**SIGN** The Claws of a Crab Can Snip Through a Friendship

**[01:37] Shin**

Whoa! Isn't this a crab, Gin-san?!

**[01:40] Shin**

What's the occasion?

**[01:41] Gin**

One of Gran's old friends

**[01:42] ---**

gave her so many that she's sick of eating them,

**[01:45] Gin**

so she's sharing the wealth.

**[01:47] Shin**

Seriously?!

**[01:48] Shin**

It's been forever since I've had crab!

**[01:51] Shin**

Uh...

**[01:53] Shin**

She only gave us one?

**[01:55] Gin**

Yeah, she asked me how many I wanted,

**[01:57] ---**

so I told her I wanted a boxful...

**[02:00] Kagura**

Damn hag!

**[02:02] Kagura**

Why is she giving us riddles like the Sphinx?!

**[02:05] Kagura**

This isn't Ikkyu-san!

**[02:06] Kagura**

I'm gonna "riddle me that!"

**[02:10] Gin**

Calm down, kids.

**[02:11] Gin**

Listen to me.

**[02:12] Gin**

Do you know why a crab has so many legs?

**[02:15] Gin**

So we can share them.

**[02:18] Gin**

Since the beginning of time, humans have

**[02:21] ---**

fought many foolish wars over crabs.

**[02:23] Gin**

Such as the Battle of Sekigahara

**[02:24] ---**

and the Battle of Okehazama.

**[02:26] Shin**

Uh, that's news to me.

**[02:29] Gin**

And so, the Holy Crab in Heaven...

**[02:31] Shin**

What's a Holy Crab?

**[02:32] Shin**

How did God turn into a crab?

**[02:34] Gin**

Gave crabs more legs to end

**[02:36] ---**

the tragic conflicts and allow us

**[02:39] ---**

to eat crab together.

**[02:41] Gin**

However, crabs could no longer

**[02:43] ---**

move forwards or backwards.

**[02:46] Gin**

Is it right to force the Holy Crab to live a sideways life?

**[02:49] Gin**

Is it right to force him to purely go

**[02:51] ---**

scissors without any missionary or doggy style?

**[02:53] Shin**

This conversation has gotten very weird.

**[02:56] Gin**

Let's do this peacefully.

**[02:58] Gin**

I'm sick of all the fighting over food,

**[02:59] ---**

like whenever we have a hot pot.

**[03:01] Shin**

That's true.

**[03:02] Shin**

Let's share this crab.

**[03:05] Gin**

If we include the claws, this thing has ten legs.

**[03:07] Gin**

There's plenty for everyone here.

**[03:10] Shin**

But how do we split ten legs between three people?

**[03:12] Shin**

One will be left over...

**[03:15] Shin**

Huh? What's going on?

**[03:16] Kagura**

A blackout?

**SIGN** Power outage at Odd Jobs

**[03:18] Gin**

What the hell?

**[03:19] ---**

We were getting to the good part.

**[03:20] Shin**

I'll go check the circuit breaker.

**[03:24] Shin**

Ow!

**[03:26] Gin**

Come on, staff.

**[03:28] Gin**

You're already out of steam after the Four Devas arc?

**[03:30] Gin**

Stop slackin' off!

**[03:31] Shin**

Wait, this was in the manga.

**[03:34] Shin**

The author was overwhelmed

**[03:35] ---**

with that one-shot collection business.

**[03:37] Gin**

What?

**[03:38] ---**

He wouldn't be doing one-shots

**[03:39] ---**

if he kept slackin' on his main series, stupid!

**[03:40] Kagura**

Yeah, stupid!

**[03:42] Kagura**

Super Legend, my ass!

**[03:44] Kagura**

A bunch of one-shots from big shots?

**[03:45] Gin**

One of those guys clearly doesn't fit!

**[03:48] Gin**

There's a gorilla in the mix!

**[03:49] Kagura**

And he was unabashed about it!

**[03:51] Kagura**

Don't get too cocky, dammit!

**[03:53] Shin**

What are you guys talking about?

**[03:55] Shin**

I just checked the circuit breaker and it's fine.

**[03:58] Shin**

Power's back.

**[04:00] Shin**

Okay, let's get started then...

**[04:03] Shin**

Uh, excuse me...

**[04:05] Shin**

The Holy Crab was injured during the blackout.

**[04:08] Gin**

Maybe he bumped into the table?

**[04:10] Shin**

Yeah, a leg is missing.

**[04:13] Kagura**

It wasn't me!

**[04:15] Kagura**

I'm not evil enough to steal food while the power's out!

**[04:18] Shin**

It obviously wasn't me!

**[04:19] Shin**

So it was one of you two!

**[04:20] Kagura**

What was that?!

**[04:22] Kagura**

You probably swiped the leg

**[04:23] Kagura**

when you were pretending to go check the circuit breaker!

**[04:25] Kagura**

You said ow!

**[04:26] Kagura**

You probably cut yourself on the crab!

**[04:27] Shin**

I hit my head on the screen!

**[04:29] Gin**

Hey, cut it out!

**[04:31] Gin**

It's not possible to eat one

**[04:32] ---**

of those shelled monsters in the dark.

**[04:35] Gin**

Now, we have a number that divides perfectly into three.

**[04:40] Gin**

The Holy Crab must have been trying to stop us from fighting.

**[04:45] Gin**

Okay, enough bickering.

**[04:47] Gin**

Each of us gets three legs...

**[04:49] Shin**

You only get two!

**[04:51] Kagura**

Your mouth is bleeding because you didn't remove the shell!

**[04:54] Shin**

How desperate were you?!

**[04:56] Gin**

What are you guys talking about?

**[04:58] Gin**

When we were trashing that Legends mess during the blackout,

**[05:01] ---**

a gorilla appeared and smacked me hard.

**[05:04] Shin**

Who would believe that story?!

**[05:05] Gin**

The missing crab leg was also him, I'm guessing.

**[05:08] Gin**

It's pretty bad.

**[05:09] Gin**

He must be completely stressed out.

**[05:11] All**

Ah!

**[05:12] Shin**

Damn, another blackout.

**SIGN** Power outage at Odd Jobs

**[05:14] Shin**

Gin-san, don't move an inch.

**[05:15] Shin**

One more time and you're gonna get it.

**[05:17] Gin**

Seriously, it wasn't me.

**[05:18] Gin**

Cross my heart and hope to die.

**[05:19] Gin**

Careful, guys.

**[05:20] Gin**

We don't know when the gorilla will come back.

**[05:23] Shin**

Kagura-chan?!

**[05:24] Kagura**

Stop!

**[05:26] Gin**

Hey! What's wrong, Kagura?!

**[05:30] Shin**

Ka-Kagura-chan!

**[05:31] Kagura**

My eye... My eye!

**[05:33] Gin**

Hold on, Kagura!

**[05:35] Gin**

It's okay.

**[05:36] Gin**

You just have a cut on your eyelid.

**[05:38] Kagura**

A gorilla...

**[05:40] ---**

A weird gorilla showed up and took a crab leg...

**[05:43] Kagura**

I tried to stop it... But...

**[05:45] Gin**

Look, Shinpachi!

**[05:47] Gin**

It took another crab leg!

**[05:50] Gin**

This is all Legend Gorilla's fault!

**[05:52] Shin**

No way!

**[05:54] Shin**

Huh?

**[05:55] Shin**

There's blood on the claw.

**[05:58] Shin**

Didn't you just cut your eye

**[05:59] ---**

on the claw when you tried

**[06:01] ---**

to eat a crab leg in the dark?

**[06:02] Kagura**

No!

**[06:04] Kagura**

The gorilla!

**[06:05] Kagura**

The gorilla grabbed the crab and stabbed me with it!

**[06:09] Shin**

Uh, you're talking with your mouth full.

**[06:11] Kagura**

No!

**[06:12] Kagura**

I fought back and bit off the gorilla's crotch!

**[06:16] Gin**

Damn gorilla...

**[06:17] ---**

That should teach you a lesson.

**[06:19] Shin**

Enough of this crap.

**[06:21] Shin**

Stop blaming the gorilla for everything!

**[06:23] Shin**

It's so obvious that you ate those crab legs!

**[06:26] Gin**

No, we didn't.

**[06:27] Kagura**

It was the gorilla. The gorilla ate them.

**[06:31] Shin**

You refuse to own up, huh...

**[06:33] Shin**

Fine, have it your way.

**[06:38] Shin**

We'll use a candle to prevent any further cheating

**[06:40] ---**

if the power goes out.

**[06:41] Gin**

Oh, good idea.

**[06:42] Gin**

Should have done this earlier.

**[06:45] Gin**

Not that I ever cheated.

**[06:47] Kagura**

I didn't cheat,

**[06:48] ---**

but this should keep that gorilla away.

**[06:50] Gin**

Since gorillas are afraid of fire.

**[06:52] Shin**

Then I'll divide up the legs so we can eat.

**[06:55] Gin**

Sure, go ahead.

**[06:57] Gin**

Give me a claw.

**[06:58] Gin**

I like the tougher meat.

**[07:00] Shin**

Okay, that should put an end to their thievery.

**[07:04] Shin**

If the power goes out, we'll still have light from the candle.

**[07:06] Shin**

Most importantly, the crab is in my hands.

**[07:10] Kagura**

Oh, the power went out again.

**[07:12] Kagura**

Something's wrong today.

**[07:14] Gin**

What's going on?

**[07:16] Gin**

I'll go check the circuit breaker.

**[07:18] Kagura**

I'll come with you.

**[07:20] Gin**

I'm gonna borrow a candle.

**[07:25] Shin**

Huh? What are they doing?

**[07:27] Shin**

They're leaving me alone with the crab?

**[07:30] Shin**

The crab is undefended!

**[07:32] Shin**

Is this a trap?!

**[07:33] Shin**

Or are they letting me have my way with it?

**[07:35] Shin**

Yes, this is the perfect chance!

**[07:37] Shin**

I should go for it!

**[07:38] Shin**

They already swiped two legs!

**[07:41] Shin**

I don't have time to waste!

**[07:45] Shin**

Huh?

**[07:46] Shin**

There aren't any legs left...

**[07:48] Gin**

Huh? This candle won't light.

**[07:50] Gin**

This one won't either.

**[07:51] Gin**

Nor this one.

**[07:52] Kagura**

Hey, Gin-chan.

**[07:53] Kagura**

These aren't candles...

**[07:57] Kagura**

They're crab legs.

**[07:58] Shin**

What?!

**[07:59] Gin**

Oh, you're right.

**[08:01] Shin**

That was when I realized how foolish I was.

**[08:05] Shin**

When I chose to focus on how to divide the legs among three people...

**[08:08] Shin**

How to squirrel the extra leg away from them...

**[08:11] Shin**

I was thinking too small.

**[08:13] Shin**

I lost before I even sat down at the table.

**[08:17] Shin**

They never had any intention of sharing a single crab leg.

**[08:21] Shin**

My tiny claw could never pierce

**[08:24] ---**

through their shamelessly thick shells.

**[08:29] Shin**

I will never stand a chance

**[08:31] ---**

until I bring out my own giant claws

**[08:33] Shin**

for plundering the entire world of every last crab!

**[08:37] Gin**

What's up with all the outages?

**[08:41] Kagura**

Let's try to get this crab party started again.

**[08:44] Shin**

No...

**[08:45] Shin**

Only the body and claws are left.

**[08:48] Gin**

What's done is done.

**[08:50] Gin**

I wasn't expecting people

**[08:51] ---**

to mistake crab legs for candles.

**[08:53] Shin**

In what world would you find people who

**[08:55] ---**

mistake crab legs for candles?

**[08:56] Kagura**

It's Shinpachi's fault for leaving the crab legs next to the candles.

**[09:00] Shin**

And you're trying to shift the blame to me

**[09:01] ---**

instead of apologizing!

**[09:03] Gin**

Well, it was an honest mistake.

**[09:05] Gin**

Let's forgive him.

**[09:06] Kagura**

You're so mature, Gin-chan!

**[09:08] Kagura**

Hey, Shinpachi.

**[09:09] Kagura**

Divide the crab into three equal portions.

**[09:12] Shin**

How can you people have the gall to talk about equal?!

**[09:17] Shin**

I want to hit them!

**[09:19] Shin**

Punch them in the face!

**[09:20] Shin**

But if I lose my cool now, they'll win!

**[09:24] Shin**

They've been trying to goad me into snapping

**[09:26] ---**

with their heavy-handed behavior.

**[09:29] Shin**

Forget that shit!

**[09:31] Shin**

You guys already ate eight crab legs!

**[09:32] Shin**

Three equal portions, my foot!

**[09:34] Shin**

The rest is mine!

**[09:36] Shin**

That's what they want me to say.

**[09:37] Shin**

But they'll have a response prepared.

**[09:41] Gin**

Don't be stupid.

**[09:42] Gin**

Two of the legs were eaten by that gorilla.

**[09:45] Gin**

We each ate three of the remaining six.

**[09:47] Gin**

By mistake, I mean...

**[09:49] Gin**

Thanks to someone else's mistake...

**[09:50] Gin**

Well, you can have the two claws with the tougher meat.

**[09:54] Gin**

But we're sharing the body.

**[09:57] Shin**

They'll use some kind of absurd logic to

**[09:59] ---**

declare that two claws are equal to four legs.

**[10:02] Shin**

That's why he said that line.

**[10:06] Gin**

Give me a claw.

**[10:08] Gin**

I like the tougher meat.

**[10:10] Shin**

He was trying to inflate the value of the claws

**[10:13] Shin**

as part of his strategy to fool me.

**[10:16] Shin**

But it's all a lie!

**[10:17] Shin**

The claw may look like it has more than a leg,

**[10:21] Shin**

but in reality, it's the same amount of meat!

**[10:23] Shin**

That guy was feigning interest in

**[10:26] ---**

the claws so he could be rid of them!

**[10:37] Shin**

He'll use the claws to distract

**[10:39] ---**

me while he aims straight for the body!

**[10:41] Shin**

I won't let that happen!

**[10:42] Shin**

I'm going to fight back!

**[10:44] Shin**

Fine then.

**[10:46] Shin**

I'll let you guys have the claws.

**[10:50] Shin**

Which means I'm stuck with the body.

**[10:53] Gin**

C-Could it be...

**[10:55] Gin**

He's using my statement about the claws

**[10:57] ---**

against me, to lock me down?!

**[11:01] Gin**

Despite all my taunting,

**[11:02] ---**

he's stayed calm and seen right through my plan,

**[11:05] Gin**

completely ignoring the claws

**[11:06] ---**

and going straight for the body!

**[11:10] Gin**

And he's pretending that he's doing us a favor

**[11:11] Gin**

by taking the body so he can win over the kid.

**[11:14] Gin**

A technique practiced by dads around the world!

**[11:18] Kagura**

I don't like the body cause it's all squishy and gross.

**[11:22] Shin**

Same here.

**[11:23] Shin**

But if you like crab legs so much, I'll take the body.

**[11:26] Gin**

Yes, the body of a crab is disgusting.

**[11:29] Gin**

Women and children tend to avoid it.

**[11:31] Gin**

But the dad knows

**[11:34] ---**

that the body contains Princess Crab-Paste!

**[11:39] Gin**

Shi-Shinpachi...

**[11:41] Gin**

You already know the secret of

**[11:43] ---**

Princess Crab-Paste at such a young age?!

**[11:46] Gin**

Indeed, Princess Crab-Paste is the

**[11:48] ---**

ugliest woman of the Sengoku period.

**[11:50] Gin**

Yet you know that her repulsive face hides...

**[11:52] Gin**

...the finest lay of the Sengoku period!

**[11:58] Shin**

Gin-san, you may have won some small skirmishes,

**[12:02] Shin**

but you haven't won the war.

**[12:04] Shin**

You must take the body...

**[12:06] Shin**

Take Princess Crab-Paste...

**[12:08] Shin**

if you wish to become a Crabqueror!

**[12:11] Shin**

I will be the one who conquers the world!

**[12:17] Shin**

Princess Crab-Paste!

**[12:19] Shin**

Are you all right?

**[12:21] Shin**

Don't worry! Everything will be okay!

**[12:24] Shin**

The Shimura army will keep you safe!

**[12:27] Shin**

The Sakata army approaches.

**[12:29] Shin**

It is too dangerous here!

**[12:30] Shin**

We must escape at once!

**[12:34] Shin**

Th-That's...

**[12:36] Shin**

That's impossible...

**[12:38] Shin**

Pr-Princess Crab-Paste...

**[12:40] Gin**

Princess Crab-Paste?

**[12:43] Gin**

Who are you talking about?

**[12:48] Shin**

I-Impossible!

**[12:50] Shin**

It isn't just Princess Crab-Paste!

**[12:52] Shin**

The body is...

**[12:54] Shin**

...completely empty!

**[12:55] Gin**

Oh, sorry, Shinpachi.

**[12:57] Gin**

I took the meat from the body and cooked it with rice.

**[13:00] Gin**

Oh, I saved the crab paste.

**[13:05] Shin**

C-Cooked it with rice?!

**[13:12] Gin**

How unfortunate, General Shimura.

**[13:14] Gin**

This castle belongs to the Sakata army now!

**[13:17] Gin**

And Princess Crab-Paste has fallen into our hands!

**[13:20] Gin**

This castle no longer holds any strategic value!

**[13:23] Shin**

It can't be...

**[13:25] Shin**

General Sakata...

**[13:27] Shin**

You anticipated that I would anticipate your plan?!

**[13:31] Gin**

Absolutely not.

**[13:32] Gin**

But in war,

**[13:35] ---**

the key is to become a coward with multiple back-up plans.

**[13:39] Shin**

N-No...

**[13:41] Shin**

He knew all along...

**[13:43] Shin**

...that my focus was on the body.

**[13:46] Shin**

And to fool me, he restored the body after taking its contents,

**[13:51] Shin**

and pretended to be Princess Crab-Paste.

**[13:53] Shin**

Yes, while I was falling into his trap,

**[13:56] Shin**

he was taking possession of the ultimate sword, Crabclaw!

**[14:01] Gin**

Yeah. Sorry, Pachi-boy.

**[14:03] Gin**

We even took the claws.

**[14:05] Gin**

You ended up without a single bite of crab.

**[14:08] Shin**

I misjudged him!

**[14:09] Gin**

But it's not our fault.

**[14:11] Gin**

You're the one who let us have them.

**[14:13] Shin**

You have sunk your fangs into the crab shell,

**[14:16] ---**

Gintoki the Viper!

**[14:18] Gin**

Well, I'll help myself then.

**[14:25] Gin**

The meat!

**[14:26] Gin**

The meat of the Crabclaw is gone!

**[14:30] Kagura**

The meat is right here.

**[14:33] Kagura**

Ta-da!

**[14:34] Gin**

Da-Daigoro!

**[14:38] Kagura**

You're so weird, Gin-chan.

**[14:40] Kagura**

Why do you like the claws so much?

**[14:42] Kagura**

There's more meat in the leg below the claw.

**[14:46] Kagura**

Silly Gin-chan.

**[14:47] Gin**

I spent too much time talking about claws!

**[14:50] Gin**

Technically, the term claw only

**[14:52] ---**

refers to the pincer at the very end!

**[14:54] Gin**

Still, I never expected her to divide up the claws like this!

**[14:59] Gin**

I ignored you since I assumed you were just a child,

**[15:02] Gin**

but you took advantage of my battle with General Shimura

**[15:05] Gin**

to use my own words against me.

**[15:07] Gin**

Daigoro, you are no ordinary Daigoro!

**[15:14] Gin**

You were sent by Iga?!

**[15:19] Kagura**

You aren't the only one

**[15:20] Kagura**

who intends to take advantage

**[15:21] ---**

of the chaos and conquer this world.

**[15:23] Kagura**

A true tactician would lay low until

**[15:26] ---**

he's already conquered the world in secret!

**[15:29] Kagura**

Viper!

**[15:30] Kagura**

I grant you an eternal slumber inside that empty shell!

**[15:37] Gin**

Not yet...

**[15:39] Gin**

I can still conquer the world...

**[15:44] Gin**

I may have lost the claws,

**[15:47] Gin**

but I used the treasures of the castle to create a new paradise!

**[15:54] Gin**

Castle Crab-on-Rice belongs to me!

**[15:56] Gin**

And Princess Crab-Paste is in my hands!

**[15:59] Gin**

As long as I hold these, my ambition will never die!

**[16:02] A**

Lord Viper! Look over there!

**[16:05] A**

A castle is being constructed

**[16:08] ---**

next to ours at an alarming pace!

**[16:11] Gin**

Th-That's...?!

**[16:13] Gin**

Castle Crab-Juice!

**[16:16] Gin**

I-Impossible!

**[16:17] Gin**

This man has gathered his surviving forces

**[16:20] ---**

and begun to build a castle!

**[16:22] Shin**

Gin-san!

**[16:23] Shin**

There's more to a crab than its meat!

**[16:25] Shin**

Even the shell has its flavor!

**[16:28] Gin**

Curse you!

**[16:29] Gin**

You plan to pit leftover juices against my crab-on-rice

**[16:32] ---**

and reverse the situation?!

**[16:37] Shin**

This is your last chance to seek a peaceful resolution, Viper!

**[16:40] Shin**

Grant me the right to access Castle Crab-on-Rice

**[16:42] Shin**

and meet with Princess Crab-Paste!

**[16:44] Gin**

Preposterous!

**[16:45] Gin**

How dare you seek to bargain

**[16:47] ---**

on equal footing with me, the Crabqueror?!

**[16:50] Shin**

Who said anything about equal footing?!

**[16:52] Shin**

I, Shinpachi Shimura,

**[16:53] ---**

demand seventy percent of Castle Crab-on-Rice!

**[16:57] Gin**

S-Seventy percent?!

**[16:58] Gin**

You overestimate what you hold!

**[17:01] Shin**

You have dug your own grave, Viper!

**[17:04] Shin**

Crab on rice may sound delicious,

**[17:08] Shin**

but in reality, it barely tastes any different from plain rice!

**[17:12] Shin**

Yes, alone, crab on rice holds no power!

**[17:16] Shin**

Your castle serves as little more than decoration!

**[17:19] Shin**

Crab on rice requires flavorful vegetables

**[17:21] ---**

which have been cooked in crab juice!

**[17:23] Shin**

You can no longer survive

**[17:25] ---**

in the Sengoku period without me!

**[17:27] Gin**

Don't be ridiculous!

**[17:29] Gin**

You have underestimated the potency of my hand-salted rice!

**[17:32] Gin**

Fire!

**[17:37] A**

It's no use, Lord Viper!

**[17:39] A**

There isn't enough flavor!

**[17:43] Shin**

Fire!

**[17:46] A**

Such firepower!

**[17:47] A**

The crab juice is strong in him!

**[17:49] Gin**

Wh-What did you say?!

**[17:51] Gin**

This is like Gian vs. Nobita!

**[17:54] Gin**

We're a perfect match!

The ultimate combination!

**[17:57] Gin**

Best friends forever!

**[17:59] Shin**

It's over, Viper!

**[18:01] Shin**

Time to let me take over the world!

**[18:04] Gin**

Silence!

**[18:05] Gin**

I have my own Doraemon in Princess Crab-Paste!

**[18:11] Shin**

Wh-What?!

**[18:13] Gin**

This shaking...

**[18:15] Kagura**

It'll taste better this way.

**[18:24] Gin**

Tha-

**[18:25] Shin**

That's...

**[18:27] Both**

That's...!

**[18:30] Both**

The castle in the sky!

**[18:32] Both**

Crab-Congee-Laputa!

**[18:35] Gin**

I-Impossible!

**[18:36] Gin**

Castle Crab-on-Rice and Castle Crab-Juice

**[18:38] ---**

were taken over and combined into one?!

**[18:42] Shin**

She's stolen our cooking to create the ultimate recipe

**[18:45] Shin**

and lay claim to the mantle of conqueror!

**[18:48] Both**

You're...!

**[18:50] Gin**

You're no ordinary assassin of Iga!

**[18:53] Kagura**

Exactly.

**[18:55] Kagura**

I'm neither Daigoro nor an assassin of Iga.

**[18:59] Kagura**

My true name is Kagura Crab Congee Laputa.

**[19:03] Kagura**

A descendant of the royal family

**[19:05] Kagura**

which ruled over the ancient city of Crab-Congee-Laputa.

**[19:08] Kagura**

I have been waiting for this moment,

**[19:10] Kagura**

when you would unlock the path to Crab-Congee-Laputa,

**[19:14] Kagura**

for I never could have

**[19:16] ---**

cooked crab on rice or vegetables in crab juice on my own.

**[19:19] Kagura**

Excellent work.

**[19:21] Kagura**

I appreciate your efforts.

**[19:23] Kagura**

In return, I shall give you

**[19:25] ---**

a demonstration of the true power of crab!

**[19:40] Shin**

O-One egg can cause this much damage?!

**[19:44] Gin**

A little stirring and the smell has me drooling!

**[19:47] Both**

Th-This is the true power of crab!

**[19:52] Paste**

Please stop her...

**[19:54] Shin**

Pr-

**[19:55] Shin**

Princess Crab-Paste!

**[19:57] Paste**

Stop fighting over crab!

**[20:00] Paste**

Crabs were never meant to create conflict.

**[20:03] Paste**

Crabs are meant to bring everyone

**[20:05] ---**

together around the table for a pleasant meal.

**[20:07] Paste**

Wasn't that your original intention?

**[20:13] Kagura**

Magnificent!

**[20:13] Paste**

It's not too late!

**[20:15] Kagura**

The finest show on Earth!

**[20:15] Paste**

The three of you can share this meal together.

**[20:18] Gin**

It's too late.

**[20:20] Gin**

Our souls are enraged by the long battle.

**[20:24] Shin**

We can never bury this hatchet.

**[20:26] Paste**

It will be fine.

**[20:27] Paste**

I will help to mend fences.

**[20:30] Paste**

The savory flavor of crab paste is gentle as the ocean.

**[20:34] Paste**

I'm sure that it will soothe your souls

**[20:36] ---**

and restore your kind nature.

**[20:39] Paste**

Now, speak the words of unity and add me to the pot.

**[20:50] Both**

Baise appetit.

**[21:02] Kagura**

Forget it.

**[21:03] Kagura**

You can have the rest.

**[21:12] Shin**

Let's get this crab party restarted...

**[21:14] Shin**

No, let's get this crab party started.

**[21:18] Gin**

Sure, you have forty seconds to get ready.

**[21:35] Shin**

It tastes too fishy.

**[21:37] Gin**

Imitation crab is better.

**[21:42] Paste**

Yes, that's right.
