Kaito-kun!

It's really the cabinet prime minister, though!

By the way, I am the secretary

They're the Seven Gods of Suits...

**[05:58] Kakei**

The die has been cast!

**[06:01] Kakei**

Japan has already been  
placed under our control!

**[06:05] Kakei**

World, know this for certain.

**[06:08] Kakei**

Henceforth, Japan will be  
separated into seven areas,

**[07:22] Sekito**

So, it's begun at last.

**[07:24] Kaito**

Sekito!

**[07:25] Fukuta**

Why are you here?

**[07:26] Nagata**

He knows much about the cyber world.

**[07:29] Nagata**

As such, he's been appointed  
as a government special agent.

**[07:33] Kaito**

What language was that?

**[07:35] Mitsuo**

The short version is: he's really smart.

**[07:37] Kaito**

Wow, this soybean-bar guy is?

**[07:41] Nagata**

Kaito-kun,

**[07:42] Nagata**

and you gentlemen of Big Money Company...

**[07:45] Nagata**

You are all heroes who commendably  
resolved the recent Money Ghost incident.

**[07:50] Nagata**

I'd like to ask you to be Anti-Seven Gods of  
Suits special agents for the government.

**[07:54] All**

What?!

**[08:09] Kaito**

Us? Agents?

**[08:12] Mitsuo**

Let's do it, Kaito-kun!

**[08:14] Both**

Seriously?

**[08:15] Mitsuo**

This is a business opportunity!

**[08:17] Mitsuo**

If we have the prime minister's backing,

**[08:18] Mitsuo**

we'll get operational funds from the nation!

**[08:21] Mitsuo**

With federal funds as our seed  
money, we can make a killing!

**[08:25] Ai**

Mitsuo-kun's changed.

**[08:27] Zouan**

Money changes a person.

**[08:29] Fukuta**

I'm in, too, though.

**[08:31] Kaito**

You, too, Fukuta?

**[08:33] Fukuta**

If the nation backs us,

**[08:35] Fukuta**

we might be called "Sensei" and turn  
out popular wherever we go, though!

**[08:41] Zouan**

Now I\* want to join in!

**[08:43] Ai**

That's such an old-man way of getting popular!

**[08:46] Nagata**

Please!

**[08:47] Nagata**

Yes!

**[08:50] Nagata**

I beg of you!

**[08:54] Kaito**

What're you doing?!

**[08:56] Zouan**

I never thought I'd see the prime  
minister prostrating himself.

**[08:58] Zouan**

Thank you, thank you.

**[09:00] Kaito**

Prostrating himself?!

**[09:02] Mitsuo**

It looks like ordinary prostration.

**[09:03] Mitsuo**

However, this is the legendary  
prostration said to fiercely move

**[09:08] Mitsuo**

the hearts of all who receive it!

**[09:10] Ai**

A prime minister who's good

at prostrating himself?

**[09:13] Yagami**

Kaito-kun, your friends seem up for it.

**[09:17] Yagami**

Please, give us your consent, as well.

**[09:21] Yagami**

When you do, I'll team you up

**[09:23] Yagami**

with Sekito-kun as an agent  
and have you mobilized.

**[09:25] Kaito**

With Sekito?

**[09:28] Sekito**

I won't accept it.

**[09:30] Kaito**

I won't accept you, either!

**[09:34] Mitsuo**

Please wait, Kaito-kun!

**[09:37] Mitsuo**

If the cyber pirates take over the whole nation,

**[09:39] Mitsuo**

Yummy Sticks will be repossessed, too,

**[09:41] Mitsuo**

and we won't be able to eat the regional  
specialty Yummy Sticks we haven't tried yet!

**[09:45] Kaito**

What?

**[09:46] Fukuta**

We might not be able to have Hero  
Battles anymore, either, though!

**[09:51] Kaito**

Hero Battles...

**[09:58] Kaito**

If we beat them, we might find Nagare.

**[10:02] Mitsuo**

That's right!

**[10:03] Fukuta**

Let's be agents, though!

**[10:05] Kaito**

Hey, what happened to that tower  
after it fell on our school?

**[10:10] Sekito**

Nothing happened to it.

**[10:13] Mitsuo**

Do you think cyberspace will go back  
to normal if we destroy that tower?

**[10:18] Fukuta**

It's worth trying, though!

**[10:20] Kaito**

All right, let's go!

**[10:22] Yagami**

Please wait!

**[10:23] Yagami**

Control of cyberspace is control of the network.

**[10:27] Yagami**

For example...

**[10:28] Yagami**

The surveillance cameras placed around the city are connected by a network.

**[10:32] Yagami**

Since these are under their control,

**[10:34] Yagami**

you can assume the enemy can see you anywhere you go in the city.

**[10:39] Kaito**

That's bad!

**[10:41] Fukuta**

So what do we do, though?

**[10:43] Yagami**

That's where toilets come in!

**[10:45] All**

Toilets?

**[10:47] Yagami**

Now, go ahead.

**[10:49] Yagami**

Please jump in!

**[10:51] Kaito**

Huh? Jump in?

**[10:53] Mitsuo**

That's totally dirty!

**[10:55] Ai**

How rude!

**[10:56] Ai**

I make sure to clean it!

**[10:58] Fukuta**

It's more about how gross it makes you feel, though.

**[11:01] Zouan**

But the prime minister and secretary came out of here, didn't they?

**[11:05] Yagami**

That is correct.

**[11:07] Yagami**

In truth, this is a warp machine with a

powerful deodorization function attached.

**[11:10] Yagami**

Its name is "Snuffed Out."

**[11:13] Kaito**

"Butt Out"?

**[11:14] Ai**

I thought he'd say that!

**[11:16] Yagami**

It's a groundbreaking invention  
that will allow you to move around

**[11:20] Yagami**

without the cyber pirates finding out.

**[11:22] Nagata**

There is no other means of moving  
around without them noticing.

**[11:27] Kaito**

Wow, interesting!

**[11:29] Mitsuo**

But it's a toilet!

**[11:32] Boo**

Here we go, ka-ching!

**[11:40] Zouan**

It's gold!

**[11:42] Kaito**

Now we'll know what poop feels like!

**[11:44] Fukuta**

That's not a feeling I want  
to experience, though.

**[11:45] Mitsuo**

I guess there's no way around it...

**[11:48] Kaito**

Let's go!

**[11:49] Kaito**

Big Money Company, business trip!

**[12:10] Kaito**

I feel refreshed!

**[12:13] Fukuta**

We made it through unscathed, though!

**[12:14] Mitsuo**

This toilet is surprisingly useful.

**[12:17] Mitsuo**

I sense a business opportunity!

**[12:20] Mitsuo**

Kaito-kun, please be careful.

**[12:22] Mitsuo**

Don't let the enemy spot you.

**[12:25] Mitsuo**

What's wrong?

**[12:27] Kaito**

Uh-oh...

**[12:28] Serv**

Money...

**[12:29] Serv**

Money!

**[12:32] Kaito**

Run for it, guys!

**[12:41] Maezono**

What are you guys doing here?!

**[12:44] Sekito**

Who do you work for?

**[12:46] Maezono**

I've taken over this Big Money District

I took care of it myself!

**[18:06] Fukuta**

Oh? The cyber pirates aren't here, though?

**[18:11] Sekito**

They ran away, huh?

**[18:13] Kaito**

Hello?

**[18:15] Sennen**

You did it, Kaito!

**[18:16] Hikari**

With the destruction of the Tower of Seizure,

**[18:19] Hikari**

Big Money District has been freed  
from the cyber pirates' control!

**[18:22] Kaito**

Really? Awesome!

**[18:25] Sekito**

It's still too soon to celebrate.

**[18:27] Sekito**

The monsters they've launched

Don't think badly of me, Maezono.

**[19:41] Mitsuo**

A top secret assignment?

**[19:43] Fukuta**

It's so cool, like we're spies, though!

**[19:46] Kaito**

Leave it to us!

**[19:48] Nagata**

Work hard to pay everything back with that very spirit.

**[19:51] Kaito**

Huh? Repay?

**[19:53] Yagami**

The amount you've borrowed is written there.

**SIGN** Agent Assignment Letter of Consent

Big Money Company hereby consents on Month O Day X Year 26 to being appointed special agents of the Cyber Bureau.

Upon inauguration, we pledge to comply with the following.

1. To defeat the Seven Gods of Suits who have seized seven locales across the nation, and liberate those areas.
2. To not reveal we are government agents for the sake of our top secret mission.
3. That we cannot quit midway for any reason whatsoever once we've consented to being agents.
4. To not press charges even if we should get severely injured or die in the line of duty.

That is all.

Fine Print

Furthermore, we hereby promise to take on the repayment of the maintenance

fees of the warp device "Snuffed Out" incurred by this assignment along with all other sundry expenses as part of our assignment as agents.

Repayment Sum: 1,000,000,000,000

Name: Company President Kaito Goshō

**[19:59] Kaito**

Um, how much is this?

**[20:02] Yagami**

One trillion yen.

**[20:05] All**

A trillion?!

**[20:07] Yagami**

Since the toilet warp racks up maintenance fees,

**[20:10] Yagami**

the government borrows money  
from respective corporations.

**[20:12] Yagami**

You'll be covering this.

**[20:15] Yagami**

One must pay back what one borrows.

**[20:17] Yagami**

But, the government has been  
seized by the Seven Gods of Suits

**[20:20] Yagami**

and can't do a thing.

**[20:22] Yagami**

So henceforth,

**[20:23] Yagami**

you will take on the repayment of  
the government's debt as your job.

**[20:27] Yagami**

I'm begging you!

**[20:29] Yagami**

Yes!

**[20:30] Yagami**

We're counting on you,  
for the sake of the country!

**[20:34] Boo**

By the way, it's Boo's duty to collect, ka-ching!

**[20:37] Kaito**

A...

**[20:38] Mitsuo**

A...

**[20:39] Fukuta**

A...

**[20:41] All**

Again?!

**[22:15] Fukuta**

Being able to warp is amazing, though!

**[22:18] Mitsuo**

But I wonder why it's a toilet.

**[22:19] Kaito**

Because it's Hero Bank!

**[22:22] Both**

I get it now!

**[22:23] Kaito**

Next time, "Osaka Business Trip!

***SIGN*** "Osaka Business Trip! That Man is Taiga!!"

**[22:25] Kaito**

That Man is Taiga!!"

**[22:27] Kaito**

Let's rake in the dough!
