

NATSU☆Shiyouze! - IDOLiSH7 Version

Breaking Breaking Breaking
New World! (Let's dance!)

Shaking Shaking Shaking
Pure Heart! (Right now)

Making Making Making Your Day! (With me?)
Taking Taking Taking!
Let's do SUMMER!
(Oi! Oi!) Let's do SUMMER!
(Oi! Oi!) It's gotta be My way!
(Oi! Oi!) Let's do SUMMER!
(Oi! Oi!) How exciting!
A vivid cobalt blue
My excitement won't stop (So!)
The seaside is so bright (High!!)
This upsurge is infinite
I've been waiting for this feeling
I've been waiting for this moment (Yes!)
Let's dive right in
We could go driving, surfing,
or even experience summer love!?

It's the season for smiles (Yeah!)
Even pure girls are the same
Their gazes are BOLD
The summer sun can be a little
dangerous but it strikes home

Everyone's been talking
about those Seven Guys!

It's us they're talking about!
We'll have fun running around together!
The answer is always (Alright!)
I'll hold you tight and welcome
this invincible Sunshine
