**[00:03] Ein**

Appraise.

***SIGN*** Superhuman Strength (S+)

Increases arm strength for 10 seconds.

***SIGN*** Steel Cutter (S+)

Improves the sharpness of weapons or claws.

Grants ability to cut through metal.

**[00:06] Ein**

Ouch!

**[00:07] Ursula**

All right, then...

**[00:08] Ursula**

Now that you've gained  
the death bear's abilities,

**[00:11] Ursula**

I assume that will raise  
your confidence a bit.

**[00:14] Ursula**

All that's left to do is defeat monsters  
as you make your way to the surface.

**[00:17] Ein**

Wait, you mean...

**[00:19] Ursula**

This concludes your training.

**[00:21] Ursula**

That's what I mean.

**[01:57] Ursula**

Hey, boy.

**[01:58] Ursula**

Weep and rejoice.

**[02:00] Ursula**

I've got a present that Yuri  
asked me to give you.

**[02:04] Ein**

Y-You sure don't look like

you've got a present for me!

**[02:06] Ursula**

This is the remainder of the  
World Tree's spirit core.

**[02:10] Ein**

Its spirit core?

**[02:11] Ein**

That's what you used to make my eye, right?

**[02:14] Ursula**

That's right.

**[02:15] Ursula**

I'll make you a new artificial eye with this.

**[02:18] Ein**

Huh?

**[02:18] Ein**

But isn't that the source of Yuri's powers?

**[02:21] Ein**

I've already received some of it.

**[02:24] Ein**

I couldn't possibly take the rest, too!

**[02:26] Ursula**

Don't get a big head!

**[02:28] Ursula**

You're only borrowing it.

**[02:30] Ursula**

I've put an enchantment on it so that  
it will return here if you die.

**[02:34] Ursula**

I'm doing the transplant, so close your eyes.

**[02:37] Ein**

G-Got it.

**[02:44] Ursula**

Done.

**[02:46] Ein**

It doesn't feel much different...

**[02:48] Ursula**

With time, your evolved artificial eye...

**[02:51] Ursula**

Nay, the extraordinary power of your spirit  
god eye will make you weep with gratitude!

**[02:58] Ein**

"Spirit god eye"?!

**[03:01] Ein**

Many thanks to you, Yuri,  
for lending me your stren...

**[03:06] Ein**

Wait, huh?

**[03:07] Ein**

Where's Yuri?

**[03:08] Yuri**

Hello! I'm right here.

**[03:12] Ein**

Where did you just appear from, Yuri?

**[03:14] Yuri**

From inside your eye, Ein.

**[03:18] Ursula**

With the whole spirit core  
transplanted into your eye,

**[03:21] Ursula**

it is essentially one  
and the same as the World Tree.

**[03:24] Ursula**

Which means that Yuri can now  
reside inside your eye.

**[03:27] Ursula**

Rejoice!

**[03:28] Ursula**

It looks like Yuri will be going with you.

**[03:31] Yuri**

I can heal you!

**[03:33] Yuri**

With as many droplets  
from the World Tree as I like!

**[03:35] Yuri**

I'll be super useful!

**[03:36] Ein**

I mean, I'm delighted,  
but how do you feel about this, Ursula?

**[03:44] Ursula**

You think I *want* to entrust my  
precious daughter to some yokel

**[03:48] Ursula**

whose background I know nothing about?!

**[03:51] Ein**

Then why would you?

**[03:53] Ursula**

Yuri... has only ever had me here  
with her since she was born.

**[03:58] Ursula**

She's never had a friend,  
and she's always been lonely.

**[04:03] Ursula**

So I thought... if it's you...

**[04:05] Ursula**

maybe I could trust my daughter to you.

**[04:07] Ursula**

You're an utter dolt through and through,  
but you have a good heart.

**[04:12] Ursula**

Go show Yuri the wide world  
with that eye of yours.

**[04:17] Ein**

Ursula...

**[04:19] Ein**

I understand.

**[04:21] Ein**

Allow me to take care  
of your darling daughter.

**[04:24] Ursula**

Very good.

**[04:25] Ursula**

Best not forget you said that.  
Remember your resolve.

**[04:29] Ursula**

I've got a farewell gift for you, boy.

**[04:31] Ursula**

Hold out your hand.

**[04:36] Ein**

Oh!

**[04:37] Ein**

Wh-What is this?

**[04:39] Ursula**

I've imbued your hand with the  
"Infinite Storage" spell.

**[04:43] Ursula**

Just by willing it, you can store infinite  
physical objects inside this seal.

**[04:47] Ursula**

Here, go ahead and stash this.

**[04:50] Ein**

What is it?

**[04:51] Ursula**

Yuri provided the materials  
for me to craft this spirit sword.

**[04:56] Ein**

Huh? You've giving that to me too?

**[04:59] Ursula**

That's right.

**[04:59] Ursula**

But before I do...

**[05:02] Ein**

Ow, it hurts!

**[05:04] Yuri**

I-I'll heal you!

**[05:07] Ursula**

Next, I'll give you this  
philosopher's stone.

**[05:11] Ursula**

Hey, swallow it already!

**[05:19] Ein**

U-Ursula?

**[05:21] Ein**

What did you do to my right eye?

**[05:23] Ursula**

I established a permanent link  
with my consciousness.

**[05:25] Ursula**

Now we can always communicate,

**[05:28] Ursula**

and I'll be able to see  
everything that you do.

**[05:32] Ein**

Wait, you mean...

**[05:34] Ursula**

You better not get too friendly with Yuri,  
because I'm watching you!

**[05:39] Ein(M)**

*Th-This will be awkward!*

**[05:42] Ein**

I'm all set now.

**[05:44] Ein**

Now I just need to get back to the surface.

**[05:48] Ein**

Speaking of, is there anything you'd like  
to do once you're up there?

**[05:53] Yuri**

Anything I'd like to do?

**[05:54] Ein**

Yeah.

**[05:55] Ein**

I want to repay you  
for all you've done for me.

**[05:58] Yuri**

I'd like to see my family.

**[06:00] Ein**

Your family?

**[06:01] Ein**

You mean, besides Ursula?

**[06:04] Yuri**

I'd like to see my big sister  
and my little sisters.

**[06:07] Ein**

Huh?

**[06:08] Ursula**

Originally, the World Tree was  
a single enormous tree.

**[06:12] Ursula**

Its branches and spirit core  
were split into nine parts,

**[06:15] Ursula**

then hidden in dungeons in separate regions.

**[06:17] Ein**

I see.

**[06:18] Ein**

So you used to live together  
with the rest of the World Tree.

**[06:23] Ein**

Yeah, okay!

**[06:24] Ein**

Let's do this.

**[06:27] Ein**

Let's travel the world and find your family.

**[06:33] Yuri**

Are you sure?

**[06:35] Yuri**

I'm not imposing?

**[06:36] Ein**

Of course not.

**[06:38] Ein**

I want to meet your family too.

**[06:41] Ein**

So let's go see them all!

**[06:44] Yuri**

Ein...

**[06:45] Yuri**

Thank you!

**[06:47] Ein**

Now that that's decided,

**[06:49] Ein**

first, we've got to get out of here!

**[06:51] Yuri**

Yes!

**[06:59] Ein**

Well then...

**[07:00] Ein**

Which way should we go?

**[07:02] Ursula**

*Take a left.*

**[07:03] Ein**

Ursula?

**[07:05] Ein**

Oh, a sending!

**[07:06] Ursula**

*I've appraised an escape route for you.*

**[07:09] Ursula**

*If you just follow the arrows,  
you can't get lost.*

**[07:11] Ein**

Huh?

**[07:12] Ursula**

*Also, you've got an enemy approaching.*

**[07:14] Ursula**

*It's a viper, an enormous venomous  
snake with all sorts of...*

**[07:18] Ein**

Wait!

**[07:19] Ein**

Wait a minute, Ursula.

**[07:20] Ein**

The spirit god eye can appraise all that?

**[07:24] Ursula**

*You bet it can.*

**[07:25] Ursula**

*So get ready to fight already!*

**[07:27] Ursula**

*If you lose, I'll kill you.*

**[07:29] Ein**

Right, right...

**[07:30] Ein(M)**

*I'm glad I have her to teach me  
new ways of using this eye.*

**[07:37] Ein**

Looks like I can defeat even  
S-rank enemies with ease now.

**[07:42] Ursula**

*While you were patting yourself on  
the back, I appraised its abilities.*

**[07:47] Ein**

Huh? Wait!

**[07:48] Ursula**

*There's "Resistance: Status Effects,"*

**SIGN** Resistance to all manner of status effects.

**SIGN** Dissolving Venom (S+)

**[07:51] Ursula**

*which raises resistance  
against all status effects,*

**[07:53] Ursula**

*and "Dissolving Venom,"  
which can melt anything.*

**[07:56] Ein**

I'm not ready for this!

**[07:58] Ein**

The pain—

**[08:01] Ein**

There isn't any?

**[08:02] Ein**

Huh?

**[08:03] Ein**

I usually get a splitting  
headache doing that.

**[08:05] Yuri**

I healed you right up!

**[08:07] Ein**

What?

**[08:08] Ein**

You mean, from now on, I won't  
get those terrible headaches?

**[08:11] Yuri**

Yes.

**[08:11] Ein**

Thank you so much!

**[08:14] Ein**

I'm so grateful I met you.

**[08:21] Ein**

That's an ominous-looking door.

**[08:23] Ursula**

*And yet you must pass through it  
if you want to reach the surface.*

**[08:27] Ursula**

*Listen up.*

**[08:28] Ursula**

*Each dungeon has a so-called boss monster.*

**[08:32] Ursula**

*Dungeons are living things  
that consume humans,*

**[08:35] Ursula**

*and powering them is a beating heart.*

**[08:38] Ursula**

*That is the labyrinth core.*

**[08:40] Ursula**

*They cannot allow their hearts  
to be destroyed easily,*

**[08:43] Ursula**

*hence the need for something to guard them.*

**[08:46] Ein**

You're saying that boss monsters  
protect the cores?

**[08:50] Ursula**

*That's right.*

**[08:51] Ursula**

*You must defeat the boss,  
or the way out will never open.*

**[08:54] Ursula**

*And without exception,  
bosses are very strong.*

**[08:59] Ein(M)**

*Yuri and Ursula have made me strong  
enough to defeat S-rank monsters.*

**[09:04] Ein(M)**

*But they're probably nothing  
compared to boss monsters.*

**[09:09] Ein(M)**

*If I lose, I'll...*

**[09:13] Yuri**

You'll be fine, I'm sure.

**[09:16] Yuri**

I know you can do it.

**[09:20] Ein**

Yuri...

**[09:23] Ursula**

*Hurry up and defeat it  
to get to the surface, idiot.*

**[09:26] Ein**

Ursula...

**[09:27] Ein(M)**

*That's right.*

**[09:28] Ein(M)**

*I'm no longer the desperate Ein who runs,*

**[09:31] Ein(M)**

*picking up trash while waiting for death.*

**[09:36] Ein(M)**

*I'm Ein the appraiser, who's received  
the divine blessing of the World Tree!*

**[09:44] Ein**

This is the heart of the dungeon...

**[09:47] Ein**

The labyrinth core.

**[09:49] Ein**

What's that?

**[09:50] Ein**

A summoning circle?!

**[10:02] Ein(M)**

*It's huge...*

**[10:03] Ein(M)**

*So this is a boss monster.*

**[10:07] Ein**

We're in danger.

**[10:08] Ein**

Yuri, get back in my eye.

**[10:09] Yuri**

Right!

**[10:13] Ein**

I'm going to win!

**[10:14] Ursula**

*Your size difference is just too great.*

**[10:17] Ursula**

*First, you need to get in close.*

**[10:19] Ein**

Got it!

**[10:23] Ursula**

*Impact in two seconds.*

**[10:25] Ursula**

*Brace yourself.*

**[10:26] Ein**

Let's do this!

**[10:29] Ein**

Superhuman Strength!

**[10:34] Ein(M)**

*Hey, whoa.*

**[10:35] Ein(M)**

*What is this?*

**[10:36] Ein(M)**

*It's coming... like a meteorite!*

**[10:45] Yuri**

*I'll heal you!*

**[10:47] Ein**

Thanks, Yuri!

**[10:49] Ein(M)**

*The old me might have wet himself by now...*

**[10:53] Ein(M)**

*But that's not who I am anymore!*

**[10:55] Ein**

Dissolving Venom!

**[11:05] Ein**

Did that do it?

**[11:20] Ein**

That was close...

**[11:22] Ein**

I guess I can't beat it that easily.

**[11:25] Ursula**

*Is that so, boy?*

**[11:27] Ursula**

*Then I permit you the use of the  
ultimate-tier spell I taught you.*

**[11:30] Ein**

Really?

**[11:31] Ursula**

*With the amount of magic power you have now,*

**[11:33] Ursula**

*you should be able to cast  
that ultimate spell once.*

**[11:36] Ursula**

*Yuri will heal you if you collapse.*

**[11:38] Ursula**

*Feel free to go all out.*

**[11:41] Ein**

Got it.

**[11:51] Ein**

Too slow.

**[11:58] Ein**

Nova Strike!

**[12:17] Ein**

Did... I win?

**[12:22] Yuri**

Amazing! That was amazing!

**[12:24] Yuri**

You were able to bring down such a large foe!

**[12:27] Ein**

I can't believe I actually managed it.

**[12:29] Ein(M)**

*I never could've done it alone.*

**[12:34] Ein**

Thank you.

**[12:36] Ein**

It was all because of you.

**[12:38] Ursula**

*Why don't you hurry up  
and appraise the golem, eh, boy?*

**[12:44] Ein**

Oh, yeah.

**SIGN** Resistance: Earth Element (A)

Resistance against physical and magical attacks of the earth element.

**SIGN** Nullify Ambush (S+)

Only activates when are ambushed.

Super enhances your defenses to nullify any damage.

**[12:46] Ursula**

*Hey, boy.*

**SIGN** Gravity Well (S+)

Creates a temporary gravitational field, rendering enemies unable to move.

Can also rend flying enemies from the air.

**[12:48] Ursula**

*You still have more to appraise.*

**SIGN** Immovable Fortress (S+)

Sacrifice mobility to become invulnerable all physical and magical attacks.

**[12:51] Ursula**

*The labyrinth core is over there.*

**[12:55] Ein**

What happens if I appraise thi—

**[12:58] Ein**

Huh, Ursula? What are you doing here?

**[13:01] Ursula**

Your left eye is essentially  
the World Tree now.

**[13:04] Ursula**

Therefore, I can teleport in proximity to you.

**[13:10] Ursula**

I see.

**[13:11] Ursula**

It appears as though the labyrinth core  
is just like the spirit core.

**[13:15] Ein**

What do you mean by that?

**[13:18] Ursula**

Basically, it means I can make your eye  
stronger by using the labyrinth core.

**[13:23] Ein(M)**

*My already high-powered eye  
can evolve even further?*

**[13:27] Ursula**

Well?

**[13:28] Ursula**

Since I'm here, I can upgrade  
it for you immediately.

**[13:31] Ein**

P-Please!

**[13:32] Ein**

That'd be great!

**[13:44] Ein**

Wow, it's advanced to level 2!

**SIGN** Spirit God Eye

**SIGN** Can now appraise counter timing.

**[13:47] Ursula**

If you continue to defeat boss monsters  
and absorb labyrinth cores,

**[13:51] Ursula**

we'll be able to upgrade it even further.

**[14:00] Ein**

It closed on its own!

**[14:02] Ein**

Does this mean we can't go back?

**[14:04] Ursula**

I guess the loss of the labyrinth core  
has sealed off the route to the World Tree.

**[14:11] Ursula**

The hole you fell down is probably sealed too.

**[14:14] Ein**

Wait, that means...

**[14:16] Ursula**

In short, nobody else can  
reach the World Tree now.

**[14:23] Ursula**

Yuri will be able to live  
in peace going forward.

**[14:26] Ursula**

What a relief.

**[14:27] Ein**

I see.

**[14:28] Ein**

Then I guess we can head to the  
surface without any worries.

**[14:32] Ein**

Let's go, Yuri, Ursula.

**[14:35] Yuri**

Right!

**[14:46] GuyA**

I heard the story.

**[14:47] GuyA**

The enemies you ran into must've  
been seriously bad news.

**[14:51] GuyB**

Is what they're saying really true, Zoid?

**[14:53] Zoid**

It is.

**[14:54] Zoid**

For real, steer clear of that place.

**[14:58] Zoid**

I mean, it's crawling with hell hounds.

**[15:01] Zoid**

If you go, prepare to die.

**[15:03] GuyA**

You're lucky you made it back alive.

**[15:06] Zoid**

It was Ein...

**[15:07] Zoid**

He said, "I'll handle this. You go ahead."

**[15:12] GuyB**

What?

**[15:13] GuyB**

You mean the trash picker?

**[15:15] Zoid**

Don't call him that!

**[15:17] Zoid**

Ein was courageous.

**[15:20] Zoid**

He protected his friends  
by acting as a human shield.

**[15:24] GuyA**

I'm sorry...

**[15:25] GuyB**

That's rough, man.

**[15:27] Zoid(M)**

*Except it's a lie.*

**[15:30] Zoid(M)**

*We're the only ones who know the truth.*

**[15:33] Zoid(M)**

*Dead men tell no tales, after all.*

**[15:36] Zoid(M)**

*I'm sure he's living it up in heaven  
after getting to die a hero.*

**[15:41] Zoid**

I'm so sorry, Ein!

**[15:43] Zoid**

We'll never forget your sacrifice!

**[15:46] Ein**

Who died?

**[15:48] Zoid**

I told you, it was...

**[15:51] Zoid**

Ein!

**[15:53] Zoid**

You're still alive?!

**[15:55] Zoid**

Y-You're supposed to be dead!

**[15:57] Ein**

See for yourself.

**[15:59] Zoid**

This can't be real.

**[16:00] Zoid**

How did you get out of there?

**[16:01] Ein**

I walked out, defeating monsters as I went.

**[16:03] Zoid**

Stop lying!

**[16:05] Zoid**

There's no way you could  
defeat monsters like that!

**[16:10] GuyB**

H-Hey, Zoid...

**[16:12] Zoid**

What?!

**[16:13] GuyB**

The guy who saved your life came back.  
Why aren't you happy?

**[16:20] Ein**

I saved your life?

**[16:22] Ein**

Zoid and Jolene cast Paralyze on me  
and left me as bait for the hell hounds.

**[16:28] GuyA**

What's the meaning of this?

**[16:30] GuyB**

So you were lying?

**[16:31] Zoid**

No, he's trying to make me look bad...

**[16:35] GuyA**

Why the hell would he do that  
if he saved your life?!

**[16:39] Zoid**

I...

**[16:40] GuyB**

You scumbag!

**[16:41] Guest**

Murderer!

**[16:42] Guest**

Trash!

**[16:43] Guest**

What the hell?!

**[16:44] Guest**

You monster!

**[16:45] Guest**

Get out!

**[16:45] Ein**

That's enough.

**[16:47] Ein**

At the end of the day, I'm still alive.

**[16:50] Ein(M)**

*Zoid was the only one who'd let me,  
a worthless outcast, into his party.*

**[16:55] Ein(M)**

*And then, because he abandoned me,  
I got to meet Yuri and Ursula.*

**[17:03] Ein**

Thanks for everything.

**[17:08] GuyB**

He'd thank the dude who left him for dead?

**[17:11] GuyA**

Ein sure has changed.

**[17:13] Guests**

Is that really the same Ein?

**[17:15] Guests**

He's like a different person.

**[17:24] Ein(M)**

*I gained some new abilities defeating  
a boss in a dungeon close to the capital.*

**SIGN** Drain Level (S)

Forcibly lower a touched foe's level, thereby weakening them.

**SIGN** Seal Magic (S)

Forcibly siphon the magic power of a touched foe,  
thereby sealing their ability to use magic.

**SIGN** Dispel (S)

Dispel all curses and status effects.

**SIGN** Faint (A)

Invade a touched foe's consciousness to make them faint.

**[17:30] Ein**

This is amazing! It evolved again!

**[17:32] Ein**

Now I can now read any writing.

**SIGN** Spirit God Eye

**SIGN** Can now appraise the written language of all peoples, regions, and eras.

**[17:36] Ein**

That was a bust, though.

**[17:38] Ein**

There was no World Tree in that dungeon.

**[17:41] Ursula**

Naturally. They won't be so easy to uncover.

**[17:44] Ursula**

The World Trees fuel this entire world.

**[17:46] Ursula**

It'd be dangerous  
if they were too readily found.

**[17:49] Ein**

I'm sorry, Yuri.

**[17:51] Ein**

Looks like it'll be a while  
before you can see your family.

**[17:54] Yuri**

Don't worry about it, Ein.

**[17:56] Yuri**

We can take our time.

**[17:58] Yuri**

I was the one who selfishly asked to...

**[18:02] Ein**

What was that?

**[18:03] Ursula**

Looks like monsters are attacking  
a carriage up ahead.

**[18:06] Yuri**

W-We have to help!

**[18:08] Ein**

Right.

**[18:09] Ein**

Get in my eye, Yuri.

**SIGN** Resistance: Ice Element (A)

**SIGN** Flight (A)

**[18:24] Ein**

Um, are you all right?

**[18:32] Ein**

Are you hurt?

**[18:35] Claudia**

I've found you...

**[18:36] Claudia**

My... My...

**[18:38] Claudia**

My hero!

**[18:40] Ein**

H-Hero?!

**[18:43] Ein**

E-Excuse me, are you  
her older brother by chance?

**[18:46] Ein**

Could you please do something?

**[18:47] Jasper**

I'm sorry, young man.

**[18:49] Jasper**

I am not her brother.

**[18:51] Jasper**

My name is Jasper.

**[18:53] Jasper**

I'm the head of a trading company.

**[18:55] Jasper**

And she is Claudia von Gayta Neega,  
the third princess of this land.

**[19:04] Claudia**

Thank you so much for saving us earlier.

**[19:09] Ein**

Please, don't thank me. Thank Yuri.

**[19:12] Ein**

She's the one who healed your entourage.

**[19:15] Claudia**

Truly?

**[19:16] Claudia**

Thank you so much, Yuri.

**[19:19] Claudia**

I'll have them show  
their gratitude at a later date.

**[19:23] Claudia**

Now, there's no need to be so formal.

**[19:26] Claudia**

Go ahead and call me Claudia.

**[19:28] Ein**

All right.

**[19:29] Claudia**

And with all the stuffy  
formalities out of the way...

**[19:34] Claudia**

My hero!

**[19:36] Yuri**

D-Don't do that!

**[19:38] Claudia**

What? But whyever not?

**[19:40] Yuri**

Well, um...

**[19:42] Yuri**

Because...

**[19:44] Yuri**

I...

**[19:46] Yuri**

I'm...

**[19:49] Yuri**

I'm Ein's w-wife!

**[19:53] Yuri**

That's why!

**[19:56] Ein**

What?

**[19:57] Claudia**

Well, in that case, I don't see the problem.

**[20:01] Claudia**

I'll just become his second wife.

**[20:03] Yuri**

Y-You mean you're not giving up?

**[20:06] Claudia**

Whatever do you mean?

**[20:08] Claudia**

In this day and age, it's not rare  
for a man to have multiple wives.

**[20:13] Yuri**

C-Culture shock!

**[20:15] Yuri**

Still, you mustn't do that!

**[20:15] Ursula**

I'm glad she made friends so quickly.

**[20:16] Yuri**

Instead of touching Ein, touch me!

**[20:19] Ein**

I just can't keep up...

**[20:19] Claudia**

As you wish!

**[20:21] Jasper**

Young man, may I have a word?

**[20:25] Ein**

What is it, Jasper?

**[20:27] Jasper**

I'd like you to marry me.

**[20:31] Ein**

Wh-What are you talking about?

**[20:34] Jasper**

I'll explain it step by step.

**[20:37] Jasper**

I'm the head of a guild  
called the Ginoh Company.

**[20:41] Ein**

D-Did you just say the Ginoh Company?

**[20:43] Ein**

Your guild's products are everywhere!

**[20:47] Jasper**

I'm honored that you recognize us.

**[20:53] Yuri**

So many glittering, precious jewels!

**[20:56] Jasper**

I consider it my mission  
to safeguard the gems of the world,

**[21:00] Jasper**

preserving their brilliance forever.

**[21:05] Jasper**

Your left eye is a spirit core, correct?

**[21:09] Jasper**

A spirit core is the font  
of a World Tree's power.

**[21:12] Jasper**

Have you heard the legends?

**[21:15] Ein**

What legends?

**[21:17] Jasper**

Long ago, the World Tree stood aboveground.

**[21:21] Jasper**

In order to seal away Miktoran,

**[21:23] Jasper**

the demon lord of calamity  
who tried to destroy the world,

**[21:26] Jasper**

the World Tree used up all its power...

**[21:30] Jasper**

It is said to have withered,  
leaving behind its spirit cores.

**[21:35] Ein**

Demon Lord Miktoran?

**[21:38] Ein(M)**

*So sealing away the demon lord  
is what cost the surface the World Tree.*

**[21:44] Jasper**

I've been looking  
for a spirit core for so long.

**[21:47] Jasper**

Then suddenly, there you were.

**[21:50] Jasper**

That eye of yours stole  
my heart in an instant.

**[21:56] Jasper**

Young man,

**[21:57] Jasper**

won't you grant me the privilege of being  
reflected in that eye of yours forevermore?

**[22:03] Ein(M)**

*T-Too close!*

**[22:05] Ursula**

Hey, come here a sec!

**[22:07] Ein**

U-Ursula?

**[22:09] Ursula**

So, what are you going  
to do about his proposal?

**[22:11] Ein**

What do *you* think? Decline, of course.

**[22:13] Ursula**

Give it some thought, dunce!

**[22:15] Ursula**

He's spent a long time looking  
for spirit cores.

**[22:18] Ursula**

In other words, he's bound  
to have intel on the World Trees.

**[22:23] Ursula**

If you marry him, you'll have access  
to his money and information.

**[22:28] Ursula**

That should increase your odds of  
finding hidden dungeons, don't you say?

**[22:32] Ein(M)**

*You look like a total villain!*

**[22:37] Ein**

I don't know about getting married,  
but maybe we could be friends?

**[22:43] Jasper**

Well, I suppose that's fine for now.

**[22:46] Jasper**

For now.

**[22:47] Jasper**

But speaking of...

**[22:48] Jasper**

You're free to live here from now on.

**[22:50] Jasper**

My mansion will be your home  
one day anyway, after all.

**[22:54] Claudia**

Stop hogging him, Jasper! Let me in too!

**[22:58] Yuri**

Me too!

**[23:01] Ein**

So, Jasper...

**[23:02] Ein**

Do you have any leads on other spirit cores?

**[23:05] Jasper**

I do indeed.

**[23:07] Jasper**

But they lie in very dangerous areas,  
so investigating is nigh-impossible.

**[23:10] Ein**

Could you tell me what you know?

**[23:14] Ein**

I might be able to get the spirit core.

**[23:16] Jasper**

You could?!

**[23:19] Jasper**

I'll make preparations at once!

**[23:35] Ein**

Next time: "Searching for the Sisters."
