SIGN Speaking of Crossovers, Don't Forget About Alien vs. Predator

[01:33] Gin

Hey, listen up, guys.

[01:35] Gin

We have a special treat this week

SIGN Odd Jobs Gin-chan

[01:38] Gin

to commemorate the 26th
episode of the new season.

[01:40] Both

A special treat?

[01:42] Shin

Wait, 26 is kind of a random number.

[01:45] Gin

Basically, we were told to do
a crossover with Sket Dance,

[01:49] Gin

since the anime started at
the same time as ours.

[01:50] Shin

Really, Gin-san?

[01:52] Shin

They're finally letting us do that too?

[01:54] Shin

I figured that Jump and TV
Tokyo hated our guts by now.

[01:58] Kagura

Since we keep causing problems.

[02:01] Shin

But now I'm nervous,

[02:02] Shin

since I'm actually a pretty shy guy.

[02:04] Kagura

What is there to be scared about?

[02:06] Kagura

We've done plenty of crossovers.

[02:09] Kagura

Have you forgotten when
we shared the screen

[02:11] Kagura

with Dragonball, One Piece,
Bleach, and other classics?

[02:13] Shin

Uh, those were just parodies
we did without permission.

[02:15] Shin

That would be one of the reasons
I figured that everybody hated us.

[02:19] Gin

Hey, don't get too excited.

[02:20] Gin

This might be a crossover,

[02:22] Gin

but our goal isn't to
have a happy pow-wow.

[02:25] Both

Huh?

[02:26] Gin

Check out the data I've collected.

[02:28] Gin

Pay attention now.

[02:29] Gin

Sket Dance is a comedy
manga with a school setting

[02:33] Gin

that began running in Jump in 2007.

[02:36] Gin

The anime began airing in 2011 at the
same time the new Gintama began airing.

[02:41] Gin

The Sket Dan is a school club that
does odd jobs with three members:

[02:45] Gin

The leader, Bossun.

[02:46] Gin

The brains, Switch.

[02:47] Gin

The straight man/muscle, Himeko.

[02:49] Gin

The manga's pretty episodic with plenty of laughter and tears.

[02:53] Kagura

Hold on, Gin-chan!

[02:54] Kagura

Look at their time slot!

[02:56] Kagura

It's 6:00 PM on Thursday!

[02:58] Shin

Huh? Isn't that the old Gintama slot?!

[03:02] Gin

Exactly.

[03:03] Gin

In 2006, after it only took six months for us to be booted from prime time,

[03:09] Gin

we spent the next 177 episodes defending that fortress,

[03:12] Gin

and they just snatched it away from us.

[03:15] Shin

Snatched it away from us?

[03:16] Shin

It wasn't their decision.

[03:18] Shin

There were obviously extenuating circumstances involved.

[03:19] Gin

Well, as I'm sure you can see even from my vague explanation,

[03:23] Gin

these guys...

[03:25] Gin

...are clearly trying to supplant us!

[03:27] Shin

Uh, why are you trying to twist everything before the crossover's even started?

[03:30] Gin

Clearly trying to overtake us!

[03:32] Shin

Why are you repeating yourself?

[03:34] Shin

Don't make false accusations.

[03:35] Shin

It's pretty common to find a story about people doing odd jobs.

[03:38] Kagura

And there are lots of examples
of series with a trio.

[03:42] Kagura

Like this.

[03:43] Kagura

And this.

[03:43] Kagura

They're all the same.

[03:45] Shin

Uh, did you really
need to bring that up?

[03:48] Gin

Yeah, that's right.

[03:49] Gin

It's not the same.

[03:50] Gin

After all, one of them
uses a computer to talk.

[03:53] Gin

Their characters have more personality.

[03:55] Gin

Compared to that, just look at you, Shinpachi.

[03:58] Gin

Why do you talk normally?

[04:00] Gin

You want me to kill you?

[04:02] Gin

Kagura, why haven't you learned any
genuine Kansai-style witty retorts?

[04:06] Gin

Why haven't your boobs
gotten any bigger?

[04:08] Gin

Why are they shrinking?

[04:11] Kagura

What was that?!

[04:12] Kagura

You're the one who started
off wearing goggles

[04:14] Kagura

before they disappeared for no reason!

[04:17] Shin

Why don't you learn how to Connect?!

[04:18] Shin

Why don't you get yourself
a twin brother?!

[04:21] Gin

Shut up!

[04:21] Gin

I'm not gonna wear those things around every episode!

[04:24] Gin

Don't you realize the limitations of the author's drawing ability?!

[04:26] Gin

That's why the goggles were removed from the beginning of the anime!

[04:30] Gin

You should be grateful you even get any screen time in the opening sequences,

[04:33] Gin

you worthless goggles!

[04:34] Shin

Uh, are you talking to your goggles?

[04:37] Gin

Besides, in Jump, characters with goggles

[04:39] Gin

are sidekicks like Usopp and kid Konohamaru!

[04:43] Shin

Er, Naruto was wearing goggles in volume 1.

[04:46] Gin

And compared to the One Piece x Toriko crossover last spring,

[04:50] Gin

Gintama and Sket Dance just lacks pizazz.

[04:52] ---

It's a boring crossover.

[04:54] Shin

That's not true!

[04:55] Shin

And don't blame them!

[04:56] Gin

Why did Jump bother with this boring crossover?

[05:00] Gin

I guarantee that they're not trying to get us all buddy-buddy.

[05:02] Shin

Then what's the point of this crossover?

[05:04] Bossun

That should be obvious.

[05:07] Gin

Wh-Who is it?!

[05:09] ---

You don't need two Jump shows

[05:10] ---

about people doing odd jobs
at 6 PM on TV Tokyo.

[05:13] ---

They're pitting us against one another
because of our similar settings.

[05:20] ---

To see whether the Sket Dan or you guys
are more worthy as Jump's odd jobbers!

[05:25] ---

Bastards!

[05:28] ---

I think it's amusing.

[05:29] ---

Let's go along with
Jump's little scheme.

[05:32] ---

We had to settle this sooner or later.

[05:35] ---

Stop that, Bossun. Show some respect.

[05:38] ---

They've been in Jump
longer than we have.

[05:41] ---

Sorry about that. He
usually isn't so rude.

[05:44] ---

He's a nice boy deep down.

[05:45] ---

Stop acting like my mom!

[05:46] ---

Bossun, that should be,
"Stop acting like my ma!"

[05:50] ---

You rock, Switch!

[05:51] ---

You already know how
to fit in this world!

[05:53] ---

I mean, ya already know
how to fit in this world!

[05:56] ---

Don't just barge in here
and start making fun of us!

[05:59] ---

Pisses me off!

[06:00] ---

You're destroying our characters!

[06:02] ---

You're clearly set on crushing us!

[06:04] ---

Hey, Himeko. Have they really
been around longer than us?

[06:07] ---

They seem really worried.

[06:09] ---

Bossun, that's the secret
to their success.

[06:13] ---

They've spent years pretending
to be the weak link

[06:15] ---

so they can bash other series
without any repercussions.

[06:17] ---

Stop spilling the beans,
four-eyed computer boy!

[06:20] ---

Want me to nail down your enter key?!

[06:21] ---

Spilling the beans?

[06:23] ---

Why are you talking to yourself
anyway? The hell is this?

[06:27] ---

What was that?! You wanna know how
it feels to talk to yourself?!

[06:31] ---

Shinpachi, let him have it!

[06:33] ---

What? Me?

[06:34] ---

Fine then.

[06:36] ---

H-Hold on...

[06:38] ---

Recite the 12th clause of the
Tsuu Terakado Fanclub creed!

[06:42] ---

Taka-chin!

[06:43] ---

E-Er, I'm not Taka-chin.

[06:46] ---

You can't fool me,
your childhood friend.

[06:48] ---

I mean, look.

[06:49] ---

What's up, Shin-chan?

[06:50] ---

I'm Taka-chin.

[06:51] ---

You can't fool me!

[06:53] ---

Then I'll send in Teppei.

[06:54] ---

Bossun, where are we?

[06:55] ---

This makes it harder for me!

[06:57] ---

Now, now. Stop fighting.

[07:01] ---

Okay, Runny Diarrhea.

[07:06] ---

R-Runny...

[07:08] ---

Teach, Bossun-kun and Pachi-boy-kun
made Himeko-san cry!

[07:12] ---

I'm not crying!

[07:13] ---

D-Does this mean...

[07:14] ---

It can't mean that...

[07:16] ---

I was cast as...

[07:18] ---

Jugem Jugem Shit-Tossing the Life of

[07:20] ---

Shin-chan's Two-Day-Old Underwear

[07:22] ---

Balmung Fezalion Issac Schneider

[07:25] ---

1/3 True Love 2/3 Hangnail Anxiety

[07:29] ---

Betrayal Knows My Name Or Does It Really

[07:32] ---

Ignore Calls Squid Dogfish
Halibut Trout-Cod Dogfish...

[07:35] ---

This Is a Different Dogfish,

[07:37] ---

I'm Talking About The Dogfish Shark

[07:38] ---

Kaluga Angler Ray

[07:39] ---

Yuuteimiyaoukimukou
Pepepepepepepepepepepepepe

[07:42] ---

Runny Diarrhea

[07:43] ---

...just for this?!

[07:45] ---

Yes, just so we could do that.

[07:47] ---

That's despicable!

[07:49] ---

We get in the first word since our
side of the crossover airs earlier.

[07:54] ---

Now even in the parts of the manga
where we parodied other works,

[07:56] ---

people will think that
you're copying us.

[08:01] ---

Man, Gintama's desperate.

[08:04] ---

I'm kinda creeped out.

[08:06] ---

They aren't aware that
in most decisive battles,

[08:07] ---

the one who attacks first usually loses.

[08:11] ---

Fine then!

[08:13] ---

Let's make it clear which team has the
pizazz to be worthy of Jump.

[08:17] ---

This is supposed to be a crossover.

[08:19] ---

Let's all get along.

[08:21] ---

Hah, we'll show you that flashy battles
and special attacks aren't everything.

[08:26] ---

I doubt the viewers are
going to appreciate this.

[08:30] ---

Yeah, equally boring anime
shows should get along.

[08:34] ---

We should be glad that
we're still on air.

[08:38] ---

Shut up! This isn't just about our position.

[08:41] ---

Our pride as odd-jobbing Jumpers,
and our very existence, is on the line!

[08:44] ---

You mob characters should just
shut up and follow your leader!

[08:48] ---

That's right!

[08:49] ---

C'mon down! I got everything set up!

[09:12] ---

Gin-chan, where are we?

[09:14] ---

The Gintama world was already a stretch,

[09:17] ---

and now we're in a place
that's even weirder, Bossun.

[09:20] ---

Okay, quiet down.

[09:22] ---

Listen up.

[09:24] ---

We're going to have a little
scavenger hunt on this island.

[09:28] ---

Why are you talking like a teacher?

[09:30] ---

We're on Treasure Island, an island where
shiny gems grow on everything.

[09:37] ---

This sounds awfully familiar.

[09:40] ---

There is a legend that every hundred years, the gems bear a very special fruit.

[09:44] ---

I have a really bad feeling about this.

[09:47] ---

Yes! One of the famous Devil Fruit!

[09:51] ---

The Pizazz-Pizazz Fruit!

[09:54] ---

Hold it right there!

[09:56] ---

This is supposed to be a Sket Dance x Gintama crossover!

[09:58] ---

But now we're in the Toriko x One Piece crossover!

[10:01] ---

We might be boring, but that doesn't make it okay

[10:03] ---

to steal ideas from series that have more pizazz!

[10:06] ---

Toriko and One Piece?

[10:08] ---

What are they babbling about?

[10:11] ---

You must have had some of that Dream-Dream Fruit.

[10:14] ---

They're starting to piss me off.

[10:14] ---

Hopeless fools.

[10:16] ---

They must have eaten the Argh-Argh Fruit.

[10:19] ---

As you may have guessed,

[10:21] ---

the Pizazz-Pizazz fruit can give the dullest people pizazz!

[10:25] ---

Whoever finds it first,

[10:27] ---

will be declared the winner of the contest with the flashiness worthy of Jump!

[10:31] ---

I thought we were fighting over who
had the pizazz worthy of Jump.

[10:34] ---

But now we've given up?

[10:36] ---

We're going to rely on outside help?

[10:37] ---

I have a question.

[10:39] ---

Does this Devil Fruit
have any side effects,

[10:42] ---

such as turning one
into a hammer in water?

[10:43] ---

It's fine. You won't lose
the ability to swim.

[10:46] ---

I see. So you've changed
the setting a little.

[10:51] ---

Only your crotch turns into a hammer.

[10:54] ---

I see, that's good.

[10:56] ---

Huh?

[10:57] ---

What did you just say?

[10:58] ---

Well, it's only your crotch
that turns into a hammer,

[11:02] ---

so you don't need to worry.

[11:04] ---

I'm worried!

[11:05] ---

Why is there a hammer down there?!

[11:08] ---

Stop that, seriously.

[11:10] ---

We're supposed to be innocent,
unlike you people.

[11:13] ---

We don't do dirty jokes!

[11:15] ---

Himeko-san, I'll handle this.

[11:17] ---

As the straight man, I'm used
to this, so leave it to me!

[11:21] ---

The hammer's upside down!

[11:24] ---

It should be like this!

[11:26] ---

Who cares?!

[11:27] ---

Aren't you supposed to be
the Gintama straight man?!

[11:30] ---

Why are you acting like the funny man?!

[11:32] ---

I'm not going to last long if I
have to respond to both sides!

[11:35] ---

I'm sorry, I thought I
could let you handle it.

[11:39] ---

Right. So who cares if
it's upside down or not.

[11:41] ---

If I have a hammer on my
crotch, I can't get married.

[11:43] ---

Are you going to take responsibility?

[11:44] ---

Isn't that right, Kagura-chan?

[11:46] ---

Why? What's the problem?

[11:47] ---

A hammer makes a better
weapon than a hockey stick.

[11:52] ---

I asked the wrong person!

[11:54] ---

No, no! Think this through!

[11:55] ---

You can't survive in this wacky manga

[11:57] ---

when you have a hammer on your crotch!

[12:00] ---

You don't need to worry.

[12:01] ---

If you grow a hammer down there,

Bossun will boss into a nail for you.

[12:06] ---

What the hell?

[12:07] ---

What's that mean?

[12:07] ---

Why would I boss into a nail?

[12:10] ---

Hey, bitch. Enough already.

[12:13] ---

Did you call me a bitch?!

[12:14] ---

You aren't in your puny
little school anymore.

[12:17] ---

In this world, your crotch
can grow into a screwdriver

[12:20] ---

or your balls can get
crushed at any time.

[12:23] ---

What kind of world is this?

[12:24] ---

If you want to do odd jobs,

[12:25] ---

you gotta be ready for your
crotch to do odd jobs.

[12:28] ---

That's not how it's supposed to work!

[12:30] ---

Oh, really?

[12:32] ---

You're picking a fight with us when you
aren't ready to get down and dirty?

[12:36] ---

You shouldn't be so happy just because
AKB did your theme song.

[12:39] ---

It's not AKB anymore!

[12:40] ---

Are you jealous?

[12:41] ---

Say that you're jealous that we got AKB!

[12:43] ---

Your token glasses character
must be jealous!

[12:45] ---

Not really!

[12:46] ---

Fine then!

[12:48] ---

I'll be the one to turn
my crotch into a hammer!

[12:52] ---

Uh, wrong objective, Bossun!

[12:55] ---

No good. Bossun has lost his head.

[12:58] ---

Your leader doesn't like to lose either.

[13:01] ---

I want nothing to do with this.

[13:03] ---

Don't come to me when you lose viewers
because your crotch is a hammer.

[13:06] ---

We'll just have to stand by and watch.

[13:08] ---

Bossun has always had a complex

[13:10] ---

about how he's too boring
to be a main character.

[13:13] ---

Yeah, I know what you mean.

[13:15] ---

Gin-san always complains about how
he should have a special attack.

[13:19] ---

That's why it's so hard to make games.

[13:21] ---

That's why Bandai Namco gave up on us.

[13:24] ---

Oh, we're going to have that problem.

[13:27] ---

There's always Hyperion and Genesis.

[13:30] ---

Those are crap.

[13:31] ---

We need something like Bankai or Stands.

[13:34] ---

Oh, I've seen Gin-chan
secretly practicing

[13:37] ---

his Kamehameha two or three times.

[13:40] ---

Ouch. Just ouch.

[13:42] ---

Right. Bossun has that Connecting special power when he wears his goggles.

[13:47] ---

But really, it just looks like he put on his goggles.

[13:51] ---

Does he yell, "Goggles on!"

[13:54] ---

He did at first.

[13:56] ---

Kind of like how your guy wore goggles at first.

[13:57] ---

They should stick to it.

[14:00] ---

To be honest, I don't think it's about special attacks.

[14:03] ---

Between his silver hair and that hat, he's tried a lot of things to stand out,

[14:06] ---

but people with pizazz just have it already.

[14:09] ---

Yeah.

[14:10] ---

You can't be a main character when you complain to your buddies

[14:12] ---

about not standing out.

[14:14] ---

Luffy would never say anything like that.

[14:17] ---

You're never going to hear him say, "I will become a main character with pizazz!"

[14:20] ---

Yeah?

[14:21] ---

That's why these guys just fail.

[14:24] ---

If they're going to bother competing, they should set their sights higher.

[14:27] ---

Really, does it matter who wins?

[14:30] ---

They're in the same boat anyway.

[14:32] ---

Indeed, their weak will is embodied by their weak goals.

[14:36] ---

They don't have any goals like becoming the Pirate King or becoming the Hokage.

[14:40] ---

I'm getting worried about throwing my lot in with him.

[14:42] ---

He's too wishy-washy.

[14:44] ---

I should have gone with a reliable main character like Luffy.

[14:49] ---

I want Aya Tojo!

[14:51] ---

I prefer Nishino.

[14:52] ---

I prefer Raoh!

[14:54] ---

Uh, none of those are main characters.

[15:00] ---

Huh? They disappeared.

[15:07] ---

Oh, they fell down.

[15:10] ---

Hey, are you okay? Gin-san? Bo-san?

[15:15] ---

I'm already...

[15:16] ---

...sick of this.

[15:17] ---

They said something.
But I can't hear them.

[15:21] ---

I'm already...

[15:22] ---

...sick of this.

[15:24] ---

They're the ones who ran off by themselves.

[15:28] ---

What? You're giving up on finding the Devil Fruit?

[15:33] ---

Let's go home then.

[15:35] ---

We need to wrap up this episode.

[15:38] ---

They really want attention.

[15:41] ---

They're the ones who dragged us into this...
what are they trying to do?

[15:44] ---

Just ignore them and go back.

[15:46] ---

I agree.

[15:47] ---

I must return to my enjoyment
of To Love-Ru Darkness.

[15:50] ---

Uh, Himeko-san.

[15:52] ---

Sorry about the Runny Diarrhea thing.

[15:55] ---

Nah, it's okay.

[15:56] ---

This crossover was new and fun.

[16:01] ---

Like...

[16:03] ---

Like, you guys don't
understand how we feel.

[16:07] ---

Uh oh, he's going to
start monologuing again.

[16:11] ---

It's not that we want pizazz,
or that we want to stand out.

[16:16] ---

That's not what drives us.

[16:18] ---

We're doing this for
the sake of our teams,

[16:21] ---

but none of you even care.

[16:25] ---

Yeah, yeah. Forget it.

[16:27] ---

There's no point in trying
to explain to them.

[16:30] ---

Wait, I'm really upset about this.

[16:32] ---

Don't you feel the same way, Sakata-san?

[16:33] ---

He just called him Sakata-san.

[16:35] ---

Forget it. Just forget it.

[16:36] ---

Stop talking.

[16:37] ---

I know how you feel.

[16:39] ---

It's not easy being the leader.

[16:41] ---

They're buddies now.

[16:43] ---

Uh, sorry.

[16:45] ---

Could you leave?

[16:47] ---

Feel free to go join Luffy or Raoh or whoever.

[16:52] ---

We leaders are going to
do this by ourselves.

[16:54] ---

This is bad. They heard
what we were saying.

[16:59] ---

Hey. Pull yourself together, Bossun.

[17:01] ---

Can you stand?

[17:02] ---

Uh, Gin-san. We're sorry.

[17:04] ---

You've got it wrong! You've
got it wrong, Bossun!

[17:06] ---

We were just joking!

[17:08] ---

We just wanted to give
you a little push.

[17:10] ---

It's not like you need
to apologize or anything.

[17:14] ---

Everything you said

was absolutely right.

[17:17] ---

An apology won't heal Bossun
and Gin-san's wounded hearts!

[17:23] ---

What's going on?

[17:24] ---

I can't tell if they want
us to apologize or not.

[17:27] ---

They left. Should we just ignore them?

[17:30] ---

They got mad when we tried to apologize.

[17:32] ---

Those leaders are too hard to deal with.

[17:35] ---

How naive can they be?

[17:39] ---

Hmm? They're not moving forward.

[17:42] ---

They're walking in place.

[17:44] ---

They're waiting for us to say something.

[17:46] ---

What a pain!

[17:47] ---

What are they trying to do?!

[17:49] ---

Hang in there!

[17:50] ---

Now they're acting.

[17:52] ---

Where did Bossun injure
himself?! His head?!

[17:55] ---

Hey, this isn't good.

[17:56] ---

They're not chasing after us.

[17:58] ---

They've given up on us.

[17:59] ---

Why?! Aren't they worried about me?

[18:01] ---

They don't care about their leader?!

[18:03] ---

At this rate, we'll lose
our status as leaders.

[18:06] ---

We have to find the Pizazz-Pizazz
Fruit to regain their trust.

[18:12] ---

H-Hey, look there!

[18:15] ---

There it is!

[18:19] ---

What? They just took off.

[18:22] ---

Did they find the Devil Fruit?

[18:24] ---

Pathetic.

[18:25] ---

They've revealed their true
colors and started to fight.

[18:29] ---

Let go! I'm going to get pizazz!

[18:33] ---

I'll become a brutal
genius with an IQ of 300

[18:35] ---

whose hair turns silver
when my powers awaken!

[18:38] ---

Over my dead body!

[18:39] ---

The pizazz is mine!

[18:41] ---

I'll become a space pirate
who's lost his memories with

[18:42] ---

a Psycho-gun on my right arm and

[18:44] ---

travel around space with hot women!

[18:47] ---

Almost there!

[18:49] ---

So close to the pizazz!

[18:53] ---

Who is that guy?

[18:55] ---

That's a dangerous place to stand.

[18:57] ---

Honey, forgive me for going on ahead.

[19:01] ---

I can't do any carpentry

when my hand's like this.

[19:05] ---

Can't even hold a hammer...

[19:07] ---

Damn it.

[19:09] ---

But I'm healthy down there.

[19:12] ---

If my crotch became a hammer,

[19:14] ---

I could use my rapid hip
movements to hammer nails.

[19:20] ---

Hey, hey, hey, hey, hey!

[19:21] ---

Hold on, gramps!

[19:27] ---

Gramps! Your request...

[19:30] ---

...has been accepted!

[20:14] ---

So in the end, neither
of them got any pizazz.

[20:20] ---

But there's nothing
wrong with being boring.

[20:23] ---

Yeah, that's right.

[20:27] ---

They're great odd jobbers.

[20:30] ---

They're great leaders.

[20:34] ---

Hey, why are you so blue?

[20:36] ---

Cheer up, guys.

[20:38] ---

You looked good back
there. I'm impressed.

[20:41] ---

Let's call this a draw.

[20:43] ---

Next time, we won't lose.

[20:44] ---

Fine by me.

[20:46] ---

Next time, we'll wreck you!

[20:48] ---

To finish, you twist the story into something resembling a good ending.

[20:51] ---

That's as Gintama as you get.

[20:52] ---

Exactly.

[20:53] ---

This way, you have a sense of completion.

[21:02] ---

Uh, can you stop that?

[21:04] ---

The episode's over.

[21:06] ---

Were you really that desperate for some pizazz?

[21:08] ---

It's okay.

[21:11] ---

No, that's not it...

[21:13] ---

When we threw the Pizazz-Pizazz Fruit at the old man,

[21:16] ---

some of the juice sprayed out.

[21:34] ---

Everyone, tune in next week for Carpenter Dance

[21:38] ---

and Gin-Balls.
