For shame!

Dad! Dad!

**[00:15] Dad**

Carry on the heart of flame...  
the heart of the Ignis Clan!

**[00:20] Dad**

My beloved boy!

**[00:23] Hom**

Why is this happening?

**[00:24] Dad**

There's one thing you must never forget.

**[00:27] Dad**

What I did was not wrong.

A scandal has rocked the editorial department of a certain publisher's manga magazine that everyone has likely touched at some point in their lives.

The editor has been accused of obsessively trolling negative comments about manga he works on. Official site reviews, online message boards, reaction sites... his "PR campaign" knew few bounds.

Dark rumors have been circulating about this editor for some time.

Examples of comments from those who know him include:

"He's always been really aggressive, and he's especially hard on newcomers, engaging in power harassment that far exceeds what could be considered advice..."
