all the androids*

**[14:46]** ---

in Aoi Cosmos?

**[14:48]** ---

He'll use the All-Link.

**[14:50]** ---

Aoi Cosmos is surrounded by the ocean.

**[14:53]** ---

Once every few years, there is a high tide.

**[14:56]** ---

All the planets in Aoi Cosmos  
get submerged in the ocean.

**[15:01]** ---

It's said that Ether and electricity  
combine under water,

**[15:04]** ---

and all the networks become connected.

**[15:07]** ---

All-Link?

**[15:09]** ---

That's on a tremendous scale.

**[15:11]** ---

But yes, if he uses the ocean Ether...

**[15:14]** ---

That's the All-Link! It's one of the Empire's weapons!

**[15:19]** ---

But we'll die by drowning!

**[15:21]** ---

All planets have an Ether layer, so it won't flood.

**[15:25]** ---

The Aoi high tide is in three days.

**[15:28]** ---

We must stop Shura before that, or all  
the robots in Aoi Cosmos will die.

**[15:32]** ---

No way!

**[15:33]** ---

We only have three days?

**[15:35]** ---

We have to stop Shura right away!

**[15:38]** ---

Help us out, Boss.

**[15:40]** ---

Shiki is a gravity user, just like Shura.

**[15:43]** ---

Shiki might be able to take down Shura.

**[15:46]** ---

I don't need help from outsiders.

**[15:48]** ---

What?

**[15:50]** ---

It's an emergency! Enemies attacking!

**[15:53]** ---

-Imperial Army is in the marketplace! -What?

**[15:56]** ---

They started killing the robots...

**[15:59]** ---

-Zoy! -This is Oasis's hideout! Charge!

**[16:03]** ---

He was being followed!

**[16:05]** ---

Everyone, pick up your weapons!

**[16:21]** ---

We'll talk later! We have to protect the marketplace!

**[16:24]** ---

-Who are these people? -They're so strong!

**[16:27]** ---

*Shiki might be able to take down Shura.*

**[16:31]** ---

This kid...

**[16:36]** ---

All robots, stand in a line. Listen up.

**[16:40]** ---

Don't move.

**[16:41]** ---

What did we do to deserve this?

**[16:44]** ---

That's right!

**[16:45]** ---

This is The Temple's tyranny!

**[16:47]** ---

Sooner or later, all robots  
will be annihilated.

**[16:51]** ---

So gather in one place to make it  
easier for us to get our job done.

**[16:56]** ---

We will not die!

**[17:00]** ---

Come to think of it, the robots here  
are unusually calm.

**[17:06]** ---

The robots on the other planets  
are in a frenzy.

**[17:11]** ---

What's your secret?

**[17:13]** ---

Well, uh...

**[17:18]** ---

Wh...What?

**[17:20]** ---

Sergeant!

**[17:24]** ---

-Mr. Ibaraki! -Yeah!

**[17:26]** ---

Oasis is here!

**[17:28]** ---

We're here on this planet  
so no need to fear!

**[17:30]** ---

It's the rebel army!

**[17:32]** ---

We're getting fired up now!

**[17:35]** ---

Charge!

**[17:39]** ---

Who the hell is he?

**[17:41]** ---

He came from the sky!

**[17:42]** ---

Just shoot!

**[17:50]** ---

Magimech Attack

**[17:52]** ---

Gravity Fist!

**[17:54]** ---

Don't back down!

**[17:56]** ---

That poor aim won't get you anywhere!

**[18:02]** ---

It's the Imperial Armored Car!

**[18:04]** ---

It's coming!

**[18:05]** ---

I'll handle it!

**[18:18]** ---

Rebecca!

**[18:34]** ---

What's with that sigh of relief? That was too close!

**[18:37]** ---

You could've easily dodged that

with your speed!

**[18:41]** ---

But I saw this kid in the car.

**[18:47]** ---

I'm not a kid, you idiot! Die!

**[18:52]** ---

I won't forgive you, Imperial Army!

**[18:54]** ---

Little kids like that are used  
in the Imperial Army?

**[19:04]** ---

She's blocking the bullets  
with her sword! She's a monster!

**[19:11]** ---

Warrior Maiden Dual-Sword Attack,

**[19:14]** ---

Leopard Rain!

**[19:18]** ---

Stop right there!

**[19:20]** ---

You dumb little robot!

**[19:23]** ---

This way, Local!

**[19:26]** ---

Traveler!

**[19:27]** ---

I used my EMP to temporarily block  
the enemy's gun.

**[19:31]** ---

EMP? If that's the case, that should've  
stopped me too, since I'm an android.

**[19:36]** ---

I trained... or more like,

**[19:38]** ---

with my new update, I can prevent it  
from affecting my allies!

**[19:45]** ---

Hey there! Get out of here!

**[19:50]** ---

What's with this huge cat?

**[19:52]** ---

The camel is huge too!

**[19:54]** ---

He's Goodwin, the leader of the rebel army!

**[19:56]** ---

You guys

**[19:58]** ---

may think that you're ruling over  
all of Aoi Cosmos,

**[20:01]** ---

but this planet, Sandra, will choose freedom!

**[20:04]** ---

Go tell Nero

**[20:07]** ---

that we are prepared to fight!

**[20:09]** ---

-Nice! -Goodwin!

**[20:11]** ---

We'll fight too!

**[20:13]** ---

Wow!

**[20:14]** ---

Everyone on this planet  
had their freedom taken by Nero.

**[20:23]** ---

As long as the rebel army exists, they will not yield to Nero.

**[20:27]** ---

Is it the same with you?

**[20:30]** ---

Did Nero take away your freedom too?

**[20:35]** ---

AOI COSMOS  
PLANET NERO 1 THE TEMPLE

**[20:38]** ---

Fabiano.

**[20:39]** ---

You didn't go to Planet 66 with Shura?

**[20:44]** ---

Your majesty, will you not take action  
even when the situation

**[20:48]** ---

is dire as it is right now?

**[20:51]** ---

Prince Shura killed Reverend,

**[20:53]** ---

and has come up with a foolish plan  
of destroying

**[20:57]** ---

all the robots in Aoi Cosmos. I can

hardly believe he's in his right mind!

**[21:01]** ---

At this rate, this empire will fall!

**[21:04]** ---

Your Majesty, you must take control, and stop Prince Shura!

**[21:08]** ---

Fabiano.

**[21:10]** ---

I have gained everything in Aoi,

**[21:14]** ---

by obeying the dice, and letting it guide me.

**[21:20]** ---

These dice will never betray me.

**[21:23]** ---

No matter what foolishness my stupid son  
resorts to, or if this empire falls,

**[21:28]** ---

or even if a 100 million or a billion  
die, the result will not change.

**[21:33]** ---

I will be victorious. It has already been determined.

**[21:38]** ---

And that will not change

**[21:40]** ---

as long as I have the absolute power  
of the Empire Dice.

**[23:14]** ---

PRELUDE TO THE AOI WAR

---
