I wonder how we're doing  
Are we getting this romance right?  
I'm not sure  
Even if there's no answer, let's discuss it  
I wonder if we can  
Pull off this thing called life  
I'm not sure  
Let's check our answers with all of our desire  
Life is like the weather  
Sometimes it shines, sometimes it pours  
Either thing can happen  
Well, if you need an umbrella  
I'll have one for us  
So why don't the two of us become one?
