We Can Do It
Fight Fight Fight, don't lose your way
You're amazing when you're doing your best
That's right, Make Make
Make, one day at a time

We're gathering more
treasures (So Happy Days!)

On Monday, I carelessly forgot something
It's the start of the week
and I'm already sighing

Depression mode (Oh No, Mistake)
Maybe I'll spend today in low-power mode
But then I correct my sulking heart
"You're just getting started, remember?"
If anything happens, it's just
the prologue (Don't Let Me Down)

As long as you take up the challenge
Fate, the future, and the
weather will be on your side

We Can Do It
Fight Fight Fight, no
matter how your day goes

It's up to you to recover
Recklessly Go and Go, that's how
Roads are opened (Go To Next Stage!)

We Can Do It
Fight Fight Fight, don't lose your way
You're amazing when you're doing your best
That's right, Make Make

Make, one day at a time

We're gathering more
treasures (So Happy Days!)

When you look back, I'm sure you'll find
Dreaming Days! Groovy Days!
Happy Days Creation! (So Happy Days!)
