[00:02] ---

What is this? I can't get up.

[00:08] ---

What the heck is this?!

[00:10] ---

All right, shall we begin the showdown?

[00:13] ---

Showdown?

[00:14] ---

It's called Celestial Spirit Quiz!

[00:18] ---

Quiz?!

[00:19] ---

Correct. A voice from above is going to present us with a quiz.

[00:25] ---

There will be ten questions.

[00:26] ---

When they're all done, the winner will gain perfect freedom,

[00:30] ---

and the loser will be subjected to something unbearable.

[00:34] ---

W-What is "something unbearable"?

[00:36] ---

Wait, why are we doing a quiz?

[00:39] ---

Because I enjoy quizzes. Now then...

[00:44] ---

Fairy Tail Cult Quiz!

Question number one!

[02:20] ---

Fairy Tail Cult Quiz!
Question number one!

[02:26] ---

Now that it's gone this far,
I guess I'll just have to do it, huh?

[02:29] ---

Then let's begin.

[02:33] ---

What's the name of the doll
that Lucy Heartfilia treasures?

[02:39] ---

Yes, Levy-san?

[02:41] ---

That was fast.

[02:43] ---

You called it a "cult quiz," so I figured it
must be really tough, but this is a cinch!

[02:48] ---

The answer is "Michelle"!

[02:52] ---

I'm wrong?

[02:54] ---

Yes, Capricorn-san?

[02:56] ---

The answer is "Gonzales," right?

[02:58] ---

Capricorn-san is correct!

[03:00] ---

People often make this mistake,
but "Michelle" is the name of another person.

[03:06] ---

"Gonzales" is the name Lucy gave the doll
she received as a birthday present.

[03:12] ---

Shoot...

[03:14] ---

Levy-san gets a penalty for being incorrect.

[03:16] ---

Wait—

[03:19] ---

What the heck is this?!

[03:21] ---

Every time you give an incorrect answer,
you slide into the Fun Zone below!

[03:26] ---

No!

[03:28] ---

Levy-san, impatience is a no-no with a buzzer quiz. Let's just have fun with it.

[03:33] ---

This isn't any fun!

[03:37] ---

Guild Deck vs. Celestial Spirit Deck!

[03:46] ---

What is this damage?!

[03:48] ---

Piri-piri!

SIGN Gemi

SIGN Mini

[03:49] ---

Look!

[03:51] ---

Your life went down!

[03:52] ---

I'll explain the rules.

[03:55] ---

These four lamps are our lives.

That is, they're our allotted points.

[03:59] ---

If you lose all of your lives,
you're defeated.

[04:02] ---

You lost one, so you have three left.

[04:06] ---

Lives?

[04:07] ---

The struggle to protect those lives
is the best part of this card battle.

[04:13] ---

If I blast away the three lives
you've got left, you lose.

[04:18] ---

When that happens,
you'll become one of my cards.

[04:21] ---

As if! When I win this thing, you're
gonna go quietly as I close your gate!

[04:26] ---

Winning is everything to a card player.
And the results will bear that out.

[04:32] ---

So, time for a turn change. It's your turn.

[04:38] ---

You say it's my turn, but I don't understand the meaning of your "I am the rules."

[04:43] ---

The cards in my hand are blank...

[04:45] ---

Wait. That's a so-called card game "play mat" at my feet.

[04:50] ---

When he put down a Gemini card, figure-sized Gemini appeared.

[04:54] ---

Celestial Spirits...

So his comrades are in his deck?

[04:58] ---

I get it!

[05:00] ---

Then I'll construct my deck out of my comrades, too!

[05:04] ---

That's the meaning of "I am the rules." The rules are you,

[05:08] ---

the player, making up your own deck with your comrades!

[05:11] ---

That's correct. You catch on quick, as befits someone who uses cards.

[05:15] ---

Put combos together, then unleash an attack!

[05:18] ---

I do that all the time!

[05:20] ---

Fairy's turn! Draw sequence!

[05:24] ---

Standby sequence!

[05:26] ---

Happy! And I summon Carla next to him!

[05:30] ---

Aye, sir!

[05:31] ---

So who should we beat up?

[05:34] ---

Piri-piri! She sent out cats.

[05:37] ---

They're Exceeds.

[05:39] ---

So you're our opponents, huh?

[05:41] ---

I warn you, I've got awesome attacking power!

[05:43] ---

These aren't the real things, right?

[05:45] ---

It's an illusion to liven the battle up.

[05:48] ---

They seem so lifelike...

[05:50] ---

Compliment accepted.

[05:51] ---

And two more field cards on standby!

[05:54] ---

I love field cards. Trying to predict
what's next is such fun.

[05:59] ---

Piri-piri!

[06:00] ---

You're trembling.

[06:02] ---

What are you doing?

[06:04] ---

You see, guessing the next card
is my favorite part.

[06:07] ---

And when the match is against a skilled
opponent, that's especially stimulating!

[06:12] ---

You're creepy.

[06:14] ---

Battle sequence! Go, Happy!

[06:17] ---

Aye, sir!

[06:18] ---

I block with Gemi!

[06:19] ---

I'll stop your attack!

[06:21] ---

Happy Attack!

[06:23] ---

Piri!

[06:25] ---

All right! That's one down!

[06:27] ---

Destroyed cards are sent to the Trash Zone,
that is, the Celestial Spirit World,

[06:30] ---

and basically can't be used anymore.

[06:33] ---

However, Gemini has a special effect!

[06:37] ---

When a monster ally is destroyed,
I can call one field card from my hand!

[06:41] ---

Field card
"Celestial Spirit Punishment" open!

[06:44] ---

I summon Virgo the Virgin
during my opponent's turn

[06:47] ---

and once more summon a card from
the Celestial Spirit World!

[06:50] ---

Hence, Gemi returns to the field!

[06:52] ---

Pikkiri!

[06:53] ---

What?! You can do that?!

[06:56] ---

And my summoning effect is drawing
five cards from the deck!

[07:00] ---

Even though it's my turn!
That's going too far!

[07:02] ---

You're nervous, aren't you?
I love that expression.

[07:06] ---

Forget it! Turn change!

[07:11] ---

Zura?!

[07:13] ---

Sonny!

[07:16] ---

You can't let him get away
with calling you an "old hag"!

[07:19] ---

I know your type! The armchair critic who
smugly trashes someone's parenting skills!

[07:24] ---

You're too permissive with him.

[07:27] ---

We're the number one ideal mother and son!

[07:30] ---

Now, sonny! Let's show her our special move!

[07:33] ---

Got it-zura, you old hag!

[07:35] ---

There it is again!

[07:37] ---

Mother...

[07:38] ---

...and Son...

[07:39] ---

...Forbidden Hug!

[07:43] ---

Wonderful!

[07:43] ---

Kappappa!

[07:45] ---

It seems...

[07:46] ---

Kapa?!

[07:47] ---

Same?!

[07:48] ---

...you're indulgent of each other.

[07:51] ---

Same-zame!

[07:53] ---

Kappa!

[07:59] ---

Did that hurt? Sorry.

[08:03] ---

You... zura!

[08:05] ---

But since you're mother and son, it's not good to just mollycoddle each other.

[08:10] ---

S-Shut up-zura...

[08:13] ---

Sonny...

[08:16] ---

Celestial Spirit card!

[08:18] ---

Draw sequence! Standby sequence!

[08:22] ---

I send Mini to the Celestial Spirit World and summon Taurus the Bull!

[08:26] ---

Piri-piri!

[08:28] ---

Mooo, excuse me.

[08:30] ---

I apologize-mooo. Your partner went back to the Celestial Spirit World.

[08:35] ---

That stinks!

[08:36] ---

Has there been a falling out?

[08:38] ---

It's not a problem. Battle sequence.

Taurus attacks!

[08:43] ---

Then let us proceed.

[08:45] ---

Carla blocks!

[08:46] ---

Me?!

[08:47] ---

Since my ally blocks, I open a field card, "Bond of the Maiden"!

[08:53] ---

Using Bond of the Maiden, I can do a special defense with two girl characters blocking!

[08:57] ---

And so, I do a maiden summoning

[09:00] ---

with Carla's best partner,
Wendy the Dragon Slayer!

[09:04] ---

Moo?!

[09:05] ---

Sorry to keep you waiting, Carla!

[09:06] ---

Wendy!

[09:07] ---

With a Bond of the Maiden combo between a Dragon Slayer and an Exceed,

[09:12] ---

there's an additional effect: 100,000 attack!

[09:14] ---

100,000?!

[09:16] ---

Plus I get to draw three cards from my deck!

[09:20] ---

Then I send Gemi to the Celestial Spirit World

[09:22] ---

to add 200,000 to Taurus's attacking power!

[09:24] ---

Piri?!

[09:25] ---

I'm brimming with power!

[09:28] ---

You sacrificed your own comrade?!

[09:30] ---

In a card battle, it's only common sense.

[09:32] ---

Wendy! Carla!

[09:34] ---

Let's go!

[09:35] ---

Not like we have a choice.

[09:37] ---

Let's cry over the cards that were sent
back to the Celestial Spirit World.

[09:42] ---

Each tear shed adds
10,000 attacking power.

[09:44] ---

In effect...

[09:45] ---

Moo! I can't hit them!

[09:48] ---

Maiden tears are too much
for a gentleman like myself!

[09:51] ---

But you have 500,000 attacking power?!

[09:53] ---

I'm sorry!

[09:54] ---

Attack!

[09:56] ---

Maiden Tears Attack!

[09:57] ---

Mooo!

[09:58] ---

How was that?!

[10:00] ---

I'm sure you think you're coming out ahead,
but I expected Taurus's destruction.

[10:04] ---

What?!

[10:05] ---

When Taurus is defeated in battle,
[10:07] ---
I get to summon the Scales, Libra!
[10:13] ---
I bring balance to everything.
[10:15] ---
And an effect is activated
when she's summoned!
[10:17] ---
I compare Libra's attacking
power to an opponent's,
[10:20] ---
and the lower one is sent back home!
[10:22] ---
I designate Carla.
[10:24] ---
Me again?!
[10:26] ---
The side with the lower attacking
power will rise higher.
[10:31] ---
I knew it!
[10:32] ---
I destroy Carla!
[10:33] ---
No!
[10:34] ---
Carla!
[10:46] ---
I stopped myself!
[10:47] ---
Well, not bad!
[10:49] ---
But then how about this?
[10:52] ---
Hey!
[10:55] ---
No! No! No! It'll crush me!
[11:00] ---
Don't cry, Wendy.
[11:02] ---
Your tears have given us new strength.
[11:06] ---
I predicted Carla would be destroyed.
[11:09] ---
Field card, "Wendy's Tears," open!
[11:13] ---

You predicted four steps ahead!
What a wonderful showdown!

[11:18] ---

With this card, I can summon
two wizard cards from my hand!

[11:22] ---

Pair summoning: Ice wizard, Gray
and water wizard, Juvia!

[11:27] ---

Finally!

[11:28] ---

Juvia is so happy to be
paired up with Gray-sama!

[11:31] ---

Let's go, Juvia!

[11:33] ---

Right!

[11:34] ---

How's that? You have something
to look forward to next turn.

[11:37] ---

Well, let's leave off here. Turn change.

[11:41] ---

Fairy's turn!

[11:43] ---

I draw one card and standby sequence!

[11:47] ---

Go on! Titania, Erza,
and Celestial Spirit wizard, Lucy!

[11:52] ---

You're looking for a fight?

[11:53] ---

Sorry to keep you waiting!

[11:54] ---

Battle sequence! Juvia attacks Virgo!

[11:58] ---

Right!

[11:59] ---

The effect of pair summoning:

[12:01] ---

If Gray is on the field, Juvia's attacking
power is five times greater than usual!

[12:05] ---

Gray-sama! With your love,
Juvia is invincible!

[12:10] ---

How naive.

[12:11] ---

When only Virgo is on the field during your battle sequence, I can do special summoning!

[12:17] ---

What kind of condition is that?!

[12:19] ---

I summon Capricorn! Block!

[12:21] ---

Celestial Spirit Quiz!

[12:24] ---

I am outta here!

[12:26] ---

He became Virgo's wall.

[12:29] ---

So you made it...

[12:30] ---

Next, Erza attacks!

[12:32] ---

Here I come!

[12:33] ---

When Erza attacks, I can use "Requip" if it's in my hand!

[12:39] ---

Requip!

[12:41] ---

Heaven's Wheel Armor!

[12:43] ---

60,000 attacking power!

[12:45] ---

Virgo blocks.

[12:46] ---

Erza has higher attacking power!

[12:49] ---

When she blocks in this circumstance, the card "Harsh Punishment" comes to the field!

[12:55] ---

What?!

[12:56] ---

Oh, no!

[12:57] ---

I didn't get a chance to do anything! How frustrating!

[13:03] ---

With the punishment, all special effects coming from the card sent home are negated.

[13:08] ---

As a result, she'll be in the

Celestial Spirit World forever.

[13:10] ---

I admit it, you got me there.

[13:12] ---

But I still get to attack! You're up, Lucy!

[13:16] ---

Leave it to me!

[13:25] ---

You're up, Lucy!

[13:27] ---

Leave it to me!

[13:28] ---

Libra blocks!

[13:30] ---

I bring balance to everything.

[13:32] ---

Special effect when Lucy attacks!

[13:35] ---

I can summon if there's a
Celestial Spirit card in my hand!

[13:38] ---

Come, Loke the Lion!

[13:41] ---

I see. You summoned a Celestial Spirit.

[13:44] ---

But when you do a special summoning,
Libra's effect is activated!

[13:48] ---

Do you really have that effect?!

[13:50] ---

I'm going to ignore you and continue.

[13:52] ---

Libra compares her attacking power with that
of the specially-summoned Celestial Spirit.

[13:59] ---

Uh-oh...

[14:01] ---

I win!

[14:02] ---

Where's the balance?!

[14:04] ---

Now you can't stop Lucy's attack!

[14:07] ---

It can't be helped.

You can have one of my lives.

[14:10] ---

Direct Attack!

[14:15] ---

Why are you swooning?!

[14:17] ---

It's marvelous. You're the first person
who's ever taken a life from me.

[14:23] ---

Is that right?

[14:24] ---

However, when I lose a life,
this card becomes a trigger I can use.

[14:29] ---

Another after-effect?!

[14:31] ---

I put a field card, "12 Signs of the Zodiac,"
on an open space!

[14:36] ---

You'll have to wait 'til next turn
to see what happens.

[14:40] ---

Turn change.

[14:42] ---

Celestial Spirit's turn!

[14:44] ---

Draw sequence! Standby sequence!

[14:47] ---

I summon Sagittarius the Centaur!

[14:52] ---

Battle sequence!

[14:53] ---

12 Signs of the Zodiac card...
What's its effect?

[14:57] ---

Virgo attacks.

[14:58] ---

Punishment!

[14:59] ---

This guy is so friggin' pompous.

[15:03] ---

Lucy blocks!

[15:04] ---

Okay! Huh? I can't move!

[15:07] ---

What?!

[15:08] ---

This is the effect of
Virgo's attack: binding!

[15:11] ---

The opponent's card is immobile
in the field and can't block!

[15:15] ---

What?!

[15:16] ---

Direct Attack!

[15:20] ---

I have two lives left!

[15:22] ---

How does it feel? It's quite clear
that I've got you in a tight spot.

[15:27] ---

And I like it...

[15:29] ---

You're such a creep!

[15:30] ---

Being in a pinch reduces a
player's thinking faculties

[15:33] ---

and invites playing errors.

[15:35] ---

I love to see my opponent get
flustered at a time like this.

[15:39] ---

Quit singing your own praises
and attack already!

[15:42] ---

Field card, 12 Signs of the Zodiac!

[15:45] ---

Battle sequence effect: I get
to attack 12 times in a row.

[15:50] ---

12 times?!

[15:51] ---

That's right. Even if your lives reach zero,
the merciless attacks will continue.

[15:57] ---

That's how formidable the effect is!

[15:59] ---

I don't understand!

[16:01] ---

I love how unfair it is!

[16:04] ---

All right, attack number one.

[16:06] ---

Juvia blocks!

[16:08] ---

I'll protect you!

[16:13] ---

Continuing to number two...

[16:15] ---

Lucy!

[16:16] ---

I'll try!

[16:22] ---

Lucy, Juvia... I'm sorry.

[16:29] ---

Shake me! Shake me up! Me
Cancer! You? Let's move!

[16:35] ---

I messed up. I should've gone
after a different spirit.

[16:39] ---

Show me your moves-kani!

[16:43] ---

My moves?

[16:44] ---

Your hot, cool, soulful moves-kani!

[16:49] ---

That doesn't explain anything!

[16:51] ---

12 Signs of the Zodiac attack.
Number three.

[16:54] ---

I have two lives left...

That's Nright! I forgot about that!

[16:58] ---

I let this attack take one of my lives!

[17:02] ---

Desperate, are you?

[17:09] ---

When my life decreases,

[17:11] ---

I can move Mavis's Patience
from my hand to the field!

[17:16] ---

Just like the first master holds it
when she needs to go to the bathroom,

[17:19] ---

this card negates all continuing attacks!

[17:22] ---

And I get to end your turn!

[17:25] ---

Brilliant countermove. Turn change.

[17:29] ---

Thank god I remembered it!

[17:31] ---

People often forget the various effects in their own decks.

[17:35] ---

But this time, forgetting it until now worked in your favor.

[17:37] ---

I love this about card battles! Miracles that transcend predicting the next card!

[17:43] ---

Would you stop being so creepy?!

[17:45] ---

Standby sequence!
I summon two Happy units!

[17:49] ---

Aye, sir!

[17:51] ---

More of me!

[17:52] ---

Three of a kind, eh?

[17:55] ---

Happy's special effect!

[17:57] ---

When there are three of them on the field, I send them to the Celestial Spirit World...

[18:02] ---

After going to the trouble of gathering three of us?!

[18:03] ---

That's the cost of being summoned.

[18:05] ---

I don't believe this!

[18:07] ---

I pay the summoning cost of three Happy units

[18:10] ---

and summon Dragon Slayer, Natsu!

[18:14] ---

I'm fired up!

[18:16] ---

And then I use the field card "Gray Strips" for the standby sequence!

[18:21] ---

All right! Now I'm into this!

[18:23] ---

When that happens, his attacking

power increases by 60,000!

[18:26] ---

I put one card on the field!

[18:29] ---

During the battle sequence, when Natsu
and Gray are next to each other,

[18:32] ---

Fire and Ice combo is activated!

[18:34] ---

Let's go!

[18:35] ---

Yeah!

[18:36] ---

Destroy the 12 Signs of the Zodiac!

[18:40] ---

Now you can't hit me with
consecutive attacks!

[18:42] ---

It's too early to breathe a sigh of relief.

[18:45] ---

By turning the destruction
of Zodiac into a trigger

[18:47] ---

and sending two more cards
from my hand home...

[18:51] ---

...I can do a gold summoning from
my hand to bring out Leo the Lion!

[18:57] ---

I hate women.

[18:59] ---

It seems you're the exact opposite of me.

[19:02] ---

Loke attacks!

[19:03] ---

I'll deal with it. Leo blocks!

[19:06] ---

I'll crush him.

[19:07] ---

Loke! I'm counting on you!

[19:11] ---

It seems my fighting power was greater.

[19:13] ---

Loke!

[19:15] ---

Is that the best you could do,
my former self?

[19:17] ---

Sorry, Loke. But I won't let
your destruction go in vain.

[19:21] ---

I turn Loke's return to the Celestial Spirit
World into a trigger and activate it!

[19:24] ---

Field card, "Call from the
Celestial Spirit World"!

[19:28] ---

Don't tell me that's...

[19:30] ---

Happy is resurrected from the Celestial
Spirit World and re-summoned!

[19:34] ---

Aye, sir! I'm back!

[19:36] ---

And then the re-summoning
lets me activate a combo!

[19:40] ---

Fairy Merge with Natsu and Happy!

[19:42] ---

Come forth, ultra-class merged wizard,
Wing Nappy Dragneel!

[19:47] ---

Aye, sir!

[19:48] ---

What the devil is that?

[19:50] ---

So he's just got the ears, tail, and wings?

[19:52] ---

I didn't know about that move!

[19:54] ---

Wing Nappy Dragneel attacks!

[19:57] ---

Sagittarius blocks!

[19:59] ---

Certainly!

[20:02] ---

It feels great to fly under my own power!

[20:04] ---

Whoops! Whoa!

[20:06] ---

He dodged?!

[20:08] ---

That's Natsu and Happy's combo effect!

[20:11] ---

They can slip past a blocking opponent...

[20:12] ---

Aye, sir!

[20:14] ---

...and do a direct attack on the player!

[20:18] ---

This isn't like me...

[20:20] ---

Turn change! Two left!

[20:24] ---

All right, then. Standby sequence.

I summon Aries the Ram.

[20:30] ---

I finally get a turn!

[20:33] ---

Took you long enough! Apologize!

[20:35] ---

To who?!

[20:36] ---

Battle sequence! Sagittarius attacks!

[20:39] ---

This time for sure...

[20:40] ---

Gray blocks!

[20:42] ---

I'll protect you!

[20:44] ---

Gray!

[20:46] ---

Continuing with a field card from my hand, "Flames of Darkness"!

[20:50] ---

I'm filled with power!

[20:52] ---

My attacking power increases by 5,000,000!

[20:55] ---

5,000,000?!

[20:56] ---

N-Nappy Dragneel blocks!

[21:05] ---

I get all my lives back.

[21:07] ---

What?!

[21:08] ---

It's the additional effect of a darkness combo.

[21:11] ---

It activates when I successfully
separate a merged wizard.

[21:15] ---

And now it ends here.
The coup de grace.

[21:19] ---

Aries attacks!

[21:20] ---

Yahoo! I'll beat the crap outta you!

[21:23] ---

You charged, right? If I'm directly
attacked when I have one life left,

[21:28] ---

I can do an emergency summon
of an S class card from my deck!

[21:35] ---

Come forth, S class wizard,
my father, Gildarts!

[21:40] ---

I'm here.

[21:43] ---

You had that in reserve?!

[21:45] ---

You finally called on me, Cana-chan.

[21:48] ---

And you said, "My father!"
That makes me so happy!

[21:52] ---

If you'd say it one more time,
I'll be raring to go!

[21:56] ---

Never mind that! Face forward!
Fight seriously!

[22:01] ---

Okay, I'll be serious.

[22:03] ---

For your sake, Cana-chan...

[22:08] ---

We have to get out of here, too!

[22:10] ---

But where are we going?

[22:12] ---

There's only one thing to do.

[22:14] ---

Yeah. That bastard, Loke.

[22:16] ---

Everyone, we're goin'

back to the Lion's world.

[22:20] ---

I swear I'll find that jackass
and sock 'im in the jaw.

[23:57] ---

Natsu, what do you think?

[23:58] ---

You're good at doing the
octopus dance, Happy!

[24:00] ---

That's a terrible thing to say! It's a regular
dance! What do you mean, "octopus"?!

[24:04] ---

It's not?

[24:05] ---

Sheesh. Watch carefully now!

[24:07] ---

Sure, you got it!

[24:08] ---

Back spin, turn, double axle! How's that?

[24:13] ---

It looks like the octopus dance to me.

[24:15] ---

Gong!

[24:16] ---

Next time: Gray vs. Cancer! Dance Battle!

[24:19] ---

And anyway, I don't think you can
really dance with those stubby legs.

[24:22] ---

How rude!
