**[00:00] Natsu**

Selene, the Moon Dragon God?

**[00:03] Natsu**

That's one of the Five Dragon Gods!

**[00:04] Natsu**

Oops.

**[00:05] Lucy**

You're not supposed to tell!

**[00:07] Gray**

Well, people in Edolas won't count.

**[00:10] Erza**

I'm surprised to hear her name here.

**[00:14] Wendy**

Technically... we're in the middle  
of the mission to hunt that dragon... sir.

**[00:19] Charle**

Trying to be formal now?

**[00:22] Happy**

Mystogan, you know Selene?

**[00:25] Knightwalker**

Call him "Your Majesty"!

**[00:27] Mystogan**

Not too well, I'm afraid.

**[00:29] Mystogan**

Only that she's a dragon who  
can travel across dimensions.

**[00:32] Knightwalker**

But according to the records from back then,

**[00:35] Knightwalker**

she was the reason why Operation  
Anima would not be successful.

**[00:39] Lucy**

Makes sense.

**[00:41] Lucy**

That dragon can travel across worlds to

take back the magical energy that was stolen.

**[00:46] Erza**

Does this world called Elentear also have ample magical energy, like Earthland?

**[00:52] Mystogan**

It's called the critical magic world,

**[00:56] Mystogan**

and it's the complete opposite of Edolas.

**[00:59] Mystogan**

I've heard that it has too much magical energy.

**[01:02] Lucy**

You mean it has more magical energy than Earthland?

**[01:05] Happy**

But magical energy feels such a normal part of our lives in Earthland...

**[01:09] Charle**

It doesn't really click to hear "having too much magical energy."

**[01:15] Wendy**

What's going through your mind right now, Natsu-san?

**[01:18] Gray**

Hm?

**[01:19] Gray**

What's that?!

**[01:23] Lucy**

A ring of water?

**[01:25] Knightwalker**

Your Majesty, step back!

**[01:30] Happy**

Touka!

**[01:32] Touka**

Happy-sama!

**[01:34] Touka**

I'm so glad to see you're safe!

**[01:37] Knightwalker**

An Exceed?!

**[01:39] Mystogan**

What was that spell?

**[01:41] Natsu**

I see you're feeling better.

**[01:42] Natsu**

That's good!

**[01:44] Lucy**

But why are you here?

**[01:46] Gray**

Or more like, how are you here?

**[01:48] Touka**

I used the spell you saw,  
Aqua Aera, to connect our worlds.

**[01:53] Touka**

But... we're in a bit of a pickle.

**[01:57] Touka**

Please allow me to explain  
what's happened, in order.

**SIGN** Selene, the Moon Dragon God

**[03:42] Touka**

I am what's called an Exceed, and  
I came from a world named Elentear.

**[03:47] Wendy**

Elentear?!

**[03:49] Gray**

We were just talking about that place.

**[03:52] Lucy**

So there are Exceeds in Elentear, too.

**[03:55] Touka**

Yes.

**[03:56] Touka**

And I said, "I came from,"

**[03:59] Touka**

but technically speaking,  
"I was brought from."

**[04:03] Touka**

Most likely, the White Mage  
possessed my body in Elentear.

**[04:09] Touka**

I just learned a minute ago that  
the White Mage is also from Elentear.

**[04:14] Touka**

She used my body and Aqua Aera  
to come to Earthland.

**[04:20] Charle**

What for?

**[04:21] Touka**

I don't know.

**[04:24] White Mage**

*It was all to save Elentear.*

**[04:27] Touka**

When we woke up in Earthland,  
our personas were unstable.

**[04:32] Touka**

Sometimes it was me, other times

it was her, and I don't remember much.

**[04:36] Touka**

But thanks to Wendy-sama,  
I returned to normal.

**[04:40] Touka**

When the White Mage woke up,  
she used an unstable Aqua Aera

**[04:44] Touka**

to send you all and herself here.

**[04:47] Natsu**

What?!

**[04:48] Happy**

I see.

**[04:50] Happy**

So Touka... and the White Mage with Wendy...

**[04:53] Lucy**

Hey! Don't fall asleep just because  
this is too complicated!

**[04:57] Touka**

I think she meant to send you to Elentear,

**[05:01] Touka**

but it failed and you ended up in Edolas.

**[05:04] Lucy**

Why would she do that?

**[05:06] Touka**

Before she cast Aqua Aera...

**[05:09] (Flashback) White Mage**

Natsu-san and the others defeated  
Aldoron, so perhaps they can...

**[05:14] (Flashback) White Mage**

They can save Elentear.

**[05:18] Lucy**

Save Elentear?

**[05:20] Natsu**

The hell, man?

**[05:21] Natsu**

She didn't even ask us, and then she failed?!

**[05:25] Erza**

Setting aside if we can save Elentear  
or not, she is rather pushy.

**[05:30] Gray**

Not surprising from that White Mage.

**[05:33] Charle**

Is Elentear in trouble?

**[05:36] Touka**

No...

**[05:37] Touka**

When I was there, it was very peaceful,

**[05:40] Touka**

so I'm not sure what  
the White Mage is thinking.

**[05:45] Natsu**

I don't really get it,

**[05:48] Natsu**

but let's return to Earthland for now  
and interrogate the White Mage.

**[05:53] Natsu**

Let's bring Nasha, too.

**[05:54] Lucy**

No, you can't!

**[05:56] Gray**

That's right.

**[05:57] Gray**

It's Greige we're bringing!

**[05:59] Lucy**

You can't do that, either!

**[06:01] Touka**

The thing is, there are two problems.

**[06:05] Wendy**

Problems?

**[06:07] Touka**

As I mentioned earlier,  
the White Mage is also in Edolas.

**[06:12] Touka**

We can't leave her be,  
but we don't know where she is.

**[06:15] Touka**

And there's another problem,  
which is more serious.

**[06:20] Touka**

In Edolas, I can't use magic either.

**[06:23] Touka**

Which means, we can't return  
to Earthland with my Aqua Aera.

**[06:32] Wendy**

What about Anima?

**[06:34] Mystogan**

That was created with a little bit of magic.

**[06:37] Lucy**

So we can never go back?!

**[06:42] Touka**

I don't know what to do.

**[06:44] Knightwalker**

Hold on, Exceed.

**[06:45] Knightwalker**

Your Majesty, I believe we still have one of the X-Balls.

**[06:50] Mystogan**

Y-You're too close.

**[06:52] Natsu**

An X-Ball?

**[06:53] Lucy**

Oh, we got some from Mystogan when we were here last time!

**[06:58] Natsu**

Uh...

**[06:59] Lucy**

Yes! It's the medicine that allows people from Earthland to use magic in Edolas!

**[07:05] Mystogan**

Erza, please bring it here.

**[07:06] Knightwalker**

Yes, sir!

**[07:10] Erza**

Are you sure about this, Mystogan?

**[07:12] Mystogan**

If I can help you all once again, nothing would bring me more joy.

**[07:19] Mystogan**

I'll ask our Fairy Tail to help look for the White Mage.

**[07:24] Mystogan**

Their delivery network runs throughout the land.

**[07:34] Soldier**

Your Majesty!

**[07:35] Soldier**

We received word from Fairy Tail that they captured a woman

**[07:37] Soldier**

who seems to be the one in question!

**[07:40] Natsu**

Wow!

**[07:41] Gray**

Good. Now, let's get going!

**[07:43] Erza**

Mystogan, thank you for your help.

**[07:45] Mystogan**

I never imagined that I'd get to see you again.

**[07:48] Mystogan**

This makes me truly happy.

**[07:50] Mystogan**

It sounds like you're in big trouble, but  
I have no doubt that you'll overcome it all.

**[07:57] Lucy**

We will!

**[07:57] Wendy**

Thank you... sir.

**[08:00] Mystogan**

Say hello to Lily and the Master.

**[08:03] Natsu**

Take care!

**[08:05] Mystogan**

You, too.

**[08:07] Natsu**

So long!

**[08:10] Knightwalker**

Scarlet.

**[08:13] Knightwalker**

Is His Majesty in your world, too?

**[08:19] Knightwalker**

Cherish him.

**[08:21] Erza**

Of course.

**[08:24] Edo Wendy**

Over here!

**[08:26] Lucy**

Edo Wendy!

**[08:27] Gray**

Hey, look.

**[08:30] Natsu**

White Mage!

**[08:33] Natsu**

How dare you do this to us?!

**[08:35] Lucy**

Natsu, calm down.

**[08:37] White Mage**

I'm sorry.

**[08:38] White Mage**

I'm afraid I lost my head.

**[08:42] Touka**

Can you tell us about yourself,

**[08:45] Touka**

and what your objective is?

**[08:48] White Mage (Faris)**

My name is Faris, and I'm from Elentear.

**[08:53] White Mage (Faris)**

I came to Earthland a few years ago  
for a certain purpose.

**[08:57] Erza**

That doesn't make sense.

**[08:59] Erza**

According to Jellal, you've  
been in Earthland for 100 years.

**[09:04] Erza**

He said that's when you  
established the White Magic Cult.

**[09:08] Faris**

That... was not me.

**[09:12] Faris**

I hear that the leader of the  
White Magic Cult Rebellious

**[09:16] Faris**

called herself the White Mage,  
and she's currently missing.

**[09:22] Faris**

I used the power of whiteout to take her  
position and called myself the White Mage.

**[09:28] Natsu**

What?! So you're *not* the White Mage?!

**[09:31] Happy**

Then there's a real one separate from you?!

**[09:34] Faris**

I had a mission of turning the magical  
energy of Earthland white... into nothing.

**[09:41] Touka**

But what for?

**[09:43] Faris**

It was all to save Elentear.

**[09:46] Gray**

And you want us to believe that?

**[09:49] Faris**

I know...

**[09:51] Faris**

But that is the truth.

**[09:54] Faris**

Elentear will perish... at the hands  
of Selene, the Moon Dragon God.

**[10:01] Faris**

Elentear has a different problem  
than Edolas does.

**[10:07] Faris**

It has expanded due to its overpowering  
magical energy, like a volcano about to erupt.

**[10:12] Touka**

It didn't feel that way to me.

**[10:16] Faris**

It can't be detected by common folks.

**[10:19] Faris**

For generations, my family

**[10:21] Faris**

has produced shrine maidens who erase  
excess magical energy in Elentear.

**[10:25] Natsu**

Erase magical energy?

**[10:27] Lucy**

So that's the power of whiteout.

**[10:30] Faris**

Yes.

**[10:33] Faris**

A few times a year,

**[10:34] Faris**

the wizards with the power of whiteout  
must erase magical energy across the land,

**[10:39] Faris**

or it is said that Elentear  
will suffer a big explosion.

**[10:42] Erza**

What?

**[10:43] Gray**

That doesn't sound safe.

**[10:46] Touka**

One day, a woman named  
Selene came to visit me.

**[10:51] (Flashback) Selene**

Won't you erase the magical  
energy of Earthland for me?

**[10:55] (Flashback) Faris**

But why would you want me to do that?

**[10:57] (Flashback) Selene**

The Five Dragon Gods.

**[10:58] (Flashback) Faris**

A-And what are they?

**[11:01] (Flashback) Selene**

Five dragons, just like myself.

**[11:04] (Flashback) Faris**

Dragons?!

**[11:05] (Flashback) Selene**

Yes.

**[11:07] (Flashback) Selene**

They call us the Five Dragon Gods,

but it's not like we get along.

**[11:12] (Flashback) Selene**

They pose a danger...

and they must be eliminated.

**[11:16] (Flashback) Faris**

B-But why come to me?

**[11:19] (Flashback) Selene**

I have traveled to many different worlds,

**[11:22] (Flashback) Selene**

but I couldn't find any wizards

who could erase magical energy.

**[11:26] (Flashback) Selene**

Now I've finally found this world.

**[11:29] (Flashback) Faris**

But that has nothing to do with us.

**[11:32] (Flashback) Selene**

Oh yes, it really does.

**[11:35] (Flashback) Selene**

As long as there are other dragons in

Earthland, I can't even take a nap in peace.

**[11:41] (Flashback) Selene**

If you don't kill the other four,

**[11:44] (Flashback) Selene**

I will take Elentear for myself.

**[11:48] (Flashback) Selene**

You can see my magical energy, yes?

**[11:51] (Flashback) Faris**

Yes...

**[11:53] (Flashback) Selene**

Then you know that refusing

is not an option.

**[11:56] (Flashback) Faris**

But... if you have that much magical

energy, surely you can do it yourself...

**[12:02] (Flashback) Selene**

I might be able to kill one,

**[12:05] (Flashback) Selene**

but I run the risk of getting killed myself.

**[12:09] (Flashback) Selene**

Our powers are neck and neck.

**[12:12] (Flashback) Selene**

To get the best of them, I need your power.

**[12:16] Faris**

Then I took over Touka-san's body

and headed to Earthland.

**[12:21] Faris**

First, I usurped the White Magic Cult.

**[12:25] Faris**

Because of that, I absorbed a lot of the  
Creed of White Magic from the believers

**[12:30] Faris**

and lost control of myself.

**[12:32] Lucy**

I had no idea...

**[12:33] Faris**

Anyhow, Selene's plan was to gain power,  
control Aldoron with the whiteout,

**[12:40] Faris**

and make him fight with  
the other Dragon Gods.

**[12:45] Wendy**

You were going to control Aldoron?

**[12:47] Faris**

Yes.

**[12:49] Faris**

But as you know, I have failed.

**[12:52] Faris**

I destroyed all the orbs like Selene told me.

**[12:56] Faris**

I was told that Aldoron would lose his power.

**[13:00] Happy**

But it actually brought him back.

**[13:02] Charle**

Why did Selene lie to you?

**[13:05] Faris**

I don't know.

**[13:07] Faris**

But it's true that I was deceived.

**[13:10] Lucy**

So to sum it up, Selene wanted to take  
the other Dragon Gods out of the picture,

**[13:14] Lucy**

and she asked you to use the whiteout.

**[13:17] Lucy**

But when you tried to whiteout Aldoron  
like she asked, Aldoron actually revived...

**[13:24] Natsu**

What does this Selene girl want anyway?!

**[13:27] Lucy**

"Girl"?

**[13:28] Erza**

No idea... What is her true objective here?

**[13:33] Gray**

So you're freaking out because you think

Selene's going to destroy Elentear?

**[13:38] Touka**

Is there no room for negotiations?

**[13:41] Touka**

You followed the plan.

**[13:43] Touka**

You might have failed, but  
Aldoron was defeated in the end.

**[13:47] Selene**

No room.

**[13:59] Selene**

I had no interest in Earthland  
or Aldo-chan to begin with.

**[14:06] Faris**

Selene...

**[14:08] Natsu**

This is her?

**[14:10] Edo Wendy**

A hole in the sky...

**[14:12] Edo Wendy**

What is that? An Anima?!

**[14:14] Touka**

That's Aqua Aera.

**[14:16] Faris**

Wh-What do you mean?

**[14:18] Selene**

I took a fancy to Elentear.

**[14:21] Selene**

I decided to live there.

**[14:24] Selene**

Every day, I will kill humans,  
a few at a time.

**[14:28] Selene**

You see, that way, the excessive  
magical energy problem is solved.

**[14:34] Faris**

Then why did I attack Aldoron?

**[14:37] Selene**

I was hoping that if Aldo-chan was revived,

**[14:39] Selene**

the boring Earthland might  
become more interesting.

**[14:44] Faris**

So you were planning  
to revive him all along...

**[14:47] Selene**

Yes.

**[14:48] Selene**

But I didn't expect him to be defeated.

**[14:52] Selene**

He had grown weak, I suppose.

**[14:54] Natsu**

You...

**[14:55] Selene**

I can't take it, you know?

**[14:57] Selene**

I need the world to be hideous and distorted.

**[15:00] Selene**

Elentear is perfect.

**[15:02] Selene**

It's filled to the brim with  
the source of distortion.

**[15:05] Faris**

Please stop.

**[15:08] Selene**

How should I tear it up?

**[15:10] Selene**

I just can't wait.

**[15:13] Faris**

Stop...

**[15:15] Faris**

Please don't break our world!

**[15:23] Selene**

Elentear is broken already.

**[15:26] Wendy**

Faris-san!

**[15:28] Natsu**

Screw you!

**[15:30] Lucy**

Natsu!

**[15:32] Selene**

Igneel's child, who defeated Aldoron.

**[15:35] Selene**

You're Ignia's little brother.

**[15:38] Selene**

You'll get special treatment.

**[15:40] Selene**

I'll play with you a little bit.

**[15:45] Lucy**

Huh? How can there be magic?!

**[15:47] Happy**

It's gotten dark...

**[15:50] Happy**

It's night already?!

**[15:52] Charle**

The space is being distorted!

**[15:55] Selene**

Come to Elentear.

**[16:00] Gray**

What the heck is that?

**[16:01] Wendy**

The moon!

**[16:02] Lucy**

It's getting closer?!

**[16:04] Lucy**

That can't be happening!

**[16:05] Erza**

What's going on?

**[16:11] Edo Wendy**

Is everyone... okay?

**[16:16] Edo Wendy**

Huh?

**[16:18] Edo Wendy**

I thought it turned to nighttime all of a sudden, and then back to daytime again.

**[16:23] Edo Wendy**

And everyone's gone?

**[16:24] Edo Wendy**

B-But I'm sure they can handle it.

**[16:30] Edo Wendy**

Good luck, mini me!

**[16:35] Gray**

What just happened?

**[16:36] Touka**

It's Relocation Magic.

**[16:38] Wendy**

Faris-san!

**[16:44] Wendy**

Good. It missed her vital spots.

**[16:47] Natsu**

Selene! Where did you go?

**[16:49] Lucy**

She doesn't seem to be here.

**[16:51] Happy**

Anyhow, are we on clouds?!

**[16:54] Charle**

What's going on?

**[16:56] Faris**

This is... Elentear.

**[17:00] Touka**

It's the world Faris and I came from.

**[17:04] Selene**

Now, let's play, dragon's child.

**[17:09] Faris**

Thank you very much. I'm okay now.

**[17:13] Faris**

Your Healing Magic is extraordinary.

**[17:15] Wendy**

Oh, you shouldn't move just yet.

**[17:18] Wendy/I**

*Huh? The wound's closed already?*

**[17:21] Wendy/I**

*But that can't be...*

**[17:22] Gray**

I mean, we're above the clouds!

**[17:25] Natsu**

I didn't know we could ride on clouds!

**[17:27] Touka**

This is one of the islands.

**[17:29] Wendy**

Islands...

**[17:30] Charle**

Like a fairy tale.

**[17:32] Lucy**

But it's so fluffy and nice!

**[17:36] Erza**

Yes, it could make me sleepy.

**[17:38] Happy**

Aye...

**[17:39] Gray**

I mean, isn't this a vehicle, technically?

**[17:42] Natsu**

Why did you have to bring that up?

**[17:45] Lucy**

More importantly, we need to find Selene.

**[17:48] Faris**

So will you defeat her?

**[17:50] Erza**

Not for you.

**[17:52] Erza**

What you did to our guild is unforgivable.

**[17:56] Erza**

However, we are professionals,

**[18:00] Erza**

so we'll put personal feelings aside  
and defeat Selene.

**[18:03] Faris**

O-Of course...

**[18:04] Irene**

Well, that was a grand speech.

**[18:08] Erza**

Did you say something, Wendy?

**[18:10] Wendy**

N-No, nothing.

**[18:12] Irene**

I'm sorry.

**[18:14] Irene**

Since we came to a place  
with too much magical energy,

**[18:16] Irene**

I seem to have woken up unconsciously.

**[18:19] Wendy/I**

*I thought the healing went too quick,*

**[18:22] Wendy/I**

*but thank you for your help anyhow.*

**[18:24] Irene**

No problem.

I'm sure I'll fall back asleep soon.

**[18:28] Irene**

But listen to me, Wendy.

**[18:30] Irene**

Watch out.

**[18:32] Irene**

The magical energy of this world is abnormal.

**[18:35] Gray**

How are we supposed to find Selene?

**[18:39] Touka**

Let's go to the town I used to live in.

**[18:41] Touka**

Someone there has  
a great information network.

**[18:43] Faris**

Touka-san.

**[18:46] Touka**

I'm not doing this for you, either.

**[18:48] Touka**

I'll help for Fairy Tail's sake.

**[18:52] Touka**

And of course for you, Happy-sama!

**[18:55] Charle**

Hmph.

**[18:58] Natsu**

What's that sound?

**[18:59] Lucy**

It came from below.

**[19:01] Erza**

From the ocean?!

**[19:06] Gray**

Wha...?!

**[19:07] Natsu**

What the heck?!

**[19:09] Erza**

A hand?!

**[19:10] Lucy**

So huge!

**[19:11] Wendy**

Wh-What's this?!

**[19:13] Touka**

It's a hand.

**[19:14] Faris**

It is a hand.

**[19:15] Gray**

We can see that, obviously!

**[19:17] Natsu**

Why is a huge hand coming out of the ocean?!

**[19:20] Faris**

You don't have hands in Earthland?

**[19:23] Gray**

Hell no!

**[19:25] Lucy**

What in the world is this?

**[19:26] Erza**

It's creepy.

**[19:28] Faris**

Please be reassured.

**[19:30] Faris**

Hands will not hurt people.

**[19:33] Touka**

Look!

**[19:35] Wendy**

A strange pattern on the hand?

**[19:37] Faris**

What... is that?!

**[19:40] Gray**

*You* said it was a hand!

**[19:42] Touka**

I've never seen a hand like this.

**[19:46] Lucy**

Hey!

**[19:47] Gray**

It's trying to grab us.

**[19:48] Happy**

The giant hand!

**[19:56] Natsu**

Crap! Everyone's blown off  
to different clouds!

**[19:59] Gray**

Damn it!

**[20:00] Wendy**

Charle! Please pull everyone back!

**[20:03] Charle**

I can't! The wind's too strong!

**[20:13] Gray**

What the heck?!

**[20:15] Natsu**

Snow?

**[20:16] Natsu**

What did you do?!

**[20:18] Gray**

I didn't make this snow fall!

**[20:21] Gray**

Snow fall?

**[20:23] Gray**

I mean, it's falling *up* from the ground?

**[20:27] Gray**

Well, you wouldn't really  
call this "falling," I guess...

**[20:31] Natsu**

Oh yeah, you're right.

**[20:32] Natsu**

It's piling upwards.

**[20:34] Happy**

Anyhow, where's everyone?

**[20:36] Gray**

We got separated?

**[20:38] Gray**

That's not good, since  
we're in this strange world.

**[20:42] Natsu**

I can't smell them, either.

**[20:44] Happy**

Anyhow, let's look for them!

**[20:48] Lucy**

Where are you, everyone?!

**[20:50] Lucy**

Being alone in a place like this  
is bad news...

**[21:01] Lucy**

OMG, OMG!

**[21:02] Lucy**

I left my keys behind!

**[21:05] Lucy**

If I can't use Celestial Magic, then...

**[21:09] Lucy**

Someone, help me!

**[21:14] Taurus**

Moo!

**[21:15] Taurus**

That's what I've been waiting to hear!

**[21:17] Lucy**

Huh?! Taurus?!

**[21:19] Taurus**

Lucy-san, I love that outfit.

**[21:23] Lucy**

How? I don't have my keys.

**[21:27] Taurus**

Must be the effect of the magical energy in this world, perhaps.

**[21:31] Lucy**

Elentear really is something else.

**[21:35] Erza**

Is this...

**[21:36] Wendy**

Looks like a town.

**[21:38] Charle**

What strange buildings.

**[21:40] Erza**

I don't sense anyone.

**[21:44] Erza**

Who goes there?!

**[21:47] Erza**

Wh-What are these?

**[21:50] Wendy**

They're not people or monsters!

**[21:53] Charle**

Magical energy... is moving?!

**[21:57] Erza**

Here they come!

**[21:59] Erza**

Get ready for a battle, Wendy!

**[22:00] Wendy**

Okay!

**[22:01] Yoko**

So those are the humans  
Selene-sama has brought.

**[22:05] Yoko**

Well then, let me take a look.

**[22:08] Yoko**

I'll see if they're fit to be

Selene-sama's toys.
