[00:02] ---

It's the same here.

[00:04] ---

This is the fourth spot.

[00:08] ---

The fifth too, is probably...

[00:11] ---

Shouldn't we speed up
this operation?

[00:19] ---

Captain Amamiya.

[00:22] ---

Come with me.

[00:25] ---

How unlike you to return home.

[00:31] ---

How was Aegis?

[00:34] ---

Nothing special.

[00:36] ---

Just a manufacturing site.

[00:38] ---

Lindow, if you stand here and lie...

[00:41] ---

Major! We've completed the work.

[00:44] ---

All right.

[00:45] ---

Shall we go?

[00:47] ---

We're not done yet.

[00:48] ---

Sis, everyone is lost
without you there.

[00:57] ---

We've both taken on
more responsibilities.

[01:00] ---

Mine is nothing compared to yours.

[01:05] ---

Lindow...

[01:08] ---

Take care of yourself.

[01:21] ---

India and Glasgow...

[01:23] ---

Even guys directly attached
to Headquarters.

[01:26] ---

That's a lot of guys.

[01:28] ---

They summoned guys from every branch
in the world for this operation.

[01:32] ---

If this fails, every branch
will be up in arms.

[01:36] ---

It's finally starting.

[03:10] ---

Isn't it a little late for that, Paylor?!

[03:13] ---

How can we re-assess the plan?!

[03:15] ---

Without a doubt, this is the only way
to battle Aragami.

[03:19] ---

But it's too dangerous.

[03:21] ---

We all know that!

[03:23] ---

We're not doing this
out of love!

[03:30] ---

If only Aragami never appeared...

[03:33] ---

Just what did mankind do
to deserve this?

[03:36] ---

Not to mention organic matter,

[03:38] ---

they devour inorganic matter as well
and threaten civilization.

[03:42] ---

Perhaps, Aragami...

[03:44] ---

is a program created by God
to weed out mankind.

[03:50] ---

- In other words...
- God, you say?

[03:53] ---

Coming from a scientist like yourself?

[03:56] ---

You're a romanticist, after all, Paylor.

[04:00] ---

Is it God's will to kill off humans?

[04:02] ---

Then we'll just fight back!

[04:05] ---

Even if you put a loved one in danger?

[04:08] ---

And what would you do?

[04:10] ---

I'm not sure yet.

[04:12] ---

I do know, though,
that I would choose a different path.

[04:16] ---

Aragami don't wait.

[04:19] ---

I see. All right then.

[04:22] ---

Paylor...

[04:23] ---

I cannot do it.

[04:26] ---

I pray for your success, Johannes.

[04:33] ---

Aragami don't wait.

[04:39] ---

Huh? It's not ready yet?

[04:41] ---

Yeah, so you'll join us from
day two.

[04:45] ---

The operation has been moved up.

[04:47] ---

It's unfortunate, but it can't be helped.

[04:50] ---

I see...

[04:54] ---

And...there's one more bit of news.

[05:05] ---

Alisa!

[05:08] ---

Utsugi... Here.

[05:11] ---

Thank you.

[05:15] ---

Are you okay?

[05:17] ---

Yes!

[05:18] ---

I have no fears now.

[05:25] ---

I'm looking forward to working with you.

[05:29] ---

S-Sure.

[05:31] ---

She seems...unusually obedient.

[05:38] ---

Members of each branch, thank you
for traveling this long distance.

[05:43] ---

I wish I could go straight
into the strategic plan, but...

[05:47] ---

First, I'll announce the personnel
who will take part.

[05:51] ---

Lindow Amamiya!

[05:54] ---

You will command the advance base camp
in charge of supplies and reinforcement.

[06:00] ---

Major Amamiya!

[06:02] ---

I appreciate being assigned
to such an important position, but...

[06:06] ---

What is it?

[06:07] ---

Well... I think there's someone more suitable.

[06:13] ---

Who do you mean?

[06:15] ---

You're well aware of his leadership skills.

[06:21] ---

Not Utsugi?

[06:23] ---

It's just giving orders,
so it shouldn't be a problem.

[06:26] ---

I'll switch with him
from the second day.

[06:29] ---

Then I can be on the front lines
while he commands.

[06:34] ---

I think this idea has a lot of merit.

[06:38] ---

I understand. Fine.

[06:40] ---

Lenka Utsugi!

[06:41] ---

Y-Yes!

[06:43] ---

You will return to duty to 1st Unit immediately,

[06:47] ---

and take Lindow Amamiya's place
as advance base commander.

[06:50] ---

Yes, ma'am!

[06:52] ---

Lindow Amamiya is named captain
of Team A.

[06:55] ---

Roger that.

[06:56] ---

Our goal is to obtain the core
from 1000 large-type species.

[07:03] ---

Our success or failure will
impact the completion of Aegis.

[07:07] ---

Everyone must focus
to carry out this mission.

[07:10] ---

And now, I will go over
Operation Meteorite.

[07:17] ---

Way to go, Lenka.

[07:19] ---

Thanks, but...

[07:21] ---

Me? Command this operation?

[07:24] ---

Would you rather have been
left behind?

[07:26] ---

No... Thank you.

[07:29] ---

I just passed on the boring job
to you.

[07:34] ---

Team A is in charge of Vajras.

[07:38] ---

That Pita is supposedly a Vajra.

[07:42] ---

If it's in this vicinity,
Team A should encounter it.

[07:47] ---

Pita...

[07:49] ---

You mean, we may have to fight
that thing again?

[07:52] ---

I'll back you up as much as I can.

[07:54] ---

Don't worry.

[07:56] ---

I will destroy Pita.

[08:00] ---

She's still stuck on Pita.

[08:03] ---

It's inevitable.

[08:05] ---

Seems it killed her parents.

[08:10] ---

Her parents?

[08:14] ---

Whatever Aragami, we'll kill it.

[08:17] ---

Soma...

[08:18] ---

- Don't forget my order--
- I don't plan on dying.

[08:22] ---

He never lets me forget it.

[08:26] ---

I won't let anyone die anymore.

[08:31] ---

Utsugi...

[08:32] ---

We'll start our meeting.

[08:34] ---

Right

[08:35] ---

Lenka, come have dinner
at my house later.

[08:41] ---

Thanks.

[08:48] ---

The tech team came up
with something amazing.

[08:51] ---

It lives up to the name Meteorite.

[09:00] ---

This is still just for practice?

[09:04] ---

Umm...

[09:05] ---

You can combine your own bullets, right?

[09:09] ---

Yes.

[09:10] ---

Bullet-mode battles rely on Oracle technology,
so some knowledge is necessary.

[09:16] ---

You should all have some
proprietary bullets.

[09:20] ---

Sakuya... Will you teach me?

[09:25] ---

I want to be effective.

[09:29] ---

Sure.

[09:31] ---

Sakuya, what do you think
of this operation?

[09:35] ---

If it'll get us closer to
completing Aegis, isn't it good?

[09:39] ---

I just can't get into this.

[09:42] ---

What? Is that why you suggested

that Lenka take the lead?

[09:46] ---

No...

[09:48] ---

Just making sure.

[09:51] ---

Sorry I took your time.

[09:54] ---

Lindow!

[09:57] ---

No matter what the mission,
I have one purpose.

[10:01] ---

To protect you... That's all.

[10:05] ---

For that, I...

[10:08] ---

I think I'll drink the night away.

[10:14] ---

Sakuya said this to me today.

[10:18] ---

Gun-types are basically for back-up.

[10:21] ---

Our job is to allow those we back-up
to fight without distraction.

[10:26] ---

And that, when the fight is over,
they are alive.

[10:32] ---

That's what we makes us proud.

[10:36] ---

And I thought...

[10:38] ---

I became a God Eater
to protect my family.

[10:42] ---

But everyone else here
is also fighting for something.

[10:46] ---

I'm here to back them up
and bring them back alive.

[10:50] ---

That's my battle.

[10:54] ---

Then...

[10:55] ---

I have to lead so that

no one is confused.

[11:00] ---

You've changed, after all, Lenka.

[11:02] ---

Maybe it's maturity...

[11:06] ---

I found my purpose. That's all.

[11:10] ---

My family can live in peace.

[11:13] ---

I've got to give it my all.

[11:15] ---

Yeah.

[11:30] ---

Hey.

[11:32] ---

Is it time to depart?

[11:34] ---

Yeah, just about.

[11:38] ---

- Lindow.

- Hmm?

[11:40] ---

Here... Thanks.

[11:44] ---

A lot of things have happened.

[11:47] ---

Everyone...pieced my life together again.

[11:51] ---

You know your direction.

[11:52] ---

I already have the path in my head.

[11:56] ---

Is that so?

[12:02] ---

Lindow?

[12:04] ---

That belongs to you now.

[12:07] ---

Pass it on to someone
who needs to find their way.

[12:11] ---

Pass it on?

[12:19] ---

Report the status of Aragami
in each section.

[12:24] ---

Holy crap... Look at them.

[12:31] ---

So many of them!

[12:36] ---

Once you're in position,
prepare bullets for firing.

[12:40] ---

Team A... We're good to go.

[12:43] ---

Team E, we're ready!

[12:45] ---

Teams C, D, E...okay!

[12:48] ---

All teams are ready and standing by.

[12:51] ---

Good.

[12:52] ---

Attention! This is Headquarters.

[12:54] ---

Commence with
Operation Meteorite Phase 1.

[12:58] ---

Meteorite... Fire now!

[13:03] ---

Episode 11
Operation Meteorite

[13:10] ---

What's this?

[13:12] ---

It's from Paylor... A Safe Birth Charm.

[13:16] ---

Paylor contacted you?

[13:18] ---

No...

[13:20] ---

He sent it to you.

[13:23] ---

I want you to hang on to it.

[13:25] ---

It's for you.

[13:28] ---

I want you to pray
for our safety.

[13:31] ---

For baby and me.

[14:02] ---

Look at that!

[14:04] ---

Kota, the Meteorites will
clear away soon.

[14:07] ---

- Prepare for back-up!
- Roger!

[14:09] ---

Okay, there's the signal.

[14:12] ---

We're up next.

[14:15] ---

Phase 1 complete!

[14:27] ---

All teams, transition to Phase 2!

[14:30] ---

Close combat teams, begin your descent!

[14:42] ---

Kill every damn one of them!

[14:55] ---

That's...

[14:56] ---

*I was shocked when
Captain Amamiya told me.*

[14:59] ---

Using a factor with a different bias inclination
to intentionally trigger a frenzy...

[15:05] ---

*Your recklessness made it possible to
amass the core from 1000 Aragami.*

[15:09] ---

We are grateful.

[15:11] ---

Thank you.

[15:24] ---

The Oracle Cell erosion is progressing.

[15:26] ---

- Administer 130mm of the Bias Factor.
- Hang on.

[15:28] ---

Just a bit longer...

[15:32] ---

- Enough! Stop this!
- Dear...

[15:38] ---

Aisha...

[15:40] ---

Let's switch to a Cesarean section.

[15:53] ---

A-Aisha...

[16:23] ---

What's going on?

[16:24] ---

Command, this is Lindow.

[16:27] ---

- *Moving away?*

- Yes.

[16:30] ---

*The Vajra turned from the devices
and are heading northwest.*

[16:34] ---

What the devices working properly?

[16:36] ---

No. According to our data,
everything's working fine.

[16:40] ---

So why?

[16:41] ---

Connect me to Prof. Sakaki.

[16:44] ---

Northwest...

[16:46] ---

- Can you put up an area map?

- Yes!

[16:51] ---

Lindow!

[16:53] ---

Oh, newbie. What is it?

[16:55] ---

Vajra are headed there.

The northwest is in danger.

[16:58] ---

Yeah, I know.

[17:00] ---

The dam is there.

[17:07] ---

I suspected a device malfunction,
but all five are working.

[17:12] ---

*It's some natural phenomenon,
or some trait we never knew about.*

[17:18] ---

*Major Amamiya, can I go
for reconnaissance?*

[17:22] ---

- *Reconnaissance? Alone?*

- Lindow?

[17:25] ---

*At this rate, we'll end up losing
a huge amount of core.*

[17:28] ---

There aren't many Aragami left,
so the others can handle them.

[17:34] ---

*All right, Find out the cause,
then report back.*

[17:37] ---

Don't do anything reckless.

[17:39] ---

Roger that.

[17:40] ---

Sakuya, take care of things here.

[17:42] ---

Be careful, Lindow.

[17:45] ---

We'll join you as soon as
we're done here.

[17:47] ---

Yeah, I'll be waiting.

[18:27] ---

What happened?

[18:43] ---

Don't tell me this...

[18:47] ---

Aisha!

[19:09] ---

Aisha...

[19:27] ---

Let's begin.

[19:31] ---

What's happened?

[19:32] ---

We got disconnected
with Captain Amamiya!

[19:35] ---

What?!

[19:36] ---

Major Amamiya!

[19:37] ---

Vajra outside the perimeter
are moving!

[19:42] ---

What is this...?!

[19:43] ---

*They're all headed in
Captain Amamiya's direction!*

[19:47] ---

Sakuya... Send reinforcements now--!

[19:52] ---

What's going on?

[19:54] ---

Non-Vajra Aragami suddenly appeared!

[19:57] ---

What?!

[19:58] ---

Major! Team A's guiding device
is acting up!

[20:02] ---

And I can't control it!

[20:04] ---

What's happening?

[20:06] ---

Major! There's no way we can move now!

[20:09] ---

You must help Lindow!

[20:11] ---

What's the closest team?

[20:13] ---

Team B... But it'll take them
over 30 minutes.

[20:33] ---

Utsugi!

[20:35] ---

Major!

[20:36] ---

Go to Captain Amamiya's aid!

[20:39] ---

But my God Arc...

[20:41] ---

I'll deliver it to the site.

[20:43] ---

It may not be as stable, but if we skip
a few tests, it'll be good to go.

[20:48] ---

Licca!

[20:50] ---

I'll do it in 300 seconds!

[20:52] ---

You are the only God Eater

who can go right now!

[20:55] ---

Get out there! Utsugi!

[21:08] ---

Start the copter!

[21:12] ---

It's complete, Professor!

[21:14] ---

I just finished on my side too.

[23:26] ---

I couldn't save them...

couldn't protect them...

[23:28] ---

You are *not* weak!

[23:30] ---

- Leave the back-up to me.

- Honor your orders, Captain!

[23:33] ---

Teach me when we get back!

[23:35] ---

I'll be waiting at the site.

[23:37] ---

Episode 12

United They Stand

[23:38] ---

It's a fine team.
