**[00:00] Touka**

Now, Seras...

**[00:02] Touka**

Take off your clothes.

**[00:06] Seras**

Huh?

**[00:07] Touka**

The people of Mills saw you  
in that outfit, right?

**[00:11] Seras**

Oh...

**[00:12] Touka**

Sorry to give you the wrong idea.

**[00:14] Seras**

I'll admit I was a bit shaken.

**[00:17] Seras**

H-Hold on a moment. When did we start  
acting like our agreement is still in effect?

**[00:22] Touka**

I have a proposal for you.

**[00:24] Touka**

Why don't you negotiate with the Witch  
of Taboos and have her shelter you?

**[00:28] Seras**

The Witch of Taboos?

**[00:30] Touka**

No one has ever figured out  
where she lives, right?

**[00:33] Seras**

Indeed.

**[00:34] Touka**

I'm heading to the Land of Monsters myself

to learn more about that ancient script.

**[00:39] Touka**

So our agreement's still good, no?

**[00:42] Seras**

Why go so far for me?

**[00:44] Touka**

You remind me of someone.

**[00:46] Touka**

You don't look or sound very similar,

**[00:48] Touka**

and your personalities are different, but...

**[00:51] Touka**

If I had to say, you have the same aura.

**[00:54] Touka**

So cutting out on you here  
would feel like abandoning my aunt.

**[00:58] Seras**

Sir Touka...

**[00:59] Seras**

You truly are a kind man.

**[01:01] Touka**

Yeah, I already know.

**[01:08] Touka**

Not enough to level up, huh?

**[01:10] Touka**

Now then...

**[01:14] Touka**

If you answer our questions honestly,  
I'll have mercy on you.

**[01:18] Gizun**

Damn brat! Don't think you can get away  
with defying the Black Dragon Knights!

**[01:20] Touka**

*I'm not lying.*

**[01:22] Touka**

*I can dismiss the nonlethal setting  
and spare him from his suffering.*

**[01:25] Seras**

Who is it that wants me dead?

**[01:28] Gizun**

A-All right.

**[01:30] Gizun**

I'm a little curious.

**[01:33] Gizun**

I wanna see how a former high elf princess

**[01:35] Gizun**

who swore her sword to the Holy Empire

**[01:37] Gizun**

reacts when she learns the truth!

**[01:39] Touka**

Seras!

**[01:44] Touka**

*He's currently out of range.*

**[01:47] Touka**

*No, worse yet, he's—*

**[01:51] Civit**

Seras Ashrain.

**[01:55] Touka**

*His garb and hair are white.*

**[01:58] Touka**

*His eyes alone are a vivid red...*

**[02:00] Civit**

I am Civit,

**[02:03] Civit**

though many in this world  
call me by another name...

**[02:08] Civit**

"Humanity's Strongest."

**[02:17] Sign**

Failure Frame

**[02:17] Sign**

I Became the Strongest and Annihilated Everything with Low-Level Spells

**[03:42] Sign**

Humanity's Strongest, Civit Gartland

**[03:47] (Flashback) Civit**

Hand them over.

**[03:49] (Flashback) Civit**

Surrender to me your nation's strongest.

**[04:03] Seras**

Civit Gartland...

**[04:05] Seras**

The Five Dragoons, too.

**[04:09] Touka**

*But there are only four of them.*

**[04:11] Sign**

The Five Dragoons  
Black Dragon Knights

**[04:12] Touka**

*There's one missing...*

**[04:14] Civit**

I sealed his lips, Orban.

**[04:16] Orban**

Look, was there any need to kill him?

**[04:17] Sign**

Orban

**[04:19] Civit**

You shouldn't get carried away  
with side gigs either.

**[04:22] Civit**

I take it Ortola ordered this?

**[04:30] Ortola**

Ah, Seras...

**[04:34] Ortola**

Everything about you restored this old,

**[04:39] Ortola**

withered ruler to  
a man brimming with vigor.

**[04:45] Ortola**

I don't begrudge letting you escape.

**[04:48] Ortola**

I don't begrudge it, but...

**[04:53] Ortola**

The thought of another man  
one day defiling you...

**[04:59] Ortola**

Oh, Seras!

**[05:00] Ortola**

I'll pay as much money as it takes.

**[05:02] Ortola**

And if I must offer anything else,  
I will gladly do so.

**[05:06] Ortola**

So, please...

**[05:08] Ortola**

Please die and vanish from this world!

**[05:11] Seras**

Emperor Ortola... wants me...?

**[05:14] Orban**

Aw, now she's frozen up.

**[05:16] Orban**

Poor thing.

**[05:18] Civit**

Gizun was going to be a  
hindrance at this stage,

**[05:21] Civit**

therefore I killed him.

**[05:23] Civit**

Had he dodged, however,  
I would have let him live.

**[05:27] Touka**

*Gizun was paralyzed and unable to move,*

**[05:29] Touka**

*but he couldn't have evaded that either way.*

**[05:31] Schweitz**

How should we deal with Seras Ashrain?

**[05:34] Civit**

What did His Majesty say?

**[05:36] Sign**

Schweitz

Vice Captain of the Black Dragon Knights

**[05:36] Schweitz**

That it was up to us.

**[05:38] Schweitz**

What shall we do?

**[05:40] Schweitz**

How about passing her around our subordinates  
as a reward before we kill her?

**[05:44] Orban**

That would cause issues, Schweitz.

**[05:47] Orban**

The former holy emperor asked us to bring  
her corpse back with her purity intact.

**[05:51] Seras**

Wh-What nonsense are you people spouting?!

**[05:54] Orban**

Apparently the geezer can't die  
in peace so long as you're alive.

**[05:59] Seras**

Y-You lie...

**[06:03] Civit**

Seras Ashrain, I'll grant you  
the right to win your life.

**[06:08] Seras**

The right?

**[06:09] Schweitz**

Sir Civit is saying that if you duel him  
and win, he'll let you go, Lady Seras.

**[06:15] Mitama**

The Spirit Regalia of Holy Neah's  
knight captain is renowned.

**[06:15] Sign**

Mitama

**[06:20] Civit**

I would be satisfied with the opportunity  
to test your Spirit Regalia in battle...

**[06:23] Civit**

Or so I thought until just moments ago.

**[06:27] Schweitz**

Sir Civit?

**[06:29] Civit**

I now find myself more interested  
in this young man than Seras Ashrain.

**[06:33] Sign**

Civit Gartland  
Captain of the Black Dragon Knights

**[06:33] Civit**

Who might you be?

**[06:37] Touka**

*I've got a knife to my throat...*

**[06:41] Touka**

*But he's still out of range.*

**[06:44] Touka**

*Humanity's Strongest...*

**[06:45] Touka**

*Civit Gartland.*

**[06:47] Touka**

*A man more dangerous than the Soul Eater.*

**[06:51] Civit**

Why are you grinning?

**[06:53] Touka**

*Ah, right.*

**[06:55] Touka**

*Why is it that moments like this make me...*

**[06:58] Touka**

Hey, Civit Gartland.

**[07:00] Touka**

Care to have a little chat?

**[07:04] Civit**

I would hear your name first.

**[07:07] Touka**

It's Hati Skoll.

**[07:09] Civit**

I see. An alias?

**[07:11] Touka**

Well, yeah.

**[07:12] Civit**

So you have a need to  
conceal your real name.

**[07:16] Civit**

I take it there's some history there.

**[07:18] Schweitz**

Sir Civit, why on earth are  
you bothering with this boy?

**[07:22] Civit**

Don't you find it odd?

**[07:24] Civit**

He stands before the Five Dragoons  
but he's not frightened.

**[07:27] Civit**

He's waiting for an opening  
so he can attack.

**[07:30] Schweitz**

*Attack you?*

**[07:32] Civit**

He knows that one wrong move  
will see him instantly slaughtered.

**[07:36] Civit**

Yet even in such a situation,  
he smiles and seeks conversation.

**[07:41] Schweitz**

Huh.

**[07:42] Touka**

*He's a clever man.*

**[07:43] Civit**

It's too early to close  
the curtains on this stage.

**[07:47] Touka**

*Don't get hasty.*

**[07:48] Touka**

*Make the wrong choices  
and this is over in a flash.*

**[07:51] Touka**

I'd like to ask you something.

**[07:53] Civit**

Very well. State your question.

**[07:55] Touka**

I gather you're searching for a foe  
who can satisfy you.

**[07:59] Civit**

Indeed I am.

**[08:00] Touka**

But aren't there plenty of strong, superhuman  
opponents crawling around everywhere?

**[08:05] Touka**

For example, the goddess of Alion.

**[08:08] Civit**

My land of Bakoss and Alion  
have forged close relations.

**[08:12] Civit**

However...

**[08:13] Civit**

I have high hopes for the heroes

she's summoned from another world.

**[08:17] Civit**

The power of her blessing grants  
such heroes the ability

**[08:20] Civit**

to rapidly approach the peak of strength.

**[08:23] Civit**

I have faith that they will prove worthy  
foes for me, and so I await that day.

**[08:26] Touka**

*He's oozing with absolute self-confidence.*

**[08:29] Touka**

*His only desire is finding  
and fighting powerful opponents.*

**[08:33] Touka**

*"Humanity's Strongest"  
is too strong for his own good.*

**[08:35] Civit**

Seras Ashrain.

**[08:36] Civit**

I've lost interest in you at this point.

**[08:38] Civit**

I'll at least do you the honor  
of delivering your head

**[08:41] Civit**

to Cattleya, the princess of Neah.

**[08:43] Seras**

You would do that to the princess?

**[08:45] Civit**

Silence, resigned weakling!

**[08:47] Civit**

You are the reason Bakoss  
suddenly changed its stance

**[08:52] Civit**

and invaded Neah in the  
first place, Seras Ashrain.

**[08:55] Seras**

What?!

**[08:56] Orban**

Why are you acting surprised?

**[08:58] Orban**

You already had an inkling  
of the truth, didn't you?

**[09:01] Orban**

Bakoss wiped out Neah because

**[09:03] Orban**

our goddess demanded they

hand over their little paladin,

**[09:06] Orban**

and your holy emperor refused.

**[09:08] Schweitz**

They reaped what they sowed.

**[09:10] Seras**

That can't be...

**[09:11] Civit**

Nothing kills my interest more than those who refuse to struggle even in the face of death.

**[09:15] Civit**

Even if they're weak,  
as long as they come at me...

**[09:18] Civit**

Though it goes without saying that I'd greatly prefer it if they have the power to kill me.

**[09:25] Touka**

*I've put together our path to survival now.*

**[09:29] Touka**

Civit Gartland.

**[09:31] Touka**

You desire a foe who can threaten your life, right?

**[09:35] Civit**

Indeed I do.

**[09:36] Touka**

Then how about I become that for you?

**[09:39] Touka**

You said those the goddess blesses rapidly approach peak strength, right?

**[09:45] Touka**

*Playing this card will  
be our watershed moment.*

**[09:48] Touka**

My real identity is Touka Mimori,

**[09:50] Touka**

a hero from another world.

**[09:54] Seras**

Sir Tooka... you're a  
hero from another world?

**[09:59] Civit**

Now the pieces click.

**[10:01] Civit**

That's why something felt off.

**[10:02] Civit**

However, what are you doing  
in a place like this?

**[10:05] Touka**

*Civit is capable of sensing lies,*

**[10:07] Touka**

*so blatant falsehoods won't fly here.*

**[10:09] Touka**

I hold a unique position,

**[10:11] Touka**

even among my fellow heroes.

**[10:13] Touka**

So I'm acting alone, independent of them,

**[10:16] Touka**

all at the goddess's behest.

**[10:18] Touka**

*None of that was untrue.*

**[10:20] Touka**

*It was all fact.*

**[10:21] Touka**

*But Civit can interpret it as he will.*

**[10:23] Civit**

Why are you acting independent  
of the other heroes?

**[10:27] Touka**

Apparently, I'm in an altogether  
different league than the rest.

**[10:30] Civit**

Oh?

**[10:31] Touka**

*That's right. I'm an E-Class hero.*

**[10:33] Touka**

*We're not at all on the same level.*

**[10:36] Touka**

Because of that, I was sent out on my own.

**[10:39] Civit**

A man even the goddess  
recognizes as special, huh?

**[10:42] Touka**

Yeah. Seems I'm really quite special to her.

**[10:46] Civit**

Now *this* is interesting.

**[10:47] Civit**

So, hero from another world,  
what is it you'd ask of me?

**[10:52] Touka**

Deferment.

**[10:53] Civit**

You want me to spare you for now?

**[10:55] Civit**

What's in it for me?

**[10:57] Touka**

I'll grow stronger than I am now  
and then kill you.

**[11:00] Civit**

You say you'll kill me?

**[11:02] Touka**

I'll grow stronger than  
anyone or anything else.

**[11:06] Touka**

I'm going to gain enough power  
to trample that goddess!

**[11:10] Civit**

Then let me ask you this.

**[11:11] Civit**

How do you plan to grow so strong?

**[11:14] Touka**

I'm headed to the Land  
of Golden-Eyed Monsters.

**[11:17] Touka**

I'm walking a different path  
than the other heroes.

**[11:21] Touka**

The Goddess Vicius  
has granted me that freedom.

**[11:25] (Flashback) Vicius**

If they survive the ruins and reach  
the surface, we interfere no more.

**[11:29] (Flashback) Vicius**

Alion grants that person  
the right to live freely.

**[11:32] Touka**

Either way, I plan to return to her.

**[11:35] Civit**

So you're saying there's no  
chance you'll just disappear.

**[11:38] Touka**

*No way in hell.*

**[11:40] Touka**

Indeed, I swear I'll make it back  
to the goddess...

**[11:43] Touka**

*To exact my revenge!*

**[11:45] Civit**

Very well.

**[11:46] Civit**

I wish to see this.

**[11:48] Civit**

I want to see what becomes of your growth.

**[11:51] Civit**

Then I'd like us to fight to the death.

**[11:53] Touka**

Yeah, me too.

**[11:56] Touka**

So let's settle this just between  
us one day, Civit Gartland!

**[12:02] Civit**

How delightful!

That will to fight! That hostility!

**[12:05] Civit**

Very well!

**[12:06] Civit**

I shall let you live, Tooka Mimori!

**[12:09] Touka**

Now that's the spirit.

**[12:11] Civit**

You may leave this place without worry.

**[12:13] Civit**

Once we have silenced Seras Ashrain,  
then we shall leave as well.

**[12:17] Touka**

That won't do.

**[12:18] Touka**

I need Seras's power in order to make it  
through the Land of Golden-Eyed Monsters.

**[12:22] Civit**

You'd take her with you  
without the goddess's approval?

**[12:25] Touka**

That doesn't matter.

**[12:27] Touka**

I'll use Seras Ashrain  
to grow stronger for myself.

**[12:31] Touka**

That's all there is to it.

**[12:36] Civit**

Good, Tooka Mimori!

**[12:38] Civit**

Then I suppose I shall grant  
Seras Ashrain mercy as well.

**[12:41] Orban**

Wait, what?! Civit!

**[12:43] Civit**

Tooka says he needs her to get stronger.

**[12:46] Civit**

We can always kill her  
after his duel with me.

**[12:49] Orban**

Yeah, but even so...

**[12:50] Orban**

What if he disappears on you?

**[12:52] Civit**

Silence.

**[12:53] Civit**

Or I'll kill you!

**[12:57] Seras**

Sir Tooka?

**[12:58] Touka**

Sorry, Seras, that's how it is.

**[13:00] Civit**

Schweitz.

**[13:01] Civit**

Tell Grimm Ritter as well,  
wherever he's off wasting time.

**[13:04] Civit**

No one is to lay a hand on these two.

**[13:06] Schweitz**

Very well.

**[13:08] Civit**

This first act proved to be a performance  
that far surpassed my imagination.

**[13:12] Civit**

It was an excellent lead into the next.

**[13:15] Civit**

I look forward to the day when  
we meet again, Tooka Mimori!

**[13:20] Touka**

*It worked.*

**[13:21] Touka**

*I managed to get Civit to let us go.*

**[13:25] Touka**

*And I won my gamble!*

**[13:27] Touka**

*Meaning...*

**[13:28] Touka**

*He's in range now!*

**[13:31] Touka**

Para...

**[13:31] Civit**

Tooka!

**[13:33] Touka**

...lyze!

**[13:35] Civit**

You bastard!

**[13:42] Touka**

I'm impressed, "Humanity's Strongest."

**[13:48] Touka**

Sorry, but I have no intention of dragging things out with you for that long.

**[13:52] Touka**

This isn't some nice little play,  
Civit Gartland.

**[13:57] Touka**

Why not? Because it's a tale of revenge.

**[14:00] Touka**

Looking at things logically,

**[14:02] Touka**

you Black Dragon Knights  
are nothing but a liability for me.

**[14:06] Touka**

Therefore, you must be eliminated.

**[14:07] Touka**

There is no next act.

**[14:09] Civit**

What... have you done, Tooka?!

**[14:13] Touka**

Like I said, I'm putting a hard stop  
to this little song and dance,

**[14:17] Touka**

Black Dragon Knights!

**[14:23] Civit**

Tooka...!

**[14:26] Touka**

I told you, didn't I?

**[14:27] Touka**

I'm in a different league.

**[14:30] Touka**

Poison.

**[14:41] Civit**

Tooka!

**[14:45] Touka**

*They don't call him "Humanity's  
Strongest" for nothing.*

**[14:49] Touka**

*This is the second time I've seen someone  
force themselves to move while paralyzed.*

**[14:55] Touka**

*But it's just suicide.*

**[15:00] Touka**

*That was close.*

**[15:05] Touka**

*I've never seen anyone move so much*

**[15:07] Touka**

*after eating my Paralysis and Poison combo.*

**[15:10] Touka**

*I'll need to remain ready for  
anything until I see him expire.*

**[15:20] Touka**

*A signal to a squad  
on standby elsewhere, huh?*

**[15:26] Seras**

Sir Tooka.

**[15:27] Touka**

I'm staying here to see  
the Five Dragoons dead.

**[15:30] Touka**

You're welcome to run if you want.

**[15:32] Seras**

I shall stay as well.

**[15:33] Seras**

I *am* currently your bodyguard, after all.

**[15:36] Seras**

Though in exchange, I will be accepting  
those blue dragon gems as my reward.

**[15:40] Touka**

Yeah, got it.

**[15:46] BlackDragonKnight**

Sir Schweitz?!

**[15:47] BlackDragonKnight**

Wh-What happened to you?!

**[15:51] Civit**

Azlan...

**[15:52] BDK**

S-Sir Civit!

**[15:53] BDK**

Y-You're actually wounded?!

**[15:54] Civit**

Kill them...

**[15:56] Civit**

from the sky!

**[15:58] Civit**

Don't get too close!

**[16:00] Civit**

Kill them at range!

**[16:03] Civit**

Kill those two no matter what!

**[16:06] Touka**

We're linked.

**[16:07] Touka**

*There are two problems with this ability.*

**[16:09] Civit**

What are you doing?!

**[16:10] Civit**

Hurry!

**[16:11] Touka**

*First is how long it takes  
to enter this state.*

**[16:15] Touka**

*Second is how quick it burns  
through my MP while it's active.*

**[16:19] Touka**

*In other words...*

**[16:20] Touka**

*this power we gained from the  
monster enhancement solution*

**[16:23] Touka**

*is for super short combat!*

**[16:25] Touka**

We're dropping them, Piggymaru!

**[16:28] Touka**

All right, let's settle this for good!

**[16:31] Touka**

Assault Accel!

**[16:42] Touka**

Paralyze!

**[16:43] Touka**

*Once we're linked, Piggymaru is half "me."*

**[16:47] Touka**

*So as long as we're connected like this,*

**[16:49] Civit**

Tooka!

**[16:50] Touka**

*his farthest tendril  
starts my effective range.*

**[17:08] Touka**

*Combined with Paralyze,  
it could kill an enemy quickly.*

**[17:11] Touka**

Dismiss Paralyze and Sleep.

**[17:15] Touka**

Dark.

**[17:16] Schweitz**

Wh-What? M-My vision! I can't see!

**[17:18] Touka**

*So this one obscures their eyes with darkness?*

**[17:22] Touka**

*Orban wanted to kill Seras for money.*

**[17:25] Touka**

*Schweitz wanted to use her

**[17:29] Touka**

**[18:03] Civit**

Tooka...

**[18:07] Touka**

You really are far too exceptional,  
Civit Gartland.

**[18:11] Civit**

Just who the hell are you...?

**[18:15] Touka**

I'm nothing grand like a hero who

will save the world anymore.

**[18:18] Touka**

Now I'm just a simple avenger.

**[18:25] Touka**

*So this is how Humanity's Strongest  
meets his end, huh?*

**[18:35] Touka**

Now we should be able to cover  
Seras Ashrain's tracks.

**[18:38] Seras**

Thank you.

**[18:40] Touka**

I'm the one who should be thanking you.

**[18:42] Touka**

I was glad you stayed by me.

**[18:44] Seras**

I didn't think I could let you die.

**[18:47] Touka**

Hmm?

**[18:48] Seras**

If I had let you fall here,

**[18:51] Seras**

I felt I would never recover this time.

**[18:55] Seras**

I must say, Sir Tooka,  
you're wearing a rather gentle expression.

**[18:58] Touka**

Maybe because I'm thinking of someone gentle.

**[19:02] Seras**

That aunt you mentioned?

**[19:10] Touka**

So, this Hero Slayer...

**[19:12] Seras**

He could potentially surpass  
Humanity's Strongest one day.

**[19:15] Seras**

He's an aggressive, bloodthirsty man.

**[19:18] Seras**

What's the matter?

**[19:19] Touka**

The dragons that the Five Dragoons rode

**[19:22] Touka**

were a different size than the others, right?

**[19:24] Seras**

What? O-Oh, yes.

**[19:26] Touka**

Then I think... I already crushed him.

**[19:29] Seras**

Huh?

**[19:33] Seras**

You were even able to defeat  
the Hero Slayer so easily?

**[19:38] Touka**

Apparently.

**[19:51] Oyamada**

Huh? What's with this chick?

**[19:58] Sign**

Nyantán Kikipat

Follower of Vicius

**[19:59] Nyantan**

I'm here on behalf of the Goddess Vicius.

**[20:02] Nyantan**

Henceforth, when she is preoccupied, I shall—

**[20:05] Oyamada**

A skinny shrimp like you

is gonna boss us around?

**[20:08] Oyamada**

I mean, are you any stronger than we are?

**[20:10] Nyantan**

You must be Oyamada.

**[20:12] Nyantan**

Your foul mouth is indeed

enough to furrow one's brow.

**[20:16] Nyantan**

Would you care to find out?

**[20:22] Oyamada**

What?

**[20:24] Oyamada**

Damn... it...

**[20:27] Sogou**

*I don't believe it!*

**[20:29] Sogou**

*How can she be so fast?*

**[20:31] Nyantan**

I hope that will suffice as an introduction.

**[20:34] Nyantan**

We're returning to the royal capital.

**[20:36] Nyantan**

You all are to enter the next stage soon.

**[20:41] Seras**

I see.

**[20:42] Touka**

Nothing to be proud of, you see.

**[20:45] Touka**

Still, I'll use my judgment and mercilessly trample any obstacle to my revenge.

**[20:50] Seras**

I can't say I don't have my own thoughts and feelings about the goddess of Alion now.

**[20:56] Seras**

So please make good use of my strength in the name of your revenge.

**[21:04] Touka**

This is just a selfish quest for vengeance.

**[21:06] Touka**

I hardly see any of the righteousness

**[21:08] Touka**

or honor and conviction that you value in it.

**[21:10] Seras**

No, you risked your life without any regard for the dangers involved in order to save me.

**[21:16] Seras**

I want to repay that debt.

**[21:18] Seras**

As long as you believe it is right,

**[21:20] Seras**

I will happily accept any treatment.

**[21:23] Touka**

If you're that insistent, then do as you please.

**[21:25] Seras**

Thank you very much.

**[21:27] Touka**

Can I rely on your strength, Seras Ashrain?

**[21:31] Seras**

I promise to live up to your expectations.

**[21:35] Touka**

I'm sorry, Seras.

**[21:39] Seras**

Sir Tooka?

**[21:41] Touka**

I plan to return the favor  
to you one day as well.

**[21:47] Touka**

*I always repay my debts,*

**[21:48] Touka**

*be it out of gratitude...*

**[21:50] Touka**

*or out of spite.*

**[23:25] Vicius**

Good work today.

**[23:28] Vicius**

I knew I was right to ask you  
to watch over the heroes.

**[23:34] Vicius**

You're strong, and you're wise.

**[23:36] Vicius**

And above all, you're loyal.

**[23:40] Vicius**

Isn't that right, Nyantan?

**[23:42] Nyantan**

Yes.

**[23:43] Vicius**

My, my, what's the matter?

**[23:45] Vicius**

It feels like your mouth isn't moving.

**[23:52] Vicius**

Thank you very much for the  
unchanging display of loyalty.

**[23:58] Vicius**

The day the heroes clash with the  
forces of the Great Demon Empire

**[24:01] Vicius**

might be getting surprisingly close.
