[00:05] ---

Yes! That's it! Run amok even more!

[00:10] ---

Show them the wrath of a dragon!

[00:29] ---

Natsu... Dragneel...

[02:13] ---

Natsu... Dragneel... You've escaped death.

[02:35] ---

Seven Dragons!

[02:55] ---

Do you really think flames
like that could singe me?

[03:01] ---

You're already exhausted from
having several battles in a row.

[03:06] ---

Struggle as you might,
you have no chance of winning.

[03:09] ---

Won't know that until I try!

[03:22] ---

Shake him off.

[03:31] ---

Your efforts are in vain!

[03:38] ---

I'm not done yet!

[03:43] ---

I give you points for tenacity,
but that's all, Natsu Dragneel.

[03:50] ---

Observe the town.

[04:07] ---

No matter what you try to do now,
you're too late. It's over.

[04:11] ---

What are you after, Rogue?!

[04:29] ---

100977...

[04:32] ---

Certainly, in this situation,
we may need his power.

[04:36] ---

But do you think we can really
trust Jellal, Doranbolt?

[04:41] ---

I don't know.

But his words are persuasive.

[04:46] ---

We're talking about Jellal. No one knows
if he's plotting something.

[04:52] ---

Still, at the moment, we have no choice
but to believe what he says.

[04:58] ---

Under these circumstances...

[05:10] ---

Have all the villagers evacuated?!

[05:13] ---

Yeah, pretty much.

[05:15] ---

Word is they've taken refuge
in a safe place.

[05:19] ---

Now we can really let loose!

[05:22] ---

I'll show them the glorious path of Man!

[05:25] ---

Seven dragons... What is this about?

[05:29] ---

I don't know. But right now,
our top priority is getting through this crisis!

[05:35] ---

Shouldn't we get Asuka to a safe place?

[05:39] ---

Aren't you scared, Asuka-chan?

[05:51] ---

Looking at a dragon up close
at a young age...

[05:54] ---

I bet not many kids get to
have an experience like this.

[07:39] ---

Its attacking power is unbelievable!

[07:42] ---

And there are six more like it?!

[07:46] ---

Everyone, stay calm!

Get back into position!

[07:49] ---

Everyone okay?!

[07:51] ---

What the hell?! That dragon's

no different from Acnologia!

[07:55] ---

I'd rather go with this one.

[07:57] ---

It seems this isn't an opponent

we'll be able to take down easily.

[08:01] ---

Oh, come on.

We still have a few trump cards.

[08:06] ---

You're hit by my flames

and yet live... Wizards?

[08:11] ---

That's correct!

[08:13] ---

Master!

[08:14] ---

You're going to do *that* magic?

[08:20] ---

I see. He still had this.

One giant to fell another.

[08:25] ---

He can put up a fight now

that they're the same size!

[08:28] ---

Awesome! I haven't seen this

in a long time!

[08:40] ---

We're not just wizards! We're

comrades who are tied together...

[08:48] ---

...by the bond of family!

[09:03] ---

Master's attack...

[09:05] ---

...didn't work?!

[09:07] ---

It can't be...

[09:09] ---

No matter how much power you possess,
you can't beat a dragon.

[09:23] ---

Kitten Blast!

[09:28] ---

No good. Unfortunately,
our magic is no match for that.

[09:32] ---

So frustrating!

[09:34] ---

Back up, people. I don't want
to see a woman getting hurt.

[09:39] ---

That last bit pisses me off!

[09:41] ---

You pulled your punches when
we fought too, didn't you?!

[09:44] ---

That was nothing more than a match.
We're going into a serious battle now.

[09:50] ---

Ice Make: Snow Dragon!

[09:55] ---

I see! One dragon pitted
against another dragon!

[09:58] ---

That's my Lyon! I'm gonna spin
'round more and more and more!

[10:02] ---

There's more! Ice Make: Ape!

[10:06] ---

Ice Make: Snow Tiger!

[10:09] ---

Three forms simultaneously. That's the
skill we saw during the Tag Battle.

[10:13] ---

This looks promising.

[10:16] ---

Quite right, although this didn't help me
win in my match against you.

[10:21] ---

I'm using it! Kagura-dono! Let's go!

[10:24] ---

Right behind you!

[10:25] ---

Better not leave me behind!

[10:31] ---

Even if this sword is shattered,
I shall fight!

[10:35] ---

Receive the blade of Archenemy!

[10:37] ---

I'll show you my power!

[10:40] ---

In the name of my master, Ul,
I shall not be defeated!

[10:46] ---

Kagura! Jura! Lyon! A triple
attack by a trio of big guns!

[10:51] ---

This could actually work!

[11:10] ---

It didn't have any effect
at all, Kagura-chan!

[11:13] ---

Still, we can't afford to back off!

[11:16] ---

We'll attack again and again!

[11:18] ---

We still have any number of plays left!

[11:25] ---

They're making a ruckus over there, too.

[11:28] ---

As long as they put up a good fight...

[11:33] ---

Zirconis...

[11:35] ---

We talked to this guy when
he was a ghost before...

[11:39] ---

I guess even back then, he talked too much.

[11:43] ---

I don't just demolish and go
on a rampage like the others.

[11:50] ---

I'm the type that enjoys a good conversation.

[11:53] ---

Well, I guess, I'm intelligent and
possess refined taste, you could say.

[11:59] ---

Look at you people with your terrified faces.

[12:03] ---

Am I that scary? If you want to escape,
you'd better do it now.

[12:08] ---

Although I'll pursue and devour you...

[12:12] ---

Z-Zirconis!

[12:15] ---

What is it, young lady?
You wish to talk to me?

[12:20] ---

What is it you're after?!
Why are all of you doing this?!

[12:24] ---

Why? Ask the ones over there.

[12:29] ---

The one that's flying, Motherglare...

[12:32] ---

The little man riding on top
is dishing out orders.

[12:37] ---

You mean the Rogue-san
that came from the future.

[12:40] ---

Well, I'm doing what he says
because it's fun in its own way.

[12:48] ---

I don't understand. What purpose
do you have in doing this?

[12:52] ---

If dragons destroy the world,
there'll be no place for you either!

[13:00] ---

Thank you for your patience, Doranbolt-sama.

[13:03] ---

You didn't tell anyone, did you?

[13:05] ---

N-No...

[13:07] ---

100977 is over here.

[13:10] ---

Right. But doing something like this
without permission is...

[13:15] ---

You know what's going on
out there, don't you?

[13:17] ---

There isn't time to jump through the official hoops. I'll take responsibility.

[13:21] ---

That's easy for you to say, but...

[13:26] ---

What are you...?

[13:30] ---

My apologies. Right now, every second counts.

[13:40] ---

Prisoner 100977, I presume?

[13:46] ---

It's you, eh?

[13:49] ---

I thought I recognized your voice.

[14:09] ---

So this is a dragon's destructive power...

It's a spectacle worth remembering.

[14:14] ---

Perfect! Jura took me out right away during our battle, so I didn't get to run amok then!

[14:20] ---

Here's where I make up for it,
and then some!

[14:22] ---

Charged Particle Cannon of the Lightning God!

[14:28] ---

Gray defeated me.

[14:30] ---

I use this Ice Make Magic
out of respect for him!

[14:35] ---

Memory Make! Frozen Black Lightning Sword!

[14:49] ---

A combination attack with
Orga's and Rufus's Black Lightning...

[14:54] ---

I never thought I'd see those
two fight side by side.

[14:57] ---

It's Sabertooth team play!

[15:00] ---

Considering how it's always been every man
for himself, this is amazing!

[15:04] ---

Fro thinks so, too!

[15:06] ---

Fairy Tail showed us how it was done!

[15:10] ---

Hell, even we can change a little!

[15:13] ---

Memories are, in a word, learning. And there's no shame in learning from a great enemy!

[15:22] ---

It's stopped moving?

[15:24] ---

Did you kill it?!

[15:33] ---

It had no effect?!

[15:38] ---

Seriously?! Not even a scratch!

[15:41] ---

Lector, Frosch, get back!

[15:44] ---

Right!

[15:45] ---

Fro, too!

[15:47] ---

Where did our lady go?! We sure could use her power about now!

[15:51] ---

I don't know. I haven't seen her. Though I imagine she's fighting somewhere...

[15:59] ---

Can we win against that?

[16:01] ---

If memory serves, Sting and Rogue claimed they killed dragons when they were young.

[16:10] ---

That's half-true.

[16:19] ---

Sting, kill me.

[16:24] ---

No! I won't!

[16:26] ---

Those who wield Dragon Slayer Magic become stronger by spilling dragon blood.

[16:31] ---

No! I refuse to do it!

[16:34] ---

Show me proof that you learned Dragon Slayer Magic.

[16:48] ---

Skiadrum was ravaged by disease.

[16:51] ---

I did no more than assist in his suicide.

[16:55] ---

It seems those aren't very pleasant memories for either one of you.

[17:00] ---

Who cares?! Kill that thing with Dragon Slayer Magic!

[17:09] ---

I didn't know dragons were this strong when they're serious!

[17:12] ---

Even so, I wanna protect our comrades!

[17:18] ---

Do you remember when I said that dragons ruled the world seven years from now?

[17:25] ---

Except those aren't the dragons that came through the portal...

[17:29] ---

You mean not the ones who are raisin' hell right now?

[17:33] ---

That's right. The name of the ruler is Acnologia.

[17:37] ---

Just one dragon dominates the world seven years from now.

[17:42] ---

Acnologia...

[17:45] ---

Fighting wizards and guilds don't exist then.

[17:48] ---

The surviving humans feel terror every day of their lives.

[17:55] ---

I devised the secret art of controlling dragons, but it didn't work on Acnologia.

[18:03] ---

Though human, he became the Dragon King.

[18:07] ---

The king's name was Acnologia.

[18:10] ---

A dragon with pitch-black wings unlike any other dragon...

[18:15] ---

Already, the only thing that can defeat Acnologia is another dragon!

[18:24] ---

Is that why you summoned the dragons?!

[18:27] ---

That's right! I came to this period
from seven years in the future.

[18:32] ---

To persuade Princess Hisui
to open the Eclipse portal...

[18:37] ---

I intended to bring forth
many more dragons than these,

[18:41] ---

but that insolent Lucy foiled my plan.

[18:45] ---

Still, all of the dragons that
did appear are under my orders.

[18:49] ---

Against my Dragon Control Magic,

[18:52] ---

not even Acnologia stands a chance!

[18:56] ---

I'll defeat Acnologia, then
become the Dragon King myself!

[19:01] ---

You...!

[19:06] ---

I'll become the ruler. The very idea
sends tingles down my spine.

[19:10] ---

You smell like... seven dragons...

[19:14] ---

Seven is plenty! With them alone,
I can make the world mine!

[19:19] ---

You are so unlucky...

[19:22] ---

What?

[19:26] ---

Kagura! Are you hurt?!

[19:28] ---

Don't worry about that! I can still fight!

[19:31] ---

I can still spin-spin-spin-spin!

[19:36] ---

My comrade, Cheria, can use Healing Magic!
Come forward if you're injured!

[19:42] ---

Hey, isn't there some way
we can take them down?

[19:45] ---

I'm looking into that right now!

[19:47] ---

But I think Dragon Slayer Magic is the
only thing that can beat a dragon.

[19:53] ---

It looks like there's no way to fight them
other than with Dragon Slayer Magic.

[19:59] ---

Yeah. And we've got two Dragon
Slayers here, you and me.

[20:06] ---

Master!

[20:08] ---

Are you okay?!

[20:09] ---

Hang in there!

[20:10] ---

Don't worry! Just got burned a bit.

[20:16] ---

Master's attacks hit,
but didn't do any damage.

[20:20] ---

What can we do
to beat a monster like that?

[20:23] ---

First Master! You're the Genius General,
right? Don't you have a plan?!

[20:30] ---

I do. There are seven dragons.

[20:33] ---

And I'm sure a number of the others
have realized the same thing.

[20:39] ---

What is your plan?!

[20:48] ---

I'm unlucky? What do you mean?

[21:05] ---

What are you...?!

[21:11] ---

Can you hear me?! Dragon Slayer Magic
can down the dragons!

[21:17] ---

Natsu's voice!

[21:18] ---

Natsu!

[21:19] ---

Natsu-san!

[21:21] ---

We've got seven Dragon Slayers here!

[21:25] ---

And seven dragons!

[21:29] ---

Our magic exists for this very day!

[21:33] ---

Dragon Slayers exist to
fight this very battle!

[21:37] ---

Bastard!

[21:39] ---

Let's go...

[21:43] ---

...dragon hunting!

[21:50] ---

Seven people? Aren't you miscounting?

[21:56] ---

I can hear him...

[22:01] ---

I'm sorry it was such a long distance.

[22:03] ---

It's okay. I brought him.

[22:08] ---

Dragons are attacking the city.

[22:10] ---

Yes. I can hear them.

[22:14] ---

Against our better judgment,
we want your help.

[22:19] ---

I can hear everything, Natsu.

[23:56] ---

That's Zirconis, the dragon
from the graveyard!

[24:00] ---

The weird dragon that talked to his food!

[24:02] ---

Be careful around him! I hear he uses
scary magic that steals human dignity!

[24:08] ---

Human dignity...

Then it doesn't work on cats?

[24:11] ---

Maybe it doesn't...

[24:12] ---

Then try getting hit with it, Happy...

[24:14] ---

Forget it!

[24:16] ---

Next time: Zirconis's Magic!

[24:19] ---

Natsu, sometimes you're inhuman,
so I bet it doesn't work on you either!

[24:22] ---

Happy, I'm sorry!
