[00:00] Glaza Reaper

Arche...

[00:03] Glaza Reaper

All this after I chose you!

[00:09] Ten

You "chose" her?

[00:11] Ten

All you did was force things on
her and hurt her the whole time!

[00:18] Arche

Ten...

[00:19] Ten

Nobody hurts my pals and gets away with it!

[00:30] Glaza Reaper

He broke the barrier?

[00:43] Lookie-Loo

Ten just pulled off a Fusion!

[00:48] Glaza Reaper

That light... That Magia!

[00:52] Glaza Reaper

Could you be the...

[00:55] Glaza Reaper

There's no way.

[00:56] Glaza Reaper

You couldn't possibly be chosen!

[01:00] Ten

We...

[01:03] Ten

are strong!

[01:18] (Flashback) old Diluculum

Well done, Glaza.

[01:21] (Flashback) old Diluculum

You have been chosen as an Oración Seis.

[01:24] (Flashback) old Diluculum

From now on, you shall be

one who guides Felicidad.

[01:29] (Flashback) young Glaza

I am grateful and overjoyed.

[01:32] Glaza

The one who was chosen that day...

[01:36] Glaza

The one who was chosen...

[01:39] Glaza

was me.

[01:54] Nares

Good timing.

[01:56] Dentro

We were just thinking of summoning you.

[02:00] Arche

We heard you're going to enter
peace talks with L'Oreille.

[02:03] Nares

That's right.

[02:04] Nares

It will be one week from now in Nadeyat'sya.

[02:08] Nares

I intend to bring soldiers, just in case.

[02:11] Nares

Ten, Leii, Arche, you shall accompany me.

[02:15] Nares

Emero and Chica, see to Avrion's defense.

[02:18] Leii

Are you serious?

[02:19] Ten

It's too dangerous, any way you look at it!

[02:22] Nares

We already control four continents.

[02:24] Nares

Our side has an overwhelming advantage.

[02:27] Dentro

It's doubtful even L'Oreille could
regain the upper hand at this point.

[02:33] Chica

But...

[02:34] Nares

I'll admit I can't say it's safe for certain.

[02:38] Nares

However, I don't want to waste
another day in ending this war.

SIGN The Three Angels

[04:18] Dentro

Leii.

[04:20] Dentro

What's on your mind?

[04:22] Leii

When we were fighting Glaza in Sonrisa...

[04:26] (Flashback) Glaza

It's hard to believe three of the Oración
Seis have fallen to the likes of you lot.

[04:33] Leii

That's what he said.

[04:35] Arche

I was wondering about that, too.

[04:37] Arche

At the time, we had only
defeated Manas and Corpus.

[04:41] Dentro

Sounds like we should assume
Lisan has already been murdered.

[04:46] Arche

Murdered? By L'Oreille?

[04:49] Leii

Is this really safe?

[04:51] Aider

There were no signs of danger nearby.

[04:54] Beezer

We'll be cautious, but they shouldn't
be able to pull anything big.

[05:07] Ten

What's the story?!

[05:08] Ten

Answer me, Anzar!

[05:11] Anzar

Ten, now that you've fought some
of the Oración Seis, what's your take?

[05:16] Ten

Huh?

[05:18] Anzar

Now that you've seen what they're like,
do you still want to be one of them?

[05:24] Ten

Wh-Where's all this coming from?

[05:26] Ten

I mean...

[05:30] Ten

Ugh, this is such a pain!

[05:32] Ten

I'm going to protect everyone
and the monsters! End of story!

[05:37] Nadeyat'sya soldier

Master Anzar, the negotiations are beginning.

[05:40] Anzar

All right.

[05:47] L'Oreille

Thank you for coming all
this way, Lady Nares.

[05:52] L'Oreille

Although bringing soldiers along
doesn't bode well for peace.

[05:56] Nares

I'm in the middle of enemy territory.

[05:57] Nares

You'll have to permit me this much.

[05:59] Nares

We have no intention of attacking.

[06:02] L'Oreille

As always, you are a straightforward woman.

[06:05] L'Oreille

I've always liked that about you.

[06:08] L'Oreille

Sorry, but this isn't a peace talk.

[06:13] Nares

We of Avrion already control four continents.

[06:17] Nares

There's no way you can win.

[06:20] L'Oreille

In his attempts to become the Hyperion,

[06:23] L'Oreille

Glaza came across an immensely
powerful spell in his grimoire.

[06:27] L'Oreille

One known as the Harvest Festival.

[06:30] Nares

I'm aware. But to my knowledge,
the grimoire has yet to be deciphered.

[06:34] L'Oreille

And what would you do if I told you
that I, too, can use Harvest Festival?

[06:43] Ten

What's this?!

[06:45] Dentre

It couldn't be!

[06:46] Lookie-Loo

Look!

[06:50] Arche

It's the...

[06:51] Anzar

What's the meaning of this, L'Oreille?!

[06:54] Arche

"A red torrent that splits the heavens."

[06:57] Arche

"The angel of death."

[07:05] Nares

All forces, withdraw immediately!

[07:07] Nares

Hurry to the Leviathans!

[07:10] Leii

The Leviathans!

[07:12] Nares

Master! Get everyone to Avrion!

[07:15] Nares

You should be able to do it!

[07:26] L'Oreille

Not so fast!

[07:29] Anzar

Dubhlachan Tiarna!

[07:35] Ten

Anzar!

[07:37] Dentro

Get back here, Ten!

[07:44] Leii

What is that?

[07:46] Arche

Don't tell me Old Den's doing it!

[07:50] Nares

Down with evil!

[07:54] Nares

Hurry, Master!

[07:59] Ten

Damn it!

[08:00] Aider/Beezer

Ma'am!

[08:02] Ten

Nares! Nares!

[08:04] Ten

Gramps, get rid of this thing!

[08:07] Ten

Gramps!

[08:17] Arche

Nares!

[08:18] Nares

Everyone, look after Avrion and the world.

[08:18] Leii

Nares!

[08:22] Nares

Aider, Beezer...

[08:24] Nares

Those rice balls were the best.

[08:31] Ten

Nares!

[08:33] Aider/Beezer

Ma'am!

[08:41] child A

It's born!

[08:44] child B

It's so loud!

[08:45] child C

Hey, stop!

[08:46] child A

It ran away!

[08:47] child B

Catch it!

[08:52] Ten

Where are we?

[08:54] Lookie-Loo

Avrion Castle, by the looks of it.

[08:58] Arche

Old Den!

[08:59] Ten

Gramps!

[09:01] Leii

Hey, are you okay?!

[09:03] Chica

Mister Dentro!

[09:04] Emero

You guys, what happened?!

[09:07] Leii

I wish I could tell you.

[09:10] Leii

Before we knew it, we were here.

[09:13] Emero

What happened to Nares?

[09:21] Dentro

S-Sorry.

[09:24] Ten

Gramps!

[09:25] Dentro

I wasn't able to save Nares.

[09:28] Dentro

Or Nadeyat'sya.

[09:30] Leii

Anzar actually tried to help us.

[09:34] Arche

He must have had his reasons after all.

[09:37] Arche

I just hope he's okay.

[09:39] Ten

As if Anzar would die!

[09:52] Ten

What's the matter, Gramps?

[09:55] Arche

What's that?

[09:56] Lookie-Loo

Ten, look.

[09:59] Avrion denizen

His Majesty the Magus?!

[10:01] Avrion denizen

How?

[10:02] Avrion denizen

It's Magus Diluculum!

[10:06] Dentro

Magus Diluculum!

[10:10] Diluculum

It's been a long time, Dentro.

[10:14] Chica

How does the Magus know Mister Dentro's name?

[10:17] Emero

Isn't he supposed to be dead?

[10:19] Leii

Is he the real thing?

[10:21] Dentro

No doubt about it. He's still alive.

[10:25] Dentro

Aha, now I get it.

[10:27] Dentro

This conflict was all your scheme.

[10:32] Dentro

Surely you're not planning
the Great Harvest Festival?!

[10:37] Diluculum

What will you do?

Join me in avenging Eleonora?

[10:43] Diluculum

So that's your answer, is it?

[10:45] Diluculum

Then you, too, can become nourishment
to make me powerful enough for deicide.

[10:52] Ten

What was that all about, Gramps?

[10:54] Dentro

He's trying to trigger the Grand Harvest Festival and feed on every life in Felicidad.

[11:02] Leii

What is that Grand Harvest Festival thing?

[11:06] Dentro

The Harvest Festival feeds on an entire continent and every living thing upon it.

[11:11] Dentro

But the Grand Harvest Festival is a supremely powerful spell

[11:15] Dentro

that feeds upon the Felicidad Underworld itself.

[11:21] Emero

Felicidad itself?

[11:23] Dentro

But I'm sure he needs to store up power to perform the Grand Harvest Festival.

[11:29] Dentro

That means there's still time.

[11:31] Dentro

You must defeat the Magus by then. There's no other way to protect Felicidad.

[11:37] Leii

Us, defeat the Magus?

[11:41] Ten

What choice do we have?

[11:42] Ten

This is why Nares put her life on the line so we could escape!

[11:47] Arche

You said it.

[11:48] Chica

But we don't know where the Magus's Lair is located.

[11:53] Emero

And the Neural Road is blocked off.

[11:55] Emero

I don't think we can transfer.

[11:57] Dentro

There's just one path to follow.

[12:01] Aider

Go on and go, everyone.

[12:03] Beezer

We'll protect our lady's beloved Avrion.

[12:06] Ten

Okay. We're counting on you guys.

[12:10] Ten

Let's go, Gramps!

[12:13] Ten

Arche, that book in ancient script
that you're always reading...

[12:18] Arche

Oh, *The Three Angels*?

[12:21] Dentro

Tell me how the story goes.

[12:24] Arche

Um, sure.

[12:27] Arche

Once upon a time, there was a
world in which three angels lived.

[12:33] Arche

They were instructed by almighty
God to watch over its people.

[12:40] Arche

The angels loved the people of
this world with all their hearts

[12:44] Arche

and wished for their happiness.

[12:48] Arche

However...

[12:51] Arche

the people hated one another, and
conflict was always happening somewhere.

[12:57] Arche

The trio watched over
the situation sorrowfully.

[13:01] Arche

But then, one day, they learned the truth.

[13:05] Arche

That humans had been made by God for the
purpose of fighting amongst themselves,

[13:10] Arche

and the souls of the lost returned to God
to become divine nourishment.

[13:18] Arche

The enraged trio challenged God to battle.

[13:23] Arche

But God was very powerful, and the
angels stood virtually no chance.

[13:27] Arche

The three of them boarded
an ark and made their escape.

[13:32] Arche

On their voyage, they decided to search
for a place where they could live in peace.

[13:38] Arche

Then, after much time had passed,
they finally discovered it.

[13:44] Arche

The Expanse of Chaos, overflowing
with the magical power of Magia.

[13:48] Arche

They used that Magia to create a new world.

[13:53] Arche

An underworld where people and
monsters live in harmony—Felicidad.

[13:58] Arche

Thus were the three angels able to build
their paradise, free of conflict and sadness.

[14:06] Arche

And to this day, they watch
over us who live in their world.

[14:13] Arche

The end.

[14:16] Ten

A bird!

[14:18] Dentro

Oh, my.

[14:20] Dentro

That's not a bird. It's a Cuckoo-Doodle, see?

[14:23] child

Ten! You guys!

[14:25] child

Welcome home!

[14:26] Ten

Hey! But this bird...

[14:28] child A

That Cuckoo-Doodle was only just born.

[14:31] child B

It won't do a thing we say.

[14:34] Leii

Cuckoo-Doodle!

[14:37] Leii

Man...

[14:38] Dentro

Everyone, there's no telling
what will happen from here.

[14:42] Dentro

You need to evacuate again for a while.

[14:44] child C

Huh? What for?

[14:46] child D

Weren't we all going to get along now?

[14:48] Dentro

Better safe than sorry. That's all.

[14:54] child

The sky...

[14:55] child

What is that?

[14:57] Arche

Go on, hurry and evacuate.

[14:59] child A

What're you guys going to do?

[15:02] Ten

We're gonna go get rid
of the baddest bad guy!

[15:06] Ten

Wait here for us.

[15:16] Dentro

Down there is a Neural Road
that leads to the Magus's Lair.

[15:21] Lookie-Loo

Would you look at that?

[15:23] Dentro

It's a special build for my personal use.

[15:27] Chica

Mister Dentro, what don't we know about you?

[15:31] Dentro

The Three Angels...

[15:33] Dentro

As it turns out, that
story has a continuation.

[15:40] (Flashback) Eleonora

Look at this view!

[15:43] (Flashback) Eleonora

It's so beautiful.

[15:45] (Flashback) young Dentro

This is the world we've built.

[15:49] (Flashback) Diluculum

This isn't the end. It's only the beginning.

[15:53] (Flashback) Eleonora

That's right. And we've established
the Law of Recurrence.

[15:57] (Flashback) Eleonora

Now souls will move in a cycle,
allowing them to be reborn as new life.

[16:04] (Flashback) Eleonora

This world will continue on forever.

[16:07] (Flashback) young Dentre

Let's make more and more people and monsters.

[16:10] (Flashback) Diluculum

Let's make it a good world...

[16:13] (Flashback) Diluculum

This paradise of ours, Felicidad.

[16:18] Dentre

But one of the angels, Eleonora,

[16:22] Dentre

was stricken with divine punishment
in the battle with God.

[16:26] Chica

Divine punishment?

[16:28] Dentre

God's curse.

[16:30] Dentre

Because of that, her body
abruptly aged and withered.

[16:36] Dentre

Arche, the curse you received from Glaza
was a simplified form of that punishment.

[16:43] Arche

Huh?

[16:44] Dentre

To save Eleonora, her fellow angels looked
into every spell and remedy imaginable.

[16:50] Dentre

And then they came across
something that could do the trick.

[16:54] Dentre

And that... was "feeding."

[16:59] (Flashback) young Dentre

Taking another's soul in order to live?!

[17:02] (Flashback) young Dentre

That would make us no different from God!

[17:05] (Flashback) Diluculum

We have no choice.

[17:07] (Flashback) Diluculum

To save Eleonora... it's the only way.

[17:15] (Flashback) old Eleonora

I'm sorry.

[17:30] Dentre

Alas, feeding was not the solution.

[17:34] (Flashback) Diluculum

Please, Eleonora, you must feed once again!

[17:37] (Flashback) Diluculum

No, as many times as it takes!

[17:39] (Flashback) old Eleonora

Thank you, but no more.

[17:43] (Flashback) old Eleonora

Please, both of you...

[17:46] (Flashback) old Eleonora

Look after our paradise,
our peaceful Felicidad.

[17:51] (Flashback) Diluculum

Eleonora?

[17:53] (Flashback) Diluculum

Eleonora!

[18:05] (Flashback) young Dentre

What are you doing?

[18:06] (Flashback) young Dentre

No! Stop that!

[18:08] (Flashback) young Dentre

Diluculum!

[18:11] Chica

Diluculum?

[18:13] Dentre

He loved Eleonora dearly, you see.

[18:18] (Flashback) Diluculum

I'm going to exact vengeance on God

[18:21] (Flashback) Diluculum

with the help of Eleonora's soul inside me.

[18:27] (Flashback) Diluculum

You'll fight, too, won't you?

[18:30] (Flashback) young Dentre

Y-Yes.

[18:32] (Flashback) young Dentre

Of course.

[18:34] Dentre

But before long...

[18:38] (Flashback) young Dentre

What's wrong, Diluculum?!

[18:43] Chica

By feeding on Eleonora,
her divine punishment passed to him?

[18:48] Dentre

He fed on monsters again and again
in an effort to forestall the aging.

[18:54] Dentre

He created Farmagia and the Oración Seis

so there would be more monsters.

[18:59] Dentre

But even that wasn't enough to stop it,
so he came up with that super spell...

[19:06] Dentre

The Harvest Festival.

[19:17] (Flashback) young Dentre

What have you done?

[19:19] (Flashback) young Dentre

There weren't just monsters
living on that continent!

[19:22] (Flashback) young Dentre

There were many denizens, too, and you've...

[19:26] (Flashback) Diluculum

It worked well.

[19:28] (Flashback) Diluculum

Look. I have my original form back,
and now, more Magia than ever.

[19:33] (Flashback) Diluculum

I'll feed on every last life in this world.

[19:38] (Flashback) Diluculum

Then I'll obtain the power to kill God...

[19:42] (Flashback) Diluculum

as the Farmagia Hyperion!

[19:46] Arche

Revenge against God?

That's the reason for the Hyperion?

[19:51] Dentre

Diluculum was young again for a time,
but the aging resumed soon enough.

[19:57] Dentre

To stop it, he repeated the
Harvest Festival countless times.

[20:02] Dentre

Each time, he'd make a
continent and propagate monsters.

[20:06] Dentre

But every time he regained his youth,
the aging would happen faster.

[20:12] Dentre

It takes a great amount of Magia
to perform the Harvest Festival.

[20:17] Dentre

Diluculum lost the strength to even cast it.

[20:21] Dentre

It has been a long time since
the last Harvest Festival.

[20:24] Dentro

In that time, he's been putting things in place for his plan.

[20:29] Dentro

In order to gather many souls, he faked his death to incite this conflict.

[20:35] Dentro

I suppose he's also the one who taught L'Oreille the Harvest Festival.

[20:41] Dentro

Your births were probably part of the plan, too.

[20:47] Ten

Us?

[20:48] Dentro

That's right. He created you.

[20:52] Dentro

All to make the fighting more intense.

[20:55] Arche

We were created by the Magus...

[20:58] Dentro

You are not orphans.

[21:01] Dentro

You are beings devised by the Magus.

[21:05] Dentro

I had thought it strange

[21:08] Dentro

that so many children with your powers were born in the same era.

[21:15] Emero

You realized we were special and brought us to the orphanage?

[21:19] Dentro

I needed to guide you so you could make proper use of your powers.

[21:24] Chica

But Mister Dentro...

[21:26] Chica

Why take that upon yourself?

[21:29] Arche

The three angels...

[21:31] Arche

Eleonora, Diluculum...

[21:35] Arche

Don't tell me you're the third, Old Den!

[21:38] Ten

Huh? Gramps? An angel?

[21:41] Lookie-Loo

I can't see it.

[21:43] Leii

No, wait, that one time...

[21:47] Chica

Angel wings?

[21:50] Ten

Really?! Awesome!

[21:52] Ten

Show us your wings, Gramps! Your wings!

[21:53] Lookie-Loo

I wanna see!

[21:57] Chica

Looks like we've arrived.

[21:59] Leii

It's really here?

[22:01] Arche

We've got to hurry, before L'Oreille
casts another Harvest Festival!

[22:06] Dentre

No. With her Magia, once is her limit.

[22:12] Leii

The Neural Road...

[22:14] Lookie-Loo

Do I see it opening?

[22:15] Dentre

But I haven't done anything yet.

[22:19] L'Oreille

Rattle, rattle.

[22:21] L'Oreille

Now, maybe it's time you
satisfied this heart of mine.
