[00:11] Shar

I hear you've submitted a thirteenth article to the Zodiac Precepts.

[00:16] Chu

Yes.

[00:19] Chu

Soon...

[00:20] Chu

Soon, I will be able to destroy the cat.

[00:25] Chu

I'm almost there...

[00:31] Shar

Cat and rat...

[00:33] Shar

The connection they share is one that nobody can undo.

[00:37] Shar

But...

[00:58] [SONG] Title

ETOTAMA

SIGN A Long, Serpentine Fate

[02:28] Nya

Where should we go next?

What should we buy?

[02:31] Nya

If we drag our feet, the day will be over before we know it!

[02:35] Takeru

You're in an awfully good mood.

[02:37] Nya

Well, yeah! I learned a lethal new technique!

[02:41] Nya

I'm getting so much stronger, my own potential frightens me!

SIGN Neko Masshiguran

[02:47] Shar

Oh?

[02:48] Nya

Hey, Shar-tan! What are you up to?

[02:52] Takeru

What was that? I don't get it.

[02:56] Takeru

You're into gardening, Shar-tan?

[02:59] Shar

No. It's food for this little one.

[03:02] Both

"Little one"?

[03:03] Shar

Yes, this little one.

[03:04] Shar

I have to feed it poison regularly.

[03:07] Takeru

But that's just a hair ornament, isn't it?

[03:09] Nya

Wait! So is this a poisonous plant?!

[03:11] Takeru

No, that's a bay laure—

[03:14] Nya

It's bitter! I'm dying! I'm dying!

[03:16] Shar

That was a joke.

[03:17] Nya

Which part was the joke?!

[03:20] Shar

This isn't poisonous. It's a bay laurel to use for cooking.

[03:23] Nya

Oh!

[03:25] Nya

So this snake is just a fake, too, right?

SIGN Chomp

[03:30] Nya

Ow!

[03:31] Shar

Be careful.

[03:32] Nya

Too late for that!

SIGN Hiss

[03:34] Shar

This really is a venomous snake.

[03:36] Nya

Seriously?!

[03:38] Nya

What?

[03:41] Nya

Hey! Why am I turning to stone?!

[03:43] Nya

W-Wait! Takeru, do somethi—

[03:46] Shar

Oh, dear.

[03:47] Takeru

Nya-tan! Nya-tan!

[03:48] Takeru

What do we do?!

[03:50] Shar

She needs the antidote,
or she'll be like that forever.

[03:53] Takeru

No way...

[03:54] Takeru

Where is the antidote?

[03:56] Shar

Let us embark on a journey, then.

[03:58] Takeru

Pardon?

[03:59] Shar

A journey to obtain the antidote.

[04:02] Takeru

Wh-What is...

[04:14] Shar

It's the snake train.

[04:15] Takeru

Snake... It's exactly what it looks like.

[04:17] Shar

Now, let's go.

[04:21] Takeru

A-All right.

[04:31] Takeru

What is this place?

[04:32] Shar

You're better off not knowing the details.

[04:35] Shar

For a human like you,
it's quite serpentine logic.

[04:40] Shar

That was a pun using "serpent,"
as in a snake—

[04:42] Takeru

Yeah, you don't have to explain. I got it.

[04:45] Shar

I see.

[04:46] Takeru

So this goes to a place where we can find

[04:48] Takeru

the antidote to return Nya-tan to normal?

[04:51] Shar

It might be there, and it might not be.

[04:53] Takeru

It might not?!

[04:54] Shar

Just kidding.

[04:55] Takeru

Which is it?!

[04:57] Shar

Look there.

[04:59] Shar

That's the Shrine of the Characters.

[05:02] Takeru

Huh?

SIGN Shrine of the
Characters

[05:11] Shar

We've arrived.

[05:12] Takeru

And the antidote is here?

[05:13] Shar

Since we're here,
let's do some sightseeing.

[05:18] Shar

Look. There's something over there.

[05:21] Takeru

What's that?

[05:29] Shar

Now, I'll explain.

[05:31] Takeru

What?

[05:33] Shar

Chu-tan.

[05:36] Shar

She is a very scrupulous Eto-shin who
addresses all things with sincerity.

[05:40] Shar

Her favorite food is a product
stumbled upon around 4,000 BC

[05:44] Shar

when cow milk stored in a bag made from

[05:45] Shar

a sheep's stomach hardened due
to the work of enzymes—

[05:47] Takeru

Cheese, right?

[05:51] Shar

She protects the southern Kanto region.

SIGN Rat

[05:55] Shar

Next is

SIGN Ox

[05:56] Shar

Mo-tan.

[05:57] Shar

She is a pervert.

[06:01] Shar

She's actually a vegetarian.

[06:03] Takeru

No way! Never expected that!

[06:05] Shar

She protects the Tokai region.

SIGN Ox

[06:09] Shar

Shima-tan has muscles ideal
for hand-to-hand combat,

SIGN Tiger

[06:12] Shar

so she's on the heavy side.

[06:14] Shar

Uh, is it okay to say that?

[06:15] Shar

Her favorite things are liquor, snacks,

[06:18] Shar

and the plate the snacks were on.

[06:19] Takeru

She likes the plate?!

[06:21] Takeru

So that's why she took my—

[06:22] Shar

She protects the Kinki region.

SIGN Tiger

[06:27] Shar

Usa-tan is ten kilograms
lighter than Shima-tan.

[06:30] Takeru

Again, you shouldn't say that...

[06:33] Shar

She protects Hokuriku.

SIGN Rabbit

[06:37] Shar

Dora-tan is an adequate C-cup.

[06:39] Takeru

Hey!

[06:41] Shar

She protects the Tosan region.

SIGN Dragon

[06:43] Shar

And when I say C-cup, I mean

[06:46] Shar

the difference between the top and under—

[06:47] Takeru

Next, please!

[06:50] Shar

I protect the Chugoku region.

[06:52] Takeru

That's it?

[06:53] Shar

You should learn many things
about me on this journey.

SIGN Snake

[06:59] Shar

Uma-tan is haunted by the
unpleasant sound of her name.

[07:02] Shar

Rat, ox, tiger, rabbit,

[07:04] Shar

dragon, snake... snake...

[07:06] Takeru

Oh, come on. Remember her.

SIGN Horse

[07:09] Shar

She protects the Kyushu region.

[07:11] Shar

Mei-tan's greatest concern
is her yearly shearing.

[07:14] Takeru

Shearing?

[07:15] Shar

Every hair on her body is shaved off.

[07:17] Takeru

Please don't lie.

SIGN Sheep

[07:20] Shar

She protects Hokkaido.

[07:22] Takeru

Can we get to searching for
Nya-tan's antidote soon?

[07:26] Shar

Key-tan protects northern Kanto,
Piyo-tan protects Tohoku,

[07:29] Shar

Inu-tan protects Shikoku,
and Uri-tan protects Okinawa.

[07:32] Takeru

Thanks for consolidating those.

[07:34] Shar

You're welcome.

[07:35] Takeru

When I see it this way,

[07:37] Takeru

I can tell the zodiac really
does protect all of Japan.

[07:40] Shar

Exactly.

[07:41] Shar

That's why we can't lose
even one of the twelve.

[07:45] Shar

It looks like the antidote isn't here.

[07:48] Takeru

We haven't even looked for it...

[07:51] Shar

Oh, dear. We need to hurry back,
or the curator will appoint us.

[07:55] Takeru

Okay, okay. Let's get going.

[08:01] Shar

That was a close one.

[08:03] Takeru

Um, this *is* a journey to

[08:06] Takeru

get the antidote to fix Nya-tan, right?

[08:09] Shar

Yes. It's not a recap
episode, by any means.

[08:12] Takeru

Recap... episode?

[08:14] Voice

The next stop is the Shrine
of the ETM12 Setting.

[08:18] Voice

Shrine of the ETM12 Setting.

[08:29] Shar

Don't touch this reflective water.

[08:31] Takeru

Why not?

[08:33] Shar

The water is difficult to animate.

[08:35] Shar

They can't use as many
cels in a recap episode.

[08:37] Takeru

I'm sorry. I have no idea
what you're talking about.

[08:41] Shar

I'm going to give you a review
of what the ETM12 is.

SIGN Zodiac Precepts

[08:45] Shar

The ETM12 is carried out

[08:47] Shar

according to the Zodiac Precepts.

[08:50] Takeru

Zodiac Precepts?

[08:52] Shar

Twelve rules established by the gods.

SIGN Dragon

[08:58] Uri

The Eto-shin Selection Festival,
held once every sixty years,

[09:01] Uri

where Eto-musume can attain the rank
of Eto-shin with their own fists...

[09:04] Uri

That's the ETM12!

[09:07] Uri

For Nya-tan to become an Eto-shin,

[09:08] Uri

she must defeat all twelve Eto-shin in
battle while the ETM12 is in progress

[09:11] Uri

and obtain all of their Sol/Lull Seals.

[09:20] Takeru

If she loses her Sol/Lull Seal,

SIGN Cat

[09:22] Takeru

she can't participate in the ETM12, right?

[09:25] Shar

Correct. Nor can she transform
into Pretty Mode anymore.

[09:29] Nya

Etotama! Sol/Lull Charge!

SIGN Cat

[09:32] Takeru

With stuff like this,

[09:33] Takeru

they're usually larger and tougher-looking
after they transform, right?

[09:37] Takeru

So why do they get smaller?

[09:39] Shar

It's a result of them being condensed.

[09:41] Takeru

Condensed?

[09:42] Shar

Sol/Lull from humans collects in

[09:45] Shar

our Etotama, our souls,

[09:48] Shar

and converted into our battle power.

[09:50] Shar

It's when we're the most
tightly-packed with power.

[09:53] Takeru

Sounds kinda like 100%
juice from concentrate.

[09:57] Takeru

By the way, there are

[09:59] Takeru

108 Eto-musume participating
in the ETM12, right?

[10:02] Shar

That's right.

[10:03] Takeru

I've never met any other than Nya-tan.

[10:07] Shar

All the other Eto-musume

[10:09] Shar

were defeated by Chu-tan.

[10:13] Takeru

Chu-tan is that strong?

[10:16] Shar

Since the ETM12 of 2,000 years ago,

[10:19] Shar

Chu-tan has been the most powerful,
and the leader of the Eto-shin.

[10:23] Takeru

Wasn't the ETM12 of 2,000 years ago...

[10:26] (Flashback) Dora

It's true that the ETM12 of

[10:29] (Flashback) Dora

2,000 years ago was a footrace.

[10:31] (Flashback) Shima

And the twelve Zodiac gods chosen
then were the current twelve.

[10:35] (Flashback) Takeru

But that means the cat should hate the rat.

[10:39] (Flashback) Takeru

Why does Chu-tan hate Nya-tan?

[10:43] Shar

The connection between the cat and rat is

[10:46] Shar

a complex, elaborate tangle.

[10:48] Shar

If we tried to undo it by force,
they would surely be torn apart and die.

[10:51] Takeru

Is there something you know, Shar-tan?

[10:54] Shar

Well,

[10:55] Shar

I might know, or I might not know.

[11:00] Shar

Oh, it's that time already?

[11:02] Shar

Time to head for the next shrine.

SIGN

If an Eto-shin loses a Sol/Lull Seal battle,
her Sol/Lull Seal will be transferred to the
Eto-musume who defeated her.

The Eto-shin may continue to participate
in the ETM12 with a new Sol/Lull Seal.

SIGN

An Eto-musume who loses a Sol/Lull Seal battle
against an Eto-shin will lose her own Sol/Lull Seal,
and her right to participate in the current ETM12 will be revoked.

[11:19] Shar

Incidentally, how do you...

[11:22] Shar

How do you feel about Nya-tan?

[11:25] Takeru

Huh?

[11:26] Takeru

Actually,

[11:28] Takeru

Shima-tan and Uri-tan both asked me the same thing recently.

[11:33] Takeru

When I first met her,

I had no idea what to do, but...

[11:35] Shar

It seems...

[11:38] Shar

That you are not so opposed to a recap episode anymore.

[11:41] Takeru

What do you mean?

[11:43] Shar

You just gave me a line that will

[11:45] Shar

let us transition smoothly into a flashback scene.

[11:48] Shar

Though, we already threw in a few flashback scenes earlier.

[11:52] Takeru

You're kidding!

[11:53] Shar

You understand well how this should flow.

[11:55] Shar

You're very clever.

[11:57] Voice

The next stop is the Shrine of Reviewing the Story Thus Far.

[12:01] Shar

We can stay on the train from this point on.

[12:01] Voice

Shrine of Reviewing the Story Thus Far.

[12:04] Takeru

Huh?

[12:05] Shar

The snake train is about to molt.

[12:07] Takeru

Molt?!

[12:08] Shar

Just kidding.

[12:09] Takeru

This is tiring...

SIGN Shrine of Reviewing the Story Thus Far

[12:20] (Flashback) Nya

Meow.

[12:23] (Flashback) Nya

Did that excite you?

[12:26] (Flashback) Nya

Did that lick excite you?

[12:29] (Flashback) Nya

Why?!

[12:30] (Flashback) Nya

How are you not excited after a run-in with a lucky licking situation like that?!

SIGN Hmm...

[12:35] (Flashback) Takeru

I see... So this is a lucky situation, huh?

[12:38] (Flashback) Nya

Seriously?

[12:38] (Flashback) Takeru

I don't really get it, but sorry I didn't meet your expectations.

[12:41] (Flashback) Nya

Depressing!

[12:44] (Flashback) Nya

Meow?

[12:45] (Flashback) Nya

Meow! Onii-chan, you pervert!

[12:50] (Flashback) Nya

Oh, Takeru-han! Do you feel better?

[12:54] (Flashback) Nya

Where are you going?

[12:56] (Flashback) Takeru

To buy food...

[12:57] (Flashback) Takeru

and scout around.

[13:01] (Flashback) ---

[13:02] (Flashback) Takeru

Add indecent exposure to the charges.

SIGN Fidget

[13:06] (Flashback) Nya

I wish I could jump into a hole!

[13:08] (Flashback) Takeru

Here.

SIGN Hole

[13:09] (Flashback) Nya

Seriously?!

[13:11] (Flashback) Uri

Pleased to meet you. I'm Uri-tan.

[13:14] (Flashback) Takeru

So I might as well ask...

Where'd you come from?

[13:17] (Flashback) ---

From this hole.

SIGN Hole

[13:19] (Flashback) Takeru

I should've known...

[13:20] (Flashback) Takeru

Where does that hole lead to?

[13:22] (Flashback) Uri

The world of the gods.

[13:23] (Flashback) Takeru

Gods?!

[13:24] (Flashback) Uri

Sometimes.

[13:25] (Flashback) Takeru

What do you mean, sometimes?

[13:26] (Flashback) All

Fire!

[13:31] (Flashback) Takeru

I might as well ask...

[13:32] (Flashback) Takeru

You know all these people, right?

[13:35] (Flashback) Uri

Yep, yep.

[13:36] (Flashback) Shima

Nya-tan can't help that. She's got amnesia.

[13:39] (Flashback) Mei

She's forgotten a lot of important things.

[13:43] (Flashback) Mei

Poor girl...

[13:46] (Flashback) Nya

Everyone working hard?

[13:48] (Flashback) Takeru

Huh? What are the Eto-shin doing here?

[13:52] (Flashback) Nya

They all work at this café.

[13:54] (Flashback) Takeru

They work?

[13:55] (Flashback) Takeru

Isn't Sol/Lull all they need?

[13:58] (Flashback) Usa

Sol/Lull and money are
two different things.

[14:01] (Flashback) Shima

The more money you have, the better.

[14:03] (Flashback) Shima

It never gets in the way.

[14:04] (Flashback) Shima

Right, Shar-tan?

[14:06] (Flashback) Shar

Yes.

[14:07] (Flashback) Takeru

She's playing the stock market!

[14:09] (Flashback) Shar

For me, it's a piece of cake.

[14:13] Takeru

You're still dealing in stocks?

[14:15] Shar

Yes.

[14:16] Takeru

That seems difficult.

[14:17] Shar

Even without doing anything extraordinary,

[14:19] Shar

it's possible to gain
extraordinary results.

[14:23] Shar

As long as you follow the basic rules.

[14:25] Takeru

Huh...

[14:28] (Flashback) Chu

So this is where you are.

[14:33] (Flashback) Uri

Chu-tan!

[14:34] (Flashback) Takeru

Chu-tan?

[14:35] (Flashback) Uri

She's the rat Eto-shin.

[14:38] (Flashback) Chu

I will only destroy the cat clan.

[14:40] (Flashback) Dora

If it gets dangerous, surrender right away.

[14:44] (Flashback) Shima

Got that, idiot student?

[14:47] (Flashback) Dora

What are you trying to do?

[14:49] (Flashback) Uri

I'm going to intervene in the battle.

[14:51] (Flashback) Dora

Intervene?!

[14:52] (Flashback) Shima

Even if you're an Eto-shin, doin'
somethin' that crazy will mess you up!

[14:55] (Flashback) Uri

Still!

[14:57] (Flashback) Uri

Nya-tan is my friend.

[14:58] (Flashback) Uri

I can't just keep watching this!

[15:08] (Flashback) Chu

You will exist no more!

[15:12] (Flashback) Nya

Uri-tan!

[15:15] (Flashback) Uri

Thank you for waiting.

[15:17] (Flashback) Uri

Here's the cake you ordered, yep, yep.

[15:19] (Flashback) Takeru

"Yep, yep"?

[15:24] (Flashback) Takeru

Reincarnated?

[15:25] (Flashback) Uri

Yes. Even if we die,

[15:27] (Flashback) Uri

we reincarnate after a
certain amount of time.

[15:31] (Flashback) Takeru

What kind of system is that?

[15:32] (Flashback) Nya

Exactly that kind of system, apparently.

[15:34] (Flashback) Usa

It's the UTC,

[15:36] (Flashback) Usa

Usa-tan Company's helicopter!

[15:39] (Flashback) Takeru

Usa-tan Company?

[15:42] (Flashback) Usa

Forgive my delayed introduction.

SIGN Usa-tan Company, CEO

Usa-tan Productions, Producer

Usa-tan Moving Center, Inc., Representative

Usa-tan Visual Effects, Inc., Managing Director

Usa-tan Books, Inc., Managing Director

UTC Electronics, President

UTC Foods, Inc., Representative Director

[15:44] (Flashback) Usa

I'm the CEO of Usa-tan Company,

[15:47] (Flashback) Usa

producer of Usa-tan Productions,
and much more.

[15:51] Takeru

Is Usa-tan Company really that amazing?

[15:55] Shar

Oh, didn't you notice?

[15:57] Takeru

Notice what?

[15:58] Shar

All of these belong to the Usa-tan Group.

SIGN All There Is to Know About Sesame Oil

[16:02] Takeru

Huh?! That's what "UTC" was?

[16:05] Shar

But as long as I follow the basic rules,

[16:07] Shar

it may be a good time to sell.

[16:09] Takeru

You own UTC stock?

[16:12] Shar

I just sold it.

[16:13] Takeru

Seriously?!

[16:17] (Flashback) Nya

Takeru!

[16:22] (Flashback) All

What is this?!

[16:27] (Flashback) All

What is this?!

[16:33] (Flashback) Nya

What is that?!

[16:39] (Flashback) Nya

What is this chaos?!

[16:41] (Flashback) Virus

I am all in one, and one in all.

[16:43] (Flashback) Virus

I reign over all realms, godly and mortal.

[16:46] (Flashback) Nya

Eh? What? All in one? All realms?

[16:49] (Flashback) Virus

I am the true divine cold virus!

[16:52] (Flashback) Nya

Oh, right! You're the one I've heard of!

[16:54] (Flashback) Nya

The one causing havoc everywhere right now,

[16:57] (Flashback) Nya

the divine cold virus!

[16:59] (Flashback) Nya

Wait! Cut it out already!

[17:01] (Flashback) Virus

I'm sorry!

[17:09] (Flashback) Shima

A kick-the-can battle.

[17:17] (Flashback) Shima

At this rate, Chu-tan really will beat you!

[17:21] (Flashback) Shima

Hurry up and surrender, Nya-tan.

[17:24] (Flashback) Shima

Come with me to train and
start over from scratch!

[17:27] (Flashback) Nya

No!

[17:33] (Flashback) Nya

Takeru produces such amazing

[17:37] (Flashback) Nya

Sol/Lull because he is who he is!

[17:39] (Flashback) Nya

I've forgotten a lot of things.

[17:41] (Flashback) Nya

I don't even remember why I wanted to

[17:44] (Flashback) Nya

join the zodiac in the first place, but—

[17:49] (Flashback) Nya

Wh-When I'm with Takeru,

[17:52] (Flashback) Nya

sesame oil tastes better,

[17:54] (Flashback) Nya

hot baths feel nicer,

[17:56] (Flashback) Nya

and breakfast and trips out of the
house and everything else is fun!

[18:00] (Flashback) Nya

It's because Takeru is with me

[18:02] (Flashback) Nya

that I can give all I've got to making my
dream of joining the zodiac come true!

[18:06] (Flashback) Nya

He's not a battery!

[18:08] (Flashback) Nya

I can believe that because he's Takeru!

SIGN Cat

[18:50] Takeru

Nya-tan's gotten stronger, huh?

[18:53] Shar

You've been watching her, I see.

[18:54] Shar

I believe Nya-tan trusts you.

[18:56] Takeru

Trusts me? You think so?

[18:59] Shar

By becoming involved with a human like you,

[19:02] Shar

Nya-tan changed.

[19:04] Shar

You changed, as well.

[19:07] Shar

Lives change by becoming
involved with other lives.

[19:11] Shar

But those changes

[19:13] Shar

may not always be for the better.

[19:18] Takeru

Looks like we're done with the review.

[19:20] Shar

Yes.

[19:21] Takeru

Um... And the antidote...?

[19:23] Shar

It wasn't here, it seems.

[19:25] Takeru

You didn't even look for it, did you?

[19:28] Shar

Let's search there next.

[19:38] Takeru

What is this?

[19:40] Shar

This is Nya-tan's shrine.

[19:42] Takeru

What? This place?

[19:44] Shar

It must be because her soul
hasn't completely regenerated.

[19:49] Shar

Oh?

[19:50] Takeru

Sol/Lull? No, it's not...

[19:53] Takeru

Nya-tan's... memories?

[19:56] Takeru

What does this mean?

[19:58] Takeru

If we take these back to Nya-tan,

[20:01] Takeru

will she remember more?

[20:03] Shar

Why would you make her remember?

[20:06] Shar

Something sad may have happened.

[20:08] Shar

Do you want to have a part in
the things she's sealed away?

[20:13] Takeru

I'm not a god or an Eto-musume,

[20:15] Takeru

so maybe it's strange for me to say...

[20:18] Takeru

But I'm the one able to support
Nya-tan the most right now,

[20:21] Takeru

aren't I?

[20:23] Shar

When on a journey, everyone
experiences meetings,

[20:26] Shar

partings, and lessons.

[20:29] Shar

And they halt the train at the stop
they've found just for themselves.

[20:32] Shar

I only wanted to see what stop
you would find, Takeru.

[20:37] Takeru

I want to see all of Nya-tan's
memories here before I go back.

[20:41] Shar

That's not possible.

[20:42] Shar

This place will soon disappear.

[20:45] Takeru

What?

[20:49] Voice

Shar-tan's special curry is done.

[20:53] Shar

It's finally finished.

[20:55] ---

[20:58] Takeru

Wow. Looks tasty.

[21:00] Shar

This curry is the antidote.

[21:02] Takeru

You're kidding me!

[21:03] Shar

It needs plenty of time to cook
in order to undo petrification.

[21:07] Shar

Oh... The bay leaves you
grew are in it, too.

[21:10] Shar

They should actually be removed
before the roux goes in.

[21:13] Takeru

Wait, you're not saying this whole journey

[21:15] Takeru

was to kill time while the
curry cooked, are you?

[21:19] Shar

That may be, or it may not be.

SIGN Stupid Outie

[21:25] Kid

Uh-oh!

[21:25] Kid

Hey, hurry up!

[21:27] Kid

Run!

[21:27] [SONG] Text

Meat

[21:29] Kid

Let's go!

[21:30] Takeru

Cruel.

[21:31] Shar

Oh, right.

SIGN Snake

[21:34] Shar

Here.

[21:35] Takeru

Your Sol/Lull Seal?

[21:38] Shar

A commemorative stamp.

[21:41] Shar

Eat up.

[21:45] Nya

Hot! That's hot!

[21:49] Nya

It burned my tongue...

[21:50] Takeru

Oh, good... You're back.

[21:52] Nya

What happened?

[21:53] Takeru

Look, Shar-tan gave me her Sol/Lull Seal.

[21:54] Shar

Takeru...

[21:56] Shar

If anyone can touch the

[21:56] Nya

Seriously?! Why?!

[21:58] Nya

Lucky! Give it to me, Takeru!

[21:59] Shar

cat and rat's relationship, perhaps it's you...

[22:00] Takeru

Hey, calm down a little. And no.

[22:02] Nya

Don't say that!

SIGN Next Time

[23:35] Shar

The fortune for those of you born
in the year of the snake...

[23:38] Shar

Oh. There isn't one, really.

[23:39] Takeru

Huh?

[23:40] Shar

Your lucky item is a molted snakeskin.

[23:42] Shar

Hang on. I'll take mine off.

[23:44] Takeru

Whoa! Wait!

[23:45] Shar

Just kidding.

[23:46] Takeru

Next time: An Equestrian Fit for a Cat.

SIGN An Equestrian Fit for a Cat

SIGN I'm Shar, but I'm not three times faster.
