[00:28] ---

Five hundred years have passed.
Eliminate the weakest.

[00:34] ---

Let's go.

[00:57] ---

If you want to kill it,
I will kill you first.

[02:05] ---

This power will not be...

[02:18] ---

Run! Run quickly.

[02:20] ---

Go into the crowds. Better
go to the capital city.

[02:23] ---

If I can escape,
I will definitely go to the capital to meet you.

[02:38] ---

Capital, capital.

[03:36] Sign

(Episode 7 Twins of Shu Hu)

[03:53] ---

Friend.

[04:11] ---

Mrs. Lu died with Steward Miao by her side.
It's already the biggest luck.

[04:17] ---

Amitabha.

[04:29] ---

Another funeral procession?
Haven't we encountered several more?

[04:32] ---

This is the fifth one. It seems
a bit too many in number.

[04:37] ---

It's not just a bit too many, it's too many.

[04:40] ---

Although there are many
people in the capital,

[04:42] ---

it's rare to encounter five funeral
processions in just half a day.

[04:44] ---

Very unusual.

[04:46] ---

Could it be that due to the cold weather,

[04:47] ---

the elderly can't bear the coldness
and pass away one after another?

[04:54] ---

It seems that a major epidemic
is about to break out.

[04:57] ---

A major epidemic? Sir, what do you mean?

[05:01] ---

You don't know the story.

[05:05] ---

Those who died these days at
first only had minor illnesses.

[05:09] ---

Just a few days later,
their situation suddenly worsened and they lost his life.

[05:16] ---

Death respects no age. Death respects no age.

[05:37] ---

Is everything done?

[05:40] ---

Second Young Master, everything is done.

[05:43] ---

Sorry that Xiaojing caused
some trouble to Si Mansion.

[05:50] ---

You finally make some progress.

[05:53] ---

Look, the tofu cooked in vegetable soup.
I said I would become a god of cooking.

[06:00] ---

Amitabha. By the time you become a god,
we have probably died and no longer need to eat.

[06:07] ---

Am I right, Tao Yao?

[06:12] ---

Am I right, Rolly?

[06:14] ---

Hey, hey, you're eating the meal I cooked
and saying things that anger me.

[06:17] ---

Your compassion has been eaten by the fox.

[06:21] ---

Do you still want to eat my tofu?
Do you know how hard it is to buy tofu now?

[06:27] ---

You!

[06:28] ---

Why is tofu, such a common
food, so hard to buy?

[06:32] ---

In many places, there is a rule that tofu
must be served on funerals

[06:36] ---

Okay, okay.

[06:37] ---

Amitabha.

[06:37] ---

Stop.

[06:39] ---

There have been too many funerals recently.

[06:41] ---

Stop.

[06:49] ---

It's definitely not as simple as it seems.

[06:52] ---

Stop.

[06:59] ---

Tao Yao, you're smoking.

[07:13] ---

Is this from Ye Fengjun?

[07:16] ---

Tao Yaoyao, why did you start
burning while you're eating?

[07:19] ---

Are you too irritable recently?

[07:22] ---

Is it because of this tofu?

[07:29] ---

That guy. Wait for me.

[07:33] ---

Tao Yaoyao.

[08:14] ---

Have you made a fortune?

Do you really need to burn so much paper?

[08:17] ---

I've said that your short stature
is due to congenital dysplasia,

[08:20] ---

not an illness. I can't help you.

[08:23] ---

Shu Hu, where are you hiding?

I'm already here, so come out now.

[08:27] ---

Lord Tao Yao.

[08:37] ---

Lord Tao Yao, you finally arrived.

[08:50] ---

You're lucky that I made it
in time from the capital,

[08:52] ---

otherwise you wouldn't have lasted two days.

[08:58] ---

Arrow wounds? What a strange sweet smell.

[09:18] ---

It's common to be injured by clan members,

[09:21] ---

but what about your serious arrow wound?

[09:25] ---

Actually, I escaped all the way here.

[09:31] ---

I was targeted in Qinzhou, luckily,
I survived and managed to hide here.

[09:38] ---

The smell of the capital is chaotic,

[09:41] ---

making it difficult for enemies to track me,
ensuring my safety for a while.

[09:44] ---

I happen to have brought paper to burn
for you to test my luck.

[09:50] ---

It's strange. For hundreds of years,
you have always been honest and obedient.

[09:55] ---

What great thing have you
done to be hunted down now?

[09:58] ---

Lord Tao Yao, have you heard
of the rules of our Shu Hu clan?

[10:04] ---

At the highest point of Mount Wanjie
stand several stone steles on the ground.

[10:10] ---

From the day of birth, every
Shu Hu born in Mount Wanji

[10:15] ---

bears a total amount of weight within five hundred years,
which will be clearly recorded.

[10:22] ---

Every five hundred years,
there will be a ranking

[10:24] ---

to eliminate the weak and retain the strong.

[10:27] ---

The last-ranked individual
must be eliminated.

[10:34] ---

Five hundred years is already a long time,

[10:37] ---

enough for me to experience this world.

[10:44] ---

But

[10:54] ---

why does my younger brother have to resist

[10:57] ---

a five-hundred-year sentence
for the weak and useless me?

[11:19] ---

Five have been removed from the seven.

[11:36] ---

You are not asking me to save yourself,
but asking me to save your younger brother.

[11:43] ---

However, you Shu Hu guys fight by brute force,
like bite, stomp, crush, and collide.

[11:49] ---

But where did the arrow wounds come from?

[11:52] ---

And your younger brother sounds very capable.

[11:56] ---

Does this monster still need me to save it?

[11:59] ---

Tao Yao, it is now inside

the Chongxiao Tower.

[12:03] ---

Whatever you want to know, go and find out.

[12:12] ---

You've heard enough so come out and help.

[12:14] ---

Do you want me to carry it away?

[12:22] ---

This monster looks so unique,
like a little dog with wings and a chubby face.

[12:29] ---

It's injured, otherwise how could you see it?

[12:33] ---

Is it really a monster?

[12:44] ---

It was injured by an arrow in the capital.

[12:50] ---

Where is the arrow that injured you?

[12:52] ---

It disappeared on its own.

[13:01] ---

Second Young Master, where are you going?

[13:03] ---

It's getting late. Since you didn't start a fire,
I will naturally go home to rest.

[13:10] ---

Alright, alright. Young Master and Steward Miao
go back as well.

[13:13] ---

Why go back? Aren't we taking it to the Chongxiao Tower?
I'll carry it.

[13:19] ---

After all, it's a monster, young master.

[13:23] ---

Have we met many strange
things and creatures?

[13:26] ---

Besides, Tao Yaoyao is from Si Mansion.
Her business is related to Si Mansion.

[13:30] ---

Forget it, young master, you can't help.

[13:35] ---

Don't think about leaving
me behind, Lord Tao Yao.

[13:38] ---

What exactly is your status
in the eyes of monsters?

[13:42] ---

Since we have to go, stop
dawdling and let's go.

[13:50] ---

Younger brother.

[14:13] ---

Are you okay?
It's all my fault for being too weak and unable to hold on.

[14:19] ---

I am very grateful for you.
You allow me to see her again.

[14:24] ---

I am already very grateful.

[14:30] ---

Look, is it over there?

[14:42] ---

Grandma.

[14:43] ---

So many years have passed,
but Xiao Hong hasn't changed at all.

[14:48] ---

Being able to see her again,

[14:50] ---

to see her healthy and happy,
I've fulfilled my wish.

[14:54] ---

Thank you, noble beast.

[15:13] ---

Isn't this the useless waste
that can only carry souls?

[15:21] ---

It's not enough to carry souls.

[15:23] ---

You should know that our power
comes from what we carry.

[15:28] ---

The more you carry, the heavier you carry,
the stronger you will be.

[15:32] ---

How about this? Let me teach
you how to become stronger,

[15:34] ---

like carrying it on your back.

[15:38] ---

But I will be crushed to death.

[15:45] ---

How do you know if you don't try?

[15:56] ---

Who dares to touch it?

[16:18] ---

How can this waste have such
a strong younger brother?

[16:21] ---

Let them play this brotherly trick.

[16:24] ---

Anyway, in the end this waste will also die.

[16:26] ---

Let's go. Go.

[16:30] ---

Thank you, bro...bro...brother.

[16:40] ---

One day I will also become stronger
and no longer let you protect me.

[16:56] ---

You...What are you doing?

[17:06] ---

You're stronger than before,
at least you can follow my scent to find me.

[17:10] ---

Are you crazy?

You...Why did you kill so many people for no reason? Why?

[17:16] ---

The weight of a living person
is far less than the weight of a life.

[17:20] ---

The more lives on me, the greater my power.

[17:25] ---

But you can't harm people.
You are already powerful.

[17:28] ---

Why do you need so much power?

[17:34] ---

They are almost here.

[17:57] ---

So you need so much power so
as to continue protecting me.

[18:11] ---

Little brother, wake up quickly.

[18:17] ---

You recovered so quickly from your injuries.

[18:23] ---

That's... So, your power...

[18:45] ---

Hurry, you need to leave.

[18:55] ---

I will save you. I know who
to look for to save you.

[19:00] ---

You wait a moment. You must wait a moment.

[19:06] ---

Yin Puppet Stone. So, many evil
spirits are attracted here.

[19:13] ---

That's why many innocent
people died in the city.

[19:18] ---

Your younger brother's thirst
for power is really great.

[19:23] ---

What exactly is that stone?

[19:26] ---

Oranges are oranges in one place,

[19:28] ---

but they're not the same in another place.

[19:30] ---

Yin Puppet Stone in the north of Mount Wanjie

[19:33] ---

is originally harmless to humans.

[19:36] ---

But if it is brought out,
whether to ordinary people or birds and beasts,

[19:39] ---

all living things will be harmed by it.

[19:43] ---

You have also heard that many people

[19:45] ---

in this city have slight
illnesses and minor injuries.

[19:48] ---

Those injuries and illnesses will quickly worsen
and soon lead to death.

[19:53] ---

This is the power of the Yin Puppet Stone.

[19:56] ---

If it's not stopped, within half a year,
at least half of the population will die.

[20:01] ---

In that case, we must hurry to take it back.

[20:04] ---

No, it's useless.

[20:07] ---

Once one is touched by the Yin Puppet Stone,
[20:09] ---

whether human, livestock, birds, or beasts,
it can never be removed again.

[20:11] ---

They will soon merge with it until death.

[20:20] ---

And its brother absorbed the weight of monsters
and humans on the top of the tower.

[20:26] ---

It has become incredibly
powerful, no less than a demon.

[20:30] ---

Are you going to save it or kill it?

[20:37] ---

This is...

[20:42] ---

Don't touch it.

[20:45] ---

Is that the Yin Puppet Stone?

[20:50] ---

Once you carry it, you won't
be able to put it down again.

[20:53] ---

Isn't that great?

If the whole clan comes to eliminate you,

[20:56] ---

it can still protect me completely.

[21:00] ---

But it's deadly. Your life and the lives
of all surrounding creatures are at stake.

[21:05] ---

So what?

[21:14] ---

Or are you saying they were
originally the same thing?

[21:21] ---

Younger brother...
