[00:01] ---

My name is Chibi Panda!

[00:04] ---

In order to make a new Mirage Card,
the Guru headed to the Mirage Shrine.

[00:09] ---

Gaito and Brutal started a Buddyfight match, and
Dra-gollum's Overkill put Gaito in a tough situation!

[00:14] ---

But Abygale unleashed his Overturn, which has
the power to force his opponent's turn to end!

[00:20] ---

It's just too amazing!

[00:22] ---

Sakate and Keisetsu are heading for the
Mirage Shrine, so we pursued them, but...

[00:26] ---

It's so foggy here that
we can't see clearly!

[02:03] ---

Stop!

[02:04] ---

The fog is so thick!

[02:06] ---

It's no good.
I can't see them.

[02:08] ---

What are we going to do?

[02:10] ---

I'm sure they're going to head
towards where the Guru is.

[02:12] ---

You mean the Mirage Shrine.

[02:14] ---

But with this fog, we have no way
of knowing which way to go.

[02:17] ---

Searching for them from the sky
is going to be difficult as well.

[02:20] ---

A pathetic fog like this...

[02:22] ---

My great power will blow it
all away, forest and all!

[02:27] ---

But aren't the Guru and our friends
somewhere in this forest?

[02:30] ---

This is bad!

[02:31] ---

Stop it! Stop it! Stop it!

[02:34] ---

Why did you stop me?

[02:35] ---

You were about to blow away
the Guru and our friends!

[02:38] ---

What's the deal with this forest?

[02:40] ---

I thought the old geezer
was supposed to be here.

[02:43] ---

And a bunch of pains in the
butt have followed us, too.

[02:46] ---

This isn't going to be a walk in the park.

[02:48] ---

I'm the one who's going to
crush that old geezer.

[02:51] ---

You just focus on keeping
the small fry occupied.

[02:53] ---

Huh?

[02:54] ---

You're the one who's been
holding us back all this time.

[02:57] ---

You really think you're up for this?

[02:59] ---

You brat.

[03:00] ---

If you get in my way,
you'll pay for it.

[03:02] ---

I'm not going to get in your way.

[03:05] ---

After all, you're only
going to trip yourself up.

[03:07] ---

What did you say?

[03:08] ---

Laevateinn!
Can you detect him?

[03:10] ---

Yes, my master.

[03:12] ---

I sense a massive surge of life
energy from this direction.

[03:16] ---

Well, I'm off!

[03:18] ---

That brat...

[03:19] ---

Kid Ibuki!

[03:21] ---

I can't stand that guy.

[03:23] ---

We can't let that kid
beat us to the punch.

[03:26] ---

But this is where I sense the old
man's life energy. Not over there.

[03:31] ---

What a dope.

[03:33] ---

Let's go!

[03:33] ---

Yeah.

[03:35] ---

Guru vs. Wisdom!
The shocking Geargod VIII!

[03:39] ---

How are we going to make
it to the Mirage Shrine?

[03:43] ---

About that...

[03:45] ---

I've been sensing the Guru's life energy for the last while.

[03:47] ---

Yeah! Me too.

[03:49] ---

That must be where the Mirage Card is being created.

[03:52] ---

All right. Then let's go!

[03:54] ---

Batzz. Abygale.

Athora. Guide us.

[03:57] ---

Which way should we go?

[03:59] ---

This way!

[04:00] ---

Huh?

[04:01] ---

Obviously, Abygale is correct.

[04:04] ---

Gaito...You're my Buddy, all right!

[04:06] ---

My Athora is right.

[04:08] ---

Kanata!

[04:10] ---

Gao! Aren't you going to say that I'm right?

[04:14] ---

Why is everyone pointing in a different direction?

[04:16] ---

Now we can't tell which way we should go.

[04:20] ---

It's no use wracking our brains over it here.

[04:22] ---

It's risky, but we should separate and each go in the direction we sensed the Guru.

[04:26] ---

Let's split up and search.

[04:27] ---

Yeah. We can't just

stand around like this.

[04:30] ---

Stir, stir, stir and stir.

[04:34] ---

Now, bring the remaining
dollar store items!

[04:37] ---

Is he really going to be able to make
a Mirage Card with all this stuff?

[04:40] ---

I'm starting to worry.

[04:42] ---

No need for concern!

[04:43] ---

Now hurry and give me those items!

[04:45] ---

Y-Yes sir.

[04:46] ---

First, a spool of thread.

[04:47] ---

A marker.

[04:48] ---

A screwdriver.

[04:49] ---

Drawing paper.

[04:50] ---

Thermometer.

[04:51] ---

And finally, some moist towlettes.

[04:53] ---

And finally, I'll use this to...

[04:55] ---

Stir and stir!

[04:57] ---

Whoa, he's really pumped up!

[04:59] ---

It looks like he might actually do it!

[05:02] ---

All right! The preliminary
preparations are complete.

[05:04] ---

That was just the prep work?

[05:06] ---

Now, I'm going to
get started for real.

[05:18] ---

Seiryu!

[05:19] ---

Suzaku!

[05:20] ---

Byakko!

[05:20] ---

Genbu!

[05:22] ---

I thought I'd try saying some
mystic-sounding things.

[05:25] ---

It seems...

[05:27] ---

Different than before.

[05:29] ---

What? So he's not over here?

[05:32] ---

Come on.

[05:35] ---

What's going on, Kid Ibuki?

[05:37] ---

I don't see the geezer anywhere!

[05:39] ---

That can't be!

[05:40] ---

I definitely sensed a massive
life energy surge here!

[05:43] ---

This way!

[05:44] ---

What a pain.

[05:45] ---

This makes no sense.

[05:46] ---

I'm sure that I sensed
Guru's energy, but...

[05:49] ---

I don't want to believe it, but perhaps it's
our destiny to wander lost in this forest.

[05:54] ---

N-No!

[05:55] ---

Probably...

[05:56] ---

Maybe...

[05:57] ---

Abygale.

[05:59] ---

Batzz. Are you sure
this is the right way?

[06:02] ---

The great Batzz is never wrong!

[06:04] ---

Stop fussing and follow me!

[06:06] ---

Hey! Could that be?

[06:08] ---

You see?

Just like I told you.

[06:13] ---

That's the Mirage Shrine...

[06:17] ---

E-Everybody makes mistakes...

[06:19] ---

Big Boss, you're so reliable.

[06:22] ---

We can all tell you're
doing your best!

[06:24] ---

I think of that as the shrine of my heart.

[06:27] ---

Stop patronizing me!

[06:32] ---

Where the heck is Bunbuku?

[06:35] ---

This isn't funny anymore.

[06:37] ---

Athora, it's a dead end.

[06:38] ---

It can't be...

[06:40] ---

Was I wrong?

[06:43] ---

Kanata Ozora...

[06:48] ---

Guru!

[06:49] ---

If you use that much life energy...

[06:52] ---

Now for the finishing touch!

[07:01] ---

That light is...

[07:01] ---

A dragon?

[07:02] ---

Great dragon!

[07:03] ---

Gather at the sacred flame and
devour the soul that lies within!

[07:07] ---

Become wings that grant
limitless possibilities!

[07:12] ---

I think that might be...

[07:14] ---

The dragon that was on
the Mirage Card's seal!

[07:18] ---

Now appear!

[07:20] ---

Mirage Card!

[07:26] ---

It is complete.

[07:27] ---

There's no mistaking it!

[07:28] ---

It's a Mirage Card!

[07:29] ---

He made it for real?

[07:31] ---

Oh my, that was draining.

[07:34] ---

Guru! You're pushing
yourself too hard, poko!

[07:39] ---

Well, what do you think?

[07:40] ---

Amazing! You're amazing, Guru!

[07:45] ---

Guru!

[07:46] ---

Hold on, poko!

[07:48] ---

Oh... there's no call for alarm...

[07:50] ---

I just lost my footing, that's all.

[07:52] ---

What happened?

[07:53] ---

Are you all right?

[07:55] ---

He used his own life energy to make the Mirage Card,

shortening his own lifespan in the process, poko!

[08:00] ---

Guru, why didn't you tell
us this would happen?

[08:05] ---

If I collapse here, this will
all have been pointless.

[08:09] ---

A major annoyance has
just arrived, after all.

[08:14] ---

Target confirmed.

[08:21] ---

It's like a maze.

[08:24] ---

Look out!

[08:25] ---

Athora!

[08:29] ---

So you noticed me.

[08:30] ---

That's what I hate about monsters.

[08:34] ---

Keisetsu. It's you,
just as I thought.

[08:37] ---

It's been a while!

[08:39] ---

You remembered me!
That makes me so happy.

[08:41] ---

We haven't seen each other since
the final match of that tournament.

[08:44] ---

I never expected to find you
working as Wisdom's underling.

[08:47] ---

Why?

[08:48] ---

It's none of your business.

[08:54] ---

What?

[08:57] ---

Oh no!

[08:58] ---

Keisetsu!

[08:58] ---

Wait!

[08:59] ---

That's...

[09:00] ---

Geargod VII?

[09:01] ---

What's Master Wisdom doing here?

[09:03] ---

In any case, let's hurry!

[09:04] ---

Yeah!

[09:05] ---

You've got business with me, I take it.

[09:07] ---

What do you want?

[09:09] ---

Hall of fame fighter Bunbuku.

[09:13] ---

This world no longer has
a need for a Mirage Card.

[09:16] ---

What I choose to do and where I choose
to do it is none of your business.

[09:20] ---

I don't think you have any
call to tell me what to do.

[09:23] ---

That's right, poko!

[09:24] ---

Why don't you hand it over.

[09:26] ---

I will dispose of the Mirage Card.

[09:28] ---

If you do this, we of the Chaos Control
Company will not lay a finger on you.

[09:32] ---

Look at you, spoiling an old man's fun.

[09:35] ---

Besides, if you hadn't ruined the Mirage Card in the
first place, I wouldn't have had to make this again.

[09:43] ---

How unexpected.

[09:45] ---

By obtaining it, I was able to upgrade it into
the most beautiful and sublime Flag card.

[09:51] ---

I wanted to give a great gift to

those who love Buddyfight.

[09:56] ---

I was looking forward to seeing what miracle would be created by the fighter who earned this card.

[10:01] ---

I'll never let you get your hands on this again!

[10:05] ---

Then you will learn for yourself how this has transformed into the greatest Flag card in all of history.

[10:14] ---

I was afraid of this...

[10:16] ---

I hope you understand, Giant Tanuki...

[10:18] ---

Of course, poko.

[10:19] ---

I'm your Buddy, poko!

[10:21] ---

Guru! You're being reckless!

[10:23] ---

That's right! You can't Buddyfight in your condition.

[10:25] ---

Young scamps. Back off!

[10:31] ---

Master Wisdom! Um...

[10:32] ---

You lot back off too.

[10:35] ---

Oh boy, this is bad...

[10:37] ---

Well, I'm going to get off lightly compared to you and your multiple failures.

[10:40] ---

Perhaps I'll get serious for the first time in a long while.

[10:47] ---

Guru!

[10:52] ---

Now, let's get things started already!

[10:56] ---

What?

[11:00] ---

Guess it's time to show you!

[11:02] ---

The friendship between
the Divine and Earth!

[11:04] ---

Luminize!

[11:05] ---

Gehenna or Nirvana!

[11:08] ---

All who have been
guided by the Chaos!

[11:10] ---

Humans. Dragons.
Deities. Obey me!

[11:14] ---

Luminize, Ruler of Havoc!

[11:23] ---

Wisdom!

[11:24] ---

So that scum showed up after all!

[11:26] ---

Raise the flag!

[11:29] ---

The Chaos!

[11:31] ---

Searing Executioners!

[11:33] ---

Searing Executioners?

[11:35] ---

It's not his usual
Divine Guardians flag!

[11:37] ---

Baku. Noboru. What's going on?

[11:40] ---

The Mirage Card is finished.

[11:42] ---

But the Guru seriously
shortened his life to do it.

[11:46] ---

The truth is, he's not in any
condition to be in a Buddyfight.

[11:49] ---

What did you say?

[11:50] ---

Gao.

[11:51] ---

Guru!

[11:53] ---

Watch closely.

[11:58] ---

I've never seen the Guru like this before.

[12:00] ---

While the Divine Guardians flag lets him start at 12 life, Searing Executioners starts with 8 life.

[12:06] ---

In exchange, he has 4 gauge cards, but...

[12:08] ---

With Wisdom as his opponent, can he really survive with so few life points?

[12:11] ---

The Guru will win.

[12:13] ---

He's not going to lose to the likes of Wisdom!

[12:17] ---

I have the first move.

[12:19] ---

Charge and draw.

[12:21] ---

I set Gate of Verdict, - Judgment -.

[12:23] ---

Activate ability!

[12:24] ---

I send two cards from my deck into the drop zone and increase my gauge by 1.

[12:30] ---

I go on to cast Damian's Decision!

[12:33] ---

I increase my gauge by 1 and draw one card!

[12:36] ---

The cards in his drop zone and his gauge are piling up!

[12:39] ---

A Searing Executioners deck becomes more powerful as more and more cards go into the drop zone.

[12:43] ---

I call to the center.

[12:45] ---

Impartial Dragon, Monochrome Dragon.

[12:47] ---

Standing by for attack.

[12:49] ---

Monochrome Dragon.

Attack the fighter!

[12:52] ---

Take this!

[12:55] ---

My turn is over.

[12:57] ---

Guru! I knew it!

You can't do it, poko!

[13:00] ---

Do not fear, Giant Tanuki.

[13:02] ---

Now, it's your turn!

[13:05] ---

Guru...

[13:07] ---

Are you going to be okay?

[13:09] ---

His life energy signal is quite weak.

[13:12] ---

Did he truly shorten his life?

[13:14] ---

My turn.

[13:15] ---

Draw.

[13:16] ---

Charge and draw!

[13:21] ---

I Buddy call Ruler of CHAOS,

Geargod VII to the center.

[13:25] ---

Geargod VII has the
ability CHAOS Territory.

[13:29] ---

I can call a second
monster to the center.

[13:35] ---

I call CHAOS Brute to the center.

[13:38] ---

Two monsters in the center!

[13:40] ---

Geargod VII is truly a
troublesome opponent.

[13:43] ---

I call to the left! CHAOS Osiris!

[13:46] ---

Due to the effect, my gauge
increases by 1 and I draw a card.

[13:50] ---

And I activate Geargod VII's ability.

[13:53] ---

When my Attack phase begins, I can call
CHAOS Azrael from my hand cards at no cost.

[13:57] ---

You have become Chaos Monsters
and been robbed of your minds...

[14:02] ---

I'm sure you don't want to be
his puppets a moment longer.

[14:05] ---

I shall do my best to
correct the situation!

[14:07] ---

Osiris. Dispose of
Monochrome Dragon!

[14:14] ---

Azrael. Attack the fighter.

[14:21] ---

Brute. Follow him!

[14:22] ---

I cast! Helles Shield,
the shield of the abyss!

[14:26] ---

Your struggles are useless!

[14:28] ---

Geargod VII!
Attack the fighter!

[14:30] ---

Yes. Wisdom.

[14:38] ---

Guru!

[14:40] ---

Are you all right, poko?

[14:41] ---

I told you not to fear.

[14:44] ---

I'm just warming up!

[14:47] ---

My turn!

[14:48] ---

Bunbuku Draw!

[14:50] ---

Charge and draw!

[14:55] ---

Bunbuku.

[14:56] ---

Why do you work so hard
to oppose my clan?

[14:59] ---

If you want to know why, ask your Buddy!

[15:02] ---

That is my answer!

[15:03] ---

I cast! Demon Way, Akeshigure!

[15:05] ---

I send two cards from my deck to
the drop zone, and draw two cards!

[15:09] ---

To the right and left, I call
Impartial Knight, Justlaw!

[15:13] ---

Prepare yourself!

[15:15] ---

I Buddy call my BFF,
Giant Tanuki to the center!

[15:19] ---

I'll give it my all, poko!

[15:22] ---

Pom-poko!

[15:23] ---

I'll finish you quickly,
for the Guru's sake!

[15:26] ---

I activate Justlaw's ability.

[15:29] ---

If I have more than 10 cards in my drop zone,
I can destroy one of my opponent's monsters.

[15:33] ---

Do as you wish.

[15:35] ---

Are you sure?

[15:36] ---

I've got two Justlaws.

[15:38] ---

Their ability is different from when he
used the Divine Guardians flag!

[15:42] ---

Then I'll be destroying Azrael and Brute.

[15:46] ---

Destruction!

[15:48] ---

I activate Judgment's ability.

[15:50] ---

I send two more cards from my deck to the drop zone, and increase my gauge by 1.

[15:54] ---

And I activate its second ability!

[15:56] ---

By paying 3 gauge, I can add Helles Shield from the drop zone to my hand cards.

[16:01] ---

No matter what you do, as long as Geargod VII is on the field, my victory is assured.

[16:07] ---

I equip Impartial Cane, Fabulous Rod.

[16:10] ---

I grant Double Attack to Giant Tanuki!

[16:12] ---

Wisdom, prepare to meet your fate!

[16:15] ---

Giant Tanuki, attack Geargod VII!

[16:18] ---

I'm ready to go, poko!

[16:20] ---

Due to Giant Tanuki's effect, Justlaw's critical increases by 1, and I regain 1 life!

[16:26] ---

And I have Penetrate too, poko!

[16:29] ---

Geargod VII's ability, activate.

[16:31] ---

Use Osiris on the left as your shield.

[16:34] ---

Yes. Wisdom.

[16:35] ---

CHAOS Drain.

[16:37] ---

If the center is destroyed...

[16:39] ---

You'll take Penetrate damage!

[16:44] ---

Giant Tanuki! Double Attack on Geargod VII!

[16:47] ---

And due to the effect, I regain 1 life.

[16:49] ---

Giant Tanuki Rolling Cross Chop!

[16:59] ---

Now take this Penetrate Damage!

[17:06] ---

He destroyed Geargod VII!

[17:08] ---

That's the Guru for you!

[17:09] ---

He's down to 5 life.

He's practically defenseless!

[17:12] ---

Due to Giant Tanuki's effect, the Justlaw
on the right and left have a critical of 3!

[17:17] ---

If their attacks land, the Guru can win!

[17:22] ---

It seems it's not quite over yet.

[17:25] ---

When the center monster is destroyed, a Deity
of Havoc grown even more powerful will appear.

[17:33] ---

I call to the center.

[17:35] ---

Proto Chaos Machina, Geargod VIII.

[17:38] ---

Size 30!

[17:40] ---

50000 power, 6000 defense,
and a critical of 2!

[17:44] ---

Geargod VIII, with Penetrate ability!

[17:48] ---

What?

[17:49] ---

Did he say Geargod VIII?

[17:51] ---

Also, due to the effect, I can call one monster
from the drop zone to the center at no cost.

[17:58] ---

CHAOS Brute!

[18:00] ---

Amazing...

[18:01] ---

That's Master Wisdom for you.

[18:03] ---

Behold, Bunbuku.

[18:06] ---

My faithful servant, and the total ruler
of CHAOS, worthy of upgrading this world!

[18:15] ---

All I see is a piteous monster.

[18:19] ---

I will control those ugly monsters and lead the world towards beauty, balance, and perfection.

[18:25] ---

Everything I do is for this sublime goal!

[18:28] ---

That sounds like a boring world.

[18:30] ---

What you describe isn't to my taste.

[18:32] ---

I really enjoy those scamps. I felt my heart race for the first time in a long while.

[18:38] ---

These humans who love Buddyfight, and those monsters that you look down upon and call ugly...

[18:43] ---

They connect their hearts,
and mature day by day.

[18:46] ---

That's the world that I like.

[18:49] ---

Although I wouldn't
expect you to understand.

[18:52] ---

How foolish.

[18:56] ---

Guru!

[18:57] ---

We're out of time, poko!

[18:59] ---

What's that?

[19:00] ---

Justlaws! Attack Geargod VIII!

[19:05] ---

Their attack isn't high enough!

[19:07] ---

But if they attack, Giant Tanuki's ability
will activate and his gauge will increase!

[19:11] ---

And with that, my turn is over.

[19:13] ---

No matter what futile resistance you
present, it will have no effect on me.

[19:18] ---

My turn.

[19:19] ---

Draw. Charge and draw.

[19:24] ---

To the left, I call Osiris.

[19:26] ---

Due to his effect, my gauge
increases by 1, and I draw a card.

[19:29] ---

To the right, I call Azrael!

[19:31] ---

Geargod VIII.
Attack Giant Tanuki!

[19:35] ---

Yes. Wisdom.

[19:37] ---

Target: Giant Tanuki.

[19:40] ---

Attack.

[19:42] ---

I cast!

[19:43] ---

Helles Shield, the shield of the abyss!

[19:45] ---

I nullify the attack and
you receive 1 damage!

[19:49] ---

Osiris! Dispose of Giant Tanuki!

[19:53] ---

Poko!

[19:55] ---

Revive with Soulguard!

[19:58] ---

I won't let you lay a hand
on the Guru, pokoko!

[20:00] ---

Azrael! This time, dispose
of Giant Tanuki for certain!

[20:07] ---

Even if I fall, you villains
won't get your way, pokoko!

[20:13] ---

Giant Tanuki!

[20:14] ---

He's been destroyed!

[20:15] ---

Brute! Attack Bunbuku!

[20:20] ---

I cast! Shadow Crusader!

[20:23] ---

I reduce the damage by 3!

[20:25] ---

He survived!

[20:26] ---

All right! Now it's Guru's turn.

[20:29] ---

I cast.

[20:30] ---

A Ruler's Privilege!

[20:32] ---

Geargod VIII is now able
to attack one more time.

[20:36] ---

As I thought, he had it in his hand.

[20:39] ---

Geargod VIII.
Dispose of the fighter.

[20:42] ---

Yes. Wisdom.

[20:44] ---

Target: Bunbuku.

[20:47] ---

Attack.

[20:55] ---

Guru!

[20:58] ---

What's happening?

[20:59] ---

Things are looking really dicey.

[21:02] ---

Geargod VIII.
Dispose of the Mirage Card.

[21:05] ---

Yes. Wisdom.

[21:07] ---

Target: Mirage Card.

[21:15] ---

What is that?

[21:17] ---

What could this be?

[21:19] ---

The shrine itself is
overflowing with rage.

[21:21] ---

This has always been a sacred place.

[21:24] ---

Conflict of any kind is forbidden here.

[21:27] ---

Even if it's a Buddyfight.

[21:31] ---

So that was your aim all along!

It seems this is it for me.

[21:36] ---

Geargod VIII. Retreat!

[21:38] ---

Yes. Wisdom.

[21:46] ---

I'm not getting left behind!

[21:47] ---

Kid Ibuki!

[21:48] ---

Whoa!

[21:54] ---

Guru!

[21:55] ---

Don't come any closer!

[21:56] ---

Take this!

[21:59] ---

Batzz. You must protect Gao.

[22:01] ---

S-Sure!

[22:02] ---

Huh?

[22:04] ---

Batzz, stop it!

Let go of me!

[22:05] ---

Athora! The Guru...

[22:07] ---

We can't save him!

[22:11] ---

Guru!

[22:12] ---

Giant Tanuki!

Why did you stay here?

[22:15] ---

We're united in body and soul, poko.

[22:17] ---

We're BFFs forever, poko!

[22:19] ---

Then I can't afford to give
up the ghost here...

[22:34] ---

Guru!

[22:41] ---

This is today's most powerful card!

[22:43] ---

Proto Chaos Machina, Geargod VIII!

[22:46] ---

You can call this evolved Geargod form
when your center monster is destroyed.

[22:52] ---

And you can call one Chaos monster
from your drop zone at no cost!

[22:57] ---

Now, today we're going to do
Buddy Rock Paper Scissors again!

[23:00] ---

Batzz, I'm counting on you!

[23:02] ---

Buddy Rock Paper Scissors!
Rock Paper Scissors...

[23:05] ---

Go!

[23:06] ---

If you put the scissor blades
together, it's an upgrade.

[24:40] ---

The Guru used his own life
to create this Mirage Card.

[24:43] ---

I'm going to protect it from Wisdom,
no matter what it takes!

[24:45] ---

To do that, I'm going to
become even stronger!

[24:48] ---

Batzz, help me!

[24:49] ---

Next episode: Assemble!
Thunder Empire!
