SIGN HAKYU HOSHIN ENGI

SIGN Kingo Island

[00:09] Taikobo

Kingo Island...

[00:11] Taikobo

is moving!

[00:13] Shinkohyo

There's no going back now.

[00:20] Bunchu

Listen well.

[00:22] Bunchu

We're going to war for one reason alone:

[00:25] Bunchu

to completely destroy Konron Mountain.

[00:29] Taikobo

B... B-B... Bunchu, that monster!

[00:33] Taikobo

He brought the entire Sennin world with him!

[00:36] Shinkohyo

By doing so, Bunchu forcibly dragged the Juttenkun out to the battlefield.

[00:43] Taikobo

Shinkohyo?!

[00:45] Taikobo

Are you here to watch again?!

[00:48] Shinkohyo

But of course! I would never miss something that promises such amusement!

[00:53] Shinkohyo

Kingo is home to approximately one thousand Sennin and Doshi.

[00:57] Shinkohyo

Konron, on the other hand,
has about four hundred.

[01:01] Shinkohyo

There's quite a gap in their numbers, you see?

[01:04] Taikobo

I'm aware of our disadvantage!

[01:06] Taikobo

Supu! We're returning to Konron Mountain!

[01:09] Supushan

Roger!

SIGN HAKYU HOSHIN ENGI

[02:45] Unsho

Since ancient times,

SIGN The Great Sennin World War Begins!!

[02:47] Unsho

the number three has been said to
carry connotations of sexiness.

[02:51] Keicho

Are you referring to the three of us?

[02:55] Unsho

But a truly beautiful
woman must also be strong.

[03:01] Unsho

The eldest sister, Venus!

[03:04] Keisho

The second sister, Queen!

[03:07] Unsho

The third sister, Madonna!

[03:10] Both

Together we are...

[03:13] Both

the princesses of the Sennin world,
the Three Unsho Sisters!

[03:17] Keisho

Venus, this is dreadful. It's moving!

[03:20] Unsho

Kingo Island...

[03:22] Unsho

It measures fifteen kilometers in diameter,
with several thousand gun batteries.

[03:26] Unsho

Its size alone is five times
that of Konron Mountain.

[03:29] Keisho

It appears to be heading west.

[03:32] Unsho

That direction, it could only be headed to...

[03:39] Koyuken

Is it heading for Konron?

SIGN Dokan

SIGN Choka

SIGN Kingo Island

SIGN Konron Mountain

SIGN Kingo Island

[03:49] Guy

What is that?!

[03:49] Guy

The island is floating!

[03:52] Guy

Run!

[03:52] Guy

Run!

[03:53] Guy

Help me!

[04:01] Taikobo

Oh, impressive!

[04:04] Taikobo

You realized what was going on
and came to help as a group,

[04:08] Taikobo

the Twelve Sennin of Konron!

[04:11] Fugen

This has turned into something
dreadful, hasn't it, Bo?

[04:14] Fugen

This immense mass showing up on the
radar is none other than Kingo Island.

[04:19] Taikobo

Precisely, Fugen.

[04:21] Taikobo

This battle will involve all of us.

[04:25] Taikobo

Master Genshitenson,

[04:27] Taikobo

it appears Bunchu intends to
attack Konron Mountain itself.

[04:31] Taikobo

Konron must prepare for this fight!

[04:35] Genshi

Do as you will.

[04:38] Genshi

I entrust this battle to you.

[04:41] Genshi

In fact, if I'm to be honest,

we have no hope of winning without you!

[04:44] Taikobo

Yes, sir.

[04:46] Gyokutei

So, Taikobo, what is your strategy?

[04:51] Taikobo

Well, Gyokutei,

[04:53] Taikobo

we must move Konron Mountain.

[04:55] Taikobo

According to Taiitsu,

Konron Mountain can move, too.

[05:00] Taiitsu

This central area is the cockpit.

[05:03] Taiitsu

But only a Sennin of the highest level can move this mountain.

[05:07] Taikobo

Of course! And if we're talking about someone like that...

[05:10] Taikobo

it has to be her.

[05:13] Taikobo

Can you do it, Ryukitsu Koshu?

[05:16] Ryukitsu

Of course!

SIGN Konron

[05:21] Taikobo

Do you think we can use the batteries, Yozen?

[05:24] Yozen

It will be difficult.

[05:26] Yozen

They haven't been utilized in thousands of years.

[05:29] Yozen

It will take at least a full day to repair them.

[05:33] Taikobo

If only we had two days...

No, if we even had an extra day...

[05:43] Ryuukitsu

We don't have enough energy, Taiitsu Shinjin.

[05:47] Taiitsu

We won't be able to put up a decent barrier like this.

[05:50] Taiitsu

But I'll make it work somehow.

[05:53] Taiitsu

You just focus on piloting us.

[05:55] Taikobo

I guess we'll have to conserve energy until we enter direct combat.

[06:00] Taikobo

I'll have to ask him...

[06:02] Taikobo

Fugen, have you narrowed down a location for the battle?

[06:05] Fugen

Point 72/64/0/25/6 is unpopulated. It should be ideal.

[06:12] Taikobo

Good. All right, Ryukitsu Koshu!

[06:15] Ryukitsu

Konron Mountain, take off!

SIGN Konron Mountain

SIGN Kingo Island

[06:23] Yokai

Batteries are 99.72 percent functional!

[06:27] Yokai

The barrier should remain in place for approximately 108 hours!

[06:30] Yokai

Tuning up of the 100 flying paopei, Sokinrikishi, is complete.

[06:35] Bunchu

All is proceeding according to plan.

[06:38] Ohtenkun

Bunchu.

[06:39] Ohtenkun

We have a visual now.

[06:42] Fugen

Kingo Island is approaching.

[06:44] Fogen

Koshu, stop just outside the firing range of the enemy's main battery!

[06:56] Taikobo

Bu—

[06:57] Both

Bunchu!

[06:59] Bunchu

Listen well, Konron.

[07:00] Bunchu

I am Bunchu, Grand Preceptor of Yin

and supreme commander of Kingo Island.

[07:08] Bunchu

Kingo Island's current imperative

[07:11] Bunchu

is to completely destroy the
Konron mountain range.

[07:14] Bunchu

You can either hand over
Konron and surrender,

[07:18] Bunchu

or pack the Hoshindai with your
own souls. It's up to you.

[07:23] Bunchu

You will pay dearly for using Taikobo
to create chaos in the human world.

[07:28] Bunchu

As half the pulse of the Sennin world,
I cannot let this stand any longer!

[07:32] Taikobo

I won't just stand by and
let you say whatever you like!

[07:35] Taikobo

For all your platitudes, you're
really only in this to protect Yin!

[07:42] Bunchu

I only wish to keep the
human world as it is now.

[07:46] Taikobo

Lies!

[07:48] Taikobo

Then abandon this Grand Preceptor nonsense
and stay in the Sennin world!

[07:53] Taikobo

Rawr! Rawr!

[07:55] Fugen

I doubt anyone but Bo could get away
with saying all that to Bunchu.

[07:56] Taikobo

Hey! Say something, damn it, Bunchu!

[07:59] Genshi

Indeed...

[08:00] Taikobo

You're just too attached to Yin!

[08:01] Bunchu

I have nothing more to say to you.

[08:07] Fugan

Bo! Kingo Island's going

to launch a missile attack!

[08:17] Taikobo

Here it comes!

[08:18] Taikobo

Yozen, do it!

[08:21] Yozen

My goodness.

[08:23] ---

Using me as a barrier just because
you don't have enough energy?

[08:27] Yozen

What a terrible man.

[08:30] Yozen

Well, complaining won't do any good.

[08:34] Yozen

Partial transformation!

[08:36] Yozen

Water barrier!

[08:44] Taikobo

Look at that.

[08:46] Taikobo

Yozen changed just his hands into Koyuken's!

[08:51] Taikobo

He's even mastered partial transformations.

[08:54] Taikobo

He may be close to the best Konron has.

[08:57] Bunchu

Not bad, genius Doshi.

[09:00] Bunchu

However...

[09:03] Bunchu

Go, Sokinrikishi!

[09:09] Yozen

Paopei robots...

[09:11] Yozen

Are they something like Kokinrikishi?

[09:13] Ohtenkun

Yo, Bunchu.

[09:15] Ohtenkun

I don't think puny attacks like this
are gonna bring down Konron Mountain.

[09:19] Bunchu

I know that.

[09:21] Bunchu

This is just to buy time...

[09:23] Bunchu

until we reach peak energy.

[09:25] Ohtenkun

Peak energy?

SIGN Kingo Island

[09:27] Bunchu

We will use Kingo Island's largest,
strongest paopei weapon: Tsutenho.

[09:34] Yozen

Chi!

[09:51] Yozen

Nataku!

[09:58] Yozen

They're retreating?

[10:01] Taikobo

This is...

[10:02] Taikobo

No! Everyone, pull back!

[10:05] Bunchu

Too late, Taikobo.

[10:11] Taikobo

Enemy's main battery incoming!

[10:13] Taikobo

Koshu, move us! And fast!

[10:15] Ryukitsu

Their main battery?

[10:17] Taiitsu

We should still be out of their range!

[10:20] Taikobo

Our data is old.

[10:22] Taikobo

Knowing Bunchu, there's no doubt he'll aim
to destroy Konron Mountain in one fell swoop!

[10:27] Taikobo

All of Kingo's attacks thus far...

[10:29] Taikobo

have just been to buy time until
they reached peak energy!

[10:32] Bunchu

Tsutenho, fire!

[10:51] Yozen

Konron Mountain is...

[11:04] Yozen

At least we escaped complete destruction.

[11:15] Dotoku

*Several souls are leaving Konron
Mountain to head for the Hoshindai!*

[11:21] Fugen

Bo...

[11:24] Taikobo

Taiitsu! How long until we
can fire our main battery?

[11:29] Taiitsu

It'll be ready soon.

[11:31] Genshi

Taikobo, can you not withdraw?

[11:35] Taikobo

The enemy's main battery has a range
far longer than we could imagine.

[11:39] Taikobo

They would most likely attack as we withdrew.

[11:43] Taikobo

It appears Bunchu is giving
us only one option.

[11:50] Taikobo

Koshu! Full speed ahead toward Kingo Island!

[12:10] Taikobo

We'll fire the Genshiho at close range
and put a hole in their barrier!

[12:14] Taikobo

Then we'll enter Kingo Island
through that opening!

[12:20] Taiitsu

All right! It's ready in time!

[12:21] Taikobo

Koshu, do it!

[12:26] Ryukitsu

Genshiho, fire!

[12:49] Taikobo

Yes! Almost there!

[12:59] Taikobo

Wh-What happened, Koshu?

[13:01] Ryukitsu

Out of energy.

[13:06] Bunchu

Taikobo, I hope you see
just how powerless you are.

[13:11] Bunchu

Tsutenho, prepare to fire!

[13:26] Dotoku

Whoa, whoa, whoa, whoa!

[13:28] Dotoku

They're gonna fire that monster gun again!

[13:30] Doko

If we take a hit at this range,
we'll be blown to bits!

[13:34] Dotoku

What is Taikobo doing?

[13:37] Gyokutei

That's enough, you two.

[13:40] Gyokutei

Are you suggesting you could do better?

[13:42] Dotoku

Gyokutei...

[13:44] Gyokutei

We took minimal damage from the first blast because of Taikobo.

[13:51] Doko

You're right.

[13:53] Gyokutei

Have faith in him.

[13:55] Gyokutei

Let us just do what we can do.

[14:03] Fugen

Tsutenho has started to charge again.

[14:06] Fugen

What should we do, Bo?

[14:09] Supushan

Master!

[14:11] Supushan

Now is the time to try our hardest!

[14:14] Taikobo

Right.

[14:16] Taikobo

I can tell how nervous everyone is.

[14:19] Taikobo

Even the smallest mistake will cost us now.

[14:22] Taikobo

We absolutely cannot lose!

[14:24] Taikobo

If we can just take out that barrier...

[14:27] Taikobo

Isn't there... Isn't there some way?

[14:31] Fugen

There's trouble.

[14:32] Taikobo

What is it, Fugen?

[14:34] Fugen

Yozen seems to be missing.

[14:37] Supushan

What?!

[14:38] Supushan

He didn't die in the last shoot out, did he?!

[14:41] Taikobo

No, there's no way he would.

[14:44] Taikobo

I get it.

[14:46] Taikobo

Thanks, Yozen.

[14:49] Taikobo

I'm betting our fate on you.

[14:57] Yozen

I see.

[15:00] Yozen

So these mechas are free to enter
and leave Kingo Island's barrier freely.

[15:05] Yozen

It's been about fifty years since
I infiltrated Kingo Island...

[15:11] Yozen

Of course, this isn't the time
to get nostalgic.

[15:18] Bunchu

You intend to destroy
the barrier yourself, do you?

[15:22] Bunchu

I'm impressed, genius Doshi.

[15:25] Bunchu

Ohtenkun, we have about twenty
minutes until Tsutenho can fire again.

[15:30] Bunchu

Do something about him before then.

[15:34] Ohtenkun

Fine.

[15:41] Yozen

First, I need to find a way
into the central area.

[15:47] Yozen

What's that?

[16:10] Yozen

What is this place?

[16:12] Chotenkun

Welcome to the eternal desert.

[16:15] Chotenkun

I am Chotenkun, one of
the Juttenkun of Kingo.

[16:19] Yozen

The Juttenkun?!

[16:21] Chotenkun

This is a hyperspace I've created

called Kosajin.

[16:25] Chotenkun

Once you enter, you can never leave.

[16:30] Taikobo

Yozen's plan is to infiltrate Kingo alone

[16:33] Taikobo

and take down its barrier.

[16:36] Supushan

But it's dangerous to go there alone!

[16:39] Taikobo

If anyone can do it, he can.

[16:41] Taikobo

I'm not a fan of the "genius" title,

[16:44] Taikobo

but it really is the best way to describe him.

[16:48] Taikobo

Koshu! Taiitsu!

[16:50] Taikobo

Once Yozen takes down the barrier,
charge into Kingo Island at full speed!

[16:55] Taikobo

Use all the energy you need until Konron's
buoyancy and everything else is fully spent!

[17:00] Ryukitsu

So you trust Yozen, Taikobo?

[17:05] Taikobo

I sure do, Koshu.

[17:09] Yozen

Is this an illusion?

[17:13] Chotenkun

It is reality, Yozen.

[17:17] Chotenkun

This space itself is my paopei.

[17:23] Chotenkun

I control everything here at will.

[17:27] Chotenkun

Only I can create an exit.

[17:30] Chotenkun

That means you can never leave here.

[17:35] Yozen

Is that so?

[17:36] Yozen

We'll never know until I try.

[17:40] Yozen

I don't have any time.

I'll do whatever I must...

[17:46] Yozen

to defeat you!

[17:47] Chotenkun

This is futile, Yozen.

[17:54] Yozen

Did that get him?

[17:58] Chotenkun

What did I tell you?

[17:59] Chotenkun

I control everything in this space at will.

[18:05] Yozen

Why won't you attack? Are you mocking me?

[18:10] Chotenkun

Just surrender.

[18:11] Chotenkun

Konron's backwards paopeis
could never defeat the Juttenkun.

[18:17] Yozen

Never. I would rather die than surrender.

[18:22] Chotenkun

The other Sennin pale in comparison to you.

[18:26] Chotenkun

I couldn't bring myself to kill you,
and what's more...

[18:29] Chotenkun

I sense that you are closer
to being like us than the humans are.

[18:34] Chotenkun

Your personality, your perfection...

[18:37] Chotenkun

I'd never guess you were human.

[18:40] Chotenkun

The same goes for your
power of transformation.

[18:42] Chotenkun

It's reminiscent of a Yokai Sennin
taking human form.

[18:47] Chotenkun

Is your transformation not an
evolved form of that power?

[18:51] Chotenkun

And your beautiful true form...

[18:56] Chotenkun

is just like ours, is it not?

[18:59] Chotenkun

Yokai are far more cruel than humans,

[19:03] Chotenkun

but they are welcome among their own kind.

[19:06] Chotenkun

Come, Yozen, to where you truly belong.

[19:10] Chotenkun

There's still time.

[19:16] Yozen

I'll pass.

[19:19] Chotenkun

I see.

[19:25] Chotenkun

I forgot to mention it...

[19:27] Chotenkun

but everything here other than me
withers away rapidly.

[19:32] Chotenkun

All things dry up and turn to sand.

[19:36] Chotenkun

There, see?

[19:37] Chotenkun

Even you should be drying up about now.

[19:43] Chotenkun

There's nothing left for you
except becoming part of my desert.

[19:49] (Flashback) Gyokutei

Listen, Yozen.

[19:51] (Flashback) Gyokutei

Stay in human form so that
the bad guys can't find you.

[19:55] (Flashback) Yozen

Okay.

[19:59] (Flashback) Yozen

I am human.

[20:03] (Flashback) Taikobo

I won't let anyone be killed!

[20:20] Chotenkun

Wh-What is this?

[20:22] Yozen

Hey, Chotenkun...

[20:24] Yozen

Why don't I show you the truth?

[20:29] Yozen

The only catch is that
it will cost you your life.

[20:40] Ohtenkun

Another twenty minutes,
and we can fire Tsutenho.

[20:44] Ohtenkun

Then Konron Mountain will be done for.

[20:59] Ohtenkun

Can you break out of Chotenkun's Kosajin

[21:03] Ohtenkun

and take down Kingo's barrier in time?

[21:06] Ohtenkun

Or will you run out of time
and have nowhere left to return to?

[21:11] Ohtenkun

Genius Doshi, eh?

[21:13] Ohtenkun

Let's see just how much of a genius you are.

[23:02] Yozen

To live up to the trust of
Taikobo and all the others...

[23:08] Yozen

is why I am a Doshi of Konron.

[23:12] Chotenkun

This... is Yozen?

[23:20] Yozen

No matter what I was originally...
