[00:12] Onesta

Or are you perhaps looking
for a place to live?

[00:14] Michio

Actually, I thought you'd be selling weapons.

[00:17] Onesta

I'm sorry, but this is a hardware store.

[00:21] Onesta

We don't carry weapons.

[00:23] Onesta

If you're looking for a weapon shop, there's
one on the street with the knights' station.

[00:27] Michio

Thanks. I'll be back to
do some shopping later.

[00:30] Onesta

I'll be waiting for you.

[00:33] Michio

She asked if we were looking
for a place to live.

[00:36] Michio

Is that place also a real estate agency?

[00:38] Roxanne

Possibly. I don't know what
the market is like in Quratar,

[00:42] Roxanne

but a room can be rented for a
year for 10,000 to 30,000 nars.

[00:47] Roxanne

For 50,000 nars, you can rent a large house.

[00:50] Michio

That's cheaper than staying
long term at the inn.

[00:54] Michio

Can anyone rent a place?

[00:56] Roxanne

Probably, if the town is large enough.

[01:01] Roxanne

I've heard a lot of Explorers live
either here or in the Imperial City.

[01:06] Michio

Huh.

[01:08] Roxanne

But in your case, since you have access to
spells, you could probably live anywhere.

[01:15] Michio

Is she talking about Teleport?

[01:17] Michio

I don't want people to know I can cast magic.

[01:20] Michio

I should live someplace it wouldn't
be strange for an Explorer to live.

[01:24] Roxanne

We'll be fine. Leave it to me.

[01:27] Michio

I'm counting on your help
when the time comes.

[04:31] Michio

My card displays my first job.

[04:34] Michio

That shouldn't be a problem.

[04:35] Onesta

All kinds of people become Explorers.

[04:39] Onesta

In this town it's considered taboo
to look into someone's past.

[04:43] Onesta

Here we oversee district six.

[04:45] Onesta

[05:10] Michio

I'm not sure how to answer that.

[05:13] Michio

[05:16] Michio

As long as I can rent it for

I don't have any particular requirements.

[05:21] Onesta

Will it be the two of you living there?

[05:23] Michio

[05:26] Onesta

[05:29] Michio

Why'd she smirk like that?

[05:31] Michio

Did she realize Roxanne is a slave?

[05:36] Roxanne

Um...

[05:38] Michio

Maybe it's because she manages a district,

[05:48] Onesta

[05:55] Onesta

I've got some apartments
available near the labyrinth

[05:58] Onesta

or detached homes if you're okay

[06:01] Michio

I don't mind living a little farther away.

[06:03] Onesta

Since you're not an Adventurer,

[06:05] Onesta

I presume you'd prefer a home
made with shielding cement.

[06:08] Michio

Shielding cement, huh?

[06:11] Roxanne

Field Walk can't be used on walls
made from shielding cement.

[06:15] Roxanne

They're probably inconvenient
for Adventurers.

[06:20] Michio

*I was planning to use
Teleport to get around,*

[06:22] Michio

*but I've encountered something
I'm not familiar with.*

[06:25] Onesta

It's not impossible to get around
if you install a sturdy partition,

[06:30] Onesta

so you'll be fine, even if you become
an Adventurer in the future.

[06:33] Michio

Could you show us the place first?

[06:35] Onesta

Very well. Let me get ready.

It's pretty neglected, though.

[06:59] Roxanne

That's rosemary.

It doesn't look too healthy.

[07:04] Michio

*I see. A neglected yard reduces
the value of the property.*

[07:09] Michio

*Roxanne deliberately said

[07:13] Michio

In that case...

[07:14] Michio

[07:23] Onesta

It should be fine.

One more push.

[07:46] Michio

It'll probably have to be dug up once.

[07:49] Roxanne

It'll be a lot of work.

[07:53] Onesta

The windows were repaired and the house was cleaned just recently.

[07:58] Onesta

You could start living in it right away, once you moved some furniture in.

[08:02] Michio

She's not willing to make any more concessions.

[08:05] Michio

Just getting free seeds is a decent haul.

[08:15] Onesta

The previous resident made a variety of adjustments.

[08:18] Onesta

Feel free to remodel the inside however you want.

[08:21] Onesta

They performed a lot of revisions to the flush in particular.

[08:26] Onesta

The waste water flows into the gutter outside when you pour water into the container on top.

[08:31] Onesta

Since it takes in water from the nearby river,

[08:33] ---

the gutter itself isn't particularly dirty,

[08:36] Onesta

but it's rather inconvenient to get water at this location.

[08:39] Onesta

What? There's another bathroom?

[08:46] Onesta

It's in the room back there.

[08:50] Michio

It's only connected to the sewage outlet.

[08:58] Roxanne

[09:01] Onesta

Go ahead. Ask me anything.

[09:03] Roxanne

This area must be for cooking with fire.

[09:03] Michio

curious to know how easy it is to use.*

[09:05] Onesta

Yes. This wall is made using
fire resistant materials.

[09:08] Michio

In which case, I should test it while I can.

[09:10] Onesta

[10:09] Michio

If I go someplace I'm not supposed to be able to enter,
