[00:01] ---

You said you had an important announcement.
What is the subject matter?

[00:04] ---

Please, tell us! Chief Executive Wisdom!

[00:07] ---

My Chaos Control Company has
purchased Grimoire Park.

[00:13] ---

From this day forward, I am the
Chief Executive Officer of this park.

[00:18] ---

I have made Grimoire take responsibility
for the issues with the Buddy Checker app.

[00:24] ---

He is suspended without pay.

[00:26] ---

The monsters who were affected by the app
will be treated by the Chaos Control Company.

[00:30] ---

Specifically, an antivirus app will be
developed, and distributed for free.

[00:34] ---

What do you all think?

[00:36] ---

Something about him seems a little
different from the Wisdom that we know.

[00:40] ---

You're right.

[00:41] ---

I feel the same way.

[00:42] ---

But he certainly looks like Wisdom.

[00:45] ---

Maybe it's another one
of Sakate's disguises.

[00:49] ---

That's not possible.

[00:51] ---

Why do you say that?

[00:52] ---

I'm not even getting the faintest
trace of Sakate's scent from him.

[00:55] ---

Big Boss! You were using scent to
see through Sakate's disguises?

[00:59] ---

I never knew that!

[01:00] ---

Batzz is really good at smelling, huh.

[01:02] ---

He's like a dog.

[01:04] ---

If Batzz says it, there's no mistake.

[01:07] ---

But I wonder why he's
giving off a different vibe.

[01:10] ---

As far as the world knows, Wisdom is the
CEO of a corporation spanning the globe.

[01:15] ---

We've seen his true self. That must be
the face that he presents to the public.

[01:22] ---

The press conference is now finished.

[01:24] ---

Please, wait!

[01:25] ---

We have more questions!

[01:26] ---

Answer us!

[01:28] ---

Don't ignore us!

[01:28] ---

Hey! Let us through!

[01:31] ---

What are we gonna do, Gao?

[01:32] ---

There's nothing we can

do here. Let's regroup.

[01:34] ---

What did you say?

[01:35] ---

We can't do anything until the anti-virus app is distributed.

[01:39] ---

Kanata, are you okay with this?

[01:41] ---

I'm not thrilled... but I think I'll have other opportunities to face Keisetsu.

[01:45] ---

At the very least, we know that Wisdom is here.

[01:48] ---

I agree with Gao.

[01:50] ---

Let's get out of here, quickly.

[01:52] ---

It seems today was not our day of destiny.

[03:26] ---

Next, we have a special report on Grimoire Park.

[03:29] ---

We begin with the press conference that Chief Executive Officer Wisdom held today.

[03:34] ---

My Chaos Control Company has purchased Grimoire Park.

[03:39] ---

From this day forward, I am the Chief Executive Officer of this park.

[03:44] ---

I have made Grimoire take responsibility...

[03:46] ---

So you're going to prepare for a one-in-a-thousand chance...

[03:48] ---

And include that card in your deck again.

[03:52] ---

Abygale.

[03:53] ---

No matter what cruel destiny may befall us, I will never give up on victory.

[03:59] ---

That's so like you, Gaito.

[04:02] ---

Then, you're not changing your policy regarding the use of monsters and their life energy?

[04:08] ---

That is correct.

[04:09] ---

Currently, in order to make use of this life energy...

[04:13] ---

We must absorb the energy directly from the monsters. That is the only way.

[04:18] ---

However, in the future we hope to adapt clone technology to develop living batteries.

[04:25] ---

Living batteries?

[04:29] ---

They're going to turn living beings... into batteries?!

[04:34] ---

Clone technology, huh...

[04:37] ---

What's wrong?

[04:38] ---

Curse that Wisdom.

[04:40] ---

Is this what he was planning all along?

[04:43] ---

I won't accept this.

[04:45] ---

I'll never accept this!

[04:48] ---

Gaito...

[04:51] ---

Gaito versus artificial intelligence!
Explosion of the Mini Geargods!

[04:56] ---

Due to the free distribution of the anti-virus app,

[04:58] ---

the monsters who were exhibiting abnormal behavior are returning to normal.

[05:02] ---

Talk about fishy.

[05:04] ---

You think so too, Batzz?

[05:06] ---

First, Grimoire uses that Buddy Checker

to make all the monsters sick...

[05:11] ---

And then Wisdom develops an anti-virus app and offers it as a cure.

[05:16] ---

Which makes Wisdom look like a great hero and savior who saved everyone.

[05:19] ---

All according to their plan.

[05:21] ---

But that's cheating!

[05:23] ---

That's right. It's cheating.

[05:25] ---

Then we've got to...!

[05:26] ---

Right now, no matter what we say, nobody will listen.

[05:31] ---

Who's calling?

[05:33] ---

It's Gaito.

[05:36] ---

You're going to infiltrate Grimoire Park?

[05:39] ---

I won't let Wisdom do whatever he wants.

[05:41] ---

I'm serious.

[05:43] ---

If you don't want to come, I'll go together with Abygale.

[05:46] ---

No, we'll go with you.

[05:48] ---

Now that you mention it, the change in management means that Grimoire Park is currently closed.

[05:55] ---

Their grand re-opening is in three days, so we still have time.

[05:58] ---

We can't afford to waste time.

[06:01] ---

Even as we talk, they might be exploiting the life energy of captured monsters.

[06:08] ---

What's wrong? It seems like you're not really enthusiastic about this.

[06:12] ---

No, it's not that...

[06:14] ---

If there aren't any park visitors,
we don't need to sneak around to get in.

[06:18] ---

Let's charge in with a frontal assault!

[06:24] ---

Hey! Wait! Batzz!

[06:25] ---

We're going too!

[06:27] ---

Right!

[06:43] ---

All right!

[06:44] ---

We're going to charge into
Grimoire Park all together!

[06:46] ---

Wait, Batzz!

[06:48] ---

Something's coming towards us!

[06:49] ---

Huh?

[06:51] ---

What are those?

[06:53] ---

Geargods?

[06:54] ---

No, look closer. They're the wrong size.

[06:57] ---

They're way smaller than Wisdom's Buddy!

[07:00] ---

Target, Thunder Emperor Dragon Barlbazz.

[07:03] ---

Commence attack!

[07:07] ---

Those wimpy attacks...
Don't affect me!

[07:11] ---

Take this!

[07:13] ---

And this, and this!

[07:20] ---

These guys are so weak!

[07:24] ---

Hey! Get away from me!

[07:25] ---

Let go!

[07:26] ---

You fleas!

[07:27] ---

Batzz! Get out of there!

[07:29] ---

It can't be...

[07:30] ---

Gear Crash, booting up.

[07:35] ---

Batzz!

[07:40] ---

Batzz!

[07:41] ---

Hold on!

[07:43] ---

That was awful.

[07:45] ---

Are you okay, Big Boss?

[07:47] ---

Yeah, I'm not seriously injured.

[07:49] ---

I didn't expect them to self-destruct.

[08:00] ---

What's with the cheerful music?

[08:02] ---

Something's coming this way!

[08:05] ---

Wh-What's that?

[08:07] ---

A paper-mache Batzz?

[08:09] ---

Is a parade about to start?

[08:10] ---

Even though there aren't
any park visitors?

[08:14] ---

There are parade floats of us too?

[08:15] ---

What's this all about?

[08:17] ---

I sense a dark destiny ahead.

[08:19] ---

Everyone! Don't let down your guard.

[08:30] ---

They were holograms?

[08:33] ---

This is bad. We're surrounded!

[08:36] ---

I'll just destroy them again.

[08:38] ---

No! If you do that, they'll
just self-destruct again.

[08:42] ---

Then everybody here will be
caught in the explosion!

[08:44] ---

Dammit! These are some
seriously annoying monsters.

[08:47] ---

They are not monsters.

[08:50] ---

The Mini Gargods were created by copying the parts of
my Buddy, Gargod, and installing artificial intelligence.

[08:54] ---

They're clone machines.

[08:58] ---

Wisdom!

[08:59] ---

I bet this is a hologram too.

[09:01] ---

You!

[09:02] ---

What are you planning on doing with the monsters
that you kidnapped from the different worlds?

[09:06] ---

I'll leave that to your imagination.

[09:09] ---

You scum!

[09:11] ---

Where are you right now?

[09:13] ---

We came to see you!

[09:15] ---

Very well. I will grant your request,
if you accept my conditions.

[09:21] ---

Conditions?

[09:24] ---

Face my Mini Gargods in
a Buddyfight, and win.

[09:28] ---

Are you kidding me?

[09:29] ---

Fight your own fights!

[09:31] ---

Batzz.

[09:32] ---

Right now, we have to do as he says.

[09:34] ---

What?

[09:36] ---

I'll do it.

[09:38] ---

Gaito?

[09:39] ---

I won't forgive those who
toy with living creatures!

[09:43] ---

Wisdom!

[09:44] ---

You've made me very angry!

[09:49] ---

Wherever there are Buddyfights,
you'll find me, Paruko Nanana!

[09:52] ---

This time, we've got an unusual showdown!

[09:54] ---

Gaito Kurouzu's opponent is...

[09:56] ---

Believe it or not, Mini Geargod!

[09:58] ---

It's a Buddyfight between
humans and artificial intelligence!

[10:01] ---

There's no way to predict what
this Buddyfight will be like!

[10:04] ---

Code Proto Geargod booting up.

[10:08] ---

Luminize, Unlimited Gear.

[10:11] ---

I will decide your destiny.

[10:19] ---

Luminize! Decimating Black Dragon!

[10:22] ---

Looks like Mini Geargod is
going to act as the fighter.

[10:25] ---

This sure is a weird sight.

[10:27] ---

His opponent is an artificial intelligence, after all.

[10:30] ---

Buddy...fight!

[10:32] ---

Raise the flag.

[10:34] ---

The Chaos.

[10:37] ---

Darkness Dragon World.

[10:40] ---

First move goes to Mini Geargod!

[10:42] ---

Charge and draw.

[10:45] ---

I call to the center, Mini Geargod Yellow.

[10:50] ---

Yellow.

[10:51] ---

It looks the same,
but in a different color.

[10:54] ---

Talk about creepy.

[10:55] ---

Yellow's ability, activate.

[10:57] ---

I pay 1 life and add one spell card
from my deck to my hand cards.

[11:03] ---

I cast and set the spell
Mini Geargods Factory.

[11:06] ---

Yellow. Attack the fighter.

[11:08] ---

Yellow!

[11:12] ---

Code: Gear Crash, booting up!

[11:18] ---

What is he planning on doing?

[11:20] ---

Gauge Crash.

[11:22] ---

Whoa! Gaito Kurouzu's gauge
was destroyed in the explosion!

[11:28] ---

What an awful way to Buddyfight!

[11:30] ---

It makes me sick to my stomach.

[11:31] ---

My turn is over.

[11:33] ---

Probability of victory: 62.5 %

[11:37] ---

Ridiculous!

[11:39] ---

Don't think everything will go
according to your plans!

[11:42] ---

Gaito. Calm down.

[11:44] ---

Draw!

[11:46] ---

Charge...

[11:47] ---

And draw!

[11:49] ---

The black crest will guide me to victory.

[11:52] ---

I equip!

[11:53] ---

Black Crest, Gale Emblem.

[11:57] ---

I call to the center.

[11:58] ---

Black Crest Dragon, Earlbow.

[12:00] ---

I steal all that shines.

[12:03] ---

I call to the right!

[12:04] ---

Black Crest Dragon, Ladyzie!

[12:06] ---

I put my life in the
hands of my lord Gaito.

[12:09] ---

Earlbow! Attack the fighter.

[12:11] ---

Rainbow Wings.

[12:14] ---

Follow him, Ladyzie!

[12:18] ---

Blades of glory!

[12:20] ---

Final Phase!

[12:23] ---

I cast!

[12:27] ---

Impact.

[12:30] ---

Death Count Requiem!

[12:33] ---

These are the flames of your destiny.

[12:36] ---

My turn is over.

[12:38] ---

Mini Geargods Factory's ability, activate.

[12:43] ---

Unbelievable! This set spell
activates at the beginning of the turn!

[12:47] ---

What ability does it have?

[12:50] ---

I send three cards from
my deck to the drop zone.

[12:53] ---

If any of them contain the words "Mini Geargod",
I add them to my hand cards.

[12:58] ---

Then he'll never run out of hand cards!

[13:00] ---

But Gaito has Death Count
Requiem on his side.

[13:03] ---

But can he survive that long?

[13:05] ---

Draw. Charge and draw.

[13:09] ---

I call Mini Geargod Red to the center.

[13:13] ---

Red!

[13:13] ---

Red's ability, activate.

[13:15] ---

Code: Gear Crash, boot up!

[13:17] ---

Pay 1 gauge! Item Crash!

[13:21] ---

Gaito. Are you all right?

[13:24] ---

Yeah. I didn't take any damage.

[13:26] ---

But Gale Emblem was destroyed.

[13:29] ---

What?

[13:30] ---

Red Crash.

[13:33] ---

It self-destructed!

[13:35] ---

So these guys are disposable, huh?

[13:38] ---

I Buddy call Mini Geargod
Purple to the center.

[13:41] ---

Purple's ability, activate.

[13:43] ---

Code: Gear Crash, boot up.

[13:45] ---

Pay 1 gauge. Set Crash.

[13:50] ---

Not Death Count Requiem!

[13:56] ---

Impossible!

[13:59] ---

This can't be happening.

[14:00] ---

They can destroy impacts as well as items?

[14:02] ---

More importantly, how will he fight
without Death Count Requiem?

[14:06] ---

U-U-Unbelievable!

[14:07] ---

Mini Geargod has four
monsters on its field!

[14:10] ---

Red and Purple in the center, Blue
on the right, and Green on the left!

[14:14] ---

All four colors at once!

[14:16] ---

Two monsters in the center?

[14:19] ---

CHAOS Territory...

[14:21] ---

So it can use that ability too.

[14:23] ---

The same ability as the original Geargod!

[14:27] ---

Green, attack Earlbow.

[14:29] ---

Green! Attack!

[14:32] ---

Earlbow!

[14:34] ---

Code: Gear Crash, booting up!

[14:36] ---

2 effect damage when
a monster is destroyed!

[14:39] ---

What?

[14:46] ---

Are you all right, Gaito?

[14:48] ---

It's no big deal.

[14:50] ---

Due to Earlbow's effect,
I gain 1 life and 1 gauge.

[14:53] ---

Blue! Attack the fighter!

[14:55] ---

Blue Attack!

[14:57] ---

I cast!

[14:57] ---

Black Cloth Blade!

[15:00] ---

Thanks to Gaito Kurouzu's counter spell,
Blue's attack is nullified!

[15:03] ---

And he destroys one card
from his opponent's deck!

[15:06] ---

Red. Attack the fighter.

[15:09] ---

Red Attack!

[15:12] ---

Purple. Attack the fighter.

[15:18] ---

Gaito...

[15:19] ---

I told you not to worry!

[15:22] ---

My turn is over.

[15:23] ---

Probability of victory: 91.2%

[15:26] ---

Gaito only has 1 life left!

[15:29] ---

He's in major trouble!

[15:31] ---

Shut up!

[15:31] ---

Try to keep your cool.

[15:33] ---

It's true that Gaito is
acting strangely today.

[15:36] ---

I guess going up against an artificial
intelligence is throwing him off his game.

[15:41] ---

I'm sure that's part of it, but...

[15:42] ---

I'm sure that Gaito must have his reasons.

[15:47] ---

My turn.

[15:48] ---

Gaito.

[15:49] ---

Draw!

[15:51] ---

Gaito!

[15:51] ---

Charge and draw!

[15:53] ---

Gaito!

[15:55] ---

Calm yourself.

[15:56] ---

This isn't like you!

[15:59] ---

I'm not about to let them
create living batteries!

[16:02] ---

This is because I'm a monster created
through clone technology, isn't it.

[16:10] ---

What does that mean?

[16:11] ---

It means that Abygale is an
artificial monster, created by humans.

[16:16] ---

But... is that even possible?

[16:19] ---

Well, what's the story? Gao?

[16:24] ---

So it's true.

[16:26] ---

It's true that when I first learned
the truth, I was filled with sadness.

[16:31] ---

But I've long since gotten over it.

[16:35] ---

Gaito.

[16:37] ---

It was all thanks to you.

[16:39] ---

Abygale...

[16:41] ---

Now, I even feel gratitude towards
the person who created me.

[16:45] ---

Because I was born into this world,
I was able to become your Buddy.

[16:50] ---

So cast aside your needless rage.

[16:53] ---

Regain your true self!

[16:57] ---

Yes, no matter what destiny befalls you,
you never give up on victory.

[17:02] ---

That is who you are, Gaito Kurouzu...

[17:05] ---

My Buddy.

[17:09] ---

That's right...

[17:10] ---

Even if I don't have
Death Count Requiem...

[17:12] ---

It's my destiny to win!

[17:14] ---

I cast!

[17:16] ---

Jet Black Wind!

[17:18] ---

A-A-Amazing! Gaito Kurouzu has destroyed

all three Mini Geargods with one spell!

[17:24] ---

That's our Gaito!

[17:25] ---

I knew he could do it if he tried.

[17:27] ---

I cast! Devil Stigma!

[17:30] ---

It is the highest honor for a black
dragon to perish on the battlefield!

[17:34] ---

Devil Stigma's effect! My gauge
increases by 2 and I regain 1 life!

[17:38] ---

And due to Ladyzie's effect,
I draw one card!

[17:41] ---

I call Black Wind Blade,
Devos to the right!

[17:45] ---

Where is the foe?

[17:46] ---

I won't even grant you time to repent.

[17:49] ---

You deserve to become
a loser burdened by regrets.

[17:52] ---

Buddy call to the center!

[17:55] ---

Overturn Black Death Dragon, Abygale!

[18:01] ---

Behold!

[18:02] ---

This is the form I take
as I guide my Buddy to victory!

[18:07] ---

Now is the time...

[18:08] ---

The power of destiny!

[18:10] ---

A-A-Amazing!

[18:11] ---

Is he about to use that power, which he can
only use once during a Buddyfight match?

[18:16] ---

Overturn Black Death Dragon!

[18:22] ---

Abygale!

[18:25] ---

Overturn!

[18:28] ---

Abygale's Overturn allows me to pay 1 gauge and force my opponent's next turn to end.

[18:33] ---

Gaito has used his power of Overturn without Death Count Requiem!

[18:38] ---

Does not compute.

[18:40] ---

Devos! Attack the fighter!

[18:44] ---

I'll slice you in half.

[18:46] ---

Wind Blade!

[18:48] ---

Follow him, Abygale.

[18:54] ---

Take this!

[18:54] ---

Black wings that fly through the heavens!

[18:57] ---

Come on! Come on! Come on! Come on!

[19:00] ---

Loss of control! Loss of control!

[19:04] ---

Gaito Kurouzu's turn is over!

[19:06] ---

Mini Geargod increases its hand cards using the set spell...

[19:09] ---

But due to Abygale's Overturn, its turn is over!

[19:13] ---

Probability of victory: 99.9%

[19:16] ---

Mini Geargod's chances of victory went up?

[19:19] ---

Why is that?

[19:21] ---

When Gaito uses the power of Overturn to end his opponent's turn, he can't attack during his next turn!

[19:28] ---

On top of that, Gaito has zero cards in his hand!

[19:30] ---

I hate to say it, but he has
no chance of winning!

[19:33] ---

If Mini Geargod's numbers are correct...

[19:35] ---

Gaito has a one in a
thousand chance of winning.

[19:38] ---

What?

[19:39] ---

So in one thousand fights,
he can only win one?

[19:43] ---

This is just too awful!

[19:45] ---

But even so, Gaito...

[19:47] ---

Won't give up on victory!

[19:50] ---

Destiny!

[19:51] ---

Grant me victory!

[19:54] ---

Draw! Charge...

[19:56] ---

And!

[19:58] ---

Draw!

[20:00] ---

Gaito Kurouzu gives it
his all as he draws...

[20:02] ---

But no matter what monster he draws,
he can't attack during this turn!

[20:07] ---

Even if I can't attack directly,
effect damage will still be effective!

[20:11] ---

The card I drew is the spell Void Slasher.

[20:15] ---

If my opponent has more than 5 cards
in the drop zone, it does 1 damage.

[20:19] ---

If it's more than 10 cards,
it does 3 damage.

[20:22] ---

Now, count them!

[20:23] ---

The cards that fell into your drop zone!

[20:27] ---

Response to query.

[20:29] ---

Number of cards in drop zone...

[20:32] ---

Twelve cards.

[20:34] ---

Probability of victory: 0%

[20:38] ---

I cast! Void Slasher!

[20:43] ---

Your destiny is defeat!

[20:49] ---

U-U-Unbelievable!

[20:50] ---

He eliminated the remaining life points through effect damage!

[20:55] ---

Game End!

[20:56] ---

Winner, Gaito Kurouzu!

[20:58] ---

With an artificial intelligence as his opponent, he still grasped victory!

[21:02] ---

He did it!

[21:04] ---

Gaito.

[21:05] ---

Let me express my gratitude once more for your kindness.

[21:09] ---

Abygale...

[21:11] ---

Thanks for showing us a good fight!

[21:14] ---

Wisdom!

[21:15] ---

Say Master Wisdom, you dummies!

[21:20] ---

You're so slow-witted.

[21:23] ---

All of you.

[21:25] ---

Sakate!

[21:26] ---

Talking at the press conference, and
making you fight the Mini Geargods...

[21:31] ---

It was all me in disguise,
and you didn't notice at all!

[21:35] ---

Why didn't I get the
slightest whiff of your scent?

[21:40] ---

I was disguising myself as Master Wisdom,
so I was more careful than usual... you idiot!

[21:47] ---

You scum!

[21:49] ---

We battled the Mini Geargods and won.

[21:52] ---

Sakate Onigashira. Answer us!

[21:54] ---

Where is Wisdom?

[21:57] ---

Oh well. If you want to know that badly...

[22:01] ---

You can look for him on your own!

[22:04] ---

Why you!

[22:06] ---

Damn it!

[22:07] ---

You villain!

[22:09] ---

Sakate must be hiding nearby!

We won't let him get away!

[22:14] ---

Yeah! Everybody!

We're going after Sakate!

[22:17] ---

Yeah!

[22:29] ---

Keisetsu of the Sword Arts.

You have some business with me?

[22:33] ---

Master Wisdom.

[22:36] ---

I wanted to have a chat with you.

[22:41] ---

This is today's most powerful card!

[22:43] ---

Mini Geargod Purple!

[22:45] ---

By placing itself in the drop zone,
it can destroy the opponent's set cards.

[22:50] ---

The other Mini Geargods can destroy items and gauge
cards, so you can mess with your opponent's strategy!

[22:58] ---

Now, which one is today's
most powerful card?

[23:07] ---

The correct answer is,
the card in the middle!

[24:41] ---

We've finally found you, Wisdom!

[24:42] ---

Batzz and I are ready to face
you in a Buddyfight, anytime!

[24:45] ---

What? We have to do a
Demonstration Fight first?

[24:48] ---

Next episode: Will it reach Keisetsu?
Kanata's new Impact Shot!

[24:52] ---

Join us for a Buddyfight!
