**[00:06] Corpus**

They're crying. Crying!

**[00:09] Corpus**

My muscles are crying over all this weakness!

**[00:21] Sivan**

Well fought, milord.

**[00:23] Corpus**

I hear Manas has been defeated.

**[00:25] Sivan**

Yes, sir, and apparently  
by Farmagia from Avrion.

**[00:29] Corpus**

Some of Nares's guys, huh?

**[00:32] Corpus**

Look!

**[00:34] Sivan**

Milord?

**[00:34] Corpus**

My biceps are seething!

**[00:38] Corpus**

They're saying, "Let us fight them already!"

**SIGN** To the City of Muscle

**[02:19] Nares**

How is Arche faring?

**[02:21] Chica**

She's sleeping peacefully now.

**[02:24] Chica**

Perhaps my medicine is helping.

**[02:26] Ten**

Chica's medicine?

**[02:27] Lookie-Loo**

I see what you mean.

**[02:29] Arche**

Make it stop!

**[02:31] Chica**

This is no time to be picky!

**[02:33] Chica**

Is something the matter?

**[02:34] Lookie-Loo**

Nothing to see here!

**[02:36] Ten**

I was just picturing Arche with a mouthful of your medicinal herbs.

**[02:40] Leii**

Come to think of it, she did seem a little off while we were in Perfectus.

**[02:45] Ten**

Huh? She did?

**[02:47] Leii**

I figured you hadn't noticed.

**[02:49] Leii**

You're way too slow on the uptake to ever be an Oración Seis, Zero Ten.

**[02:54] Ten**

Don't call me that!

**[02:56] Dentro**

Ten, you need to pay better attention to your surroundings.

**[03:00] Nares**

Ten is over there.

**[03:03] Anzar**

About Arche... I'd venture it would be best to allow her to rest.

**[03:07] Nares**

Yes, but time marches on.

**[03:10] Nares**

Listen up. We'll strike Rahatluk as planned,

**[03:14] Nares**

before they can fully coordinate with Sonrisa and Nadeyat'sya.

**[03:18] Leii**

Suits me fine.

**[03:19] Ten**

We already beat Manas.

**[03:21] Ten**

You can leave Rahatluk to us, too.

**[03:25] Chica**

Rahatluk...

**[03:27] Leii**

We'll be going up against Corpus of the Oración Seis.

**[03:30] Dentro**

He's no easy foe.

**[03:32] Ten**

You know, why is Corpus  
following Glaza in the first place?

**[03:37] Nares**

I'm curious, as well.

**[03:39] Nares**

He loves combat but goes about it fairly,

**[03:42] Nares**

as if his raison d'être is to  
fight with his own hands.

**[03:47] Nares**

I didn't think he'd be in league  
with Glaza, who revels in evil plots.

**[03:51] Leii**

Not like it makes any difference.

**[03:53] Leii**

We'll take him down with another  
small elite force, right?

**[03:57] Ten**

Hey, listen to you, all raring to go!

**[03:59] Leii**

It's not like that.

**[04:03] Anzar**

I'm against it.

**[04:06] Anzar**

With Arche incapacitated, perhaps  
we should proceed with caution.

**[04:10] Nares**

No, we must forge ahead before  
Glaza employs some countermeasure.

**[04:15] Anzar**

But...

**[04:16] Dentro**

Ten and the others will be just fine.

**[04:25] Leii**

It's already been rebuilt?

**[04:27] Ten**

Incredible!

**[04:28] Chica**

Well, it's...

**[04:30] Chica**

Wait, Ten!

**[04:35] Ten**

Yikes! What the heck is this?!

**[04:38] Leii**

It's nothing but a façade.

**[04:40] Chica**

Everyone worked hard so  
it would at least look nice.

**[04:44] Ten/Leii**

"Everyone"?

**[04:46] child**

Ten's back!

**[04:47] child**

Leii, too!

**[04:48] child**

Welcome home!

**[04:49] Ten**

You guys!

**[04:51] Leii**

Hey there.

**[04:52] child A**

Lookie, lookie!

**[04:53] child B**

This is the room where we eat!

**[04:54] child C**

At least, that's the plan.

**[04:56] child D**

We'll make it big enough  
so we can all eat together!

**[04:59] child E**

The toilets are over here!

**[05:00] child E**

Ten always takes forever,  
so we're gonna build two.

**[05:03] child F**

The bathtub goes here.

**[05:05] child G**

I want a sauna, too.

**[05:07] Ten**

Okay, the whole third floor will be my room!

**[05:09] Leii**

What for?

**[05:10] Ten**

This can be Leii's room.

**[05:12] Leii**

You pickin' a fight?

**[05:14] child**

Hey, Ten.

**[05:15] child**

Is the fighting not over yet?

**[05:18] Ten**

Don't you worry.

**[05:19] Ten**

We Dragons of Centvelt are going  
to make short work of the bad guys!

**[05:24] child**

Okay!

**[05:26] Lookie-Loo**

Ten, look over here, too.

**[05:31] Ten**

Look how big you guys have gotten!

**[05:34] Leii**

Aren't those the ones  
that survived the fire?

**[05:36] Leii**

Is it normal for them to grow so quickly?

**[05:39] Anzar**

Maybe they've synchronized with  
Ten and can sense his growth.

**[05:43] Ten**

You think so?! Then maybe  
they're about to be born!

**[05:46] Lookie-Loo**

I can't see that happening.

**[05:47] Ten**

Huh? Why not?

**[05:48] Lookie-Loo**

Why not, you ask?

**[05:50] Lookie-Loo**

They've grown this much but still  
haven't emerged. That's unnatural, see.

**[05:55] Chica**

Since the fighting started,  
many monsters have lost their lives.

**[06:00] Chica**

Maybe that has them too scared to come out.

**[06:03] Ten**

You think so?

**[06:08] Ten**

Don't worry. You've got me on your side!

**SIGN** My strongest  
monster patch

**[06:10] Leii**

There's plenty to worry about.

**[06:13] Leii**

And hey, you already have those Fangs.

**[06:16] Chica**

That's true.

**[06:17] Lookie-Loo**

Look, Ten. You'll never manage  
to sync with two kinds of monsters.

**[06:22] Ten**

I won't know until I try.

**[06:25] Ten**

Anzar can sync with both Toytans  
and Buncles, so I can do it, too!

**[06:30] Lookie-Loo**

He's more capable, see.

**[06:32] Leii**

Know your limits.

**[06:33] Ten**

That's so mean.

**[06:35] Anzar**

Well, I must go assume command  
of Perfectus's defenses.

**[06:40] Leii**

Leave Rahatluk to us.

**[06:44] Anzar**

Corpus is strong.

**[06:45] Anzar**

Be sure not to bite off  
more than you can chew.

**[06:49] Ten**

Don't you worry!

**[06:51] Ten**

We'll come home stronger than ever!

**[06:57] Ten**

Synchronize, synchronize!

**[06:57] Anzar**

I'll be counting on your  
continued support, Chica.

**[06:59] Ten**

Yeah, let's go!

**[07:00] Chica**

Huh?

**[07:01] Chica**

Oh, right.

**[07:07] L'Oreille**

It seems Perfectus has fallen.

**[07:10] Glaza**

Hmph.

**[07:11] L'Oreille**

What do you plan to do?

**[07:13] Glaza**

Just wait and see.

**[07:15] Glaza**

Chosen by the former Magus...

**[07:16] Glaza**

No, it's no exaggeration to say I was chosen by the Felicidad Underworld itself.

**[07:22] Glaza**

You'll witness the skills of the new Magus Glaza.

**[07:27] Glaza**

Countermeasures are already underway.

**[07:32] Arche**

Sorry, I know this is an important time.

**[07:34] Ten**

Don't sweat it.

**[07:36] Ten**

I'm gonna walk all over Corpus, no problem!

**[07:40] Leii**

You mean *we're* going to.  
Don't get too carried away.

**[07:43] Ten**

Yeah, I know.

**[07:45] Ten**

Oh, hey, Arche. You've been reading that again?

**[07:48] Arche**

Yeah.

**[07:49] Lookie-Loo**

*The Three Angels...*

**[07:51] Lookie-Loo**

The tale of the angels who created Felicidad.

**[07:54] Leii**

I'm impressed you can read ancient script.

**[07:57] Ten**

You've always been good with that stuff.

**[08:01] Arche**

Yeah...

**[08:04] Ten**

It's seriously impressive!  
Just looking at the cover...

**[08:07] Ten**

makes me... sleepy...

**[08:10] Lookie-Loo/Arche/Leii**

He fell asleep?!

**[08:12] Leii**

You have got to be kidding me, Zero Ten!

**[08:15] Leii**

Wake up!

**[08:16] Lookie-Loo**

Sometimes I can't bear to watch.

**[08:17] Leii**

I said wake up!

**[08:18] Leii**

Quit weirding everyone out!

**[08:21] Arche**

What are you even doing?

**[08:23] Ten**

If you can laugh that much, you'll be okay.

**[08:26] Leii**

I'll say.

**[08:28] Ten**

For now, get some rest.

**[08:30] Arche**

Sure.

**[08:31] Leii**

We set out tomorrow.

**[08:33] Leii**

We'll wreak enough havoc for you, too.

**[08:36] Arche**

Okay. Good luck.

**[08:39] Ten**

Yeah!

**[08:40] Leii**

See ya.

**[08:40] Lookie-Loo**

Look out for yourself!

**[08:46] Arche**

Get some rest, huh?

**[08:59] Arche**

Yes?

**[09:00] Glaza**

*It's me.*

**[09:09] (Flashback) young Arche**

Come on, keep still.

**[09:11] (Flashback) young Emero**

That hurts. Be gentler, like Chica would.

**[09:15] (Flashback) Dentre**

Good grief.

**[09:17] (Flashback) Dentre**

How many times have I told you  
not to go into the mountains alone?

**[09:21] (Flashback) young Arche**

Don't run off on your own,  
even if you *are* worried about Chica.

**[09:26] (Flashback) young Ten**

But that's Emero for you!

**[09:29] (Flashback) young Ten**

He went off and saved her  
from a monster all by himself!

**[09:32] (Flashback) young Leii**

That's what's dangerous, dummy.

**[09:36] (Flashback) young Emero**

Enough. Just forget about it.

**[09:39] (Flashback) young Chica**

I'm sorry, Emero.

**[09:43] (Flashback) young Emero**

Don't worry. Your big brother  
will always protect you.

**[09:59] Anzar**

Now...

**[10:00] Anzar**

We should assume Rahatluk's forces

**[10:02] Anzar**

already have intel about  
our Perfectus campaign.

**[10:07] Lookie-Loo**

Meaning they'll be on the lookout  
for diversionary tactics.

**[10:11] Anzar**

That's where these come in.

**[10:13] Ten**

What are those?

**[10:15] Anzar**

Permits for doing business in Rahatluk.

**[10:18] Anzar**

Albeit forgeries, of course.

**[10:21] Leii**

Huh, leave it to an Oración Seis cadet.

**[10:25] Leii**

You got these made so easily.

**[10:28] Ten**

Uh...

**[10:29] Leii**

This means we're going in disguised as  
merchants, then launching a surprise attack.

**[10:34] Ten**

Got it! Lunching on a syrupy snack!

**[10:37] Leii**

We're in trouble.

**[10:39] Lookie-Loo**

The future looks bleak.

**[10:41] Ten**

So, how're we getting to Rahatluk?

**[10:45] Leii**

D-Don't tell me...

**[10:49] Leii**

No!

**SIGN** SUB

**[10:57] Anzar**

Huh?

**[10:58] Anzar**

Chica?

**[11:01] child A**

I wonder if Ten and Leii will be okay.

**[11:03] child B**

They'll be fine.

**[11:06] Nares**

We're counting on you.

**[11:09] Leii**

It's dark! I'm scared!

**[11:11] Lookie-Loo**

Looky, bouncy!

**[11:11] Ten**

Boing, boing!

**[11:12] Lookie-Loo**

Bounce, bounce!

**[11:14] Ten**

This is fun every time!

**[11:14] Leii**

This is scary every time!

**SIGN** Continent of Rahatluk

**[11:21] Ten**

Cool! Red magma and blue magma!

**[11:26] Leii**

What kind of continent is this?

**[11:28] Leii**

Anyone who'd choose to live  
here must be pretty hardy.

**[11:32] Ten**

Hey, you can see it now!

**[11:35] Lookie-Loo**

The town's finally in view.

**[11:38] Leii**

Time to launch our covert operation.

**[11:42] Ten**

Check it out, Leii!

Everyone's got huge muscles!

**[11:46] Ten**

It's a continent of muscle!

**[11:47] Leii**

Listen, do you even know  
the meaning of "covert"?

**[11:51] Lookie-Loo**

That's right. We're not here to sightsee.

**[11:54] Lookie-Loo**

He's vanished!

**[11:55] Leii**

Damn that Zero Ten!

**[11:59] Ten**

Look at all that muscle!

**[12:01] resident 1**

Looking sharp there!

**[12:03] resident 2**

That's some mad definition on those traps!

**[12:06] resident 3**

They're huge, man! Huge!

**[12:08] resident 4**

What you got on those  
shoulders, a Rock Golem?!

**[12:12] Ten**

Your chest is massive!

**[12:14] Charlot**

It's a parade of pecs!

**[12:17] Ten/Charlot**

Wha?!

**[12:20] Leii**

We told you not to wander off on your own!

**[12:23] Ten**

I get it, I get it. Syrupy, right?

**[12:26] Lookie-Loo**

You don't get it,  
and you don't look sorry at all.

**[12:30] Leii**

Man...

**[12:31] Leii**

Anyway, what brings you to Rahatluk?

**[12:34] Charlot**

What do you think? Business.

**[12:36] Lookie-Loo**

Oh, yeah. Charlot's a real merchant.

**[12:40] Charlot**

Yup, the real deal!

**[12:42] Charlot**

Unlike you guys.

**[12:45] Charlot**

Your permits must be fakes, I'm guessing?

**[12:48] Ten**

Outed already! Fakes are awesome!

**[12:51] Lookie-Loo**

Look, Ten, pipe down.

**[12:53] Charlot**

Maybe I'll keep quiet if you buy something.

**[12:57] Charlot**

How about this?

**SIGN** Toxic

**[12:58] Charlot**

I can't tell you what's in it,  
but have a sip after every meal,

**[13:02] Charlot**

and this dodgy drink will have anyone  
musclebound in just three months!

**[13:06] Lookie-Loo**

I spy life-threatening danger!

**[13:08] Leii**

"Dodgy" isn't a sales pitch!

**[13:10] Leii**

I'd never buy something like that!

**[13:13] Ten**

Wow! With this, I can get ripped, too!

**[13:14] voice**

Nice muscles!

**[13:17] Leii**

Don't even think it.

**[13:18] female guard**

What are you doing there?

**[13:21] Leii**

Oh, we're merchants.

**[13:24] Charlot**

So am I.

**[13:25] Ten**

On syrupy snacks!

**[13:26] Lookie-Loo**

Ten!

**[13:28] female guard**

Peddlers, huh?

**[13:30] female guard**

Keep the loitering to a minimum, got it?

**[13:33] Ten**

The syrupy snack thing really worked.

**[13:36] Lookie-Loo**

Look, seriously. Shut up.

**[13:38] Leii**

What would you say to  
dinner with me tonight?

**[13:43] Ten**

Here we go again.

**[13:44] Lookie-Loo**

He's got eyes for all types.

**[13:46] Charlot**

Must be used to rejection.

**[13:47] female guard**

Sorry, I don't go for delicate men.

**[13:51] female guard**

Your arms would need to  
be at least twice as thick.

**[13:54] Leii**

"Delicate"?

**[13:55] Charlot**

Care for a bottle?

**[13:58] Leii**

I mean, sure, I'm not as buff  
as the folks who live here.

**[14:01] Leii**

But what's the point of having  
so much bulk just for show?

**[14:06] Leii**

My muscles might be smaller,  
but they're well-toned.

**[14:09] Leii**

That's nowhere near the  
same thing as "delicate."

**[14:12] Leii**

You agree, right?

**[14:14] Lookie-Loo**

I see you're talkin' up a storm.

**[14:16] Ten**

Leii's into the macho thing, too!

**[14:18] Lookie-Loo**

Open your eyes.

**[14:19] Lookie-Loo**

He just doesn't want to show his  
embarrassment over that rejection.

**[14:23] Leii**

Shut up!

**[14:25] Lookie-loo**

Look, let him go!

**[14:26] Leii**

Screw that! He can die!

**[14:30] Ten**

Are your arms made of iron?!

**[14:33] female guard**

Hey, nice shout-out.

**[14:38] Leii**

Ouch!

**[14:39] Lookie-Loo**

Nuts!

**[14:40] Chica**

Ouch!

**[14:42] Leii**

Wait, what?

**[14:47] Chica**

Ow, ow...

**[14:47] Leii**

What's going on here?

**[14:49] Ten**

A fake Chica? Looks just like her!

**[14:52] Lookie-Loo**

That *is* her, any way you look at it.

**[14:54] Chica**

I-I am not Chica. I am just  
a bird that looks like her.

**[14:59] Leii**

You suck at lying!

**[14:59] Lookie-Loo**

I see you suck at lying!

**[15:02] Leii**

What's the big idea?

**[15:04] Lookie-Loo**

Anzar must be looking everywhere for you.

**[15:06] Chica**

I'm sorry.

**[15:08] Ten**

Well, she's here now. That's that.

**[15:10] Leii**

"That's that" nothing!

**[15:12] Ten**

Chica *was* saying she wanted  
to see the land of muscle.

**[15:15] Ten**

She does strength training every day.

**[15:17] Chica**

Wrong on both counts.

**[15:20] Chica**

Ten, didn't you say you told Emero  
you were headed to Rahatluk?

**[15:26] Ten**

Did I?

**[15:27] Lookie-Loo**

You did, see.

**[15:28] Leii**

You've got a memory like a sieve, Zero Ten.

**[15:30] Chica**

I want to see him, too.

**[15:33] Chica**

Once I got that in my head,  
I couldn't bear to stay behind.

**[15:36] Leii**

Yeah, I can imagine.

**[15:39] Leii**

But you know what's going  
on right now, right?

**[15:41] Chica**

I do know, but...

**[15:43] Ten**

You said it! All right!  
Let's look for Emero together!

**[15:47] Lookie-Loo**

Ten!

**[15:48] Leii**

Give it a rest! We're on a mission here!

**[15:51] Ten**

Come on, man! Chica's the only  
one who hasn't seen Emero.

**[15:55] Ten**

All the other Dragons of Centvelt have.

**[15:58] Leii**

We didn't come here to find Emero,  
and we don't even know if he'll show up.

**[16:02] Leii**

Our objective is Corpus!

**[16:04] Ten**

Wow, talk about cold.

**[16:06] Ten**

This is why the ladies always turn you down.

**[16:08] Leii**

Damn you! That's got  
nothing to do with this!

**[16:11] Ten**

Still, though...

**[16:13] Lookie-Loo**

Both of you, show some sense!

**[16:14] Lookie-Loo**

We have to see to Chica and—

**[16:16] Lookie-Loo**

Huh?

**[16:17] Lookie-Loo**

Look, she's gone!

**[16:23] Chica**

*I'm sorry, but I need to  
see Emero no matter what!*

**[16:29] soldier 1**

Halt.

**[16:33] soldier 1**

Who are you?

**[16:35] soldier 2**

Show us your permit.

**[16:38] Ten**

Chica!

**[16:40] Ten**

Chica! You in here?!

**[16:41] Ten**

Chica, come on out!

**[16:43] Leii**

Damn it, this is all Zero Ten's fault.

**[16:46] Lookie-Loo**

Look who's talking.

**[16:48] Ten**

Chica!

**[16:50] Ten**

I've been searching everywhere for you!

**[16:56] Ten**

A-A bird!

**[16:57] Ten**

No way! She really *was* a bird!

**[17:00] Lookie-Loo**

Do you even use those eyes?

**[17:02] Leii**

Calm down a little, man.

**[17:04] Ten**

How can I be calm?!

**[17:06] Ten**

The snack! The bird! All those muscles!

**[17:08] Leii**

I think you need some help.

**[17:10] Emero**

That's a pathetic look, Ten!

**[17:13] Ten/Leii/Lookie-Loo**

Emero?!

**[17:15] Emero**

You could use more sweets in your diet.

**[17:19] Sivan**

This way, Lord Corpus.

**[17:24] Corpus**

Just as the report said.

**[17:26] Corpus**

You're an Avrion Farmagia, aren't you?

**[17:30] Chica**

Report? Wh-What do you mean?

**[17:34] Corpus**

Hmph!

**[17:35] Corpus**

You're not what I was expecting, though.

**[17:38] Corpus**

You're like a frightened little kitten.

**[17:41] Corpus**

Did you really defeat Manas?

**[17:44] Chica**

My friends did that.

**[17:46] Corpus**

Say what?!

**[17:47] Corpus**

Great, we caught the wrong one.

**[17:49] Corpus**

Here's the thing... I'm bored!

**[17:53] Corpus**

All I ever get to fight are weaklings.

**[17:56] Corpus**

I haven't gotten to fight  
anyone on my level in so long.

**[18:00] Corpus**

But if someone out there beat Manas,  
beat an Oración Seis,

**[18:04] Corpus**

they're sure to give me a good time.

**[18:07] Corpus**

Don't you think?

**[18:11] Corpus**

Great, a Farmagia who only  
knows how to be scared.

**[18:15] Corpus**

I can't sense any will to fight from you.

**[18:19] Corpus**

You're facing an enemy, and you're  
not even prepared to take a swing.

**[18:24] Chica**

No, I-I could totally...

**[18:27] Corpus**

Oh, yeah?

**[18:29] Corpus**

If you say you're up for it,  
I'll give you a chance.

**[18:32] Corpus**

Summon your monsters from  
your Lacrima and come at me.

**[18:36] Corpus**

Go on, do it! I'm wide open!

**[18:40] Corpus**

Why not take a shot?!

**[18:42] Corpus**

There must be a hint of fight  
in that petrified heart of yours.

**[18:46] Corpus**

Show it to me!

**[18:51] Corpus**

What's that supposed to mean?

**[18:54] Chica**

I don't... want to hurt anyone.

**[18:58] Corpus**

Huh?

**[18:59] Corpus**

Hah! So that's your answer?

**[19:02] Corpus**

You little girl!

**[19:04] Corpus**

You don't want to hurt anyone?

**[19:06] Corpus**

If you don't put up a fight right now,

**[19:09] Corpus**

I'm gonna beat your family and  
friends to death in front of you!

**[19:13] Corpus**

And you still won't fight?

**[19:16] Corpus**

If you wanna protect what's important to you,  
you have to fight even when you're scared!

**[19:22] Zanas**

Keep that girl alive.

**[19:25] Corpus**

Well, well, if it isn't Glaza's masked pet.

**[19:29] Corpus**

Butt out. I'm right at the good part.

**[19:32] Zanas**

The Farmagia who defeated  
Manas have also snuck in.

**[19:35] Zanas**

That girl will be the bait to lure them out.

**[19:39] Corpus**

Hmph!

**[19:40] Corpus**

That does sound like one of Glaza's ideas.  
More complicated than it needs to be.

**[19:46] Emero**

Don't help yourself to that!

**[19:49] Ten**

You're the one who said I need more sweets.

**[19:52] Ten**

But isn't this *too* sweet?

**[19:54] Ten**

It overwhelms the flavor.

**[19:54] Emero**

Then don't eat it!

**[19:56] Leii**

So, what brings you here?

**[19:58] Ten**

Muscle tourism, right?

**[19:59] Lookie-Loo**

Open your eyes.

**[20:02] Emero**

You said you'd be in Rahatluk next.

**[20:05] Emero**

I thought maybe I could help  
somehow, so I've been spying.

**[20:09] Lookie-Loo**

Look who was playing all shy,  
asking for "time to think"!

**[20:13] Emero**

Shut up.

**[20:15] Leii**

Funnily enough, this means you just missed her.

**[20:18] Emero**

What're you talking about?

**[20:20] Ten**

Thanks to Leii, Chica turned into  
a bird and flew off somewhere.

**[20:24] Leii**

It's *my* fault?! Also, shut up about birds!

**[20:27] Emero**

Wait a minute.

**[20:29] Emero**

Chica "flew off somewhere"?!  
Care to explain?!

**[20:34] Lookie-Loo**

Look, this is no time for kidding around!

**[20:35] Emero**

You're the ones who're kidding around!

**[20:44] Ten**

Zanas!

**[20:45] Emero**

That's him?

**[20:46] Zanas**

The pair from Avrion...  
and you must be Emero of Perfectus.

**[20:51] Zanas**

I never expected you to join the rebels.

**[20:54] Zanas**

What a foolish path to follow.

**[20:56] Emero**

What do *you* know?

**[20:58] Emero**

I'll kick that mask right off you.

**[21:00] Ten**

Yeah! And then we'll pluck  
out all your nose hairs!

**[21:03] Leii**

Whatever about nose hairs.  
But he must want to fight here.

**[21:07] Ten**

We'll make the first move!

**[21:09] Ten**

Go, Fankichi! Fanzo! Fantaro!

**[21:20] Leii**

That's pathetic, Ten!

**[21:30] Emero**

All right!

**[21:36] Emero**

Damn it.

**[21:38] Ten**

We're just gettin' started!

**[21:39] Ten**

We beat Manas, so we can  
beat Macho Mask here!

**[21:42] Lookie-Loo**

Look, forget about the macho stuff!

**[21:44] Ten**

Let's go!

**[21:45] Leii/Emero**

Yeah!

**[21:46] Zanas**

I don't feel it.

**[21:57] Zanas**

What was that attack supposed to be?

**[21:59] Zanas**

I feel no determination at all.

**[22:01] Zanas**

Did you defeat Manas by mere chance?

**[22:04] Zanas**

Farmagia with no resolve  
have no path whatsoever.

**[22:06] Zanas**

Will you end up in a prison cell?

**[22:08] Zanas**

Will you follow the same path as the  
blue-haired girl Corpus imprisoned?

**[22:15] Emero**

Blue-haired girl?

**[22:17] Emero**

Does he mean Chica?

**[22:20] Emero**

Has she been captured by Corpus?!
