[01:35] ---

The planet "Endless Illusion."

[01:38] ---

*A lost soul's paradise
where savage dreams abound.*

[01:43] ---

Somewhere on this planet

[01:44] ---

there are people with the same desire.

[01:47] ---

*Only the slightest interaction
causes them to share the same dream.*

[01:52] ---

*Meanwhile, there is also
an enemy they must fight.*

[01:56] ---

*It is the wall of an endless journey,
towering above like a mountain.*

[02:03] ---

"Neo Originals"

[02:11] ---

Hey, Van.

[02:13] ---

What?

[02:14] ---

You think we'll find work this way?

[02:16] ---

I can't think of anything else to do.

[02:19] ---

But we've been at it for two days now,
and I'm running out of money.

[02:24] ---

Guess I should have taken
some of Pricilla's money after all.

[02:27] ---

Say, how come you remember
Pricilla's name so easily?

[02:33] ---

Yeah, good question. I wonder why.

[02:36] ---

I don't know!

[02:40] ---

It'd be faster if we went to the
casino and made a quick fortune.

[02:44] ---

Why not?

[02:45] ---

Like I said, we don't have anything to bet.

[02:48] ---

But I have a little.

[02:49] ---

Then why don't you go?

[02:51] ---

I can't go in by myself.

[02:54] ---

Oh, really?

[02:56] ---

Come on! Put it all on the line.

[02:59] ---

It's time for the amazing
turtle race! They're about to run.

[03:04] ---

Anyone who hasn't got a ticket
yet, you'd better make it quick.

[03:07] ---

Why are we doing this stupid turtle thing?

[03:08] ---

Because I don't know how to play roulette.

[03:11] ---

The long shot this time
is the walk-on entry five,

[03:13] ---

known as "Kameo."

[03:14] ---

Keep an eye out for him. Ready. Go!

[03:20] ---

Go Kameo!

[03:27] ---

Kameo, I bet everything on you!

[03:34] ---

If you lose we won't be able to eat!

[03:38] ---

Number five's gaining.

[03:39] ---

Is it going to be the long shot?
No, number four is pulling away.

[03:42] ---

Number four? Number five?

[03:43] ---

They're approaching the finish line.

[03:46] ---

KA-ME-O!

[03:48] ---

Hey, what the hell are you doing?

[03:50] ---

If you can't win

[03:51] ---

I'm going to make you
into a steak and eat you!

[03:56] ---

Goal!

[04:00] ---

That's Zonnet Junction there,
and here's Duel Park.

[04:04] ---

So if we fly from here, we can
make it almost to Missoghi.

[04:09] ---

Say, are we really
going to ride in that thing?

[04:12] ---

You want to get there quick, right?

[04:14] ---

That's so big...

[04:17] ---

It'll fly. Probably.

[04:18] ---

Probably?

[04:19] ---

They charged so much. It should.

[04:28] ---

Excuse me, miss...

[04:31] ---

Oh, I'm sorry.

[04:33] ---

Let me see. Our tickets?

[04:37] ---

Oh, I found them. Here you go.

[04:46] ---

Birka One, departing on schedule.

[04:49] ---

Roger.

[04:50] ---

Weather report remains unchanged.

[04:52] ---

Take care. Good luck.

[04:56] ---

What are you doing?

[04:57] ---

I don't like leaving the flying to others.

[05:00] ---

I'll take that.

[05:01] ---

Excuse me, sir. That's...

[05:03] ---

Someone else's I think...

[05:05] ---

I'll take that too.

[05:06] ---

Uh, that's...

[05:08] ---

Don't try and skimp.

[05:16] ---

What? Alcohol?

[05:19] ---

I don't feel... so good.

[05:25] ---

I'm sorry. I'm sorry.

[05:27] ---

I'm sorry.

[05:32] ---

Please call me again if anything happens.

[05:34] ---

I'm sorry to have troubled you.

[05:36] ---

Very well then.

[05:44] ---

I swear, he really is a slob.

[05:50] ---

I shouldn't have left it open.

[05:56] ---

Why did he remember it so easily?

[06:07] ---

What the heck is this Armor?

[06:09] ---

I told you, didn't I? It's special.

[06:11] ---

You didn't have to make
its operation special too.

[06:14] ---

What was the owner thinking?

[06:17] ---

It has been without a
Rider for 10 years now.

[06:21] ---

Then let me have it.

[06:24] ---

I could master it in 2 or 3 days.

[06:27] ---

We just need you to help
get the maintenance data.

[06:31] ---

What for?

[06:32] ---

Hey, Elena, did you really bring him here?

[06:36] ---

A drifter from the edge of town.
There's no way he'll make it.

[06:40] ---

What's this guy trying to say?

[06:42] ---

Do you think so? But he's interesting.

[06:50] ---

That's enough for today.
Are you OK for tomorrow too?

[06:53] ---

Of course.

[06:54] ---

Not only is he conscious,
he's got spirit too.

[06:58] ---

That voice...

[06:59] ---

You're the guy from earlier.

[07:01] ---

How's the ride?

[07:04] ---

It's the best.

[07:06] ---

Let me have this thing.

[07:08] ---

You've got a lot of nerve.

[07:10] ---

This is the Original Armor.
One of only seven in the world.

[07:14] ---

It's the strongest Armor there is.

[07:16] ---

The strongest? I like it.

[07:21] ---

You're a good talker, but that's about it.

[07:24] ---

But we'll need to reconstruct your body
if you're going to use it properly...

[07:30] ---

Just like I was.

[07:32] ---

Reconstruct? What's that?

[07:35] ---

You don't need to do that with me.
I can handle it.

[07:39] ---

My name is Gadved.
What's your name, drifter?

[07:43] ---

Van!

[07:44] ---

Just Van, nothing else.

[07:46] ---

In that case, you want to see
if you can become somebody?

[07:50] ---

Live here at Original Point.
You seem to have some promise.

[07:57] ---

Yes. It's him.

[08:00] ---

He took the airship from here.

[08:02] ---

I've notified Wo.

[08:05] ---

Yes.

[08:18] ---

I'm sorry, but that seat is...

[08:20] ---

Oh, haven't I seen
you somewhere before?

[08:24] ---

Are you making fun of me?

[08:25] ---

Oh, Wendy?

[08:27] ---

Don't act so surprised.

[08:29] ---

What happened?

Where did you get those clothes?

[08:32] ---

I called the front desk and borrowed them.

[08:35] ---

I felt out of place wearing
my regular clothes here.

[08:37] ---

Really?

[08:39] ---

Does it look strange?

[08:41] ---

Yes.

[08:43] ---

No, I mean strange in a good way.

[08:45] ---

Some food and milk and all your condiments.

[08:48] ---

Condiments?

[08:49] ---

All of them.

[09:01] ---

Hey, there's something
I've been thinking about.

[09:04] ---

What?

[09:05] ---

It's a shame you add all
those condiments to your food.

[09:09] ---

It is?

[09:10] ---

You're wasting a perfectly good meal,

[09:13] ---

and if other people were to see...

[09:15] ---

All right. I'll be careful.

[09:19] ---

You don't have any manners.

[09:26] ---

Oh, no. I'm doing it wrong.

[09:30] ---

Oh, well, who cares?

[09:33] ---

You idiot!

[09:34] ---

Sir.

[09:38] ---

It's bland!

[09:42] ---

What?

[09:43] ---

You just show up without even telling me?

[09:47] ---

Van?

[09:48] ---

We're traveling separately now,
and will meet up along the way.

[09:51] ---

What?

[09:52] ---

Professor Bucci made it even stronger?

[10:02] ---

That thing?

[10:03] ---

-Van.

-Yes?

[10:06] ---

What are you going to
do after you kill the Claw?

[10:10] ---

Is there anything you want to do?

[10:12] ---

I don't know.

[10:13] ---

Is there any place you want to go?

[10:16] ---

No, not really.

[10:18] ---

I mean some place you want to live.

[10:21] ---

I never thought about it.

[10:23] ---

Once you settle things with your brother,
you'll go back to that town, right?

[10:27] ---

Yeah.

[10:29] ---

I don't have a place like that.

[10:33] ---

You should definitely go back.

[10:35] ---

Once you've finished this thing,
you can grow up there in peace.

[10:40] ---

That's impossible for me.

[10:43] ---

No matter how old I get,
I can never grow up.

[10:51] ---

Mother, I didn't want to come here.

[10:56] ---

I had no desire to come to this place,
where your life came to an end.

[11:01] ---

To this castle where you
died for your ideals.

[11:04] ---

But I had to come to carry out
my mission to fulfill his dream!

[11:12] ---

Won't you please give me some praise...

[11:14] ---

Mother!

[11:23] ---

Today, William Will Wo is even stronger

[11:27] ---

and sadder than he was before.

[11:33] ---

I'll be back.

[11:38] ---

Sorry to make you wait.

[11:40] ---

I brought you some good bread.

[11:43] ---

It's only because of you that...

[11:45] ---

Oh shoot!

[11:47] ---

Why didn't you tell me?

[11:50] ---

Van.

[12:03] ---

What's the weather report?

[12:05] ---

There may be some rain or snow in Gano.

[12:07] ---

No other changes.

[12:08] ---

Very well.

[12:10] ---

We'll use the Delta route.

Echo and Alpha are...

[12:13] ---

Captain, looks like we've
got some Armor up ahead.

[12:16] ---

Armor?

[12:18] ---

To the airship currently in flight,
land immediately.

[12:23] ---

I want you to hand over
one of your passengers.

[12:26] ---

A man named "Van."

[12:30] ---

I hope that you will
respond quickly to my request.

[12:32] ---

I have only one objective: Van.

[12:35] ---

Captain, I propose we change course.

[12:38] ---

He won't be able to attack
from that distance either.

[12:41] ---

What's the matter?

[12:42] ---

You don't feel like following instructions?

[12:45] ---

That's not an option.

[12:51] ---

Van! Van, wake up!

[12:57] ---

What are you going to do?!

[12:58] ---

He asked for me.

[13:04] ---

Answer me by the time
I count down from 10.

[13:07] ---

What did he do?

[13:07] ---

Ten, nine, eight...

[13:09] ---

I don't know. All I saw was a light come on.

[13:11] ---

Van!

[13:11] ---

Seven, six...

[13:11] ---

Go on ahead! I'll catch up soon.

[13:37] ---

Hey Van! Don't you need money?

[13:40] ---

And the meet-up point...

[13:44] ---

Good morning. I'm "Van of the Dawn."

[13:47] ---

My name is William Will Wo.

[13:49] ---

Son of Ku Kryeng Kru, as well as
one of the newly-formed Original 7.

[13:55] ---

You're the one from that time?

[13:59] ---

You've come to avenge Gadved's death?

[14:01] ---

I do not possess such base sentiments.

[14:05] ---

My mission is to lay to rest
those who trouble my Comrade.

[14:10] ---

For that alone... I swear
and die by my sword!

[14:15] ---

Wake up, Metsä.

[14:20] ---

Get a load of you.

[14:22] ---

But if you're an Original 7,
this works out great.

[14:25] ---

Wake up, Dann.

[14:29] ---

There's something I want to make sure of.

[14:32] ---

I'm going to try something out on you!

[14:36] ---

Try something out? On me?

[14:39] ---

You must be joking.

[14:40] ---

You don't think this is a game, do you?

[14:43] ---

You'll find out when I do it.

[14:46] ---

Very well.

[14:52] ---

Not bad.

[15:03] ---

Wo asked us to.

We handed it over to the staff.

[15:07] ---

Thank you, Carossa.

[15:09] ---

He stayed behind.

[15:11] ---

He said...

[15:14] ---

he was going to get
rid of an obstacle for you.

[15:16] ---

Really? I'm happy to hear that.

[15:20] ---

So we'll leave that to Wo,

[15:22] ---

and I'd like for both of
you to get some rest.

[15:24] ---

You must be tired.

[15:26] ---

I'm not tired. The train was boring.

[15:29] ---

I'm OK.

[15:30] ---

Sir, Wo's probably facing
the man who killed Gadved.

[15:35] ---

Yes, that very well could be.

[15:37] ---

Please let me go!

[15:39] ---

I want to be the one to
avenge Gadved's death!

[15:42] ---

That's not fair! Send me!

[15:44] ---

I want to help Comrade by killing him.

[15:47] ---

If Carossa goes, I want to go too.

[15:49] ---

No! I should do it.

[15:51] ---

I will. Me and Melissa.

[15:53] ---

You got that, new guy?

[15:55] ---

We're the ones...

[15:56] ---

Carossa.

[15:58] ---

I finally managed to get the poison
out of that flower and make it safe.

[16:03] ---

Please pin it to your chest to at
least give some meaning to its life.

[16:07] ---

Yes sir.

[16:10] ---

Michael.

[16:11] ---

Yes.

[16:13] ---

There's no need for people to take revenge

[16:15] ---

or try to prove themselves anymore.

[16:18] ---

There's only one way

[16:19] ---

the world is going to become
a much more beautiful place,

[16:22] ---

and that's by you doing
what you're supposed to do,

[16:24] ---

when you're supposed to do it.

[16:26] ---

Gadved knew that.

[16:29] ---

So does Wo.

[16:31] ---

So why don't we all wait for him to return?

[16:35] ---

Yes.

[16:36] ---

The rescue party will be coming any moment.

[16:38] ---

We will be standing by until then,

[16:40] ---

so please follow the
instructions of those in charge,

[16:41] ---

Oh, Van.

[16:46] ---

What was that?

Your Armor must be weeping!

[16:48] ---

Oh really?

[16:49] ---

Then how's this?

[16:57] ---

You are...

[16:58] ---

Now fly on up and I'll cut you to pieces.

[17:05] ---

Hey, is it over?

[17:08] ---

I can't tell from this.

You're not giving me any challenge.

[17:12] ---

Challenge? I see.

[17:15] ---

You really don't understand, do you?

[17:19] ---

You move well for someone who was
never lectured on the fundamentals.

[17:22] ---

You must have talent,

[17:24] ---

but our talent is even superior to that.

[17:28] ---

We don't need to be reconstructed,

[17:30] ---

or have electro-neuro
amplification in order to operate.

[17:34] ---

As you see, we can also
use additional fixtures.

[17:37] ---

You see now, don't you?

[17:39] ---

This is a new possibility that's
being born here on this planet.

[17:43] ---

Your old-type Armor is
the same as Gadved's,

[17:46] ---

it's just a relic from another age.

[17:49] ---

What are you so happy about?

[17:53] ---

What's the matter, old-type?

[17:59] ---

I'm inexperienced.

[18:01] ---

Even while I've been
given an important role,

[18:03] ---

I'm swayed by immediate feelings.

[18:05] ---

Could someone like me really
be of any use to our Comrade?

[18:10] ---

Michael, you said you wanted to avenge
Gadved's death by killing his enemy.

[18:16] ---

But your younger sister, Wendy,
is right beside that enemy.

[18:21] ---

She's still with him?

[18:22] ---

If she were to stand in our Comrade's way,

[18:25] ---

could you kill your own sister?

[18:29] ---

I could.

[18:30] ---

No you couldn't.

[18:32] ---

You're still unsure of yourself.

[18:35] ---

So you still can't do it now.

[18:38] ---

I'm sorry.

[18:40] ---

But...

[18:44] ---

You know what you have to do.

[18:47] ---

You waver, but you want to do what's right.

[18:51] ---

Fasalina... I want to be strong.

[18:55] ---

I'll make it so you have time to do so.

[19:00] ---

I'm going to make you a man.

[19:06] ---

Chesto!

[19:07] ---

Don't treat me like I'm Gadved!

[19:09] ---

Why?

[19:10] ---

Why isn't it working
like it did with Gadved?

[19:15] ---

What are you doing?

[19:18] ---

You never see the big picture

[19:21] ---

and you don't keep
your eye on your opponent.

[19:24] ---

That is to say,

[19:26] ---

you've never even looked
at your own life in the face!

[19:30] ---

And yet I had to come here.

[19:33] ---

What are you talking about? Che!

[19:39] ---

He's still at it?

[19:48] ---

I didn't want to come...

[19:51] ---

and yet you called me here.

[19:54] ---

To this place.

[19:56] ---

And so I came. I came here.

[20:00] ---

Do you know what that means?

[20:03] ---

It means I've...

[20:05] ---

I've transcended myself in
order to serve my Comrade!

[20:11] ---

That's utterly impossible for you.

[20:14] ---

You, who've deceived yourself
into believing that you're fearless,

[20:17] ---

and allowed momentary passions
to rob you of your own life!

[20:22] ---

Prepare to know what you really are.

[20:28] ---

That you've been seized
with terror for the first time.

[20:32] ---

Here you go.

[20:34] ---

What?

[20:35] ---

You're going to make us all
depressed if you keep looking like that.

[20:40] ---

Hey, am I really depressed?

[20:44] ---

You're worried about Van, aren't you?

[20:48] ---

I guess maybe I am.

[20:51] ---

Why don't you go check up on him?
You can take the hover-base.

[20:54] ---

But what about you all?

[20:56] ---

We've got the prize money,

[20:57] ---

and I really have wanted
to try to run the farm.

[21:00] ---

Go on, sis.

[21:02] ---

I've learned how to do the laundry.
Little Yo can help out too.

[21:06] ---

Yeah!

[21:07] ---

But...

[21:08] ---

It's not like you to hesitate, Pricilla.

[21:11] ---

Why don't you go after him and
come back when you're satisfied?

[21:14] ---

We'll be fine, sis!

[21:16] ---

Go on!

Yeah, go! I can help out too!

[21:18] ---

We can raise the cattle!

[21:20] ---

You should try to do
what you want sometimes!

[21:23] ---

Sure, all right.

[21:25] ---

I don't know where
I'll meet up with him, but...

[21:27] ---

Hello!

[21:29] ---

That's a great hover-base. Is it yours?

[21:33] ---

Yes, but...

[21:35] ---

My name's Joshua.

[21:40] ---

You coward!

[21:49] ---

Wow, they're really here.

[21:52] ---

I guess that's OK.

[21:53] ---

The more people we
have on our side the better.

[21:56] ---

Van will be happy too.

[22:03] ---

Good, it looks like it's over.

[22:06] ---

We need to hurry and...

[22:28] ---

Hey, Van...

[23:56] ---

"The Electric Fireworks"

[23:57] ---

*When I first met Van,
he was a hero to me.*

[24:01] ---

A hero who saved my town.

[24:04] ---

But as we traveled together,

[24:06] ---

*I began to see how
thoughtless and irresponsible he was.*

[24:10] ---

*And that night, the Van
lying there in front of me was*

[24:13] ---

*a Van who'd been stripped
and left with nothing to hide.*

[24:16] ---

*How very sweet and precious
he looked when he was like that.*
