[00:01] Gin

Yeah, back to staring at a static background.

[00:04] Gin

We had a little something planned
for this segment, but, y'know?

[00:08] Gin

And these lines were recorded three
days before the episode aired.

[00:12] Gin

I'm sure that the clever members of the
Gintama audience can figure out what happened.

[00:16] Gin

So here's another episode of
Gintama, living on the edge.

SIGN Don't Look

[01:52] Zura

Don't look.

[01:56] Zura

I found this in Elizabeth's room.

[02:00] Zura

What is it that I'm not supposed to look for?

[02:04] Zura

Or does it count as looking
when I'm looking for what it is

[02:07] Zura

that I'm not supposed to be looking for?

[02:10] Zura

In that case, I'll have to look for someone to look

[02:14] ---

for what I'm not supposed to look for,

[02:16] Zura

before deciding if I should

look or if I should not look.

[02:18] Zura

So I'm looking for someone who's
willing to look for the answer.

[02:21] Zura

But if I'm not supposed to look,

[02:23] Zura

then I can't look for the someone to look for the

[02:25] ---

someone to look for the someone to look for the...

[02:29] Gin

You're making this too hard.

[02:30] Shin

It's like you're lost in a
maze of what not to look for.

[02:33] Zura

Don't look...

[02:35] Gin

I won't.

[02:36] Gin

It's pretty obvious what this is.

[02:38] Gin

He ran away from home.

[02:39] Zura

E-Elizabeth ran away from home?!

[02:42] Zura

I-Impossible! Unfathomable!

[02:44] Zura

He had no reason to be unhappy!

[02:47] Zura

The last time I saw Elizabeth...

[02:50] Zura

The last time I...

[02:51] Zura

Th-The last...

[02:54] Zura

When was the last time I saw Elizabeth?

[02:57] Shin

You can't remember?!

[02:59] Kagura

I thought you noticed as
soon as he disappeared?

[03:02] Zura

No...

SIGN Zura: We have a testimonial from Mrs.

E who was able to find her happiness.

[03:03] Zura

Two episodes ago, when I was writing that text message,

[03:06] Zura

I didn't recognize who was in the picture.

[03:08] Shin

That's why he ran away from home!

[03:10] Shin

There's a tiny date on the sign.

[03:13] Shin

That means he was still around then.

[03:15] Gin

Huh?

[03:16] Gin

What day is today?

[03:17] Kagura

October 31st.

[03:20] Shin

I would understand if he put yesterday's date,

[03:21] Shin

but why is it tomorrow's date?

[03:22] Kagura

The sign must be from the future!

[03:24] Shin

That can't be it.

[03:26] Gin

Yeah, yeah.

[03:27] Gin

Go the other direction.

[03:29] Gin

Maybe that's a year old?

[03:31] Shin

Huh?

[03:33] Gin

Now that I think about it, it's been

[03:34] ---

a while since I've actually seen him in person.

[03:37] Zura

Wh-What do you mean?!

[03:39] Zura

E-Elizabeth ran away from home a year ago?!

[03:42] Zura

And I went about my life without a clue?!

[03:45] Gin

You're the one who can't remember.

[03:47] Zura

Don't be ridiculous!

[03:48] Zura

You heartless bastards may have forgotten,

[03:51] Zura

but how could I have
forgotten about Elizabeth?!

[03:53] Zura

That's absurd!

[03:55] Zura

Damn, I can't remember!

[03:57] Zura

For some reason, my memories
of Elizabeth are so erratic!

[04:00] Shin

Have they ever not been?

[04:02] Zura

What happened between us, Elizabeth?!

SIGN Tenny's

SIGN The People You Tend to Forget Tend to Show Up After You Forget Them

[04:14] Zura

We must locate Elizabeth at once.

[04:18] Zura

But my memory is hazy.

[04:19] Zura

I won't be able to remember
anything in the past.

[04:23] Zura

That is why...

[04:26] Zura

It's not Zura, it's Katsura.

[04:28] Shin

Uh, nobody said anything.

[04:30] Kagura

What are these, Zura?

[04:32] Zura

It's not Zura, it's a sign.

SIGN You little girls should go home and watch Ainori!!

[04:34] Zura

Does this look familiar?

[04:36] Shin

That was Elizabeth's line from
the popularity contest arc.

[04:40] Zura

Yes, all of the signs he's
used are stored here.

[04:44] Zura

We can use these to determine why he ran

[04:46] ---

away from home, and his current location as well.

[04:49] Gin

Hey, I don't have time to dig through all of these.

[04:52] Zura

This is the only lead we have.

[04:54] Zura

Don't worry.

[04:55] Zura

Elizabeth was a samurai at heart.

[04:57] Zura

He only spoke when necessary.

[04:58] Zura

For example, look at how this line is short and simple.

SIGN No, could be anyone.

[05:01] Shin

Uh, who was he talking to and what was trying to say?

[05:04] Zura

It's very simple.

[05:06] Zura

This is...

[05:06] TV

Is it an echo?

SIGN No, could be anyone.

SIGN No, could be anyone.

[05:11] Shin

How the hell were we supposed to know that?!

[05:13] Zura

Every time we saw this commercial,

[05:16] ---

he would raise this sign and I would go "OC"!

[05:20] Zura

But now I hear nothing...

[05:22] Shin

How is he a samurai at heart?!

[05:23] Zura

Elizabeth...

[05:23] Shin

We're supposed to go through all of these stupid signs?!

[05:26] Gin

Is there anything that looks suspicious?

[05:29] Gin

Oh, this is...

SIGN Thank you.

[05:31] Gin

He suddenly said thank you.

[05:33] Shin

And look at the next one.

SIGN Goodbye.

[05:35] Shin

This was when he decided to leave.

[05:37] Shin

What lead to these signs?

[05:38] N

...will bring you lots of scary friends...

[05:42] Zura

Pop, pop, pop!

[05:44] Shin

AC again?!

[05:47] Zura

Every time we saw this commercial,

[05:49] ---

we would take turns on the bunny and Lionel Richie parts.

[05:52] Shin

If you don't cut this out, I'm gonna

Goodbye Lionel Richie your ass!

[05:53] Zura

Elizabeth...

[05:55] Gin

Hey, these are all related to commercials!

SIGN No, it's kefir.

SIGN No, it's Yayataka.

[05:58] Shin

How much TV do you watch?!

SIGN No, it's Pitts.

SIGN No, it's Boss.

[05:59] Shin

Aren't the Joi supposed to
be taking back the country?!

SIGN No, it's Ondroid.

[06:01] Gin

These are the only decent ones.

[06:03] Gin

Excuse me, your collar is turned up.

[06:05] Gin

Was your hair done at the same
place where Tokiko Gato goes?

[06:08] Gin

How do you write out ?

[06:10] Shin

They're all about !

[06:13] Shin

And when did he use these signs?!

[06:16] Shin**

Doesn't this mean he was talking to ?!

[06:19] Zura

Was your hair done at the same place?

[06:22] Zura*

I'm close to remembering something.

[06:27] Zura

I believe this line was when...

[06:29] Zura

Yes, it was a winter day that
left you cold in body and soul.

[06:33] Shin

No, stop!

[06:34] Shin

Don't start a flashback
from those stupid lines!

[06:37] Zura

We were on the run, without
a roof above our heads.

[06:41] Shin

Hey! I said to stop!

[06:43] N

This race pits the young

[06:45] ---

***** against the older Ishihara in a one-on-one duel!

[06:48] Shin

You're watching TV again?!

[06:49] Shin

Just end this!

[06:51] Shin

Say something funny about
's hair and end this!

[06:54] Zura

I see, so these two are...

[06:55] Shin*

Don't bother setting up the joke!

[06:57] Shin

Look at *'s hair!*

[06:58] Shin

*She must go to the same
place Tokiko Gato goes!*

[07:01] Zura*

Is Ishihara the one who can provide
hope in these times of trouble?

[07:04] Zura

Or is it ?

[07:06] Zura

Which one is the answer?

SIGN No, it's Katsura.

[07:08] Shin*

Another OC commercial?!

[07:10] Shin

Wait! You're not going to say anything?!

[07:12] Shin

You're not going to comment on 's hair?!

[07:15] Zura

*Idle chatter did little to stave
off the biting cold and hunger.*

[07:20] Shin*

Stop wasting time on this
pointless flashback!

[07:23] Zura

I couldn't die here before starting
a revolution in this country.

[07:27] Zura

As we dragged ourselves
along, that was when...

SIGN *****

[07:32] Renho

Make ***** your first choice.

[07:34] Renho

Make ***** your second choice.

[07:35] Renho

***** is more than number one.

[07:35] Shin

Hey! It's the real !

[07:37] Renho

**** is the only one.

[07:37] Shin

Look at that hair!

[07:38] Shin

Her collars are turned way up!

[07:39] Shin

You can use all of your signs now!

[07:41] Shin

I see, you ignored the previous opportunity
so you could use them all here!

[07:45] Zura

Are you okay?

[07:47] Zura

I can carry that for you.

[07:48] Gin

Forget about the old lady!

[07:49] Gin

Look at that hair behind you! Say something!

[07:52] Fumi

Thank you.

[07:54] Fumi

There are still kind souls left in Edo.

[07:57] Gin

Yeah, very nice!

[07:58] Gin

But it would be even better if
he ended this stupid flashback!

[08:02] Zura

That was when we met Grandma Fumiko.

[08:05] Gin

Uh, nobody cares about the old lady!

[08:08] Zura

Grandma Fumiko would tell picture stories to

[08:10] ---

the children in the park at the top of the stairs.

[08:13] Gin

You've completely lost your chance!

[08:14] Gin

You're never going to get a better shot!

[08:16] Zura

In this age, kids don't
care about picture stories.

[08:20] Zura

Yet Grandma Fumiko would climb the stairs

[08:24] ---

every day with her heavy load.

[08:27] Zura

Maybe that was why Elizabeth began
visiting the park every day.

[08:32] Gin

Damn! This is turning into one
of those heartwarming stories!

[08:35] Gin

's never coming back!

[08:38] Zura

When it was raining...

[08:40] Zura*

When it was windy...

[08:43] Zura

When it was ...

[08:44] Shin

There's !

[08:46] Zura

Elizabeth went to the park with Grandma Fumiko

[08:49] ---

every day to watch the kids play.

[08:52] Shin**

It's a miracle!

[08:53] Shin

***** is back with her funky hair!

[08:56] Shin

Er, wait.

[08:57] Shin

's eating something!

[08:58] Shin

Gin-san! It's fried chicken!

[08:58] Zura*

One day, Elizabeth finally asked Grandma Fumiko the question that had been bugging him.

[08:59] Shin

's eating fried chicken!

[09:01] Gin

Hey, look behind you!

[09:03] Gin*

Say something!

[09:03] Gin

Funky chick eating fried chicken!

SIGN Why do you come here every day?

[09:07] Fumi

You think it's strange?

[09:08] Fumi

A storyteller spends all day watching the children instead of telling stories?

[09:14] Gin

It's no use!

[09:15] Gin

The fried chicken doesn't help!

They aren't looking!

[09:17] Shin

Hey!

[09:18] Shin

***** is throwing fried chicken at them!

[09:20] Shin

But they still haven't noticed her!

[09:21] Fumi

I tell stories to make the children smile.

[09:25] Fumi

But look, they're having plenty of fun already.

[09:29] Fumi

So my job is to watch over them.

[09:35] Shin

's messing up her hair in front of them!

SIGN *I want to see your picture story.*

[09:40] Fumi

You're such a strange one.

[09:41] Gin*

If he doesn't use those signs now,
he's never gonna use them!

[09:45] Fumi

Oh, well. I suppose I can tell
you one of my best stories.

[09:50] Gin

Please! End this flashback!

SIGN Was your hair done at the same place where Tokiko Gato goes?

[09:55] Fumi

Let's begin then.

[09:56] Fumi

The story of "Was your hair done at the
same place where Tokiko Gato goes?"

[10:01] Both

There?!

[10:03] Shin

You can use it there?!

[10:04] Gin

Wait!

[10:05] Gin

After all that buildup, it
wasn't even Elizabeth's sign?!

[10:08] Gin

It has nothing to do with , *you a-hole!*

[10:10] Shin

And what kind of picture story is this?!

[10:13] Shin*

No wonder the kids stayed away!

[10:15] Zura

I can't remember the details...

[10:17] Zura

I wasn't paying attention so I can't
remember anything after the title.

[10:23] Gin

Was it that scary?!

[10:25] Kagura

But why does Elizabeth have a
sign from the granny's story?

[10:30] Zura

I have a feeling that this
line will help me remember.

SIGN Excuse me, your collar is turned up.

[10:34] Gin

No, no more!

[10:35] Gin

Just stop!

[10:37] Zura

I believe this line was when...

[10:38] Shin

He started another flashback!

[10:40] Shin

Please get to the point and make this short!

[10:44] Fumi

Eli, you were too much.

SIGN Excuse me, your collar (my penis) is turned up.

[10:47] Fumi

My back can't take it.

[10:50] Gin

That was too short!

[10:51] Gin

How did that even happen?!

[10:53] Gin

What went down between them?!

[10:55] Zura

You wasted all that time
on the first flashback!

[10:57] Zura

It isn't proper for us to probe
into the affairs of other couples.

[11:01] Zura

All I can say is that Elizabeth isn't picky.

[11:03] Gin

This isn't a matter of being picky or not!

[11:05] Gin

And where were you watching this from?!

SIGN How do you write out ?

[11:07] Shin

Wait!

*[11:08] Shin**

There's only one sign left!

[11:11] Kagura

Hey, Zura! What's wrong?!

[11:13] Zura

My head...

[11:14] Zura

I-I have a feeling

[11:17] ---

that I'm not supposed

to remember what comes next...

[11:20] Gin

Wait!

[11:21] Gin

Don't tell me that you're talking about
Elizabeth and the old lady getting down and dirty!

[11:25] Gin

The flashback started! It started!

[11:31] Fumi

Snow... It's so cold...

SIGN Hold on.

[11:37] Fumi

It's okay. Don't overdo it.

[11:39] Fumi

You'll end up catching a cold.

[11:42] Fumi

Besides...

[11:44] Fumi

I have my own.

[11:48] Fumi

I'm sure that you've seen
through my disguise.

[11:50] Fumi

I may be wearing the skin
of an earthling right now,

[11:59] Fumi

but you could never forget
your former lover, could you?

[12:06] Fumi

But you could never forget
your former lover, could you?

SIGN B Part

[12:10] Fumi

Or did you approach me
because you recognized me?

[12:13] Fumi

So you could dispose of the traitor?

[12:16] Fumi

I was surprised to see that you were still
using those signs to lie to yourself.

[12:22] Fumi

After watching the people
on this planet smile,

[12:25] Fumi

I discovered my true calling.

[12:27] Fumi

I want to tell stories and protect

the smiles of the people here.

[12:33] Fumi

That is how I truly feel.

[12:35] Fumi

Don't you feel the same way?

[12:36] Fumi

So why are you still wearing that costume?

[12:39] Fumi

Why are you still using signs to talk?

[12:42] Fumi

Don't you realize what we're
doing to this planet?!

[12:48] ---

Y-You're such a coward...

[12:51] Fumi

Please... Stop this...

[12:57] Fumi

Y-You don't need to follow
someone else's script...

[13:04] Fumi

Write your own story...

SIGN Are you finished?

SIGN We've been ordered to return.

SIGN Our survey of Earth is complete.

SIGN Let's go, Captain.

[13:22] Zura

E-Elizabeth!

[13:24] Zura

Wh-Why you?!

[13:25] Zura

What is the meaning of this?!

[13:27] Zura

One Elizabeth, two Elizabeths,
three Elizabeths...

[13:38] Fumi

I see that he's regained his memories.

[13:42] Fumi

I just remembered everything myself.

[13:45] Fumi

Yes, he wasn't...

[13:47] Fumi

We aren't cute pets.

[13:49] Fumi

We came to invade this planet.

[13:53] Fumi

We were sent as spies to
scout the enemy's land.

[13:57] Fumi

We are members of the legendary mercenary tribe

[14:00] ---

who have worked for Dakini, Shinra, and Yato...

[14:02] Fumi

Feared as the white devils...

[14:05] Fumi

We are known as the...

[14:06] Zura

Elizabeth, who are you...?

[14:11] Fumi

Renho.

[14:13] Shin

I can't keep up with everything that's wrong!

[14:16] Shin

What are you people talking about?!

[14:17] Shin

Just look at what you're wearing!

[14:19] Shin

Why is the show suddenly serious?!

[14:20] Shin

Just look at what you're wearing!

[14:22] Shin

How are we supposed to
follow all these twists?!

[14:25] Zura

I remember everything now.

[14:28] Zura

The legendary mercenary tribe...

[14:30] Zura

The white devils, Renho!

[14:33] Zura

That is Elizabeth's true identity.

[14:35] Fumi

Yes, he infiltrated Earth
by pretending to be your pet

[14:40] Fumi

while secretly sending information about

[14:41] ---

this planet back to the main fleet.

[14:43] Shin

I've never seen a pet act like that!

[14:46] Shin

And he wasn't being secretive!

[14:47] Shin

He drew attention everywhere he went!

[14:48] Fumi

And your adorable pet was their leader.

SIGN Don't look.

[14:53] Fumi

And now they've returned to the main fleet

[14:54] ---

having completed their mission,

SIGN Forget

[14:56] Fumi

after erasing any potentially
inconvenient memories.

[14:59] Fumi

You forgot about him because
he erased your memories.

[15:05] Zura

Y-You're lying.

[15:09] Zura

The time Elizabeth and I
spent together was all a lie?

[15:14] Zura

It was all an illusion?

[15:16] Zura

I-I refuse to accept that...

[15:20] Zura

I absolutely refuse to accept it!

[15:22] Gin

Zura!

[15:25] Zura

Oh, don't come too close.

I don't want you to hear me.

[15:29] Shin

You picked the worst time to take a dump.

[15:32] Fumi

I didn't want him to betray you.

[15:35] Fumi

That's why I fought alone to
interfere with their work.

[15:40] Fumi

But I wasn't able to stop him.

[15:43] Fumi

I believe that over the past year,

[15:45] ---

they've almost finished preparing for their invasion of Earth.

[15:49] Fumi

At this rate, Earth will fall to the Renho.

[15:53] Fumi

But it isn't too late.

[15:55] Fumi

We can still stop him!

[15:58] Fumi

Please help me protect Earth from the Renho!

SIGN Dark Vader

SIGN has arrived.

SIGN Comrades,

SIGN the time has come.

SIGN After losing our mother planet in the great war, we have stayed strong while living on this planet.

SIGN However, we will no longer hide in the shadows.

SIGN Earth...

SIGN Once we take their planet, we will regain our former glory.

SIGN Our advance forces have already set the stage.

SIGN Take planet Earth away from them!!!

SIGN Regain the glory of the Renho!!

SIGN Hooray!

SIGN Searching

SIGN Lost

[17:33] A

We've lost the target.

[17:35] A

Captain, this is...

[17:37] Saka

Oh, they vanished into the darkness.

[17:42] Saka

They've earned that legendary mercenary moniker.

[17:45] Mutsu

Shouldn't you be a little concerned?

[17:47] Saka

Don't worry about it.

[17:49] Saka

Those guys are still on that planet.

SIGN Galaxy Warriors

[17:56] Zura

Battle!

[17:58] Zura

Onward to space!

[18:00] Kagura

Zura, that White Base ain't taking you to space.

[18:03] Gin

Oh, that's how the catapult works.

[18:05] Gin

He might be able to make it to space.

[18:07] Gin

Good luck.

[18:10] Zura

W-Wait, you fools...

[18:12] Zura

A true samurai would never
ignore a danger to Earth.

[18:16] Zura

If an idiot who didn't realize that his

[18:18] ---

pet was an alien invader can be a samurai,

[18:20] Zura

I give up on being a samurai.

[18:21] Zura

Bastards!

[18:22] Zura

You trust that Fujiko knock-off
more than Elizabeth?!

[18:25] Zura

I will not accept that!

[18:27] Zura

Elizabeth would never invade Earth!

[18:29] Zura

That slutty woman could never
be Elizabeth's former lover!

[18:32] Fumi

Oh? What makes you think that I'm slutty?

[18:36] Zura

Why you...

[18:37] Fumi

Please tell me.

[18:39] Fumi

Well?

[18:39] Fumi

In what way am I slutty?

[18:42] Zura

O-Obviously, your...

[18:44] Fumi

Why are you cooperating
with this slutty woman?

[18:47] Zura

I'm not cooperating with you!

[18:50] Zura

And I am not fighting as a Joi
patriot defending his planet!

[18:54] Zura

I'm going to save my friend!

[18:56] Zura

I may have a hundred doubts, a thousand doubts,

[18:59] Zura

but I choose to believe
in the drink we shared.

[19:02] Zura

That's how a friendship between men works.

[19:05] Zura

He must have his reasons.

[19:08] Zura

He must have been forced
into his current situation.

[19:13] Zura

In that case, I will cross the galaxy
and rivers of blood to save him!

[19:18] Shin

Uh, the rivers of blood are
flowing down your face.

[19:24] Fumi

He's not as innocent as you think.

[19:28] Fumi

But that's fine.

[19:29] Fumi

In any case, we share the same goal.

[19:33] Fumi

If you don't want Earth to be
destroyed, you should work with me.

[19:36] Gin

Screw that.

[19:37] Gin

Why are we supposed to help you
when you're the ones invading us?

[19:40] Gin

Do you even know how to
write invasion in Japanese?

[19:43] Kagura

The Yato can't do it.

[19:45] Fumi

Why don't we have a round, boy?

[19:49] Fumi

And I don't mean on a bed.

[19:51] Gin

Don't call me a boy!

[19:53] Gin

And stop acting like you're Fujiko Mine.

[19:56] Gin

You're like the tub and rubber duckie in one!

[19:59] Fumi

Oh, didn't you notice?

[20:01] Fumi

There's an angel above you.

[20:03] Gin

Sh-She's fast!

[20:04] Gin

She's already working her slutty magic on me!

[20:06] Shin

You were just as fast when
you moved in for the upskirt!

[20:09] Fumi

I prefer being on top.

[20:12] Fumi

Want me to take you to heaven?

[20:14] Gin

That's too bad.

[20:16] Gin

I prefer to take the lead.

[20:18] Shin

What do you think you're
doing at the playground?!

[20:21] Fumi

H-He's fast...

[20:23] Fumi

He was able to instantly
awaken my masochistic side.

[20:25] Shin

You were already a sick freak!

[20:28] Fumi

I never thought I would meet
such a dirty man on Earth.

[20:31] Fumi

I'm impressed!

[20:32] Gin

The pleasure's all mine.

[20:33] Gin

Welcome to our planet!

SIGN Planet Pervs

[20:34] Shin

It's Planet Earth!

[20:35] Shin

And why are you so impressed
with each other?!

[20:37] Shin

What kind of handshake is this?!

[20:38] Zura

Behold how quickly two individuals of
different races were able to make peace.

[20:42] Zura

I'm sure that we can find a peaceful solution if we talk to Elizabeth's brethren.

[20:45] Shin

They didn't talk about anything.

[20:47] Shin

All they did was reveal their fetishes!

[20:49] Zura

In any case, we need to come up with a plan.

[20:52] Fumi

Then you can use me as the map!

[20:55] Zura

Well, if this is space...

[20:57] Gin

What are you talking about?

[20:58] Gin

A woman's body has always been like space.

[21:00] Kagura

Space? All I see is a forest.

[21:01] Shin

Elizabeth-san!

[21:03] Shin

Go ahead and destroy Earth!

[21:14] Shin

No way!

[21:15] Shin

They actually attacked us!

[21:17] Shin

They're actually invading Earth!

[21:19] A

Captain, we were able to remove the obstacle.

[21:23] Saka

Really now?

[21:24] Saka

Let's land then!

[21:32] Mutsu

What are you doing?

[21:34] Mutsu

You want to destroy Edo before they even get here?

[21:38] Shin

Y-You're...

[21:43] Saka

It's been forever, huh?

[21:44] Saka

How many episodes has it been?

[21:46] Saka

I love the air on Earth.

[21:49] Shin

Sa-Sa-

[21:51] Shin

Sakamoto-san?!

[21:53] Shin
