[00:05] Gremoire

This Elements changes form based on the heart of the human that challenges me.

[00:11] Gremoire

This is the first time the Casino of the Gods has been projected.

[00:16] Fay

Are you Gremoire?

[00:18] Gremoire

Correct. As soon as a human arrives, I analyze them physically, mentally,

[00:23] Gremoire

as well as their Arise, but I couldn't get enough information from you.

[00:29] Fay

I'm pretty surprised by your appearance.

[00:32] Gremoire

I chose this form from one of the humans I recently transformed into.

[00:36] Gremoire

Now, then. The game is The Three Cheats.

[00:40] Gremoire

[00:52] Fay

So you're going to cheat.

[00:55] Gremoire

Yes. To win, you'll have to see through my Cheat of Certain Victory.

[01:00] Gremoire

Oh, and here is a very important promise.

[01:02] Gremoire

I will only use one kind of cheat.

[01:07] Fay

Oh? That sounds interesting.

[01:09] Gremoire

I'm going to tell your friends my cheat before we start.

[01:14] Gremoire

If we're all satisfied with that, let us begin.

[01:18] Leshea

Well, you seem confident.

Fine, let's hear it.

[01:26] Gremoire

My cheat is...

[01:32] Pearl

H-Hey!

[01:32] Nel

W-Wait, wait!

[01:33] Leshea

What the heck?!

[01:36] Leshea

That's great. We believe in Fay, right?

[01:39] Pearl

I'm sure he'll see through it.

[01:41] Nel

I believe in you.

[01:44] Leshea

So, yeah. Do your best.

[01:46] Gremoire

Can you see through the three cheats this god is going to bring forth?

[01:53] Fay

I'm in.

All right. Let us begin our
first game, the coin flip.

[03:43] Gremoire

Choose your coin.

[03:45] Fay

All right. I choose the
black and white coin.

[03:55] Fay

Am I tossing the coin, or are you?

[03:58] Gremoire

To be fair, I'm going to have your friends
be the dealer in all three games.

[04:03] Gremoire

You're first.

[04:07] Nel

I really don't want to do this, but
all right. I will be the dealer.

[04:15] Fay

What are you doing?

[04:16] Nel

I'm supposed to toss the coin/chip.

[04:18] Nel

I can toss it better by kicking it.

[04:21] Nel

My Arise involves my legs, so
I'm always practicing my kicks.

[04:25] Fay

I see.

[04:27] Nel

Master Fay's face, the white

side, is heads. Black is tails.

[04:31] Nel

We'll go in this order.

[04:32] Nel

I'll kick the coin into the air.

SIGN ①Kick the coin into the air.

SIGN ②While the coin is in the air, call heads or tails.

[04:34] Nel

While the coin is in the air,
you'll call heads or tails, Master Fay.

SIGN ③After it's called, kick it up once more for
fairness.

[04:39] Nel

After you call it, I will kick
it up one more time to be fair.

[04:43] Nel

When it hits the ground,
that'll be the result.

[04:46] Nel

Okay, here we go, Master Fay.

[04:52] Fay

*She won't be able to do any blatant trick
to the coin once it's up in the air,*

[04:55] Fay

and I get to call heads or tails.

[04:58] Fay

*So the cheat must be to not let me
choose heads or tails correctly.*

[05:04] Fay

Heads.

[05:11] Nel

It's tails. I'm sorry, Master Fay.

[05:14] Fay

You don't need to apologize, Nel.

[05:16] Fay

I didn't notice any unnatural movements.

[05:19] Fay

Considering my one-in-two odds,

[05:20] Fay

it looks like I coincidentally lost...

[05:22] Fay

but the Cheat of Certain Victory exists.

[05:26] Fay

Okay, let's move on to the next game.

[05:29] Gremoire

Well, aren't you in a
hurry... Are you panicking?

[05:33] Fay

Well, Chief Secretary Miranda
is awaiting our return.

[05:37] Gremoire

All right. In this game of poker,
we won't be using any coins.

[05:41] Gremoire

We'll be able to swap cards just once
from the original hand we're dealt.

[05:45] Gremoire

Then we'll determine a winner.

[05:47] Fay

So it'll be completely based on luck.

[05:49] Gremoire

You mean Certain Victory. That's
the name of the cheat, after all.

[05:52] Gremoire

The dealer will be...

[05:53] Leshea

Me!

[05:57] Leshea

Looks like all the cards are here. Doesn't
look like any of the cards are tagged, either.

[06:02] Fay

*She's using the same
cheat in all three games.*

[06:05] Fay

*If there was a trick to
the coin in the last game,*

[06:07] Fay

*that means this game, the cards
will have the same trick.*

[06:09] Fay

*But considering Leshea
hasn't spotted anything,*

[06:12] Fay

*the possibility that the god's power
has influenced the cards is low.*

[06:19] Fay

*Two pairs... and one of them is
of the highest card, the ace.*

[06:23] Fay

*If I swap out this seven and
happen to get an eight or an ace,*

[06:26] Fay

*I'll almost certify my
victory with a full house.*

[06:30] Gremoire

How's your hand? I hope
you got good cards.

[06:34] Fay

Who gets to swap out their cards first?

[06:37] Gremoire

Either one of us.

[06:38] Fay

Then I'll swap mine out first.

[06:41] Fay

I'm swapping out my hand.

[06:43] Nel

Wh-What are you doing, Master Fay?

[06:45] Pearl

Yeah! I mean... didn't
you have two pairs?

[06:49] Fay

If I only swapped out one card, the rest
of that deck would be available to the god.

[06:54] Fay

I'm swapping out all my cards
to see if the cheat is there.

[06:58] Leshea

Okay, I'm dealing you your cards.

[07:03] Fay

One pair.

[07:04] Fay

There was no obvious bias in the deck.

[07:07] Fay

Are you swapping any cards?

[07:11] Gremoire

A straight flush.

[07:13] Fay

This is too blatant.

[07:15] Fay

All right,

[07:16] Fay

*I need to figure out the cheat that she
used in both the coin flip and poker.*

[07:20] Fay

Did she somehow control the coin itself?

[07:22] Fay

No, that wouldn't explain the straight flush.

[07:26] Gremoire

Let us proceed to the final game, old maid.

[07:31] Leshea

Okay, off you go!

[07:40] Pearl

I'm too nervous!

[07:42] Fay

*It doesn't look like there are any tricks
on either side of any of the cards.*

[07:45] Pearl

The hands are huge at 27 and 26 cards, but
please move your pairs off to the side.

[07:52] Fay

Twenty-seven...

[07:54] Fay

So I get an extra card.

[08:05] Gremoire

Since you have more cards,
I'll let you choose our order.

[08:11] Fay

The end card on my left.

[08:16] Gremoire

All right, it's my turn.
By the way, human...

[08:20] Pearl

Yes?!

[08:21] Gremoire

Why are you trying to leave?

[08:23] Gremoire

You want this human to win, don't
you? I'll do you a huge favor.

[08:28] Gremoire

You can stand right behind me
to ensure that I don't cheat.

[08:31] Pearl

Huh?!

[08:33] Fay

What brought this on?

[08:35] Gremoire

It's my style to choose games that are fair.

[08:38] Gremoire

Do any of my cards seem out of the ordinary?

[08:42] Pearl

No. I don't see anything
wrong with the cards.

[08:46] Gremoire

It's my turn to pick a card, isn't it?

[08:49] Fay

Well, this was unexpected.

[08:52] Fay

I thought her cheat might be to

avoid my joker completely but...

[08:55] Fay

*Is this coincidence, or did
she purposely choose it?*

[08:58] Gremoire

As you know, I now have the joker.
Now, it's your turn to pick.

[09:03] Fay

Okay, the left.

[09:07] Gremoire

Now, it's my turn.

[09:13] Fay

I totally have the advantage.

[09:15] Fay

*If I get a three or a nine here, I win.
The chances of me winning are 66.6%.*

[09:20] Fay

As long as I don't pull the joker...

[09:24] Fay

I'll take the right.

[09:29] Fay

*Did she make me pull it? Unless
she's using precognition,*

[09:32] Fay

*she wouldn't have been
able to place it there.*

[09:33] Fay

*But that wouldn't give her certain
victory in the coin flip or poker.*

[09:38] Gremoire

I'll also choose the right.

[09:42] Gremoire

All right. Next, you'll
take this card, and I win.

[09:47] Gremoire

As promised, I won all three games.

[09:51] Gremoire

Now, tell me your answer.

[09:54] Gremoire

Tell me what my cheat is.

[09:58] Fay

I'm dealing with a god.

[10:01] Fay

She can do anything.

[10:06] (Flashback) Pearl

H-Hey!

[10:07] (Flashback) Leshea

What the heck?!

[10:09] Fay

*But would these three agree to a cheat
that's impossible for a human to deal with?*

[10:14] Fay

*There's one other thing... the
strangeness I felt during old maid.*

[10:21] Fay

The god didn't see through my joker.

[10:24] Fay

*This cheat should be solid, but in
that moment, she showed her weakness.*

[10:28] Fay

*Remember everything that
happened in that game.*

[10:41] Fay

Let's play one more time.

[10:43] Fay

I'll get my revenge in old maid.

[10:45] Fay

Pearl, deal us the cards one more time.

[10:48] Gremoire

If you're trying to buy some time because
you were unable to see through the cheat...

[10:52] Fay

No.

[10:53] Fay

I'm going to break through your
Certain Victory in this next game.

SIGN Gods' Games We Play

[11:04] Fay

Do you mind if I go first again
since I have more cards?

[11:08] Gremoire

Go right ahead.

[11:09] Fay

The very left.

[11:14] Gremoire

The second from the right.

[11:22] Gremoire

What's the matter?

[11:24] Gremoire

You're staring so hard.

[11:27] Fay

The right.

[11:31] Gremoire

Then I choose this one.

[11:36] Gremoire

Oh, that's too bad.

[11:38] Gremoire

Do you think you're lucky?

[11:40] Gremoire

If you take my five, it
looks like you might win,

[11:44] Gremoire

but the result will be the
same as the last game.

[11:48] Gremoire

You'll be drawing the joker.

[11:50] Fay

No, your Certain Victory's been shattered.

[11:54] Fay

It's time to review our answers.

[11:56] Fay

Right!

[12:00] Gremoire

My cheat is still in effect. You should've
chosen the joker no matter what!

[12:05] Pearl

Fay.

[12:06] Fay

That must've been rough.

[12:09] Fay

The cheat is based on our accomplices.
The ones we had on our side.

[12:15] Fay

This was a game of four versus
one. But you weren't the one.

[12:19] Fay

I was the one.

[12:21] Fay

Right, Leshea?

[12:22] Leshea

Yup! I knew you'd figure it out.

[12:26] Leshea

Were Nel and Pearl that obvious?

[12:28] Pearl

Th-This wasn't my fault.

[12:31] Gremoire

How did you figure it out?

[12:33] Fay

You drew the joker.

[12:35] Fay

At that point, I was able to figure out

[12:37] Fay

that the only way you'd achieve certain victory is by having me draw the joker.

[12:41] Fay

Which means, this cheat only works when the joker is in the god's hands.

[12:46] Leshea

In other words, the god can't cheat with Fay's hand.

[12:50] Fay

Yeah. And this is where the other strangeness I felt became the key.

[12:55] Fay

Pearl, why did I get 27 cards?

[12:58] Pearl

Huh?

[12:59] (Flashback) Pearl

The hands are huge at 27 and 26 cards...

[13:03] Fay

I had the extra card, making my hand 27.

[13:07] Fay

Both times, I should've been at a disadvantage with that hand.

[13:11] Fay

That's the first time I doubted my friends and realized...

[13:15] Fay

Pearl was standing behind the god the whole time.

[13:18] Fay

Yes... to make it look like she was just keeping an eye on the cards.

[13:21] Fay

But it was for the sake of using an Arise to switch cards.

[13:24] Fay

As soon as I drew the card, it got swapped out with the joker with Shift Change.

[13:29] Fay

If my hypothesis goes as planned, the rest is easy.

[13:32] Fay

In the coin flip and poker, the ones who were cheating were Nel and Leshea.

[13:36] Fay

But I'm impressed.

[13:38] Fay

You were already hinting at the trick from the beginning in your explanation.

[13:43] (Flashback) Gremoire

As soon as a human arrives,

[13:45] (Flashback) Gremoire

I analyze them physically, mentally, as well as their Arise...

[13:50] Fay

You already knew about Pearl and Nel's abilities...

[13:53] Fay

So you told them to help you cheat back then.

[13:57] Nel

I'm so sorry. This cheat is outrageous, but I used my Arise to control the flip.

[14:05] Fay

Yeah. At that moment, Nel used her Moment Reversal,

[14:09] Fay

to make sure the coin would come up tails.

[14:12] Nel

I-I'm so sorry.

[14:14] Fay

Leshea's doesn't need explanation so we can skim past it.

[14:17] Leshea

Why though?!

[14:18] Fay

I mean, there's nothing actually behind the poker game.

[14:20] Fay

You were the one dealing the cards, right?

[14:23] Leshea

I can get a straight flush on my first hand in poker even with my eyes closed!

[14:28] Fay

Well, Gremoire?

[14:29] Gremoire

That final game of old maid is not sitting well with me.

[14:32] Gremoire

Even if you saw through the cheat, it should've been impossible for you to win.

[14:37] Fay

Of course. Normally, you wouldn't be

able to stop Pearl's Shift Change.

[14:43] Gremoire

You broke the rules?

[14:44] Gremoire

You purposely didn't use
your Arise, didn't you?

[14:47] Fay

No. She couldn't activate it.

[14:49] Gremoire

What?

[14:51] (Flashback) Pearl

I can't usually swap things unless
I've touched them in the last three minutes.

[14:55] Fay

It'd been three minutes
since she dealt the cards.

[14:58] Fay

Therefore, she couldn't
activate her Shift Change.

[15:02] Pearl

Yes, that's correct.

[15:05] Gremoire

You were buying time.

[15:06] Gremoire

Her watching over me was a bluff.

[15:08] Gremoire

But then, we were on even ground.

[15:10] Gremoire

So you were only able to
draw that five by pure luck.

[15:13] Fay

Not exactly.

[15:14] Fay

You didn't change the position
of your joker, did you?

[15:19] Fay

Normally, you'd shuffle
if you got the joker,

[15:22] Fay

but you didn't.

[15:26] Fay

Because you overestimated her Shift Change.

[15:33] Gremoire

I'm surprised. I lose.

[15:36] Gremoire

Here's the prize I promised you.

[15:40] Nel

Huh?

[15:44] Gremoire

Okay, all done.

[15:47] Nel

D-Does this mean I made
my comeback to the games?

[15:51] Gremoire

There's one more answer I'd like to review.

[15:54] Gremoire

You said this was "all according to plan,"

[15:57] Gremoire

and you were certain you'd
win no matter how it went.

[16:01] Fay

Everyone, put up your right hands.

[16:07] Gremoire

You all have the same number?

[16:08] Fay

Yeah. We adjusted our victories.

[16:12] Fay

We made it so we all had three victories.

[16:15] Gremoire

Why would you do that?

[16:17] Fay

I want my whole team to get ten
victories at the same time.

[16:20] Fay

We're a team, so we have the same goal.

[16:22] Leshea

If Nel won, it would've been a bonus.

[16:24] Fay

Even if she lost, we were
able to get enough victories.

[16:29] Gremoire

I see. This was fun.

she had something urgent to tell us.

SIGN Urgent Matter: Escape the

[17:33] Miranda

Over 200 apostles were forcefully gathered into a giant labyrinth,

[17:38] Miranda

and even after 57 hours, none of them have returned.

[17:41] Fay

You mean it's impossible to return?

[17:43] Miranda

That's why HQ immediately put together a rescue squad.

[17:48] Miranda

From the Ruin branch, your team's been chosen, Fay.

[17:51] Pearl

Once you lose, you usually come back to the real world, don't you?

[17:56] Miranda

Apparently in this game, you can challenge over and over again.

[18:00] Pearl

Huh?

[18:01] Miranda

You can keep dying, but you'll have to start from the beginning each time.

[18:05] Miranda

Meaning, you have to start at the respawn point.

[18:08] Nel

But doesn't that method certify that the human side will win?

[18:12] Nel

If you can keep retrying, you'll be able to leave that labyrinth someday.

[18:15] Miranda

This infinite respawn isn't a privilege. It's an obligation.

[18:20] Fay

So you're saying that until they clear this incredibly difficult game,

[18:23] Fay

they can't return to the real world.

[18:25] Miranda

There are two ways to rescue them.

[18:27] Miranda

The first is to clear the game.

[18:29] Miranda

The second is to find a certain

save item in the labyrinth.

[18:34] Miranda

Everyone who disappeared

[18:35] Miranda

hasn't been able to do that, so
they haven't been able to return.

[18:38] Fay

That's interesting. This is completely
different from all the games we've played.

[18:42] Miranda

You mean the infinite respawn?

[18:44] Fay

No. I mean the forced participation
from people around the world.

[18:49] Leshea

That's true. I don't remember there
ever being a game where apostles

[18:52] Leshea

from all around the world were
forced into a single game.

[18:55] Fay

I want to find out what this god is after.

[18:58] Fay

If we don't, there's a possibility

[19:00] Fay

*these games where people are forced
to play might keep happening.*

[19:03] Miranda

Anyway, the first priority
is to find this save item.

[19:08] Miranda

We need to save the ones
stranded in that game first.

It instantly disappeared. Does it
show the number of our respawns?

[20:56] Nel

It's so peaceful. Are we
really inside the labyrinth?

[21:00] Pearl

No, we can't let our guard down!

[21:02] Pearl

I'm sure it just looks peaceful,
but there're traps everywhere!

[21:09] Pearl

It would be so much fun to

have lunch under those trees!

[21:13] Pearl

I should've brought some sandwiches with me.

[21:16] Leshea

You already let your guard down.

[21:18] Pearl

But it really *is* peaceful!

[21:21] Fay

Well... we have a long road ahead of us,

[21:23] Fay

so it wouldn't hurt to take a short
break to plan out our strategy.

[21:26] Pearl

I agree!

[21:29] Pearl

Wow, what a yummy looking apple!

[21:32] Nel

Is it an apple? I guess it would
be too big to be a cherry.

[21:36] Pearl

Who cares about the small details?

[21:38] Pearl

Considering how red it is, it's
definitely going to be sweet and yummy!

[21:42] Fay

Look out!

[21:48] Meep

Respawn.

[21:52] Leshea

Pearl...

[21:53] Pearl

That was somehow my fault?!

[21:55] Nel

I see... so that's how this game works.

[21:58] Fay

This is definitely gonna take a while.

[22:04] Gremoire

Aw... I'm going to be bored again.

[22:07] Gremoire

I wonder how many decades it'll
be until the next human shows up.

[22:15] Gremoire

Well, this is a rather rare guest.

[22:18] Gremoire

You're always cooped up in your own world.

[22:22] Gremoire

What brought this on, Uroboros?

[22:26] Uroboros

Where'd the humans from earlier go?
